The Summer holidays are here. Take a day off and go to the lake. The only women who will permit men to dictate to them are stenographers.

Census enumerator J. H. Hume reports the population of Watford to be 1059.

Ladies' White Lisle and Silk Boot Hose open Friday. Ask the price.—Swift's Sale.

June has given the crops a long start on any adverse conditions that may arise this month.

One nuisance will soon be removed—the numerous "boose" price list in your mail matter.

Laugh and learn. Buy season tickets now and attend Watford Chautauqua July 9-13.

A nice rain fell on Tuesday which freshened up the fields and gardens wonderfully. It was much needed.

Hydro power was cut off Monday morning for about 40 minutes caused by a break in the line near Niagara.

There will be morning service in Trinity church next Sunday and a celebration of the holy communion. Evening service as usual.

Col. Fisher, London, postoffice inspector for many years, has resigned the position. He has been connected with the Postoffice Department for 53 years.

At the meeting of the Board of Education held Monday night, Mr. G. A. Ballantyne tendered his resignation as assistant teacher, which was accepted with regret by the Board.

"What happened in the Cool of the Day," will be the theme of the message of the pastor, Rev. T. D. Rayner, in the Cong'l church on Sunday evening at 7 p.m. The morning people will be "Our Exemplar."

The sacrament of the Lord's Supper follows the morning service. You are invited to attend these services.

You can fool part of the people all the time, all the people part of the time but not all the people all the time. The fact that there has been never forty new Ford cars bought in Watford vicinity speaks for itself. Ford cars are old enough to be proven now and the more there are proven the better they are liked. Why pay more?—R. Morningstar.

The local Orangemen attended Trinity Church in a body Sunday evening. There were 30 of the brethren in the parade. The pastor, Rev. S. P. Irwin preached very acceptably from the words "Jesus said ye also shall bear witness because you have been with me." During the offertory Mr. W. G. Connolly sang a solo in his usual impressive manner. After service the brethren returned to their lodge room for closing ceremonies.

There are many nice flower gardens in town this summer, far more than usual. The shrubs and plants on Federal Square also not making much of a show so far, will no doubt improve as the season advances and next year the corner will be a beauty spot. A year or two more of this progressive spirit will help bring Watford into prominence as not only one of the best business towns of its size in the province but as one of the smartest and most attractive.

Warden Sproule and members of the Lambton County Council were guests of the St. Clair Road Commissioners Wednesday on a trip over the roads of St. Clair and Macomb counties. The object of the jaunt was to create a spirit of co-operation between the officials on both sides of the boundary line in charge of or interested in the construction and improvement of highways, and to give the county Solons a sight of the methods employed in road building by their neighbors to the west.

In a baseball game both teams cannot win. To lose graciously is, therefore, almost as important as to win generously. If the sport is good it is a minor matter whether "our" team or the other one wins. The big thing is that the game should be played fairly, squarely, and in good temper. There is a gratifying spirit of good fellowship among the various baseball teams that are contesting in this district this season. Let the public do their part by encouraging this feeling and turning out, not just to see "our" team win, but to witness a good game of ball. I want to call on Peggy.

Down where the roses grow. Her short skirts made her "leggy"; Her waist was cut quite low. I'm coming out dear Otis, She said (we've long been friends). Quite true! I said; "I notice You're coming out—both ends."

REV. T. A. STEADMAN

who enters upon his second year as pastor of the Brooke Methodist circuit on Sunday next.

Towelling 5 yds for 50c. Factory 8 yds for \$1.00.—Swift's Sale.

The casualties in Mr. P. Bugg's family have been very numerous the past two weeks. A great number of them have died from poison.

We notice quite a few of our young men are following the example of the ladies and appearing on the streets in low neck costumes.

A brief, but pointed conversation Jones—"I don't believe in advertising." "Well, then, old man, you may know your own business, but no one else will."

What particular work are you doing in an unselfish way to promote the interests of Watford? Or are you just looking after your own interests?

It takes a boastful man down a peg or two when his wife appears on the scene and insists upon him minding the baby while she goes out for a little walk.

Sunday was the hottest day so far this summer, 95 in the shade and about 105 in church. There was a great exodus of citizens towards the cool spots on the lake shores.

"Does the baby take after your husband, Mrs. Smith?" "Yes, indeed, we have taken his bottle away from him and the other day the little darling tried to creep down the cellar steps."

This talk about the "mean warmth" of June is neither respectful nor accurate. There has been nothing mean about the month's warmth. Too great generosity has been June's fault.

You don't need to be a chartered accountant to figure the advantage in buying a season ticket to the Watford Chautauqua, July 9 to 13.

Exchangeable in your family, "Does the baby take after your husband, Mrs. Smith?" "Yes, indeed, we have taken his bottle away from him and the other day the little darling tried to creep down the cellar steps."

20 Dozen Ladies' Seamless Hose 21 cents.—Swift's Sale.

In the report of the Lambton's Women's Institute published last week the objective amount to be raised for the Children's Memorial Hospital should have read \$1000 instead of \$100, and the amount already raised \$845.00.

There are a few autoists in this district who have not yet placed "dimmers" on their cars. They may take the hint that the Government Inspector will drop in any time and then they will regret that they have been so neglectful.

The complaint is about short skirts. Before long it may be that there will be no skirts at all about which to make complaint—the women will be wearing the breeches in reality, as many of them do now figuratively.

Reorganization in connection with the issuing of marriage licenses will go into effect by September 1, according to Provincial Secretary Nixon. After that date all marriage licenses are to be issued by municipal clerks, and jewelers will no longer have the privilege of issuing licenses.

A big day may be expected at Strathroy on Dominion Day when the West Middlesex U.F.O. hold their picnic. The preparations are on a large scale consisting of baseball games, and a large program of other athletic sports. \$3000 in three races for which about 40 horses are entered. Big procession in the morning.

The following conversation took place between a dollar bill and a nickel which met on a bank teller's counter. "I am worth more than you," remarked the dollar to the nickel. "You're not," was the reply. "Yes I am. I am twenty times better than you," came back the dollar. "Oh, no you are not," said the nickel. "I go to church and you don't."

To escape criticism: Do nothing—be nothing—say nothing.

Hot house tomatoes and cucumbers are being shipped from Leamington by the car.

Read our ad., and start for the store.—Swift, Sons & Co.

We met a man last night who was saying it with flowers. They were dandelions in the fermented state.

Why worry about a vacation? Watford Chautauqua is on July 9 to 13. The biggest \$2 worth of entertainment ever offered.

Butter will remove almost any kind of stain if rubbed well into it and then washed out immediately with hot water and pure soap.

The Women's Missionary Auxiliary of the Methodist church will hold their July meeting on the lawn of Rev. T. A. Steadman on Thursday, July 7th, at 3.30 p.m. An interesting program will be given, after which a social hour will be spent. All the ladies of the congregation are cordially invited to attend.

Postmasters are being advised that according to an amendment to the Post Office Act, passed at the last session of Parliament, wholly unpaid letters, posted in Canada for delivery in Canada may now be forwarded to the destination, charged with double the amount of the postage thereon, which amount shall be collected on delivery.

10 Dozens Men's Lisle Hose, assorted shades, 40 cents.—Swift's Sale.

Stanley Wilson, who lost wife and two children by his auto overturning in the ditch on the townline Bosaquet and Warwick several weeks ago has entered an action for \$10,000 against the county of Lambton, claiming \$5,000 for himself and \$5,000 for his 8-year-old son Freddie who was left motherless.

Mr. Lon H. Aylesworth met with a distressing accident on Monday morning which may cause him much inconvenience and pain for some time. While setting a machine at the Andrews Wire Works a fine chip of steel flew into his right eye, entering near the pupil. Dr. Savers assistance was at once secured who advised the consulting of a specialist at London. Mr. Aylesworth went to London that afternoon where the specialist extracted the splinter. He is now in Victoria Hospital where the results of the operation are being carefully watched. It cannot yet be decided whether the sight of the eye will be impaired.

Mr. and Mrs. Sam Johnston, and daughter May, Windsor, were visitors at W. H. Harper's and J. W. Haves' last week.

Miss Geraldine Durstan returned home Saturday after spending her holidays in Harriston with her sister Mrs. C. Grisch.

Mrs. W. Willoughby, son Gordon and little daughter Dorothy, have returned after spending two weeks visiting relatives in Smith's Falls and Ottawa.

Mr. and Mrs. D. Eccles, Winnipeg, Dr. and Mrs. F. D. Eccles, London, and Dr. F. R. Eccles, Chicago, spent Friday with Mr. and Mrs. J. F. Elliot.

MOVIES SUSPEND UNTIL FALL

The regular weekly motion picture show at the Lyceum was suspended until cooler weather this week, on account of the small patronage. Watford has been indeed very fortunate in having such a splendid photoplay service as Mr. McLeish has been offering, and it is to be hoped that the public patronage will be better in the fall.

REV. A. C. TIFFIN

The above is a photograph of the Rev. W. K. Hagar B.A., successor to the Rev. A. C. Tiffin, pastor of the Watford circuit of the Methodist church. Mr. Hagar comes from Aylmer where he has concluded four years pastorate. He has only been eight years in the London Conference coming to North St. Church, Goderich, from Collingwood, in the Toronto Conference. He is a man still in the forceful fifties and has been appointed chairman of the Strathroy district as he has served in that capacity for many years. Mr. Hagar is anticipating a happy pastorate in Watford and hopes to be as useful as a citizen as he is a minister of the gospel.

His family consists of his wife and mother who will accompany him to their new home on Thursday, the 30th of June. He will preach at Watford and Zion at the usual hours of service on Sunday next.

FAREWELL TO REV. A. C. AND MRS. TIFFIN

The Watford and Zion Congregations were both largely represented at a gathering at the parsonage on Monday evening, the occasion being to bid farewell to Rev. and Mrs. Tiffin prior to their departure to Blyth, their new field of labor. After some time had been spent in social intercourse, Mr. T. B. Taylor was called upon to take the chair. Mr. Taylor stated the purpose of the gathering, making special reference to the efforts put forth, and the work accomplished by Mr. Tiffin as pastor of the Watford church and the place he had in the affections of the members of the congregations.

Mr. and Mrs. Tiffin were asked to come forward and Mr. W. E. Fitzgerald read an address from the congregations of the two churches expressing appreciation of their services during the past four years, also that during that time all departments of the church had prospered, the membership increased, the mortgage reduced on the Watford church, and that the grand success of the Forward Movement was in a large measure due to Mr. Tiffin. The address concluded as follows:

"We wish you both every success in Blyth and have every reason to believe that you will accomplish just as good results there as you did here. We now present you and Mrs. Tiffin with this travelling bag, not for its intrinsic value, but as a reminder in the future during the remainder of your journey through life of the pleasant and successful years you spent with us here."

Mr. T. A. Gault, Rec-Sec., made the presentation and the address was signed by Mr. J. H. Hume and Mr. T. A. Gault. Mr. Tiffin suitably replied to the presentation, reviewing the various phases of work that had been undertaken and accomplished during his pastorate, dwelling particularly upon the co-operation of the people in all his efforts especially that accomplished in connection with the Methodist National Campaign. Mrs. Tiffin also gave expression to her appreciation of the happy relationships formed while resident here and her sorrow and regrets at having to say goodbye.

Mr. J. H. Hume, S. J. Harper, and many others gave short addresses testifying to the esteem they held for Mr. and Mrs. Tiffin and wishing them the best in store for their future welfare.

Light refreshments were served and the gathering was dispersed by singing "God be with you till we meet again."

The work of the Essex High School has been re-arranged so as to have five teachers instead of six. There are other schools where a similar arrangement might be made and thus reduce the scarcity of teachers.

"WE LIVE IN DEEDS, NOT YEARS"

A beautiful bronze tablet was attached to the Lawrence monument at the cemetery last week in memory of Captain Ernest Lawrence, one of Watford's brave boys who gave his life in the Great War.

The tablet is a tribute from Frederick Lawrence of Detroit, and Harold Lawrence, Alma, Mich., brothers of Captain Lawrence.

Following is the inscription in full:

IN LOVING MEMORY

Captain Ernest Wilkinson Lawrence, son of Mary Ann and Henry Peter Lawrence. Born Aug. 11, 1890. Served with the 4th Canadian Battalion, Canadian Expeditionary Force, Appointed Lieutenant Sept. 16, 1915. Promoted to acting Captain on Sept. 17, 1916. Gazetted Captain Jan. 10, 1917. Awarded Military Cross Jan. 1, 1918. Wounded Sept. 1917 and Sept. 1918 and two weeks later in Sept. 1918 instantly killed by an enemy's shell near Cambrai, in an attack on Abancourt. Oct. 1, 1918, was buried in Saincourt British Cemetery, 10 1/4 miles S. E. of Donai, (near Cambrai) France. Plot No. 2, Row "A", Grave 13.

"Greater love than this hath no man, that he lay down his life for his country."

Would it not be a fitting tribute to the brave boys who gave their lives for us to erect gates at our cemetery with bronze tablets inset in their memory.

In this quiet spot will rest in the future their kin, those who were nearest and dearest to them in life. What finer or more dignified memorial could we give them.

THE FAREWELL SERVICE

The Rev. A. C. Tiffin, who came as a stranger to Watford four years ago to assume the pastorate of the Methodist church completed his full four year term last Sunday. He was greeted in the morning with a splendid congregation of his own people, and several visitors from other congregations. His morning theme was based on the text, "And He blessed him there." It was a very touching discourse and many were the kind expressions of appreciation of the people as to the services of the years of his ministry. There were many regrets at his leaving and also his estimable wife who has been a helpmate indeed in every respect.

In the evening despite the intense heat the church was filled and very many from the other churches attended showing their appreciation of Mr. Tiffin as a citizen and as an effective preacher of the gospel in Watford where he has been deservedly popular. The Presbyterian church very kindly withdrew their evening service and attended in a body. Revs. Messrs. Savers and Workman both took part in the service. Mr. Tiffin's evening subject was "The Surrendered Life, What it costs and what it brings." It was well handled and the service will not soon be forgotten by those present. A few statistics were given in the morning of local interest showing the growth of the church during his pastorate. Mr. Tiffin had baptized 44, performed 16 marriage ceremonies and conducted 39 funerals. 63 were received into church membership on profession of faith and 24 by letter, making 87 in all. There were removed by death 13 and by letter 38. The present membership at Watford is 218, and at Zion 67, making a total of 285. During the four years the missionary giving had increased from \$250 to \$600. The Educational fund increased from 30 to 75 and that of Evangelism and Social Service from \$4.00 to \$80.00, and other funds proportionately. The pastor's salary had been steadily increased from \$1100 to \$1200, then to \$1300, then \$1500 and this year \$1800, a most gratifying record. During this term the church had been re-wired and a complete up-to-date lighting system installed and an electric blower attached to the organ costing about \$350. The parsonage had been repaired and decorated and furnished to the extent of \$500 all of this has been paid for besides meeting the constantly increasing running expenses. The circuit had subscribed to the Methodist National Campaign last year \$3829 and this is all paid now but \$18; in giving these figures Mr. Tiffin congratulated his congregation on their remarkable liberality and their commendable spirit of loyalty to their church, their pastor, and the Methodist Connexion generally. Mr. and Mrs. Tiffin left town on Wednesday afternoon of this week for Blyth where they will reside and where Mr. Tiffin assumes the pastorate of the Methodist church. They will be much missed here but we are sure they will be welcomed and appreciated where they go.

SALARIES OF TEACHERS

This is the time of the year when trustees in rural sections are engaging their teachers. The Legislature by large grants is endeavoring to encourage higher salaries for teachers. The grant varies 5 per cent. on a very small salary to 40 per cent. on what the Department of Education considers should be the minimum as follows: \$500 in a section with an assessment between \$50,000-\$100,000, \$1000 in sections with an assessment between \$100,000 and \$300,000 and \$1,100 in sections with an assessment of over \$300,000. Many of the sections of the surrounding townships have an assessment between \$100,000 and \$300,000. In these sections trustees who pay their teachers \$1000 a year, the levy on the ratepayers is only \$30 more than if the salary was \$800. It works out this way. The grant on excess salary over \$500 to section paying \$800 is only 10 per cent. This means 10 per cent. on \$300 which amounts to \$30 leaving the section to raise \$770. The percentage on excess salaries of \$1000 and over is 40 per cent. which means \$200 leaving \$800 to be raised by the ratepayers. As there is only \$30 difference between the salaries of \$800 and \$1000 in such sections the trustees should not hesitate in bringing the minimum salary up to at least \$1000 and thus get the full advantage of the Legislature's liberal grants.

JULY

Let me in simple verse
Consistently express,
If you but read my role;
To let success succeed
You need the biggest creed,
And most of all you need
Old fashioned self control.
And you may need a lot
For July may be hot
And try your very soul;
But do the best you can,
Prove maiden or prove man,
Keep water in the pan
Nor lose your self control.
The faculties we've got
They are the choicest lot
Don't put them in the hole;
We may be very smart,
The head is not the heart,
We can from wisdom part
If we only lose control.
If right the steering gear
What then have we to fear
And everything is whole;
And whether poor or rich
We won't get in the ditch
And nothing can besmirch
If we have good control.
Temptation comes around,
No prettier can be found,
They think that we are droll;
A smooth delicious set,
To gamble or to bet,
Cigar, or cigarette,
For they have lost control.
The character of all
Rich, poor, or great, or small
Whatever be the goal;
Wherever be the track,
We need a stiffened back,
Success will never lack
If we have self control.

When you require a roof, the measurement will be in squares (100 square feet). A basis for analysis of the costs of Brantford Asphalt Slates is given below:

- 1—INITIAL COSTS OF MATERIALS—Brantford Asphalt Slates are sometimes higher in initial cost for the material.
- 2—NAILS REQUIRED—Brantford Asphalt Slates require ONLY 684 nails to lay a square. Brantford Asphalt Slab Slates require ONLY 450 nails.
- 3—COST OF LAYING—Brantford Asphalt Slab Slates are four on one strip—require only one operation in handling, one operation in spacing—Individual slates are 8 x 12 3/4 inches—Cut easily, fit easily, fit on angles and bend over round surfaces. You save 30 to 50 per cent. in laying.
- 4—NO PAINT OR STAIN REQUIRED—The surface of Brantford Asphalt Slates is in nature's permanent colors, green and red, unfadeable, always attractive,—requiring no stain to produce artistic effects, no liquid coats to make them fire-resistant.
- 5—SAVING OF INSURANCE—Brantford Asphalt Slates are classed as non-combustible by fire insurance Companies—a direct saving of from 10 to 20 per cent. on premiums is effected. SAVE THE CHILDREN

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera infantum and diarrhoea carry off thousands of little ones every summer, in most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets relieve these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

JANES—THOMPSON

One of the loveliest June weddings in Edmonton was solemnized on Wednesday, June 15th, at 8.30 p.m. when Doris Mae, only daughter of Mr. and Mrs. J. H. Thompson, was united in holy bonds of wedlock to Dr. Lorne Vernon Janes, one of Edmonton's most popular dentists.

Promptly at 8.30 Mrs. (Dr.) Jas. Carmichael sounded the strains of Mendelssohn's Wedding march and the bride entered the drawing room on the arm of her father, gowned in a travelling suit of grey with the coat opening over a tricolette blouse of rose with corsage bouquet of roses and sweet peas, and took her place beside the bridegroom before a bank of ferns, lilacs and orange blossoms.

The ceremony was performed by Rev. Dr. McQueen. The bride and groom were unattended owing to the absence of the bride's brother, Dr. Gordon E. Thompson.

During the signing of the register Mr. James Kerr sang "Because."

A reception was held afterwards at 9.30. The bride's table was centered with her cake, pink candles and pink roses. The color scheme through the house being pink and white.

The bride's mother received the guests wearing robin egg blue crepe with sequin trimmings.

The bridegroom's gift to the bride was a rope of pearls.

Dr. and Mrs. Janes left on the midnight train for Fort William where they will take the boat to Sarnia, Ontario, Watford, London and Toronto will also be visited.

The presents were costly and numerous consisting of linen, silver and cut glass, amongst which was a cabinet of silver from the bridegroom's boy friends.

Among the guests present at the reception were Dr. and Mrs. Folinsbee, Dr. and Mrs. A. L. Campbell, Dr. and Mrs. H. B. Wood, Dr. and Mrs. Nichols, Dr. and Mrs. Carmichael, Mr. and Mrs. E. C. Morris, Mr. and Mrs. Richards, Mr. and Mrs. Holey, Mr. and Mrs. Aitken, Mr. and Mrs. O'Neil, Mr. and Mrs. Fitzgerald, Misses Vi Cootie, Mollie MacDonald, Anna Dunlop, Jessie Huff, Jean Aitken, Messrs. Jack Wilson, Gordon Hern, James Kerr, Dave Dowser, Alex Huff, Leo Lynch, Dr. Lipsey, Dr. Coursier.

The bride was formerly a London girl and the bridegroom is a Watford boy, son of Mr. and Mrs. W. Janes of Watford.

Many have been relieved of corns by Holloway's Corn Remover. It has a power of its own that will be found effective.

KEEP YOUR MOUTH SHUT

If when you go for a walk you keep your mouth closed, except, of course, to speak to your companion, you will be far less exhausted than if you leave it hanging open, and use it for breathing purposes instead of the nose.

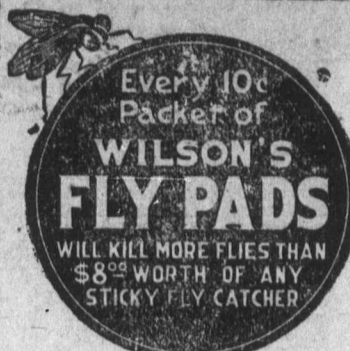

The lungs need only a certain amount of air to heat the blood and send it speeding through the body. This natural supply is regulated by the nostrils. If, therefore, you take in air through the mouth, you drive far more into the lungs than is required, with the result that the body becomes overheated and the breathing irregular, a process that is exhausting in itself.

People who perspire very freely when asleep almost invariably use their mouths for breathing instead of their nostrils.

THOSE SUDDEN NOISES

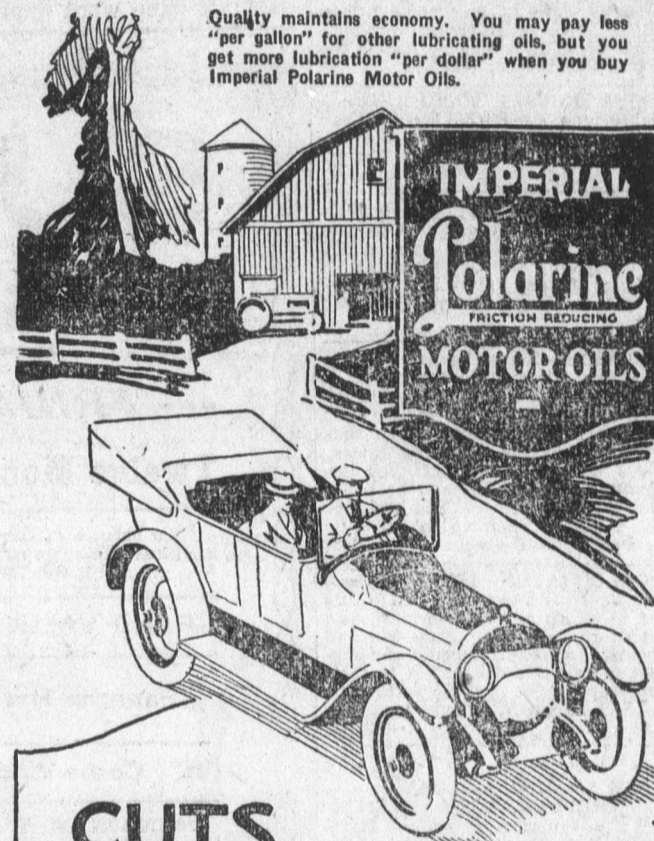

Do you start at sudden noises? Just one or two doses of DR. MILES' NERVINE—\$1.20 will soothe the irritated and over-strained nerves. Guaranteed Safe and Sure.

The new church shed is made of cement block and practically all the work in connection with it has been done by volunteer labor.

The dinner hour brought its always appreciated fullness of enjoyment with quite a noticeable accent on the eighth ward, for two truck loads of good things to eat had followed the party.

Lake Huron proved the chief attraction of the afternoon for old and young alike. Numerous bathers with gayest of hearts and bathing suits flocked to the beach and splashed in the peaceful waters of the lake while for those who liked boating an accommodating power boat was on hand to take them for a trip far out beyond the fishers nets.

At four o'clock a lengthy and exceptionally well chosen program of sports was launched, a list that held the possibility of a prize for almost anyone who could think or run, remove clothespins from a line by means of their teeth or even tie a necktie. The wheelbarrow race supplied much hilarity for the spectators but proved most upsetting to some of the contestants while we surmise that some participants in the fat man's race are still feeling a bit old from the unaccustomed exercise.

Judging from observations of certain groups of picnickers we think there should have been a competition to decide who was eating the most ice cream cones but maybe that was unnecessary. Possibly no one deserves, or wants, a prize for eating ice cream cones, which are their own reward.

To the pleasant surprise of the party, when they gathered in response to the supper call, the tables seemed to be just as well laden with good eats as at noon and all seemed to have ample appetite. The Strathroy guests served the evening meal, the Watford girls having taken the responsibility at noon.

As the sun disappeared beyond the horizon the picnickers wended their way homeward; some a bit weary from the strenuous day of pleasure; many with a coat of sunburn that was somewhat annoying, but all with a common feeling of satisfaction that they had enjoyed the biggest and best outing of the year.

And thus ended the fifth Androck picnic.

The population of Tilbury is now 1750, an increase of 110 over last year.

ANDROCK PICNIC MOST ENJOYABLE

Early risers in Watford and Strathroy last Saturday morning were surprised to find considerable scurrying around in their neighborhood while well groomed autos were buzzing up and down the streets, taking on supplies in preparation for a big day. And a big day it surely proved to be. By 7.30 the employees of the Watford Shop almost to a man were gathered at the Wire Works where twenty autos had been assembled to convey them, their wives and their children to the Androck Picnic.

By the time the Watford people were all in the vehicles a half dozen large cars, loaded to capacity with the "Merry Muzzle Makers" of Strathroy joined them. The custody of the shop was turned over to Tom, the faithful factory cat for the day and the gay procession was soon speeding on its way out of town, over delightful country highways and byways canopied here and there by the spreading branches of shady trees; then through meadows laden with the rich perfume of clover blossoms, where industrious bees seemed to be trying to out hum the farmers' mower with the music of their busy wings.

On arrival at beautiful Arcadia Park little time was lost in launching the big sports event of the day, the girl's baseball game—which has been the talk of both shops for some weeks past. Miss Lena Fisher pitched a very creditable game for the Strathroy girls but unfortunately for lack of opportunity to practice the Strathroy nine were unable to produce as good teamwork as a year ago. The Watford girls, who were so neatly trimmed by the Muzzle Makers at Hillsboro last year wisely placed Miss Wynne Harper in the pitcher's box and put forth their very best this time, winning the championship prize which was a large box of the most delicious chocolates for each member of the winning nine. As to the score, we never heard just what the final count was, but the playing was so spectacular at times that we question if any umpire or score keeper could keep pace with it. The losers proved themselves true sports by giving three rousing cheers for the winners and enthusiastic fans escorted both teams to the pavilion for cool refreshments.

The game being over the picnickers scattered, some choosing to explore woodland paths where deep blue wild flowers and feathery ferns held sway, some wished to try their skill with a pair of oars, while others could not be coaxed from underneath some stately elms whose mighty arms outstretched, supported good old fashioned swings just large enough for two. A score of little tots found endless delight in building castles in the white sand of the lake shore.

THIN, WATERY BLOOD MEANS ILL HEALTH

Rich, Red Blood Brings Bright Eyes and Rosy Cheeks

The girl who returns home from school or from work thoroughly tired out will be fortunate if she escapes a physical breakdown, because this getting tired so easily is probably the first warning symptom of a thinning blood that must not be disregarded if her health is to be preserved.

When the blood becomes thin and impure, the patient becomes pale, she not only tires out easily but often suffers from headaches, palpitation of the heart, dizzy spells and a loss of appetite.

In this condition Dr. Williams' Pink Pills will be found to have a beneficial action on the blood. Miss Delima Lafreniere, St. Ambrose, Man., has proved this in her own case, and advises others to use these pills. She says: "Before I began the use of Dr. Williams' Pink Pills I felt like a complete wreck of my former self. My blood was poor and thin. I suffered from faint and dizzy spells, and had backaches and headaches almost every day. I decided to give Dr. Williams' Pink Pills a trial, and by the time I had used three boxes I felt much better and I continued taking the pills until I felt as well as I ever did. For what they did in my case I cannot recommend these pills too highly."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The members of Warwick L.O.L. 1029, purpose holding their annual service at Bethesda Methodist church, 6th line, on July 10th, at 2.30 p.m. Visiting Brethren welcome.—R. A. Higgins, Sec. 2t

On Tuesday evening the people of S. S. No. 12 Warwick, gathered at the home of Mr. and Mrs. E. Noxell to bid farewell to their teacher, Miss Callaghan. A very pleasant time was spent in singing Old Time Songs and playing games. Before their departure, Mr. Birchall, on behalf of the section presented Miss Callaghan with a pretty onyx ring set with a pearl and an address was read by Mr. Eastbrook which expressed the sorrow of the section in having to part with their teacher, and their good wishes for her success in her new school.

BROOKE

Miss Stella W. Higgins, nurse-in-training in the Port Huron Hospital is spending her vacation at home.

Mr. and Mrs. George Boddy, of Detroit, returned home after spending the week with Mr. and Mrs. Angus Fisher.

The Brooke and Alvinston soldiers' memorial monument cost \$3,800. Brooke paid \$3,086 and Alvinston \$714.

Mr. Clifford G. Higgins has resigned from the Sterling Bank and accepted a position in the First and Old National Bank, Detroit.

The monthly evening service will be held in Chalmers church on Sunday, the 3rd July, at 8 p.m. Afternoon service as usual at 3 p.m. The Rev. Wm. MacIntosh, B. D. will preach at both services.

The death took place in Brooke on Friday June 17, of Neil Leitch, a well and popularly known resident of the township. The deceased was in his 47th year and had been in good health until about a week previous, when he complained of stomach trouble. However, he kept at his work until the night before, when he had to give up, and on Friday afternoon he passed away. He was a man who was highly respected in the community. The funeral took place from the residence of his mother, Elgin street, Alvinston, on Monday afternoon, interment taking place in Alvinston cemetery.

Trafalgar township has decided to be up to date in the matter of posting up the names of the roads, which will greatly assist motoring parties. Work has already commenced in the erection of steel signs. The lettering is in two colors, and each sign shows, the name of the township as well as the road. Other townships will likely follow Trafalgar's good example.

LUCKHAM—GRAHAM NUPTIALS

One of the prettiest weddings of the season took place at 6 o'clock last evening at the home of Professor and Mrs. W. R. Graham, College Heights, when their eldest daughter, Miss Irene, was united in the holy bonds of matrimony to Mr. Clarence Farewell Luckham, son of Mr. and Mrs. W. H. Luckham, "Maple Shade", Forest, Ont. The ceremony was performed by Rev. E. A. Pearson, pastor of Norfolk St. Methodist Church, and took place in the beautifully decorated arch in the bay window of the drawing room, the decorations being marguerites, daisies, palms and ferns very prettily arranged. The bride looked exceedingly charming in her wedding gown of duchess satin and chantilly lace, wearing a bridal veil caught with orange blossoms and carrying a shower bouquet of roses and lilies of the valley. The flower girl was little Gwendolyn Small of Ridgetown, niece of the groom. She wore a dainty dress of pink organdie with picotted frills to the waist and carried a basket of pink sweet peas, while the bridesmaid was Miss Katherine Graham, sister of the bride, and she was prettily dressed in a gown of pink taffeta with ruffles of the same, she carried a bouquet of lilies of the valley, roses and maiden hair fern. J. Scott Luckham, Port Elgin, brother, supported the groom. The wedding march was played by Miss Meryl Luckham, London, sister of the groom, and during the signing of the register Miss Katherine Hamilton sang very sweetly "Mate of Mine". The bride was given away by her father. Following the ceremony a buffet luncheon was given, the table decorations being roses and sweet peas. The room in which the ceremony took place was decorated with peonies and iris, while palms and ferns added to the beauty of the scene. The newly married couple left later in the evening for London and spent their honeymoon at The Oakes, Rondeau Park, and on their return will reside on Park Avenue, Guelph. Among the guests from out of the city, were Mr. and Mrs. C. K. Graham, Toronto; Dr. J. H. Faull, of Toronto University, Mr. and Mrs. Ralph Cutter, Toronto; Miss Elsie Luckham, Kingston; Mr. and Mrs. Small, Ridgetown; Mr. George L. Faull, St. Williams; Mr. and Mrs.

W. H. Luckham and daughter Amy, Forest; Mr. and Mrs. McCormick, Watford, and others. The bride was the recipient of very many beautiful and costly presents from her many friends. She is a graduate of Macdonald Institute, while the groom is a graduate of the O.A.C.—Guelph Daily Herald.

OBITUARY

Death, that grim reaper, claimed another victim for his own on June 16th, when Dr. John R. Thompson, V.S., was called to his last reward. Dr. Thompson was a son of Andrew Thompson, 2nd line north, and was born in Warwick, Dec. 13th, 1871. On Nov. 6th, 1894, he was married to Lavina George, who predeceased him in August 1896. In 1899 he was again married to Annie Ellen Barnes daughter of the late S. D. Barnes, of Warwick township. To them five children were born. Dr. Thompson graduated as a V.S. in Toronto in the year 1903. After practising in Strathroy for two years he graduated at Chicago as an inspector of meats which he had followed ever since in different parts of Ontario. For seven years he was engaged at Chatham, afterwards going to Toronto, being employed there by the Swift Packing Plant at which he was working when he died.

The funeral was held at his late residence Saturday, June 18th, the Masonic Order taking charge of the funeral, after which the remains were brought to his father's home, 2nd line north, and left there Sunday June 19th for Bethel cemetery. The Masons taking charge at the grave. While the Rev. C. L. Couzens took the service in the church.

The bearers were: Ex-Warden Hall, John Hall, Walter and Herb Hall, Dr. Mathews, of Toronto, and Manford Thompson of Watford. Besides a father, four brothers and two sisters, (W. A. Thompson Watford; George, Henry and Allan of Warwick; Mrs. Wm. Walden of London; Mrs. Andrew Bell of Two Creeks, Man.), he leaves a widow and six children namely: Curtis, of Detroit; Lois, Lida, Clayton, Kenneth and Gordon at home. Much sympathy is extended to the family in their sad bereavement.

DEATH OF MRS. WILL D. BRENT

On May 21st, there passed away at Arville, Alberta, a former resident of Warwick, in the person of Lois A. Maude Barnes, wife of Will D. Brent. Mr. and Mrs. Brent lived on the fourth line north, of Warwick, for a number of years after their marriage, but in the search of a change of climate in the hope of improving Mrs. Brent's health they went west and during the past fourteen years have lived in Kerrobert, Saskatchewan, and Edmonton, Alberta finally settling about six years ago on a farm near Edmonton.

Mrs. Brent was the second daughter of the late Lois Hagie and Samuel D. Barnes, pioneers of Warwick Tp. Her husband is a son of the late Mr. and Mrs. George Brent, also of Warwick.

The deceased was a person of marked mental powers and broad social qualities. She was from early life an active member of the Methodist church and worked with the same devotion in her Master's cause in those communities where she found union societies in operation. Hers was a life of true unselfish service to her family, her community and her church. At her funeral were seen many neighbors of different creeds and tongues all sorrowing the loss of a kind neighbor and a sympathetic friend.

Mrs. Brent had requested that the Rev. J. P. Gerrie, formerly of Watford and now of the Edmonton Young Men's Christian Association, should conduct the funeral services and her desire in this was fulfilled.

Mr. Gerrie referred most feelingly to her constant courage and tenacity and despite a weakened constitution continued her unflinching interest in the welfare of her family and during the many years of her suffering never complained of her lot but in the spirit of her Savior was always scattering cheer and sympathy to those she knew to be in sorrow or distress.

After the service at the residence was concluded the long cortege followed her remains to the Busby cemetery where interment was made.

Mrs. Brent leaves a sorrowing husband and three children to mourn their loss. The children are Gordon, at home; Lois, a teacher at Chauvin, Alberta, and Balfour, also at home. She is also survived by three sisters and three brothers. They are: Charles H. Barnes and Mrs. Annie E. Thompson of Toronto; Gordon of Edmonton; Henry H. of Regina; and Mrs. R. K. Scarlett of Winnipeg, and Alma Barnes of Port Huron.

Mrs. Scarlett cared most lovingly for the deceased during the last weeks of her illness.

Sincerest sympathy is extended to Mr. Brent and family and to the relatives in the great sorrow they have been called upon to bear.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all the motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

The Needless Misery That Women Bear

WHEN the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Doctor Pierce over fifty years ago. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all thru treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, and for many disorders common to women in all ages of life. Sold by druggists in tablet and liquid form. Send Dr. Pierce 10c. for trial package.

Sores Flee Before It.—There are many who have been afflicted with sores and have driven them away with Dr. Thomas' Electric Oil. All similarly troubled should lose no time in applying this splendid remedy, as there is nothing like it to be had. It is cheap, but its power is in no way expressed by its low price.

FAR AND NEAR Actions and Words of People Who Are Helping to Make Life Interesting

When plates of ice cream were served to the 1,700 immigrants at Ellis Island, N.Y., the diners thought it a new kind of butter and spread it over their bread.

Looking for Winnecke's comet, a million New Yorkers gazed into the heavens and saw Venus. Deep regret was expressed because it was impossible to tell what length skirts the lady had on.

The billboard is fast becoming obsolete. The introduction of fast running auto leaves no time for reading either bill boards or the old-fashioned bill tacked up on the post. The newspaper advertisement takes the place of both.

A western evangelist, making a practice of painting religious lines on rocks and fences along public highways, painted one which ran: "What Will You Do When You Die?" Came an advertising man and painted under it: "Use Delta Oils, a Good for Burns."

Anglican clergymen of the diocese of Rupert's land, assembled in Synod at Winnipeg, voted to retain their present salaries and refused to accept a recommendation brought in by a committee to raise the minimum for married men to \$1,800.

At the Imperial Conference of Teachers' Associations in Toronto in August, all papers to be read will be printed in advance and only brief summaries will be read, to be followed by discussion. Papers will deal with civics and education; Imperial co-operation in education; Canadian education: vocational training, and health and education.

Bronze plaques, which are being presented by Great Britain to the next of kin of all Empire soldiers who died in the late war, have been received at Ottawa, and will be distributed shortly. The plaque is of bronze and about six inches in diameter, containing the inscription, "He died for freedom and honor," and the name, number and rank of the dead soldier.

The German mark, at par, is a promise to pay 24 cents in gold. The printed promise is worth now about 4 cents. What would Canadians feel like if the rate of exchange reduced the worth of our dollar to 17 cents. A 12-year-old boy at Red Top, Conn., went into hysterics when play mates held him while they tickled the soles of his feet. His recovery is doubtful.

The Glorious Twelfth this year will be a big day in London, Ont. Between 10,000 and 15,000 followers of William of Orange will assemble on that day to help commemorate his victory over James at the Boyne. Orangemen will be in the city from all parts of Western Ontario, as well as most of the cities in Michigan, and the celebration will have a distinctly international flavor.

"Flag and Fleet," the book written by Lieut. Col. William Wood, of Quebec City, which caused so much controversy some months ago, has been placed on the supplementary reading list of the board of education of Ontario province for the year beginning with the 1st of June. A few passages that were considered unnecessarily objectionable to the Americans have been deleted. One passage that has been dropped out of the book is as follows: "The Americans made 12 and a half thousands of millions of dollars out of the war clear net profit up to the end of 1918."

The new postal rates which are now in effect will not apply to parcels mailed to points within the 20-mile limit of the place of mailing, nor do they apply to parcels mailed from Ontario to points in the British Columbia sector. The rates within the 20-mile limit which do not change are 5 cents for the first pound up to 22 cents for the 11-pound limit. Beyond the 20-mile limit, the old rates were 10 cents for the first pound and 4 cents for each additional pound, up to 50 cents for 11 pound. The new rates are an increase of one cent for each of the additional pounds, making the charge for eleven pounds 60 instead of 50 cents, and this applies also to parcels to all the provinces excepting British Columbia, for which the old rates apply.

THE TRIALS OF A HOUSEWIFE

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—"I took Lydia E. Pinkham's Vegetable Compound for a female trouble and backache. It began just after my baby was born, and I did the best I could about getting my work done, but I had awful bearing-down pains so I could not stand on my feet. I read in the papers about Lydia E. Pinkham's Vegetable Compound and the good it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish."—Mrs. HELEN L. CASSELL, 18 Menz Court, Providence, R. I. Ohio woman for three years could hardly keep about and do her housework she was so ill. Made well by Lydia E. Pinkham's Vegetable Compound. Fayette, O.—"For about three years I was very nervous and had backache, sideache, dragging-down pains, could not sleep at night, and had no appetite. At times I could hardly do my housework. I saw Lydia E. Pinkham's Vegetable Compound advertised in a newspaper and took it with good results, and am now able to do my housework. I recommend your medicine to my friends and you may publish my testimonial."—Mrs. CHESTER A. ELLI, R. 15, Fayette, Ohio.

An Illinois woman relates her experience: Bloomington, Ill.—"I was never very strong and female trouble kept me so weak I had no interest in my housework. I had such a backache I could not cook a meal or sweep a room without raging with pain. Rubbing my back with alcohol sometimes eased the pain for a few hours, but did not stop it. I heard of Lydia E. Pinkham's Vegetable Compound, and six bottles of it have made me as strong and healthy as any woman; and I give my thanks to it for my health."—Mrs. J. A. McQUITTY, 610 W. Walnut St., Bloomington, Ill.

The conditions described by Mrs. Cassen, Mrs. Ball, and Mrs. McQuitty will appeal to many women who struggle on with their daily tasks in just such conditions—in fact, it is said that the tragedy in the lives of some women is almost beyond belief. Day in and day out they slave in their homes for their families—and beside the daily routine of housework, often make clothes for themselves and for their children, or work in their gardens, all the while suffering blues, and troubles which sap the very foundation of life until there comes a time when nature gives out and an operation seems inevitable. If such women would only profit by the experience of these three women, and remember that Lydia E. Pinkham's Vegetable Compound is the natural restorative for such conditions it may save them years of suffering and unhappiness.

There is hardly a neighborhood in any town or hamlet in the United States wherein some woman does not reside who has been restored to health by this famous medicine. Therefore ask your neighbor, and you will find in a great many cases that at some time or other she, too, has been benefited by taking it, and will recommend it to you. For more than forty years this old-fashioned root and herb medicine has been restoring suffering women to health and strength. Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

YOUR VALUE The man who works from the neck up—he's living. The man who works from the neck up—he's working and can draw real money for it. Work with your brains, brother. Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA? Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

THE BEST FOUR DAYS OF PLEASURE WATFORD HAS EVER HAD

MASTER MAGICIAN TO MYSTIFY

Magicians always attract large crowds, and please them. It seems a universal human trait to enjoy being tricked and deceived, provided one is not harmed by it. Then most folks think they will catch the trickster next time he tries to fool them. The people of Watford may as well give up any idea of accomplishing that when Davis appears here on the Chautauqua program, if the comments that have invariably followed his appearances are to be credited as true. It is said that all Chautauqua audiences vote him King of Magic after his appearance, and it is believed he will get the vote here.

NOTED PLAY PRODUCTION A FEATURE

One of the outstanding features of the program will be the appearance of the Elias Day Players of Chicago in a production of the well-known comedy success, "Contentment." This play was a great success for several seasons in New York city, where it enjoyed a run of nearly a year, in Boston, Philadelphia, Montreal, and other large cities. The cast is under the direction of the noted Chicago producer, Mr. Elias Day, and includes excellent actors.

OPERA QUINTETTE TO FEATURE "PRINCESS PAT"

Ferguson's Light Opera Quintette will feature scenes from some of the best of the light and comic operas in the two programs they will sing on the closing day. Two of their best comedy hits are selections, done in the costuming and action of the opera stage, from Gilbert and Sullivan's well-known opera, "The Mikado" from Victor Herbert's "Princess Pat," from "The Geisha Girl," "High Jinks," "Apple Blossoms," and others. Concert numbers will be heard in both programs in addition to the operatic numbers.

MARVELOUS CORNETIST COMING

There are cornet players, and then there are cornet players; but it is seldom that one like Chester Scott, who will head his own company on the opening day of Chautauqua, comes along. He is a "real one." His triple tongue solos are marvels in technic. He will be assisted by Mrs. Scott and Mr. and Mrs. Carl Webber, three gifted and accomplished instrumental musicians. The entire company will perform the work of a small orchestra in addition to the individual appearances of each.

MAKING THE ACCORDION SOUND LIKE A BAND

Many people regard the accordion as more or less of a novelty instrument or a mere toy for the amusement of children, failing to realize that the concert accordion, until recent years, was regarded as a legitimate instrument and was used in all large symphony orchestras. In the hands of an artist, wonderful effects are secured with the concert accordion, which is a very different instrument from the toy affairs usually seen. The concert or piano accordion used by Prince when he appears at Chautauqua is a beautiful instrument that cost nearly a thousand dollars. And Prince will make you think that he has an orchestra concealed somewhere back of the tent when he plays.
