Ce document est filmé au taux de réduction indiqué ci-dessous.

A horizontal ruler scale from 10x to 32x. The scale has major tick marks every 2 units. Labels are placed above the scale at 10x, 14x, 18x, 22x, 26x, and 30x. Below the scale, labels are placed at 12x, 16x, 20x, 24x, 28x, and 32x.

The copy filmed here has been reproduced thanks to the generosity of:

Stauffer Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

**Stauffer Library
Queen's University**

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires origineux dont la couverture en papier est imprimée sont filmés en commençant par la premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

The Need For A Labor Party

THE NEED FOR A LABOR PARTY.

Do you understand the meaning of the Labor Party? The Labor Party of Toronto is simply the local expression of the great humanitarian movement which is stirring the mind and conscience of the masses throughout the world to-day. It is not something to be feared and it is not something to be even ignored by any right-thinking member of the community.

We have come to a stage in the development of our civilization when the machinery seems to be breaking down. The financial system which the capitalists have labored to build up is trembling like a house of cards. The war has shaken the institutions of the world, and only those which are founded on eternal truth and human justice will be able to survive.

The common people want a new world. They have had enough of the old—with its uncertainty, its wage-slavery, its poverty and war. They demand a more stable, a more enlightened existence. Men were made in God's own image. Why then should they have to live like cattle; going out into the darkness before the sun has risen, to work in the factory and the mill: toiling all day in dirt and noise and sweat: producing that others may drone: sweating that others may enjoy; trudging home again at night to a tired wife and a crowded house: some bread and butter and perhaps a little jam, then a restless sleep and another dreary day? So on through the years. Work, sleep, bread

and butter and a little jam. In the end a long sleep and a forgetting. The minister says our dear departed brother will get his reward in heaven. Why did he have hell on earth? Men and women are seriously and earnestly asking that question. They are beginning to think that much of the drudgery and misery and monotony can be cast out of their lives if they try.

The old political parties have been blindly leading us through a wilderness, holding out promises of reconstruction, co-operation, better conditions. They have now arrived at an uncharted region and know not where to turn. The workers are asking: "Where is the promised land? Where is the new world?" Their cry cannot be answered. They are told to keep quiet and work harder; but their lot gets worse and worse. Every day it becomes harder to make ends meet. Every day, to-morrow is more uncertain than was yesterday.

At last they have decided to act. They are done with the old politicians and their useless formulæ. They have decided to do things for themselves. That is why the Labor Party was formed. It is open to all who labor by hand or by brain. In Great Britain the middle classes, the clerks, the shopkeepers, the teachers, professors, managers, all the hard-hit black-coated workers, are swinging in behind the Labor Party, recognizing in its broad fundamental principles the hope of the new and better society that is to be.

Will you, in the name of common justice, help us to build up in this community a strong party, which will not cease to fight for the material and moral betterment of the common people? Think of the uncertain days ahead. Think of your children. Do you want them to grow up healthy, happy and beautiful, or do you wish them to suffer and worry as you have done? Labor alone can make the world safe for those who labor. Join the Labor Party. Come out to our meetings. Hear the vital problems of the day discussed. Give us your ideas and suggestions; we are democratic. Attend the conventions before elections and help choose the man or woman you wish to run for office in the interests of Labor. It is your salvation or your funeral.
