

OUTING SUITS TROUSERS

We haven't had an abundance of hot weather as yet, but there is no doubt that it will come soon, and it's as well to be prepared with a cool outing suit. We have a splendid showing this season and some of them have vests to match. We start the prices at 7.50 and go up to 22.00. Some very handsome effects in the upper row. We are clearing all summer fancy vests at cost and under.

We are sure enough in the front row with our men's trouser department. We have the proper cut and hang in our 3.50, 5.00, 6.00, 6.50 and 7.00 lines. There isn't a tailor in town that has any lead on us when it comes to well fitting, beautifully made trousers. We believe in good goods, well tailored, and the selling is easy. A man's trousers are a very important part of his attire and we have them correct in every detail.

DOMINION STEEL MEETING

New Issue of Consolidated Mortgage Bonds is Authorized.

MONTREAL, June 17.—(Special.)—The Dominion Iron and Steel Company shareholders had a love-feast at the Windsor Hotel to-day. Reports were satisfactory and everybody went away happy.

There was considerable applause when President Plummer referred to the outcome of the lawsuit and paid tribute to the Dominion Coal Company for the fair spirit in which it had acted since the judgment.

H. Gordon Strathely asked about the value of the Wabana Ore fields, and likened them in a way to the C.P.R. land holdings. Mr. Plummer said that one could not doubt be sold at a profit of \$1 a ton.

The shareholders authorized the new issue of \$20,000,000 consolidated mortgage bonds and re-elected the old board.

Mr. Plummer explained that the mortgage deed of trust, which was authorized last year for the ordinary financial purposes of the company, might now be withdrawn, but he advised the authorization of a new issue of \$20,000,000 out of which the remaining second mortgage bonds might be paid, and the additions and extensions of the plant paid for.

C.O.F. ELECT OFFICERS

And Will Meet in Hamilton Again Next Year.

HAMILTON, June 17.—(Special.)—The Grand Lodge, Canadian Order of Foresters, finished business this evening and will meet here again next year. The following officers were elected: William Irwin, St. Thomas, grand master; Dr. Alex. Thompson, Galt, D.G.M.; R. Fleming, Toronto, grand secretary; W. H. Shaw, Toronto, treasurer; Dr. H. F. Bingham, Toronto, medical officer; Rev. J. Lindsay, Kentore, chaplain.

The medals and diplomas were presented this afternoon to 19 graduating nurses, John Billings, chairman of the hospital board, presided and addresses were given by Archdeacon Forrester, Dr. Fletcher, Col. H. Moore, Rev. R. E. M. Brady, Mayor McLaren and Dr. Landgriff. Those who graduated were: Jean L. Edgar, Hamilton; Margaret Melrose, Galt; Lillian C. Tobias, Brantford; Vivian E. Fenby, Cairo; Irene Elliott, Bolton; Annie E. McDermott, Boston; Hannah B. McGregor, Grenfell, Sask.; Carrie Dow, Hamilton; Olive M. Holaday, Brooklin; Blanche A. Emerson, Burlington; Elma L. Gunter, Trenton; Madeline Hunt, Woodstock; Katherine Hudson, Hamilton; Annie D. Beck, Sault Ste. Marie, Ont.; May Brennan, Chesley; Elvira Touchburn, Ida; Lillian G. Armstrong, Woodstock; Margaret E. Hagyard, Scotch Block; Christina Kerr, Hamilton.

Stewart For Mayor Again

On account of proposal to submit the power question to the ratepayers for the fourth time, ex-Mayor Stewart says that many people have asked him to oppose Mayor McLaren next January. A. R. Loudon, dentist, has reported that he will resign the position of manager of the Grand Opera House.

J. A. Kneale, secretary of the Y.M.C.A., Orillia, was married to Miss Florence Matheson, adopted daughter of L. R. and Mrs. Howell, Copetown.

Handsome sterling silver cups were presented to D. A. and Mrs. Souter, who left to-day for the old world, by the Eschelon Presbyterians.

Kilites a Show Corps.

The 81st Regiment have been invited to Buffalo on July 1 as guests of a private party company, and would like to go, but Gen. Cotton is opposed.

Local lawyers complain that as a result of the law reform they are now forced to go to Toronto to enter appeals which they used to make before the county judges in the divisional courts.

Tipped With Romance. In connection with the sale by William Southam to John Lennox, of the former Knox-Morgan property on Kingston road, east, there is a little romance.

Mr. Lennox wanted the property partly for a sentimental reason. It was on that site that he started out in the world, where, as a boy, he entered the employ of Kerr, Brown and McKennie, which firm was later known as the C. Kerr Company. It was 36 years ago when as a mere lad, Mr. Lennox first started with that firm. When he was only 14 years of age he was sent out on the road with a consignment of boots and shoes, and he sold the footwear by his diligent application to business. Mr. Lennox rose rapidly and he later started in business for himself, being now in a position to purchase the property where he first started to make a name for himself.

MASONS AT PORT ARTHUR TO HAVE NEW TEMPLE.

PORT ARTHUR, June 17.—(Special.)—The directors of the Masons of Port Arthur have returned from a visit to their property at the west end of Silver Mountain, and left for home in Toronto and Peterboro. Regular shipments will be made to smelters.

Masons are calling for tenders for a three storey temple at the corner of Court and Arthur-streets, to cost \$20,000.

Recent rains have extinguished all forest fires at this district. The crown timber lands haven't suffered very severely with the exception of some of the timber in the neighborhood of the Matlawin River, on an area held by Stewart and Smiley. The heaviest loss has occurred amongst settlers in the township along the line of the Duluth extension and the northern end of Oliver Township. C. N. Earle of Nottau had his home burned and buildings destroyed. The loss to him is estimated at \$10,000.

The Awakening of New Brunswick. Lieutenant-Governor Tweedie declares that the progress of New Brunswick in the next half century will make it pre-eminent among the Atlantic provinces of the Dominion. His article in the June 19 issue of Collier's is an amazing story of natural resources.

Cabinet Meet To-day. The first cabinet meeting for a fortnight will be held to-morrow. Sir Wilfrid Laurier will spend much of the summer at Arthursville, but will make frequent business trips to Ottawa. There is, of course, the possibility that he may have to take Hon. L. P. Brodeur's place at the Imperial Naval Conference.

J. L. Cornwell, B.A., principal of Meaford high school, has accepted the position with a large loan and savings company in the west. A. A. Dundas, R.A., succeeds him.

FRIDAY MORNING

Baseball Cup Officials O'Connell and Yorke

Eleventh Day at Montreal

Note and Comment

Not only do Chief Col. Grassett and Police Commissioner Mayor Oliver and Judge Winchester display considerable horse sense, but the correct sporting spirit in their declaration that slugging in games must be discontinued. When the Toronto of the Shamrocks hit Braden of Hyland of the Shamrocks hit Braden of the Toronto over the head with his lacrosse last Saturday at Scarborough Beach it was nothing short of a cowardly and brutal assault, and the man from Montreal deserved fifteen days in jail just as much as Tim Flood for booting the umpire at Diamond Park summer before last.

The action of the referee, who penalized Monday 10 minutes for his foul onslaught made it necessary for the Toronto police commissioners to bring the matter to a head. There is a considerable difference between cross-checking when two men are after the ball and a player deliberately striking another without any reason or bearing on the game they are engaged in, and it is the last quality of slugging that the Toronto police are going to keep tabs upon.

Out west they are talking like this about the visit of the Tecumseh and their chances: There is not a team in the east that possesses a field with as much speed as New Westminster has, and it will take a faster field to beat them. And that is some consolation for the Tecumseh at this writing haven't got. They have several good men in the Tecumseh line-up players who know every move in the game, and they promise to make matters interesting for the champions. They should put up a much better game than the Kegonsa did, and the score should be much closer, but New Westminster is the one best bet.

After the Tecumseh's struggles for the cup on June 28 and 29, they expect to settle down to a more regular season to a struggle between Vancouver and New Westminster. The first meeting, however, resulted in a 3-0 victory for the champions by 3 goals to 0.

Incidents of the present week have gone to show that the Ontario Jockey Club is the only organization legally qualified to conduct running horse races in the City of Toronto. That the York Riding and Driving Club charter carried such power was only an hallucination, but that five men or more may procure the right along such lines from the provincial government remains to be seen, and there is little doubt that some party will make the effort.

The charters of the Dufferin and Toronto Driving Clubs are similar, and give the directors and members a right to conduct trotting and pacing races only.

There is very little heavy betting on the English race tracks, says Allan Pinkerton, who has been in New York from a tour round the world.

"A man with a \$10 note can make nearly every bookmaker run or refuse the wager. There is not a man in the city who has a \$10 note, so they stand on little wooden benches, so that their customers can see them, and wear all sorts of fantastic costumes, and the Derby run at Epsom, at least I saw the finish of the race, because it was impossible to view of it during the early stages, with the rain falling steadily in a foggy atmosphere.

"Sir Martin should never have been the favorite. He had never been in the field six months, was trained under new methods and ran over the most difficult course value the what comes to the Derby. But the Americans in England were carried away by sentiment, and backed him heavily because of these conditions. Everybody was glad that the King's horse won the Derby.

"The King was a happy man, I can assure you, and it was an odd sight when Englishmen of all classes crowded around him after the race, shaking him by the hand and putting him on the back. Racing is a great institution in both England and France, and it is purely a sport and people over there cannot understand why it is not allowed to thrive in America."

Domination Day Regatta.
The Dominion Day regatta committee at a meeting held at the Toronto Regatta Club appointed the following officials for the day:

Starter: Jas. Pearson; Referee: Ald. John O'Neill; Clerk: John Wilson; Judge: T. P. Gault; Ed. Mack; Official Timers: S. P. Grant, P. Maule; Con. J. Vard; Clerk of the course: Chas. J. Levy, H. A. Sherrard, Fred Doll.
Course officials: Star: A. McNabb, A. R. Denison, J. W. McNabb, Dr. Welschmiller, A. L. Eastmiller.
This year's committee are making great efforts to meet the increased accommodation demanded by the ever-growing crowds who come to view the regatta. The entries are entirely from local clubs, the Argonauts, Dons and Toronto Rowing Clubs, the Toronto Parkdale Aquatic Canoe Club and the Toronto Swimming Club, and the regatta is the whole race, and the committee cordially invite the people to attend.

PITCHER DURHAM'S TWO ERRORS ALLOW BALTIMORE TO WIN

Providence Forfeits Game to Rochester in Fourteenth—Buffalo and Newark Win.

BALTIMORE, Md., June 17.—(Special.)—Baltimore defeated Toronto here today by the score of 4 to 3. Pitcher Durham's poor fielding being responsible for the loss of the game for the visitors, his two errors figuring in three of the Orioles' four runs. Owing to rain the game was called after Toronto had been retired in the eighth.

Dessau was practically invincible for the first six innings, but in the sixth, when Toronto got to him for three runs. Rudolph succeeded Durham in the seventh. Baltimore were the first to score, notching two in the second. Hall led off with a single, advancing on Cassidy's out, and scoring on Lewis' single. Dunn was safe on Durham's error, while Byers fanned, but Dessau singled, scoring Lewis. Dunn was thrown out at the plate on Slagle's hit to Frick. By the House, Vandy routed.

Toronto took the lead in the sixth by scoring three, but Baltimore added one in their half, and the winning run in the seventh. The Leafs got their three in the sixth as follows: Houser lined to Lewis, and Grimschaw doubled. Vandy singled, and Grimschaw was held up third. Mahaling was scored by a single, scoring Grimschaw and Vandy. Frick filed to Strang, Mahaling crossing the platter, but Durham was in the field on the score.

Our record of
 the Our Best Bet every day
 since the meeting opened up
 We will put over many good
 ones. We have a lot of horses
 at Hamilton clocking the work-
 outs of every horse that's in
 training, and have a good line
 on every horse that's in the
 harness. We will have a lot of new
 horses that you don't know any-
 thing about, and C. R. James
 will be the man who knows
 you and all the keepers that
 we have turned loose.

FOR NEEDS OF SUBURBSStrike While the Iron Is Hot, Says
Bishop at Anglican
Synod

The Anglican synod got thru a large
amount of work at yesterday's sessions.
The report of the committee on the
state of the church provoked considerable
discussion, especially in regard to
the beneficiary funds.

It was resolved to prosecute active
work among the Jews in the city, and
the question of the Sunday school was
thoroughly threshed out.

"There is too much red tape," said
the bishop, in support of Rev. R. Sea-
born, M.A., of West Toronto, who com-
plained of the delay in getting a grant
from the church extension fund.

He hoped the diocese would pur-
chase "one of those peregrinating iron
churches."

Mr. Seaborn explained that he had
a church, but it was a tent, and a lot,
but it was borrowed.

The committee reported that grants
to three churches had to be held over,
as all their funds had been allotted.
The capital of the fund now amounts
to \$13,725.16.

Superannuation Not Pauperizing.
The state of the widows and orphans'
fund and the superannuation fund
was criticized at the afternoon session.
Rev. W. H. Vance objected to the
funds as inflexible and not a profitable
investment. Clergymen should get
reasonable stipend, and not be held up
by a mean, contemptible light as ob-
jects of charity as they were by these
funds, and the divinity students' fund.

Hon. S. H. Blake differed with the
funds. It was a debt the church
owed them.

S. Casey Wood, Jr., thought the lay-
men should have fuller information as
to the nature of the funds.

Canon Sprague thought the govern-
ment annuity was not as good as the
superannuation scheme. By the former
\$13 a week produced an annuity of
\$156, while under the latter \$200 was
obtained by a weekly payment of \$6
to \$7.

The motion ultimately carried re-
questing the executive to compare the
canons of the synod regarding widows
and orphans and superannuation with
those in force elsewhere and make sug-
gestions for placing these funds in
proper condition, taking into consid-
eration the use of government annu-
ities.

Worldliness Condemned.
The report of the committee on the
state of the church scored the world-
liness and self-centered character of
many church people, the result of
excessive novel driving, week-end excur-
sions, neglect of divine service, gam-
bling and betting, lack of parental con-
trol and neglect of family worship.

The synod will ask for increased rep-
resentation on the general synod.
The status of St. Albans Cathedral
will be referred to a special committee.
It was unanimously resolved on mo-
tion of Hon. S. H. Blake, seconded by
Rev. H. A. H. O'Neil, to instruct the
diocesan mission board to arrange for
the prosecution of active mission work
among the Jews in the city "in co-op-
eration with the other religious bodies
engaged in this work or otherwise as
may seem best."

Niagara-on-the-Lake.

NIAGARA-ON-THE-LAKE, June 17.
(Special.)—The United Empire Loyalist
Association of Ontario this evening,
under the patronage of General Cotton
and the officers of the headquarters,
presented a most impressive and im-
pressive presentation in the Queen's
Hotel Hotel of "The Masque of Empire,"
performed by some of the best actors
in the city.

The late Mr. Kyle had not been in
robust health for some time, but the
serious nature of his illness was known to
a few outside of the members of his
family and those with whom his busi-
ness relations brought him in contact.
Within the last few weeks it was seen
that his malady had assumed a most
serious phase. His mother and the
other members of his family were pre-
sent when the end came.

The late John Kyle was a native of
the village of Prospect, Ontario, in
Dufferin County, receiving his early educa-
tion at the village school, and later at New-
market high school, following which he
membered Toronto University, from which
he graduated in arts with high honors,
attaining the degree of B.A. For two
or three years Mr. Kyle was connected
with the legal firm of Kingston, Wood
and Symonds, and subsequently and
until his death remaining a nominal
partner of the firm of Bull & Kyle,
of Toronto. For ten years he had practically had
charge of the legal work of York Town-
ship.

Decased is survived by a mother,
widow and four children. Rev. Dr.
Neil of Westminster Presbyterian
Church is an uncle. Mr. Kyle was a
member of the Episcopate, Presbyterian
Church, was past president of the
Orangeville Old Boys. Dr. Kyle of
Detroit and Dr. J. Kyle of Orangeville
were his brothers. One sister resides in the
United States and another in Canada.

The funeral will take place on Satur-
day, June 19, at 10 a.m., at the residence
of the family, 1000 Bloor-street, west.
The interment will be in the cemetery
of the same name.

DEATH OF JOHN KYLE
IN N. TORONTO YESTERDAY

Had Been Ill For Only a Short

County News.

NORTH TORONTO, June 17.—(Spe-
cial.)—A feeling of genuine and wide-
spread regret pervaded the Town of
North Toronto this afternoon when the
announcement was made that John
Kyle of Glenora-avenue, solicitor
of the Township of York and one of
the best known and highly respected
citizens had passed away.

The late Mr. Kyle had not been in

COBALT---La Rose

REMAINS THE BULL LEADER IN MINING STOCKS---COBALT

PRICES NOT MUCH INFLUENCED BY IN AND OUT TRANSACTIONS

La Rose Continues the One Strong Feature of the Cobalts on All the Exchanges.

World Office,

Thursday Evening, June 17. There was a good deal of in-and-out trading at the local mining markets today, but not such as to influence prices to any great extent. Buying orders from the public were somewhat scarce, but in spite of this, the declines in the prices occurred, and the market on the whole remained steady. The general tone was on the firm side and business was fairly evenly distributed throughout the day.

The feature of to-day's trading was La Rose. This stock has been making a small but steady advance from 15¢ to 17¢ and sold up to 17.50 during the session. Considerable transactions were also made in Nipissing and Kerr Lake, but the prices for these issues remained about steady.

In the lower priced shares interest was mainly centred in Temiskaming, which opened at 88 1/2 and in spite of large blocks of stocks being thrown on the market, advanced to 90 and closed steady at 88 1/2.

There was considerable buying of Beaver, but the shares were not taken and the prices remained about unchanged. Little Nipissing, Otis and Peterson Lake were all more or less inactive, but the quotations were not influenced by the transactions, and the quotations were about as yesterday. Some trading was also made in Cobalt Central, but the price was not influenced either way. The rest of the issues call for little comment, prices being unchanged.

The market closed with a firm undertone, and the recent setback is at an end. Opinion in general favors higher prices, and with an increase of public interest a larger volume of business is looked for.

DEEPEST IN CAMP

Elk Lake Discovery Now Down to Depth of 154 Feet.

ELK LAKE, June 17.—(From the Man Up There).—The shaft at the Elk Lake Discovery Mine is now the deepest in the district, being down to a depth of 154 feet, and it is one that any mine manager might be proud of. All the timbering has been nicely done and a permanent character is being given to the shaft. The bottom of the shaft toward the native silver vein, known as No. 4. The vein carries high silver values, and if the same exist at depth as were found on the surface, and these values are continuous, the Elk Lake discovery will be one of the richest in the district. Mr. Harris, the manager, feels confident that he will strike a rich vein, which will be some time toward the latter part of this month.

LOOKS LIKE SHIPYARD

Big Traffic on Montreal River at Latchford.

TEMAGAMI, June 17.—The lake at Temagami looks like a shipyard at the present time. There should be at least a dozen boats running in and out at all times during the day. The lake is a den of boats, and is fast becoming one of the links in the chain of lakes and rivers that form a new route to Gowganda. At the present time, when the Montreal River is so crowded, a route like the above would answer a long-felt want.

MAKING NEW STRIKES

Private Letter Tells of Six Important Discoveries.

A private letter received yesterday by a mining man in Toronto from a friend who does not wish to have his name disclosed, states that silver has been discovered on two claims south of Hangings Lake at Gowganda. The silver, he states, has been found in four different places and the discovery is of an important character. He adds that on June 12 a strike was made on the east side of Long or Gordon Lake and that he has also seen an important new find on the Reeves-Doble, a close corporation, which does not report its finds to the public.

Greville's Weekly Market Letter. Messrs. Greville & Co., 43 Scott-st., have issued their usual interesting market letter, which deals in a comprehensive way with several of the Cobalt mining properties. Copies of the same may be obtained at the office of the company.

Prices Not Much Influenced. Wallace & Eastwood in their letter state: Business was again on the quiet side to-day. The recent sharp fall has frightened away many intending investors and it looks as tho it will be some little time before the market regains its old position and activity. The market closed with an upward tendency and we do not look for any market setback.
