On Thursdays and Sundays Catholic students attend Lectures on Christian Doctrine, and at Easter they make a spiritual retreat of three days. To allow a freer choice of studies and to more easily avoid conflicts between one Lecture and another it has been found expedient to have class work begin with 8.30 a. m. instead of 9 a. m., and close at 4 p. m., there being an intermission of an hour and a half at 12.30 p. m. This arrangement gives six hours for lectures and classwork instead of five as heretofore.

HISTORICAL SKETCH.

St. Francis Xavier's College was founded in 1854 by the Rt. Rev. Colin F. McKinnon, D. D., Bishop of Arichat, for the higher education of students aspiring to the priesthood and to the learned professions. In this respect it has fulfilled the hopes of the Rt. Rev. Founder, and has moreover been a chief factor in supplying teachers for the Counties of Antigonish, Inverness, Richmond and Cape Breton.

In 1866 the College received University powers by the following Act of the Legislature of Nova Scotia:

AN ACT TO ENABLE THE COLLEGE OF ST. FRANCIS XAVIER, AT
ANTIGONISH, TO CONFER DEGREES.

(Passed the 7th day of May, A. D. 1866.)

Be it enacted by the Governor, Council and Assembly,
as follows:

1. St. Francis Xavier's College, at Antigonish, shall be held and taken to be an University, with all and every the usual privileges of such an institution, and that the Students in the said College shall have the liberty and privilege of taking the degrees of Bachelor, Master and Doctor in the several Arts and Faculties, at the appointed times, and shall have power, within themselves, of performing all the scholastic exercises necessary for the conferring of such degrees, as shall be directed by the statutes, rules and ordinances of the said College.

In 1880 a new brick wing was erected by the Rt. Rev. John Cameron, D. D., the work on which was done under the direction of the Rev. John J. Chisholm, P. P., of Heatherton. The funds for the erection of this building were contributed chiefly by the Bishop and Clergy of this Diocese. His Lordship contributed over six thousand dollars; the Very Rev. Neil McLeod, V. G., \$990; the late Rev. John Quinan, \$250; the Rev. Ronald McDonald, P. P., of Pictou, now Rt. Rev. Bishop of Harbor Grace, \$200; the rest of the Clergy, \$2,224.14.

In 1881 the Provincial grant, which varied from eight to fifteen hundred dollars a year, was withdrawn, and His Lordship Bishop Cameron appealed to the people of the Diocese to form an endowment fund. For this purpose a sum of over twenty thousand dollars has been collected and invested.

In 1882 a Board of Governors was organized under the following Act:

AN ACT TO INCORPORATE THE GOVERNORS OF ST. FRANCIS
XAVIER'S COLLEGE.

(Passed the 10th day of March, 1882.)

Be it enacted by the Governor, Council and Assembly, as
follows:

1. The Right Rev. John Cameron, D. D., Bishop of Arichat, and his successors in office canonically appointed, together with the Rev. John Shaw, P. P., Rev. Neil McNeil, D. D., Wm. Gerroir, Esq., J. P., and Colin F. McIsaac, Esq., Barrister, shall be a body politic and corporate by the name of the "Governors of St. Francis Xavier's College, Antigonish."

2. The Corporation hereby created shall have perpetual succession and a common seal, and shall have power to take by donation, deed, devise, bequest, purchase, or otherwise howsoever, real and personal property, and to sell and convey the same.

3. The four last named members of the said Board of Governors, under the first section of this Act, shall continue to hold office until death, resignation, or permanent removal from the Province of Nova Scotia, but if any one of them shall cease to be in communion with the Roman Catholic Church, he shall cease to be a member of the Corporation hereby created.

4. Any vacancy which may from time to time occur among the said Governors, shall be supplied by the election of a person in communion with the Roman Catholic Church by the remaining members of the Corporation, subject, however, to the notification and approval of the said Bishop of Arichat and his successors. The term of office of the person so elected shall be the same as that mentioned in the third section of this Act.

5. The Corporation hereby created may from time to time make statutes, rules and ordinances, not inconsistent with the laws of this Province, for the management of the said College, and all matters appertaining thereto, and for the management of the funds and property entrusted to it, and may appoint the professors and teachers in the said College, and remove them from time to time, and regulate the salaries to be paid to them. The exercise of any of the powers, mentioned in this section shall, however, be subject to the approval of the said Bishop of Arichat for the time being, and his successors.

6. The said College of St. Francis Xavier shall continue to be a University, with all and every the usual privileges of such institutions.

7. The Corporation hereby created shall have power to appoint a Treasurer, Secretary, and such other officers and servants as they may from time to time deem necessary for the purposes of the Corporation, and may hold real estate, not exceeding fifty thousand dollars.

In 1887 the following amendment was made necessary by a change in the name of the Diocese :

AN ACT TO AMEND CHAPTER 77, OF THE ACTS OF 1882.
ENTITLED "AN ACT TO INCORPORATE THE GOVERNORS OF
ST. FRANCIS XAVIER'S COLLEGE."

(Passed the 3rd day of May, 1887.)

1. The word "Arichat," wherever it appears in the several sections of said chapter, is hereby struck out and the word "Antigonish" substituted therefor.

In 1888 another amendment was made to enable the Board to borrow money needed to erect new buildings :

AN ACT TO AMEND CHAPTER 77, OF THE ACTS OF 1882,
ENTITLED, "AN ACT TO INCORPORATE, ETC."

(Passed the 16th day of April, 1888.)

Be it enacted by the Governor, Council and Assembly, as follows :

1. Section two of said Act is hereby amended by adding at the end thereof the following words : "The said Corporation may borrow a sum of money, not exceeding sixteen thousand dollars, for repairing and enlarging the College building at Antigonish, and shall repay the same in four annual instalments, with interest at a rate not exceeding six per centum per annum, such interest to be paid annually. The loan may be obtained at once or in portions from time to time as the Governors may require the same, and they shall give the lenders debentures or coupons for the amount of the loan, the interest on which shall be paid annually. The loan shall be a charge upon the land and personal property of the Corporation, and not against the individual members thereof."

In 1888 the sum mentioned in the above amendment was borrowed, and the new building completed. With the wing erected in 1880 the building consists of a central part ninety by thirty-nine feet, with a tower ninety feet high projecting sixteen feet in front, and two wings, each thirty-eight feet wide, one of them eighty and the other eighty-three feet in length, the latter having an extension twenty-two by twenty-seven. The material is brick,

which has proved to be of excellent quality. The building is well plumbed and ventilated and is heated throughout by hot water.

THE LIBRARY.

The library consists of about 2700 volumes. Over fifty years ago a student named John Ryan, of Halifax, died in the Propaganda College, Rome. In his will he bequeathed his property to the Church in Nova Scotia, and after the division into two dioceses, that of Arichat received its share of Ryan's bequest, part of which was a large library purchased in Rome. The present College Library is in great part made up of the Ryan collection; but both Bishop McKinnon and Bishop Cameron contributed from their own libraries many valuable works. The late Rev. Alexander McLeoe, of Arisaig; Rev. John V. MacDonell, St. Andrews; Rev. John Quinan, of Main-a-dieu, and Rev. John McDougall, Red Islands, also bequeathed their libraries to the College. Formerly the library books were used principally for reference, but of late years they have been utilized in supplying good reading matter to students, and thus cultivating their acquaintance with past and contemporary English literature. A drawback is want of revenue, and donations are solicited.

CONTRIBUTIONS FOR THE YEAR ENDING JUNE, 1892.

Priests of the Diocese, \$175.00; People of the Diocese, \$17.00; Legacy from Rev. Charles Martel, P. P., River Bourgeois, \$300.00; balance of bequest of Hon. Peter Smith, \$233.85.

DEGREES.

Undergraduates who complete the course are entitled to the degree B. A., provided they make an average not lower than 50 per cent. at the Sessional Examinations of each year, and make no less than 30 per cent. of a full paper in Latin and English, nor less than 20 per cent. on any other subject of the course.

A Bachelor of Arts, of at least three years standing and of good reputation, who produces a thesis satisfactory to the Faculty on a literary, scientific, or philosophical subject, is entitled to the degree of M. A.

CONDITIONS OF ADMISSION.

There is in connection with the College an academic department into which pupils are admitted directly from the common schools, but they must have a good knowledge of English Grammar, Arithmetic, and the other branches studied by common school pupils.

To be admitted as an undergraduate in Arts a matriculation examination must be passed, of which the following is a syllabus:

Latin: Grammar, Composition as in Arnold's Latin Prose Composition to Ex. 20th, Caesar, Gallic War, Book V, 1-30, and one life from Cornelius Nepos. (Themistocles.)

Greek or French: Grammar and easy sentences in composition.

Mathematics: Arithmetic, Geometry (Books I. and II.), Algebra, to the end of Simple Equations.

English: Grammar, Analysis and Elementary Composition.

History: British and American.

Geography: Canadian and General.

The written examination will for this year be held the first week of November. Students entering in September will be examined orally. Equivalent books in Latin will be received. Grades B and C Provincial Teachers' Licenses will exempt candidates from examination in Mathematics, English, History, and Geography.

LADIES' ACADEMY.

This department of the Academy is conducted by the Sisters of the Congregation of Notre Dame, in the Convent of St. Bernard, Antigonish, and was first opened in November, 1883. Within eight years seventy-seven of its pupils obtained Provincial License, Grades D, C, and B.

The Gold Medal of the Institution, designed for the Graduate Course, is awarded to pupils who obtain Grade B; the Silver Medal of the Undergraduates to those who obtain Grade C, and a smaller Silver Medal to those who obtain Grade D.

The Science Classes and some of the classes in Mathematics and other subjects are taught by Professors from the College, and the Convent as well as the College uses the Apparatus of the College Laboratory. Young ladies who wish to apply for teachers' licenses of any Grade will find in the Convent every facility for making the necessary preparation.
