

Lord Dalhousie Leaves With Family For New Post

The Earl and Countess of Dalhousie have little time left before they depart from their home, Brechin Castle, for Africa where the Earl takes over his new duties as Governor-General of the Federation of Rhodesia and Nyasaland. Shown here, left to right: Lady Elizabeth Ramsay, Lady Sarah Ramsay, the Hon. Anthony Ramsay, the Hon. John Ramsay and Lord Ramsay. The Earl of Dalhousie is honorary president of Dalhousie Alumni Association in England and a very active member of the organization.

"Admirable Crichton" Greeted By Poor Crowds

A backstage fire and two nights of incessant rain failed to dampen the spirits of the DGDS last week, when they presented J. M. Barrie's satire "The Admirable Crichton" on Thursday, Friday and Saturday in the Dal Gym.

The play was praised by all who saw it for its splendid direction and delicate handling. This audience, however, comprised a pitifully poor percentage of Dalhousie students.

What could have proved a real tragedy was narrowly avoided shortly before curtain time on opening night, when a faulty light bulb caused part of the set to burst into flames. Due to the quick action of several members of the cast and production crew, the fire was soon subdued and damage was slight.

All three performances were observed by small audiences, although the crowd improved on each successive night.

Junior Class Holds Meeting

The first meeting of the Junior Class was held last Tuesday at noon. Judith Bennett was in the chair for the meeting at which the officers for the year were elected.

The new executive includes Dick Gibbons as President; Judith Bennett, Vice-President and Al Beattie, Secretary. Judith Wilson was elected Chairman of the Dance Committee and acting with her will be Collette Young, Al Beattie and Martin Farnsworth.

It was decided that this year's dance would not be a Junior Prom, but rather an informal ball known as a shipwreck dance. It will be held on February 14. Costume dress will be essential.

Hall Formal Slated For Thursday Night

The social event of the season, the Shirriff Hall Formal, will be held on Thursday, November 7, at the Hall.

Decorations are still in the secretive stage but they are certain to demonstrate the decorating genius of the girls at the Hall. Only about 105 couples will be in attendance since the formal includes only the students in residence at the Hall and their escorts.

To Hold Jamboree This Friday Night

This Friday evening, November 8 the annual Engineers' Jamboree will be held in the gym, with Alf Johnson doing the calling.

Headed by Bob Weld, the dance committee is making extensive plans to make this year's jamboree the best on record. Several special attractions have been lined up including the Russian satellite "Sputnik" which will be on display. During the intermission, there will be a special stage production, as well as the auspicious debut of a new and mysterious Engineer's orchestra.

During the dance, a newly developed beverage called "Bubbly" will be on sale. A weird and wonderful concoction, Bubbly is guaranteed to knock your hat off and make you set for the time of your life.

Lady Dunn Turns Sod to Begin New Science Bldg.

On Tuesday of last week, Dalhousie's new Science Building was officially begun when the first sod was turned by Lady Dunn, wife of Sir James Dunn, Dal's greatest modern benefactor.

The building to be known as the Sir James Dunn Science Building will house the departments of engineering, physics and geology. Lady Dunn stated that the building would be first class in every respect, to enable Dalhousie to take part in the fast moving field of scientific research.

CHANCELLOR HOWE

During the ceremony, Brigadier H. V. D. Laing, Chairman of the Board of Governors, introduced the Rt. Hon. C. D. Howe, the University's new Chancellor, who said that the honor bestowed on him was the greatest in his career. Brigadier Laing also thanked Lady Dunn for the generous gift.

The ceremony was opened with a prayer of invocation given by Dr. A. E. Kerr, who also ended the sod-turning with Benediction.

OTHER FUNCTION

Following the ceremony, a reception in honor of the guests was held at the home of President and Mrs. Kerr. Attending this function were members of the Board of Governors and the Deans of the Faculties with their wives, along with student representatives.

Council Holds Busy Meeting

by PETER OUTHIT

Encouraging signs of life in a dying organization, Delta Gamma, the reception of a full Pharos report and approval of its budget, a \$2500 backing of "Finian's Rainbow", this year's definite musical production, and appointment of a new Campus Co-ordinator were a few of the many items on last Sunday's Students Council meeting agenda. The Council's third meeting of the year was presided over by President Murray Fraser.

Topics discussed ranged from the ridiculous to the sublime; from the rejection of free tickets for the Dal team to the Eastern Canadian Football finals to the sanction of a new Dalhousie Society, the Esperanto Club.

The Delta Gamma representative, said that their first meeting had been held with good attendance — and that numerous money-making enterprises were in the cards for this year. The Council felt that

Delta Gamma had responded to the threat of extinction admirably and, upon Doug Colquhoun's motion, approved its \$313 budget, adding that the Society may retain all profits earned by it for future ventures.

The council accepted the resignation of Campus Co-ordinator Libby Mayo, although she will remain on that committee; taking over her post will be Carol Clark, aided on the committee by Al Ross.

Joan Herman gave an extensive Pharos report, recommending (1) An increase in advertising from 19 to at least 28 pages (2) An increase of several hundred copies in production this year, and (3) Possible cheaper production with lithographing replacing print engraving. In the discussion Hilroy Nathanson moved for a new deal in selling the issues: that the council approach the administration for permission to use the option method of yearbook selling, at registration (non-compulsory buying for non-graduating students) or failing this to determine the number of buyers from faculty society heads. Taking a look at other Canadian university yearbooks, the Council decided that a certain permanent cover design be submitted and approved. Passed also was Nathanson's motion that free copies of Pharos dating back to 1950 be sent to high schools across the province.

Also passed by the Council were: *George Travis' motion that no society may advertise a meeting until it is cleared by the campus co-ordinator, and only upon this clearance may the Publicity Committee put up suitable advertising. *Sanction of the international language Esperanto club, represented at the meeting by John Wright, as moved by Elizabeth Dustan.

*The underwriting of "Finian's Rainbow", and its cost of production as reported by Cleland Marshall, to an extent of \$2500. Len Chappell will produce and direct the 1947 Broadway hit. Motion for approval was by Bob March.

*George Travis' motion that next year undergraduates buying Pharos before November 30 will receive a 10% price discount.

Council President

Murray Fraser

Delta Gamma Makes Plans

The first meeting of the term of Delta Gamma was held Wednesday in the Arts and Administration Building with Barbara Ferguson, president, presiding.

The chief item of business was the election of representatives and managers. Following is the list of those elected: Joan Millar, senior representative; Jean MacPhee, junior representative; Lorraine Lawrence, sophomore representative; Bonnie Murray, freshman representative; Helen Wickwire, dramatics manager; Charlotte Gibbon, social director from Shirreff Hall; Pan Dewis,

social director from the city; Joan Hennessey, scrap book recorder; Elliott Sutherland, debating manager.

PLANS FOR YEAR

It was decided Open House perhaps in the form of a toboggan party will be held soon after Christmas. February 7 was decided as the date on which to hold the Sadie Hawkins Dance.

Plans were made to help Pi Beta Phi with the canteen at the rink. All girls who are interested should watch for signs on the Boards con-

Wilfred Berman B.Com., L.I.A., R.I.A., C.A.

Students, colleagues and friends were shocked last Thursday morning to learn of the sudden death of Wilfred Berman, Professor of Accounting at Dalhousie. For his own accounting students the shock was particularly felt for they looked upon him as a teacher among teachers and a friend among friends.

Bill Berman, as he was almost universally known, was 37 years old, just two years married and only eight years on this campus. He was a native of Montreal; he received his B.Com. and L.I.A. degrees from McGill University; after service with the Canadian Navy during the war, he taught at McGill. He was married to Rita Weissler in 1955; both were very active in community work.

In 1949, when he came to Dalhousie, the Department of Commerce was small and dispirited. Almost singlehandedly he revitalized the department, directed the accounting courses for eight years, built up a number of new courses, and made a name for Dal in accounting circles across Canada. In 1954, he instituted a refresher course for students preparing for their final examinations in Chartered Accounting; it was outstandingly successful. During the next four years two gold medal winners in the Canadian final examinations attended this course.

For the university, Prof. Berman also carried the burden of extension classes in Investments. He was a member of the education committee of the Canadian Institute of Chartered Accountants; he was the first Canadian to receive a Ford Foundation grant to attend a summer seminar in Investment at Harvard University.

Reflecting the high standards of his courses and the high esteem to which he had personally raised Dalhousie's accountancy curriculum is the exemption granted Dalhousie B.Com. graduates with major in accountancy from writing intermediate examinations in Nova Scotia.

In 1956, Prof. Berman was appointed statistician on the Royal Commission for Automobile Insurance, the report of which was expected to be made public within the next month or so.

Bill Berman's friendliness and love of people were the driving spirit behind the formation of the Commerce Company in 1953. His Commerce students looked to him as their teacher in the broadest sense of the word.

A memorial service was held Thursday afternoon at Shaar Shalom Synagogue and burial was in Montreal on Sunday. For the university, President A. E. Kerr and Dean W. J. Archibald were present; former students Fred Ogilvie and Richard Brookfield were asked by the Council of Students and Commerce Company respectively to be their representatives.

In this man, who always placed the welfare of his students first, Dalhousie had found a great teacher; now he is gone.

tourists and liquor

The Atlantic Provinces Economic Council was recently urged to support more liberal liquor laws as a means of encouraging the tourist trade. APEC decided to take no stand—many disagree with that decision, and our purpose is to plead for reconsideration for, with all due respect to those who convinced APEC to the contrary, it is submitted that a stand should have been taken and it should have been taken in favour of intelligent, liberalized liquor laws.

Examination of several propositions will indicate where APEC's duty lies: (1) APEC is committed to improving the economy of the Atlantic provinces; (2) tourism is one of the chief industries of the Atlantic provinces; (3) thus APEC is impliedly committed to do all that is within its power to assist the tourist industry; (4) tourism is highly competitive, and, if this area is to compete effectively, it must have an opportunity to compete on an even basis; (5) restrictive liquor laws put our tourist industry at a disadvantage compared to other parts of Canada, notably Quebec and Ontario; (6) APEC, therefore, should assist in removing such a material disadvantage.

It was argued that liquor is "a matter of conscience." Although newspaper reports did not explain this phrase, it is taken to mean that liquor, primarily a matter of morals, is a problem that should be solved by each individual in his own way. This really argues for more liberal laws, for only if the individual is given more scope in which to express his free will is liquor truly a matter of conscience.

Another argument is that liquor seduces the family unit. But, recognition that the family unit is fundamental and is another reason why the laws should be changed. Present laws say that it is wrong to drink at a downtown hotel but quite correct to do so at home; it is illegal to buy and drink one ounce of liquor in a tavern, but is quite legal to buy 36 ounces and drink them in full view of wife and children. Surely it is obvious which alternative has the most devastating effect on the family unit. Of course, the second alternative would not disappear with liberalized laws, but it is just as obvious that such laws would not create the havoc that some say.

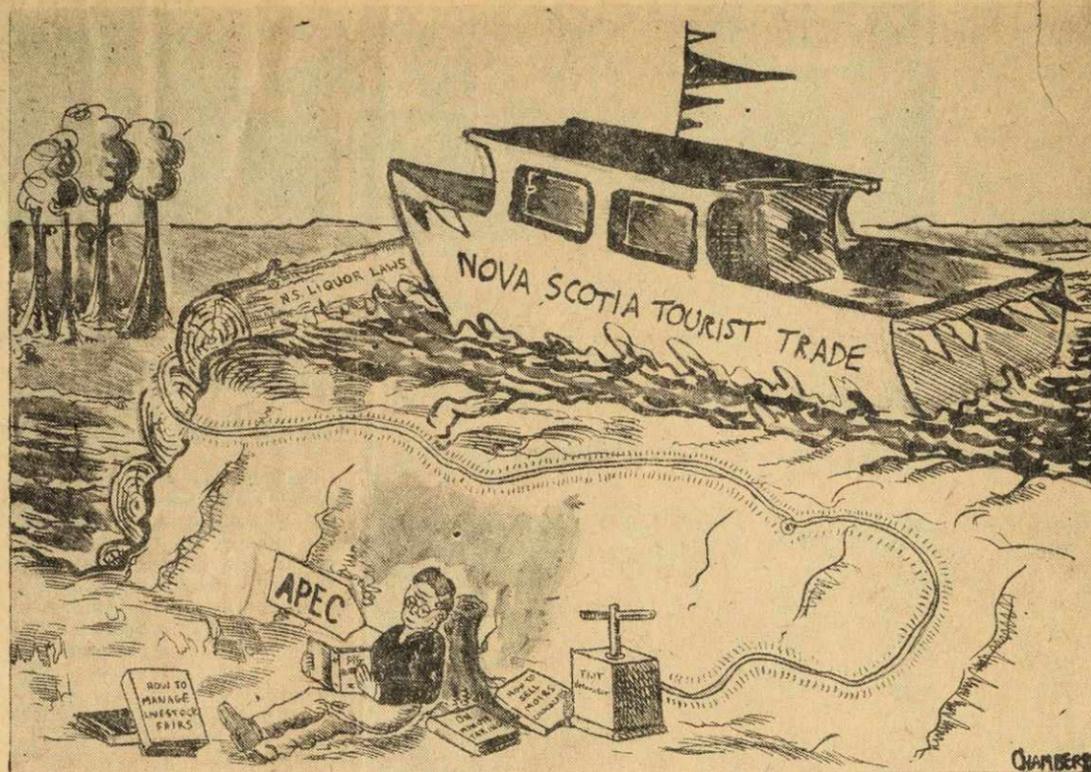

The arguments at the APEC meeting implied that the vast majority of the population is against such a change. This of course, is opinion, and it is the opinion of this editorialist that the majority would approve a more liberal approach were they assured that freer sale of liquor would be accompanied by sane restrictions, carefully enforced.

We are told that APEC is composed of a group of intelligent men dedicated to the idea that the economy of the Atlantic provinces could be improved if the problems facing it were met in dynamic fashion. But, with this decision, APEC has indicated that it might not be as dynamic as was thought.

APEC must eventually face the problem squarely, admit that a sane approach to liquor is not immoral, and take the common sense path to a result which might well prove a greater value than the sum of a the Royal Commissions that have peeped into our economy.

breaking the log jam

letters to the editor

snake dance

Dear Sir:

I don't dare let my name be published. You'll see in a minute why. I took part in the "snake dance" pep rally on Coburg Road last Friday. I was there, and I say that we deserved all we got. The police did what they should have done.

Not a riot? Not blocking traffic? I saw the wires of at least four trolleys pulled down, leaving the trolleys with all their passengers, plus the cars behind them, stalled. We straggled across the whole road, completely blocking it at times. The police had to stop us, and—use your heads! The only way to stop us at all was by force. The sirens and swooping cars and 'cycles swept us off the street. While we stayed on the sidewalk, they let us run and yell. But some of us returned to the street. The only way to stop it was to arrest some. All right, maybe the ones arrested were no worse than the rest; but they took their chance. The police probably chose a few at random. It worked, didn't it? We headed back, on the sidewalk, quieter than we came.

Why was I there? To observe mob psychology.

Sociology Student.

propriety

Dear Sir:

I would like to question the reasonableness and propriety of Dal's chief Cheerleader during half-time of the Dalhousie-St. Francis Xavier game on October 26, when, to the best of my knowledge, he informed the Royal Canadian Artillery band in attendance at the game that during half-time the Dal fans were going to parade across the field, and lynch and burn a St. F.X. dummy and that the proposed band concert during half-time could not be held.

I am in favor of a reasonable expression of college spirit at football games, etc., but I, and a few other fans in my vicinity at the game were of the opinion that Mr. Moon overstepped the bounds of propriety in allowing the aforementioned parading of the fans.

Aside from the fact that many of the fans would have preferred to hear the traditional half-time band concert I believe that Mr. Moon failed to fully consider the fact that the bandsmen in question were military personnel who had their weekend broken up by being put on duty on Saturday afternoon, which duty necessitated them par-

ading in full dress uniforms and then sitting in the cold for a full two hours only to be informed that their whole purpose, i.e., a band concert, was defeated because a group of students wanted to have their own little display.

I doubt very much that Dalhousie students are too highly appreciated, considering their lack of gratitude, by the Royal Canadian Artillery of Halifax.

I admit that in writing this letter I have made a few assumptions and that there may possibly be a good explanation for the depreciated actions. If there is such an explanation perhaps it could be relayed to me, either personally, or by means of the Dalhousie Gazette.

student's friend

"We have lost not only a fine teacher, but even more, we have lost a good friend."

"How would you like someone to write a book of helpful hints to C.A. students writing their final examinations? . . . Okay, I'll do it!" Prof. Berman didn't know it then but he never would get the chance to fulfill his promise to this accounting class and the many other students seeking their Chartered Accountant's degree. As in his numerous offers of aid to the students he loved so well, only this one eventuality could possibly terminate his intentions. "If you guys don't win that soccer game Friday, don't bother showing up for class Monday," and other jocular remarks exemplified his intense interest in students' sports; or "Sure, we'll be glad to chaperone the dance for you," illustrated his unceasing willingness to be of assistance. Students having trouble with their grades found that he not only had a sympathetic ear but also was ready with some very sound advice. His friendly Socratic method of teaching won the complete attention of his students and assured the success of many in the field of Accounting. Today, in Halifax, and in other parts of Canada and United States, there are, no doubt, many young men "reaping harvest" from his training, who are astounded by his death and, along with his wife and relatives, lament his departure.

The Commerce Department may be able to fill the gap, but Professor Wilfred Berman cannot be replaced.

Commerce Student.

through the keyhole

by Pat McDonald

I see by the Varsity that game drinking has been banned at the University of Western Ontario but chances of stopping the drinking were quite slim. To quote the Provincial Police: "It would take a plainclothesman in every second seat to cope with the drinking."

Ed.—Mother to Son: "Of course your father wouldn't commit murder! Why do you ask?"

Son to Mother: "I just heard him down in the cellar saying: let's kill the other two."

The Silhouette has a vivid running account of a recent party raid made on the girl's dormitory by male students. However the opposite sex weren't very co-operative.

Ed.—Radio Announcer: One good thing about me is that I always delve into my products before I speak about them. This morning I'm going to talk about bloomers.

I see from the Ontarian that a sick monkey suddenly regained its vigor and escaped as it was being taken to the Vet Building. The girls were warned not to be alarmed if a furry animal slips its hand into theirs and asks for a coffee date.

Ed.—Speaking of renewed vigor I know a fellow who always took cod liver pills. He lived to be 102 years old and, when he died, they had to beat the liver to death with a stick.

The Xaverian—Girl to Boy: "You crept into my heart, Johnny. You crept into my soul, Johnny. You're the biggest creep I ever met, Johnny."

The Manitoban—I gave my girl friend a bikini for Christmas and you should have seen her beam.

The Argosy—Letter to the Welfare Bureau: Dear Sir or Mrs.: I wonder if you could tell me if my husband is dead, as the man I am living with now won't eat or do anything until he is certain.

In closing, may I leave you with this thought: there is only one you! Never again will your talents, your personality and your abilities appear upon his earth.

GOOD, NIGHT, PRINCESS.

FLASH!

Lester B. Pearson, 1957 winner of the Nobel Prize for Peace, has been asked by the Law School Liberal Club to speak at Dalhousie next Friday, prior to an address to the Nova Scotia Liberal Association. Confirmation has not been received but it is expected momentarily.

It is expected that Mr. Pearson will speak on foreign affairs.

In anticipation of confirmation, President A. E. Kerr has announced that all English classes will be cancelled at noon, that other classes at Studley may be cancelled, and that Room 21 or the gym will be made available. A further request to the President regarding cancellation of classes at Forrest is understood to be impending.

Past experience indicates that over 500 students and faculty members will attend. It is understood that Mr. Pearson's appearance is being co-sponsored by the Council of Students.

NFCUS Committee Releases Complete Discount List

The NFCUS Committee has added several names to its list of firms granting discounts to students. The

list is now complete and is as follows:

- The Arcade Ladies Shoppe.. 10%
 - Bond Clothes Shop 10%
 - Clyde Isenor's Men's Wear .. 10%
 - G. B. Isenor, Men's Wear ... 10%
 - Maritime Furriers Ltd. 10%
 - Shanes Men's Shop 10%
 - Shanes Shoe Shop 10%
 - Fit-Rite Shoe Store 10%
 - The Sports Lodge10% & 20%
 - The Blossom Shop 20%
 - Rosedale Nurseries 10%
 - The Flower Shop 10%
 - Silverman's Music Centre ... 10%
 - Gaudette's Jewellers, repairs merchandise 20%
 - Hughes-Owens Co. 10%
 - Mahon's Stationery 10%
 - Famous Players Theatres (Capitol & Paramount) 25%
 - Heinrich & Co. Ltd., Men's, Ladies and Children's Wear.. 10%
 - Leon Neima 20%
 - *Don's Taxi 10%
 - *Y Taxi 10%
 - Atlantic Photo Supply 10%
 - **Cousins Dry Cleaning 10%
 - **Halifax Laundry Ltd. 10%
 - **Spic & Span 10%
- *Discounts will not come into effect until the photos for the NFCUS cards have been distributed.
**Students must take laundry and dry cleaning to stores. Delivery will be provided only to students living at fraternity houses and at college residences.

Student Forum

The first Student Forum—general meeting of the student body—of the year will be held Tuesday, Nov. 12 at 7:30 p.m. The place will be announced later.

Topics under discussion will include:— Council's stand on DGDS's musical production and Pharos; the NFCUS life insurance plan; request by the Faculty of Nursing Science for representation on the Council; the opinion of WUSC regarding their inviting Russian students to visit Canada; and other matters.

If any student wishes a topic added to this agenda, the Council President, Murray Fraser, would appreciate hearing from him or her during the coming week.

You can help yourself through university

URTP

ROTP

EITHER OF THESE PLANS WILL GIVE YOU GENEROUS FINANCIAL ASSISTANCE

AIR FORCE U.R.T.P.

(UNIVERSITY RESERVE TRAINING PLAN)

Flight Cadets (male and female) are enrolled in the Reserve Force—receive 16 days pay during the University Term—and have a potential of 22 weeks additional paid employment during summer vacation months.

Openings now for TECHNICAL AND NON-TECHNICAL OFFICERS.

*This plan applies to the three Armed Services

Get full details at once so that you can take advantage of this opportunity now, while you are still attending University. For full information on requirements, pay and other benefits,

NEWS BRIEFS

The NFCUS photos taken at the beginning of the term are now ready and may be picked up at the Pharos Office, Men's Residence.

Any student, expecting to graduate this spring, who has not already been contacted about his or her graduation picture for the year book please contact one of the following:

- Mary Sheppard 4-3323
- Fran D'Argent 3-0526
- Connie Willet 2-3623

The WUSC Treasure Van will be on the Dalhousie Campus on Nov. 12, 13 and 14. It will be located in the Gymn as in former years.

QEHS Dramatic Society will present "Father of the Bride" at the Queen Elizabeth Auditorium Thursday and Friday, November 7 and 8. Curtain is 8:15 and admission is fifty cents.

The next DGAC night will be held on Nov. 12, Nov. 11 being a holiday, and it will be in the form of a "paydirt" with QEHS and St. Pat's High School.

letter to the editor

cover to cover...

Dear Sir:

The "Dalhousie Gazette" has come to me regularly for the past three weeks, thanks to your efficient circulation staff. Naturally I do not agree with all viewpoints expressed, nor do I consider it the best newspaper ever printed! But I DO read it from cover to cover with great interest, noting with pleasure the several improvements over the past two years. You have made a fine start, and the introduction of new staff members has added a certain spark to the paper.

May I avail myself of this opportunity to reply to Mr. Charles Fanning's "Letter to the Editor" which was printed in the October 23rd issue?

Mr. Fanning, the academic year is young—and so, perhaps, are you! Although this is your first year at Dalhousie, you apparently now feel capable of passing judgment on university institutions. Unfortunately, I do not know whether you are a freshman or a student of advanced standing. Perhaps you are just voicing opinion; perhaps you are desirous of stirring up a controversy.

Permit me to give you a few of my impressions of Dalhousie.

Should you glance through back issues of the "Gazette," you would find the word "apathy" frequently recurring. Should you glance around you you would discover that the same group of people form the active nucleus on campus. What is the connection? I believe the Dalhousie student body to be an apathetic one—insofar as no one can be interested in every phase of University life. Perhaps I was especially fortunate in knowing Dalhousians who are eager, interested, energetic, and possessed of a keen sense of awareness, balance, and good judgment. But their interests are not all the same!

Dalhousie there is a multitude of extracurricular activities to complement the student's academic life and further broaden his horizons and increase his talents. The numerous organizations a student joins are important. What does count is his active contribution to his own fields(s) of interest(s). The opportunity to participate. However, these student organizations can cooperate successfully only so long as active student participation warrants their continuation.

In a school the size of Dalhousie, it seems miraculous that the choice is so great. Naturally, there will be many organizations which appeal to a small minority—and rightly so! Yet these minority groups are important for they CONTRIBUTE.

The subject of a small group or clique of students running campus activities has been argued bitterly and vociferously for many years. Is not the fact that there ARE a few interested people to maintain these organizations worthy of consideration? I can think of no Dalhousie organization which does not welcome new blood, new faces, new ideas. Although I do not believe the student body apathetic, I feel that they are not making the fullest use of their opportunities.

But to return to the "Gazette"—to which you, as a new student at Dal, have given a "cursory glance"! You mention the newspaper's dual purpose of informing and entertaining, and feel that it has let you down in the latter respect because it prints "Miss Mackenzie's poetical inanity." If this is your ONLY complaint about the "Gazette" you rate well above average!

As a fellow reader, I can sympathize with the view taken by you and countless others who have—in the past and present—expressed similar opinions. The paper is NOT always good; it is NOT always informative; it is NOT always entertaining. There are times when it is neither. I am sure that almost any Dalhousian, including the present Editor, would agree.

But what of the other side of the picture? Have you and the rest of the dissatisfied student body troubled to find out how the paper is run, what the underlying problems are, and what the satisfactions are? (As a member of the "Gazette" staff for the past two years, I feel thoroughly qualified to discuss it.)

To the best of my knowledge, there is no group on campus that works harder and longer for less public approval than the "Gazette" staff, unless it be the "Pharos" staff. The current fashion seems to prohibit any complimentary remarks! Yet, year after year, students spend many hours daily and weekly trying to please their public—the readers. They have antiquated machinery, inadequate office space, a limited budget, deadlines, printer's delays, lack of news, and Administrative policies with which to contend. In addition to which, they do not always recruit the best possible staff.

Why do they keep on? Because, Mr. Fanning, they are LEARNING something. No matter how trite their writing may appear, they are developing a new skill or further improving an old one; they are learning the mechanics and dynamics. They are not satisfied to sit back and condemn; these students are of the calibre that demands contribution and action! At the same time, these imperfect humans are prone to err—and they do so frequently. But in so doing, they must make decisions and defend them. This, I believe, is a very important part of "growing up." For me, this very fact justifies the existence of extracurricular activities so long as there is student interest maintained.

In the "Letter from the Editor" (October 9 issue) Mr. Nathanson states his policy as follows: "The Gazette, this year, is not particularly seeking after honours and awards whether of national or local origin. We hope to please only ourselves and the readers of the paper..." I commend the Editor for his approach, and hope that this year will bring some fulfillment of his goal. From my experience, I KNOW that the staff does its utmost with the time and facilities at its disposal to please the readers. The amount of praise or commendation it receives in return from the general public is usually minute, if not non-existent. A situation where one (or many) is unable to please others is very depressing—and still the staff fights this uphill struggle year after year, always trying to improve the quality of the paper. (I might add that, in general, this is true of most campus organizations.)

You, Mr. Fanning, and others like you can perform a service to your University. Where you feel you can contribute to a campus organization, DO SO! If you are unable to write better poetry than Miss Mackenzie, I fall to see where you should criticize her; rather, I think she is to be praised for her enterprising spirit! But if you CAN write better poetry (or do anything else), WHY AREN'T YOU OUT DOING IT?

In closing, may I say that I have intended no personal animosity towards Mr. Fanning, and sincerely hope he will understand the spirit in which this letter is written.

It is my hope that ALL Dalhousie students will avail themselves of the rewarding opportunities the school offers by giving their service and talents to the betterment of extra curricular affairs. The fruits of such labors cannot be measured by the Point System, but by personal satisfaction and enrichment of character. Soon the world will be looking to us for the answers. Will we censure our firesides, or will we have the courage and conviction to GET UP AND DO SOMETHING!

Anne Carolyn Coburn
Chappaqua, New York.

Black Saturday For Dalhousie; Lose To Mt. A & Shearwater

Black Saturday at Dalhousie will be long remembered on this campus as the day we lost the Maritime Intercollegiate Soccer Championship game to Mount Allison by a 5-4 score in overtime and also lost any further chance of continuing the year in the Purdy Cup competition by losing to the tremendously powerful Shearwater Flyers in Canadian Football by a back-breaking score of 67-0.

Press Box Views

by Bill Rankin

The time for glory in the Nova Scotia Football League draws near, the committee who awards the various trophies will soon decide who will be the Most Valuable Player, Rookie of the Year, etc. The chairman of the awards committee is Mr. Al Thomas and he has informed me that the committee will not meet until after this paper has been published, so for the few who care to read this column I'll try to refresh their memories and make a few predictions.

This year scoring championship as did the NSFL championship will go to members of the Shearwater Flyers. Bruce Walker and Bob Hayes captured the scoring crown far ahead of the rest of the league dividing 228 points and the Mike Milovick Trophy between them.

This year's most Valuable Player should be in my estimation one of the star-studded Flyers. Don Nicholson of last year's Tigers was awarded the Andy Duffus trophy for the 1956 season. This year one of the trio of Hayes, Walker and diminutive Don Lilley should get the nod for the big bowl.

This year, as last, Dalhousie should boast the Most Valuable Lineman. Gord Rankin brought back the Halifax Herald Cup last year for the Bengals and this year it should be returned to his then fellow lineman, Mel Young. Young is not afraid of a brick wall and many of his opposition thought they were hit by one when Young wrapped his massive frame around them.

In the rookies camp the collegians should bring back the silverware. In saying the "collegians" I mean St. F.X. as well as Dal and that means Tommy Delaney as well as Peter Corkum. Delaney just established a new record driving for 214 yards in his game against the Greenwood Bombers Saturday.

Corkum has crossed the opposition goal line four times for 24 points and boasts a fine running average. The choice should be a toss up between the two but in my humble opinion I think I would take Tom Delaney to follow last year's Ron Binnie of Stadacona name of the CHNS Rookie of the Year Trophy.

* * *

To make a quick switch from one sport to another let's turn to the girl's ground hockey league.

The Dal team took a quick jaunt to Mount "A" last week and whipped the Sackville girls 1-0 for the second time this year. On the other side of the fence the King's gals bowed to Acadia 4-0.

In the two previous meetings between Dal and King's the teams have tied 0-0 but when UKC met Mount Allison for the first time they were trimmed 6-0. The Dal women will face Acadia this week for the league's leadership.

According to what happened to King's at Acadia the Axewomen should take the contest but the Mount "A" games were the reverse of the story, so what will happen is anybody's guess.

SENIORS WHOMP FRESHETTES

Two more rip-roaring volleyball matches were played off on DGAC night (Monday), as the gals' interclass tournament rolled into full swing. The Seniors whopped the Freshettes in two straight games, the total score being 22-11; and the Juniors downed the Sophs, also into two straight games, by a 25-14 margin. The tournament is now at the halfway mark and at this stage the Seniors and Juniors are tied for the first place berth—each having four points, and the Sophomores and Freshettes are locked in a second-place tie with two points each. The winner of this tournament will be awarded 10 points toward the coveted interclass shield (presented on Munro Day).

At the last DGAC session new rules were introduced, which make the girls' game more closely similar to the boys' setup. These rules will also be effective in the Intercollegiate Volleyball competition, which will be held this month. Six players are used instead of the accustomed eight and only one hit per player instead of the former rule

which permitted two consecutive hits for each player.

A single game was formerly played under a time limit, but the new order makes it a best of three game series. Each game continues until one team racks up a 15-point score or until the 8-minute mark is reached.

TIGRESSES, ACADIA CONTENDERS FOR GROUND HOCKEY TITLE

Last Friday afternoon the Dalhousie Tigresses journeyed to Sackville, N. B., and once again handed a 1-0 defeat to the Mount Allison ground hockey team. League competition has been very close this year and the Dal gals with a record of two wins, two scoreless ties and a single loss are heading the race, along with the Axettes.

A game to be played today (Wednesday) with the Acadia team will probably create an Intercollegiate champion.

Friday's clash at Mount Allison was rated by the coaches and referees as the best game of the season. The Mounties displayed a tremendously strong forward line and as a result carried the play for a good portion of the game. They smashed in countless shots at the Dal goal but calm, cool and collected Pam Dewis, Tigress goalie, saved the day as she repeatedly knocked the ball back.

were a mighty and unified block as the score indicates, and it may well be said that it was a "defensive victory".

The singlescore for the Black and Gold came in the first half when in an offensive spurt, the forwards moved up the field and Nancy Lane the spark plug of the forward line drove the ball past the Mount A. goalie. The second half, a close the Dal cause was hurt by the spar-

EDGED OUT IN SOCCER

by Peter Bennett

Saturday evening many Dalhousie students spent their time drowing their sorrows as they tried to forget "Black Saturday", a day like any other, marred by Dalhousie losses.

Dalhousie's soccer eleven, after six successful starts and the Nova Scotia Intercollegiate championship, finally dropped a match last Saturday as the Garnet and Gold from Mount Allison stopped the Tigers 5-4 in overtime in a sea of mud at Studley field. The Tigers, who led 4-1 early in the second half seemed to suffer a mental lapse as they let the Mounties even the score and move ahead in overtime.

Andy Burns opened for Dal in the first minute of play as he booted home a shot off the right goal post and sent the home team into an early lead. Burns again hit the mark a few minutes later as he took a pass from Hugh Fraser on the side and scored.

A brilliant save by fullback Ted Cassidy kept the score down momentarily after the Mounties goalie had gone out to stop a shot but a corner kick on the play was tapped in by Matt Dolan and Dal moved into a 3-0 lead.

Norman Thomas broke McLeod's shutout late in the half after a goal mouth scramble that saw half the players stretched out on the muddy field.

MOUNTIES TIE SCORE

Andy Burns again opened up the Dal scoring and lead early in the second half as his corner kick deflected off the right hand goal post past a startled Mount A. goaltender.

Ron Strange closed the gap by a goal as he went in by himself, dribbled by the Dal backs and skidded the ball along the ground for the goal.

Strange again was the marksman as he lowered the score 4-3 after blasting a penalty kick to the upper left of Bob MacLeod from 25 feet out. Keith Richardson evened the score in a breakaway and beat MacLeod with a hard drive to his upper left.

There was no further scoring and the game went into overtime after two exciting halves.

CHAMPIONSHIP

Near the three-minute mark in overtime, captain Jan Huntjens managed to get his toe on the ball in a scramble and put the ball past an amazed Dal goaltender.

Following the change of ends, there was no further scoring and Mount Allison kept the trophy for another year.

SOCCER SLANTS

Coach Witt Dargie and his squad must be commended for their excellent display of spirit and sportsmanship during the year which have resulted in bringing back soccer as a major sport at the University

ENGINEERS ROLL INTO TOP NOTCH

Taking advantage of opposition miscues, the Engineers racked up the highest score in the two years of interfac touch football as they rolled over Law to the tune of 25-6.

The winners advanced from the opening whistle with the climax coming on a Davidson to Rankin pass as he was surrounded by a horde of Law defenders. Law's only score provided the most electrifying play of the game. Deep in their own zone, a third down pass to Nicholson clicked for a 95-yard touchdown play. The half ended in a ball deadlock.

Engineer's last three scores came as a result of intercepting and Law fumbles. Rankin picked up his second TD of the game as he gathered in a loose ball and galloped 40 yards to paydirt.

On the kickoff, the winners recovered a Law bobble and on the first play Al McKenzie scooted around left to make the score 19-6. Minutes later an interception set up the final tally as Cliff Murray scotted over for the last 6 points of the game to make the final score Engineers 25, Law 6.

Acadia Down King's Girls

On Saturday, November 2, Acadia played host to Kings in the first match between these two teams this season.

Despite unfavorable weather and the absence of some of the first lineup due to influenza, Acadia proved to be the stronger team and emerged the victor with a score of 4-0.

Although playing a losing game, King's managed to retain their fighting spirit to the end of the match.

FOOTBALL HOPES KILLED

by Wall Turnbull

A hard driving fast breaking team from Shearwater ran at will Saturday when they rolled 67-0 over Dalhousie Tigers. Buck Taylor was the big man as he picked up four touchdowns for the Purdy Cup Champions.

Don Nicholson and Mel Young fought hard for the whole game. Nicholson picked up 36 yards of the total 74 yards made by the Tigers on the ground. Mel Young continually drove through the defence to bring down Flyer players.

The scoring race ended in a tie. Walker picked up two touchdowns and Bob Hayes crashed over for a TD and then converted his own major.

Shearwater kicked off and Dal ran out for a sequence formation. Each team failed to make yards on their initial turn. Wickwire ran for a first down which was followed by another first down by Nicholson. The quarter ended 6-0 after Taylor had crossed the line on a pass from Lilley.

Shearwater hit pay dirt quickly in the second quarter as Taylor picked up his second major of the day on an end run.

Dal came to life briefly when Wickwire threw a pass from his 40-yard line and Stu McInnes gathered it in on the Flyers 30. On the next play Nicholson pulled down a pass on the 10-yard line. Shearwater's line held and Dal lost the ball.

From there Shearwater moved up the field. Dal recovered and their kick was blocked and Shearwater recovered. Walker crashed over for a major. Dal was penalized for not giving the ball receiver yards. On the next play Taylor again picked up a major. Hayes got the convert. The half ended with Shearwater leading 26-0.

In second half Shearwater had everything their own way. Dal failed to cross the Shearwater 30-yard line in the second half.

Hayes picked up the first TD and was followed by Walker after Dal fumbled. MacLeod converted both touchdowns. The third quarter ended on a pair of touchdowns. Lilley threw a pass to Harper who stepped over. Ron Parker ran through the whole Dal team for 30 yards and a touchdown. MacLeod converted.

Freshmen Meet, Elect and Plan

A meeting of the Freshmen Class was held on Tuesday, Oct. 29, in room 218 of the Arts Building.

Janet Sinclair, Freshman Representative on the Students' Council was in the chair. Elections for class officers were held and the following were chosen:

President, Bill Dickson; Vice-President, Gregor Murray; Secretary-Treasurer, Henry Roper; Campus Coordination, Janet Hutchings; Publicity, Joan Hault and DGAC Representative, Linda Rood.

Following the election of officers Al Ross, President of last year's class, spoke on the state of the class's bank account and suggested some function should be held this year to promote greater unity among the class. It was resolved that the executive should meet as soon as possible to take concrete steps in the direction of a Freshman Party.

Tigresses Topple HLC

In an exhibition ground hockey tilt last Monday on a muddy King's field, the Dalhousie girls handed a 3-0 defeat to a team from Halifax Ladies' College. The Dal eleven composed of girls from both the senior and junior varsity squads proved themselves too powerful for their younger opposition, as they were in possession of the ball for a large portion of the game.

The Tigress forward line composed mainly of junior players displayed more aggression and unity than they had shown in former games and as a result of this drive up front the Dal defense were not counted on so heavily. The HLC defense on the other hand waged a gruelling battle and managed to

Engineers, Dents Lead Touch F'Ball League

ENGINEERS BLANK MONEYMEN 6-0

Engineers took sweet revenge for last year's playoff defeat when they handed Commerce a 6-0 setback in the first meeting of the year between these two great rivals.

The winners threatened on the opening kickoff as Teddy Brown, who played a fine game for the Engineers, ran the ball back to the 12-yard line. However, an interception ruined the threat.

The only score of the half and of the game came after a pass

hold the Dal shooters to 3 tallies which were attributed to Nancy Lane, Pam Campbell and Linda Rhude.

from Gilmour to Rankin which put the ball on the four-yard line. Centre Fred Harrigan sneaked over after receiving the ball back from Gilmour.

The "Shack-men" relied mostly on a ground attack and short spot passes in fashioning the victory while the Comm aerial attack could not find the mark consistently.

DENTS PULL UPSET

In Interfac football play last week Dents came up with a mild upset as they eked out a 14-12 win over the previously unbeaten Arts & Science team.

Dents one-man team, John King, opened the scoring on the second play of the game as he ran all the way to paydirt for a 6-0 lead. The convert was successful.

The Artsmen fought back, and Weatherston, after receiving a pitch out from Murray, tossed to Buntain standing alone in the end zone. There was no convert.

Al, Witt Start Practise In Basketball, Hockey

Varsity basketball practices started Monday. Practises will be during the lunch time, 1:00-2:30, until football is over. Then practises will be at the same time as football was—5:45. Al Thomas hopes all those interested will turn out, as everyone is welcome.

The Tigers' first game will be on November 26th when they will travel to Acadia to face off with the Axemen. Al Thomas expects to have Teddy Wickwire, Dave Matheson, Al Murray, Bill White and Nick Weatherston returning from last year's squad. With practises every day, Dal should round into one of the top teams in the league this year.

Varsity Hockey practises have started for another season and from all indications, we can expect great things from the lads this year. Although four or five of last year's lineup will be missing this year, most of the old stalwarts are back.

In an interview with coach Dargie on Wednesday, he stated that

he is encouraging everyone to turn out for practises. There are several new positions to be filled this year; one of these positions may be for you.

Practise times are Monday 7-9, Tuesday 6-8, Thursday 6-8, Saturday 2-4.

Notice

Royal Canadian Air Force URTP and ROTP—Flight cadet meetings have resumed for the 1958-58 season. The meeting as in former years are held in the Engineering Building at 7:30 p.m. each Wednesday. Students interested in applying for RCAF training are invited to attend these meetings.

REGISTRAR'S OFFICE

**King's Society Presents
Evening In Three-Quarters**

The King's College Dramatic and Choral Society will present, on Thursday, Nov. 7 at 8 p.m., their Annual Evening in Three-Quarters. This will be a workshop evening designed primarily to develop student directors and discover new actors.

Virtually all the students taking part in these plays are freshmen or freshettes. Of special interest to theatre goers is the method of staging which is based on the method used in the "Theatre in the Round." This method results in closer contact with the audience and maximum audience participation.

This year the program will include two regular one-act plays: "The Valient," a drama directed by Linda Cruikshanks with a cast consisting of Jim Shortt, Russ MacLellan, Roy Ferris, Roland Lines and Jane Sodero; and a one-act pantomime, "Antic Spring" directed by Irene Machan and Mary Hebb. The cast of this play includes Elizabeth Bernard, Susan Bell, Paddy Henderson, Bill Wells, Dave Douglas and Lloyd Campbell. Finally, there will be a short, surprise play, "The Lady and The Rock," directed by Innis Christie, with Bob Jackson, Mary Archibald, Jean Bird George Cook and John MacLennan in the cast.

The plays will be presented in the Haliburton Room in the main building at King's. It will be the year's first effort by KCDSC.

If for some very valid reason you are unable to debate on the date assigned please let your Chairman know and he will try to arrange another convenient time but please give him plenty of notice.

**Fulton and Wiggs
To Represent Dal**

Wendell Fulton, Law I and Derek Wiggs, Law II, will represent Dalhousie at the forthcoming inter-collegiate debate against St. F.X.

The tryouts for this first debate were held Monday night in the Moot Court Room, and were adjudicated by Professors Lorne Clarke and Andy MacKay. Only four students tried out but the judges announced that it had been difficult to make a decision since all speakers were of top quality. Other speakers besides the winners were Bill Sommerville and Alex Weir.

Wednesday, Nov. 13—1:30:

Law Reading Room
Chairman—Gloria Read
Paul Rouleau, George Inrig

vs.
Pete Darby, Jim Unsworth

Thursday, Nov. 14—1:30:

West Common Room
Chairman—Paul Robinson
Robert Corbett, David Lynds

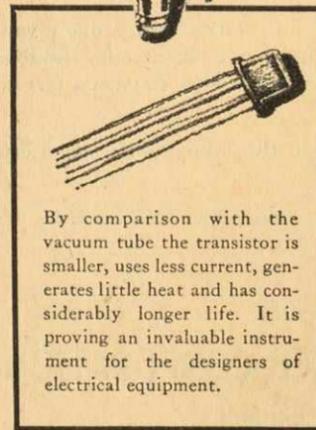

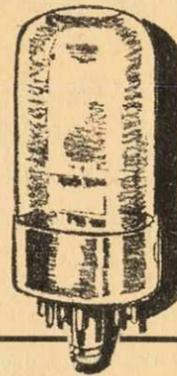

vs.
Irvin Sherman, Robert Ryan

Tuesday, Nov. 19—1:30:

West Common Room
Chairman—Paul Robinson
Al Riggs

vs.
Tony Nichols, Stewart McInnes

*"Such MIGHTY Power
encompassed
in so small
a frame"*

By comparison with the vacuum tube the transistor is smaller, uses less current, generates little heat and has considerably longer life. It is proving an invaluable instrument for the designers of electrical equipment.

The manufacturing of transistors and their use in new equipment is but one of a number of challenging projects currently being undertaken by the Northern Electric Company.

The solving of Canada's communication problems will give full scope to the enquiring minds and inventive genius of young engineers.

There are interesting careers—and a continual need for University Graduates—at the Northern Electric Company Limited. A letter or postcard to the College Relations Department, Box 6124, Montreal, Que., will bring full information concerning these opportunities.
