DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

Vol. XL. No. 29.

WOLFVILLE, NOVA SCOTIA, FRIDAY, May 6, 1921.

\$2.00, payable in advance

## Canada's Far North

Interesting Lecture Given by Inspector La Nauze of the R. M. C. P.

That was an interesting tale told at the Opera House last Friday afternoon by Inspector La Nauze, of the Royal Canadian Mounted Police. The lecture was given under the auspices of the I. O. D. E. and was presided over by Rev. Dr. MacDonald, who introduced the speaker in a few well chosen remarks.

The Inspector, in a conversational way, described how in 1915 it was reported at their headquarters in Regina that two Roman Catholic priests were missing in the Far North country, and the Bishop was anxious as to their safety. At twenty-four hours' notice the little expedition was formed and set out, Captain White, a corporal, one interpreter, and himself. Intensely interesting was the whole story as unfolded step by step as the photographic panorama of places, people and events passed on the screen, particularly when at last success crowned their efforts, and the great white chief's long arm of justice had reached the guilty Eskimos two years after the perpetration of the outrage.

Not less interesting and instructive, too, were the various exhibits of the Eskimos primitive culinary ad sporting utensils and methods of living. They were described as extremely hospitable people, especially kind to their children and to animals, subsisting entirely upon their own resources and not knowing enough as yet to tell a lie.

The children especially had a good time, and will thank the Daughters of the Empire for their thoughtful consideration of them. Rev. R. F. Dixon, in his characteristic way, moved, and Principal Ford seconded, the vote of thanks, which was given standing to Inspector La Nauze, and the College band, which rendered a number of selections outside the Opera House before the lecture and opened the program with "O, Canada," and closed the proceedings with the rendition of the National Anthem.

## HELP THE GIRL GUIDES

To the people of Wolfville, Ladies and Gentlemen:—On Saturday afternoon the Girl Guides of Wolfville will present their first entertainment.

I have witnessed a rehearsal and can promise those who attend a treat; but I particularly wish to urge you to support this to the limit by purchasing as many tickets as you can and attending if possible. Everyone should purchase at least one ticket whether they can attend or not. This is not much to ask when one considers how little thought we give to the spending of 25 cents when our own pleasure is concerned and it is the least you can do to show the young ladies who are putting into this work untold thought and energy that you appreciate the unselfishness of their work.

Yours truly,  
E. PERRY BROWN,  
Scoutmaster.

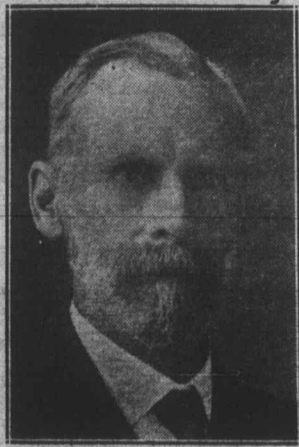

## FAIRPLAY ANSWERED

To the Editor of THE ACADIAN.  
Dear Sir:—Fairplay certainly knew nothing of the circumstances connected with the fight of which he so cleverly writes in your last issue. As a matter of fact, the challenge, the rum, and most of the interested spectators came from Wolfville.

His slamb at the Church and kindred institutions is not worthy of notice.

Yours, etc.,  
GASPEREAU.

R. A. FOWLER, M. P. P.

Who introduced a resolution in the Ontario Legislature asking that the Dominion Government be requested to prevent the admission of any of the Hearst publications into Canada.

## CANNING NOTES

Rev. F. Friggins and Mrs. Friggins returned from Toronto last week. Anniversary services will be held in the Methodist church, May 8th.

J. E. Bigelow has sold his very desirable residence here to Arthur M. Neary who in turn sold his farm on North avenue to C. F. Bigelow.

The Canning Dramatic Club presented the "Adventures of Grandpa" at the Armouries on Tuesday night to a full house. The performance was excellent, each part being taken with credit. The cast was as follows:

Montgomery Ray (Monte), Grandpa's Grandson ..... E. Lyons  
Tod Hunter—a young dancing master ..... E. Paul  
Otis Hammerhead (Grandpa), from Yellow Bud, Ohio ..... R. Schaefheitin  
Officer McCormack, who sees his duty and done it ..... B. Norris  
Lucy Hunter, our little wife ..... Miss M. Johnson  
Dorothy May, just out of College ..... Miss A. Northup  
Mrs. Pansy Hopsotch, fair, fat and forty ..... Miss B. Thomas  
Marie Ribeau, a girl from Paris ..... Mrs. E. Bigelow  
Kloomp, twelve days from Copenhagen ..... Miss M. Meek

This club is showing histrionic talent of a high order and future entertainments will be looked for with pleasure. The Orchestra under management of Mrs. Norris gave an enjoyable programme materially contributing to the success of the play.

In populating the animal kingdom a sow belonging to Ira L. Cox deserves honorable mention, she being the proud possessor of seventeen healthy pigs.

## SCHOOL BOARD MEETING

At the regular monthly meeting of the School Board on Monday evening the plans and specifications of Architect L. R. Fairs for the proposed new school building were under consideration. It was decided to advertise at once for tenders for the construction of the proposed building.

More and better equipment for the kindergarten department also received attention, and a number of items of minor importance were discussed.

The chairman, Mrs. Laura Haliburton Moore—who has been prevented by illness from attending recent meetings of the Board—was in the chair, and was heartily welcomed and congratulated by the other members of the Board.

## May Music Festival

Opening Concert Last Night Enjoyed by Large Audience

The May Music Festival promised by the Musical Department of Acadia Seminary has during the past few weeks been looked forward to with pleasant anticipation and those who attended the first performance last evening felt fully repaid.

By the destruction of College Hall last December the holding of College functions has been seriously interfered with and unusual difficulties have had to be overcome. A place for holding the Musical Festival had to be provided and this was accomplished by the selection of the auditorium of the new Memorial Gymnasium. The fitting up of this room for this purpose necessitated a great amount of work and when completed the result proved highly satisfactory.

The large audience which filled to capacity the concert hall last evening to hear Miss Mildred Dilling, harp virtuosa, and Miss Valerie Deucher, song interpreter, enjoyed a musical feast, which for exquisiteness in tonal beauty has never been excelled in Wolfville.

Those who had the privilege of hearing Miss Dilling on a former visit to Wolfville were eager to hear her again and enjoyed the anticipated treat to the full on her second appearance. She again fully demonstrated that the grand harp may be made to compare winningly with the piano as a solo instrument and in some respects even surpass it. All her selections were delightfully rendered.

Miss Deucher sprang a most engaging novelty, with folksongs in costume. She possesses a mellow-soprano, ranging from C to B-flat, and she used it with interpretative gesture. The result was that with powers of interpretation quite like those of Yvette Guilbert, and racial contumacious, first in old French songs, second in American Indian and negro songs, and finally in old English songs, she delighted with gaiety and melted with pathos.

The program was as follows:

Bouree ..... Bach-St. Saens  
Fantaisie ..... St. Saens  
MISS DILLING

Old French Folksongs with Harp.  
Avec mes Sabots ..... Bretonne  
L'Angelus ..... Bretonne  
Ma Fille veus-tu un bouquet ..... Bretonne  
Le Petit Gregoire ..... Bretonne  
Le Cycle du Vin ..... Bretonne  
MISS DEUCHER

Song ..... MacDowell  
Claire de Lune ..... Debussy  
Danse Orientale ..... H. Cady  
La Source ..... Zabel  
MISS DILLING

Traditional American Songs.  
Invocation to the Sun ..... from the Zuni Indians  
By the Waters of Minnetonka ..... Indian Love Song  
Negro Spirituals.  
Swing Low, Sweet Chariot.  
Didn't it Rain?  
MISS DEUCHER

Prelude, C Minor ..... Chopin  
French Folksongs, arranged by Grandjany  
Et ron, ron, ron, petite patapon.  
Le bon petit roi d'Yvetot.  
Legende ..... H. Renie  
after the poem "Les Elfs" by  
Lecante de Lisle  
MISS DILLING

Songs of the British Isles.  
When Love is Kind ..... Old English  
Kitty of Coleraine ..... Old Irish  
'Would God I were the tender apple blossom ..... Irish tune from County Derry  
A Ballynure Ballad ..... County Antrim  
Oh! No John! ..... Old English  
MISS DEUCHER

Fantaisie ..... Dubois  
Harp and Piano  
MISS DILLING  
MISS DEUCHER

If one may judge by the expressions of appreciation heard on every hand at the close of the performance a bumper business should be expected at to-nights concert.

## ANNIVERSARY SERVICE

Orpheus Lodge, No. 92, I. O. O. F., will celebrate the 102nd Anniversary of the Order by attending divine worship in the Baptist church, Sunday night, May the 8th, at 7 o'clock. Dr. Boyle, President of Kings College, will be the preacher. All members of above Lodge and a visiting Brothers are earnestly requested to attend, meeting at Lodge Rooms not later than 6.40 o'clock.

Since 1830, the Independent Order of Odd Fellows has paid for relief over \$200,000,000.

The Grand Lodge of the Maritime Provinces of Canada is now raising a fund of \$60,000 with which to establish an Odd Fellows Home, and a collection will be taken at this service to go to that fund.

## Town Council

Holds Regular Monthly Meeting—R. W. Ford Appointed Town Clerk

At the regular monthly meeting of the Council on Wednesday evening the only absentee was Coun. Shaw. Mrs. Moore, who has been kept away from a number of late meetings by illness was able to be in her accustomed place and take part in the business of the evening.

For the Streets Committee, Coun. Sutherland reported verbally on work done during the month on Earncliffe and Westwood avenues and Park street and on Victoria Locust and Seaview avenues at a cost of \$54.70.

Coun. Nowlan, for the Committee on Fire and Water, enumerated work done in that department in testing hose, repairing hydrants, etc., at a total cost of \$47.40.

Coun. Cox, chairman of the Sewer Committee, stated that \$85.25 had been expended by that department during the month.

Coun. Moore reported the cost of maintaining the poor during the month to be \$61.00.

In the absence of Coun. Shaw, chairman of the Finance Committee, Coun. Sutherland reported on the receipts and expenditures for the month of April. The debit bank balance at the end of the month was stated as having been \$15,292.15.

A letter was read from Mr. E. J. Delaney stating that he was tendering for the Bank of Montreal building and asking permission to move it to a lot on Front street. The proposition was discussed at some length and it was finally decided not to grant the request as it conflicted with the building by-laws of the town.

A petition was read from citizens of Central avenue asking that water and sewer connections be extended up that street. The matter was referred to the committee having charge of these services.

Citizens of Westwood and University avenues and Park street made a request for improvement on these streets, which request was referred to the proper committee.

The resignation of Mr. J. D. Chambers of the office of Chief Assessor, was read and on motion accepted.

The application of Mr. R. W. Ford for the position of Town Clerk at a salary of \$1,200 was read and on motion he was appointed to that position.

Mr. E. J. Delaney, representing the Wolfville Board of Trade, presented a resolution asking that the work of sidewalk improvement be proceeded with at the earliest possible date. This resolution was supported by a petition signed by the greater number of the owners of property in the section proposed for the work urging that the work be undertaken and agreeing to pay their proportion of the cost. A resolution was passed to the effect that the necessary data as to cost etc., be secured and the question of undertaking the work during the coming summer be decided upon at the next meeting.

Dr. Wheelock appeared before the Council with reference to a street or court property to be opened through lands on the East side of Highland avenue recently acquired by himself and Rev. E. S. Mason and laid out for building lots. The court will be fifty feet wide and 385 feet long and will be laid out and graded. It was decided that when the necessary work had been done the street will be taken over by the town.

A letter was read from Mr. J. R. Eaton offering to come to Wolfville and supervise town work during June and July for \$300 per month. No action was taken.

Mr. H. E. Fraser, chief of the Fire Department, addressed the Council with reference to better equipment. He urged the purchase of a better system of alarm and suggested that a "Federal Siren Alarm" operated by electricity be secured. The cost will be about \$500. The Council decided to make the purchase. Mayor Fitch and Chief Fraser were appointed to confer with the College authorities with a view to getting them to contribute towards the purchase of a Fire Engine for the town, at a cost of about \$9,000.

Messrs. J. W. Maxwell and Morgan Tamplin were appointed town auditors for the present year.

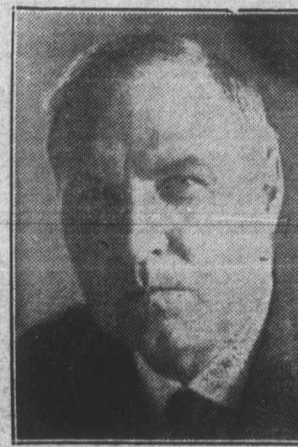

## MRS. PERRY COMMITTED FOR TRIAL IN JUNE

Before stipendiary Pelton at Yarmouth on Friday, Mrs. Clara Elizabeth Perry, charged with the murder of her husband, Captain George Perry, was committed for trial at the June sitting of the Supreme Court.

Mansfield Ross, whose case hinges somewhat on the above, came up before the Stipendiary on Monday morning for further hearing.

The College girls played a game of basketball with the Seminary girls on Tuesday evening, the former winning by the score of 16 to 1.

ARCHDEACON H. J. CODY

Rector of St. Paul's Church, Toronto, who recently declined to accept the archbishopric of Melbourne, Australia.

## DEATH OF WORTHY CITIZEN

The sudden death of Mr. John W. Vaughn, which occurred at his residence at about 10 o'clock on Monday morning, removes one of our oldest and most respected citizens, who will be widely mourned. Although well on in years the deceased was active and useful and a familiar figure on our streets. On Sunday evening he attended as usual the service of the Baptist church, of which for many years he has been a faithful and active member. Monday morning he rose at an early hour in order to prepare for the planting of his garden, which has always been a hobby and which he aimed to make the best in town. Evidently the unusual exertion was too much for him and he complained of a pain in his back, but declined the proffered help with his usual kindly smile. He entered the house, where Mrs. Vaughn found him a few moments later evidently in great distress. Dr. Elliott was summoned and shortly after Dr. Allan was also called in but nothing could be done and in a short time he passed away.

The late Mr. Vaughn was born in Cornwallis in December, 1846, and was in his 75th year. Of a family of eleven he is survived by one brother, Mr. C. M. Vaughn, of this town. When fourteen years of age the family moved to Wallbrook and since then the deceased has been a resident of this section except for a few years spent in the United States. In 1890 he came to Wolfville and built the building now occupied by the Maritime Telephone and Telegraph Co., where he carried on business for some time. He also later erected Evangeline Cottage, which was his home at the time of his death, and the residence of Mr. G. K. Prescott. Evangeline Cottage, under his care, has been a popular hostelry and later rooming-house.

Mr. Vaughn was a life-long advocate of temperance and a consistent member of the Baptist church. He was a good citizen who will be greatly missed. He is survived by his widow and one son, Mr. W. A. Vaughn, of Calgary, who is now on the way home to attend the funeral of his father.

The news of his death on Monday morning came as a severe shock to a host of friends who sympathize deeply with the bereaved ones. It is expected that the funeral will be held on Sunday afternoon, at 2.00 o'clock.

We are not going to perdition because we dance, but we are travelling the wrong road when we permit abuse of the dance.

Channel, N. F.,  
May 2nd, 1921.

To William Grant Esq., M. D.  
Dear Doctor Grant:—On behalf of the people and General Public of Channel and Port Aux Basques and vicinity, on this the eve of your departure from our midst, and as a token of appreciation for your faithful services as our Physician for twenty years, we ask your acceptance of this Travelling Bag and Walking Cane, as a token of our affection.

Your high character, integrity, and zeal have not only won and held the esteem and confidence of your friends and of those brought into immediate contact with you, but have radiated far and wide, and have made your name a household word on this coast.

With these Souvenirs let me on the part of those whom I represent, wish you Mrs. Grant and your family, Health, Happiness and Prosperity in your new Home.

ROBERT T. SQUAREY,  
Stipendiary Magistrate,  
Channel the 2nd Day of May, A. D., 1921.

The Dominion government entomologist, after examining the fruit buds in Annapolis Valley, reports that he has never seen them looking better. Unless some serious weather conditions are encountered he is satisfied that this year's crop will run to 1,500,000 barrels, with every possibility of reaching the 2,000,000 mark. All early indications point to a bumper crop.

Wolfville, N. S.,  
May 3, 1921.

## To Prospective Car Buyers:

As dealer for the Mitchell car I beg to take the liberty to ask you not to buy any car until you have had the new 1921 Mitchell demonstrated to you. There are many new features embodied in this car which are only found in more expensive cars. Motor driven tire pump, Timken roller bearings in front and rear wheels, Thermostatic control and Cellular radiator, costly Chrome nickel heat treated gears and Vanadium steel shafts, Alemite grease system, are only a few of the outstanding superior qualities which the worthy Mitchell has.

Before you buy any car write or phone we for a demonstration, The Mitchell which I am using for demonstration is the five passenger model. When you consider that the prices quoted include a spare tire I am sure you will feel that the price is reasonable.

Trusting that I may have the pleasure to demonstrate this car to you, I beg to remain,

Yours respectfully,  
W. W. HOLMES,  
P. O. Box, No. 94, Tel. 76-3.

PLEASE PASS THE APPLES

When every pool in Eden was a mirror That unto Eye her dainty charms proclaimed. She went undraped without a single fear or Thought she had need to be ashamed. 'Twas only when she'd eaten of the apple That she became inclined to be a prude. And found that evermore she'd have to grapple With the much debated problem of the nude. Thereafter she devoted her attention. Her time and all her money to her clothes. And that was the beginning of Convention. And modesty, as well, I do suppose. Reactions come about in fashions recent. Now girls conceal so little from the men. It would seem, in the name of all that's decent Some one ought to pass the apples round again.

—Exchange.

In the sweet silence of the twilight they honeymooned upon Main street. "Dearest," she murmured trembling, "now that we are married I—I have a secret to tell you!" "What is it, sweetheart," he asked softly. "Can you ever forgive me for deceiving you?" she sobbed. "My—my left eye is made of glass." "Never mind, lovebird," he whispered gently, "so are the diamonds in your engagement ring."

Everybody should do something to add to the appearance of the street they live on. Germany doesn't get much sympathy from the man who just paid his income tax.

Notice

The By-laws of the Wolfville Electric Commission, as approved by the Provincial Legislature of Nova Scotia, have been printed in pamphlet form, and those interested can now secure copies by applying at the Town Office.

It will be noticed that these By-laws require that application shall be made, and permit secured, for any electric wiring, whether new work, extensions, or repairs, to be done within the Town of Wolfville. Forms of application for such permits can be secured by property owners requiring electrical work done on their own premises, and by Electrical Contractors, at the Town Office. Permits will be issued for all properly filled in applications, unless the Commission find good and sufficient reason for refusing.

Also, by these By-laws, the Electrical Superintendent employed by the Commission is appointed Electrical Inspector for and in the interests of the Town of Wolfville. His services are free within the town, in all cases regularly requiring an inspector; but, if cases become frequent wherein improperly executed work necessitates more than one trip of inspection, provision will be made for a charge for each trip of inspection necessitated after the first regular inspection. The regulations of the National Board of Fire Underwriters, which is the standard of the Nova Scotia Board of Fire Underwriters, is the standard for the town of Wolfville, and all new work must strictly comply with them before being passed by the Inspector.

Signed: WOLFVILLE ELECTRIC COMMISSION.

A Splendid Tonic for Weak People

Dr. Williams' Pink Pills Act On The Blood and Nerves

Food is as important to the sick person as medicine, more so in many cases. A badly chosen diet may retard recovery. In health the natural appetite is the guide to follow; in sickness the appetite is often fickle and depraved. Proper food and a good tonic will keep most people in good health. Dr. Williams' Pink Pills are a fine tonic medicine, harmless and certain in their action, which is to build up the blood and restore vitality to the run-down system. For growing girls who are thin and pale, for pale, tired women, and for old people who fall in strength, Dr. Williams' Pink Pills are an ideal tonic. Thousands have testified to the benefit derived from the use of this medicine, among them is Mrs. William Galie, Hantsport, N. S., who says: "Before I began the use of Dr. Williams' Pink Pills I was so weak and run down that I could hardly do my work. I often suffered from headaches and was very nervous. I then began the use of Dr. Williams' Pink Pills and I can truthfully say I found them the best medicine I have ever taken. You may depend upon it I will advise other sufferers to take these pills."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

WHEN THE GERMAN WON

A somewhat typical Boche was brought into prison camp in France in which an Englishman and an American were on duty. One day a skunk sneaked into the camp and entered a small building the American bet the Englishman that he could not remain in the building ten minutes with the skunk. The bet was taken and the Englishman went in. In six minutes he came out. The American was challenged to enter on the same terms. He went in and came out in five minutes. The Boche who had witnessed the defeat of the Englishman and the American, offered to bet that he could remain inside with the skunk for ten minutes. His bet was taken and he disappeared within. In exactly one minute the skunk came out.

FEWER CANADIANS IN UNITED STATES

WASHINGTON, April 25.—During the last ten years, the number of Canadians resident in the United States has fallen off 87,501, compared with an increase of 27,000 in the previous decade. According to statistics just given out by the census bureau there are now 1,117,136 Canadians living in the United States.

French Canadians number 367,681, and show a loss of 77,402 in the ten years, while Canadians of other origin number 809,455, and show a loss of 10,099. Germany, Austria, Ireland and Russia, natives of which made up more than 59 percent of the total foreign born population of the United States ten years ago, showed heavy losses, the aggregate falling off being two millions.

This result is believed to be largely due to the year, with its consequent exodus of belligerent nationals, and the stoppage of immigration.

Germany leads as the country of birth of the foreign born in the United States, with 1,683,298. Italy ranks second with 1,607,458, and Russia third with 1,398,999. Poland occupies fourth place with 1,139,578, an increase of 195,797 in the ten years, while Ireland is fifth, with 1,035,680.

Canada comes sixth, and England seventh, with 812,414, a decrease of 65,305 in the decade.

Sweden continues to hold eighth place with a total of 624,759 and Austria is ninth with 574,959. Scotland has a total of 254,482 and France 152,051. Newfoundland and Australia showed increase.

ATWELL.—At Westwood Hospital, to Mr. and Mrs. J. R. Atwell, on Thursday, April 28, a son Ronald Maurice.

Minard's Liniment Co., Limited.

Sirs,—I have used your MINARD'S LINIMENT for the past 25 years and whilst I have occasionally used other liniments I can safely say that I have never used any equal to yours.

If rubbed between the hands and inhaled frequently, it will never fail to relieve cold in the head in 24 hours. It is also the best for bruises, sprains, etc.

Yours truly, J. G. LESLIE, Dartmouth.

AGE

On one occasion a census clerk, in scanning one of the forms to see if it had been properly filled out, noticed the figures 120 and 112 under the headings "Age of father, if living" and "Age of mother, if living."

"But your parents were never so old, were they?" asked the astonished clerk. "No, was the reply, "But they would have been if living."

How much good could a hoodoo do, if 't were hoodoos who do good. What size shoes do Jews crews choose, When Jews' crews go on cruises? If a saw-horse saw what a sea-horse seas, Would a see-saw see what a wood-saw saws.

It may be true that the profiteers will now get what is coming to them, but they have already got what's coming to us.

Ask for Minard's and take no other.

Every Can of B-H Adds Value to Your Home!

A Tempting Offer to Sell the Old Home

If well preserved, an old family residence always possesses an extra valuation over and above its property value. It is something which a new house can never claim, and the man who is fortunate enough to inherit the home of his forefathers, knows that proper surface protection means, ultimately, a higher selling price. A comparatively small outlay for paint is repaid many times over in the added value of your home as an investment.

B-H ENGLISH PAINT

70% Pure White Lead (Brandram's Genuine B-H) 30% Pure White Zinc 100% Pure Paint

The outstanding record of B-H "English" Paint's enviable reputation as a surface saver is its guaranteed formula right on the face of every can we manufacture.

These important basic ingredients (70% Brandram's Genuine B-H White Lead and 30% Pure White Zinc) give to B-H "English" Paint its remarkable covering capacity and durability—it ensures that your house will be covered with a smaller quantity of paint than you would have to use if you bought a paint of lower quality.

Do not be extravagant, therefore buy B-H "English" Paint, for then you will be sure of real economy and real surface protection.

Every Man in Business Knows WHAT HE HAS TO SELL

BUT DO OUR READERS KNOW?

**Tips For Motorists**

**OVER HEATING PREVENTIVE**

In cars that use the thermo-syphos cooling, the water system should always be kept completely filled. If the water level drops considerably, the circulation of the water will be reduced and may even be stopped altogether. With a pump system the pump continues to force the water through the system, regardless of how much or how little of the liquid there may be, but the circulation of the syphonic system is simply a natural flow and this is interrupted in case a considerable portion of the outlet pipe is empty, resulting in overheating of the engine.

**WISE USEFULNESS**

Not only is the heavy vise a valuable part of the garage equipment for its obvious service, but it may often be advantageously used for straightening bent parts. In doing this care should be taken to place the part to be operated on in such a way that the pressure comes against the support of the vise, as this obviates severe strain on the outer jaw and screw thread.

**CLEANING SEAT COVERS**

Seat covers may usually be cleaned very satisfactorily with a non alkaline soap and warm water. The best way to carry out the job is to take the cover off and give them a good scrubbing on the board.

**CLEANING BRASS CASTINGS**

Brass castings may be cleaned in a moment by dipping them into a solution of three parts sulphuric acid to three parts nitric acid, to which after they have been mixed is added a quart of common salt, the whole being stirred until salt has been dissolved. If this is placed in an earthenware vessel, the brass castings can be dipped in it, removed immediately and rinsed in clear water. The castings can be made as bright as new by this method, and there is little trouble involved.

**GLASS CLEARER**

It frequently comes in handy to know that a little bottle of kerosene and glycerine mixed in equal parts will clear the glass of the windshield of the rain drops and give clear vision ahead. This compound operates to spread the rain drops in thin even sheets all over the surface instead of letting it stand in globules

Minard's Liniment used by Physicians

**FRICITION COSTS A FLOCK OF MONEY**

**Elimination of Lost Motion Saves Many Dollars for the Motorist**

"It is a well-know fact among automobile engineers that friction and lost motion cost hard-earned dollars. Carelessness and neglect on the part of the automobile driver causes approximately 70 per cent of the loss traceable to these two enemies of the motor car or truck," says the expert.

"Friction as everybody knows means simply rubbing, rubbing, rubbing; if it is kept up it causes wear; wear causes lost motion; lost motion is something gone—lost completely. Some things are recoverable after being lost; not so with mechanical lost motion. It is impossible to get away from all friction; to eliminate friction in motor car construction to as great extent as possible has been the goal of the automobile engineers since the conception of this great means of transportation was thought of many years ago."

"From another standpoint, lost motion is the direct cause of riction, and this is the point that I wish to impress. A man becoming the owner of an automobile or truck should learn the different minor as well as major adjustments on his car, and as quickly as possible, and in this way keep behind the rattles and the knocks as they develop."

**MITCHELL IS CLASSY CAR**

One of the "classiest" cars seen on the Wolfville streets these days is the Mitchell, which is being sold by W. W. Holmes, of this town. The Mitchell Company are certainly turning out a car this year that is worth its value. In the 1921 models one notices many refinements and improvements which give every indication of extensively popularizing the Mitchell this year. The Mitchell Motors Co., Inc., of Racine, Wis., have been building cars for nineteen years, and for the past eleven years have been turning out six cylinder models. The front appearance of the new model has been especially improved, while a newly designed front apron and a strengthening bar that connects the two side members of the frame adds a touch of character that is only found on the higher priced cars. The front fenders are more full and better cover the inside front wheels. The fenders have the latest crown shape with edges wired for strength and neat appearance. All the 1921 Mitchells are equipped with the Almite High Pressure Lubricating System, thus making obsolete the old style grease cups. Lubrication can be taken care of without soiling hands or garments. Simkin bearings are used in both front and rear wheels.

She shrieked and moaned and tore her hair.

And cried in deep dejection, "My new dress won't be finished And tomorrow's the election!" —The Sun Dial.

**NEW AUTO AGENCY FOR WOLFVILLE**

The local agency for the Briscoe car has been secured by C. A. Bentley & Son, of the Wolfville Garage.

Briscoe cars have always had an enviable reputation for economy of fuel and tires; and the 1921 Briscoe more than maintains the records of its predecessors. First credit must be given, of course, to the famous Briscoe Motor, still further refined in this series. Its superior design and construction enable it to give full power with a minimum consumption of gasoline and oil.

The straight line drive through Thermoid universal joints that are mechanically held in absolute alignment delivers the power to the axle with the minimum loss. Absence of radius and torque rods reduces the amount of unsprung weight and eliminates all rigid connection between axle and frame—vital features in giving great tire mileage.

**LOW WATER**

Operating the engine without sufficient water or with no water at all, may result in injury to the spark plugs. To give service without cracking, the plugs must be properly cooled and provision for this is generally made in the water jacketing system. When the water runs low the plugs become hotter and there is great danger of their being damaged.

"Grey Sox" Tubes

"Red Sox" Tubes

**Cleaning Up Adjustments**

Adjustments on faulty tires rarely satisfy—they are annoying too, and take time. Except in the case of Ames Holden "Auto-Shoes"

Should the necessity for an adjustment arise on any Ames Holden "Auto-Shoe", an obviously honest effort will be made to meet you—frankly and fairly, without quibble or red tape.

**Personal Paragraphs**

Mr. Wray Townshend is home from the Dalhousie Law School.

Mr. and Mrs. W. H. Chase arrived home on Monday from a trip to Montreal.

Mr. J. R. Black, who has been spending some weeks in Chicago, returned home this week.

Mrs. Hugh Fowler left this week for Paradise, en route to Deep Brook where she will spend the summer at the Colonial Arms.

Mrs. Angus Murray arrived home on Tuesday afternoon after spending the winter in New York with her daughter, Mrs. Dodds.

Mrs. (Dr.) McKenna was an over Sunday visitor at Bridgetown, the guest of her friend, Mrs. Primrose. She returned on Monday afternoon.

Mr. and Mrs. C. W. MacKenzie and child, of Montrose, Colchester county are visiting at the home of Mrs. MacKenzie's parents, Mr. and Mrs. D. B. Shaw.

Mr. Geo. Nowlan arrived home from the Dalhousie Law School on Saturday. Yesterday he returned to Halifax where he has taken a position for some weeks.

Mrs. W. C. L. Bauld, of Halifax, returned home on Thursday morning, after spending a week in town, the guest of Mrs. B. O. Davidson. The many friends whom she made during her residence in Wolfville were very glad to again renew her acquaintance during her brief stay in town.

**TO VISIT WOLFVILLE**

Wolfville is to be visited next week by a party of delegates from the Canadian Good Roads Association which meets in Halifax on Tuesday, Wednesday and Thursday. It is expected that there will be five hundred delegates at the convention, coming from all the provinces of the Dominion, and including the premiers of some of the western provinces.

On Friday a party of three hundred of the delegates will leave Halifax by special train for a trip to Wolfville and Kentville, half coming to each place. The party will reach Wolfville at about 11.30, and after dinner at the hotels, will be taken for a motor drive through the Gaspereau Valley to Grand Pre, where they will entrain for Halifax. The Board of Trade is looking after their entertainment in Wolfville and all car owners are requested to assist with the loan of their cars.

**HYMENEAL**

The home of Mr. and Mrs. W. B. Burgess, Woodville, Kings County, was the scene of a very interesting event on Wednesday, April 27th, when their niece Miss Bertha Marjory White was united in marriage with Mr. Henry Alexander Russell, of Amherst.

The ceremony was performed at high noon by the Rev. T. H. MacFall, D. D., assisted by Rev. Charles Johnson, of Berwick.

Mr. Keith MacMahon efficiently rendered Mendelssohn's Wedding March. The bride, in the absence of her mother, Mrs. Lillian White, of Tompkins, Sask., was given in marriage by her uncle, Mr. William B. Burgess. She was very lovely in bridal robe of white silk georgette, on train, beautifully hand embroidered with crystal and pearls. The veil was draped coronet style, with wreath of orange blossoms. She carried a handsome shower bouquet of Bridal Roses and Carnations.

Her attendants were little Miss Katherine Faulkner, of Halifax, as ring bearer, and her cousin, little Miss Mary Burgess, as Flower Maiden. The former wore a dainty dress of white silk, with blue ribbon sash, and hat to correspond. The latter a pretty little costume of maize crepe georgette with turquoise ribbons and carried a basket of Mayflowers and Maiden Hair fern in shower effect. Trailing Arbutus formed the decorative scheme throughout. The bridal party stood beneath a floral and evergreen arch, and after the ceremony received the congratulations of about one hundred guests.

At 1.30 o'clock a tastefully arranged and most delicious luncheon was served. Attended by a large number of friends in automobiles, the happy young couple were motored to Kentville where they boarded the Halifax express, to visit various parts of the province, before going to their future home at Amherst Point, N. S. The bride travelled in a handsome tailored costume of midnight blue Tricotine with hat and accessories of grey.

The wedding gifts included costly articles of sterling silver, cut glass, beautiful linens and a number of substantial cheques.

The German Cabinet has resigned in view of the situation that arose in consequence of the reply of United States Secretary of State Hughes to Germany's counter proposals on reparations.

There is a merry fight going on at present among soap manufacturers. The result is that the leading brands of laundry soap dropped two dollars a box recently.

**TOWN FINANCE**

To the Editor of THE ACADIAN.

Dear Sir:—Through the columns of your newspaper I should be very glad to be given some information concerning the financial condition of the town of Wolfville. Formerly the year book told the citizens something of what was going on, but for the past few years this has been dispensed with. In the humble opinion of the writer this is one of the many instances of the "penny wise and pound foolish" policy of the present Council. If the town is insolvent it is certainly time that citizens were made aware of the fact. To my certain knowledge bills presented as much as four months ago remain yet unpaid. No reputable business concern would treat its creditors in this manner and citizens have a right to the facts. If the present Councilors have not necessary time to give to civic affairs they should resign and make room for those who have. The present state of affairs is not very satisfactory to those who would like to see "business methods" followed in civic affairs.

CITIZEN.

**[NORTH] GRAND PRE NOTES**

Mr. Elias Eagles went to Westwood Hospital, Wolfville, on Tuesday for treatment to an injured hand. We trust he will have a speedy recovery.

Mrs. Albert Mitchell, of Hortonville, is spending the summer at her old home here.

Miss Blanche Palmeter spent the weekend in Wolfville with Miss Jennie Tamplin. The usual Sunday night "Sing" was held at the home of Mrs. Gordon Allen, and was greatly enjoyed by those present.

**TENDERS**

**Less work and bigger crops with Planet Jr. implements**

"No gardener would do without a No. 4 Planet Jr if he would but try it. I would not take ten times its price and do without it," writes Isaac Kennedy, Owensboro, Ky.

Planet Jr implements are so well made that they not only do good work, but they last a lifetime. Fully guaranteed.

**No. 4 Planet Jr Combined Hill and Drill Seeder, Wheel-Hoe, Cultivator and Plow** does garden work so quickly, easily and thoroughly, that it pays for itself in a single season. Sows all garden seeds (in drills or hills) sows, opens furrows and covers them, hoes and cultivates all through the season. 32 other styles of seed drills and wheel-hoes—various prices.

**Planet Jr No. 8 Planet Jr Horse-Hoe and Cultivator** does a greater variety of work and does it more thoroughly than any other cultivator ever made. It has stronger, better construction. Its depth regulator and extra-long frame make it steady-running. Adaptable to deep or shallow cultivation and to different widths. 15 other styles of one-horse cultivators—various prices.

Call and see them.

We particularly recommend the following styles of PLANET JR. SEED SOWERS.

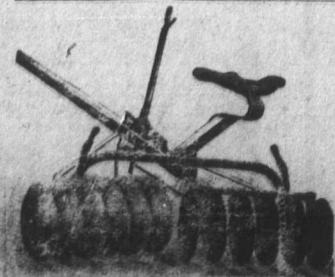

No's. 1, 4 D, 25 and 31.

Write us for illustrated catalogue. Prompt shipment from stock.

Seventeen or Fifteen 1 1/2 inch Lever Spring Tooth Harrow.

**Items of Local Interest**

Mrs. C. S. Barss has closed her home here for the present and went to Halifax this morning in order to be near Mr. Barss who is taking medical treatment in that city.

The friends of Mrs. (Rev.) G. W. Miller will be glad to learn that she is gradually regaining strength after her long illness. She is at present at Port Williams enjoying the hospitality of Mr. and Mrs. Bedford Chase.

Rev. G. W. Miller will preach on Sunday at Bridgetown, the Anniversary sermon for the Odd Fellows of that town. His pulpit will be supplied by Rev. G. T. Bryant, a former resident of Wolfville, at present pastor of the United Church at Bridgetown.

A fairly good house greeted the Majestic Players on Monday evening, in their last appearance at the Opera House. There was some good acting and many amusing situations in the comedy presented, "A Night Off", and the play was heartily enjoyed. The Players were given a good send-off when leaving Halifax and their occasional visits to Wolfville will be greatly missed.

**DIED AT HORTONVILLE**

The death occurred on April 23rd, at Hortonville, N. S., of Mrs. Harriet Parsons, relict of the late Andrew Parsons. The deceased was in her 85th year and was wonderfully bright and active for one of her age.

She was about her usual household duties when she was suddenly called to her reward. She leaves to mourn the loss of a kind and affectionate mother two daughters, Mrs. Fred S. Ford, Greenwich, and Mrs. Fred Parsons, Amherst; also three sons, Charles and Austen, Roxbury, Mass., and Joseph at home. Two aged brothers also survive her, Alex. Smith, Highbury, and Alfred Smith, North Alton. Her husband predeceased her seventeen years ago.

She had been a consistent member of the Baptist church for sixty years. She was a woman of sterling character and was greatly beloved by all who knew her.

The funeral was held on April 26th, at 2 p.m. The service was conducted by Rev. J. W. Manning assisted by Rev. Mr. Whitman, pastor of the Methodist church, Grand Pre. Cor. 1, 15 was read by Rev. Mr. Whitman. Rev. J. W. Manning gave a beautiful and touching address. The music under the direction of Miss Annie Patterson was beautifully rendered. The hymns sung were "Rock of Ages" and "Asleep in Jesus". Prayer was offered by Rev. J. W. Manning. The beautiful floral offerings testified to the esteem in which the deceased was held. The pallbearers were Messrs. S. A. Bowser, C. F. Dennison, G. P. Fuller and H. D. Fuller.

Fire losses in Canada during March 1921, according to the Monetary Times, aggregated \$2,112,200, as compared with \$1,793,200, in March 1920. This makes a total of \$7,085,600 for the first three months of 1921, compared with \$6,326,625 for the same period last year.

A disastrous fire occurred at Stewiacke, Colchester County, on Monday morning resulting in the loss of the big hotel, five stores, the Royal Bank building and several dwellings. The loss is estimated at \$100,000.

Since its introduction up to March 31, 1921, \$38,025,164.43 has been collected through the sales tax. Of this amount \$27,090,669.96 was collected on domestic sales and \$10,124,494.47 on importations.

**Coming Events**

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

The Board of School Commissioners meets at the Court House, Kentville, Tuesday, May 10th at 10.30 A. M.

There will be a meeting of the Cricket Club and all interested in the game at the Town Hall this (Friday) evening at 8 o'clock.

**"THE MAN ON THE STREET"**

"The Man on the Street" notes that the practice of sweeping and throwing waste paper and other rubbish on the streets is still indulged in and takes this opportunity to again raise a protest. Untidy streets and sidewalks are not a good advertisement either for the town or its citizens. There must be some way of suppressing this evil.

The quotations obtained by the city of Halifax on supplies for the City Prison, demonstrates to the satisfaction of "the Man the Street" that we are paying too much for many of the articles that go to make up our living. Bread, which sells in Wolfville at 13c. the loaf, was offered at 7½c. and milk, for which we pay 14c. per quart was quoted at 9.4-5c. Flour was quoted at \$10.40 per barrel for a six months supply, and butter at 37c. for dairy and 42c. for creamery quality. It looks as though local prices were due for a tumble.

In view of the splendid work being done in some localities by the Woman's Institutes, it would seem to be most advantageous to have such an organization in Wolfville. At least such is the opinion held by "the Man on the Street". There are numerous matters of community interest for which the women might unselfishly work and which besides furnishing a healthy excuse for their activities would also be most productive of Civic advancement. Funds provided for improved sidewalks and many other needed improvements which the ladies might provide would be appreciated.

**AN OLD RESIDENT**

While our recent article on "Wolfville in 1865" has failed to bring out the amount of comment we had hoped, a number of interesting items have been brought to our notice which will be referred to from time to time.

We learn that a former resident of Wolfville was the late Edward Trenholm, formerly of Grand Pre, who came here with his father to reside in 1828 and lived in the dwelling now occupied by Mr. E. C. Johnson. Mr. Trenholm lived in Wolfville for 21 years, and cut and hauled the material from which the old barn burned a few weeks ago was constructed. He later resided in the house now owned by Mr. C. M. Vaughn and moved from there to the place at Grand Pre, now owned by his son, Mr. George W. Trenholm, where he died in the 94th year of his age. He was a brother of the late Captain Trenholm referred to in our sketch, who also resided in the same house and was drowned at sea.

Canada is soon to have a nickel coin, and unlike the United States "nickel" it will be genuine, as it will be 100 per cent. pure, whereas the U. S. nickel coins contain 75 per cent. copper and 25 per cent. nickel. The new coin will be legal tender in Canada up to \$5.00.

**Getting Rid of Scarlet Fever "After Effects"**

(By G. J. Randell, D. C.)

Scarlet fever is most troublesome, especially in its after effects, which include deafness, weakness of the eyes, bad heart or weakened kidneys. Sometimes all of these after effects are present, sometimes only one or two of them.

Deafness is due to a catarrhal condition which can be corrected by adjustments. The heart weakness is directly due in most cases to weakened nerve impulses from the spine and sometimes it is affected by the failure of the kidneys to properly filter the blood. Chiropractic spinal adjustments will restore normal nerve impulses to all these organs and the sufferer instead of "nursing" these after effects, gets rid of them. Evidence could be cited to prove the efficacy of chiropractic in all these after effects, but one statement is sufficient.

**DEAFNESS GONE**

"For eight years or more I suffered from a catarrhal condition of the nose and throat. I became entirely deaf in one ear, and was fast losing the other.

I was thinking of going to Mayo Brothers when my daughter and some friends suggested Chiropractic. After taking adjustments my hearing improved wonderfully. I cannot give too much praise to Chiropractic."—Mrs. Ida Blanton, Chiropractic Research Bureau, Statement no. 1259L.

Why delay? Find out what Chiropractic can do for you.

APPLE ADVERTISING

The following resume of an address delivered to New York apple growers will be read with interest here, particularly as the same general principles apply to marketing.

"You apple growers furnish one of the most striking examples in this country of intelligent men failing to make use of the one thing that could turn disaster into success." George A. Cullen, vice-president of the North American Fruit Exchange, said a few days ago at a meeting of the New York Agricultural Society, at Albany.

"Why do California growers successfully invest \$750,000 in advertising to create an appetite for the citrus fruits, while New York growers invest practically not a cent to create an appetite for some of the finest fruit produced on the face of the earth?"

"Think of the Pacific Coast raisin growers investing \$500,000 a year in advertising, and the prune growers \$350,000, while the New York State farmers apparently try to keep it a secret that they produce the finest of seed potatoes and maple syrup.

"There is a further and exceedingly important use for advertising by the grower. That is in constantly keeping the customer informed when his products are available, or to be available, when they are abundant and when they are or should be relatively cheap at retail. This has real practical value in stimulating consumption.

"Why then does not the grower keep his public informed daily of the state of the market? Why should the department stores use about one-third of the space in each day's papers to tell their public about their goods, while the grower leaves it to some Government agency or other related crop report source to print the market quotations on perishable goods (of all things!) in some obscure corner of one page."

FIRST POSTAGE STAMP

April 23rd last was the seventieth anniversary of Canada's first postage stamp, designed by Sir Sanford Fleming and bearing the picture of the beaver, was first put on sale for the benefit of Canadian letter writers on April 23rd, 1851. The first issue of Canadian stamps were this three-penny, a six penny with the Prince Consort's picture on it, and a twelve-penny bearing a portrait of Queen Victoria. The six-penny was put on sale in May, 1851, and the twelve-penny in June, of the same year. Only 1,500 copies of the latter stamp were put on sale at Post Offices, though the Government received over fifty thousand copies from the printers. Where the rest went to no one seems to know. The twelve-penny is Canada's scarcest stamp, good copies of it now selling at from four to five hundred dollars.

Your bill for Rates and Taxes will be sent out first week in May.

On account of the large Bank Overdraft a ready response will be much appreciated.

Discount allowed.

H. Y. BISHOP,  
 Town Clerk.

**LOCAL STORE RUN ON MAIL ORDER PLAN**

**Would be Able to Compete in Every Way With Distant Store.**

The local merchant deserves to have the first opportunity of supplying the requirements of the district in which he is located. If the buyers at his store would be content to have him conduct his business on the same basis as a mail order house he would be able to compete with them in every respect. If Jones the merchant kept only samples and catalogues on his premises, and sold from these for delivery ten days later, cash in advance, he would be able to undersell the mail-order house.

Imagine going into the corner store for a pair of overalls. Jones exclaims "Yes, we will sell you a pair of overalls. Here is a picture of them. They will cost you the listed price plus the carrying charges from the manufacturer plus the cost of the postal order commission—and you can expect to get them in ten days' time. Call here and see if they have arrived in that time, but pay your money now."

If the local merchant conducted his business in that manner his customers would be indignant. But would he not be justified in doing so, for his largest com-

petitor transacts his business in precisely that way, and the same people do not object. They obtain a catalogue every spring. It is filled with pictures and listed prices. They select their purchases, write out an order for them, pay for a money order, wait ten days, go to the express office, pay the carrying charges and pack them home—and think they have done a good stroke of business.

When they do patronize their local merchant, it is to buy something they want in a hurry. They expect him to keep his shelves stocked with a variety of merchandise for their selection. They examine each article at will, order it delivered at their homes—and pay for it in thirty days' time, or when they are ready to do so. They expect the merchant to store goods for their convenience, to make deliveries, and finance their buying—and expect to pay nothing for the service.

Pat had died, and Mike, while seated with the rest of the mourners burst into laughter. "When he returned home his wife said—'What was the idea of laughing at Pat's funeral?'"

"Well about two weeks since Pat told me he didn't believe in heaven or hell, and while I looked at him lying there so peacefully, it just came to me that he was all dressed up and had no place to go."

**SPRING CLEANING**

(From the London Express.)

These are times when the minds of housewives turn inevitably to thoughts of spring cleaning. The domestic truce is broken, and woman—supreme and uncompromising—will invade and disturb every nook and corner sacred to the masculine heart. The husband will wander disconsolately about, unwanted, unhappy, his sense of comfort shattered by the ruthless weapons of spring cleaning warfare. His melancholy is too deep for utterance; the triumph of his wife complete! But, since brooding helps no one, why not let him indulge in a little clean-up for himself? A lot of decent citizens have accumulated far too much mental dust. Their thoughts have lost all brightness and their personalities are neutralized into a dingy, colorless, drab monotony. What about a little carpet-beating for the brain? What about a new supply of optimism and cheerfulness and alertness? Join your wife in the great spring offensive against dust!

Shopper—"I want to get a fashionable skirt."

Saleslady—"Yes, madam. Will you have it too tight or too short?"

A barrel of Purity Flour makes more, larger, lighter loaves than a barrel of ordinary flour because Purity Flour is milled to perfection from the famous, hard, glutinous wheat of Western Canada.

# GRAY-DORT

## The New Model

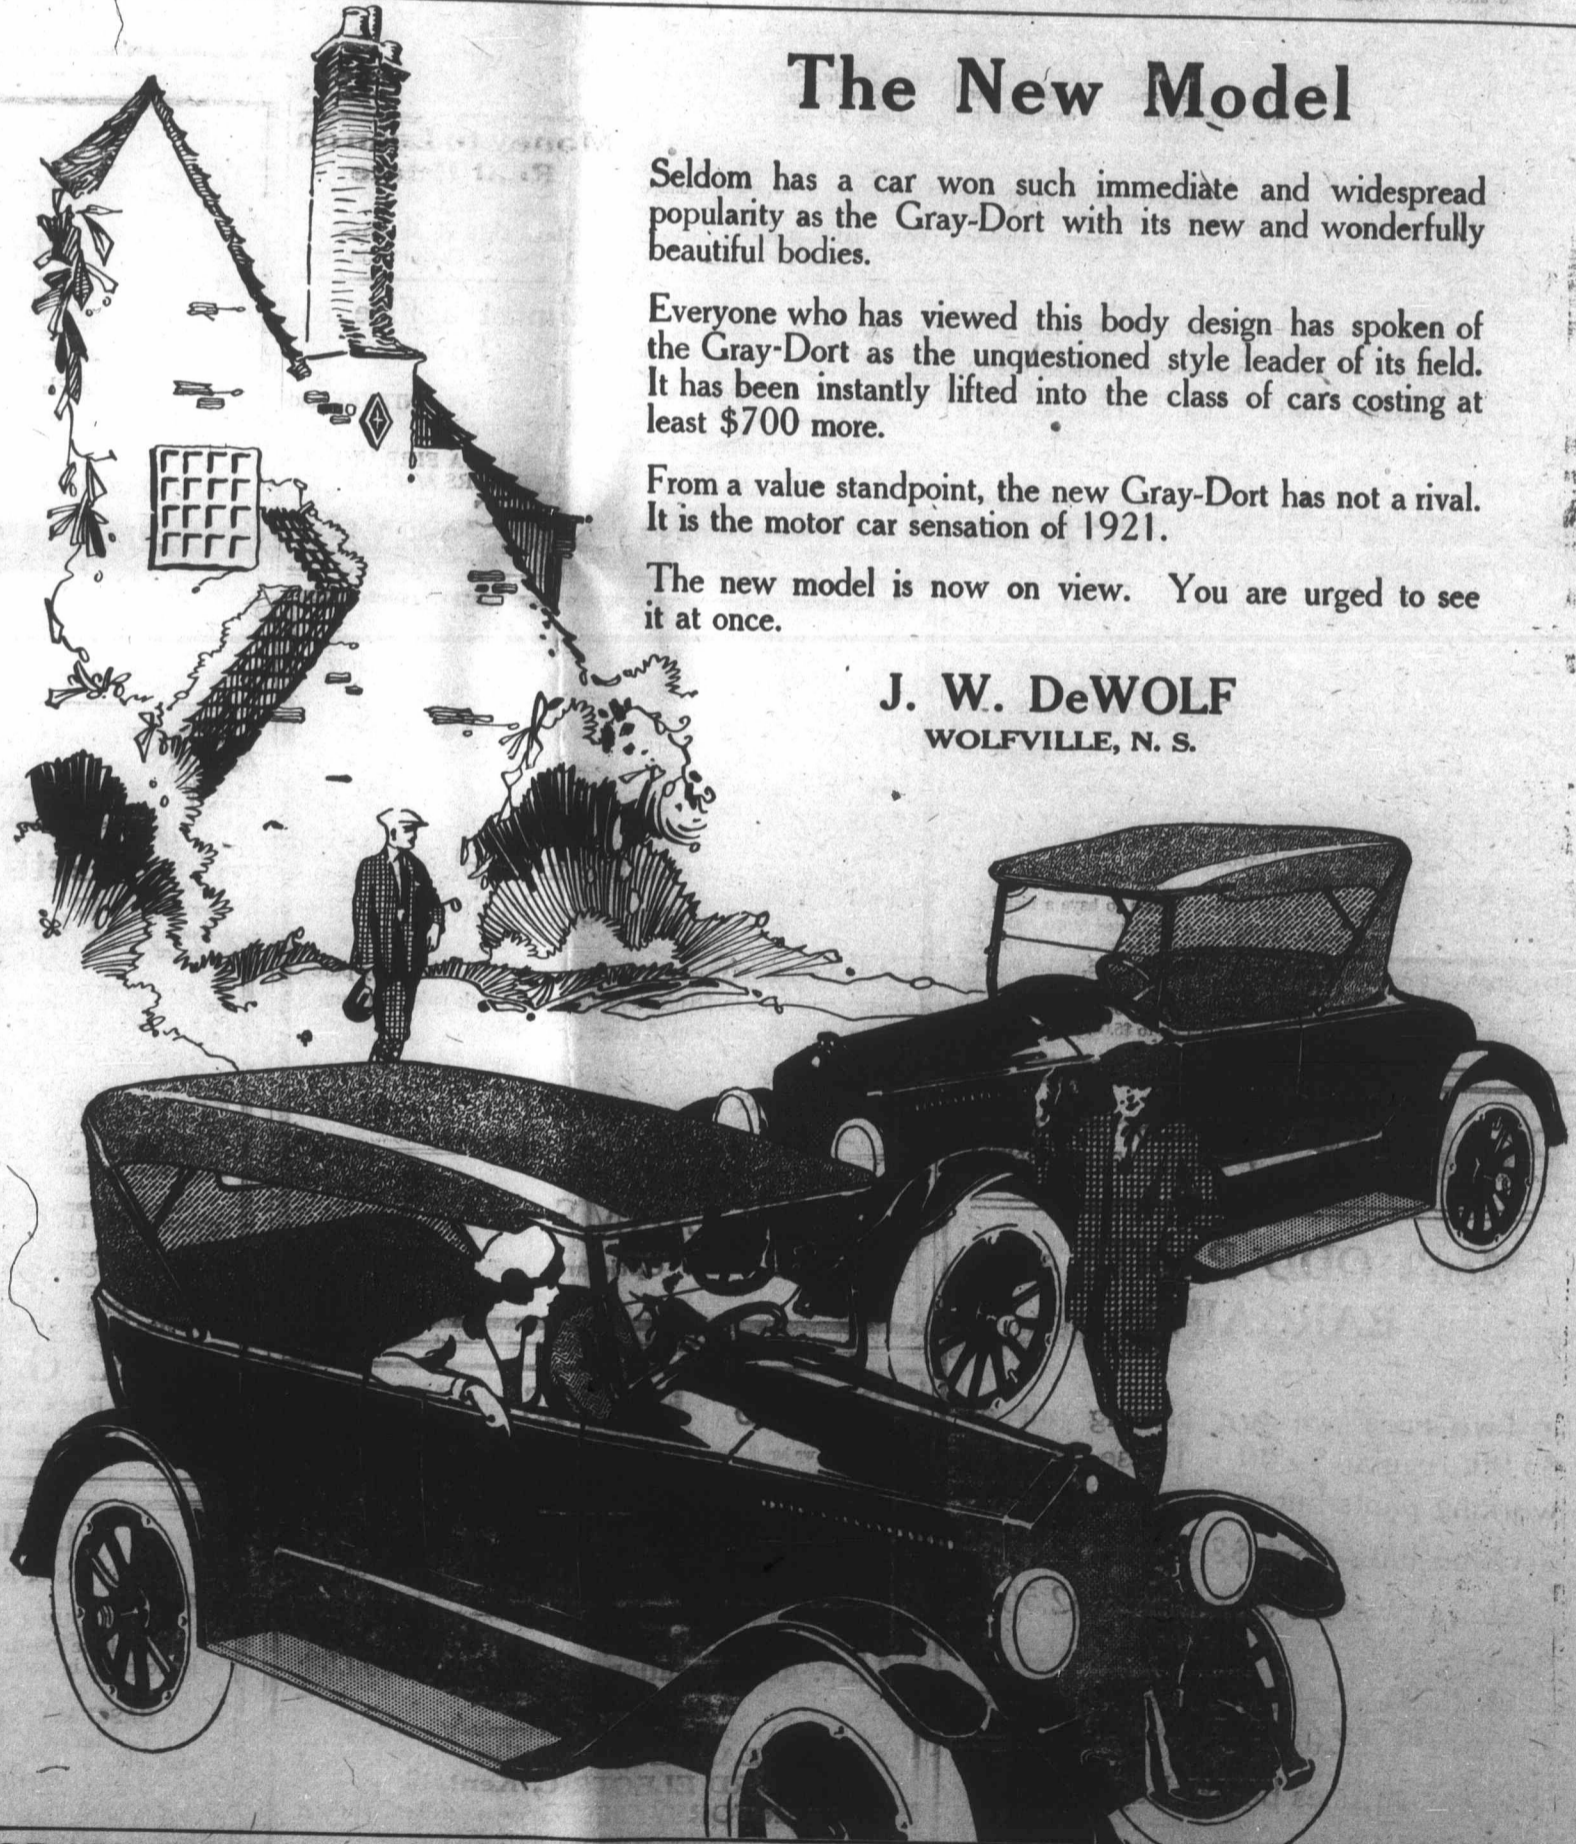

Seldom has a car won such immediate and widespread popularity as the Gray-Dort with its new and wonderfully beautiful bodies.

Everyone who has viewed this body design has spoken of the Gray-Dort as the unquestioned style leader of its field. It has been instantly lifted into the class of cars costing at least \$700 more.

From a value standpoint, the new Gray-Dort has not a rival. It is the motor car sensation of 1921.

The new model is now on view. You are urged to see it at once.

**THE CITY MANAGER**

The "city manager" idea in municipal administration has been given considerable thought in the past few years. It has been adopted by more than one hundred and fifty cities in the United States, and the general plan, with some variations, has been put into effect in a number of cities in Canada.

Canadian Finance, a journal devoted to financial and public affairs, in an article headed "Are You Interested in The Reduction of Taxes?" review the history and results of the city manager plan on this continent; its conclusion is that this method of administration is an economical and efficient system of handling civic affairs for both large and small cities. "The proof of the pudding," declares Canadian Finance, "is in the eating thereof, and our American cousins have eaten enough of this particular pudding to know what it tastes like."

Mr. H. S. Gilbertson, a well known expert on municipal affairs, writing in the Montreal Star on this subject describes what he calls "the Dayton way of city efficiency" as follows:

1. THE PEOPLE elect on a non-partisan ballot—  
2. THE COUNCIL, a representative body of citizens, usually five or seven in number, who serve without pay, or for merely nominal salaries, and give simply the time needed for council meetings. They hire, and have the power at any time to fire, the—

3. CITY MANAGER, a non-political sub-executive, who is their agent and subordinate and who appoints and supervises, the—

4. DEPARTMENT HEADS, who in turn appoint and supervise—

5. THE RANK AND FILE of the municipal administration, under the usual Civil Service rules.

Mr. Gilbertson adds that business men will be quick to see its likeness to a corporation.

"It is the only way to organize anything, whether it be an afternoon picnic or a great industry. The feature of the plan is its straightforward simplicity. No lines criss-cross. Responsibility is clear-cut and undivided."

The Calgary Herald, commenting on the city manager plan, says: "There are still some citizens who think that a city's business cannot be administered by a skeleton organization similar to that of a large industrial corporation. On the other hand, there is a growing conviction that the municipal methods so generally accepted in the past can be improved upon, with results which will prove highly satisfactory to the taxpayers."

**ADVERTISERS' MISTAKE**

"One mistake most readily made by an advertiser who is not a deep student of the subject is to curtail or omit his customary expenditure for advertising in periods of dullness or uncertainty; whereas that is the time for a forced march.

The keener the competition among producers or sellers and the less eager or more diffident the consumers, the greater is the need for additional activity by the advertiser. This is the time of times to use newspaper advertising."

**Speaks Highly of Baby's Own Tablets**

Once a mother has used Baby's Own Tablets for her little ones she is always pleased to speak highly of them to other mothers. She knows the good they have done her children and realizes that her experience should be of benefit to others. Concerning the Tablets Mrs. Fred Murphy, Charlotte town, P. E. I., writes: "I have used baby's Own Tablets for the past eight months for my baby. I cannot speak to highly of them for they have been of great assistance to me in my first experience of motherhood." Baby's Own Tablets are a mild but thorough laxative which are absolutely harmless and may be given to even the newborn babe with perfect safety. They are sold by medicine dealers or direct at 25 cts. a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The valuation of Truro's property for assessment purposes is about \$4,500,000.

**THE ACADIAN**

(Established 1883)

Published at Wolfville, N. S., every Friday by

**DAVIDSON BROS., Printers and Publishers**

Members of the Canadian Weekly Newspaper Association.

**Subscription Rates**—In British Empire, in advance, \$2.00 per week. To U. S. A. and other countries \$2.50 per year.

**Advertising Rate Cards** and information respecting territory and samples of paper mailed upon request, or may be seen at the office of any advertising agency recognized by the Canadian Weekly Newspaper Association.

**Advertisers** must have copy in by Tuesday noon in order to insure changes for standing advertisements. New display advertising copy can be accepted one day later.

**Correspondence**—Letters addressed to the Editor and intended for publication must be short and legibly written on one side of the paper only. The longer an article, the shorter its chance of insertion. All communications must bear the name of the writer, not necessarily for publication. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

**WHY NOT?**

Citizens who heard the selections by the College band in front of the Opera House last Friday afternoon, on the occasion of the I. O. D. E. lecture, were reminded of the attractive open-air concerts given during summer evenings a few years ago by the Scout band. The wish was freely expressed that a repetition of these concerts might be had during the coming summer. We noticed that the greater number of the players on Friday were Wolfville boys, most of whom, it is understood, will be in town during the summer, and the instruments are all the property of the town. We are fortunate, too, in having among our citizens, a gentleman well qualified to train and lead a band, to whom Wolfville already owes much for freely-given efforts along this line. The time seems opportune for re-organizing the band, and if this could be accomplished along the lines we suggested, the result would be of real benefit as well as pleasure to all. Every citizen should be willing to do a little to encourage and support such an undertaking and we feel sure such would be the case. THE ACADIAN hopes to be able to report progress next week.

Referring again to the need of a better enforcement of the law regulating the running of motor vehicles in Wolfville THE ACADIAN begs to point out to the civic authorities that some assistance ought to be given the officer in his work. We believe that if properly equipped the policeman could bring in a goodly amount from fines and at the same time make our streets safer for all concerned. The purchase of a motorcycle for patrol service and a stop-watch for keeping tab on the traffic might incur considerable expense, but we believe would be amply justified by the results obtained. It is certainly up to the authorities to secure a better enforcement of the law than now exists and citizens expect them to "get on the job". Every day the law is knowingly violated by dozens of people and the evil can only be cured by a strict carrying out of the regulations governing the use of the streets. The public safety is too important to admit of any delay in getting at this work.

**PROPOSED ATHLETIC GROUNDS**

Some time ago THE ACADIAN suggested a solution of the problem of a suitable locality for an athletic ground for Wolfville in the vacant lot north of Main street at "the bridge". At the time little attention was paid to the proposition but of late the idea has again been brought up and is receiving considerable support. The situation is most central and those qualified to judge give the opinion that if sufficient filling in and grading was done ample room for baseball and other sports would be provided. This work ought to be done at any rate as the location referred to has already been too long a disgrace to Wolfville. The present seems a most opportune time for activity along the line suggested in order that a much needed provision be made for town athletics and at the same time an improvement effected that will add greatly to the attractiveness of our town. Here is a chance for real public-spiritedness on the part of citizens an opportunity to show our civic patriotism that should not be allowed to pass. Our sister town of Kentville recently voted twelve thousand dollars for acquiring and fitting up athletic grounds and considerably less than that amount would provide ample accommodation for athletics in Wolfville and at the same time make changes that would add thousands of dollars to the value of the town. Go to it!

Isn't it about time that something was done towards having replaced the electric lights in front of the Government Building, which were put out of commission by an electrical storm last autumn? It looks very much as if someone who ought to be busy was "loafing" on his job. There is no doubt but that these lights might have been in operation long ago if the matter had been properly handled by the local authorities.

In the current number of The Canadian Bookman there is an article, "Librarianship as a Profession," and a poem, "The Burial," by Mrs. Mary Kinley Ingraham, Librarian and Instructor in Library Science at Acadia University.

Add to your telephone directory the name of F. W. Woodman, 140-3.

**APPRECIATIVE ADDRESS GIVEN MISS PALMETER**

(From Halifax Herald.)

Yesterday Miss Palmeter, who is resigning her position with H. H. Marshall to the sincere regret of her associates of the staff, had some proof of their regard. There was given in her honor a theatre party, followed by a supper at the Tarry Inn, the latter being the occasion of the presentation of a gift, accompanied by an address in which full expression, was given to the sentiments of her friends.

The address said in part: "We feel that in you we have a true and faithful friend and one who has always been interested in our well-being and we wish to assure you that the spirit of our friends is and kindly interest which has characterized your intercourse with your co-workers is fully reciprocated by them and that in leaving this establishment you will leave behind you a coterie of ardent admirers and well-wishers."

(Miss Palmeter, who is a daughter of J. Everett Palmeter, of North Grand Pre, is to spend some time at her home.)

**Know A Good Repairman?**

Ever neglected shoe repairs because you did not know where to take them?  
It's not economy—to do that.  
You can have your work done right here in a way that pleases.  
Try us—and be your own judge.  
We repair children's shoes—work boots—all kinds of jobs—carefully and promptly.  
You can have **NEOLIN SOLES**—we apply them. They add longer life to the uppers and preserve the shape and form of the shoe.  
Very conveniently located—we await to be of service to you.

**G. D. JEFFERSON, Wolfville**
