objectionable suitor i said Margaret, as if she had heard in his speech only those words she repeated.

'If not objectionable, why have you shaken him off?

'I have not shaken him off. A cruel misunderstanding has parted us.'

'I will believe that when you explain to me what the misunderstanding was. Your complete and persistent silence on this point has long since convinced me of what I always suspected, that you covered your side of the said of the silence and endurance in her silence with him, she would not marry the man who had robbed into the marry the man who had robbed into the marry the man who had robbed in the marry the man who had

When, therefore, Marigold came to er that evening, creeping into her rms, and begging to be taken home gain, and when it appeared that she ad been turned out of doors by the quire for refusing to receive Siriarley Winshrop as a lover, then, ndeed, Mrs. Meadows rejoiced, and ost no time in sending a short note o Dangerfield, making him fully ware of the state of the case.

To Lance, however, the news did ot bring all that joy which she had opped it might. Sitting at his deak, tudying the letter with a stern face, e said to himself that he had never, xcept, perhaps, in his hardest moments, accused Margaret of throwing im over for worldly reasons. He new it was only that her heart had sroved a traitor. With her generous riews of things she would now try o soothe her conscience and atone or her fault (if her fault it was rather han her misfortune) by refusing to ollow her own inclination. Though he had broken with him, she would not marry the man who had robbed him of her affections. Such conditions.
