SQUIBOGRAPHS.

Since his return from a hunting trip in New Ontario the provincial secretary has decided that his new liquor act does not apply to the taking of moose horns.

A London firm gave away a box of false faces Halloween. They were in great demand among the witnesses in the election bribery trial.

"Tip not lest ye be tipped" is the latest order posted up in the G. T. R. conductor's van.

Bring down the old storm door
Nail it hard and fast
The good old summer time is o'er
Winter is here at last.

If we had the Panama canal over here our legislators would hitch it on to the Ditches and Water Courses Act with a few amendments.

"After the Ball," hummed the impetuous young man, as he shook the campbor out of his last year's ulster.

In India the judges smoke while on the bench, and some Canadian decisions read like pipe dreams.

There are eight editors in the new French cabinet and most of them can write.

If Hearst is elected Governor of New York Buster Brown will be appointed secretary of state, Happy Hooligan, big house inspector, the Captain, superintendent of the Erie canal, and the Katzenjammer kids state school superintendents.

J. J. ROSS, who recently purchased Geo. Field's general store at Napier, has been appointed postmaster of that place. Mr. Field has removed to Strathroy.

It is announced that J. R. Steadman of Wyoming village and his brother-in-law Elmer Duncan, now of Winnipeg, will shortly open a general store in St. Thomas.

MEN'S fur lined overcoats and imitation fur lined from \$20.00 to \$35.00.—SWIFT BROS.

ONE of the best known hotel men in the west passed away on Tuesday in the person of George Webster, proprietor of the Franklin House, Forest, in his 55th year. The funeral took place Thursday with Masonic honors.

THE Watford High School Football team visited Forest on Thursday of last week and lost to the home team in a well contested game by a score of 1-0. The return game will be played in Watford on Thursday of next week.

THE death took place in Detroit on Monday, Oct. 22nd, of Mrs. McPherson, wife of Mr. Angus P. McPherson, formerly of Alvinston. Mr. McPherson's old Watford friends regret to hear of his bereavement.

"LOOK, mamma," said small Dorothy, "here's a hole in my stocking as big as a dollar." "Oh, it isn't quite that large, dear," rejoined her mother. "Well," continued Dorothy, "it's as big as 90 cents, anyway."

OUR delayed shipment of Haviland china has arrived and we can show you some choice patterns at reasonable prices. Have you looked over our stock of "Royal Vienna," the prettiest decoration of the season.—N. B. HOWDEN.

THE latest rumor is that the Grand Trunk will double their track line from Stratford to the Goderich dock with oak ties and 80 lb rails, that is 80 lbs. to every three feet. Larger engines are to be put in service and there will be an average of 45 cars to the train.

MRS. ROCHE, Mrs. O'Meara and William Roche, Warwick St., had a narrow escape from asphyxiation by coal gas Tuesday morning. By some means the gas escaped from the base burner, and the inmates are still suffering from its effects, but are now out of danger.

THE largest and best sable scarf in the market for \$17.00 spot cash.—SWIFT BROS.

SUNDAY was Jubilee Sunday in the Anglican churches in the Diocese of Huron, in Trinity church the rector reviewed the progress of the church during the past half century. A pamphlet by the Bishop of Huron, "What the Church of England Stands For," was distributed to the congregation.

THE windstorm of Saturday evening will be long remembered as one which for fierceness, and the length of time it endured, has hardly ever been equalled in these parts. It certainly was a wild night in which to be out, and only those who had to be were on the streets. The merchants report the dullest Saturday trade in years.

YOUR price is ours on any shoe in stock.—MCDONNELL & SON.

THE spreading of a rail on the main switchline at Strathroy Saturday night caused eight freight cars to jump the track and tear up the roadbed for a considerable distance. Agent Sadler soon had the auxiliary from London on hand and things made right. No damage was done to rolling stock.

LADIE'S coats, two lots this week, and another lot for Saturday. The latest.—SWIFT BROS.

HEAVY LOAD.—Farmer Carroll, of Diava, brought in a load of wheat the other day that for quantity looks like a record single load for the season. The wagon had on when weighed at the Saskatoon Milling & Elevator Co's scale, 121 bushels. About fifteen miles was the distance it had to be hauled. Seventy-five to eighty bushels is considered a good sized load.—SASKATOON PAENIX.

THE liquor license inspectors have been instructed by the license department of the Ontario government to see that the provisions in the act in regard to fire escapes are fully carried out. This instruction is due to the loss of life in the Gilmore hotel fire at Ottawa. The act provides for fire escapes from even two storey buildings if the inspector thinks the regular means of exit are insufficient.

ONE of the largest financial deals in Sarnia in many years was arranged on Monday and Tuesday when the whole stock and assets of the Huron & Lambton Loan Co. were purchased by the Lambton Loan & Investment Co. The purchase price was \$468,000. In the combination, the paid-up capital will be \$700,000 and the reserve over \$500,000. There will be no decrease in the dividends.

THERE is more truth than poetry in the following item culled from a city contemporary: "The farm help famine is still acute. The farm boys are in the cities clerking for \$5 to \$10 a week; and the farm girls are typewriting and clerking for \$5 a week and both boys and girls are paying board out of slender salaries while their mothers and fathers on the farm are paying strangers as money as the boys and girls receive in wages and boarding."

WE are headquarters for guns, rifles and ammunition. See our single barrel shotgun, special at \$5.25.—N. B. HOWDEN.

THE remains of the late Mrs. John F. Aitken, whose death occurred in Winnipeg on Oct. 23rd, arrived in Watford Saturday morning and the funeral took place in the afternoon from the residence of W. D. Cameron, Erie St. The service was conducted by the Rev. E. B. Horne. Mr. Aitken and two daughters accompanied the remains down from the west.

Mrs. Aitken was in her forty-sixth year and is survived by her husband and three daughters. The sympathy of many Watford friends is extended to the bereaved.

TAX COLLECTOR MITCHELL will be at home Monday's for the convenience of those wishing to pay their taxes.

AUCTION sale of 25 extra choice dairy cows at the Roche House, Saturday afternoon. Last chance this season.

A LOAD of delegates from town attended the W.C.T.U. convention in Alvinston on Thursday of last week.

WE learn that Mr. J. Bambridge, of this place, whose car of horses and effects was badly damaged in a collision at Indian Head, Sask., has secured a satisfactory settlement of loss with the C. P. R.

WE are showing the best underwear in Ontario, full sized and unshrinkable from \$5 to \$1.50.—SWIFT BROS.

THE Barnett Bros. Comedy Co. presented the three act comedy "Uncle Dudley from Missouri," before a good audience in the Music Hall Friday evening. There was very little to the play, but the company made the best of it, and kept the audience in good spirits. The Co. is above the average, and would appear to better advantage in a play that would give them more of an opportunity to show their talent. "Uncle Dudley" and his Missouri comedians left for Strathroy on Saturday morning.

WE are bound to sell out every pair of shoes in the store, drop in and see prices.—MCDONNELL & SON.

Rev. Fr. Quinlan, of Strathroy, united in marriage on Wednesday morning last at All Saints' church, Miss Margaret Carnody, of Kerwood, and Mr. John O'Neil, a prosperous young farmer, of Warwick. The bride was attended by her cousin, Miss Mae Healy, of this town, and Mr. E. B. Donnelly, of Wainstead, ably supported the groom. The bride was given away by her uncle, Mr. James Healy, and the wedding march was sweetly rendered by Mrs. H. Mee. At the conclusion of the ceremony the wedding party repaired to "The Pines," the home of the bride's uncle, where a dainty wedding breakfast awaited them. The happy couple left in the evening for their future home, 4th line of Warwick.

SOCIAL EVENT.—Mrs. George Chambers gave a "At Home" at her residence Front Street, Thursday afternoon in honor of her sister, Mrs. Charles B. Hathaway, Palmerston. The hostess wore a dainty blue crepe de chene gown, and Mrs. Hathaway wore pale green voile. Roses and carnations decorated the rooms and the prettily arranged tea table was in charge of Mrs. Thompson, Miss Ella McLeod, and Miss Aggie Williams assisting. Among the guests were Miss Brown, Sarnia, Mrs. Fitzgerald, Mrs. Newell, Mrs. J. C. Auld, Mrs. T. B. Taylor, Mrs. Lamont, Mrs. Gillis, Miss Thompson, Miss LaVerre Muxworthy, Mrs. A. Mitchell, Mrs. Noble Howden, Mrs. Abbott, Mrs. Chester Howden, Mrs. Moore, Mrs. William Mitchell, Mrs. D. Maxwell, Com.

A SNAP in men's ordered suits, 47 lengths to choose from, regular \$18.00, for \$16.00 and \$15.00 if you pay cash, on sale Saturday.—SWIFT BROS.

RE-OPENING services were held in the Watford Methodist Church on Sunday last. The interior of the church has been in the hands of the decorators for the past three weeks and presents a greatly improved appearance. The ceiling has been paneled, pews painted and grained, and the whole interior presents a bright, cheery appearance. The work was done by our local decorators, Hughes & Miller and reflects great credit on their artistic skill and good workmanship. The church officials are well pleased with the way in which the work was performed. It was expected that the Rev. W. L. Pearson, of Strathroy, would preach, but on account of the disagreeable weather the arrangements were changed, and the pastor, Rev. S. W. Muxworthy, conducted the services, preaching appropriate sermons morning and evening to large congregations. The choir provided special music, a pleasing feature of the musical service was the fine rendering of a number of vocal solos by Mr. Charles Russell, tenor, of Petrolen. Mr. Russell possesses a splendid voice, of great range and purity, and renders his selections with a clearness of enunciation and power that greatly delighted all who heard him. The collections for the day amounted to \$225, which, with some uncollected subscriptions, will about defray the expense incurred.

OUR groceries are always fresh, clean and up to the minute. We sell only the best and try to deliver promptly. Give us a trial and we will do the rest.—N. B. HOWDEN.

JUDGMENT IN FAVOR OF WATFORD.

The following decision was handed out by Chancellor Boyd at Osgoode Hall on Monday.

MCGREGOR v. CORPORATION OF WATFORD.—Judgment (L.) in action tried without a jury at Sarnia. The Chancellor retains the opinion expressed at the trial that the road in question is a public highway, subject to the jurisdiction of the municipality. Action dismissed with costs. One set of costs to be taxed to the two defendants, but two counsel fees, senior and junior. J. R. Logan and T. G. Meredith for plaintiff. Hanna, Lesner & Price for defendant Kelly; J. Cowan & C. for defendant Corporation of Watford.

The death took place at her home in Strathroy last week of Margaret, relict of the late Frederick Schram, in her 58th year.

ECKHARDT FAMILY SWISS BELL RINGERS.

Music Hall Thursday Nov. 1st.

This family of high class musical entertainers will appear in Music Hall Watford, on the above date. They are expert performers on the following: Swiss bells, musical glasses, aluminum chimes, marimbophone, musical rattles, bottles, etc., etc. They carry the largest set of musical glasses in America. They have recently added another octave to their peal of bells, and are playing entirely new selections this season.

This will undoubtedly be one of the most unique and artistic entertainments ever presented to the public of Watford. Admission, adults, 25 cents; children, 15 cents. Doors open at 7.30, entertainment to begin at eight o'clock. Proceeds in aid of Public Library.

HIGH SCHOOL COMMENCEMENT CONCERT.

The Watford High School Commencement was held in the Music Hall on the night of the 1st inst under very unfavorable conditions.

A heavy rain and wind storm continued all day lasting until the shades of night were ushered in, preventing the numerous friends of the school from putting in an appearance. This, with entertainments and rumors of entertainments, very materially militated against a large attendance. In spite of these adverse conditions the house was comfortably filled and the elite of the citizens were there.

The Chairman, Mr. Potter, opened proceedings by referring to the splendid standing of the school during the present and former years. He then called upon Rev. Mr. Muxworthy who presented the successful candidates present with their certificates, and gave them some sound advice coupled with commendation. The recipients were: Senior Teachers, Miss G. Fuller, D. McPhedran, M. Mitchell, W. Squire, Junior Teachers, V. Bambridge, L. Muxworthy, M. McIntyre, B. Mitchell, R. Rivers, E. Thompson. Miss Hume followed with an instrumental which brought out clearly her high musical attainments.

Two solos by Mr. Morrow, a duet by Messrs. Mitchell and Prentis, a trio by Messrs. Mitchell, Morrow and Prentis. All rendered in excellent style elicited hearty applause from the audience.

These gentlemen, with their accompanist, Miss Hume, proved a most valuable acquisition and contributed more to the evening's pleasure than any single professional singer could have done.

Miss LaDell's selections were gems. This was her third appearance in Watford within five years under the auspices of the High School. Her reception was fitting in the extreme. Her "Child Maturity" was marvellously true to nature, and her rendition of "The Highland Brigade" a master piece. She is without doubt, in her particular line, the most talented artist that has yet appeared before a Watford audience.

The singing of the National Anthem brought to a close an interesting and delightful entertainment.

Miss Hume was a most efficient accompanist.

Death of Mrs. Hyland.

The Seattle Times of Oct. 10th has the following obituary notice:—"Mrs. Mary A. Hyland, wife of Rev. P. E. Hyland, curate of St. Mark's Church, and a pioneer of the Northwest, died last night at her residence 1417, Seventh Avenue West, aged 68. The funeral took place the following Monday from St. Mark's Church. Ivan L. Hyland and Herbert A. Hyland of Seattle are her sons. She leaves two daughters, Miss R. M. Hyland and Mrs. W. T. Hepper, of New York. Mrs. Hyland came to this country from Ireland and settled in New York. She has been engaged in missionary and church work ever since. In 1861 she married Rev. Mr. Hyland in San Francisco. Later they went to Pt. Townsend and Olympia. They also engaged in church work in Blain and Ballard for a number of years."

Many old friends of the family in Watford and Warwick, will be sorry to hear of her bereavement. Mrs. Hyland was a former rector of Watford and Warwick parishes, leaving here for the West about eighteen years ago, and Mrs. Hyland was highly esteemed by all who knew her.

PERSONAL.

Mrs. Dr. Hicks is visiting relatives in Lucknow.
Dr. Reid, Wyoming, spent Sunday at his home here.
J. F. Elliot, Sarnia, was a Watford visitor Wednesday.

Miss Sarah Auld left this week for New York city to resume her duties as housekeeper in the Vanderbilt home, Fifth avenue.

Lee Aylesworth, of Guelph is spending a week visiting at his old home here in company with his friend Mr. Bert Gillett, of London.

R. A. Finlayson, who set type on the first paper ever published in Watford, is now manager of the Waldorf Hotel in Detroit.

D. McDonald and F. Johnston, London, are in town this week soliciting shareholders for the organization of a new Accident Insurance Company.

WATFORD COUNCIL.

Special meeting of council October 23rd. Members present, Hume, Fowler, Hamilton, and Saunders.

Mr. George Chambers was heard in respect to corporation scales.

Fowler—Hamilton, that this council accept the proposition of George Chambers to remove the village scales to his property on the north side of Ontario street and place them in a suitable position, erect a covering and put them in first class condition, pay all expenses, keep them in order and repair for a period of ten years, Chambers to have the use of the scales for his own private weighing and to have one half of fees charged for public weighing making returns quarterly to the village treasurer and to enter into an agreement with the corporation and give them a lease of the ground for ten years with a good and proper road of egress and ingress thereto all to be done and kept in first class condition without any expense whatever to the corporation. The scales to remain and be the property of the corporation, Chambers to furnish a weighman for all public weighing.—Carried.

Two Crops of Peas.

Kingston, Ont., Oct. 29.—Two crops of peas in one season is an unusual thing for this climate. What is more remarkable is that the second crop was grown from the seed of the first crop. John Moulton, of John street, Gananoque, shows a handful of the second crop, the peas fully matured, and the pods of good size.

Grand Trunk Fleet.

London, Oct. 28.—The Grand Trunk Pacific is about to place orders here for several large cargo and passenger boats for service on the Atlantic and Pacific.

MOTHER, SISTER AND BROTHER

Died of Consumption, but this Linden lady used Psychine and is strong and well

"My mother, brother and sister died of consumption," says Ella M. Cove, of Linden, N.S., "and I myself suffered for two years from a distressing cough and weak lungs. I suppose I inherited a tendency in this direction?"

"But thank God I used Psychine and it built me right up. My lungs are now strong. I enjoy splendid health, and I owe it all to Psychine."

Consumption, whether hereditary or contracted, cannot stand before Psychine. Psychine kills the germ, no matter how it attacks the lungs. Psychine builds up the body and makes it strong and able to resist disease. Psychine is an aid to digestion and a maker of pure, rich blood. The greatest giver of general health is

WATFORD, OCT. 26, 1906.

Britannia Rules The Waves.

The British admiralty within the past few months has sprung a surprise and thrown other naval powers into consternation. The first coup was the launching of the Dreadnought the greatest battleship in the world. It was the first application of the turbine system for this class of warship. Furthermore, it has a speed of 23 knots an hour, or three knots greater than any other battleship, and an armament of eight 12-inch guns, or six more than any other craft afloat.

The second surprise is still more overwhelming. It is now announced that the three supposed armored cruisers, which have been building in the Clyde, and are nearly completion, are in reality first-class battleships, four knots swifter than the Dreadnought and its equal in gun energy. They will be faster than the fastest German, French or American battleship, and even faster than the fastest cruiser. While the naval experts of continental Europe and the United

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the blood is in proper condition. Correct any constipation by giving small laxative doses of Ayer's Pills. All Vegetables, sugar-coated.

tates have been declaring that the turbine is not practicable for battleships, the British admiralty has quietly forestalled them by adopting it and by demonstrating its success in the trial trips on the Dreadnought. So carefully has the admiralty guarded its designs that its latest achievements have come as a thunderbolt to rival sea powers. The United States navy department has been for a year planning to outdo the Dreadnought and had secured and appropriation for a 20,000-ton vessel, but the new British battleships will be in commission before the keel of the American monster is laid.

Climate All Right.

Considering how grossly our Canadian climate has been abused, we may be excused for observing that, while other countries regarded as more blest by providence than this Dominion have been suffering from earthquakes, cyclones, toronados or snowstorms, our country has been basking in a genial sun and unvisited by any convulsion of nature. It is not for us to glory over those who are suffering from all sorts of visitations, but it is a thing to be thankful for that while our climate inures us to steady variation and produces a strong and providing race, it is the best in the world for health and longevity and that we are singularly free from convulsions of any sort.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it to be incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's catarrh cure manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials.

The Outlook.

With the rise in the prices of buttes and eggs comes the rise in other things.

Wool maintains high values, there is no slump. Stocks are light. Buying is careful and present values must be maintained.

Cotton—The expected reduction has not come. Prices have gone up in face of the new crop coming round. America still dominates the position and demand is good.

Silk—Prices have advanced since August and are now firm, with good business booked months ahead.

With the above conditions abroad, Canada's six millions of people don't make much impression on the 450 millions in "The Empire," and some 500 millions outside, as regards values. Let us look abroad when we size up such questions and take our proper position. Our own prosperity and purchasing power are the measure of our capabilities in trade. The country is prosperous, and prices are as a consequence high. The farmer's wife who is getting 25 to 30 cents a pound for butter can afford to buy as well as sell at full market rates.

Struck By Lightning.

Neatly describes the celerity of Putnam's Corn Extractor. Boots corns out in short order. Causes no pain, leaves no scar, and gives perfect satisfaction. Remember there is only one "best"—That's Putnam's—fifty years in use.

McPHEDRAN—McNISH.

A social function of more than usual interest took place Wednesday morning at eleven o'clock at "Elm Grove," Lyn, the residence of Mrs. J. McNish, when her youngest daughter, Maud Louise, was united in marriage to Dr. Archibald George McPhedran, B. A., of Stroud, Ont. The ceremony was performed by the Rev. Mr. Pocock, of Lyn, in the presence of about fifty guests a number of them from a distance. The house was prettily decorated for the occasion, with cut flowers and ferns, and the arch under which the bridal party stood was made of evergreen and bright autumn leaves. The bride, who was given away by her brother, George McNish, wore a handsome gown of cream tulle over taffeta, trimmed with embroidered chiffon, and carried a bouquet of white roses and lilies of the valley. The bridesmaid, was Miss Alice Tompkins, of Brookville, who was dressed in cream voile with touches of pale blue, and carried a bouquet of deep red roses, and maiden hair fern. Dr. M. S. Gowland, M. A., of Milton, Ont., a former class mate of the groom was best man. After luncheon Dr. and Mrs. McPhedran left at 2.30 and will visit several western cities before taking up their residence at Stroud. They were followed by the best wishes of their numerous friends. The large number of beautiful presents testifies to the esteem in which the bride was held. The guests included Mr. and Mrs. A.

McPhedran, Wanstead, Ont.; Miss Jessie McPhedran, Wanstead; Miss Nicholson, Trenton, and a number from Brookville.—Brookville Times, Oct. 25th.

The Flannel Time.

When the summer season comes,
And we softly lick our thumbs
As we pick the wild strawberries sweet
and prime,
In the far ten-acre patch,
It is sweet but doesn't match
The heavenly, delicious flannel time.
When the leaves are falling, falling,
When the tax collector's calling,
And there's nothing much more precious
than a dime;
When your getting in your coal
And there's trouble on your soul,
That's the happy and hilarious flannel
time.

Oysters! Ah! you're sore,
That fees cost much more;
You feel that you are perpetrating
crimes,
As her appetite increases
And your pocket goes to pieces,
In the kistful and uproarious flannel
time.
For a week the flannel prickles you,
It titillates and tickles you,
It isn't half as smooth as this wee
rhyme,
You're rosy for a while—
"God bless the great Argyle!"
In the interesting, scratchful flannel
time.

Be a Strong Man.

Increase your vitality and nerve energy, restore vim and force to your overworked body. Ferronze will do this as it did for Walter Wood of Beauport, N. B., who writes: "I can say that Ferronze has given me a new lease of life. A year ago I suffered from nervous exhaustion I was scarcely able to drag myself around. My appetite was gone I had no color or ambition and felt used up. One box of Ferronze started me back to health. I took a number of boxes and my health was completely restored." For men who are tired, pale, nervous and thin blooded nothing compares with Ferronze, 50c per box at all dealers.

The Forest Fruit Growers and Forwarding Association are shipping to the Old Country market an average of five car loads of prime apples each week. These apples are all graded and sorted by the Association, and obtain the highest prices in the British market.

IT WILL PROLONG LIFE.—De Soto, the Spaniard, lost his life in the wilds of Florida, whither he went for the purpose of discovering the legendary "Fountain of perpetual youth," said to exist in that then unknown country. While Dr. Thomas' Electric Oil will not perpetuate youth, it will remove the bodily pains which make the young old before their time and harass the aged into untimely graves.

Last Sabbath Rev. Mr. McMullen, of Alvinston, informed his congregation that he had just been appointed assistant editor of the Christian Guardian, which would necessitate his removal to Toronto in about three weeks. Owing to the many changes which have occurred in the Alvinston pulpit during the last few years, the Chairman of the District will endeavor to send a permanent supply to Alvinston to fill out the Conference year.

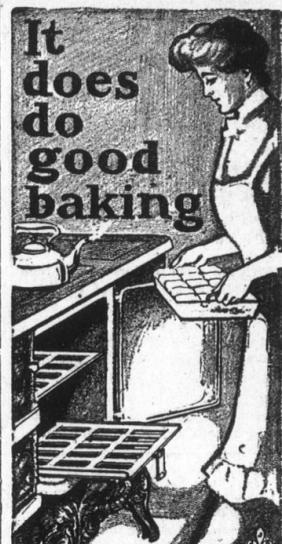

Do NOT DELAY.—When, through debilitated digestive organs, poison finds its way into the blood, the prime consideration is to get the poison out as rapidly and as thoroughly as possible. Delay may mean disaster. Parmelee's Vegetable Pills will be found a most valuable and effective medicine to assail the intruder with. They never fail. They go at once to the seat of the trouble and work a permanent cure.

Mrs. B. Gruenfeldt of San Francisco, Cal., is paying a visit to her mother, Mrs. D. D. Campbell 4th line Adelaide. Archie Jamieson, formerly of Forest town, but now station agent near North Bay, had rather an exciting experience one evening last week. Had just completed his labors for the day and was proceeding down the railway track to his boarding house, when he met a good sized black bear. Mr. Bruin made ready for a fight, but Archie says he was the best runner. After securing a rifle and a partner they returned and captured the prize.

It does do good baking

This is the range that bakes better because the diffusive oven five draws in cold air from the kitchen-floor, carries it around the oven, and pours it HOT down into the oven FROM THE TOP in a current that moves all round the whole oven and up and out the flue. When that clean, hot air leaves the oven it takes with it all the moisture, all the odors, which in OTHER ovens stay in and saturate the baking food. Perfect draft control, perfect oven, draw-out oven rack for easy baking,—all points singular to

Imperial Oxford Range

Owning one costs little because there's such great economy of food and fuel and bother with this range.

It saves its cost in the juices it doesn't bake out of roasts alone.

SICK WOMEN
MADE WELL.
 Thousands Find the Way Back to
 Health Through Ferrozone.

No need so many sick girls and women.
 Their ills are curable if they give them
 proper treatment.
 Nutrition must be supplied, blood must
 be enriched, nerves strengthened, and ad-
 ditional power given to digestion.
 Ferrozone does this and more: it cures such
 cases as Mrs. N. E. Peabody, of Trenton.
 She was a wreck,—never thought medicine
 was made that could restore her, yet Ferro-
 zone was successful.
 Among her troubles were:
 Headaches, Weakness,
 Nervousness, Loss of flesh,
 Palpitation, Poor appetite
 Dizzy spells

HER STATEMENT.
 "I was stricken with nervous disease of
 the heart and stomach. Violent headaches
 made life a torture. I was so nervous and
 weak I could scarcely walk. Work was
 impossible. I couldn't eat or digest any-
 thing. When completely wrecked Ferro-
 zone restored me. To-day I am vigorous
 and strong and well."
 If you lack power of either mind or body
 it's an evidence you need Ferrozone.
 If you have nervous spells, feeling of
 weakness in the limbs, tiredness in the
 morning, you are sure of cure with Ferro-
 zone.
 Think of it, Ferrozone gives back the
 energy of youth, restores vital stamina and
 creates a surplus of vigor simply because it
 supplies the concentrated nourishment your
 system needs. 50c. per box or six for \$2.50

No Irish Halfbreeds.
 "I see," said the Proper Fool, "that
 one of the mounted police has had quite
 a trip through the arctic. He came
 across a Scotchman up there who had
 married an Esquimaux." "I raise to remark,"
 put in Mister McGaberty, "that he found no Irish-
 min up there maird t' squaws. There's
 English half-breeds, an' there be Scotch
 half-breeds, but, by cripes, ye never saw
 an' Oirish half-breed!"
 "The Oirish is mighty pertickier who
 they 'sociate wid, so they are. Oirish-
 man that would marry a colored woman
 would be disowned be the whole nation,
 so he would. His mother wud die uv a
 broken heart, so she wud, an' his sisters
 wouldn't spake to him on the street, so
 they wouldn't."
 "No matter where the poor Oirish goes
 they hunt up a white woman annyways,
 an' the childer do be white an' mostly
 red-headed, so they are, and some uv
 them hev freckles on thim. Ye never
 saw freckles on a half-breed, so ye didn't
 —an' a red-headed mulatty would be a
 proper curiosity."
 "Oireland may be poor, but she's
 white, so she is. She may be down-
 throdden an' prosecuted, but she's white
 —she's white!" I haven't got nothin'
 agin colored folks, whether they be black,
 or red or yallah; but as Oirish won't
 marry thim, an' that's an ind to it. The
 English, an' the Frinch, an' the Scotch
 are welkim to him, so they are, but noth-
 in' in ours, thank ye kindly.
 "The worst Oirishman in the wor-rid
 may be as black as the devil inside, but
 he's got a white pelt annyhow, an' that'll
 stan' him in good stead whin Gabriel
 blows his bugle, an' don't ye forget it, me
 riend." —The Khan.

Select Your Medicine With Care.
 In debility and weakness medicine should
 be mild and far reaching. Many pills and
 purgatives are too harsh, are drastic instead
 of curative. Excessive action is always
 followed by depression, and knowing this,
 Hamilton devised his pills of Mandrake and
 Butternut so as to mildly increase liver and
 kidney activity, flush out the elementary
 canal, tone and regulate the bowels. Thus
 do Dr. Hamilton's Pills eliminate poison
 from the body, restore clearness to the skin,
 bring strength and that sweet restorer of
 health—sleep. Best medicine on earth,
 25c per box at all dealers.

Ten New Engines.
 The Grand Trunk is now using no less
 than ten engines of what is known as the
 "Ten Hundred Class" on the middle
 division, between Toronto and Sarnia
 Tunnel.
 Some of the engines are used in the
 passenger service on the old main line,
 between Toronto and the tunnel, via
 Stratford and London, and via Hamilton
 and London.
 The new locomotives are very similar
 in appearance to those of the 900 class
 but they have an advantage in that they
 are capable of making better time al-
 though they cannot haul as heavy a train.
 They are now used regularly on the East-
 ern Flyer and the International Limited.

One of The Saddest Stories.
 First it was a cold, neglected of course
 and catarrh developed. Nothing was done
 and consumption followed. Watch the lit-
 tle cold and keep it from growing by using
 "Catarrhzone." Nothing simpler than in-
 haling the germ killing vapor of this
 grand remedy. Colds and catarrh flee
 as before fire. Every trace of throat
 and bronchial trouble yields immediately.
 Catarrhzone is scientific and absolutely
 guaranteed for preventing and curing
 catarrh and kindred ills. Two sizes,
 25c and \$1.00 at all dealers.

HARRIS & CO. PUBLISHERS

WATFORD, OCT. 28, 1906.

WARWICK.

Dr. Geo. L. Smith and bride, Hammond, Indiana, are spending a few days at the doctor's old home in Warwick.

In the report of the assessor of the Spurr property in Manitoba last week the item should have read eight, instead of twelve thousand dollars.

W. J. Glass, second line, returned this week from a two month's trip through the Canadian West. Mr. Glass thinks well of many parts of the district he visited.

The anniversary services of the Zion Methodist Church, 2nd line, S. E. R., Warwick, will be held on Sunday, Nov. 11th, 1906. Rev. R. I. Warner, M. A. D. D., Principal Alma Ladies' College, will preach at 2.30 and 7 p.m.

Mrs. Charles Hawkins departed this life at her residence in Warwick, on Monday, October 22nd, in her forty-sixth year. She was born in the Township of Adelaide, County of Middlesex, and removed to this township with her parents, Mr. and Mrs. R. Wilkinson, now of Warwick Village. Twenty-nine years ago she married Mr. Charles Hawkins. She leaves a husband and three sons, Albert, Edwin and Robert, and one little daughter, Mary, to mourn her loss. She was a church member in its true sense, showing by her consistent Christian life a living faith in the Saviour and her last days were peaceful. She was always a genial companion, a true friend, a generous and earnest worker in missions and other charitable objects. On Wednesday last the remains were laid to rest in St. Mary's church cemetery. A very large circle of friends showed their respect and sympathy for the bereaved by attending the funeral service. It was conducted by Rev. F. G. Newton and Rev. W. H. Shore.

BROOKE.

There are four cases of fever in one family on the town line, Enniskillen.

A. C. McIntyre, of London, is spending a few days at his old home in Brooke.

The agitation in favor of commuting statute labor tax in this township is receiving the hearty support of all who are interested in the permanent improvement of our highways. Municipalities who have adopted this method would not return to the old system for any consideration. Brooke should get in line with the good roads movement. Petitions asking for commutation are now in circulation. Help the movement along.

The Late Mrs. Sullivan of Adelaide.

Rachel Sullivan, whose maiden name was Clark, was born in the township of Metcalfe in the year 1870. At the age of 17, she entered the Strathroy Collegiate where she spent the ensuing year, during which she secured several honor certificates for remarkable proficiency in the various subjects and succeeded in obtaining the much coveted silver medal offered to the pupil securing the highest standing in general proficiency for the term, and within the year succeeded in passing the non-professional examination fitting her as a teacher. She taught in the Adelaide village school for two years and the following year taught in the Kerwood school after which she returned to her home in Metcalfe where she was united in marriage in the autumn of 1891 to Wm. Sullivan of Adelaide. Her bright sunny disposition and rare tact soon won for her hosts of friends in her new home. Although assiduously attentive to her manifold home duties she never lost an opportunity to help any who were in sickness or distress. The wandering stranger or the homeless one never appealed to her generosity in vain. She entertained them as friends and never allowed a hungry one to pass her door unaided. Although her life has gone out in the bright forenoon of life, she leaves behind a record of unselfish Christianity rarely equalled and well worthy of emulation. In the community in which she lived her

place will be hard to fill. In her home that she loved so well her loss is irreparable. She leaves behind a husband and six children to whom she was devotedly attached. Her father and mother will miss her cheering words in their declining years. She leaves only one sister, Mrs. Truman Sifton of Enniskillen. Her six brothers-in-law, Messrs. P. Anderson, Jas., John and Edwin Sullivan, Geo. Cawthorpe and Truman Sifton, acted as pall-bearers. The many beautiful flowers comprising wreaths pillows and various designs with which the casket was covered bore silent testimony of the esteem in which she was held by those who knew her best.

The funeral services were conducted by the pastor Rev. Mr. Kemster, assisted by Mr. David Jury, and Rev. Mr. Muxworth, of Watford.—Age.

mitted to the electors at the next municipal election.

In the discussion that followed the reasons for making the request were in substance as follows:

That while the roads are improving under present conditions the improvement does not correspond with the money and labor spent on them.

That the same amount of money and labor under the control of a single able officer would produce much greater results.

That while to the pioneers under whom the system developed a "day" meant a day's work, at present on some of the "beats" the required number of days are put in with as little exertion as possible.

That while some of the beats do their work, others do not, this leaves patches of road out of repair and is unjust to those who keep their portions in repair.

That a system by which a pathmaster is changed from year to year does not allow a continuous plan of improvement to be carried out.

That some pathmasters, not having studied the best methods of road making, wasted much of the labor under them.

That the Provincial Commissioner of Highways strongly recommends the abolition of the statute labor system.

That in over 25% of the townships his advice has been taken with very satisfactory results.

That considering the present cost of labor one dollar per day should be considered a fair value at which to commute the statute labor roll of the township.

The deputation were assured that the council sympathized with their efforts to improve the condition of the roads and were requested to circulate a petition and have it presented at the November meeting.

It is understood that such a petition will be circulated in the near future.

Hallow E'en.
Every Thursday is poultry day in Arkona.

Thomas Bradley is confined to the house this week through illness.

Mrs. Boynton and daughter, Miss Maggie, of Parkhill, visited friends here this week.

Alex. Towle met with a bad fall at the evaporator on Friday last which will lay him up for a time.

Miss Pheobe Williams left on Saturday for London, where she has secured a position in Chapman's.

Mr. and Mrs. John Shaw and Miss Florence Brent, of Exeter, visited the Misses Stewart last week.

Rev. Harber, pastor of the Baptist church here, is moving this week from Wyoming and will occupy the pulpit on Sunday.

We are very sorry to learn that Harry Thoman, formerly of this place, is in Cleveland Hospital with an attack of typhoid fever.

Mrs. Robt. Lumby and daughter Geraldine, of Pt. Huron, are spending a few weeks visiting friends and relatives in the village.

Many old friends will regret to hear of the death of Alex. Champion, one of Arkona's pioneers, which occurred at Toronto last week.

Mr. Sam Baynes has severed his connections with the L. C. Kells Co. and has engaged as bookkeeper for Mr. Thorp at the evaporator.

We are pleased to hear that Mr. D. Smith, who was badly injured by falling at the evaporator about a month ago, is able to sit up again, but it will be some time yet before he will be able to be out.

There promises to be a lively time at the coming municipal nomination. It is to be hoped that the present council will not be as busy as the last council were on nomination day, when only two members put in an appearance.

The Baptist Young People met at the home of Hezekiah Stoner on Friday evening last to bid farewell to one of their members, Mr. Roy Stoner, who left on Monday for Stratford Business College. A very enjoyable evening was spent.

The following announcement appeared in Saturday's Globe:—"The engagement is announced of Miss Eva L. Huntley, youngest daughter of Mrs. Lena Jane Huntley, of St. Thomas, to Dr. C. Lloyd Huffman, of Forest. The wedding will take place early in November."

There is considerable changing about in the village this fall. John Sadler has sold his farm to Geo. Donaldson and has moved to Theford, and Mr. Donaldson moved to town Monday. Mr. Wm. McKay moving into the house vacated by him, while Rev. Harber is moving into the parsonage vacated by Mr. McKay.

The concert in the Presbyterian church on Tuesday night was a decided success. Among those from a distance who took part were, Rev. Graham, Parkhill; Rev. Currie, Theford, and Rev. Moore, East Williams; Mr. Morrow, Watford; Mrs. Moore, East Williams; Mrs. Wyatt, Craithie, and the Theford choir and Zion Quartette. Proceeds amounted to \$28.00.

BABY'S FRIEND.

Happiness is a sign of health in babies. Nearly all their troubles vanish when they digest food well and are free from teething pains. Baby's Own Tablets brings happiness to babies by curing stomach troubles, constipation, feverishness, diarrhoea and teething troubles. There's a smile in every dose and the mother has a solemn guarantee that this medicine contains no opiate or harmful drug. Mrs. James Jewers, Beaver Harbor, N. S., says: "I have given my baby Baby's Own Tablets as occasion required since she was a day old. They have always helped her, and now at a year and a half old she is a fine healthy child. I think every mother should always keep these Tablets on hand." You can get Baby's Own Tablets from any medicine dealer or by mail at 25 cents a box by writing The Dr. Williams' Medicine Co., Brockville, Ont.

MCDONALD-TOMLINSON.

A very pretty home wedding occurred at the residence of Mr. and Mrs. Donald McDonald, Huron Co. Michigan, Wednesday, Oct. 17th, when their daughter, Johannah, was united in holy wedlock, to Mr. Addison Tomlinson, of Chicago, Illinois. The ceremony was performed by Rev. Allman, of Pt. Austin, in the presence of a large number of near relatives. The bride was dressed in a costume of cream Albatross. The bridesmaid, Miss Lillian McDonald being dressed in a similar costume. The groom was ably supported by Donald McDonald, brother of the bride. After the knot had been

knotted an adjournment was made to the dining room where a rich wedding supper was enjoyed. The bride was the recipient of a large number of useful and handsome gifts. After spending a short time with relatives here the happy couple will leave for their new home in Rock Island, Illinois, and take with them the best wishes of a large circle of friends for their future happiness.—Kinde News.

Married in London.

The following report clipped from last Friday's issue of "The London Free Press" relate to former well known Wyoming citizens. The bride being the granddaughter of the late Mr. F. Ward and the groom the editor of "The Wyoming Enterprise" prior to its present proprietor. Their many friends in that village will extend congratulations:—A quiet wedding Thanksgiving afternoon was solemnized at the home of Mrs. Edward Neeve King, 280 Dufferin Ave. at 2.30 o'clock. The bride, Miss Ethel, was the youngest daughter of Mrs. King, and the groom Mr. Arthur W. Ellis of this city, who was assisted by Mr. E. T. Coke of Mandeville, Jamaica, British West Indies. Just the immediate relatives were present but the wedding party took of a pretty nature, the bride being charmingly gowned in a soft hand woven silk and carrying a sheaf of roses. The bridesmaid was Miss Maud Cavey whose gown was of cream silk; she carried pink roses. The bride's mother wore a dress of grey silk trimmed with white Irish lace. Ven. Arch. Deacon Richardson performed the ceremony, assisted by Rev. Wm. Brookman of Toronto, in the drawing room which was tastefully decorated with palms and white chrysanthemums. The decorations of the dining room where the refreshments were served following the marriage, were mums and carnations. The groom's gift to the bride was a handsome pearl pendant; to the bride's mother an amethyst brooch, to the bridesmaid a pearl lace pin and to the groomsmen a pearl scarf pin. The bride's travelling dress was a brown broad cloth with hat to match. Mr. and Mrs. Ellis are on a trip to New York, Albany and other eastern points. November 9th the bride will receive at 280 Dufferin ave.

Canadian Oil Field's Co. v. Town of Oil Springs—Judgment (L.) in action tried without a jury at Sarnia. Action for relief in respect of an assessment. It was contended by plaintiffs that it was not in the power of the assessing body of the municipality to assess both land and buildings in the case of mineral lands. Held, that the amount of plaintiff's assessment should be reduced by \$2,000 because of the clerical error, but in other respects the action fails. Action dismissed except as to \$2,000. As to so much of the action as relates to the clerical error, no costs. As to the rest of the litigation, costs to defendants.

ANCIENT HEROES AND A MODERN DISCOVERY.

Ancient Greece will always be remembered for the fine types of manhood supplied by the heroes of her battlefields and the athletes of her arenas. Still more will these heroes and athletes themselves be remembered for the custom they bequeathed to later ages of healing sore and injured places on their bodies by the external application of some secret balm or salve. The Greek charioteers did not emerge from their mad races without some severe bruise or gaping wound; and to anoint each injury carefully with their favorite balm was an indispensable part of the day's programme. If we go back in history—even to Bible times—we find that this external "rubbing" has prevailed all along the line, and the only explanation of its survival, amidst so many changes in science, seems to lie in the fact that the external use of salves and balms is dictated to us by Nature herself. Our own instincts tell us to rub a part that hurts; and in Zam-Buk the ideal substance to apply to an injured or diseased surface is universally believed to have been found at last.

Most of the ointments, embrocations and salves that have had to suffice in the past are of a coarse consistency, and contain quantities of mineral poisons, rancid animal fats, and turpentine. What healing properties they may possess are generally counterbalanced by the grave danger of inflaming and contaminating the flesh.

Zam-Buk is absolutely free from any such danger. It is a preparation compounded purely from herbal juices, essences and extracts—a "skin-food," which regenerates old and diseased tissues just as food rebuilds and re-constructs the body. Zam-Buk also gives nature just that assistance which Nature is asking for when pain, swellings, eruptions, or inflammation occur. Zam-Buk allays all forms of irritation, expels disease, stops suppuration, stops festering and virtually "feeds" the skin, toning it up in Nature's own way.

Zam-Buk should be in every home. It has a wide range of usefulness, but is especially recommended for cuts, bruises, burns, scalds, sprains, stiffness, swollen joints, bad leg, blind and bleeding piles, running sores, eczema, ulcers, pimples, boils, rash, raw chapped hands, scalp irritation, sore heads, barber's rash, raw chin after shaving, sore throat and chest, sore and aching feet, chilblains, cold-sores, festering sores, poisoned wounds, and other diseased, injured, and inflamed conditions of the skin. Rubbed well into the parts affected, Zam-Buk gives great relief from neuralgia, toothache, sciatica, lumbago, rheumatism, and chest and back pains.

All druggists sell at 50 cents a box, or post free from the Zam-Buk Co., Toronto, on receipt of price.

Marta's Interference

By Constance D'Arcy Mackay

Copyright, 1906, by Ruby Douglas

"Heaven deliver me from neighbors!" mumbled Marta to herself as she nudged Professor Travers' study. From its windows she could look across to the next lawn, where a girl in an embroidered dress was tending a flower garden, a lace parasol in one hand and a ridiculously small green watering can in the other. At her heels barked a tiny dog, and it would have been hard to tell which Marta regarded with the more disapproval, the toy spaniel or its owner.

The next door house had been vacant so many years that Marta looked on its new purchasers, the Gainsbors, in the light of intruders, as the little village of Hampstead was seldom frequented by summer people. For this reason Professor Travers made it his retreat the moment college closed in order to escape the festivities of commencement—cheering students, pink ice cream and a host of enthusiastic girls had no charms for him. He was bored by the former and too deeply absorbed in his books to notice the latter. For this Marta, his middle aged housekeeper, was supremely grateful. She had taken care of him too many years to relinquish her supremacy without a struggle.

"But it will come some time," said John, her husband. "Love is like the measles. And the older he is when he takes it the harder it will go with him."

"He is thirty-five and it hasn't come yet," answered Marta hopefully.

She had nursed Travers through many childish ailments and felt herself capable of warding off this most dangerous ailment of all. So she guarded his solitude with watchful zeal. She had a horror of intruders, especially young and feminine ones, and the nearness of Betty Gainsboro was a positive menace to her peace of mind.

"Running about in high heeled slippers and wearing big, fluffy hats, just

"OH, WON'T YOU PLEASE STOP?" BESOUGHT A SWEET VOICE.

as if a freckle or two would hurt her!" sniffed Marta, though it was undenia-

ble that the face beneath the wide brims was winsomely attractive.

The professor caught his first glimpse of it one afternoon as he came home through his orchard after a morning spent in the woods near by. One coat pocket bulged with specimens, the other contained his notebook, and he hurried along the grassy path, wondering if Marta had kept luncheon waiting, when from the branches of a gnarled apple tree above him came a great rustling.

"Oh, won't you please stop?" besought a sweet voice.

The professor halted, blinking upward into the leaves, where a pretty, embarrassed face looked out like a Dryad in distress.

"I'm up here, and I can't get down, so I'm afraid I'll have to ask you for help."

To the professor, unused to climbing any tree save that of knowledge, the feat was extremely difficult. Yet he managed it skillfully enough and swung himself up to where Betty sat. Then slowly, holding very tight to his hand, she made her descent, ending with a jump and a frightened little laugh.

"I won't do that again," she declared. "It's been awfully good of you to help a neighbor in distress, especially when she's been trespassing on your property."

Travers said that he hoped she would trespass as often as she liked, and side by side they moved homeward through the long orchard grass. He saw her to her own gate, and next day when they went for a stroll by the Hampstead river Marta's worst fears seemed realized. Her consternation increased when Travers began to look to his canoe that he had not used in years, humming a college glee as he worked.

"If he is drowned it will be the fault of that flimsy piece next door!" wailed Marta.

He began, too, to take an alarming interest in his personal appearance, a thing he had never done before. He gave up his somewhat seedy coats and queer, loose collars, and a box presently arrived from New York bearing the hall mark of a fashionable tailor. And Marta felt that a crisis had been reached when the loss of some of the finest specimens of flora in Travers' collection only moved him to a temporary regret. He no longer spent his days poring over books. Instead, he studied the moods of Miss Betty Gainsboro, and came to the conclusion that there was nothing on earth more incomprehensible than a woman. Once, when the canoe had nearly overturned, she had shown herself valiant in the face of danger, yet the sight of a tiny garter snake made her seek refuge on the nearest fence, where she perched in a panic till Travers had killed it.

One evening when Travers was re-

From Forest to Patient.

ALL modern science goes to prove that herbal medicines are vastly superior to those containing mineral ingredients.

The herbs of the field and the trees of the forest constitute nature's "medicine chest;" and the highest benefit which science can confer on man is the discovery of nature's medicinal balms and essences, and their preparation in form suitable for use by the people.

Bileans for Biliousness—the great Australian cure for indigestion, headache, debility, liver trouble, etc.—are purely vegetable. They are entirely different and superior to ordinary liver and stomach medicines. It is well known that liver medicines hitherto in use mostly contain bismuth, mercury, and other harmful mineral products, and rely upon these ingredients for their temporary effects.

These mineral constituents are very injurious if taken for long, and produce such effects as that of loosening the teeth, causing the hair to fall out, etc. Bileans are entirely superior. They are compounded from extracts and juices of the finest known medicinal plants. In taking them there is no fear whatever of any harmful secondary effects. They cure that which they are taken to cure, and do not leave behind them evils worse than the original ones. They do not merely purge and weaken, like the old-fashioned medicines, or do the work which the liver and stomach should do. They tone up and enable these organs to fulfil their proper functions, so that when a cure is effected and Bileans are left off, the organs remain strong and healthy. Users of Bileans need therefore never fear their use will lead to the contracting of the terrible "pill-taking" habit.

Bileans FOR Biliousness

turning from a lecture he had given at the summer school of an adjoining town he noted a tall young fellow, fair haired and broad of shoulder, get off at the Hampstead station and strike along the village road like one accustomed to the place. The professor followed a little in the rear. At the Gainsboro gate the young fellow turned, and Betty, who was lingering on the lawn, flew to meet him with outstretched hands.

"Oh, Dick!" she cried, an unmistakable thrill of surprise and joy in her voice. Of the rest Travers saw and heard nothing. He stepped back quickly into the shadows. What right had he to be a witness of a lovers' meeting?

"You must have had a tiresome day," said Marta solicitously, "for you're as white as a sheet."

"I'm an old fool," groaned Travers to himself, "an old fool! How could I ever have supposed that she could care for me? Why, I'm nothing but a book-worm—all my life has been spent in dusty volumes and class rooms, and now—" He looked toward the Gainsboro house, where the glimmer of a cigarette shone like a firefly through the darkness and the cheerful tunk-a-tunk of a banjo came on the night air. "Love," said the professor slowly, "was not intended for me."

Thereafter, to Marta's satisfaction, he stayed indoors, forsaking his canoe and applying himself listlessly to his books. But Marta was quick to read the signs and soon realized that all was not well with the young professor. That he should fall in love had been trouble enough, but to be refused by a chit of a girl with no more brains than a butterfly, that was not to be borne, and Marta's anger rose the longer she thought of it. But when, after artfully questioning the professor, she found that he had not asked Miss Betty Gainsboro to marry him, then there raged in Marta's heart a battle between the desire for her own supremacy and the desire for Travers' happiness. The latter conquered.

"I see," she remarked to Travers as she entered his study bright and early, duster in hand, "I see that Miss Gainsboro's cousin, who's been visiting there, has gone. He's going to marry a girl out west and Miss Gainsboro's to be bridesmaid. Just read it in the paper this morning. I'm sorry to disturb you, professor, but you know this is cleaning day. I won't be long. Suppose you go out in the orchard and wait till I'm through?" Marta had seen the flicker of a white dress between the trees. Travers, absentmindedly clutching a paper knife, went out into the orchard in a happy daze and came face to face with Betty Gainsboro.

"Looking for specimens?" she de-

manded, a catch of laughter in her tone.

"No," said Travers, "for I've found a perfect one at last, a rose of all the roses that I mean to cherish forever, if you will let me, Betty."

"If you don't mind the thorns," she whispered.

And Marta, watching them from the study window, surreptitiously wiped her eyes. "I do believe I'm glad of it after all," she said huskily, "though I know he'll never get his meals on time."

Boy's Reward for Honesty.

Strathroy, Oct. 23.—A young lad found a purse recently on the street, containing considerable cash and a cheque for \$500. The boy promptly took it to his father, who soon found the owner, and the little fellow was rewarded for his honesty by the magnificent sum of 20 cents.

RHEUMATISM FLIES

IN ONE TO THREE DAYS

WHAT A "HEAVEN BEGUN BELOW" IT WOULD BE TO MANY A WEARY SUFFERER FROM RHEUMATISM, NEURALGIA AND ALL THE KINDRED AILMENTS, IF FAITH WOULD TAKE HOLD OF AND USE SO RADICAL A CURE AS THE GREAT

South American Rheumatic Cure

Why, its very nature makes it the most natural and easy cure that human intuition and diligence have discovered. Its wonderful power is in its simplicity; its effectiveness is in its going right to the seat of the trouble, dispelling the causes that "bode evil," give pain, stiffen joints, distort limbs, twist muscles, and when it reaches vital spots, oftentimes cause death. South American Rheumatic Cure is as harmless as milk. One of its marvels is the rapidity with which it effects a cure and the testimony of the thousands who have "thrown away their crutches" and climbed from the valley of suffering to the mountain top of health would fill a book.

Don't be incredulous. Encouragement comes with the first dose no matter of how long standing.

ALL DRUGGISTS AND MEDICINE DEALERS HAVE IT.

Does Your Stomach Bother You?

Dr. Shoop's Restorative Cures All Distressing Stomach Troubles Through the Inside Nerves.

As you value your health and happiness don't neglect to care for the slightest stomach pain—don't let it go. At the first sign of distress use Dr. Shoop's Restorative and all these troubles. These aches are signals—they are symptoms of coming disease—is it wise to ignore them? You who never eat a hearty meal without a sense of fullness—followed by a period of lassitude or drowsiness—beware. Perfect these conditions—do them and you surely invite distressing indigestion—you'll become a yellow, miserable dyspeptic. Do you experience any of these symptoms?—distressing returnings of food—gaining at the pit of stomach—rumbling of gas, belching of wind—loss of appetite—heartburn—dizziness—If you suffer in any of these ways, your duty is clear—there is but one course open to you—strengthen the inside nerves—these special stomach nerves—shake off forever this evidence of disease. Put the digestive nerves in condition to act as nature intended they should. Don't drug, don't give the inside nerves natural force, gentle tonic, nature's help. Dr. Shoop's Restorative (Tablets or Liquid) should be taken to do this—it is the only prescription which builds up or even attempts to restore the inside stomach nerves. Sold by

Don't Use Greasy Liniments.

A century ago they were popular. Today people want something easy to apply, certain in results, and above all a clean liniment. When Nervine is applied aches and pains disappear as the pores absorb its soothing healing properties. Nervine penetrates to the core of the pain, and a instantaneously, and leaves no oily bad smelling residue behind. Good to take in, capital to rub on, and five times more powerful in destroying pain than any oily liniment. Don't fail to get a large 25c bottle.

Smoke Costs Man \$25.

Medicine Hat, Alta., Oct. 26.—Robert Baker was fined \$25 by Capt. Parker, of the mounted police, for originating a prairie fire, which burned up considerable hay near Suffield. The prisoner was let off with this light fine, as he only just arrived from England, and did not realize the danger of smoking carelessly on the prairie in the fall.

John Shaw Dies.

Forest, Oct. 26.—John Shaw, formerly for many years in the wholesale lumber business supplying dealers in Western Ontario from Georgian Bay in his own vessels, and well known all over Ontario, died to-day aged 71 years.
He is survived by his wife and five children, one of his sons being Fred K. Shaw, of the Cleveland Sarnia Saw Mills Company. The funeral on Monday was conducted with Masonic honors.

WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love.

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. T. E. Gillis

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular periods, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. T. E. Gillis, Windsor, N. S., describes her illness, and cures, in the following letter:

Dear Mrs. Pinkham:—
"When I commenced to take Lydia E. Pinkham's Vegetable Compound I was suffering with weakness and womb trouble, headaches, backaches, and that worn-out, tired feeling. I have only taken the Vegetable Compound a few short weeks, and it has made me well, strong and robust. I believe that Lydia E. Pinkham's Vegetable Compound is without equal for female troubles."

Women who are troubled with painful or irregular periods, backache, bloating, (or flatulence), inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

ACCORDING to the Education Act of May, 1906, an Advisory Council to the Minister of Education is to be established. The Council is to consist of twenty members, four of whom are to be elected by the public school teachers of Ontario. Teachers, have you decided whom you wish to elect? It is time you were thinking about it.

In the month of September owing to the drought and scarcity of labor the make of cheese in Ontario was 25 per cent less than in the corresponding month of last year, though the price and quality were both satisfactory. There are now 126 creameries and 1,274 cheese factories in the province, 1,000 of the latter being east of Toronto.

Mr. Ogle Gough, of Napier, met with an accident on Saturday night while returning from Stratford. His horse became frightened at a traction engine and jumped the ditch, running into a barb wire fence and throwing Mr. Gough out on the fence. He received some severe cuts. The horse was also badly out on the shoulder.

Last week the papers reported that a deer which had escaped from the Grand Bend resort had been captured at Arkona and sent back to Grand Bend. The deer got away and was seen at Abernethy last Sunday and at D. Campbell's in Warwick, on Monday morning. This deer does not feel like being kept in confinement.

An American visiting Dublin told some startling stories about the height of some of the New York buildings. An Irishman who was listening stood it as long as he could, then queried: "Ye haven't seen our new-est hotel, have ye?" The American thought not. "Well," said the Irishman, "so I'll tell that we had to put the two top stories on hinges." "What for?" asked the American. "So we could let 'em down till the moon went by," said Pat.

TORONTO.

Toronto, Oct. 30.—The run at the city Cattle Market to-day was 81 loads, with 1,325 head of cattle, 1,795 sheep and lambs, 500 hogs and 90 calves.

The market was rather dull and slow to-day, though there was no material change in prices. Choice butcher cattle were firm at last week's prices, and, as usual for the past few markets, the complaint was that not enough choice butcher cattle are offering to anything like fill the demand. The choicest butcher cattle were sold to-day at a higher figure than anything offering in the export class, although the export prices are quoted higher for the right kind of cattle, but the right kind are not just now available. Medium to common butcher cattle were again much in evidence, and for these the market was slow and draggy, at about the same prices as last week. There is still a good active market for feeders, and prices are holding steady at recent quotations. Sheep and lambs were a little on the firmer side to-day, both lambs and export ewes being quoted a few cents higher. The hog market is still on the decline, going off another eighth, bringing present prices down to \$6 for the best, and \$5.75 for the culls. Export ewes are firmer. Lambs steady.

Hogs are easier and were lowered another eighth to-day, bring them down to \$6 for the best and \$5.75 for lights and fates.

Feeders—Good demand; steers, 1,000 to 1,250 pounds, \$8.65 to \$3.75; bulls, 1,000 to 1,200 pounds, \$2 to \$2.50.

Short-keep \$4.15 to \$4.25.

Export—Market firmer, but not many choice cattle offering medium export, \$4.25 to \$4.40; choice, \$4.40 to \$4.60; extra choice, \$4.75.

Butchers—Market firmer for choice butcher cattle; choice picked butchers' at \$4.40 to \$4.50; medium, heavy butchers' at \$3.65 to \$4.25; mixed lots and cows at \$1.50 to \$2.75; fat cows, \$3.30 to \$3.50; common, mixed, \$1.50 to \$2.25.

Light stokers—Market steady to firm; fair demand for good quality stock at \$3.25

to \$3.50. Sheep and lambs—The market firm at \$4.50 to \$4.75 for export ewes and \$3.25 to \$6 for lambs.

Calves—Market steady to firmer; prices range from \$3.50 to \$8 each.

Hogs—Market lower at \$6 for selects and \$5.75 for lights and fates.

Milk cows—Market steady to firm, with a good demand for heavy milkers at \$45 to \$55; common, \$25 to \$30.

IN A DEADLY DECLINE.

Saved Just in Time by Dr. Williams' Pink Pills.

"Before my daughter Lena began taking Dr. Williams' Pink Pills she looked more like a corpse than a live girl," says Mrs. Geo. A. Myles, of South Woodlee, Ont. Her husband seemed as though it had all turned to water. Then she began to have bad spells with her heart. At the least excitement her heart would beat so rapidly as to almost smother her. She grew very thin, had no appetite, and what little food she did eat did not seem to nourish her. She was treated by one of the best doctors in this part of the country, yet she was daily growing worse and her heart got so bad that she was afraid that she would die. She slept but very little, and would frequently awake with a start and sometimes would jump right up in bed. These starts would bring on a bad spell and leave her weak and exhausted. We had almost given up all hope of her ever being well again, when we decided to try Dr. Williams' Pink Pills. After taking a couple of boxes she began to sleep better at night, and color began to return to her lips. From that on she kept right on gaining and after taking eight boxes of the pills she was again in good health. She is now fifteen years of age, the picture of health, and since beginning the pills has gained about forty pounds in weight. Only those who saw her when ill can appreciate the marvelous change Dr. Williams' Pink Pills have brought about in her condition. I believe that had it not been for the pills she would be in her grave to-day, and it is with feelings of great gratitude I write you in the hope that it may benefit some other sufferer.

And Dr. Williams' Pink Pills can do just as much for every weak, ailing, pale-faced young woman who is slipping from anaemia into a deadly decline. Dr. Williams' Pink Pills actually make new blood. In that way they strike straight at the root of all common diseases like anaemia, headaches and backaches, heart palpitation, indigestion, Neuralgia, rheumatism and the secret ailments and irregularities of girls and women. Sold by all dealers in medicine or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

KERWOOD.

A very enjoyable evening was spent last Friday evening at the home of Mr. Harvey Cook, when a number of his friends and neighbors met to bid him and his family farewell before his intended departure for Watford, after a social hour or more Mr. Henry Freer was appointed chairman and an impromptu programme arranged, consisting of violin solos by Mr. Ed. Wyatt, vocals by Miss Minnie Willoughby and Mrs. Cook, and instrumental by Miss Patterson, Mrs. Eastbrooke and Mrs. Denning. Mr. and Mrs. Cook were called to the front and Mr. Freer and Mr. J. Edgar presented them with two beautifully upholstered chairs, while Mr. W. McKenzie read the following address:

It was with sorrow that we learned that you had decided to leave us. During your many years sojourn among us you have shown yourselves good neighbors ever ready to lend a helping hand to aid any worthy cause and by your many acts of kindness you have taught us to love and respect you. We could not let the present occasion pass without spending a social evening with you and your family, and to show you in at least a slight tangible way the high esteem in which you are held. Therefore we ask you to accept these chairs with the best wishes of this neighborhood for a long, happy and prosperous life. Always remember that we will be ever ready to welcome you back in our midst, and may He who doeth all things well guide and direct your paths through life till He sees fit to take you to his happy home where parting is no more.

Signed on behalf of your friends and neighbors.

JAMES EDGAR,
GEORGE FREER,
THOMAS FOSTER

After a suitable reply from Mr. Cook, the chairman made a short and able address speaking in high terms of his neighbor whom he had known from a boy. Then followed speeches by Mr. J. Edgar, Mr. H. Eastbrooke, Mr. T. Willoughby and Mr. J. T. Foster. After this a sum-

ptuous repast was served by the ladies and the rest of the evening was spent in a little social hop, thus bringing to a close one of the most successful and enjoyable evening ever spent in the neighborhood.

Married at Alvinston.

An event of much social interest took place at the home of Mr. and Mrs. P. A. McDiarmid, at high noon on Thanksgiving Day, when their niece, Miss Mabel Louise Eccles became the bride of Dr. Pearson P. Winn of Alvinston.

The ceremony was performed by Rev. F. W. Mahaffy the drawing room being prettily decorated for the occasion with cut flowers, ferns and potted plants.

To the strains of "Oh Promise Me" sweetly sung by Mrs. McQueen, of Pe-trolo, the bride entered the room on the arm of her father, Dr. R. M. Eccles, of Bissfield, Mich. She was unattended, and attired in a beautiful princess gown of white silk crepe de chene with yoke of chiffon and trimming of silk embroidery, and carried a sheaf of bridal roses.

After the ceremony and the usual congratulations, all proceeded to the dining room where a dainty wedding breakfast was served. At its conclusion Dr. Martyn in a neatly worded speech proposed the toast to the bride and groom to which all heartily responded.

The groom replied in a few feeling and well chosen words and the party separated, some of the party leaving on the 2.40 train.

The newly wedded couple, escorted to the G. T. R. station by a merry party, left on the 3.40 train for Toronto and other eastern points.

The bride travelled in a handsome gown of brown chiffon broadcloth, with hat to match.

The numerous and handsome gifts which the young couple received bear testimony to their popularity and on their return will be warmly welcomed to our midst.—Free Press.

DELMAGE-HAIR.

The home of the bride's parents, Mr. and Mrs. John Hair, Brooke, on Tuesday, Oct. 23rd, was the scene of a pleasant event, when their youngest daughter Louise, was united in marriage to R. Disney Delmage, Camlachie, by the Rev. T. B. Coupland, in the presence of the immediate relatives. The bride, who was unattended, was given away by her father. After the usual congratulations the company repaired to the dining room where they partook of a dainty luncheon, after which the bride and groom left, amid showers of rice and good wishes, for their home in Camlachie. Among the many beautiful presents received was a handsome mantel clock from Salem Epworth League.

RESOLUTION OF CONDOLENCE.

Moved by Bro. Geo. Rivers, sec. by Bro. Thos. Woods that we, the members of L.O.L. 505, Watford, take this opportunity of expressing our regret, at the death of our late Bro.
