The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

I, ALEXANDER SAMUEL ABBOTT, Clerk of the municipality of the City of London, in the County of Middlesex, do hereby certify that the above list is a correct roll of the Second Ward of the said Municipality to be entitled to vote at elections for members of the Legislative Assembly, and that a copy of such list was first posted in my office, at the City Ha'll, on the 11th day of September; and I hereby call upon electors to examine the said list, and if any omissions or other errors are perceived therein, to take immediate proceedings to have the said errors corrected according to law.

Dated this 11th day of September, 1883.

ALEX S. ABBOTT,

Clerk of the Municipality of the City of London.

1

The first part of the book is devoted to a general
 introduction of the subject, and to a description of
 the various methods which have been employed
 for the purpose of determining the true
 nature of the matter in question. It is
 then shown that the results of these
 experiments are in perfect accordance
 with the theory which has been
 advanced. The second part of the
 book is devoted to a detailed
 description of the apparatus used
 in the experiments, and to a
 full account of the results obtained.
