SIMMONS BEDS Built for Sleep

No matter how simple or how elaborately furnished the bedrooms of your home may be—only a Simmons Bed of a design and finish that will harmonize easily with the beauty, refinement of design and elegance of finish characterizes every number. Simmons steel beds, in either "twin" or "double" widths are masterpieces of beauty, and unlike beds of wood, they cannot warp, become loose, splinter or rot. They are strong, correctly proportioned, serviceable, thoroughly sanitary and 100% comfortable. Let us show you these new designs.

A Big Lot of Dry Goods Expected this week

Now that the long nights are coming you need an

OSTERMOOR MATTRESS

to sleep on. To do a good day's work you need a good night's sleep.

We sell the SIMMONS goods. They are the largest manufacturers of BEDS, and BEDDING in the world, therefore they should know how to do it and do it right.

SLIPP SHOOTING CASE TO BE TRIED OCT. 18

Druggist Suffering Much Pain and is Still in Serious Condition, But Surgeons Hopeful—New Evidence Expected

Woodstock, Oct. 4.—Britton, Davenport and John Burpee, held in connection with the shooting of Wendell Slipp on the night of Sept. 27, were brought before Police Magistrate Comben today and remanded until Friday. It is said that some startling evidence has come to light that may have a strong bearing on the accident feature of the case, which it is believed, will be the defence of the accused. The prisoners are apparently not greatly affected by the position in which they are placed, except Davenport, who appears very nervous.

Mr. Slipp is suffering much pain and is still in a serious condition, but is showing much pluck. When told that experts had been made—the asked, "Why did they do so?" He is now able to take considerable nourishment, and the doctors are hopeful. The information was laid by Sheriff Foster on instructions from Attorney General Byrnes. The charge against Britton, Burpee and Davenport is attempted murder and against the two Fitzpatrick's the charge is concealing fugitives from justice.

The trial will commence in the Supreme Court before Judge Chandler on Oct. 18.

TOWN COUNCIL IN MONTHLY SESSION

The regular monthly meeting of Town Council convened Monday evening in the Town Hall, all members being present excepting Councillor Hall. The report of the treasurer showed the sum of \$1054.70 collected during the past month, an expenditure of \$750, with a bank balance of \$304.70.

The chairman of the finance committee reported that out of a huge budget of \$10,075, \$7,963.45 had been expended, considerable of this on account of last year's business. The following amounts being expended so far by the different departments: Roads \$1787.00; sidewalks, \$930.57; water, \$2848.45; police, \$146; poor \$16.36; salaries \$1575; miscellaneous \$381.74; interest on bonds, \$180.

The chairman of the fire and water committee advised that one building had been inspected and the owners notified as to the conditions of the by-law governing the proper kind of roofing.

Special committee on painting town hall, looking after stock yard and Town dump reported. The town building will be painted this fall.

The Chairman of the roads reported a concrete sidewalk built from Prince to King street and that a drain from C. P. N. tracks to Main street would soon be started.

SOME CENSUS FIGURES

Census returns show Carleton-Victoria to have increased in population during the past ten years by 957. In the ten years from 1901 to 1911, under the Laurier government, by the

EGGS ARE HIGHER
BUTTER IS STATIONARY
FLOUR IS CHEAPER
SUGAR IS CHEAPER

MOLASSES ADVANCED 25 CENTS
GET CARR'S PRICES BEFORE YOU
DO YOUR BUYING

CALL AND SEE US

JOHN T. G. CARR

way, the increase was 2,544. During the past ten years but one county in New Brunswick—Kent—lost in population. In Nova Scotia five of the 14 counties, and in Prince Edward Island all of the counties lost in population. The population of Carleton-Victoria, by the census taken this year, is 33,287.

COUNTY ELECTIONS IN CARLETON COUNTY

Nominations for Elections for Councillors on Tuesday Next

The biennial election for county councillors will take place next Tuesday. Nominations closed Monday afternoon at 6 o'clock. Two councillors are to be elected for each parish, one for the town of Hartland and three for the town of Woodstock. The following nominations were made:

Aberdeen—Coun. Arthur McIntosh, Coun. James Miller, Hugh Flemming, Kent—Coun. Perry and Kinney, Louis Boyd, Sheppard Banks.

Northampton—Coun. Arthur Gibson, and Henry Phillips, acclamation. Richmond—Coun. F. F. Dalling, Capt. McDougall, acclamation. Coun. W. B. Fleming, retiring.

Wilmot—Coun. H. P. Garvell, Coun. W. F. Anderson, Messrs. Jack Giffin and Wilbur Williams.

Lower Woodstock—Coun. F. B. Bull, Coun. Charles Clark, acclamation.

Lower Woodstock—Coun. F. B. Bull, Coun. Charles Clark, acclamation.

Woodstock—Coun. H. D. Stevens, Coun. J. W. Gallagher, Coun. Alex. Benn, Min. Belmain.

Wicklow—Roy McCain, Hugh Tweedie, by acclamation replacing R. K. Tracey, M. L. A., and John D. Fulton.

Wakefield—Robert Bell and Harley Hannah, re-elected by acclamation.

Simonds—Coun. Odber Shaw and James Peters.

Brighton—Henry Smith and Fred K. Brown, Fred Smith and W. D. Keith, retiring.

Richmond—Coun. Dalling and Major McDougall, Coun. Fleming, retiring.

West—Coun. Melville and Tompkins, re-elected by acclamation.

TOO MUCH ROWDYISM

Complaint is made of the rowdyism about the streets at night, the chief offenders being a number of young boys who should be at their lessons or amuse in their homes. On Sunday last both day and night was desecrated and made hideous by acts of ten or twelve years tottering at and near Taylor's corner. Feet, words, paths and impertinent remarks to passersby characterized the offensive exuberance of the boys, while a hose connected with the town water was directed upon passersby, and a wheelbarrow trundled up and down the sidewalk was a source of apparent delight to the boys and much annoyance to pedestrians and people living near.

Is such desecration and insult to peaceful citizens to be tolerated as something that has to be?

HOSPITAL DRIVE SOON ON

The Fisher Carleton County Hospital is going to put on a drive throughout the county of Carleton with the object of raising \$50,000. No part of the money will be used for running expenses, but the entire fund will be spent for expansion, alterations and modern equipment which are necessary to take care of the increasing business and standardize the hospital as a first class institution. The County Councillors in each parish, with assistance of the public spirited citizens, will take charge of the drive in each parish and with the assistance of the trustee Board, with the head office at Woodstock.

Wanted—Dependable portable boiler of 50 or 60 horse power. Write or wire F. E. Sayre, Hartland.

THREE ARRESTED IN SHOOTING AFFRAY

Sheriff Foster, Deputy Moore, Chief Kelly and Other Officers Round Up Parties Who Shot Wendell Slipp—Full Confession—Moonshiner Implicated

Woodstock, Oct. 5.—After following every possible clue the local officers uncovered information that resulted in the arrest last night of Dick Britton, Olde Davenport and John Burpee, in connection with the shooting of Wendell Slipp, a Woodstock druggist, on the night of September 27. The three men will be brought before Police Magistrate Comben on Monday morning, when they will probably be remanded pending the result of Mr. Slipp's injuries.

Today a moonshine still was seized at Watson Settlement, as the result of the arrest of Britton, Davenport and Burpee, and several men were taken into custody. One man fled to the woods and escaped.

From the first Davenport was under suspicion. The officers learned that he was on the ground where the shooting occurred, on that day, at five o'clock. On the arrival of Sheriff Foster and Deputy Sheriff Moore from Andover, Wednesday morning a consultation was held with Chief Police Kelly, and an effort was at once made to locate Davenport, and when he could not be found after visiting many places he was known to frequent the efforts of the officers were redoubled.

Friday night an automobile arrived at Munroe's Garage in charge of a man who gave his name as "Smith." Munroe suspected the car was Davenport's although it had a Canadian tag with the number 3542; he notified Barry Scriber, night officer, who went to the garage and had the car held.

"Smith" did not appear again. On looking up the number it was found that the tag belonged to a car owned by a man named Christmann, whose car was in a barn in Watson settlement, owned by Leonard Fitzpatrick, and here it was where the officers found conclusive evidence that it was a place Davenport had been visiting very often to get supplies of "hooch," which it is alleged, was manufactured here.

Davenport being hotly pressed telephoned Chief Kelly Saturday morning to come to Red Bridge and he would tell him the whole story of the shooting. The chief went there and Davenport did not show up, and two more visits failed to find him.

Night Officer Scriber was placed in the Connell road, one way Davenport would take to reach town, and the other three officers started a "rounding up" process which resulted in Davenport's running into Scriber's arms in Connell street, where he was at once placed under arrest.

Sheriff Foster, Deputy Sheriff Moore and Chief Kelly soon arrived at the jail when Davenport told them the story of the shooting.

It will be remembered that Miss Gretchen Smith, who was in the car with Wendell Slipp, spoke of a bright light being turned on them. This has been verified by finding the spotlight, the officers having first learned that Davenport had borrowed it on the day of the shooting. Sheriff Foster warned Davenport that any statement he made would be used against him, and he replied that he might as well tell it all.

He said: "I left town Tuesday evening about nine o'clock in a car accompanied by Dick Britton, Johnny Burpee, Mrs. Britton and a young girl. About ten o'clock he came to the place where the other car had turned in. Britton had the rifle and got out of the car when our spotlight was turned on what we thought was an animal of some kind.

"Britton fired. We heard a girl scream and she ran down to our car and said 'you have killed him, come

(Continued on 6th page)

Special Offer to New Subscribers

In order to expand our already wide circle of readers we will send The Observer to NEW subscribers from now until Jan. 1, 1922, for only 25 cents. We make this trial offer at a loss knowing that once a subscriber reads the paper a few weeks he invariably wants it longer.

Fill out the blank below and inclose it with 25 cents to The Observer, Hartland, N. B.

Date..... 1921

Enclosed please find 25 cents for which please send The Observer to the address below each week until Jan. 1, 1922. If I want the paper discontinued at that date I will notify you.

CARLETON OBSERVER

Owned and published by Observer, Limited.
FRED H. STEVENS, Editor and Manager.
HARTLAND, NEW BRUNSWICK.

A member of the C.W.N.A., The Observer, with 500 other Canadian Weeklies, is bound to the strict observance of the Rules of the Association.

SUBSCRIPTION: \$2.00 per year, payable in advance. Subscribers in U.S. must add 50 cents extra for postage.

ADVERTISING RATES: Small ads, such as Wanted, For Sale, To Let, Announcements of Meetings of any kind, Resignations, any forthcoming Event, Cards of Thanks, in Memoriam, etc., are charged 50c. For one week, \$1.00 for three weeks, strictly cash with the order. Display ads, 1st insertion 20c. per column inch; following insertions at the same rate. Minimum 10 columns. Contract rates 25c. per inch. Advertisements accepted for not exceeding Sept. 1, 1922. Mailing list may be inspected by advertisers.

Contributions: News items from any part of Carleton and Victoria counties are eagerly sought. Brief letters on timely topics will be published at the Editor's discretion, but all such must be signed by the writer. It is useless to send poetry, prose literature or any other matter that is not real news of general interest to the readers in the two counties. Such will not be published, nor returned, if postage is not included.

PRINTING: The Observer office is so well equipped for general printing that it is every day successfully competing with the largest city offices. The quality of our PRINTING and the generally satisfactory service rendered in this department enable us to command a full price and a full run of work at all times. We do high class printing and accept and deliver promptly any order, small or large. Office Stationery and Commercial work. Book and Periodical Printing. All handled equally well.

Hartland, N.B., October 6, 1921

A TIME TO VOTE

It is the duty of every qualified man and woman to vote for or against the importation of liquor on Monday next, according to the convictions of each individual. The use of alcoholic liquors in any way other than under the supervision of a physician is decidedly dangerous and always to be deprecated. It is altogether too treacherous a drug to be used as habit, and, like morphine and cocaine, it should be kept carefully out of the way. A whole world of grief is the evidence that this is true. No one who is a calm and logical thinker, however, is going to seriously consider that "prohibition" is really going to prohibit the use of liquor entirely. The law can only prohibit the legal use of it. Laws can not change people's inclinations or their morals. Every day there is new evidence that through the present prohibition laws there are fresh crimes, and in this issue of The Observer are reported very serious outrages indisputably the result of the prohibitory liquor law. Having to admit this, the question is whether more drastic laws are going to increase or decrease the evils arising from the breaking of them.

A very great majority of readers of this paper will vote against the importation of liquor, and there are many who seem to think that this added measure of prohibition is going to be the perfect panacea against all the ills that arise from the use of intoxicants. It would be a fine thing if it were true. But the huge problem of successfully combating the use of intoxicants is one that puzzles the master-minds of our generation and not one that submits to the simple remedy of merely voting against it. Therefore too much, or really very much, may not be expected from further restrictions. New complications are going to arise and the machinery of the law is going to be severely tested if the desired result is obtained.

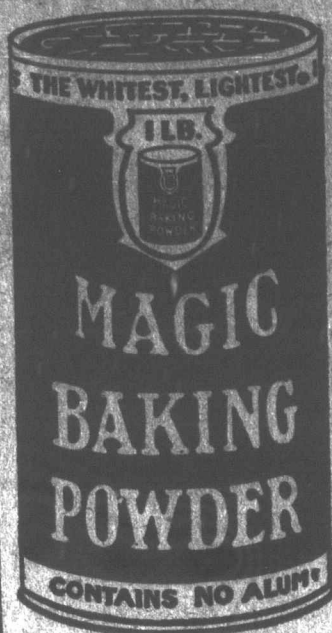

A common phrase nowadays, and one especially used by drinkers hard put to obtain "good" liquor, is that "anything is worth trying once." So with the prohibition of importations of liquor: it is worth trying, and every voter who wants to protect himself, his family or his neighbor from the temptation of liquor easily available should vote next Monday and he should mark "X" opposite the "yes" on the ballot.

STOP AND THINK

Did you ever stop to think, Mr. Hartland Merchant, that the town that gets the publicity is the town that gets the business? That the town filled with good advertisers is the town that grows? That advertising properly done is worth its weight in gold, and that advertising is business, and not child's play? That people will drive for miles to trade in a good live town. That your property will increase in value when the outside world knows you and your town are wide awake? That people from neighboring towns will come where there is something worth coming for? That the merchant who doesn't seek to build up a better trade than he now has will lose out? That now is the time your town and your business needs advertising more than ever before because business is harder to get than it has been for two or three years? That if you do not hustle for trade in the community about you the merchants in some other town will? That if you do not get the business you've no one to blame but yourself if it doesn't come to you? Think it over.

CARLETON CO. AND THE WORLD

A few days ago The Observer was accused of causing the recent slump

in the potato market. The charge is a compliment to the paper's far-reaching influence, but it is, however, groundless. An irate farmer declared that publishing the fact that the Carleton county crop was a big one has had the effect of bringing prices down in Boston, New York, Montreal, Toronto, Cuba and all the big markets. He evidently fails to realize how infinitesimal Carleton county is as compared with the rest of the world. Nevertheless The Observer would continue to report a big crop, if a big crop existed, even if the publicity smashed the market. It is the paper's policy to publish facts, not misrepresentation and it is utterly absurd to imagine that Carleton county could influence any outside market. And Carleton county is some county, too.

A POTATO SHORTAGE

New Jersey last year had a yield of 14,520,000 bushels of potatoes, but this year the yield is a little less than half that amount. The shortage of the Michigan potato crop has been one of the disappointments and surprises of the West. The late crop planted in June is barely 50 per cent of an average. Some of the potatoes never came up at all, and were replanted, but the second planting did not amount to much.

STAR THEATRE

Edith Roberts in

A special Goldwin

'Thunder Island' 'His Own Law'

COMEDY:

Don't Miss It!

Coming! Pauline Frederick in **'MADAME X'**

While New York Sleeps

TWO SHOWS A WEEK - DON'T MISS EITHER

Its a DresWell

The essential difference between ready-made suits and those made-to-measure is that the hand-tailored garment is MADE FOR YOU. Faultless fit is assured—not left to chance.

DressWell Made-to-Measure. Clothes cost no more than the ready-made styles and they carry a double guarantee of satisfaction—the maker's and ours.

Prices range from \$20 to \$65, styles and fabrics to suit your own individual taste. Come around and see our styles and samples. Agents for Dyeing and Cleaning.

MOVING THE BRIDGE SPANS

The work of elevating the bridge spans and moving them westward is in progress and is very interesting. Already three spans are in place and the operation of raising and moving goes along without a moment's interference with traffic; in fact while one span was in motion three loaded potato teams were on it.

Each span is elevated about 30 inches, the bridge being that much higher than formerly, and each is then moved from old to the new piers, which are approximately 50 feet west. Rollers are placed under the spans and a team of horses with tackle moves the tremendous weight easily.

The work of roofing and enclosing the bridge is also under way.

Rebuilding the bridge has cost to date almost \$300,000. A steel bridge built at this time would have cost nearly a million dollars.

WATERVILLE ITEMS

Mr. and Mrs. Harvey DeLong are rejoicing over the arrival of a new son—Elliott Harvey.

Mrs. Frank Sablin who has been visiting her sister, Mrs. Emma DeWare and other relatives, has left for her home in Hayward, Wisconsin.

Ernest McIlroy and family motored to Fredericton to see their daughter, Rowena, who is attending Normal and also to attend the exhibition on Saturday. They were accompanied by Grover Springer is spending his vacation at the home of his parents, Mr. and Mrs. Howard Springer.

FIRE AT CONNELL

Last evening fire, supposed to have caught from an engine running a hay press, entirely destroyed the barn of Odour Ebbett at Connell. The loss included the destruction of twenty tons of hay and the season's wheat crop. The hay press, owned by G. M. Rideout, was also destroyed. There was no insurance.

PRODUCE PRICE

Today dealers quote prices as follows: Potatoes, \$1.50; hay, \$23.00; straw, \$8.00; turnips, 50c; eggs, 25c; butter, 30c; live chickens, 15c; dressed chickens, 22c; live fowls, 15c; dressed fowls, 22c; pork, 10 cents.

THREE ARRESTED IN SHOOTING CASE
(Continued from 1st page)

and help me. We immediately started the car for Woodstock, where I put the others out at Britton's house and went to Fitzpatrick's where I have been since.

After hearing this story Sheriff Foster and Moore went to Britton's house and placed him under arrest. He denied all knowledge of the affair, but when told what Davenport had said, he admitted the deed and told the officers that the rifle and spotlight were hidden in a place above the ceiling, where it was necessary to take a stove pipe down to get the rifle, a hiding place that probably

of this license plate. While the officers were at Fitzpatrick's they had a suspicion that a "still" was in operation there. Sheriff Foster said to Leonard Fitzpatrick, "Where is that still located?" He strenuously denied the existence of a still, but the sheriff persisted. Fitzpatrick weakened and took them to a spot where a complete plant was in operation. The outfit was seized and brought to town and this feature of the tragedy was placed in the hands of Prohibition Officer McClement.

Davenport is known to have taken a load of this "insanity juice" to Monton a short time ago when his car broke down and he called on two men to help him, treating them to very generous quantities of the brew. All hands soon showed startling indications of the potency of the stuff and in a tremendous fight Davenport is alleged to have smashed a jug over the head of one of the company, necessitating his removal to the hospital. A warrant was taken out for Davenport's arrest on a charge of assault. When arrested here he had a bottle of the moonshine in his pocket which was taken from him.

While Britton, by his own confession cleared up the shooting there were startling events in connection with the stills long known to exist and the "vendors" who are engaged in placing the stuff on the market. On the long-distance telephone, Attorney General Byrne expressed himself as greatly pleased with the work done by the officers with the very slender clues to work upon.

Sheriff Foster, Chief Kelly, Deputy Moore and Policeman Scriber, all commended on all sides for their efforts in bringing to justice the perpetrators of a cruel and diabolical crime.

The report from the hospital concerning Wandall Shipp was somewhat reassuring tonight. He has been able to take a little nourishment and his general condition has somewhat improved.

While Sheriff Foster and other officers were on their way this morning to Fitzpatrick's at Watson Settlement, where the Davenport car was figured in the shooting on Sept. 27 was located, they overtook a Maine car presumably going to Fitzpatrick's for a supply of "hooch," and held it up. It was loaded with guns, bottles, cans and other receptacles that had total capacity to hold a barrel of moonshine. One man named Parsons jumped out of the car and ran into the woods. One giving the name of Philigan and the other Swede, were

brought to town with the car and attended. The car was taken over by the customs officers and the men lodged in jail, which has been doing a thriving business for the past two days. The object of the visit of the officers to Fitzpatrick's was to find if possible the Maine number plate that Davenport removed from his automobile after the shooting. The officers were unable to locate it.

To add to the many thrilling features that have been transpiring a load of brunes, wheat, hops and other moonshine ingredients arrived at Fitzpatrick's while the officers were there. This was handed over to Inspector McClement, who with Inspector Newberry, were also present, and another Fitzpatrick, who had the goods, was placed under arrest. The prohibition officers brought a big supply of the "hooch" to town, together with all the "tools of the trade," which were handed over to Customs Officer McCaffrey.

CENTRAL GARAGE

If you want to Save your boy from Temptation
If you want to Ban Liquor from the Province

If You Want Prohibition

Don't forget that October 10th will decide whether liquor shall be imported into the Province or not, you will decide it right by putting "X" and no other mark, after the word "Yes" on your ballot.

Don't forget that it is the man who is after the dollar, not the drunkard, who is writing the "wet" ads and furnishing the money to fight prohibition.

Don't forget that the threadbare argument of "Personal Liberty" put up by the "wet" might be good to hold rum for a while but it won't hold water for a minute. How long does the law consider "Personal Liberty" when the smallpox breaks out? The Board of Health screws down the quarantine mighty quick and says no man shall spread the contagion. Who howls "personal liberty" then? Not the "rummy!" Oh no!

Don't forget that your "personal liberty" ends where the end of my nose begins. It is my right to say that my nose shall not be mashed, also my right to bring up my children where they will not see, smell, nor taste strong drink, and no man has right to deny me this liberty.

Don't be fooled by the old excuse that Prohibition does not prohibit, therefore the law is no good, and ought to be repealed. What law is not sometimes broken? How about the law against murder, robbery and forgery? Who wants them repealed? Not the rumrunner, for he will advertise for a sober and honest bartender.

Not the rumrunner, for he will advertise for a sober and honest bartender.

Don't forget that the Bible says, "Wine is a mocker, strong drink is raging, and whosoever is deceived thereby is no wise."

Don't forget that the Good Book also pronounces a war upon the fellow who puts temptation to drink in the way of another. Hear what it says: "Woe unto him that giveth his neighbor drink, that putteth thy bottle to him, and maketh him drunken."

Don't forget that your vote will help to remove temptation from someone who is weak and he will eternally thank you for it.

Don't forget, then, to come to the polls and VOTE "YES" on October 10.

—Brighton Temperance Alliance—

Vote "YES" on October 10th

Announcing the NEW McLAUGHLIN-BUICK MASTER 4

Here is a Thoroughbred Master Four Completing the Famed McLaughlin-Buick Line

The new Four-Cylinder McLaughlin-Buick here announced, is a thoroughbred—a pedigreed car well worthy of its name. Down to the very last detail, this new model possesses every quality of enduring serviceability, complete comfort, and distinctive appearance that have always characterized McLaughlin automobiles.

The advent of this new Master Four makes the McLaughlin-Buick 1922 line complete. It offers to purchasers of a car of this size all the quality and service that go to make up the name McLaughlin.

The McLaughlin-Buick Valve-in-Head Engine—A Power Plant That Has Proved Itself.

The engine, of course, is of the time-tested McLaughlin-Buick Valve-in-Head type. The year-after-year concentration of McLaughlin-Buick engineering skill and experience in building Valve-in-Head motors assure the highest standard of performance obtainable to-day.

Every other unit is of a quality equal to the power plant. The whole assembly constitutes a perfectly

balanced chassis which is of typical McLaughlin-Buick construction. The equipment of Cord Tires is mere evidence of the quality which characterizes the entire car.

Two open and two closed body types mounted on the McLaughlin-Buick built chassis comprise the new series.

Even the most casual inspection of the details of design and workmanship will reveal that full measure of quality which motorists have learned to associate with McLaughlin.

A Great Car—Prices Make it an Even Greater Value.

Obviously a high grade automobile—a genuine McLaughlin-Buick production—the prices make this Four even greater.

The new McLaughlin-Buick Master Four is a Made-in-Canada car. Walkerville, Ont., is the home of the General Motors Canadian mammoth manufacturing plants. These new plants are most modern in every respect and are fitted with the finest machinery to turn out accurately and economically, motors, transmissions, axles and other heavy parts for motor cars. Smaller parts and the assembling of units, painting, upholstering and top and body building are done at the Oshawa plants.

Cord Tires Standard Equipment on all Models.

RUM RUNNERS CAPTURED IN FIGHT AT LIMESTONE, ME.

Are Charged With Smuggling Contraband Liquor Into Maine—Are Held in Heavy Jail—Prisoners Put up a Fight on the Road During Which a Shot Was Fired.

A resident of Limestone village and two residents of Victoria county are the latest to fall into the hands of the United States authorities engaged in running down smugglers of contraband liquor from the province, of whom there are said to be scores at work at the present time. As the result of the operations of the drag-net, Levi Coty of Limestone, Ben Condon and son Fred are out on heavy bail and Deputy Sheriffs A. C. Leighton of Sweden, and R. H. Whitney of Houlton, are receiving the congratulations of the community and nursing injuries received in a stiff fight. Coty was released on \$500, Ben Condon on \$3,000 and Fred Condon on \$2,000 bail.

It was late at night when the sheriffs, concealed beside the roadside, on the Limestone road about fifty rods from the boundary, saw the headlights of an automobile come across the line from the direction of the Condon place.

Condon has been known to the sheriffs and suspecting that a rum runner was coming the officers jumped into the centre of the road before the on-coming automobile. The car came to a halt, and in a second Levi Coty was placed under arrest.

Just at this juncture Ben and Fred Condon came running across the line, according to the officers, who charge that Condon and his son used abusive language, and Deputy Sheriff Leighton ordered their arrest.

Leighton had Coty, so Whitney and Larson caught Ben Condon but Fred fled, followed by a revolver shot from Larson's pistol.

Ben Condon put up a fight with Whitney on the way to the machine, but he was finally placed inside with handcuffs on his wrists.

Meanwhile Fred Condon, according to the officers, had come up and was pelting rocks at Whitney and Larson. Whitney was struck on the wrist by a rock and Larson was injured in the back. Both were later treated by Dr. Huggard at Limestone.

Finally, Fred Condon retreated across the line. The car containing the officers and prisoners started up. Ben Condon became violent. He swung at Larson who was driving and struck him a blow in the face with his handcuffs. Larson nearly ditched the car but managed to get it back on the road.

Fred Condon was captured the following day at Limestone where the trio were arraigned and released on bail.

CENTREVILLE GIRL WEDS IN THE WEST

The home of Mr. and Mrs. G. F. H. Long was the scene of a quiet but pretty wedding on Sept. 21, when Miss Route Adair, daughter of Chas. A. Long of Centreville was united in marriage to Leon Albert Shearer. The ceremony was performed by the Rev. W. H. Ellis in the presence of a few intimate friends. The wedding-march being beautifully rendered by Miss Helena Kerr.

The bride, who was given away by her brother, wore a travelling suit of brown embroidered velour with hat to match and carried a bouquet of opelia roses. After the ceremony a dainty luncheon was served by Mrs. Long, assisted by Miss Bessie Sprague.

The bridal couple left on the afternoon train for a few days at Banff and Edmonton, after which they will make their home at Waterhole in the Peace River District, where Mr. Shearer is Manager of the Union Bank of Canada.

McLAUGHLIN BRINGS OUT A NEW MASTER FOUR

Announcement is made of the presentation before the motoring public of a new four-cylinder McLaughlin-Buick line. There are four models in the line, including roadster and five passenger touring in the open cars, and three passenger coupe and five passenger sedan in the closed models.

Inasmuch as it has been known in the automobile trade for some time that the McLaughlin Motor Car Co. purposes adding a line of fours, considerable interest attaches to the specifications covering the new models. In motor construction McLaughlin has adhered to the valve-in-head principle with which its name has been so prominently connected for years. The cylinder here is 3 and 3-8 inches with stroke of 4 and 3-4 inches. Teh motor develops between 35 and 40 brake horsepower and the road tests have shown that the power plant will deliver up to 60 miles an hour with ease. Features of motor construction are the large three-bearing crankshaft and 12 inch long connecting rods, extra long rods being provided to reduce vibration to a minimum. A circulating splash oiling system gives automatic lubrication throughout. Another important feature is the automatic carburetor heat control through which ideal vaporizing conditions are obtained.

The Transmission is of the selective sliding gear type, three speeds for ward and one reverse. The universal joint is of standard McLaughlin-Buick construction being virtually an integral part of the transmission and automatically lubricated from the transmission. The clutch is of the multiple disc dry plate type, built in exact accordance with the principles which have guided clutch construction in McLaughlin Master sizes. All moving parts are enclosed.

Front axle of the four-cylinder car is an I-beam forging. The rear axle is three-quarter floating type, all the weight of the car is being carried on the axle types and only driving torque and steadying of the wheels being taken by the axle driving shafts. The third member is of standard McLaughlin Buick type of construction, designed successfully to eliminate all twisting or weaving in the rear axle. Gear ratio of the rear axle on high speed is 4 and 2-3 to 1.

Wheelbase of all models is 109 inches. The spring suspension is designed to give fine riding qualities to a car of this wheelbase. The front springs, semi-elliptic type, are 36 inches long, and the rear springs, also semi-elliptic type are 55 1/2 inches long. Cord tires are standard equipment on all models. These tires, which are 31x4, are the first straight side cord tires in this size ever manufactured and were built especially to meet McLaughlin Buick requirements for the new four-cylinder cars. The tires have been adopted as standard size.

The chassis is lubricated with the high pressure Alomite system. Delco starting and lighting system is standard equipment. All models are complete with tire carrier, extra rim and non-glare headlight lenses.

Shipping weights of the four models

Veteran of Civil War Still Hale and Hearty

GEORGE D. SHAW, Springfield, Mass.

"To say that I feel twenty-five years younger, twenty-five years healthier and twenty-five years stronger express what Tanlac has done for me better than any other way I can put it," said George D. Shaw, veteran of the Civil War, who now lives at 321 Walnut street, Springfield, Mass.

"I am now seventy-eight years old and I don't hesitate to say I have never known a medicine to equal Tanlac. For fifteen years I was subject to attacks of indigestion that were so bad at times I would have to lay up for a week or two. For a long time I lived on crackers and milk alone as nothing else agreed with me.

"When I started on Tanlac I weighed only one hundred and seventeen pounds and my days were thought to be numbered. I've been so wonder-

fully built up, I now weigh one hundred and forty-three pounds and my stomach is as sound as a dollar. In fact, I believe I could eat the old army rations again without it hurting me in the least.

"I never miss a chance of saying a good word for Tanlac and I would like to urge the boys of the 'Sixties' like to urge the right to give it a trial, for I am sure it would put them in line again just as it has me. For a man of my age to have no physical ailment, to be well and strong and enjoy life as he did twenty-five years ago, is certainly something to be thankful for and there is nothing too good I can say for Tanlac."

Tanlac is sold in Hartland by Estey & Curtie Co., Ltd., and by leading druggists everywhere.

are Roadster, 2310 pounds; touring cars, 2380 pounds; coupe, 2430 pounds; sedan 2650 pounds. In adding the four-cylinder models to the six-cylinder cars now produced, McLaughlin executives feel they have

rounded out their line and constructed cars which are in every respect worthy of the high reputation of "Canada's Standard Car."

Deliveries are scheduled for immediate shipment.

The Flavor Lasts

SEALED TIGHT KEPT RIGHT

An Exhibition from France

At the inauguration of the French train at Place Viger Station, Montreal. Amongst the officials shown in this photo are Prime Minister Meighen, Senator C. P. Beaubien, Senator Smeaton White, Senator Dandurand, Count d'Arnaud, president of the train; M. de Lalande, vice-consul of France in Montreal; Mr. E. Hebert, of the C.P.R., and Mr. Morrison, of the C.N.R.

Geo. Clemenceau's head by Rodin, the famous sculptor, which is on exhibit in the French train.

A Made-in-France exhibition train is now touring Canada, over the Canadian Pacific Railway. It was opened at the C. P. R. Place Viger Station, Montreal, on August 29th, amongst those present being Premier Arthur Meighen, Mayor Martin of Montreal, and Senator C. P. Beaubien, who organized the bringing of the French exhibition goods to Canada and the tour of the train throughout the Dominion.

The object of the train carrying French goods is to promote cordial, social, and commercial relations, reciprocally advantageous to both countries.

The train consists of a baggage car, eight exhibition cars, a tourist, a diner, and two sleeping cars. The eight coaches of the train carry goods representative of:

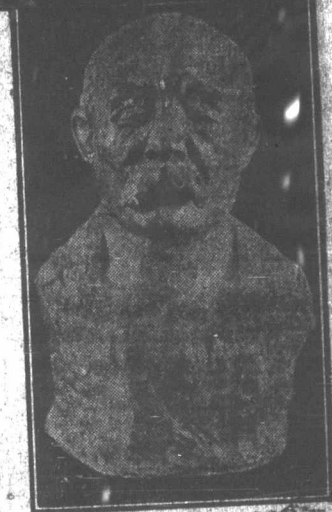

- (1) The intellectual development of France;
- (2) Industries, commerce and

- tours;
- (3) French styles;
- (4) Leather industries;
- (5) Chemical goods, perfumery;
- (6) Instruments of various kinds, electrical goods, toys;
- (7) Agriculture, horticulture, food;
- (8) Jewellery, objects of art, clocks, watches.

But this list only gives an idea of the hundreds of things on exhibition. In the tour of the Dominion the train will travel a total of 7,993 miles.

During the four days which the train remained in Montreal it was visited by thousands of interested persons. It was a huge success at the Toronto Fair and is attracting large numbers everywhere it goes through the country.

A member of the staff of the Canadian Government commercial intelligence service is travelling with the

train, partly in order to study the results obtained from a business point of view. The information gleaned is to be used in fixing up the railroad of Canadian products which it is stated is to be sent later on to tour France and probably the United Kingdom and other European countries.

A Successful Woman Farmer in British Columbia

(1) Lillooet country, showing Mrs. Foster's ranch in foreground. (2) Mrs. Foster, of Lillooet, B.C.

At Lillooet, about thirty miles west of Ashcroft and north of Lytton, right in the middle of the dry belt in British Columbia where irrigation is the magic wand that turns the desert into a fertile garden, there is a little 32-acre farm owned and solely managed by a woman.

It catches the eye by its aspect of orderly prosperity, its shady orchard, well-kept gardens, the sleekness of the milk-cows grazing in the higher paddocks and the vivid green of its alfalfa fields stands out in strong relief against the vast brown barren slopes of the surrounding country, sun-baked, covered with sage-brush and little else.

Wearily as she is with a life-time's work of fifty-three years behind her, Mrs. Foster still carries on as faithfully and as thoroughly as she did twenty years ago. With the help of an Indian who comes in to do the ploughing and give a hand with the haying and harvesting, she and a niece, who sometimes stays with her, manage the whole work of the farm alone.

Mrs. Foster gets more out of her acreage than any other farmer in the province. Every inch of ground is turned to account on a methodical and scientific system; the vegetable and animal growth are made to react to each other's mutual benefit and both to the good of their owner and the country.

Her five milk-cows pasture on the same and she sells all her dairy pro-

duce to an hotel; besides these there are a couple of work-horses, pigs and chickens. Every scrap of feed used for the stock is produced on the ranch itself.

Mrs. Foster has worked down to a fine point just exactly how much space it is necessary to devote to alfalfa, grain and hay in order to do this and nothing is bought in the way of feed except perhaps a small amount for the chickens. The crop and the animal balance each other and no overweight is allowed on either side.

This farmer is also a first class gardener, both in theory and in practice, and has sweet corn, eggplant and a longer period than anyone else in British Columbia. She devotes about a quarter of an acre of well adapted land to her early spring garden and another piece with a colder aspect, to her late summer planting; so by a carefully planned system of sowing in succession she has a plentiful supply of fresh vegetables to sell to the hotels and also to ship to other points.

Lillooet is never troubled by late frosts so her tomatoes are early and these she sells by the bucketful and last year shipped 100 boxes to the coast. The orchard contains every sort of tree-fruit, including Italian prunes, peaches and apricots of which Mrs. Foster has two big trees (now in bearing) grown from seed sown since she came to the place nine years ago. Last year she ship-

ped away 700 boxes of fall and winter apples.

There are some healthy looking hedges of grape vines which bear profusely and plenty of raspberries and other small fruits, but her speciality is melons for which she is famous. There are rows and rows of these, cantaloupes, musk and water melons for all of which she finds a ready market. Her four beehives are partly the reason why her fruit is so successful.

And so we take off our hats to this woman who in "carrying on" so wisely and so well to our country's benefit.—H. G. W.

Mother Knows

"just how" to make a really nice cup of Tea --no one better.

Let her combine her skill with the unusually rich flavor of KING COLE TEA. Not a doubt about the result.

"You'll like the flavor."

"IT PAYS to ADVERTISE"

Buy Hallam Furs By Mail

Direct From "Trapper To Wearer"

It doesn't matter where you live in Canada, as long as you have a mail, you will reach you. You can wear the latest styles and highest quality fur coats or suits. Simply order by mail from HALLAM. The price is the same in every part of the country. I pay all delivery charges.

ALL HALLAM Fur garments are high quality and wonderful value for the money--you can obtain them from me direct by mail at much lower prices than any fur elsewhere of the same quality--every HALLAM Fur garment is guaranteed.

Hallam Furs are an Economy

It need not be thought that furs were rather a luxury, but now the economical buyer has discovered that furs are a genuine economy as well as a necessity. A fur coat or set will last from five to fifteen years--a buy cloth coats to last this long would cost very much more than the furs to actual money. In addition to that, you always feel well dressed in furs--always comfortable, always warm.

Hallam Furs less than Hair Price

You can obtain HALLAM furs this year at less than half the price that they are sold at last year. This is due partly to the drop in the price of raw skins, and to the fact that, as usual, I bought our furs at the very lowest bid in the market.

Why I Can Sell at Such Low Prices

In the first place, I buy the skins direct from the Trappers and Indians for cash, and am the largest cash buyer of furs in Canada. Then I sell direct to you for cash. This method saves you the various middlemen's profits, the fur dealer, the wholesaler and the retailer, high store rent, sales clerks' salaries, and accounts, etc.

Another big advantage is you can see the furs in your own home and can examine them at your leisure without being influenced by anxious sales clerks.

The cost and not illustrated in this advertisement are fair samples of HALLAM furs. You will be cost you presently on receipt of price.

If HALLAM furs do not please you in any way, you can simply send them back at my expense, and I will cheerfully refund your money--you are not out one single cent.

You can be sure of satisfaction when you buy by mail from me. That is my guarantee.

INTERNATIONAL BRIDGE
READY BY THE SPRING
Piers Completed and Work on Superstructure to be Started Soon—St. John Engineer in Charge of Concrete Work.

Edmundston, N. B., Oct. 2.—The plans for the fine new international bridge across the St. John river between Edmundston and Madawaska (Me.) have been finished and work on the abutments will be completed by the end of this month or early in November. There are three piers, each sixty feet high, the highest of any piers on the St. John river, and each contains between 800 and 900 cubic yards of concrete. The bridge when completed will be 900 feet long. Work on the superstructure will be started this week and it is expected the bridge will be thrown open to traffic before the ice runs out in the spring.

THE ELECTION OF
County Councillors
COUNTY OF CARLETON
The Election of County Councillors will be held on **TUESDAY, 11TH DAY OF OCTOBER NEXT**.
Fifteen days public notice of the time and place of holding election to be given by Parish Clerks by posting in three most public places of the Parish.
Nominating of candidates to be filed with the Parish Clerk to be left at his residence at or before 6 o'clock p.m. on Monday, the 3rd day of October next.
Parish Clerk to post names of candidates in three of the most public places in each polling district on or before Thursday, the 6th day of October next.
Candidates names also to be posted up at the polling places before the opening of poll on day of election.
The parish clerk or district clerk (as the case may be) to act as chairman unless he refuses to serve, or is absent, or not competent by reason of relationship of candidates, when chairman to be chosen by electors present.
Assessors are required to furnish parish clerks with list of electors.
Dated the 25th day of September, A. D. 1921.

HOW YOU CAN TELL
GENUINE ASPIRIN
Only Tablets with "Bayer Cross" are Aspirin—No others!

GENUINE ASPIRIN
There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations.
Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for sixteen years and proved safe by millions for Pain, Headache, Neuritis, Cold, Rheumatism, Lumbago, Neuralgia, Hay Fever, etc. 12 tablets in a box. Larger "Bayer" packages can be had at any drug store. Made in Canada.
Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocacetic Acid Salicylates.
While it is well known that Aspirin is a Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

THOMAS MARGISON
A very pretty wedding took place at the home of Mr. and Mrs. J. Allen Margison, Knoxford, Wednesday, August 31, at 2:30 o'clock, when their eldest daughter, Margaret P. V., was united in marriage to Frank G. Thomas of Centerville. The ceremony was impressively performed by Rev. E. A. Triggs of Hartland in the presence of about ninety guests.
The bride took her place beneath a pretty arch of evergreen on the lawn while the wedding march was being rendered by Mrs. H. C. Wheeler.
The bride looked charming in a gown of white crepe-de-chine with satin trimmings, wearing a bridal veil, and carrying a shower bouquet of roses, carnations and maiden hair fern. She was attended by her sister, Helen, who was becomingly gowned in light blue voile and carried a bouquet of white asters. The groom was supported by his friend Irvine Jones.
At the conclusion of the ceremony the bride and groom repaired to the dining-room which was tastefully decorated for the occasion, and partook of a sumptuous wedding supper. The bride was the recipient of many useful gifts, including cut glass, pyrex, aluminum, linen, \$65 in cash, also a chiffonier from a number of her friends. The happy couple left by auto for a trip to Dexter and Newport, Me. The bride was an efficient teacher in our public schools for several years.

A BUSY GUIDE
Charles Gremlin, the well known guide, arrived by automobile yesterday from the Tobique, bringing with him the heads of five moose and the carcass of a deer. One of the moose had a better spread of sixty four inches. All the trophies were secured at Mr. Gremlin's camp by non resident sportsmen, and were brought here to be mounted. Mr. Gremlin had out 17 sportsmen in the month of September and he now has 12 in the woods, with more coming.

BIRTHDAY PARTY
On September 28 about thirty relatives and friends gathered at the home of Edgar Green as a surprise party in celebration of his 48th birthday. Among the guests were Israel Boyer of Victoria Corner. The evening was spent in music and singing and Mr. Green was presented with cash for a beautiful bible. At about ten o'clock cake and coffee was served after which the party broke up, all reporting a good time.

LOCAL AND PERSONAL ITEMS

The evangelistic campaign which has been carried on here by E. K. Kenyon and staff for the past month came to a close on Sunday evening. Much good has been accomplished and the local church will see new life and a large addition of converts through these special services. Mr. Kenyon goes from here to Halifax where a similar series of revival services will be entered upon on Sunday. Havelock Sanson of Campbellton gave an illustrated lecture on the havoc wrought in the Halifax explosion. Mr. Sanson spent a month in reconstruction work immediately subsequent to the disaster. A large crowd listened to his lecture. The collection was given to the Bethel Bible School at Spencer, Mass.

A. B. Campbell and Mr. and Mrs. Baker of Hartland attended the meeting here on Sunday.

Mr. and Mrs. Wm. Howard of Westfield were the guests of Mr. and Mrs. Burton Clark on Sunday.

J. McLennan spent Tuesday in Woodstock on business.

Harry Stevens of Woodstock was here on Thursday.

Mrs. E. E. Hagerman and children left on Thursday for Hartland where they will spend the winter with Mr. Hagerman.

On October 5, services will be held in the U. B. church, Centreville, as follows—Services at 11 a.m.; speaker, Alvin Benben Hagerman of Hartland. Rev. J. R. Bell will preach at 7 p.m. No services at Good Corner or Lakeville.

and Mrs. Sidney Hagerman.

Mrs. S. W. Burt and Miss Kate Burt returned on Thursday after a week's visit in St. John.

Mr. and Mrs. John Henderson of St. John spent the week-end with Mr. and Mrs. S. W. Burt.

The Misses Margaret Reid, Wilma Scott and Elfreda Delong are students at Mt. Allison Ladies College, Rockville this year.

H. W. Smith is enjoying his annual vacation and is being relieved by W. Bernard of Fredericton.

Rev. J. W. Williams of Kenawick was the guest of Mr. and Mrs. G. A. West last week.

G. R. and Fannie Violette were here on Thursday on business.

Dr. H. W. Peppers was in Woodstock on Monday.

William Kennedy of Woodstock was in town on Tuesday.

Rev. J. B. Duggan of Hartsville spoke in the Baptist church last week in the interest of the New Brunswick Temperance Alliance, preparatory to the coming referendum.

Rev. E. C. Huber of Maine, assisted in the Sunday afternoon services in the U. B. church.

L. W. Kennedy spent Sunday with his brother, L. L. Kennedy, in town.

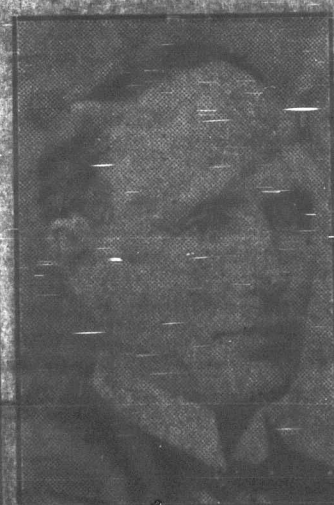

On Sunday, Oct. 4 (10th Sunday after Trinity) Rev. C. R. Graham will preach at Greenfield at 11 a.m.; Florenceville at 2 p.m.; Centreville at 7 p.m. Subject: "My house shall be called a house of prayer." Everybody welcome.

SHERWOOD-ALEXANDER

The home of D. F. Alexander—Jack-sontown, on Sept. 21, was the scene of a pretty wedding when his daughter, Dorothy Estey, was united in marriage to Harry Lee Sherwood of Woodstock.

The bride entered the room in the arm of her father, who gave her away. Little Miss Mae, sister of the bride, acted as flower girl. The bride was handsomely gowned in pale blue satin carrying a pretty bouquet of white asters and the flower girl looked sweet in a pale pink suit. In the party entered the room. The wedding march was rendered by Mrs. Geo. Kilgus. The ceremony was performed by Rev. E. A. Fawcett in the presence of about fifty guests. The house was beautifully decorated with autumn leaves and cut flowers. After the ceremony a sumptuous supper was served. The bride was the recipient of many beautiful presents. The happy couple left for their future home.
