CHEMISTS & DRUGGISTS, Place d'Armes. November 12. A QUICK CURE FOR PAIN.

RADWAY'S READY RELIEF, External and Internal Remedy of Rare Efficacy—The most powerful Antidote for Paun ever discovered—It gives instant Ease;, and insures speedy Cures, of all Rheumatic and Nervous Diseases.

RADWAY'S READY RELIEF is what its ADWAY'S READY RELIEF is what its name purports—a Ready Relief for Pain. The discovery of this powerful Antidote for Pains of all kinds is hailed by suffering humanity as the Medicine of Grace; it is a more speedy and effectual souther of pain than Laudanum or Morphine, and is free from the poisonous effects and properties of these powerful nervines. As soon as the Ready Relief is applied ease is experienced. To this statement thousands of persons who have been relieved of the most distressing pains can testify.

To Rheumatish, Lumbago, Gout, Paralyais, Spinal Affections, Weakness, Pains in the Bones, Joints and Muscles, Soreness, Stiffness, Sprains, Strains, Bruises, Cuts, Sores, Wounds, Burns, Head-Ache, Nervous Affections, Neuralgis, Jid Dolereux, Sharp Shooting Pains through the System, Swellings, Inflammations, Irritations, Poison Sores, Salt Rheum, Rush, Itch, and in fact all Cutaneous Rheum, Rush, Itch, and in fact all Cu Affections.

INTERNALLY TAKEN-DOSE, 30 to 40 DEOPS. INTERNALLY TARES—AUSES, as to we prove. It imparts warmth to every part of the system, gives tone and vigor to the stomach and liver, invigorates to healthy action the secretions and functions of the skin, soothes, heals, purifiee, cleanes, relieves, and cures, Croup, Sore Throat, latinesse, Catarris, Swelled Toncile, Coughs and

CRAMPS AND SPASMS. CRAMPS AND SPASMS.

Thirty drops have cured the most violent Spasmo and Cramps in 15 minutes. It will also relieve the sufferer of Heart-burn, Flatulence, Sour Stomach, Sick Head-Ache, &c. The Weak, it e Mervous, the Sick, the Wounded, are all invited to try this invaluable Remedy. It will cure the worst cases of Rheumatic and Nervous-Aflections, where other powerful medicines have been used in vain. Like a Ministering Augst, its office is to Relieve Suffering Humanity for the public good.

SPIRIT OF THE PARTY.

The property of the property o of opinion. A Colonial Government will not probably be endured by Canada minel folger. It is acknowledged on all hands to be one of the worst forms of Government, and when a community has grown to a certain maturity, it is astended with the constant danger of insurrections, so that it can be neither prosperous too peaceful. Canada has long almos reached such a stature that she is able to walk without leading strings, and the Mother Country will doubtless cost see the accessity of removing them. That she emancipased Frevines will the Derective the advantages of helongring to our Confederacy, is joint of contents community may demand front other nations, is extremely profitable. The little Republic of Texas asw and felt the full force of these motives, long before we were ready to sainful at since the Countermoy.

If, however, Canada should be flow in perceiving these shruntanges, we have including to do in the institer but so let her take her own tiess. The Somkern politicisms who were in such a furious heart politicisms who were in such a furious heart politicisms who were in the account of American Canada. The seember of the Union, will, of course, be glad of any capace which were in such a furious for American Canada. The seember of the Union, will, of course, be glad of any capace which goespoines the question of American Canada. The seember of the Union, will, of course, be glad of any capace which goespoines the question of American Canada. The seember of the Union, will, of course, be glad of any capace which the proposition of American Canada. The seember of the Union, will, of course, be glad of any capace which goespoines the question of American Canada. The seember of the Union, will, of course, be glad of any capace which goespoines the question of American Canada. The seember of the Union, will, of course, be glad of any capace which goespoines the question of American Canada. The seember of the Union, will, of course, be glad of any capace which grows the course of the course of the union of the re

Canana. — There has not been much more discussion regarding Canada. The Standard, a Protectionist and Right Canarda paper, referring to the possibility of the Suparation of the Golony from the Mother Country, semarks: — This is a consummation systematy desired by the present fightermation; and one for the country, in come, they must be made on the country, in come, they must be made on the country, in order that they have be made on the country, in order that they have be made on the country, in order that they have be made on the country, in the country, in the country, in the country of the country, in the country of the country, in the country of the Canadiana we consider maintenance of the Councation with Canadiana we consider maintenance of the Councation with Canadiana we consider maintenance of the Councation of the N. T. Councaston the country of the Councaston.

respondence of the N. T. Com. Advertise.

(Fran the London Duily News.)

Of all this we should have mixen to notice, but for the monomement which the Ministeria journal deakes at the conclusion of its articles, an announcement that will be read all owners the United States and Canada, and which will existe feelings in both those countries dangerous to the poses, and tainined both to the christer and presents of the country. We could wish to the Colonial Office a state more predence, and agreement of the command of office a state more predence, and agreement in the non-official now special control of the people of the control of the people of

We can conceive to language as arrogant, as fargolists, or so unprincipled as this. Such view and arguments might be propounted by governments of the last century, or by absolutist politicians in this. But for Englishmen, and Ministerial organs, to tell British Colonitas the present day, that the English Government in the present of t

planes, where the companies of the companies of the companies of Canada, if they life, because they are of no possible use to Great Britairs, but that the sexboard shall not in any case be given up, because it ministers to the power, and continuous primitings that the the sexboard shall not in any case be given up, because it ministers to the hold to Colonias in the present age? We retaily inderstood that no British Statemen would think in the present day of holding Colonias except on the principle of mutual goods to Colonia and Rother Country. But if we are to save that the government of both Canada and Boglund a not only to think of England first, and of Canada all—why, then, we say that the Ganada first, and of Canada all—why, then, we say that the Ganadasis would be justified in dominating instant separation, and account at all—why, then, we say that the Ganadasis would be justified in dominating a stone and focuser the upcome of a country governed by principles so belight and so repaired on the Montreal petition, we never looked upon it, askept as the expension of and vision applies of companies. As to the Montreal petition, we never looked upon it, askept as the expension of and vision applies of the United States. A war is going an beaution the Montreal petition, we never looked upon it, the Montreal petition was also be a supported of this document, the question monored in it, to one that must estemally be started and keep alive by the first proposition, the washing, and proposition to be seen the Montreal state of the United States—a war of riving a for the proposition. The strange that we have not. England Binginstay afternames that they are all theirs and that we saw the of our, gring to the Canadas by the large stone of our, gring to the Canadas the mere shadow of a Government of the tambine the mere shadow of Tary principles there, by sending out Onsequence, and suited the anticonnect in the weak stated of our, gring to the Canadas of the Proposition of the Canadas by the large shad understand unde

hedge, and that they would give the world to leap back again, but are either ashamed or airaid?

The prophets have prophesied falsely—they confidently predicted that the poor Annexationists just romancing.—Quebes Chronicle. fidently predicted that the poor Annexationists would be overwhelmed by a storm of wrath and ridicule, so soon as their declaration came under the lash of the English Press;-but what is the upon reading the above. But notwithstanding case? With the exception of the Morning Chronicle and John Bull—the latter a paper of no influence whatever, the former the organ of the We are not yet satisfied that Lord Elgin did not would-be absolutists of England—every paper that we have seen speaks of the Montreal document in the highest terms. Why do not the Pilot and Transcript re-publish these articles We will first gave L. Leen's credit for. If the public mind tell them—they are considered from the careful for the public mind. tell them—they are afraid to do it, for they know is to be brought to disbelieve L'Avenir, the Bishthe influence which they will surely have on the ops will have to come out, and state most unequipopular mind in the Province. They know that hundreds, may, thousands of persons in Conada, have only hesitated to join in the Annexation movement, from fear that they would be misunderstood in England. They would not for worlds that their English countrymen should be able dressed to Mr. Vansittart, inviting him to oppose with justice to accuse them of ingratitude in Mr. Hineks at the next election for Oxford. wishing for separation after England's many benefits. Their understandings have long ago THE INDIAN TROUBLES.-A Telegraphic De-

been convinced that the continuance of the con-nection is neither for England's benefit nor Cana-from Mr. Bonner, Secretary to the Quebec Minda's, but their feelings would never have permitted ing Company. The Despatch states, that two of them to agitate for a practical working out of the Miners at Mica Bay were killed by the Inthe made of the Allastrac. We case conceive an elanguage as arrogant, so in politic, we can conceive an elanguage as arrogant, so in profitie, we can conceive an elanguage as arrogant, so in profitie, we can be a conceive as this, such views and arguments of the last century, to the second the convertions, if they believed that the result season of the Works, and which they were such as the first convertions of the works, and which they were such as the first convertion of the Works, and which they were such as the first colorina in the first convertion of the Works, and which they were such as the first colorina in the first convertion of the Works, and which they were such as the first colorina in the colorina in the first colorina in the colorina in Press. With two or three insignificant exceptions, | Chronicle further sta that Press distinctly tells us that so soon as a been taken to excite the Indians against the Minmajority of us are of one mind in the matter, ing Companies, but it is well known that two or England is prepared to let us do what we please. three desperate men, who act as their leaders, are We venture to predict that this open, honourable, the main cause of all the present trouble."
and patriotic declaration on the part of the English

people will have a vast effect on the public mind of Canada. It will give fresh spirit to those earn-est workers who, at every disadvantage, commenced the labor; it will confirm and determine the waverers, and bring over to us many decided

opponents.
We think, too, that the men, by whom the Manifesto was drawn up, may feel not a little proud of their work. From not one journal has it elicited one word of disapprobation, either as to its manner or its matter; on the contrary, it is apoken of in the very highest terms; it is declared, in fact, to be ununewerable, and that is the greatest praise that can be given to any document; nay, one similar though the writer declared. ment; nay, one eminent public writer declares it bum mt.

Spaires, and external officers, by sending out Orangemen, and sudowing it an accommunicating to the large action of the sending and communicating to the large action of the sending action of the sending action. minent for felicity of diction, mathines of expression, and correctness in assertion, in favor, of the opinion of his constituents. In the same country, we know that eight persons only attended a counter-meeting. We know that the feeling is spreading generally through the Townships, and partially through the Seignories; that meetings are held, and associations formed. In Upper Canada, we know that a gentleman, who is known to be an Annexationist, will carry the Third Ridging of York at the coming election, and that all apposition is fruitless. We know that a journal, started avowedly in this cause in the old loyal city of Toronto, meets with support hitherto tine exampled in the history of new journals in this Colony, and we know that the feeling is spreading producing in the countries. The Chairman made some remarks on the inspois of the Cautiess, if the opportunity were given them, would follow suit with the Third Ridding roughly follows all the opportunity were given them.

The Chairman made some remarks on the impolicy of the proportunity were given them, would follow suit with the Third Ridding roughly fined to the state of affairs on the Counties, if the opportunity were given them, would follow suit with the Third Ridding roughly fined to the state of affairs on the Counties, if the opportunity were given them, would follow suit with the Third Ridding roughly fined to the state of affairs on the Counties, if the opportunity were given them, would follow suit with the Third Ridding roughly fined as a member of Annexationist principles.

Is in not a pretty promising beginning for an anticont of the contingual of the contingual of the counties in the counties of the Cauties and the Cauties and the Cauties and the counties of the Cauties and the Cauties and the counties of the Cauties and the Cauties and the counties of the Cauties and the Cauties and

the necessary unity and action in the cause, the best mode is to organize Annexation Associations throughout the country, on the plan of that of Montroal; that this meeting, consequently, invites the other Parishes of the County to organize such associations, in connection with each other, and with that of Montreal; that a Committee be named to organize an Association for this Parish, and that the Committee be composed of Messrs. Gideon Cartier, Luc Fortin, J. Lamoureux, R. Wright, D. Lanoue, H. Jamieson, and Dr. Campbell.

5th. Proposed by John Eadie, Esq., seconded by H. Lamoureux, Esq., and Resolved,—That the proceedings of this meeting be published in the Avenir, Herald, Moniteur Canudien, Courier, Minerve, and the Neus.

by labor and industry, honestly acquired a fortune; one of those men who are devoted to the
principles which they adopt, and ready to accept
the consequences, because they adopt them only
after ripe reflection.

With such men, success must crown our efforts.
The Parish of St. Georges, (or Henryville,) inhabited by a mixed population, which was, in
past years, the bloody theatre of those diseatrons
atruggles is which the country has exhausted all
all its powers for the years, with no other result
that to envenom the wounds, ought to give the
example in circumstances, when it is endesvered
to bring about a true and sincere agreement among
neis of all origins and parties, to make in future
but one origin. Canadians, and but one party, for
Annexation. For men who understand the secessity of Annexation for our unfortunate country, who have its welfare at heart, as well as that
of their children, for these men to put themselves
at the head of the work, to call forth strong and
apostuneous munificatations on the part of the
country, is to ensure success. Let us be firm and
united in an agitation legal and constitutional, and
just withal, and the good cause will triumple. GENUINE COD LIVER OIL.

ONE of the most valuable remedies for the Cure of CONSUMPTION, SUROFULA, te. It has been long, employed in England with the greatest success in the above diacases.

A great difficulty has existed in procuring pure, undulerated Oil, and that which is free from unpleasant divor. To obvinte this, S. J. L. & Colore had Cod Liver Oil manufactured expressly for their trade, and they are now enabled to offer a sticle whose purity and excellence can be de-

ended upon.
It may be taken without interference with diet a usual habits. The Cod Liver Oil has been

secretary are to be attached to the Consulta. The Consulta is to give its opinion on the projects of high legislation, and on the measures of general administration; also on the interpretation of legislative enactments, on disputed attributions, and jurisdictions of the tribunals and other authorities, both lay and ecclesiastical, on applications for naturalization, questions of precedence, and the judicial and administrative circumscriptions of the

dicial and administrative circums addicial and administrative circums addicial and administrative circums addicial and administrative circums addicial and administrative circums and the Turkish question, has annoyed the Emperor very much. He has caused Count Nesselvole to address an energetic note to the English Government on the subject. In the note the Emperor protests against tais hostile demonstration in the midst of peace, and against the right which England arrogates to herself to interfere in a matter which regards only Russia and the Sublime Porte.

As to the difficulties which this affair may give rise to, the interpretation of the treaty existing at those two powers belong, says the note in the subject of t

As to the difficulties which this affair may give rise to, the interpretation of the treaty existing between those two powers belong, says the note, to them alone, and England ought to remain completely unconnected with it.

The Emperor has signified, it is said, to Fuad Effendi, that he may now consider his mission as terminated; that his presence at St. Petersburgh was a violation of a convention entered into between the Sublime Porte and Russia, according to which the Sultan could not send an Extraordinary Ambassador to St. Petersburgh without having first given notice to the Russian Embassy; that he, in a sentiment of friendship, had been pleased to accord an audience of bonour to the Sultan's Envoy; but that from the moment that this latter had considered it necessary to appeal to the intervention of France and England, his kind dister had considered it necessary to appeal to the intervention of France and England, his kind dismust take place

Mr. Care, the American Minister at this court, has received a letter from a number of American citizens, who held a meeting at the Hotel de la Paix, at Paris, on the 22nd of last mouth, for the purpose of expressing their sympathy for the Hungsrian refugees now in Turkey. The subscribers to this letter call upon Mr. Carr to exert himself in favour of Kossuth and his friends, who have sought refuge in the Ottoman territory; that he will place any ships of the American navy that may be in Turkey at their disposal, if it should be necessary for them to fly from the Sultan's dominions; and that when an opportunity

GLASOOW, 12th January, 1847.

Sin,—I have great pleasure in informing you of the great good your casellent COUGH LOZENGES have done me. In December, 1845, I caught a severe cold from riding two or three miles, one very wet night, which settled in my lungs, and quite took away my voice, so that I could not speak above a whisper from that time until December last. I tried all kinds of medicines, but they were of no available with the companies of the country to please my friends; but before I had finished a 2s-9d. tin, my voice, to my great joy, came back as strong as ever

NOTICE TO THE PUBLIC.

In 1845, Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's And to the public, under the denomination of "Halsey's Halsey's Pills had gained by curing thousands of disease.

The public are now most respectfully notified.

f disease.
The public are now most respectfully notified that
Dr. Halsey's genuine Pills will henceforth be coated GUM ARABIC,

An article which, in every respect, supercades Sugar both on account of its heeling virtues, and its durability. The discovery of this improvement is the red with of a succession of experiments during three years. For the invention of which, Dr. Helsey has been awarded the only patent ever gruind on Pills by the Government of the United St. so of America. The Gom-Conted Forcet Fills prevent a beautiful, transparent, glassy appearance. The well known wholesome qualities of pure Gum Arabic with which they are conted, tenders them still better than Dr. Helsey's Sugar-Conted Fills. The Gom-Conted Fills are never liable to injury from dampases, but remain the same, retaining all their virtues to an indefinite operated of the and are perfectly free from the disagreeable has neusisting tants of Mericine. In order to swed, all impositions, and to obtain Dr. Halsey's Crue and gonuine Pills, see that the libely of each box bears, the signature of G. W. HALSEY.

REARES PILLS, and avoid all others.

If you desire a mid and gendle purgative, which neither nauseeness or gives rise to griding, seek for Halsey's Pills.

If you would have the most concentrated, as well as the best componed Sanzapantica Extracor in

neither nauseeres or gives rise to gruing, seek for Hantspy's Priits.

If you would have the most concentrated, as well as the best compound Mansapanilata Extraor in the world for purifying the blood, obtain Dr. Malessy's Priits.

If you do not wish to fall a victim to dengarous illness, and he subject to a Praysician's bill of 30 or 50 dollers, take a dose of Dr. Hantspy's Priits as soon as unfavorable agantonis are experienced.

If you would have a Medicina, which dose not leave the bowels continue but gives arrength instead of weakness, primer Bains y'n Priits, and avoid Sairs and Gaster Off, and all common purgatives.

Parente: If you wish your families to continue in good health, keep a bug of Halbary's Priis in your louise.

Laties, Dr. Hanny's Priis are mild and per-

Lucies, Dr. Habsby's Pills are mild and per-Lates, and well adapted to the socillar de-fectly harmiess, and well adapted to the socillar de-licacy of your conditation. Procure their. CURE OF TYPHUS FEVER, WHEN SUPPOS-ED TO BE AT THE POINT OF DEATH.

ED TO BE AT THE POINT OF DEATH.

A respectable female, in the neighborhous of Longhall, was attacked with Triphus Fever, and lay for five days without he ing inseed any description of ford. She was given over by the Surgeon, and preparations were made for her demise. All. Berjamin hickies, the Quaker, whose case is referred to shove, heard of the creumstance, and knowing the immense bon fit that he himself had derived from Holloway's Pills, recommended an immediate trial, and eight were given to her, and the sume number was continued hight and morning for three days, and in any short time she was completely cured.

R. B.—From advice just received, it appears that Colonel Dear, who is with he Megiment in India, the West Funiteers, cured himself of a very bad attack of Fever by these celebrated Pills. There in Odobt that only Fever, however malia nent, may be cared by taking night and morning, copound does of this fine medicine. The parient should be induced to drink picturially of warm linseed tea or barley water.
