horrible deeds of the Russian savages
against our fellow-creatures in that
terrible country, Russia. The unhappy
Hebrews have been driven to death, tor-
ture and pillaged, by many thousands
in over 80 towns in Russia. Let us not
neglect our duty in trying to ameliorate
no matter in how slight a degree—the
acute sufferings of the poor homeless
ones who have lost many near and dear
ones by rapine and murder. It is a so-
lemn call to us, Christians, to extend
liberty-loving land to assist, our
persecuted Russian co-religionists. For
Christ's sake, let us not turn a deaf ear

WESTERN CANADA'S BIG STORE
OUR GREATEST
CLOTHING SALE

Commencing on Friday, Dec. 1st
This is not an ordinary sale, but one that will interest any person likely
to want a Suit or Overcoat during the next six months.

THE BARE FACTS ARE.....
We have Seven Hundred and Eighty Suits manufactured to sell at \$15,
\$20 and \$25 per Suit, which will be sold at \$10 per Suit.

A short time ago we purchased by auction from the Henderson Clothing Co. a
small lot of Suits which were sold out in a very short time.
This was only a very small order, the balance not being delivered. We were
fortunate in securing for our customers the remainder of the "Stylenfit" stock; also
the Broadway Brand, which we will place on sale at TEN DOLLARS per garment.
We could put this lot of Suits in our regular stock and get their regular values, but
that is not the way we are building up the Largest Business in the West.

We are going to demonstrate to the most particular man in Victoria that we
can sell \$15 to \$25 Garments at \$10.00, and that the persons employed in
producing these Suits are among the best of skilled workmen in Canada and com-
mand the best wages paid in the trade.

This Important Sale will commence on December 1st
which is Friday next
See the big display of Suits in Broad and Government Street Windows.
And there are hundreds more like them in the department.

NERVOUS DEBILITY CURED
Excesses and indiscretions are the cause of more
sorrow and suffering than all other diseases combined.
We see the victims of vicious habits on every hand;
the pallid, pinched faces, dark circles under the eyes,
stunted development, bashful, melancholic
countenance and timid bearing pointing to all the
ills that flow from a disordered system.
We point this man to his own condition, and
removing the effects of former indiscretions and
excesses. It cures all nervous debility, restores
the patient to what nature intended, and
restores man with physical, mental and nerve pow-
ers complete.
