Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

# GENERAL ORDER.

Voice / Campyford - Centre a Capt. 366 du Vol. 8.

His Excellency the Governor General and Commander of the Forces, has received from Lt. Col. Morrison, 89th Regt. the official report of the action which took place on the 11th inst. at Crystler's Farm, 20 miles above Cornwall, between the Corps of Observation, consisting of the 49th and 89th Regts. and a detachment from the Garrison of Prescott, under Lieut. Col. Pearson, the whole amounting to about 800 men, and the principal division of the Enemy's army commanded by Major General Boyd; On the day preceding the action an affair took place in consequence of the Corps of Observation pressing on the Enemy, which after a short conflict terminated in his defeat, the British division occupying that night, the ground on which the affair had taken place. On the 11th Lieut. Col. Morrison continued his pursuit, when the Enemy concentrating his force made a grand effort to relieve himself from so troublesome an opponent, and advanced with his heavy columns of Infantry supported by Artillery, his front covered by a numerous body of Cavalry and Riflemen, Lieut. Col. Morrison fell back gradually, and took up a judicious position (which he had previously made choice of) with his little band; his right on the River, consisting of the flank companies of the 49th Regt. and a detachment of the Canadian Fencibles, under Lieut. Col. Pearson, with a 6 pounder a little advanced; supported by three companies 89th Regt. under Capt. Barns—the 49th and 89th Regts. formed the main body of reserve, extending across the road to a pine wood, occupying a space of 700 yards.

Major Heriot with a detachment of the Canadian Voltigeurs and a small band of Indian Warriors under Lieut. Anderson secured the left flank—the action commenced about 2 o'clock in the afternoon and in half an hour became general, the enemy attempting to turn the left of the British, but were repulsed by the 49th and 89th Regts. which advanced firing by wings and platoons, the enemy having failed in this attempt, united their utmost effort in an attack on the right, supported by four pieces of Artillery and their Cavalry, which was in like manner repulsed; the 49th & 89th Regts. having moved up in echelon, and formed in line, a charge commenced by the 49th Regt. was not persevered in, in consequence of the Enemy's having charged upon the right, and threatened to gain the rear, but their cavalry were so gallantly received by the three companies 89th Regt. under Capt. Barns and the well directed fire of the artillery under Capt. Jackson, that they were instantly repulsed & by the rapid pursuit of Capt. Barn's party a six pounder was captured from the enemy whose attention was now solely directed to covering the retreat of his beaten forces; in this last effort he was foiled by a judicious movement of the corps under Lieut. Col. Pearson, who continued to pursue the Enemy in his flight.

Lieut. Col. Morrison reports in the strongest terms, the cordial and able cooperation he experienced from Lieut. Col. Pearson, Lieut. Col. Plenderleath, 49th Regt. Major Osford, 89th Regt. Major Heriot, Canadian Voltigeurs, and Capt. Jackson, Royal Artillery, to whose able exertions with the combined gallantry of the Troops, where every man did his duty, this great success is to be attributed.

The Lieut. Col. reports the benefit the service has received from the active exertions of Lieut. Col. Hurvey, Deputy. Adjt. Gens. Capts. Skinner and Davis, Quarter Master General's Department, Lieut. Anderson of the Indian Department, and Lieut. Hagerman, of the Militia, who acted as his Aid-de-Camp.

It is with deep regret that Lieut. Col. Morrison transmits a list of casualties containing the loss of several brave Soldiers—but when the unequal contest and the quadruple loss of the Enemy and the importance of this splendid victory are considered, the comparative British loss will appear less than might reasonably be expected.
