Mr. Hiram Hornbeam was much amused this morning when he read of the Colchester farmer who paid \$150 for a box containing \$1000 in real money and found when he opened it that there was nothing in it but waste paper.

THEY ALL DENY IT.

There is no truth in the rumor that the opposition party is to hold a series of meetings in the province. Hon. Mr. McKewen denies it, and so do the other two members of the party. People should be more careful about starting false rumors.

Women Suffer Agonies from Kidney Trouble

GIN PILLS CURE THEM

There is Mrs. Ripley, for instance, who suffered terribly with her back. It ached, ached, ached—all the time. Even in bed, it seemed as if she could not get easy. It finally became so bad that housework was impossible.

She certainly was a discouraged woman when she began to take GIN PILLS. And there isn't a happier, healthier woman in the Dominion than this same Mrs. Ripley to-day.

Try them at our expense. Mention this paper when writing and we will send you a free sample so you can see for yourself just what GIN PILLS will do for you.

CASE OF INTEREST TO ALL LUMBERMEN

Interesting Point Raised in County Court Chambers Yesterday Afternoon.

Judge Wedderburn, of the Kings County Court, sitting in chambers here yesterday, heard argument in the matter of Abram W. Day and Charles V. McBeath, of Public Landing vs. Arthur Crandall, of Westfield. R. G. Murray represented the plaintiffs and A. H. Hanington, K. C. represented the defendant.

Mr. Murray contends that if such be the case, the object of the Lien Act is altogether defeated. The act, he argues, was passed for the purpose of giving woodmen a speedy means of recovering debts owing them, and that if the contention of the defendant is to prevail, and the judge can entertain applications for summons to show cause why his order for the attachment should not be set aside, he is defeating the very purpose of the act.

THE INCREASE IS ENORMOUS

Canadian Forests are Feeding American Pulp Mills—Some Significant Statistics.

Washington, June 4.—There was a marked increase last year in the importation of spruce, which has always been the most popular wood for the pulp, says a report made public by the census bureau on the consumption of pulp wood and manufacture of pulp. Some figures on the subject recently were announced, and the report says that many of the figures bring out interesting facts which show the rapid growth of the paper-making and allied industries during the last decade.

There were 3,902,000 cords of wood used in the United States in the manufacture of paper pulp last year, just twice as much as was used in 1890. More than 2,600,000 tons of pulp were produced. The pulp mills used 300,000 cords of wood in 1907 than in the previous year.

Of the total consumption of pulp wood spruce used made 68 per cent, or 2,700,000 cords. Hemlock next, 14 per cent, or 570,000 cords. More than 9 per cent was poplar, and the remainder consisted of relatively small amounts of pine, cottonwood, balsam and other woods.

For a number of years pulp manufacturers of this country have been heavily importing spruce from Canada, since the available supply of this wood in the North Central and New England states, where most of the pulp mills are located, is not equal to the demand. Figures show that the amount of this valuable pulp wood brought into this country was more than two and one-half times as great in 1907 as in 1890. In 1907 the importations were larger than ever before, being 25 per cent greater than in 1906.

The increased price of spruce has turned the attention of paper manufacturers to hemlock and other woods. Large quantities of hemlock were used by the Wisconsin pulp mills, and the report shows that this year a great amount of hemlock production, New York and Maine ranking first and second, respectively. Poplar has been used for a long time in the manufacture of high grade paper, but the supply of this wood is limited and the consumption of it has not increased rapidly.

St. Peter's Win Again.
St. Peter's had another walk-over in the baseball game on the Shamrock grounds last evening, when the St. Joseph's were defeated, by the score of 11 to 0. Callahan pitched for the winners and held the St. Joseph's down well, while McDonald, for the losers, was hit heavily and after the first inning the league race promises to be confined to two teams, the St. Peter's and the St. Joseph's, who can both put up good ball. The team from the southern division of the city, lack good pitchers, and can hardly hope to win the pennant with the lineup presented.

HALIFAX PAPER MAKES ADMIS-SION.

No better admission of the need of the A. A. F. C. in these provinces could be had than that by the Halifax Recorder, which after quoting this paper's objection to the formation of a New Brunswick union in affiliation with the M. P. A. A. says:—

"The Recorder's suggestion was made on the announcement that only one club had responded to the call for a meeting. These clubs which favor the Federation idea are certainly at liberty to do as they please. And some clubs which have been taking part in games under M. P. A. A. rules would certainly be in a better position, before the public at least, if they joined the Federation."

BART CONNOLLY WINS.
Portland, Me., June 4.—A cablegram received here this evening announced that Bartley Connolly, of this city, had knocked out Jack Palmer in a 20-round bout in Liverpool, England. The knockout occurred in the thirteenth round.

BOXING NOTES.

The result of the Memoir-Donahue contest at the Army A. A., Boston, next Tuesday night is of vital importance to both men, as the winner will be in line for a meeting with Champion Joe Gans.

Kid Seale and Dick Cullen, who lost to Tommy Murphy at Chelsea in short order, are matched to meet for a 20-round bout at South Beach, a suburb of Seattle, where Eddie Kelly and Art Attell fought. The contest takes place Saturday night.

The board of directors of the Army A. A., Boston, has made a change in the judge of future bouts at the club, and will have for next Tuesday night Don Donnally as the third party in the ring. Donnally is very popular throughout the "hub."

After his bout with Jack Dougherty, Jimmy Gardner will return home. Gardner and Dougherty meet June 8 at Ogden, U.

Kid Goodman meets Jimmy Dunn at Newmarket, Pa., June 15, and one week later meets Bert Reeves at Bridgeport, Ct.

Willis and Harry Lewis meet at the National Club of New York on Saturday night. Tommy Murphy and Dick Hyland meet at the summer home of the Sharkey A. C. in the opening of June 12.

Spike Robinson is contemplating an early start for home.

Attell has signed with Coffroth for August. The Franco promoter is on his way East to get Charley Harvey's consent for Moran. The agreement calls for a 25-round bout.

Frank Adams, the Newton featherweight, has returned from New York and is anxious to show his improvement.

Young Ems and Tommy Murphy are mentioned for a second meeting to take place at the National A. C. of Philadelphia.

Honey Melody will not go to Paris now that Willie John has been sent to the water. Melody and Lewis may meet in New York.

THE TURF

"MY STAR" OF CRABTREE STABLE TOO MUCH FOR "CHASE."

Boston, June 4.—That a 2:08 trotter has not much chance against a 2:03 pacer was clearly shown at the Charles River speedway Tuesday afternoon. Chase, the star trotter of the Metropolitan Driving Club, was asked to go up against the ex-star of the Crabtree stable My Star, and the latter was plainly in form the outcome was never in doubt.

Chase gave the side-wheeler a good argument three-fourths of the distance, but the little chestnut drew away at the finish rather easily both heats. The footing was not of the best and the wind struck the horse's side on.

My Star paced his two heats in 1:01 and 1:01 1/2, which, considering the conditions, was as good a performance as has ever been shown at the speedway.

To say that the racing was the best that has ever been seen at the speedway is to fall short of the truth. The programme was a long one, and there was hardly a race on the card that was not hotly contested. All the afternoon it was a succession of close finishes.

A. J. Furubush's mare Dodie K. was full of speed and Tom Phair and Lord Quex did not have the speed to carry the race to her in the heats that she made no mistakes.

U.S. COLLEGIANS LOOK GOOD
American College Bunch for Olympics Expected to Cut Large Swath.

New York, June 4.—Entries for the Olympic team trials to be held at Philadelphia next Saturday have been made known, and if the names that figure in this list go to meet the meeting should be the best seen in the past many days. All the local clubs and the colleges will be represented, and in fact every athlete with the least pretensions to first class form will try for a place on the team.

From a passing glance at the entries the college men should cut a wide swath and many of the local club athletes who had already figured on the fun of the trip will find themselves summing at home.

A race of considerable interest will be the 100 metres, with such tracks as Cornell, the intercollegiate champion, Rector of the University of Virginia, and Yale, who has done 9 2-5 seconds, and Rensselaer University of Albany, who has done 9 3-4 seconds. Sherman of Dartmouth, who ran second in the intercollegiate, and Whitman of Pennsylvania, should show some of their power, what shape Dan Kelly is in. Much the same crowd will contest in the 200 metres.

The 400 metres have attracted such smart college men as J. P. W. of P. W., Coburn and P. Pilgrim, N. Y. A. C.; J. V. Halligan, A. C., Philadelphia, and Cornell. There is another good man, J. V. Halligan, A. C., Philadelphia, who has done 58 metres with no losing race, as Sheehan of Boston is tipped to give the world a soft spot in the programme, and the ex-Cornellian should experience no difficulty in making good.

The 800 metres will be a close race, with the N. Y. A. C. out of the two-mile steeplechase would be a soft spot in the programme, and the ex-Cornellian should experience no difficulty in making good.

In the 1000, J. H. Sullivan, I. A. C., is going to do all sorts of things to show his power. Halligan of Cornell, who has done 16 1-2 miles in 45 minutes, and already qualified and Shaw in trim, the high sticks should be good.

Ray Ferry, a Morris rocket from the dressmaking staff of F. A. Dykeman & Co., where the bride was employed. The officiating clergyman, on behalf of the congregation, presented a large family Bible to Mr. and Mrs. Keys. After the ceremony the newly married couple drove to the city. They will reside at 28 Marston street.

ARTILLERY ROUTE MARCH

The route taken was Prince William, King, Charlotte, South side of King Square and Sydney to King street east, where some movements were gone through.

A VISITOR FROM AUSTRALIA

Mr. Fletcher, a brother of Mrs. J. Marshall and Mrs. Longley, will, it is expected, visit Halifax in July. Mr. Fletcher, who was at one time a clerk in the employ of Brown Brothers, in the old Postoffice building, now owns extensive chemical manufacturing works in North Geelong near Melbourne, Australia.

"R. J. Fletcher, a member of the council of the Victoria Chemical Society, and a former instructor in chemistry at the Gordon Technical College, who will leave here next month for a ten months' tour through Great Britain, Europe and North America, was entertained on Saturday evening at a farewell social by some friends in the Victoria Hotel.

King, on behalf of a few friends, presented to Mr. Fletcher a handsome silver-mounted pocket watch, on the inside of which were inscribed the names of his friends concerned. Mr. Fletcher also proposed "Bon Voyage to Mr. Fletcher." The toast was supported in cordial terms by Mr. King, Mr. Denby, Miss Katie Reid, J. J. O'Donovan, and Dr. McKenzie, and received by the company with enthusiasm. WEDDINGS
Keys-Garnett.

A pretty wedding was celebrated on Wednesday evening in the Silver Falls Christian church when Miss Mamie Garnett, second daughter of Mr. and Mrs. David Garnett of this city, was married to Herbert Keys of this city. The ceremony was performed by Rev. J. S. Floyd in the presence of a large number of the relatives and friends of the contracting parties. The church was very prettily decorated for the occasion with flowers and bunting. The bride's costume was of green silk with a Morris rocket from the dressmaking staff of F. A. Dykeman & Co., where the bride was employed. The officiating clergyman, on behalf of the congregation, presented a large family Bible to Mr. and Mrs. Keys. After the ceremony the newly married couple drove to the city. They will reside at 28 Marston street.

SCOTT ACT RAIDS
Much Liquor Secured by Scott Act Searchers in Sussex.

Sussex N. B., June 4.—Scott act circles are buzzing again.

On Monday night Inspector Weyman raided two resorts in town. The first, kept by Hanford Doyle, was rounded up with a seizure of ale. The officers then raided a place in which a man named Hanley, who hails from St. John, was attending bar, and took a quantity of hard stuff and some lager beer.

Last night a new complexion was put on the situation by Harris Cusack, who was inspector last year, and who still claims to occupy the position. Mr. Cusack took out a search warrant and again visited Doyle's and made a big haul. He found over a hundred bottles of ale and other stuff. A young man who attempted to interfere was threatened with arrest.

This morning a private house was visited but nothing was found. This action was taken in view of information reaching the authorities that violators of the law have been assisted by parties who have stored liquor when raided. It is the intention of the officers to raid every place where it is suspected that such assistance is given and persons who are implicated will be prosecuted. Not since Christmas has there been such activity in Scott Act circles and with two inspectors on the war path Sussex will once more become dry.

Prince Edward Island bank bills have made their appearance in the county and have been passed on unsuspecting persons. They are of the five dollar denomination and look good to those who are unaware of the bank's suspension.

SPLANE-REID.

At the home of the bride's aunt, Mr. and Mrs. John Carlson, 129 Union street, Charlton, on Wednesday evening, Miss Katie Reid of Fairbanks, was united in marriage to Charles Splane, of the same place. The bride wore a dress of the same silk, she was attended at the parson's view. The groom was supported by Mr. Melvin. The happy couple will reside for the present at 106 Church avenue, Fairville.

BOURASSA ISSUES A CHALLENGE TO GOUIN

Followers of Mr. Bourassa Broke up Meeting Which Premier Gouin was Holding.

Montreal, June 4.—Enthusiasm is growing all the time in the contest between Premier Gouin and the friends of Henri Bourassa. Tonight while the premier was holding a meeting at the corner of St. Catherine and Montcalm street, the partisans of Mr. Bourassa succeeded in making so much noise that it was impossible to obtain a hearing and the speakers dispersed.

The difficulty arose over the fact that a Bourassa meeting in the vicinity had ended and the overflow came down to the meeting of Premier Gouin and succeeded in making a lively diversion while it lasted. The scuffle was started by a student who came into yelling for Bourassa. He was followed by hundreds and they took up the cry and the din of noise was so great that speaking was out of the question.

On the arrival of the police the more violent of the partisans were ejected from the building and one of their number was roughly handled. Meanwhile the crowd numbering 3,000 were marching round the division and such political excitement has not been seen in years. One Gouin committee room on Wolf street was cleaned out of supporters by the marchers on their way to another meeting.

Mr. Bourassa made his last speech to-night at 11 o'clock, when he challenged Premier Gouin to meet him on the same platform Saturday night on the Champ De Mars.

E. R. Chapman, formerly of this city has been elected high vice-chief ranger of the High Court, I. O. F., of Manitoba.

A SMOOTH FAKIR GOT OFF WITH \$5

City Road Woman Victimized by a Man with a Smooth Tongue.

The old story of a trusting disposition and a smooth tale was again told yesterday afternoon, the net result of which was that Mrs. Milton J. Ayer, of 245 City road, is minus a five dollar bill and some one else is richer by that amount.

The game went out probably much better than the "foxy one" had banked on, as the scheme was only to get \$1.50. During the afternoon a man called at Mrs. Ayer's home and asked for Mrs. Ayer, on her appearance, calling her by name, he asked if her husband was employed in Patena tannery; she replied yes. "Well," said he, "your husband sent me for \$1.50, he has purchased a barrel of apples from me which are to be delivered to-night."

Without the slightest hesitation Mrs. Ayer went for the amount requested. She, however, found that she had nothing less than a five dollar bill, and told the stranger so. "I'll get it changed for you," he at once replied, and the five was passed to him. Neither has as yet returned. Whether any more residents of the community have been victimized has not been learned.
