THE WAR IN ST. JOHN TODAY Lieutenant D. Blair, who is in charge of the recruiting for the 24th Forestry Battalion is down to work and the morning was trying to locate an office that would answer for a recruiting station. The McDonald piano store on King street is looked upon favorably, but just whether or not suitable arrangements can be made for securing the store is not yet known.

Various rumors are about in regard to the 28th American Battalion, some to the effect that it was to lose its identity and others that it was to be consolidated with the 97th. It was learned this morning, through Captain Grant, quartermaster of the 28th, that the unit was to be consolidated with the 97th and 212th, as these two units are under strength.

He thought it likely, although it is not yet known, that they would be known as the 97th, as that is the oldest unit of the three. When asked whether or not he thought that the American Legion would cross to England as such, he thought not. He was of the opinion that when the 28th, 97th and 212 were amalgamated that they would cross as a unit of the C. E. F., and that the American Legion idea would be dropped.

As for the 28th, they expect to proceed to Aldershot camp at the first of the week. The total strength of the unit at present is about 800.

GOOD THINGS COMING TO THEATRES OF ST. JOHN

MAY ROBSON, THE DISTINGUISHED ACTRESS

Coming in Person to the Opera House Next Monday

A wholesome play, a play with plenty of laughter, and a play in which motherly love and romance are deftly blended, is "The Making Over of Mrs. Matt." Just the kind of a play that theatre-goers enjoy. It is the latest vehicle for the talents of May Robson, in which she will appear in person at the Opera House next Monday, Tuesday and Wednesday night, and Wednesday matinee.

The comedy, by James Forbes, merges into a farce and then returns to more serious vein. Cleverly handled, it provides a splendid entertainment. As a play for Miss Robson it ranks next to "The Rejuvenation of Aunt Mary" than any other play in which she has recently appeared.

"The Rejuvenation of Aunt Mary" than any other play in which she has recently appeared. The son, who has just returned from Europe, falls in love with his father's stenographer. The father has high ambitions for his son, and is furious and discharges the stenographer. The son, disguised as a chauffeur, elopes with her. When the girl discovers the identity of her escort she refuses to break up the family by marrying the son. He two are arrested in a small town for speeding, but the girl is still resolute in her refusal. Mrs. Matt breaks in on the unhappy pair just ahead of the father. A dramatic scene ensues in which Mrs. Matt announces her intention of leaving her husband and going with her son and the girl he loves. Confronted with his wife's determination and learning that the girl has not schemed to capture his son, the father gives his blessing.

"The Making Over of Mrs. Matt" with May Robson in the leading role is not a motion picture play. Seats for all performances are now on sale. The engagements are for three nights and Wednesday matinee.

ROSE COGHLAN IN "THE SPORTING DUCHESS" AT IMPERIAL THEATRE TONIGHT

Tonight and tomorrow a distinct departure in motion pictures is offered at Imperial Theatre in Cecil Raleigh's notable race-track melodrama "The Sporting Duchess" which was such a tremendous success in Drury Lane, London, for a protracted period. The play has also been a winner on this side of the Atlantic. It is a mixture of race track excitement, high life in army circles in England and India and no inside glimpse of domestic affairs among the nobility of the Old Country. The big scenes are many, including the Derby, magnificent ball-room scenes, British soldiery, etc. There will be a splendid "Mr. Jack" comedy and other pictures, on the whole a splendid bill.

NEW PROGRAMME TONIGHT AT GEM A DANDY

Norma Talmadge is presented on the Gem curtain tonight and Saturday in an unusual story, "Going Straight." It is a powerful, thrilling tale. An interesting incident gives a chance to a corps of very clever moving picture comedians. There also is a stirring comedy, "A Rough Knight."

PICNIC FOR CHILDREN

J. D. O'Connell is making arrangements for a picnic, which he is to give to all the children of Sussex, next Saturday afternoon, on the military grounds there. Mr. O'Connell tenders an invitation to all children in St. John, who may wish to go to Sussex that day, to the outing.

LARGER STEAMER FOR THE SERVICE BETWEEN ST. JOHN AND YARMOUTH

Board of Trade Council Takes up This Matter—Report on West Side Work

At a meeting of the council of the Board of Trade this morning the traffic committee recommended that a larger steamer be put on the St. John-Yarmouth route to perform the service carried on by the John J. Cann and the Westport III. The latter was recently withdrawn from the service altogether. The committee wants to see on the route a steamer of 1,500 tons capacity and a speed of eleven knots. They have been in communication with Messrs. Cann and the latter have expressed willingness to meet the committee's wishes if the subsidy be increased sufficiently. The Board of Trade approves of the larger steamer being secured as the J. J. Cann is not large enough and cannot carry all the freight that is offering.

The harbor committee, which visited the West Side yesterday, reported that they found about 150,000 yards of material dumped so far. The contract calls for \$150,000, and the committee is confident that the filling would all be in by Sept. 1, and the warehouse on Pier 16 ready by the end of September.

The committee recommended that when Hon. Mr. Rogers comes here the extension of Negropoint break-water be urged upon him, so that further sea protection be given the West Side facilities and the harbor generally.

In regard to Sir Geo. E. Foster's trade convention proposal, it was decided to wait for a time, as it is hoped he will come to St. John and give an address.

FRIDERICHTON NEWS Fredericton, Aug. 25.—Rev. J. S. Sutherland who has occupied the pulpit of St. Paul's church very acceptably for two months, will leave next week for St. John, Newfoundland. Rev. Mr. McLean of Strathmore, N.S., will be acting pastor during September.

A committee appointed to select a new pastor will report in the near future.

A Belgian named Roy Forges, employed at a shoe factory here, has been acting strangely for several days this morning at five o'clock he left his boarding house and started up river. He was afterwards seen at Douglas. He has been worrying over the safety of his wife and family in Belgium.

WAR NOTES (J. M. Robinson & Sons' private wire.) New York, Aug. 25.—Bulgars advanced further in Greece.

Romanian massing troops on lower Danube. Russian army on Roumanian border. British 223,000 men in three years 2 percent collateral loan practically all sold in two days, and subscription books will be closed at 12 o'clock on Saturday.

THE ELEVATOR. Simeon Armstrong, engineer, called at City Hall this morning with a set of plans he had prepared for the erection of the proposed grain elevator between St. James and Brasenale streets.

He is offering a suggestion, thinking that they might be acceptable to both city and government officials and thus break the present deadlock.

GARD OF THANKS

J. B. Whipple wishes to thank the West St. John fire department, Commissioner Wignome and neighbors for their assistance in saving his dwelling at Wednesday night's fire.

TAKEN ILL AT WORK This morning Charles Doyle was taken suddenly ill while at work in Baker's mill at Randolph. He was taken to the office of Dr. F. H. Neve and then removed to his home in Rodney street. Nothing serious is anticipated.

NO FIRE The North End fire department was called to the St. John Railway car sheds in Indiantown, but when they arrived there they found no traces of fire. The alarm had been sent in by a man who saw a flare coming from an electric wire in one of the sheds.

THEY WANT THE HERRING An Eastport letter says: The welcome news reached this city Tuesday that the much wanted small herring had struck in at St. John and other places along the Bay of Fundy and from now on steady work may be expected in the sardine factories. Several hundred hogsheads were brought to this city Tuesday and Wednesday.

DIED IN BROOKLYN Many St. John friends will regret to hear of the death of Mrs. Annie McLaughlin of Brooklyn, N. Y., who died on August 18, after a brief illness. She is survived by one son, Frank, and two sisters, Miss Katherine Doherty, of Brooklyn, formerly of this city, and Mrs. P. Hickey, of Amherst, N. S.

BURIED TODAY The funeral of Mrs. Thomas Ingraham took place this afternoon from her late residence, 16 Johnson street. Interment was made in the Fernhill.

THE FUNERAL OF Mrs. Jane Booth took place this afternoon from her late residence, 248 Millidge avenue. Interment was made in Cedar Hill.

LITTLE ONE HURT Last evening about 7 o'clock Dr. F. H. Neve was called to 199 Metcalf street to attend six-year-old Preston Smith, who had fallen out of a barn and fractured his wrist. The little girl was playing in the road when coming too near the open window, she lost her balance and tumbled out, landing on a pile of lumber which she is a daughter of Mr. and Mrs. E. J. Smith.

Protect Your Eyes

Those to whom nature has given extra good vision are apt to be rather proud, and nearly always abuse it.

The commonest pains we hear of are regrets for impaired sight, which was once above the average.

Good vision is priceless. Health, happiness and prosperity depend upon it, yet our eyes are being persistently ill-treated and little attention is given to preserve their usefulness.

The symptoms of eye-strain should be heeded.

WORLD'S LIGHTWEIGHT CHAMPIONSHIP ROUT

Arena is Being Erected to Hold 20,000 People; Both Fighters Training Hard

Colorado Springs, Col., Aug. 22.—The stage is rapidly setting for the Freddie Welsh-Charlie White bout for the world's lightweight championship. The twenty-round match will be fought under the shadow of Pike's Peak before the Hundred Million Dollar Club at this place on Labor Day, Sept. 4. Both boxers have arrived upon the scene of action, and they are now engaged in the grind of strenuous training. Keen interest in the match is evidenced by spectators which are reaching here by all over the country.

The sheer sides of an arena, cobweb slung with seats for 20,000 are rapidly rising into the clouds, which float very near one's head here, under the protruding precipitous of Pike's Peak. A hundred carpenters, with Bill Farnsworth, who has built roofs for many grandstands and stadiums, at their head, are hammering, banging, and chopping into shape this modern gladiatorial pit.

Meanwhile the gladiators themselves, Messrs. Welsh and White, have been kicking the dust of Colorado around as they hit the road for the last week. Each elected to pick out a nice little cottage, establish himself in comfort, and do away with the usual boxing camp.

Denver will send, it is said, more special trains on Labor Day than ever before. The city for a sporting event. Specials will also come from Pueblo, Cripple Creek, Leadville, Trinidad and Colorado towns. The special train is to be a train packed with White rosters.

In New York Bob Vernon is booking a special train to take the fight in a special car. Billy Roche, the referee, will reach Colorado Springs from New York, Aug. 31.

WON THE MILITARY CROSS

That a Douglastown boy has been awarded the military cross for conspicuous gallantry on the field of battle is told in a letter from Lt.-Col. A. F. G. MacKenzie, O. C. the 29th Battalion.

The man to look after the conditioning of the champion. To date there has not been any betting to speak of, but the sharpshooters are beginning to look the market over.

BELTS CIRCLE CARB TIRES AND PREVENT SKIDDING

To increase the traction of a motor car's driving wheels when sand or rough roads are encountered, and also to prevent skidding on wet pavements, a Washington state man has devised a tire belt which is apparently effective. It is described in the September Popular Mechanics Magazine. It is made of a heavy fabric and passed around the tire and over a small pulley mounted to the under side of the running board. Belts are applied to each of wet roads, and save the wear and tear on the tires, almost doubling, it is said, their mileage and materially decreasing fuel consumption on heavy roads.

EMERGENCY RAINCOATS MADE OF PAPER

Inexpensive emergency raincoats which can be folded up and carried in a pocket or handbag are being made to fill the need so sorely felt when one is caught in a storm without any form of waterproof protection. These garments are made in sizes suitable for men, women and children, and come in two grades. The cheaper article is made of tough paper only coated on one side, and is designed to be used but once; the other is reinforced with cloth mesh, and will be used in more than one storm.

PATRIOTIC CAUSES

Hope for \$2,000.

The "Quarter Fund" appeal for St. Dunstan's Hospital in London has reached the sum of \$1,200. It is hoped that it will be possible to raise \$2,000 for this noble and appealing cause. Will all those who have collecting cards kindly fill and return to room 44 C. P. R. building, St. John. The fund will not close until Mrs. Warren returns from England, and in the meantime all subscriptions will be received and information supplied at room 44, C. P. R. building, city.

They Raised \$168.78 The ladies of Grand Bay wish to thank the following people who so kindly contributed towards making the patriotic tea and dance a success on last Saturday: Gordon Watters who gave the use of the Crescent Grove picnic grounds and pavilion free of charge, also Bruce Calvin who so ably and willingly furnished music for dancing, and all who contributed and assisted in various ways. The substantial sum of \$168.78 was realized.

THE LATE GENERAL BENSON

With simple and impressive ceremony the first funeral service for the late Major-General Sir Frederick Benson was held yesterday afternoon at St. George's Church. Owing to the confidential mission on which the deceased officer had been serving there was no military ceremonial, most of those who attended the services being present for personal, rather than official reasons. There were, however, a number of distinguished officers present, including Major Sir Charles Gunning, Bart., who represented H. H. the Governor General, while other officers of both the Overseas and Home services attended the service, with Mayor W. B. Burgoyne, of St. Catharines, the home city of the deceased officer, who represented the municipality at the service.

Ready in the day the coffin had been removed to the chapel of St. George's Church, where it was placed, swathed in the Union Jack, and surrounded by the sword, plumed hat and decorations and medals of the dead soldier. At the front of the catafalque was a magnificent wreath of roses sent from their Royal Highnesses the Duke and Duchess of Connaught, while the chancel aisle was bordered with wreaths sent by other friends.

The service was brief, conducted by Rev. Gordon Asch, comprising the earlier part of the English Church burial service. It was fully choral while at the close the organist, Dr. P. J. Hiley, played the Dead March from Saul, the congregation standing.

Among those present were Major Sir Charles Gunning, Bart., representing H. H. the Governor General; General A. B. Hamilton, C. B., representing the War Office; The Remount Commission, of which the late General Benson was chairman, represented by Lieut. Col. A. Grant, Lieut.-Col. A. F. Deane, Capt. R. S. Chaplin, J. G. O'Keefe, De-Chas. McEachern, T. German and Dr. J. W. Rider.

Other present were Robert Bickerton, M. P.; Sir William Williams-Taylor, W. H. A. Eckhardt (who was a school-mate with the deceased at St. Catharines); R. Wilson, Esq.; Capt. Colin Campbell, A. H. D. Hair, representing the Last Post; George Drummond, Major Campbell Stuart, and Capt. G. S. Balfour, representing the Irish Canadian Rangers; Frank Quirk, manager of the Ritz-Carlton; Capt. Gillis, marine superintendent of the Donaldson Hotel; Capt. Browne, of the S. S. Cassandra; E. Merritt, Capt. W. H. Owen, R. E., and Mayor W. B. Burgoyne, representing the municipality of St. Catharines.

Amongst the floral tributes, in addition to that from T. R. H. the Duke and Duchess of Connaught, were wreaths from Sir Frederick and Lady Williams-Taylor, Mr. and Mrs. John Verrance, Captain and Mrs. Chaplin, N. Merryn Holden, Lieut.-Col. and Mrs. W. A. Grant, the members and officials of the Remount Commission, Mr. and Mrs. Hugh Paton, C. S. Hoare, and Dr. and Mrs. Charles McEachern.

The remains were conveyed to the Bonaventure Station, whence they were taken by the night Grand Trunk train to the deceased officer's family home at St. Catharines.

SCRAPPED ENGINES REBUILT AND RETURNED TO ROAD. Obsolete old locomotives, relegated years ago to the scrap heap, have been reconstructed by one of the western railways and put in service on some of its branch lines. Some months ago the work was first undertaken, and seven discarded engines rejuvenated. The pressing need for small locomotives at that time, and the proximity of a dull season which otherwise would necessitate the temporary discharge of a large force of shompen, at Lincoln, Neb., were largely responsible for the inauguration of the plan. In addition to tiding the shop force over a dull season, a group of good locomotives was produced at a saving of about one-third the cost of new ones.—From the September Popular Mechanics magazine.

Click! --- the 'Fillum'! SOMETHING happens somewhere! Instantly the daily newspaper catches it up and screens it on the printed page everywhere. Every day, every hour, the presses are humming and the daily newspaper is showing life's moving picture to an eager audience. No printed word approaches the newspaper in its universal, compelling, constant appeal. No other medium bears such an intimate relation to every-day life. People expect your advertising in the newspapers because advertising is part of life's daily story. That is why the newspaper produces such great results to users of space. Manufacturers who advertise in newspapers not only reach the great buying public, but bring a compelling influence on retail dealers. The reason of this is obvious—retailers are newspaper readers like every one else. If any manufacturer would like to know more about the dealer influence of newspaper advertising he can get an answer to his question from the Bureau of Advertising, American Newspaper Publishers Association, World Building, New York.

FOR GOOD CAUSE. Two little girls, Etate Davis and Bertha Watson, held a bazaar at their residence, Watson street, West St. John, on August 23. They realized the sum of \$83.85, which they have given to Mrs. Young, of the Soldiers' Comforts to help buy Xmas presents for our boys at the front. A very successful bazaar was recently held at the residence of W. E. Emmerson, West End. It was conducted by two very able little girls, Miss Annie Emmerson and Miss Annie Rolston, who had sewed for weeks for this great event. The sum of \$83.85 was realized and given to the Lancaster Red Cross. A benefit bazaar was held on August 18 at Mr. MacVicar's, Summer street, Lancaster Heights, by Mary MacVicar and eight little girls who helped—Eva Whipple, Lena and Beatrice Whipple, Inas Whipple, Hazel Smith, Hazel Bettinson, Helen Tufts and Audrey Anderson. They thank the ladies who helped and Mrs. Ravid Riley, who acted as superintendent. The sum of \$87.78 was earned and given to the Lancaster Red Cross Society.

THE WAR NEWS

Last night's cables brought news of further gains by the British and French, making it clear that they retain the advantage and are gradually forcing the enemy backward at important points.

The Russian front remains rather quiet, but in Turkish Armenia the Russians have retaken the town of Mush and captured many prisoners.

MAKING CARVELL THE ISSUE "Best Carvell's men" is the slogan the Standard gives to the government party in Carleton county.

THE VULTURE AT THE DOOR Mayor Church of Toronto is a Conservative, and this is what he said to the Canadian Union of Municipalities in Montreal on Monday.

PUNISH THE BRIBERS The opposition in Carleton county has challenged the government party to carry on the election without the use of money or liquor or undue influence.

THE FARMERS' MEETING The great meeting of farmers and their wives at the Experimental Farm near Fredericton this week should be made, as has been suggested, an annual event.

School Opening on MONDAY

Vacation days are at an end and the boys and girls will require new shoes for school opening. As in the past we have exercised much care and thought in the selection of our school shoes, having in view the desire of the child to want a dressy looking shoe and the parent's anxiety to obtain shoes that will stand the strain of school wear.

LOCAL NEWS

Steamer Calvin Austin arrived in port yesterday afternoon with a large cargo of freight and 170 passengers.

Raymond Coulter, a new policeman, was added to the strength of the local police force yesterday, succeeding Policeman Ward.

At a meeting yesterday plans were completed for the big picnic on Labor Day. Dr. J. H. Frink was chairman. There will be an enlarged minstrel show. The picnic will be generally attractive with motion pictures and other attractions. The Y. M. C. A. will assist in any way possible. The European War Veterans' Association will look after the soft drinks. The Carpenters' Union have offered their services to erect booths.

The address of James Moulson, past supreme grand, at the decorating of the K. of P. graves in Fernhill yesterday, was most inspiring. Touching reference was made to the members who are fighting the enemy's battles. The records showed that 138 members, playing life's role here below had been removed from this earth to the great hereafter. The address made a deep impression upon those present.

A meeting of the provincial recruiting committee was held here yesterday and the opinion seemed to prevail that if the European war continued during the next twelve months, some form of conscription would be in force in Canada. Already the registration scheme has been put into effect in half of the province of New Brunswick, and in some counties every man between the ages of eighteen and forty-five has already been registered. When registration is complete, definite work along the lines of the new scheme will be prosecuted.

It was pointed out that government positions were being given to young men who were eligible to go to the front, and it was felt preference should be for those returning.

In regard to the secretaryship of the Returned Soldiers' Association, the association asked that the O. C. New Brunswick command recommend a returned wounded officer or soldier for the position.

Those present were: R. O'Leary, president; Richard J. McLaughlin, secretary; Irving Todd, Charlotte county, and F. M. Thompson, of Hillsborough. A telegram was read from J. McCaffrey, of Fredericton, to the effect that he was unable to be present, which he greatly regretted.

Word was received yesterday by Patrick Gallagher of Moncton to the effect that his fourth son, Private Walter Gallagher, had been killed in action in the first battle of Ypres which took place nearly two years ago. He had been previously reported as missing.

Private Gallagher was in the employ of the C. P. R. in the west when the war broke out and he was one of the first to join the colors, enlisting in Montreal with the 12th Battalion.

Private Gallagher is survived by his father and mother, both residing at Moncton; three brothers and two sisters. The brothers are Thomas J., in California; Dr. Patrick J., of Winnipeg, and Captain Justin, of the Canadian Army Dental Corps. The sisters are Mrs. McGrath, wife of Dr. McGrath, of Fredericton, and Miss J. Gallagher, a nurse in the Moncton General Hospital.

Word has also just been received by Mr. and Mrs. Gallagher that the other son, who is in the Canadian forces, Captain Justin Gallagher, has just been transferred to France.

The effects of the late Private Gallagher were received by his parents yesterday.

In a communication received from the Canadian general representative at the front, it is announced that during the week a visit was paid to the Canadian corps by Major-General Sir Sam Hughes. He addressed several battalions on parade.

Lieutenant Groves, assistant adjutant of the 286th Klitties Battalion, received word yesterday that two of his brothers were wounded in action. He also has received news of the death of three consins.

Company-Sergeant Major John Heaton of the 26th has been wounded and is in hospital in London. This is his third time in hospital. The first time he had been taken ill with pneumonia, the second time he had fallen into a shell hole.

WOUNDED MEN OF THE 26th
The agent general for New Brunswick, F. W. Sumner, reports under date of July 23 on the following members of the 26th Battalion:

Lance Corporal J. D. L. Montgomery is in military hospital at York; Private O. Hurst is in the military hospital, Shorncliffe; Private M. B. Adams has been discharged from Granville Canadian Hospital, Hantsgate; Lance Corporal C. E. Latham has been transferred to Moore Barracks Hospital, Shorncliffe; Private H. Bates, transferred to Hillingdon House Convalescent Hospital, Uxbridge; Private J. R. Edwards admitted to County of London Hospital, Epsom; Private C. R. Wright admitted to the Westcliffe Canadian eye and ear hospital, Folkestone; Privates A. Brown and D. Gould transferred to the Hillingdon House Convalescent Hospital, Uxbridge; Private G. St. Laurent transferred to the Canadian Convalescent Hospital, Uxbridge; Private M. J. Reinhart transferred to the Canadian Convalescent Hospital, Bromley; Private W. Howie transferred to Canadian Hospital, Bromley; Private A. M. Cowper transferred to the King's Canadian Red Cross Hospital, Bushey Park, Hampton Hill; Private E. L. Stewart transferred to the Canadian Convalescent Hospital, Bearwood, Worthingham.

Capt. Frank R. Fairweather, who left here with the 46th has been drafted to the 26th and is now in France with that unit.

SPEAKERS FROM ST. JOHN.
W. F. Burditt of St. John, who is attending the meetings of the Union of Nova Scotia Municipalities, and Dr. G. M. Campbell of Mount Allison University were the principal speakers at the Commercial Club luncheon in Halifax yesterday.

ENGAGEMENT ANNOUNCED.
Mr. and Mrs. Duncan Patterson, of Southampton, announce the engagement of their daughter, Miss Amanda Sylvia, to Allison Chelley Grant, also of Southampton. The wedding will take place in September.

School Suits

A Fine Exhibit of Smart New Models in Durable Materials

School commences again next Monday, and it is up to every mother of a boy to see that he is properly outfitted.

There is a great choice here in the well-made kind of suits for boys, and such are the only kind it is possible to obtain bearing the M. R. A. label.

Boys' suits bought at this store have been designed and put together with the same skill and painstaking care as in our suits for men, and there is style, permanent lines, perfect fit and the good wear for which our suits for little men have long been famous.

Come in—not necessarily to buy unless you choose, but to see for your own satisfaction some of the reasons why this store is so far famed for excellence in boys' apparel.

School Opening

TO PARENTS who again this fall face the "crisis" of outfitting the boy or girl for school, this opening event will appeal with telling force, not only because of its many true economies, but for the dependable character of everything concerned. And by "character" we mean quality and workmanship, and the most favored, newest features of youthful Fall and Winter Styles.

Whether in apparel or accessories of dress, the same infinite care was exercised in our selections—even in the smallest things this important point will be remarked upon at once.

GIRLS' SCHOOL COATS THAT WILL STAND THE STRAIN
Girlishly attractive and smart-looking coats that you will be as proud to have her wear as she will be to "show off" in before her school mates. Priced without prejudice to their many distinctively strong and new features.

These new cloths are soft chin-chillas, pretty dainty mixtures and chevrons. The styles, belted, high waist and military effects.
Prices \$3.75 to \$10.95

DANIEL, Head of King Street

WEDDING OF INTEREST HERE
In St. Bernard's church, Moncton, at 8:30 on Wednesday evening, Miss Margaret Helen Joyce, daughter of Mr. and Mrs. Joseph Joyce, of Moncton, became the bride of Charles M. Brown, of Cochrane, Ont., son of Mr. and Mrs. William Brown, of Amherst. Rev. E. J. Savage, pastor of St. Bernard's church, performed the ceremony, and was assisted by Rev. Father Brown, of Amherst, a cousin of the groom.

The bride, who was given in marriage by her father, was charmingly gowned in white tulle with trimmings of tulle, and carried a beautiful bouquet of white roses and lilies of the valley. Miss Josephine M. Joyce, a sister of the bride, was the bridesmaid, and was most becomingly attired in a gown of pink tulle, and carried a very pretty bouquet of white and pink flowers.

The groom was in the custom of Harry Brown, cousin of the groom. The wedding march was excellently rendered by Miss May Sutton. The church decorations were particularly attractive, palms, potted plants, etc. being used in artistic profusion.

After the ceremony in the church the wedding party, including the many guests, proceeded to the home of the bride's parents, and participated in a reception, at which a buffet lunch was served. The house decorations were in keeping with the church arrangements and presented a most inviting appearance. In the dining room the color scheme was pink, white that of the drawing room was yellow.

The popularity of the young people was evident from the large number of gifts received. The groom formerly resided in Moncton for some time. The bride is one of this city's most highly esteemed young ladies and has a wide circle of friends.

Outside guests at the marriage included Mr. and Mrs. Joshua Ward, the Misses Ward, Gregory Ward, and Miss Nora Brown of St. John; Mr. and Mrs. William Brown, parents of the groom; Miss Margaret Brown, Amherst; Mr. and Mrs. William Fogarty, Montreal, and Ronald McEneaney, Antigonish.

Mr. and Mrs. Brown left on the Maritime Express on a honeymoon trip to Montreal, Toronto, and New York. The bride's traveling suit was of blue tulle with white hat. They will reside in Cochrane, Ont.

APPLE DROP SLIGHTLY

LESS IN NOVA SCOTIA

THAN A YEAR AGO

Berwick, N.S., Aug. 25.-Dominion Fruit Inspector George H. Vroom of Middleton, has just completed a careful survey of the apple producing district of the province. He was in Berwick yesterday and made this statement: "Last year 800,000 barrels of apples were marketed. We estimated another 20,000 barrels exported or canned, a total of 820,000 barrels. I know that there is a feeling that we cannot reach these figures this year. Some people think that we will not have more than three hundred thousand barrels. My opinion is that we are having been practically over the counties of Kings, Annapolis and Hants, that there will be as many barrels of apples marketed this year as there were last year. Apples this year are of better quality than last year. There is a feeling that the crop of apples is to pack. I will admit that there do not seem to be as many apples on the trees this year as there were last year, but the quality will make the difference."

A. E. McMahon, general manager of the United Fruit Companies, does not think the total will be half a million barrels.

Attending the United Fruit Companies meeting were delegates from every corner of the three counties and all were agreed that the quality of the fruit this year exceeds that of last year. This has been a year which has demonstrated that the well cared for orchard can always be depended upon for a yield. The big shortage this year is from orchards that have been more or less neglected.

The importance of the home markets is receiving attention. In the days gone by (and to some extent at present) there has been a feeling that "anything is good enough for the Halifax market and for other towns in the province." The people at the home towns have always felt and not without reason that they were imposed upon by the apple growers. This year will see some splendid fruit go into the home markets.

RETURNED SOLDIERS AND OTHER PROBLEMS

T. B. Kidner, secretary of the Military Hospitals Commission who is in Halifax in the interests of the vocational training of returned soldiers, gave a brief but exceedingly interesting address before the Rotary Club.

Mr. Kidner said that the immediate task is, of course, to win the war, but there were other duties quite as imperative. One of these duties was for Canada to provide for her wounded and returned soldiers. The Military Hospitals Commission, nobly assisted by patriotic citizens and societies, were working in this branch of service. Convalescent homes, hospitals, and an institution for the manufacture of artificial limbs are factors in the great work.

In closing his address, Mr. Kidner said: "For the comparatively few who will have to take up some new occupation every provision has been made to teach new trades. During the time of training, the man and his dependents are maintained by the government, in addition to the provision of free training. The various governments and municipalities are co-operating splendidly in this and such institutions as your own Technical College and Schools of Agriculture are being placed at the disposal of our returned men."

"One important point must not be omitted; a man's pension is not reduced if he improves his earning capacity by vocational training."

"There are some of the things which have already been undertaken, but there are many tasks ahead; tasks, not only for the government but for us all. The splendid response made in this city and province and, indeed, all over Canada to the many patriotic appeals is sufficient indication of the willingness of our people, but when I think of the shouting din, it will require the co-operation of every thinking man and woman to solve the problems which this great conflict will leave for us."

"Of course, however, I think we may feel sure that the people of Canada will be as one in their determination that these gallant men who have fought for our country and empire shall be reinstated in civil life if possible, in a better position than when they offered themselves upon the altar of freedom in the defence of liberty and justice."

RECENT DEATHS

Mrs. Louise Whelpley.

Many friends will learn with regret of the death of Mrs. Louise Whelpley, wife of Conductor Ernest Whelpley, which occurred yesterday afternoon at her residence, Manawagonish Road, after a brief illness. Mrs. Whelpley was the daughter of the late Edward Carvell, of Long Reach, and had resided in this city for the last twenty-eight years, living for fifteen years of that time on the Manawagonish Road. John Carvell, of Long Reach, is a brother, and there are two sisters surviving. Mrs. Merritt Williams and Mrs. Thomas Bissett, both of Long Reach. Service will be held at Mrs. Whelpley's late residence this evening at 8.30 o'clock, and the remains will be taken to Long Reach on the steamer /May Queen tomorrow morning. The funeral will be held there on the arrival of the boat.

For a second time in the last three weeks death has visited the home of Mr. and Mrs. Avar Wall of Bathurst. This time their little son, Edward, aged thirteen years, was taken. He and his sister, Esther, contracted measles early in the spring and never recovered, the sister passing away three weeks ago. Besides his father, and mother they leave one brother, Wesley, and three sisters, Winnie, Dorris and Jean, all at home. Mrs. Wall lost her mother a few months ago.

Michael Costigan died at his home in Coddigan, Maine, on Wednesday, at the age of 64 years. Mr. Costigan moved from Bathurst, N.B., with his wife and four sons and had lived in Coddigan only two years. He is survived by his wife, and by four sons, William, John, Frederick and Michael.

STILL ANOTHER SCANDAL SEEMS LIKELY AT OTTAWA

Very Unsatisfactory Situation Results From Action in Having Old Walls of Parliament Building Torn Down; Mr. Lemieux's Motion

(Special to The Times.) Ottawa, Ont., Aug. 24.—In the absence of any official statement concerning the sessions held this week at Ottawa by the Parliamentary Reconstruction Committee, conflicting reports have been circulated concerning the proceedings and led up to the present unsatisfactory situation. In the tangle of events and mass of misunderstandings the following facts stand out.

On February 17 last Architects Pearson and Marchand reported to parliament that after a "careful examination" they found the principal walls of the parliament building to be practically undamaged and that these walls represented an asset of \$2,000,000 and could be reused.

In the month of May last, parliament, acting on the report, voted \$1,500,000 for the "restoration" of the parliament building. The word "restoration" ap-

parliamentary committee, composed of both Conservatives and Liberals."

Two weeks after Mr. Rogers announced the unanimous decision of the parliamentary committee to tear down the walls.

Liberal Members Not Consulted

Hon. Dr. Pugsley arrived in Ottawa and declared that up to the time of his arrival he had not heard a word about the total demolition of the walls and expressed his amazement that the committee had not been consulted. His Liberal associates on the committee, Messrs. Lemieux and Watson, later said they were equally in the dark on the subject.

The architects were then asked to explain their part in tearing down the whole building. They did so in a report dated August 8, which is not only contradictory in its own terms, but is directly at variance with their report made to parliament on the 17th of February last.

So far as Sir Wilfrid Laurier and his colleagues are concerned subsequent explanations made by Architect Pearson have failed to satisfy them.

This was the position of affairs when the committee met this week. Discussing the raising of the walls, Hon. Mr. Rogers told the committee that he was not responsible. Confronted with his interview in the Ottawa Free Press of July 7, he denied the statements attributed to him, but he had no explanation to give as to why, if they were not true, he had allowed them to remain uncontradicted for more than six weeks.

The architects, in the opinion of the Liberal members, had failed to clear their skirts in the matter. Hon. Rodolphe Lemieux at the meeting on Monday the 21st inst. moved that as no contract had yet been signed with the Loyal Company they should be paid for all work done to date on the cost plus percentage system, and that as the parliament buildings are to be wholly reconstructed instead of being partially restored, as at first contemplated, public tenders should be called for in accordance with the provisions of the law. This in the motion caused the prolonged sittings of the committee.

Mr. Lemieux's Position

Facts with which the public are familiar support the position taken by Mr. Lemieux. While "restoration" of the old building was the end in view and the opinion was expressed that it could be got ready for next year's session, there was some force in the argument that the work of restoration might best be done on the cost plus percentage system.

But when an entirely new building is to be erected and when, according to Architect Pearson, it will take three months longer to prepare plans, specifications and an estimate of its cost, Mr. Lemieux and the other Liberal members of the committee feel that, having regard to the millions of money involved, the only safe and businesslike way to proceed is by public advertisement and tender. Moreover, it was urged upon the committee that when the country is spending a million dollars a day for war purposes, the public would heartily approve any step taken in the interest of economy.

Hon. Dr. Pugsley supported the position taken by Mr. Lemieux and pointed out the legal difficulty of proceeding with reconstruction when parliament had

"Meat Takes Another Jump"—a familiar headline in your daily newspaper. But why worry about the cost of something you don't need? The most expensive foods are generally the least nutritious. In Summer health and strength come from a meatless diet. FRENCH HAVE TAKEN MAUREPAS; BRITISH ARE DRIVING AHEAD

Last Night's War News From All Fronts Shows Gains For the Allies

Striking simultaneously, the British and French have made substantial gains on the Somme front, according to the official statements issued by Paris and London. Maurepas has fallen to the French, who have pushed forward more than two hundred yards beyond that town on a front of a mile and a quarter. The British, on their side, report an advance of 300 yards south of Thiepval, and the capture of many prisoners.

The capture of Maurepas leaves Clercy almost completely surrounded, and also brings the French directly in front of the important railroad town of Comblis.

Thiepval is in almost the same position as Clercy, and the Allied front, as described by Paris and London, now resembles the teeth of a great saw between which the Germans are tenaciously holding the ruins of several villages.

Press dispatches from the Somme front indicate that the French are preparing for an extension of their offensive for a distance of thirty miles south of the present battle line. They are reported to have opened a tremendous cannonading from Estrees to Lassigny, and the bombardment is said to have reached an unprecedented intensity during the last two days.

No change is reported on the eastern front, but the Russian offensive in Armenia is apparently assuming powerful proportions. Petrograd reports the re-occupation of the important Armenian town of Mush, and the capture of 2,500 prisoners at Radin.

The situation of the Saloniki front still remains obscure, but apparently there has been no important change in the positions of the belligerents since the Allied flanks were forced back by the Bulgarians at the opening of the offensive. There have been no further reports as to the attitude of Roumania, and main interest is centred at present on the situation in Greece. Athens news despatches report that Greek volunteers are rushing to Seres from all parts of the country to take up arms against the

authorized only restoration. Rather than have a division in the committee before the laying of the corner stone on September 1, it was agreed to defer voting on Mr. Lemieux's motion until after the ceremony had been performed on the date mentioned. An adjourned meeting will then be held and if Mr. Lemieux's motion is defeated it is expected that the Liberal members of the committee will at once resign.

Bulgarians. In the absence of official information conflicting reports are being received as to whether or not the Greeks and Bulgarians have actually clashed. Reports received at the Greek capital state that fighting has been going on at Seres for some days.

The Italians are pushing their new offensive on the extreme north of the Austro-Italian line, and claim the capture of several Austrian positions. There has been an increase in artillery activity along the Isonzo, but so far no infantry actions have been reported.

SOLDIERS COMFORT WORK

More than \$100 was realized from the food sale and tea held, yesterday afternoon and evening, at the "Frontier Boys' Hall, Guilford street, West St. John, for the Soldiers' Comfort Association. The hall was opened at 4 o'clock, and from then, until 6 o'clock, there was a liberal patronage at the tea tables. Other booths and tables likewise received the patronage of the large numbers who attended in the afternoon and evening. Home-made candy, ice cream, wearing apparel, fancy work and embroidery were on sale, and there was a display of stockings made for the boys in the trenches. Mrs. A. W. Fraser, president of the society, acted as general committee head. Mrs. Barrett was in charge of the tea and was assisted by Mrs. A. J. Mulcahy and Mrs. J. L. Duval, who poured, and ten young ladies who served. Miss Freda Burton, Miss Mildred Long and Miss Beatrice Hannam were at the ice cream booth; Miss Bertie Ring and Mrs. J. Brittain and Miss May Clarke at the homemade cooking and Mrs. E. C. Girvan and Miss Ella McLennan at the homemade candy table.

A meeting of the provincial advisory committee was held last night in connection with the boys' conference that

News of Maritime Men in the War

Met on Firing Line

Lieut. Theo Barker, who is with B Battery of the Royal Field Artillery at the front, has written to his father, R. S. Barker, of the department of lands and mines, telling of meeting Sergt. Drury Allen, son of E. H. Allen of Fredericton on the firing line in France.

Will Command Platoon

Lance Corp. Ray L. Brewer, who is now at the front with the 26th Battalion to command the Sunbury county platoon of the 26th Battalion. He is a son of Sergt. Major H. T. Brewer, and has been at the front for eleven months. Some time ago it was announced that Corp. Charles Wilmot Parke of the P. C. L. I., had been applied for by the O. C. 26th Battalion to command the Sunbury county platoon, but a few days after his application went forward, word was received that he was missing.

The 36th Gassed

Bombardier Ralph McKenna, writing to his parents in Fredericton states that the 36th Battery were holding a position where the Germans launched a violent attack on the Canadian lines, using the poisonous gas and other means to break through. When the word was given that the gas attack had been started there was a great rush for the gas helmets. The gas had little effect on the members of the 36th Battery, as no casualties were reported. Up to date the battery has not lost a man.

Fatally Ill at Valcartier

A telegram from Valcartier Camp received Wednesday conveyed the intelligence that Private Addison Clark, 140th Battalion, was fatally ill with appendicitis and complications, and that his death was expected in a short time. He is a son of George E. Clark of Fredericton. Private Clark was on leave last week and left only last Friday for Valcartier.

With the Killies

Private William L. Delaney, who was wounded at Festubert while fighting in the ranks of the 14th Battalion, Royal Montreal Regiment, has joined the 26th

Battalion. He has arrived in Fredericton from his home in Kensington, P. E. I. Besides Private Delaney four other volunteers joined the 26th Battalion on Thursday. One of that number, Trevion Hovey, 18, of Ladlow, enlisted in Fredericton, and the other three, Walter Lasker, 18, of St. John, James A. Clime, 18, of Sussex, and David J. Arsenau, 18, of St. John, reported for duty.

POLICE COURT

In the police court this morning, six prisoners were fined \$8 or two months in jail for drunkenness. John Boer, a deaf mute, was before the court on vagrancy charge. He was ordered to be sent to the Municipal Home.

Bernard Barry was charged with drunkenness and interfering with ladies and children at the corner of Union and Waterloo street yesterday afternoon. John Watters gave evidence. The court imposed a sentence of six months in jail without a fine and \$50 or three months.

Tony Rose, who was allowed out only a day or so ago and given a chance to go west, occupied a seat in court today again. The court was bound he would leave the city this time and he was sent below in the care of a policeman, who will see that he gets out of town today.

Frank Colman, who appeared in court recently on charges of theft of a watch, drunkenness and acting disgracefully, was this morning allowed to go with the strongest warning that has been handed out to a man for some time. He was told that if he is seen again in the court he will likely get two years in Dorchester, or else a long term in jail here. Kenneth J. McInnes appeared for the prisoner.

Harry Crossman, taken into custody about a week ago by Sergt. Baxter, on charges of drunkenness and going about hitting people in King street, was this morning given a chance to start anew and was allowed his freedom, so that he might enlist in 26th Kiltie regiment.

WELL DONE

Yesterday afternoon at Murray's mills four little girls held a bazaar to raise money for soldiers' comforts. They did excellently, realizing \$15.27 with which to secure Christmas cheer for the men at the front. Those who carried out the idea are Gladys and Winifred Morrison and Dorothy and Marjorie Turner.

Bettison and Lewis L. Craft, all of St. John, to mourn their loss. Mrs. Craft was formerly Harriet J. Lyon, of Kingston, Kings county, daughter of the late David A. Lyon, who will be remembered by the older generation in the old coach house. Mr. Lyon having kept a house of entertainment at Kingston for many years.

How Sergt. Harry Sparre, of the 26th Battalion, was killed while fighting with the 26th Battalion at the front is told in a letter forwarded to Sergt. Shoemaker R. W. Gregory, of the 26th Battalion, Fredericton. Sergt. Sparre was a resident of Fredericton for several years previous to enlisting for overseas service. Lieut. J. Ward, in writing of this gallant soldier's death, says:—

"You will, I am sure, like to know that Sergt. Sparre's death occurred during one of the very heaviest bombardments ever this war has seen. The last time I saw him alive was when he was bandaging a wounded man, who was lying on the trench, where the men were exposed to the flying shrapnel. Sergt. Sparre was carrying on his work as calmly and unobtrusively as possible. I stayed with him a few minutes, and then passed on up the trench in the course of my duty."

"When I re-passed the spot again about an hour later, the body of Sergt. Sparre and that of his comrades, who had been killed, were lying on the raised bag I mentioned earlier. His face was very quiet and peaceful, without a sign of pain or shock. From the nature of his wounds it was evident that his death had been instantaneous, and he never could have known that he was hurt. It appears that after dressing the wounded man with whom I saw him busy, he came down into the bottom of the trench, where the men were crouching, and a little while later, a shell bursting in the trench, killed him and two of his companions. He had such a death that a soldier would choose if death must come."

"Of Sergt. Sparre I can say that his life was one of self-sacrifice and devotion to duty. He carried self-forgetfulness to a degree which is rare. In the last seven months I have seen him at work under all conditions and my admiration for his character has grown steadily with greater knowledge. His patience, self-control and utter self-abnegation were remarkable. On working parties, where hours of waiting in the rain, followed by long marches through blackness and mud in the trenches, when things were warmest in camp, when he gave his time to instructional work, in such and every case he gave of his best. More than this no man can do and at last he gave his life. Greater love than this hath no man. It was my duty to look through the books found in Sergt. Sparre's pockets and you may care to know that he had kept many letters from his mother and yourself. All these I destroyed, as is customary. Please accept this assurance of the sympathy of his comrades."

BYE-LAW MATTERS IN THE POLICE COURT

In the police court this morning the usual number of Friday bye-law reports were before the police magistrate. Dr. G. O. Baxter was reported for not sounding horn of his automobile when approaching the corner of Union street from Mill street. There was a collision at the corner with a team that had just come down Union. Dr. Baxter said that it was about 10 o'clock at night, and that when coming by the T. Rankin's building he sounded his horn. The team he struck was coming down Union into Mill street on the wrong side and this caused the accident. The magistrate struck a fine, but allowed it to stand, saying it was contributory negligence on the other person's part.

Richard McCrossin, reported for furiously driving and going on the wrong side of the street near the corner of Main and Mill streets, told the court that he did what the officer told him to do, and was reported for so doing. He said that Policeman Lucas told him to keep on the "right" side, which he did, but the defendant was told he should have been on the left, and then he would have been on the right side, and would have escaped being in court. The matter was allowed to stand.

A WASTE OF WATER

Commissioner to Put Inspectors at Work on Monday to Caver City—Using 11,000,000 Gallons a Day

It is doubtful if there are a dozen people in St. John who realize that more than 11,000,000 gallons of water are used some wasted—daily. These figures were given out this morning by Commissioner Wigmore of the Water and Sewerage Department, who, in company with Engineer Goldsmith, hydraulic expert from New York, has been making tests for the last week.

At one o'clock last night Commissioner Wigmore and Engineer Goldsmith went to the Marsh bridge, and although at that time the supply used should have been at its minimum, they found it was still averaging about 11,000,000 gallons. Commissioner Wigmore said that this would mean 300 gallons are being used for every man, woman and child in the city, which is the largest consumption on record. In London, he said, the per capita is about twenty-four gallons, and in Boston less than 100 gallons.

Prior to the installation of meters in Boston, the average per capita was 300 gallons, which was diminished one hundred per cent, and as a result saved the city an expenditure of \$400,000 for at least thirty years.

Commissioner Wigmore is convinced that there is a large waste in the city and hopes to put a stop to it. He said there were between 6,000 and 6,500 service pipes in the city, and attached to these are, on an average, 5% or seven taps. Many of these are either left open or the water allowed to run at full force, or else there is defective plumbing. Commencing on Monday morning he intends to put inspectors at work examining pipes, taps, etc., and will force landlords and owners of private residences to put them in good order.

"It is the citizens' money which is being expended, and they should co-operate with me," said the commissioner, "in an endeavor to diminish this waste. If this large consumption continues, it will mean additional expenditure and the city is not in a position at the present time to make it."

He explained that an inch stream of water at thirty pounds pressure would consume 8,225 gallons an hour, and as there is nearly 100 pounds pressure in the city, the amount would be much greater. A stream the sixteenth part of an inch would give sixteen gallons an hour, and a stream the sixty-fourth part of an inch would give six gallons an hour, and a stream the one-hundredth part of an inch would give one gallon an hour, and he determined that it should be before winter sets in.

NEW BRUNSWICKER WINS THE WAR CROSS

Douglas McMonagle, Son of Former Sussex Resident, Gains Distinguished Honors in France

The following, taken from The Bulletin of August 23, a paper published in San Francisco, California, will be read with interest here. Douglas McMonagle referred to is a nephew of Hugh McMonagle of Upper Corner, Kings County. His father, the late Doctor Beverly McMonagle, practised for years at Upper Corner, and will be remembered by many.

The dispatch in The Bulletin reads as follows:—"Paris, Aug. 2.—Douglas McMonagle of San Francisco, a graduate of the University of California, and now a member of the American Ambulance Field Service, has been decorated with the War Cross."

"The general commanding the sixteenth division in his citation of McMonagle's services, writes: 'Although a bomb burst in the midst of his ambulance section, McMonagle remained calmly at work and succeeded in carrying away three seriously wounded men while a terrific bombardment continued.'"

The Bulletin further says: "Douglas McMonagle, mentioned in the above dispatch, is the son of Mrs. Beverly McMonagle, of 200 Broadway. He left here accompanied by his mother last December for France. Arriving there early in January, he immediately enlisted in American Ambulance Corps and has been in continuous service at the front ever since."

"Mrs. McMonagle is at present in Paris. The young man's father was Dr. Beverly McMonagle, a prominent surgeon of this city, who died several years ago."

Now is the Time to Select Your Heating Stove for the Winter

We are booking orders for fall delivery at Last Year's Prices, in spite of the fact that the manufacturers have advanced their prices 10 per cent. We have only a limited number to offer at the old prices, and would suggest that you place your order early.

REMEMBER—We sell the original Burrell-Johnson, New Silver Moon, famous everywhere as a heater; also Oaks, Hot Blasts, Tor-toises, Standard Ideals, Red Clouds, etc. GUARANTEED HEATERS. LOWEST PRICES. D. J. BARRETT

Smart Styles in Boys' Clothing

How About That School Suit? We look on our Boys' Clothing Store as a preparatory school, one might say, in style and the knowledge of good clothes, so that when the boys "graduate" into manhood they will naturally come to Oak Hall for correct apparel.

Boys who wear Oak Hall Clothes are right up to the day in style—parents need but to please themselves and the boys as to materials, and may rest assured that the style is correct and that the fit will be carefully seen to before the sale is consummated.

Sailor Suits 6 to 9 years \$5.00 to \$6.50 Sailor Norfolk Suits 4 to 9 years 4.50 to 7.00 Yoke Norfolk Suits 8 to 17 years 5.00 to 16.00 Separate Pants—Bloomer or Plain Knee Style .75 to 2.00 Boys' Reefers 4.75 to 8.00

Knitted Sweaters

For Cool Autumn Evenings

You'll feel the need of extra clothing as the evenings grow cool, and nothing quite takes the place of the Knitted Sweater, of which we have just received a new supply of the season's latest productions from the famous Penman Mills.

These are shown with military and shawl collars, and come in all the newest shades, including red, green, brown, grey, olive, khaki, and a nice range of combinations. Boys' Sweaters 60c. to \$1.50 Men's Sweaters \$1.50 to \$5.00

We have just opened also a most desirable range of the most recent effects in SOFT HATS, which come in black and white checks and plaids.
