The Everyday Bargain Store

IF YOU PATRONIZE
YOU LEARN TO SAVE MONEY

NEW ARRIVALS FOR SPRING!

Every day we are opening something new for the Spring and Early Summer Trade.

In spite of the difficulty of securing stock we have managed to get together a display that equals, if it does not surpass our best showing before the war.

Prices on everything are higher than ever but we cannot help it. We can only keep our selling prices low enough to let us out with a living profit, and guarantee you perfect satisfaction and complete service.

Prices have doubled on most lines of Dry Goods, Footwear, and all necessities, as well as on Potatoes, Oats, Butter, Eggs, Pork, etc.

Everything is up in price; everything costs more; farmers and wage earners who have to pay more can comfort themselves that they can command more for their service.

But our Spring and Summer Goods are fine. Come and see. Buy if you are satisfied.

PRIVATE BARTER MEETS THE BOYS

Recounts Friendly Meeting of
Carleton Co. Lads in France

Somewhere in France
May 25, 1917

Dear Observer: I want this to be a letter of glad tidings and good news for yesterday I got off duty in the afternoon to look up few of the boys from around home. It was just a year ago 24th of May that so many of us were at Fredericton to the Military tattoo—12 bands there and what a time! How we boys talked of it here today, speaking of where we were that day, what we did and who we saw there. Well I started off and went up to the next village. Looked to be a mile or a little more. Out here in France you want to count three miles for what looks like two. A Pte. Sherwood from down river and I went over and the first man I met to know was Silas DeWitt. Didn't my eyes open? I says "Why, Silas, you are the gladdest sight I've seen for a month for I have a paper from home saying you had lost a leg, a letter saying your hand was shattered, and here you are with all four paws, safe and sound." Silas laughed and says, "Yes, sir, I got 'em all yet." Says I, "Write to-night to your father and mother, and tell them that you have all four paws in perfect working order, for they must be very uneasy."

Next I saw Burden Clark smiling and looking fine and healthy; Corp. Bent also looking every inch a soldier. I cannot tell where or how, but John Orser, Burton Wallace, Hastings Golding, Roy Stevens, Oscar and Walter Estabrooks, Sanford Haines, Ed Foster, Ed Jones, young Foster (from or near Burts' Corner) Walter Hill, formerly from Woodstock, Murphy from Armond, who was badly shell-shaken, is back again. Carleton Miller I also saw a few days ago. John J. Kyle came and spent part of afternoon on 23rd with me. My three brothers Jim, Will and John, are here some-where-in France or Belgium but them I have not seen, but I want the home people to know that I have seen their boys and they are looking fine. People, do you know your boys are making the best and greatest army in the world? We keep the the Germans as nervous as old women and our boys who come over here, country or village boys, are Veterans, now. Some have gone over three or four times in the face of death and won from the Great German War Lord, and still, as you sit and talk with them, you see only kindness and good humor shining in their eyes. The bravest are the tenderest; the loving are the daring."

A few days ago I saw Hal Sipprell—just the same old Hal. I speak not of our dead for they have gone to everlasting glory with an All wise God. The 24th here was fine. Lieut. McDougall who was at Hartland a year ago, has been transferred to the 26th.

CHAPTER OF ACCIDENTS AT BRISTOL

Child has Arm Broken and Ferry
Boat Goes Adrift—Personals

The ferry wire broke on Friday and allowed the ferry to run down the river a considerable distance. Mr. Tyrell and Gordon Hodgson were on it at the time. Mr. Tyrell's head was cut open, the doctor having to take several stitches in it, and Gordon was slightly injured.

A serious accident occurred here on Friday last when little Ford Campbell in crossing the road was run into by a team driven by Asa Brooks of Foreston. The child was knocked down and run over, his arm being broken and he was cut up quite badly.

Miss Ellen Giberson gave a party on Wednesday evening in honor of her guest, Mr. Payne. All who were present spent a very enjoyable evening.

Mr. Brown took all of his boy pupils on a fishing trip out to Lockhart's stream on Friday, returning on Saturday. All report a pleasant time.

Miss Edith Bell spent Wednesday in Woodstock for the purpose of visiting her sister, Mrs. Samuel Caldwell, who is in the hospital there.

Mr. and Mrs. Neville Jensen of Somerville spent the week-end with Mrs. Jensen's parents, Mr. and Mrs. S. C. Street.

Pte. Charles Ritchie of No. 2 Forestry Battalion, Sussex, spent the week-end a guest of his uncle, Stanley Street.

We are sorry to hear that Mrs. Tom Dyer is confined to her house with a severe attack of rheumatism.

William Oliver of Woodstock is relieving Mr. Hunter in the C. P. station while he is on his vacation.

Mrs. Lee White and Miss Crystal Davis are guests of their sister, Mrs. Aubrey Gaines at Florenceville.

Mrs. William Jones and daughter of Clearview were guests of Mrs. M. W. Caldwell on Friday.

We are glad to hear that Mrs. Stanley Lockhart is recovering from a severe attack of la grippe.

Mrs. Burt Brooks went to Woodstock on Thursday for a short visit among her relatives.

Mr. DeNoble has returned home again after spending the past two years in the States.

Mrs. Gordon Lang spent Tuesday in Bath; the guest of her sister, Mrs. George Nixon.

H. W. Annett of Hartland spent the week-end a guest of Mr. and Mrs. George Tompkins.

Charles Lyons left for Montreal on Wednesday to take up his work there.

Joel Hartley is in Woodstock a guest of his sister, Mrs. Jud Shea.

Charles Hunter left on Monday for a trip to Montreal.

Miss Viola Shaw returned from Bath on Thursday.

GRAND FALLS CONTRIBUTES 35

To the Forestry Battalion and They
Left on Monday

Mrs. J. P. Kelly received a letter from her son, Pte. Alban Kelly, on June 12, telling her of the death of his wife which occurred May 23 at their home in London, England. Mrs. Kelly, who was only 18 years of age and had been married about six months, died of heart trouble. Much sympathy is felt for Pte. Kelly in his sad bereavement. Mrs. Kelly before her marriage was Miss Ethel Quickenden of London. Pte. Kelly is one of our boys who went from here with the 55th. He was unfit for active service but works in the Paymaster's office in London.

In Bangor at the home of her sister, Mrs. Morrison, Miss Mary Woods Price was married to Dr. Fred Harriman of New Hampshire. Dr. Harriman is a graduate of Colby college in Waterville, Maine, while Miss Price is the only daughter of Mr. and Mrs. H. H. Price of Priceborough. After the ceremony the happy couple left for Boston where they spent some time until the Doctor had to leave for overseas, he having enlisted in the Medical Corps. Mrs. Harriman arrived in town on Friday, having come to spend the summer months with her parents.

Frank Bell of St. Leonards was in town Monday to say goodbye to his father Thomas Bell, who has gone with the Forestry Battalion. Among others to go were Robert White, Gordon Leslie and George Leslie.

Grand Falls Dramatic Club is preparing a play entitled "All a Mistake" which will be put on in Kertson's Opera House for the aid of the Catholic church. Look for posters and small bills.

Rev. Herbert Read of Moose Jaw preached in the First Presbyterian church here Sunday evening.

W. S. McCluskey who has been in New Glasgow and Woodstock for a few weeks came home Saturday.

Charles E. Begin of Edmundston made a business trip to town last Thursday and Friday.

Miss Alice Kelly went to the Hospital in St. Basil last week threatened with fever.

Miss Florence Graham is home from a pleasant visit with friends in Limestone, Maine.

Allan McLaughlan was in St. Leonards last week on business.

Miss Melanson spent a week in Fredericton returning Saturday.

About 35 left here Monday with the Forestry Batt. for Halifax.

Miss Mary L. Rainsford is on the sick list this week.

Sheriff Tibbitts of Andover was in town Friday.

Mrs. Harriman came home from Bangor Friday.

Rev. Herbert Reid and family of Moose Jaw are visiting at the Mansie.

Pte. Harry Price was in Halifax and St. John last week.

Miss McCluskey came home from Fredericton Monday.

Laugh and Grow Fat

"Laugh and grow fat" is an old saying laden with value for nervous people in particular. Drop the worry habit and use Dr. Chase's Nerve Food and you will soon get the nervous system restored to good condition. Digestion will improve, appetite will return, and you will find such symptoms as headache and sleeplessness fast disappearing.

STOP IN TIME

A week ago The Observer pointed out the danger to teams, pedestrians and little children caused by a confusing number of swiftly moving automobiles.

Speed limit signs, such as are posted in other villages, were suggested. It is further urged that drivers exercise the utmost caution and observe strictly the "rules of the road." You may not get excited yourself, but your speed may excite some driver whose nerve is less steady than your own, and sad disaster may follow. It is easily conceivable that any person making haste to avoid one swift car may step directly in the way of another. When the fatality occurs let us hope the driver may not put up the inexcusable plea that he "could not stop in time."

John Loupin is Dead

John Loupin died at his home on Monday afternoon. In mid-winter he had pneumonia, from which his recovery was slow. He was able to go to work a few weeks ago, but a short time since was seized with a complicated kidney and heart affection. Although it was known that he was a sick man news of his death came as a shock to his friends.

Mr. Loupin was 70 years of age and had lived in Hartland for nearly 40 years, during the latter half of which time he carried on a trucking business. He was twice married and is survived by his second wife. There is a son, Robert, and a daughter, Mrs. David Harvey, by the first wife, and a son, Roy, and two daughters, Mary and Ida, by the second wife.

The funeral was held yesterday. Mr. Loupin led an honorable, industrious life, was a good husband and father, and was much respected by all the village people.

Knoxford Notes

Leonard O. Wolverton is quite seriously ill from what seems to be an attack of paralysis. As he is a man in the prime of life it is hoped for a speedy recovery.

From widely separated points come some summer visitors. Melvin Kinney of Penticton, B. C.; Mrs. Stephen D'Arcy of Lynn, Mass.; Howard McGrath of Douglas, Arizona; Leigh Toms of Haverhill, Mass.; and Lee Gallupe, eldest son of Albro Gallupe of Iron River, Michigan.

Annie Carlisle and Ina Wolverton, student teachers at the Provincial Normal school arrived last week-end.

Mrs. Evelena Carlisle is enjoying a long planned for visit at the home of her niece, Mrs. Rilla Cain Clark of Island Falls, Me.

CENTREVILLE NEWS

Students who have been attending the provincial Normal School from this section arrived home by the Valley Friday evening and will now await their fate with fear and trembling. The results of the final examinations are not announced usually until August and it seems a long time to wait. A number from our school intend taking the entrance exams the first of July.

Miss Laura Wilkinson is home after a pleasant visit in Fredericton.

The entertainment Friday evening was only fairly attended. Miss Maude Slipp gave several readings and three solos by local and Florenceville talent.

Mrs. William Gee of Bath and little daughter Pauline are boarding at Mrs. F. D. Tweedie's. Dr. Brown assisted by Drs. Beairto and Cummings performed a serious operation on the little girl Thursday. At this writing she is doing as well as could be expected.

Roland O'Hara is home from Fredericton.

Cyril Brown lost one of his team horses last week.

John Gilland has traded his Ford for an Overland, formerly the property of Charles Long. Burtt Cliff, the pushing Chalmers agent, was mixed up in the deal and it is reported he has sold a Chalmers car to Mr. Long.

Our primary teacher, Miss Ella VanWart, has resigned and Miss Ronie Long will have charge next term. Miss VanWart has been successful and the parents of the children attending school are very sorry to have her leave. We hope Miss Long will have equally good success.

Mrs. Burton Clark and little son George are visiting in Houlton.

The weather is always supposed to be a safe topic at any social gathering but just now a person has to be very careful about what remarks are made on the thread-bare topic; especially if a farmer is listening. The situation is really becoming very serious with rain almost every day. Sunday the rain fell in torrents, all day long one continual shower. All low lands are submerged and the streams are at spring freshet height. Field after field of oats and potatoes will be destroyed and in some instances the seed will be washed out. No low land has been seeded as yet this spring and unless it clears up at once prospects look blue for crops this fall. Grass and grain on high land are getting a great start.

Carlingford

Miss Gladys Gay Lord of Waterville, Me., who has been visiting at Wm. S. Everett's, has returned home.

Miss Charlotte Spike of St. John is visiting her brother, C. H. Spike.

GRAND FALLS LOCALS

Mr. Budreau and little son of Edmundston were in town on Tuesday.

A number of our folks enjoyed a picnic at Rapid de Femme Tuesday afternoon.

Quite a number of our town folks attended the celebration of the 19th at New Denmark, and report a quiet time, not much in the line of amusements, and most awfully dry.

Miss Annie A. Day who has been in Haverhill, Mass., the past two years came home Tuesday on account of the illness of her mother and sister.

Miss Eva Day had the misfortune to break her collar bone one day last week.

Wm. Stroup, who has had typhoid fever is able to be out again.

Stickney News

Mr. and Mrs. John Garrity of Cambridge, Mass., arrived today on a visit to their brother, Robert Hunter, who is not very well.

Miss Ada Milbury has gone to Easton, Me., for the summer with her sister, Mrs. L. Williams.

Mrs. Hedly Milbury is on the sick list.

Mrs. Frank Giberson and little daughter are boarding at the Tompkins house until autumn, when they expect to leave for her home in Alberta.

Miss Gladys Bell accompanied by her cousin, Mrs. Gregg, from Fredericton arrived home last week.

William Campbell who was hurt quite recently is recovering.

Misses Inez and Lydia Tompkins returned home Thursday after spending a few weeks with friends at Fort Fairfield and Houlton.

Mrs. George Clark from Upper Woodstock spent a week with her mother, Mrs. George Campbell.

Rev. and Mrs. Earl Giberson are spending a few days at Wilmot.

A fishing crowd left by auto for Juniper Saturday, they were Gordon Milbury, Robert, Ernest and John Tompkins.

Mrs. James and Mrs. Henry Bell took tea with Mrs. Harry A. Tompkins.

Coy Campbell spent Saturday home with his parents.

Pioneer News

The farmers are still trying to get their crops in. Several have oats to sow yet and some have potatoes to plant. The scarcity of fertilizer has been a great drawback.

Miss Ella Ebbett has resigned as teacher of our school. She has purchased new blinds and other needed improvements for the school house from the proceeds of the very successful concert held in May.

Rev. J. B. Champion has reorganized our Sunday school and has a combined preaching service and Sunday school every two weeks. The young people of the Bible Class are planning to give an entertainment in the Methodist church soon, the proceeds to be devoted to much needed repairs of the edifice.

The roads are in a very bad state. There is a chance for new officials to demonstrate their efficiency in road building. Our new road master has started one improvement that is widening out the road 3 or 4 feet on each side something very much needed.

Mount Pleasant

Mrs. E. Crandlemire is visiting friends here.

Mr. Murray Shaw lost a valuable horse last week.

Mrs. C. W. Larlee of Bath spent the week-end with her mother, Mrs. J. H. Campbell.

Mrs. Vinal Derrah and Mrs.

J. Pelkey are visiting their parents at Stanly.

Mrs. G. H. Campbell and Miss Annie Leemont spent a few days at Glassville this week.

Mr. David Lamont passed through this place enroute to Woodstock.

Royalton Rumors

The R. B. quarterly meetings were held here recently.

Much sickness about here. Among them are Harley Cole, Bordman Burke, Mrs. C. C. Shaw and Mrs. Frank Weade.

Mrs. Harold Ireland is visiting her parents, Mr. and Mrs. Silas Burt.

The rainy weather has been a hindrance to farming operations in this vicinity.

Recent arrivals at the home of Herbert Buchanan and John Graham.

C. C. Shaw contemplates leaving for the west in the near future.

Arthur Cowan and Huestis Cowan have each purchased new automobiles.

Mrs. Belle Cronkite has gone to Lowell to make her home.

Mrs. Richard Knight is making an extended visit to Bangor.

Elisha Crawford made a trip to Carlisle recently.

Becaguimac Wallops the Monquart

On Friday evening a decidedly interesting game of base ball was played on the local diamond when the Monquart team came down from Bath and essayed to do up the local Guimackers. The fire of their ambition was fanned by three runs scored in the first inning, but it was not until the fifth that another was marked to their credit, and another run in the last gave them a total of five. The home team, an all-star aggregation of local genius, were so encouraged by four runs made in the second that they proceeded into the third with great enthusiasm and bagged two more, but they did not score again until the last, when their total stood at eight. The game was well played throughout, and the spectators are hopeful of there being more games during the season.

The line-up of the two teams follows.

W. Billings	c.	Keenan
G. Boyer	p.	Bishop
A. Thornton	1	Giberson

KEEP YOUR HORSES IN PRIME WORKING CONDITION

SOUND legs pull big loads. No horse with a Spavin, Splint, Curb, Ringbone, Bony Growth or Sprain, can do itself justice. Thousands of horsemen have been keeping their horses sound by using Kendall's Spavin Cure—the old reliable, safe remedy. Mr. Maurice Wrayville, Amherstburg, Ont., wrote on April 30th last: "I cured a jack spavin with two bottles of your Spavin Cure. I am just taking off a big spavin. It is the best liniment for sprains you can get for man or beast. I would like to have a copy of your 'Treatise on the Horse'."

KENDALL'S SPAVIN CURE
acts quickly, leaves no scars or blemishes, and costs little—\$1. a bottle—6 for \$5. Get our valuable book—"Treatise on the Horse"—free at your drug store or write us.

PIONEER LUMBERMAN DIES AT VICTORIA

George Frederick Robinson of Nelson Succumbs to Illness of Six Weeks Duration

(From Nelson Daily News)
George Frederick Robinson, aged 61, pioneer lumberman, and one of the best known and most popular citizens of Nelson, died yesterday at St. Joseph's hospital, Victoria, following an operation last Tuesday. He had been ill six weeks. The late Mr. Robinson's commercial interests necessitated his travelling throughout the province and by his genial manner and straightforward business methods he made countless friends. News of his death will cause sincere regret not only in this district but in widely separated parts of British Columbia.

He had been ill for the past six weeks with acute stomach trouble and other complications and was in the Kootenay Lake General hospital for a month. He was taken to Victoria by Dr. W. Willson and operated on at St. Joseph's hospital by Dr. Labau. He showed signs of considerable vitality following the operation, but on Thursday night word was received by W. R. Allen and Mrs. Robinson that he had contracted ether pneumonia and that his condition was critical. From then he slowly declined.

Mr. Robinson was born in Brighton, N. B., in 1856. His mother, who is 94 years old, still resides there. He was educated at that town and came west to Winnipeg in 1885. He became interested in the Northwest Lumber company at Winnipeg. He was traveling salesman for the firm and also had an interest in the company. He also acquired lumber interests in Selkirk and was associated there with Capt. William Robinson, who is now president of the Northern Crown bank. About 20 years ago he left Manitoba for Fernie, where he also engaged in the lumber business, leaving Fernie for Nelson 10 years ago and residing here since. For four years he was manager of the Summit lake mill, then he was offered and accepted the management of the Western Canada Timber company at Gerald. He was actively engaged in that capacity until his fatal illness seized him six weeks ago. Mr. Robinson was an adherent of the Baptist church and a member of the Nelson club. He did not take an active part in party politics.

Surviving are Mrs. Robinson, nee Miss Adelaide Dickenson of Woodstock; two daughters, Mrs. A. W. Young, San Francisco, and Mrs. George Gebbie, Winnipeg; two sons, Chester and Harry, both living here.

THE CONSERVATIVE PARTY

The good name of the Conservative party of New Brunswick has been fed to the jackals.

In the provincial field, ever since J. K. Flemming began a career which cost him the premiership and sent him into private life, the party has gone from bad to worse. The hold-up of the lumbermen, the Southampton Railway steal, the taking of money "by compulsion" from a Valley Railway contractor, the stumpage frauds, the transactions with the Farm Settlement Board, the hold-up of the St. John liquor dealers—these are all fresh in the public mind. Now comes the astounding transaction in Valley Railway affairs revealed in the evidence of Mr. Cozzolino at the enquiry which has just been begun. And there are doubtless other revelations to follow.

What is the matter with the better men of the Conservative party that they remain silent in the face of these shocking revelations? Is it that the whole party is honeycombed with what the Globe describes as rottenness and corruption? Or is it that they put party before country and would rather see the province looted than openly to denounce men of their own party? One or the other of these alternatives they must accept, whether they relish it or not; and the country is taking note of their silence. Some have, it is true, spoken very plainly in private, but that alone will not convince the people of their sincerity. They should not only repudiate

publicly all responsibility for and sympathy with the transactions which have shamed the country and sent the late government down to deserved defeat. A conspiracy of silence in this crisis in the affairs of the province, which would soon have been bankrupt had not the exposures been made and the government defeated, will but do the Conservative party greater injury. The attitude of the St. John Standard was never less defensible than at the present time. Deliberate suppression of the sworn testimony is the best evidence that it fears to have its readers know the truth. The truth has been placed on the record, however, and the net result of the Standard's course is another proof that it is not a newspaper but the organ of those who stand for the most sinister influences in the political life of the province.

What is the measure of patriotism? Is it to be found in loud professions of patriotism? If so there are some fine patriots at Fredericton. But, if the term implies disinterested and honorable service, there must be something more than appeals to the flag, praise of the men at the front, and resolutions introduced for partisan purposes. So far as the Conservative party in this province is concerned, its accepted leaders must be repudiated before its patriotic assurances will carry with thoughtful people.

When we turn from the arena of provincial to that of federal politics the conditions are not flattering to the Conservative party. Anybody who knows how federal government contracts and patronage are manipulated does not need to be told that a change is needed. Behind professions of the deepest devotion to the cause of Canada and the Empire there are doings which continually place ill-gotten gains in the pockets of those who toil not, neither do they spin.

Whether we look at New Brunswick, or Manitoba, or British Columbia, or wherever the Conservative party has in recent years had the opportunity to serve Canada, we find that it has served the profiteers. The facts have been revealed. They cannot be dodged. Enquiry after enquiry has shown conditions which prove the Conservative party to be associated with grafters who would fatten themselves upon the country even while the country bleeds at every pore. So far as New Brunswick, Manitoba and British Columbia are concerned their career has been brought to an inglorious end. The next change should be at Ottawa.—The St. John Times.

A BOUNTY TO PRODUCERS

To any farming community within this province which desires its independence of foreign supplies of clover seed the Department of Agriculture, New Brunswick, offers the use of a clover-thresher.

This machine was operated in Carleton county last year, where it threshed approximately 300 bushels of red clover seed.

The charges for threshing include only the cost of operating during the actual running time of the machine, which last year was \$1.37 per hour.

The capacity of the machine is two tons of clover hay per hour, yielding approximately 75 to 90 pounds per ton.

The Department provides two men to operate the outfit; all extra help required is to be supplied by the person for whom the threshing is done.

TERMS AND CONDITIONS

1. Any Agricultural Society or group of five or more farmers having a minimum of 10 acres of clover intended for threshing may apply for the threshing outfit.

2. An application from the Agricultural Society must be

Too Many Operations

The Right Medicine in Many Cases Does Better than the Surgeon's Knife. Tribute to Lydia E. Pinkham's Vegetable Compound.

Doctor Said Operation or Death—But Medicine Cured.

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and had me try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. BLANCHE JEFFERSON, 703 Lyon St., Des Moines, Iowa.

Another Operation Avoided.

Richmond, Ind.—"For two years I was so sick and weak from female troubles that when going up stairs I had to go very slowly with my hands on the steps, then sit down at the top to rest. The doctor said he thought I should have an operation, and my friends thought I would not live to move into our new house. My daughter asked me to try Lydia E. Pinkham's Vegetable Compound as she had taken it with good results. I did so, my weakness disappeared, I gained in strength, moved into our new home, do all kinds of garden work, and raised hundreds of chickens and ducks. I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound."—Mrs. M. O. JOHNSTON, Route D, Box 190, Richmond, Ind.

Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this; but the above letters, and many others like them, amply prove that many operations are recommended when medicine in many cases is all that is needed.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

by the president and secretary. 3. An application from a group must be signed by at least five bona fide farmers having clover for threshing aggregating 10 acres or more, who shall appoint one of their number to make the necessary arrangements with the Department of Agriculture.

4. Applicants must agree to the following conditions:

(a) To have the clover crop cut and in condition for threshing. This will in most instances necessitate storing the crop.

(b) To provide transportation of the threshing outfit to and from the nearest railway station or threshing centre.

(c) To transport the material to be threshed to the machine and to remove the straw when necessary. The operator shall direct, and to transport any gasoline or water required for the engine.

TIME FOR HARVESTING

Seed formation of common red clover in the early stages of growth can be readily observed by cutting the flower heads lengthwise and to one side with a sharp knife. The seed bearing heads later become plump and brown, and may be detected if squeezed between the thumb and finger or they may be shelled out in the hand. When observed in any large proportion of flower heads a profitable seed crop is assured whether occurring in the first or second crop.

Cutting should not commence

until the seeds are quite firm and well colored: (which corresponds to the late dough stage in corn.)

Harvesting the seed crop is accomplished by cutting with a mower when the growth is excessively heavy, or by a self-take reaper, or even a binder, with or without the tying apparatus, but preferably without. A table attachment, or buncher is made by some farm machinery companies, attachable to their mowing machines, which work well where the crop is not heavy.

About ten days are required to properly cure the crop. The branches should be frequently turned to assist the drying, and the crop should be stored in a dry mow.

Clover is well termed "The corner stone of agriculture", for without it there can be no permanency to our type of farming. It acts as the miller and baker for other crops and is indispensable to a permanent agriculture.

All inquiries for further particulars relating to the production or threshing of Clover Seed will receive attention by applying to the Secretary of the Department of Agriculture, Fredericton, N. B.

Commencing Monday last way freight service will be: North-bound Mondays, Wednesdays and Fridays; South-bound Tuesdays, Thursdays, Saturdays. Commencing June 23 trains 15 and 16 will run daily between Montreal and St. John.

Best Nerve Specialist in England Was Consulted

But Nervous System Failed to Respond to Treatment Prescribed.

Nervous disorders frequently result from injury to the nerves in accidents or because of the shock to the system.

The writer of this letter was injured in a mix-up with some coils, remained unconscious for three weeks, and in spite of continued treatment in hospital could not obtain restoration of the internal nerves which control the action of the digestive and other vital organs. He travelled to Europe and consulted England's greatest nerve specialist. Relief was only temporary, in spite of many treatments used.

His letter gives the facts, briefly, and tells how he was finally cured by using Dr. Chase's Nerve Food. Can you imagine any more severe test of this great nerve restorative?

Mr. Henry F. Yenn, Cebu, Ranch, Malakwa, B.C., writes: "Dr. Chase's Nerve Food has restored my nervous system and given me my health."

Having met with a severe accident seven years ago, from which I was unconscious and which left my nerves in a very sore plight, I was treated by doctors galore and consulted one of the greatest nerve specialists in England, but nothing seemed to do me much good. Hypnotism and, in fact, all and every kind of nerve mixture in almost every form was used, but never with more than temporary benefit.

"But Dr. Chase's Nerve Food has acted very differently, for it has built up my nervous system until I feel like my old self again. If this medicine will do for others what it has done for me, I shall not regret having written this letter. I have recommended the Nerve Food personally to many, and shall always esteem its great restorative value."—Dr. Chase's Nerve Food is sold by all dealers or Edmondson, Boston, U.S.A.

HEALTHIEST ONE IN THE FAMILY

No Sign Of Dropsy And Kidney Trouble
Since Taking "FRUIT-A-TIVES"

MATTIE WARREN
Port Robinson, Ont., July 8th, 1915.
"We have used 'Fruit-a-tives' in our house for over three years and have always found them a good medicine. Our little girl, Mattie, was troubled with Kidney Disease. The doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try 'Fruit-a-tives'. She began to show improvement after we had given her a few tablets. In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the healthiest one in the family and has no signs of the old ailment. We can not say too much for 'Fruit-a-tives' and would never be without them."

OH, SUCH A HEADACHE!

Every now and again don't you get one of those fearful headaches that drive you to do anything to get relief? Remember, though, it's a mistake to just "smother" the pain without removing the cause. Nearly all headaches have their beginning in the stomach, liver or bowels, and the best remedy is Chamberlain's Tablets, which tone the liver, sweeten the stomach and cleanse the bowels. This not only cures the headache but prevents its return.

Hawkins-Flewelling

Arthur Calvin Hawkins and Miss Mildred Elaine Flewelling, both of Auburn, Maine, were married at eight o'clock on June 6 at the home of the bride's sister, Mrs. Elmer Parsons, 77 Davis Avenue. Rev. A. D. Paul, pastor of the Court Street Free Baptist Church, of which both bride and groom are members, performed the ceremony, using the double ring service.

The bridal chorus from "Lohengrin" was played by Miss Geneva Lamson. The bridal party entering the parlor took their places under a broad arch made of fir tips, combined with apple blossoms. The bride was attended by Miss Sadie Steele of Auburn, as bridesmaid, and the best man was Alexander Anderson, also of Auburn. Little two-year-old Majorie and Dorothy Parsons, twin nieces of the bride, were ring bearers, holding the rings in small baskets which they placed on stands before the ceremony.

The bride wore a gown of white Georgette crepe with long bridal veil and carried a shower bouquet of white roses and sweet peas. Miss Steele's gown was of pale green crepe de chine with a bouquet of pink roses. The little ring-bearers were daintily gowned in white embroidered dresses blue ribbons.

The decorations were very attractive, in the parlor and hall fir tips and apple blossoms being used. A large bouquet of apple blossoms stood on the piano. The stair rails were bound with fir. In the dining room patriotic decorations were used in honor of the bride's brother, Cecil R. Flewelling, who is now in service in France. Red, white and blue were effectively combined and the Union Jack and United States flags were used on the walls. The flowers used were violets and cherry blossoms, the centre-piece being made of violets.

Only an informal reception followed the service which was attended by 35. Many beautiful gifts were received including the usual cut glass, silver, table linen and china. The groom's gift to the bride was a wrist watch, and the best man received a pair of gold cuff links. The bride gave her bridesmaid a pendant set with pearls.

Ross catered serving refreshments of fruit punch, Harlequin ice cream, lady fingers, macaroons, salted nuts and candy. Mrs. W. N. Stearns of Augusta, dipped punch, and Katrine Parsons and Miss Lamson served.

Those who drew the symbols from the cake were: Mrs. Hawkins, the thimble; Rev. A. D. Paul the ring and Alexander Anderson the button.

Out of town guests were Mrs. W. N. Stearns of Augusta, and Freeman Banford of Bangor.

Mrs. Hawkins is a daughter of Mr. and Mrs. F. D. Flewelling of Avondale, N. B. She was born at Burt's Corner, N. B. and attended school there. For the past six years she has been employed at the Field Brothers & Gross shoe factory. She belongs to Lewiston Grange. Mr. Hawkins is also a native of N. B. having been born at Douglas a son of Mr. and Mrs. James Hawkins now of 22 Manly Street, Auburn. He came to Auburn about five years ago and has been employed at Cushman-Hollis Co. Both have made many friends here.

Mr. and Mrs. Hawkins have gone for a two months visit in Fredericton, and on their return they will live in Auburn. The bride travelled in a suit of mustard color broadcloth and Panama hat with white veil—Lewiston Journal.

Pirie-Clark

A very pretty home wedding took place Tuesday evening, June 5, at the home of Mr. and Mrs. George Clark of Limestone, when their daughter Miss Adeline Estelle Clark was united in marriage

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong and active.

to Frederick William Pirie of Grand Falls. The bride is one of the prettiest and most popular of Limestone's young ladies, and the groom a young business man of Grand Falls. The ceremony was performed at 7 p.m., by Rev. E. M. Weller of the church of the Advent, Limestone. The couple stood under an arch of evergreen and white flowers, the centre of the arch being a wishbone made of white lilacs. The bride wore a dress of silver lace flouncing over white satin and a hand-embroidered tulle veil and carried a shower bouquet of lilies of the valley and bride's roses. The bride was attended by Miss Marie Pirie sister of the groom. The bridesmaid wore beautiful gown of gray Georgette Crepe over rose, and carried American beauty roses. The groom was attended by G. W. Mitchell of St. John, a friend of the groom. The single-ring Episcopal ceremony was impressively used. From 8 to 10 o'clock a reception was held, attended by over 100 of the many friends of the young couple. Refreshments of ices and cakes were served, and a very pleasant evening enjoyed. Many beautiful and costly presents were given the popular young couple of checks, money, silver, cut-glass and furniture. The groom's present to the bride was an automobile, and to the bridesmaid and best man each a pearl pin. Mr. and Mrs. Pirie left Wednesday morning for a wedding trip to Montreal, Toronto and Niagara Falls, returning by way of New York and Boston to Grand Falls, where they will be at home after July 6 at the bungalow recently purchased by Mr. Pirie from Dr. Puddington. The young couple have many friends in Limestone who wish them every happiness during a long and happy married life together.—Fort Fairfield Review.

FOOL-PROOF POISON

Absent-mindedness Could Not Excuse
Mistake in This Case

The latest thing on the drug market is "fool-proof" bichloride of mercury. During the last year or so there have been many cases of accidental poisoning by this dangerous but highly effective antiseptic. At many factories and in their homes to produce a tablet that could not be mistaken for anything else—even in the dark.

"Fool-proof" bichloride of mercury was the name of the tablets. They were shaped like a thread, like beads, and when they are dissolved in water they have a distinctive odor. The tablets themselves are in the shape of a right angle, and each one is labeled "fool-proof" in red ink.

The makers say, and it is true, that a person who uses all his mental faculties will not be able to mistake the tablets for anything else. The tablets are so small that they can be carried in the pocket of a shirt, and they are so light that they can be carried in the pocket of a shirt.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks stop on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority.

He says that a few drops of a drug called freezone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out.

This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue.

It is claimed that a quarter of an ounce of freezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

The Paint That Costs The Least

is the Paint that covers the greatest surface—that takes the shortest time to apply—that wears the longest. Martin-Senour "100% Pure" Paint does all three. Here's the proof. "100% Pure" Paint covers 900 square feet of surface per gallon.

Hand-mixed-lead-and-oil, and cheap prepared paints, cover only about 500 square feet.

The greatest cost of painting is for labor. It takes less time to apply Martin-Senour "100% Pure" Paint because its fine, even texture spreads much easier.

MARTIN-SENOUR "100% PURE" PAINT

(Made in Canada.)

is guaranteed to be exactly as represented. The purity of the White Lead and Zinc Oxide—the high quality of the Linseed Oil—the minute fineness of the grinding by powerful machinery—insure a paint that gives years of protection and beauty to your home.

Why use cheap paint—that is expensive to put on—when Martin-Senour "100% Pure" Paint wears nearly twice as long?

If you are painting this year, you'll be interested in our books—"Town and Country Homes" and "Harmony in New-Town". Call or write for copies free.

Help to Enforce Prohibition

Permanent Prohibition in New Brunswick demands strict enforcement between now and the day when Prohibition may again be voted upon after the war. The whole task of enforcement must not be left to the officers of the law alone. Everyone should help. Eternal vigilance is the watchword.

WHEN the test of the world-conflagration called for every ounce of strength in every available man to stem the tide of destruction, one of John Barleycorn's greatest friends, Russia, was the first to abolish the Traffic because it could not meet the test. In good time, when her hour of test arrived, New Brunswick banished the great Drink curse let us hope forever!

After the war, in his turn, John Barleycorn is going to put New Brunswick to the test. Prohibition may again be voted upon after the war.

Every bit of lax enforcement and indifference is just so much ammunition for him to use against us. How does Prohibition meet the test?

Russia—

Some idea of the enormous effect of Prohibition is afforded by the wonderful example of Russia. In spite of the fact that millions of producers are in the army the savings of the people enormously increased. In 1912 and 1913 they were saving, per year, about \$20,000,000. In the first five months under Prohibition they saved \$60,000,000. In 1915 the banks took in \$265,000,000. For the first half of 1916, the Russian people saved \$300,000,000!

The Dakotas—

Town and city population in South Dakota under License increased 168 per cent. in 20 years. In the Prohibition state of North Dakota it increased 494 per cent.!

In "dry" North Dakota, for the year 1909, 2,789 men produced \$19,137,000 worth of manufactured goods. In the "wet" Dakota it required no less than 3,602—813 more men—to produce only \$17,870,000 worth of manufactured goods, or \$1,267,000 less!

In 1890 commitments to Insane Asylums in "dry" North Dakota were 40 persons per 100,000 more than South Dakota. After twenty years of Prohibition they were forty less! And the Prohibition State began the period with only about half the population of its neighbor!

South Dakota has since adopted Prohibition.

The genuine parchment paper, as farmers use for wrapping butter, being an Austrian product, is off the market since the war began. An American substitute answers the purpose very well, but the sheet is darker in color, not so clear, nor so tough. The size is also smaller than that formerly used and the pound size is not large enough to wrap a flat brick, but is large enough for the square shape. The Observer will have a stock in a few days some of the larger size sheets; also a limited quantity of the genuine parchment—some that was imported before the war. The price on this has trebled.

R. P. Steeves, Director of Elementary Agricultural Education for the Province, under the Departments of Agriculture and Education, was here yesterday and inspected the school garden. He found the plot was not so well cared for as other gardens in the county and strongly urged the pupils to greater interest. He outlined a system of prizes for those who excelled in cultivating home plots, and suggested a school fair for the Autumn. Mr. Steeves also met a number of citizens and discussed the same topic. Hartland school garden should not rank less than others, and the interest of the pupils would be greater if parents, and others, would co-operate with the teachers in helping to make the garden a real garden.

Quinn-Hayden

The home of Mr. and Mrs. Samuel Hayden of Riley Brook on June 6, was the scene of a pretty event when their daughter, Sarah DeWitt Hayden, became the bride of John Estey Quinn of Queens Co., Rev. Archibald Hatfield officiating in the presence of immediate relatives and friends of the bride.

The bride entered the room on her father's arm and was becomingly attired in a travelling suit of navy blue and hat to match and a gray ruff. Wedding march was well rendered by Miss Helen Giberson.

After the ceremony, and congratulations had been received

the bridal party, the guests were invited to the dining room, where all enjoyed themselves as they feasted from bountifully laden tables prepared for the occasion.

Popularity of the young couple was shown by the number of beautiful, and useful gifts they received; consisting of cut glass, linen, and a neat purse of money. The grooms present to the bride was a purse of money also.

Mr. and Mrs. Quinn left immediately for Bowmanville, Ontario, where Mr. Quinn intends to engage in business and make their future home. Friends of the young couple all join in wishing them years of health and prosperity.

Britton-Hartley

On June 12 in the presence of relatives and friends a pretty wedding took place at the home of Mr. and Mrs. J. C. Hunter, East Florenceville, when their sister, Zena M. Hartley was united in marriage to George O. Britton, manager of the Farmers' Telephone Co., Hartland. The bride was very prettily attired in a gown of white crepe de chene and carried a bouquet of cream roses. Miss Muriel Hunter niece of the bride, played the wedding march. Following the ceremony a dainty lunch was served. Mr. and Mrs. Britton left by auto for Grand Falls and other points on the river. They will make their home in Hartland.

They were the recipients of many beautiful presents, the groom's present to the bride was a diamond necklace. They have the best wishes from a large number of friends for prosperity and continued happiness.—Standard.

Mr. and Mrs. Britton arrived at Hartland on Friday evening and went directly to their own house on Hillcrest. During the evening the officers and directors of the telephone company, and their wives, and the operators from Hartland, Florenceville and Woodstock gathered at the home and tendered the newly wedded pair their heartiest felicitations, a tangible expression of which was the presentation of a handsome silver service.

A. B. North of Canning, N. S., is the guest of Mr. and Mrs. F. M. Howard, for a week or two. Manzer Giberson of Riley Brook with his little daughter, Margaret, was in town on Wednesday.

Wilmot Curry of Edmundston spent the week-end at his home in Andover.

Thomas Allen spent part of last week at Riley Brook and Nictau.

James McNair of Autherette was a business visitor in Andover on Thursday.

Mrs. Ray Murphy and little daughter Thelma of Aroostook Junction spent Sunday in town; guests of Mrs. H. B. Murphy.

C. N. Howard and A. B. North drove to Fort Fairfield Friday morning.

Quite a party of friends met Tuesday evening at the home of Mrs. David Watson in honor of her son Guy, who has lately enlisted in the Forestry Battalion. Dainty refreshments were served at the close of the evening.

Mrs. Charles Henderson of St. Stephen is the guest of her daughter, Mrs. H. L. Alcorn.

The little child of Mr. and Mrs. James Woodland of Perth was buried in the Methodist cemetery Friday afternoon. The sympathy of many go out to Mr. and Mrs. Woodland in their bereavement, this being the second child that they have lost during the past year.

Saturday, June 16, was observed as tag day by the ladies of the Women's Institute, the proceeds to be used for the benefit of the C. A. at the front.

C. N. Howard and George Bell were at Grand Falls, for a short time Saturday afternoon.

Mrs. Henry Baird came home from St. John last Monday, having spent the winter with Mrs. Archie Dickson.

Frank Stevens of St. John spent Sunday with his mother, Mrs. Helen Stevens.

Mrs. Sadler of Mapleview is the guest of her daughter, Mrs. Ida Baird.

F. M. Howard and Manzer Giberson leave Andover this week to spend the summer on the Restigouche river.

Mrs. James E. Porter spent a few days in Fredericton last week in the interest of the Suffrage bill. Mrs. Porter is also a member of the Advisory board of the Woman's Institute which presented several resolutions of reform to the Government.

Kenneth Robb, prescription druggist of the Wade Drug Store at Perth, is spending a few days in St. John.

Mrs. J. W. Howlett attended the graduation exercises last week of the Provincial Normal School, where her daughter, Miss Vivian is a graduate.

Miss Woodsworth of the N. B. Telephone Co. has been transferred to St. John.

Rev. Mr. MacDonald of Salt Springs, Nova Scotia, is the guest of Mr. and Mrs. William Curry.

William Spike has many friends who are glad to know that his health is improving and hope is now held out for his recovery.

Greatest Rule of Health

With all their differences in regard to disease, its cause and treatment, doctors are of one mind in regard to the one greatest rule of health, viz: "Daily movement of the Bowels." Unnumbered thousands of people suffer almost continuously as the result of constipation who could be readily cured by Dr. Chase's Kidney-Liver Pills.

A Pioneer of Glassville Passes Away

Mrs. Elspeth McKenzie, after a brief sickness of two days, passed away at Glassville on Monday, June 11. On Saturday she was stricken with paralysis. Had she lived a month longer she would have celebrated her 87th birthday. Born in Huntly, Aberdeenshire, Scotland, she came to New Brunswick in July 1861. With her husband she settled in Aberdeen Parish in November of that year. Being possessed of a strong mentality and of many natural gifts, she made a deep impression upon those of her generation. She was one of the founders of the Aberdeen Baptist church at Highlands and had a large part in the building of the meeting-house. The building, long closed, was opened for the funeral service on Wednesday, and the sermon based on John 10:10 was preached by the Baptist minister of the field. Interment was made in the adjoining God's acre. She is survived by her son, Roderic, of the C. P. R. staff at McAdam Junction and Murdock living at the Forks of the Miramichi; also by three daughters, Mrs. Allan Hopkins of Seattle, Wash., Mrs. Jerry Durham, Ore., and Mrs. Joseph Nixon of Glassville. Her husband, Murdock McKenzie, predeceased her 21 years ago.

BATH BREEZES

The water rose very suddenly Saturday in the Monquart stream and the booms holding a quantity of three to five hundred pieces of logs broke and the logs went adrift into the river. They were owned by J. C. Hayes of this place and are a very heavy loss to him as but few, if any, were marked.

The Baptist church which has been sometime without a regular pastor is to have Rev. Mr. Howlett of Lewisville take the field.

He and his family are expected here this week to begin work next Sunday.

Master Thomas Bohan of this place has arrived home from his school at Van Buren.

The teacher of the advanced department of the school, Thomas Pickard, arrived home from Fredericton on Thursday last, where he was taking the exam for Superior class. Miss Ethel Simms had charge of his school for him during his absence.

The wet weather very much retards the pleasure of the motor trips and more especially that so many new cars have been added to the large number now owned here.

Rev. G. A. Ross, pastor of the Methodist church, will preach his farewell sermon here at 11 next Sunday. The reverend gentleman has been here regularly for the past four years and all regret his departure.

Councillors John E. Kinney and W. J. Gallagher attended the semi-annual meeting of the Municipal Council at Woodstock this week.

C. M. Sherwood who moved to this place from Centreville recently is having extensive repairs and changes made in his property here.

George O. Britton, manager of the Farmers' Telephone Co. of Hartland was a caller here on

Saturday last and was receiving the congratulations of his many friends on his marriage, all wishing him and Mrs. Britton many years of happiness.

5000 STENOGRAPHERS

Needed for government positions; and as many more for railroads and business houses. It is no longer a question of securing positions, but how to get enough to qualify to meet the overwhelming demand. It is just as patriotic to do your "bit" in an office and "keep the wheels moving" as it is to be in the firing line or in the hospital. This is an unusual opportunity to enlist to serve your country and your best interests at the same time. Send today for enrollment blanks as our seating capacity is limited.
