Dr. Shoop's Health Coffee is made from pure roasted grains, with malt, nuts, etc. Really it would give a nuxepert—who might drink it for Coffee. No 20 or 30 minutes tedious boiling. 'Made in a minute' says the doctor. Sold by A. McG. McDonald.

(From Tuesday's Graphic.)

A special meeting of the Town Council was held last evening, the business being the reconsideration of granting a bonus of \$5000 to Messrs. J. & D. A. Harquail.

The Mayor presided and all Councilors were in attendance.

Coun. McDonald stated that Messrs.

Harquail were anxious that the matter be placed before the people for their decision. He was heartily in favor of granting the bonus on condition that the factory be rebuilt on the Ramsay street site.

Coun. McDonald moved, seconded by Coun. McLean, that in consideration of Messrs. Harquail rebuilding the factory on the Ramsay street site that they be granted a bonus of \$3000, and that a vote of the ratepayers be taken on the matter on the 22nd of June.

The motion was carried after some discussion.

Coun. Miller thought the proposition of granting exemption of taxes and water at a nominal figure should be submitted to the ratepayers, as well as the bonus matter.

Coun. McLennan and Moore agreed with Coun. Miller.

Couns. Andrew and McDonald thought it would be rather confusing to have both propositions submitted. The Council could deal with the extensions.

Coun. Mowat said he was not in favor of granting any concessions for the old site. He thought that before a bonus was voted the Council should know where the money could be obtained. It might lead to direct taxation.

Coun. Miller was not sure that it would be of the greatest assistance to Messrs. Harquail to grant a bonus.

They were willing to build on the old site provided they were granted a nominal sum exemption from taxes and water. It would cost them considerably more to build on Ramsay street.

Coun. McLean although not in favor of bonuses on general principles, was in favor of submitting the question to the ratepayers. He thought that the Messrs. Harquail were worthy of some encouragement.

The Town Clerk was directed to give notice of the vote on the 23rd, and was appointed returning officer for said vote. The ballot is to be a 'yes' or a 'no' ballot, meaning the acceptance or rejection of the bonus project. All voting will take place at the town council rooms, between 9 a. m. and 5 p. m., only those qualified to vote for Mayor and Councilors to have privilege of voting.

Minards Liniment Lumbermen's Friend.

OTTAWA, Monday.—Before the orders of the day were called, Hon. Mr. Borden asked what further legislation the government intended to introduce at this session.

Sir Wilfrid Laurier said it was quite possible that a bill might be introduced for the purpose of amending the criminal code, also a bill to amend the Judges act by providing for the trial of cases arising in the territories and a bill to correct certain errors in the legislation of revised statutes, all three were comparatively minor matters. It is possible that there might also be amendments to the railway act which might be of more consequence.

Apart from these Sir Wilfrid Laurier did not know that the government had anything further. They, of course, reserved the right to introduce further legislation if necessary.

The House went into committee on the bill to amend the Victoria peace mining act.

The Intercolonial Railway in the month of April had receipts totalling \$740,575 and working expenses of \$740,575. In the same month the year before there was a surplus of \$158,572 in receipts over working expenses.

LONDON, Monday.—The Earl of Derby, formerly governor general of Canada, died here suddenly on Saturday night. In 1888 as Lord Stanley of Preston he became governor general of Canada and held that position until 1892 when he was succeeded by the Earl of Aberdeen.

How To Save Work In The Home

Most of the dust in the modern home comes from the floor. It needs, if you would use Floorglaze right. And dust isn't merely a bother for the housewife and the maids. It's a danger.

Dust spells d-i-s-e-a-s-e. The germs of all infections dwell, mainly, in floor-dust. Floorglaze reduces floor-dust to a minimum.

When you coat a floor with any of the ten shades of Floorglaze you have a floor that is creviceless (can't harbor germs), washable (use an anti-septic in the mop-water), and nearly dust-proof.

You will get weary watching for it to wear off that floor. Floorglaze stands outlast wear, even—terrace, porch, steps, etc. And a gallon covers 500 square feet. Cheap!

Your dealer has it. You would find our Free Book interesting reading. May we send you a copy? Ask on a post-card. Imperial Varnish & Color Co., Limited, of Toronto. Recommended and Sold by W. H. MARQUIS & CO.

HOUSE WORK

Thousands of American women in their homes are daily sacrificing their lives to duty.

In order to keep the home neat and pretty, the children well dressed and tidy, women overdo. A female weakness or disposition is often brought on by the pains and aches which daily make life a burden. It is these faithful women that

LYDIA E. PINKHAM'S VEGETABLE COMPOUND comes as a boon. It is a blessing, as it did to Mrs. W. Barrett, of 602 Moreau St., Montreal, who writes to Mrs. Pinkham:

"For years I was a great sufferer from female weakness, and despite every remedy given me by doctors for this trouble, I grew worse. 'One day a friend advised me to try Lydia E. Pinkham's Vegetable Compound. I did so, and am thankful to say that it made me strong and well.'"

FACTS FOR SICK WOMEN.
For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulcers, fibroid tumors, irregularities, periodic pain, backache, this bearing-down feeling, flatulency, indigestion, dizziness, nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

EAT ORANGES

IF YOU WANT TO KEEP WELL

Careful tests have proved beyond question that orange juice has clearly defined medicinal virtues. Those who suffer with indigestion—are compelled to eat—find that after eating oranges regularly for breakfast there is no distress, no palpitation.

Where there was a tendency towards constipation, the eating of oranges regulated the bowels.

In skin troubles, those who began the morning meal with an orange were noticeably improved.

There is, however, a quicker way to get better results. This is to take one or two "Fruit-a-tives" tablets at bedtime in addition to the juice of an orange before breakfast the next morning. "Fruit-a-tives" are juices of oranges, apples, figs and prunes, in which the medicinal action is many times intensified by the special way of combining them. Valuable tonics are then added.

Take the juice of an orange before breakfast and six "Fruit-a-tives" at night—and you will quickly be rid of Indigestion, Stomach Troubles, Constipation and Bilelessness. "Fruit-a-tives" are sold by all dealers at 50c a box of 12. Sent on receipt of price by "Fruit-a-tives" Limited, Ottawa.

EVERY MAN HIS OWN DOCTOR

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough. Chamberlain's Pain Balm (an anesthetic liniment) for cuts, bruises and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles. Chamberlain's Salve for diseases of the throat.

One bottle of each of these five preparations costs but \$1.25. For sale by all druggists.

LONDON, Saturday—Parliamentary enquiries are being addressed to Sir Edward Grey, in the Commons, regarding the German movement for a commercial engagement with Canada.

The Foreign Secretary is being asked to lay before the House any representations received from German and other foreign governments on the proposed extension of their trade with the Franco-Canadian conventions.

DO NOT NEGLECT THE CHILDREN

At this season of the year the first pleasure because of a child's howling should have immediate attention. The best thing that can be given is Chamberlain's Colic, Cholera and Diarrhoea Remedy, followed by castor oil as directed with each bottle of the remedy. For sale by all druggists.

LONDON, Monday—Presiding at a breakfast given by the Church of England Temperance Society to the bishops of the Pan-Anglican congress, the Bishop of London extending a hearty welcome to those who had come from the ends of the earth. He felt great pleasure because of the delightful work he had seen in Canada and the United States. He had a good time in Canada and hoped to do his best to return the hospitality while they were in the old home country.

COLIC AND DIARRHOEA

Pains in the stomach, colic and diarrhoea are quickly relieved by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by all druggists.

the step of the Synodal building. His assailants were revolutionists. A monk who was in attendance upon the archbishop was severely wounded. The assailants made sure of their victim. They have not been captured.

Minard's Liniment used by Physicians

The Opposition appears to have more fear of the militia than it has of the vote of the public employees. It took seven hours to get the item through committee on Tuesday for the payment of the employees of the Intercolonial, an item which was never before discussed in the history of the Canadian Parliament. Yesterday it took thirty-five minutes to pass the item of one million dollars for the annual drill of the militia. Is the vote of a militiaman more value than that of an employee of the Intercolonial? That may be Mr. Borden's opinion here in Ottawa; but it will not be the opinion of those electors in Halifax whose favor he is seeking.—Ottawa Free Press.

Ask for Minard's and take no other

Gen. Booth, of the Salvation Army, has just entered upon his 89th year, and it is curious to recall the verities of a doctor whom he consulted as a young man. He was anxious to enter the ministry, but the doctor told him "he would be sheer suicide. You would be dead in a year." It may not be generally known that Gen. Booth does not draw a single penny from Army funds.
