TOPS MUNRO DAY EVENTS

"The Druggists' Choice," Helen Scammell was last night crowned Campus Queen 1956 by last year's queen Elise Lane, before a packed gym of over 800 persons. A graduate student in Education, Helen was crowned in a colorful ceremony culminating Munro Day ceremonies and bringing to a close the extra curricular activities for another year.

The scene of many activities, ways the highlight of any Munro Munro Day saw Law win the Inter-fac sports title with victories in hockey and basketball. Other big features this year were the believe the sport of the state of the sport of the hockey games between Var-sity and the Providence Friers other contestants, is a native of which Dal won 6-3 and 8-3.

One of the highlights of the one of the highlights of the afternoon's activities was the Quartet Contest. A foursome from Pine Hill swept the competition with a mark of 95 and were described by Professor Hamer, the judge, as "one of the best I've ever heard." The winning quartet made up of Eyans (Carolyn Flemming, Arts & ning quartet made up of Evans Harrison, Darrel Metzler, George Mossman and Bruce Atkinson sang "Think of Me" and "Joshua Fit the Battle of Jericho." Two

city during Holy Week. The Requem is entirely in Latin and is directed by Mr. Leonard Mayoh, well-known to Halifax musical audiences. The solo parts will be sung by Miss Patricia Staples (soprano) and Mr. Robert Davis (bass-baritone) (bass-baritone).

First performance will be Sunday, March 25 at 3:30 p.m., King's College Chapel.

PINE HILL AT HOME

The highlight of the social season at Pine Hill, the "At Home," held last Friday, March 9, featured a banquet, the crowning of the queen, varsity show and the awarding of the coveted Graeme Fraser Award.

The Graeme Fraser Award, given to the resident displaying the finest qualities of leadership, purity in thought and brilliance as a student, was awarded to Jack MacNeily, a third-year Dentistry student.

other contestants, is a native of Halifax and with her personality, charm and ability has been aceers; Carolyn Flemming, Arts & Science; Ann Thompson, Pine Hill; Anne Stacey, Law; and Tinker Pullen, Commerce.

The top awards for extra curother quartets, one from Pi Beta
Phi and a sophomore four, also
participated in the contest.
The Campus Queen contest, aland personality was presented to Elizabeth Dustan. The Malcolm Honor was won by Sally Roper The King's College Dramatic and Choral Society will be presenting Faure's "Requeim" at several Anglican churches in the won by Hugh Coady of St. Johns, Newfoundland.

Job Opportunity

Here's another last-minute job opportunity for anyone interested. It seems that there will probably be for several male college students willing to do household selling in the city of Halifax, this

A person of reasonable selling ability and initiative should be able to earn a minimum of about \$320 a month, with the opportunity for those of greater ability who may be more successful, up to a maximum of about \$960 a month. Full or part-time.

Applications, giving name, phone, address and experience, if any, should be sent to:

Box 135, Dartmouth, Nova Scotia

Orators

The Macdonald Oratorical contest was held last Friday, March 9, and this year was won by Hugh Coady. The award was presented on Munro Day, by Dean Read, as Law Dean, and as a personal friend of the later premier Angus L. Macdonald, the donor of the award.

Given by Mr. Macdonald a number of years ago, it is now in memory of him, and is maintained by his estate. Designed to encourage public speaking at the University, the contest is open to all intercollegiate de-

The contest is each year judged by an appointee of the estate, the president of the University, or an appointee, and the Law Dean, or an appointee. This year the judges were Lorne O. Clarke, former Dean Wilson, and assist-ant Dean Lederman.

Dalcom **Elect Officers**

Last Friday, Dalcom held its annual election of officers. In a secret balloting which drew 90% of the shareholders' votes, the following board of directors was chosen for the 1956-57 season:

Managing Director-Max Croucher, Comptroller-Peter Director-Al Riggs, Social Director-Dave Moon, D.A.A.C. Representative—Paul Tregunno.

Elected by acclamation was the President, Dave Matheson, who served last year as managing director.

Elected at a recent Law School meeting were the executive for the coming year. Second year Law student David Bennett, Sect. and Women's Director-Olga Apinis, Publicity Fraser was elected to the position of president, and named vice-president by acclamation was Mrs. L. Toward. Mike Farrell was elected to the position of secretary-treasurer.

Published every Wednesday at Dalhousie University in Halifax, Nova Scotia. Opinions below are those of the Editorial Board of the Dal Gazette and not the official opinions of the Dalhousie Council of Students or the Dalhousie Administration.

IT CAN BE DONE!

When it comes to putting out a college newspaper, Dalhousie University need not take a back seat to anyone in the Dominion of Canada — but this is only sure-fire in theory It can't be done by wishful thinking alone. In October of last year our staff predicted that the Dal Gazette would be one of the top weeklies in the nation. Not only did we succeed in this aim, but we were successful in leading an entire pack of eight other Atlantic Region publications.

Unlike our athletic competition where we are limited by an eligibility factor, the Gazette can call on a student body of nearly 15 hundred men and women. The talent in the field of journalism is vast at Studley and Forrest — the job is to lay your hands on it. The response this year was good, but in every case it is a question of dealing with voluntary, unpaid personnel to whom only so much "whip" may be applied, and where in many cases, the importance of a deadline or a responsibility has a most insignificant meaning.

The Dal Gazette's sentiments are like every other campus organization which looks ahead. "We want as many of you as want to work, but don't waste our time, talents and patience, unless you want to learn, work, and accept the vital obligations that go along with your position." Each time a member of the staff failed to perform his task on the zero hour and in the manner laid out, an extra burden fell on another staffer's shoulders. Working on a college paper is analagous to working in the cold, hard, heartless bread-and-butter world; and the "pink slips" appear much more fre-quently and with much less thought in this latter sphere.

Switching to constructive criticism, we suggest a continuance of a once-a-week edition; the appointment of the editor-in-chief from Christmas to Christmas to conform with policies being adopted in many other college so as to allow their papers to prepare better for CUP obligations and competitions; the naming of the editor as a non-executive, voting member of the Students' Council; and an increase in the honorarium now paid the editor, which by a recent national survey, is one of the lowest in the country.

Finally, the staff thanks the student body and the Council of Students for its general support, interest and criticism, but points a warning at the tremendous waste by the same paying students, whose Gazette, wortha lmost 15c a piece, frequently end up in the garbage bins as evidenced by the disgusting looks on the looks of the editor and CUP Editor in the picture shown below.

(Photo by Jollymore)

Letters To The Editor

Dept. of Geology, 7th March, 1956.

The Editor. Dalhousie University.

March 9, 1956. The Editor, Dalhousie Gazette.

Sir,

May I offer my congratulations to the students who demonstrated on the Halifax wharves last night. It was a splendid effort and its strength lay in the fact that it was orderly. Bravo.

G. Vibert Douglas.

Miss Evelyn Bennett, who opened the current controversy about Dramatic Society plays, has an extremely limited view of the function of the D.G.D.S., a view which has distorted her opinion of our productions. Her outlook is evidently shared by a number of students. Dear Sir,

Thank You

A year of successful publication ends today-a year whose success depended greatly on the cooperation, suggestions, time, energies, personal sacrifices and plain hard work of the following:

THE ENTIRE PUBLICATION AND BUSINESS STAFF who contributed all one could expect; Various ADMINISTRATION members including President A. E. Kerr, Prof. H. R. Theakston, Mr. W. Graham Allen and Miss Beatrice Smith; For the physical services of Messrs. Nickerson and Pottier; and lastly to the Halifax Herald Ltd. and McCurdy Print Co. Ltd., for sharing our many 11th hour headaches.

Kindly accept my sincere, personal thanks.

Respectfully,

MATT EPSTEIN, Editor-in-Chief.

dents, and a clear statement of the them to go to a seriously intended basic issues is badly needed.

The purpose of most organized student activities is two fold: to give the members a chance to engage in the activity and to learn more about it, and to entertain those who are actively interested in it. This is as true for the D.G.D.S. as for Sodales or the basketball team. Since most socie-ties could not maintain themselves financially, the Students' Council asks all students—even those who have only specialized interests—to help support all activities.

Many students have no particular interest in drama, and know very little about it. When they want to be entertained, then, they should go to the movies, which are de-

play for entertainment as it would be for people who hate football to attend football games. The fact that, as Council members, they help to pay for D.G.D.S. productions has nothing to do with the matter.

The plays this year appear to have been perfectly acceptable to those who are sincerely interested in drama. Furthermore, there is no doubt whatever that the casts learned more from doing Madwoman of Chaillot and The Little Foxes (neither of which is an especially obscure or "intellectual" play) than they would have learnfrom acting in any play that be entertained, then, they should would have entertained everybody. go to the movies, which are designed to entertain nearly everybody. It is as unreasonable for there are none as dependably entertained everybody. The latter type of play is actually the difference was due to nothing more significant than the unfamiliar title of the fall play and in-

DEBATE GRANTS COMMONS

by LeRoy Peach

Mr. A. H. Hollingsworth (Lib. York Centre) introduced a motion in the House recently, at the sugin the House recently, at the suggestion of NFCUS, requesting that the government provide national scholarships and bursaries for students at the university level who are in need of financial assistance. Many spoke. All parties were in favor of aid. Resolutions were made. But no action was taken. The issue was not voted on and chances are the motion will not be considered again this session, because government bills will take precedence over private member's precedence over private member's resolutions and the discussion of ways of improving our educational

The National Federation of Canadian University Students, following the recommendations of the Massey Report issued in 1951, have continually urged the Government to assist some 20,000 university students in product of contracts. students in need of assistance. It has been proposed that the Government issue 100 Canada scholarships worth \$1,000 per year; 250 national scholarship of \$500 per year; 2,000 bursaries of \$500 per year, all three kinds to be tenable for four years.

Mr. Hollingworth estimated that there are 60,000 university stutry and unless the government did

humanities to run our country well.

Mr. S. R. Balcom (Lib. Halifax)
said that he was asked by Dalhousie student to support Mr. Hollingsworth in his resolution. He added that "a survey in 1950 showed that over half of those who drop out of college do so for finan-cial reasons." But not only should there be a national scholarship program, there should be financial assistance to the universities, to enable them to offset the increasng cost of operation and cope with the future influx of students.

All members who spoke agreed that education is a national problem and that the money spent on it should be considered a national investment.

WIN CHAMPIONSHIP

Our hats come off to the Dalhousie Girls who, for the sixth straight year, have retained the coveted Intercollegiate Basketball Trophy. Against their toughest challengers, University of New Brunswick, Dalhousie came out on top with a safe 17-point lead in the deciding game. Tension was high in the beginning of last Friday evening's game due to the fact that although Dalhousie stood without a loss in previous league games, they held but a mere five-point advantage over the New Brunswickers.

could gain an advantage. Basket total for her alma mater.
for basket, both squads displayed smooth team work and clean shots.

This is not to say that Dal had smooth team work and clean shots. At half-way mark Dalhousie had a slim 33-29 lead. The beginning of the second half saw the black and red sextet weaken just slightly. Travelling and fouling had been rather heavily called on their over-anxious forwards in the first half, and now an effort at cautiousness possible weakened their previous drive. On the other hand, the Dal-housie team as a whole left little chance for improvement. It seemed as though Ruth McLeese couldn't miss on her shots. She played one of her best games this season and outscored her team-mates with 21 points for Dalhousie. Carolyn Flemming, who can always be de-pendedd on for steady floor play, displayed hidden shooting ability

In the first half neither team also and racked up a tidy 15-point

At three-quarter time Dal had a seven-point lead, but then UNB found an uncommon weakness in found an uncommon weakness in Dal's defence and slightly shook Dal's confidence for a short time. Top scorer for the game was UNB's Iris Blois with grand total of 26 points, and a 100% free shot record. She played an excellent game in every way.

Never let it be said that a good basketball player is measured by the number of baskets she sinks. The proof of the invalidity of such a statement was unquestionably de-

a statement was unquestionably de-monstrated by Dalhousie's defence line consisting of Anne Stacey, Jean MacPherson, Shirley Wright, Jean Anthony and Gwen Mac-Donald, the latter unfortunately suffering from an injured foot Anne Stacey as usual led her line with unceasing energy and successfully overcame in many cases the height of UNB's Iris Bliss and

Lois Lange.
On the whole the game was rather rough, thirty-one fouls being called by umpire D. Walker and referee M. MacVicar. Dalhousie:

C. Flemming 15; R. McLeese 21; C. A. Matheson 6; M. Chipman 1; E. Montgomery 17; A. Stacey, J. MacPherson, J. Anthony, G. Mac-Donald, S. Wright.

Shown above is Miss Gerry Dubrule, our coach during the past year. This was her first year at Dalhousie and it was a successful one as she coached numerous teams to victory and was very popular with her girls.

President's Message

The Editor has very thoughtfully suggested that I might address a few words to you through the columns of this last issue of the Gazette for the current session, and I am most happy to take advantage of his gracious offer. Following the homiletic practice established, it has been alleged, by the historian Eusebius sixteen hundred years ago, many preachers divide their make our university life interesting and I in the past, campus affairs have been in the hands of a minority. Irrespective of any praise or criticism bestowd on the various campus organizations, it is they that ago, many preachers divide their make our university life interesting and I in grant more profitable. They dediscourses into three parts, and I ing and more profitable. They deshall yield to the force of habit and velop our latent talents and help organize what I have to say in this brief message under three lems of society.

First, I wish to express my sincere appreciation of the contribution which so many of you have made to the life of the University in extra-curricular activities during the past way. the past year. Your academic obligations had, or should have had, the first claim on your attention, but it is gratifying to note that a very large number of you, in-cluding many of the best students, found time to take part in campus societies and enterprises. participation helped to make life at the University a richer experience for the student body as a whole, and I trust that you on your part have derived genuine personal satisfaction from it. I extend to you the cordial thanks of the University.

In the second place, I wish to assure you that the governing bodies of the University are giving earnest thought just now to the changing and expanding demands that presently confront Dalhousie as an institution of higher learndecade, and that University bud- Council regarding these issues. gets and facilities everywhere will have to take account of the emergresponsibilities for the programme in Dalhousie are trying to estimate the development that we must contemplate if we are to fulfil our responsibilities to you and to those who will follow you very shortly. In the meantime I wish you to be aware that serious planning for the aware that serious planning for the largely to the cooperation of the council-supported organizations.

I would strongly recommend In the meantime I wish you to be aware that serious planning for the future, and a re-examination of present academic requirements, are already underway in some of our Faculties.

I would strongly recommend that the new heads of student organizations consult the outgoing executives when they make out their budgets for the coming year.

Letter To Student Body From Council President

Dear Fellow Students,

I would like to take this opportunity to acquaint you with the policy of your new Students' Council. We pledge our sincerity in upholding and fulfilling our campaign platforms to the very best of our ability. Our efforts will include discussions on and attempted remedies for the issues raised in all three platforms.

The Students' Council is more than a nominal power. What is its true aim? Is it an active governing body? Is it the core of the Dalhousie campus? We believe that these are two vital and inseparable facets of the Students' Council. Admittedly, it is not always possible to put the Council's ideas into effect. However, it should always function with these aims in mind.

The Studley-Forrest campi are to be congratulated for a keen but

The Studley-Forrest campi are to be congratulated for a keen but clean election. Much of the credit is due to the Council's Election Committee and the various campaign managers. These hard-working people did an excellent job. A well-run, well-contested election is a healthy sign on any campus.

It is hoped that these signs will continue in the future. With closer harmony between campi and between organizations, the Council hopes to further solidify its only position — that of positive and constructive student leadership. structive student leadership.

Sincerely yours, KEN MOUNCE, Council President.

Wins Coveted Scholarship

John Carnell Crosbie, B.A., of St. John's, Newfoundland, a stu-dent in his final year at the Dal-housie Law School, has been awarded the Viscount Bennett Scholarship for post-graduate study in Law, according to word received at Dalhousie University yesterday. The selection was made and announced by the Scholarship Committee of the Council of the Canadian Bar Association, which is holding its mid-winter meeting at the Seigniory Club in Quebec.

The scholarship is open to any person who is a senior student or graduate of any Canadian Law School and has been awarded an-nually since 1949. This is the third occasion in this period on which the scholarship has been won by a senior student of Dalhousie Law School. It carries a grant of \$2,000 to be applied to the expenses

of post-graduate study.

Mr. Crosbie had a distinguished undergraduate record at Queen's University, Kingston, where he obtained the degree of Bachelor of Airts in Politics and Economics with first class honors. Since attending Dalhousie Law School he has twice won the Nova Scotia Barristers' Society Prize for highest standing in his year. He plans pursue his post-graduate work England at the Institute of Advanced Legal Studies, University

VOL. LXXXVIII

(SUPPLEMENT) No. 21

SPECIAL EDITORIAL

Should Brains Count in School Spirit?

The most tired phrase to come tumbling from the voice of education is school spirit. Like the classical theme set to a popular melody, it has lost in meaning what it has gained in repetition.

School spirit should be the fullest measure of satisfaction given to the intellectual, emotional and physical needs of the student. It has not been this. Too often students have been guilty of forgetting the mind and consecrating the body.

For school spirit to gain in meaning we must have as much confidence in the school's academic standards as we have in its social and athletic. No amount of dances and championship rugby teams will ever compensate for the boredom of school work. That is why instructors must be willing to give, and students must be ready to demand, both depth and quality in their course of studies.

Intellectually, we must feel that we are encouraged to think for ourselves, rather than to recite platitudes; that when we write an exam we can interpret facts as well as narrate them; and that when we present a logical argument, our line of reasoning will not be discouraged just because it happens to be unusual.

If there is room for independence of thought and freedom of expression, there is less chance of timidity in proffessors, dullness in classes or apathy in students. We realize, however, that even in cases where such liberties are given, originality and enthusiasm will still be lacking. This could be so because of a general mental aridity, or it could be the result of courses which are over-simplified and lack imagination or depth. Students are often capable of giving more than is asked. But if they are not adequately stimulated then their class response will be poor.

Unfortunately, any dissatisfaction students experience on the academic level is too easily quelled by a sudden downpour of dances, games and clubs. These activities are definitely necessary, but not to keep us tired, happy and stupid. They are concurrent with our intellectual needs and give us a chance to organize, create and socialize. They are media in which all who participate can identify themselves with others sharing similar activities which develop a feeling of unity and loyalty to a school.

When schools and students combine progress and achievement on all levels, then and only then, will the phrase "school spirit" take on piquancy instead of antiquity.

(Reprint-Ryersonion)
