### ARE WAITING AT BUDAPEST FOR A WHILE

Red Army Strip Women of Their Clothing to Provide New Uniforms—Working Against Time Now.

Vienna, May 14.—Reports from Budapest say that the halt of the Rumanian advance has encouraged the Communists, who believe that the Rumanians undertook more than they were able to accomplish. If their intention was to reach Budapest (Official announcement has been made that the allied troops moving on Budapest were ordered late last week to halt) advance by the Rumanians, however, have effected a junction with the Czech-Slovaks and have cut off communication between Budapest and Russia by way of the Ukraine.

"Our Noble German Brothers," The peace negotiations at Paris are being watched closely. The Volkstimme and other newspapers in Budapest denounce the Peace Treaty as "capitalistic," aiming at the enslavement of "our noble German brothers."

Because there are no cloth factories in operation the Hungarian Government has ordered further requisitions of cloth, cotton, linen goods, and the bed and personal clothing of the men and women of the bourgeoisie for use in making white underwear for the Red Guard army. Women of the bourgeoisie are being forced to make over their own lingerie into shirts and their garments.

Wait for Something to Turn up. The Communist Government apparently is working against time in the hope that the peasants of Rumania will revolt and erect a Communist Government. Religious schools in Hungary have been secularized and theological seminaries are closed. Representations by the allies have saved the convents.

The Communist Government made an announcement that it is proud of the fact that there is neither drunkenness nor begging in Hungary.

### BIG STRIKE OF TEXTILE MEN STARTS TO-DAY

30,000 New York Workers are Demanding a Change From Piece Work to Straight Salary Basis.

New York, May 14.—Thirty thousand members of the Cloak, Skirt and Reefers Makers Union in New York were directed to strike at 10 o'clock tomorrow in an order issued here tonight by Benjamin Schlesinger, president of the International Ladies' Garment Workers' Union. About 20,000 other members, who are not employed because of the "slack season" will support the strike. Mr. Schlesinger said.

Demands of the strikers include a change from the present system of piece work to a salary basis, with a 44-hour week and a minimum wage scale. Mr. Schlesinger said a nationwide strike of the Cloak, Skirt and Reefers Makers' Union might be called in support of the New York strikers.

### NEWSPAPER EXCITED OVER GOUIN'S DEAL

Sale of \$100,000 Property is Explained by Buyer.

Montreal, Que., May 14.—In a letter of L'Evenement, Hon. Georges Elie Tmyot, deals with articles published in this paper entitled "The Maisonneuve Scandal." Mr. Amyot, who is president of the Dominion Corset Co., announces that in 1910 he paid Sir Lomer Gouin, Premier of the Province, and partner, L. B. B. Ward, \$100,000, for a piece of land to build a new factory on Mr. Amyot says the land originally cost \$36,000. Mr. Amyot sold the land in 1912 for \$168,000. Mr. Amyot asks if there is anything scandalous in a premier transacting business because he is a Prime Minister.

### GETS FEDERAL POSITION

Welland County Soldier Given Labor Bureau Job by the Civil Service.

Bridgport, Ont., May 14.—Following the official announcement a few days ago that the civil service commission would in future allot all Canadian federal positions, with returned soldiers getting preference providing they could pass the examination, announcement was made today that Bombardier Sydney H. Cox, a Welland county returned man had been named to the important position as representative of the recently established branch of the Dominion labor bureau in Welland County.

Bombardier Cox's work will be largely devoted to seeing that returned soldiers are placed in civilian life with the least delay possible. The position is an important one.

### MAYOR AND THE JUDGE CLASH IN HOBOKEN, N.J.

Chief Magistrate Arrested at the Instigation of the County Official.

Hoboken, N. J., May 14.—The election of city commissioners here today developed into a row during which County Judge Richard Doherty ordered Mayor Patrick Griffin, head of the Democratic ticket, arrested after the mayor had arrested 120 men whom he accused of being Republican repeaters imported from Newark.

The alleged repeaters were discharged by Judge Doherty as fast as they were arraigned, rearrested by the mayor, who then, in turn, was arrested and confined to the city hall. It was then the mayor's move and he directed the corporation counsel to apply to Supreme Justice Swaysee for the arrest of Judge Doherty for conspiracy to defeat the election law and for bringing suspicious characters into the city.

### MISSIONARY SOCIETY MEETS

25th. Convention in Session at Lundy's Lane Methodist Church.

Niagara Falls, Ont., May 14.—With delegates attending from many places in the district, the 25th annual convention of the Women's Missionary society was held yesterday in Lundy's Lane Methodist Church. Mrs. S. E. Marshall presided at the meeting of branch officers and the organizer conference which was called at 10 o'clock this morning. Mrs. G. H. McLachlan, president, occupied the chair at the session this afternoon. Mrs. J. E. Baker conducted devotional services and an address of welcome was delivered by Mrs. P. S. Biggar. Mrs. J. J. Liddy responded.

Mrs. F. C. Wally of Ingersoll, Ont. delivered an address on Sacrificial Living at 4:30 o'clock. The convention closed with the sacrament of the Lord's Supper. The Rev. H. L. Roberts officiated.

### CANADIAN TROPHIES HERE

Beat With a Cargo of Twenty German Guns Reaches Montreal.

Montreal, May 14.—The steamer Vindelia brings into port a cargo consisting of a score of guns which were wrested from the Germans by Canadian soldiers.

Among the heavy artillery is No. 917 for the 21st Canadian Battalion and it is addressed to the Lieutenant-Governor of Ontario. There are others for other Provinces.

The Vindelia's captain, Captain Saunders, had the duty of taking over the Ivernia in October, 1914, with the first division aboard.

### STREET BRAWL IS FATAL

Former Welland Man Dies Following Shooting in Montreal.

Montreal, May 14.—Shot through the head by two bullets as he stood arguing with two companions on the street at midnight, W. Morar, about twenty-four years of age, formerly of Welland, Ont., died in the General Hospital yesterday. The police have arrested a man named Hatchuk.

Clover is much more uneven in appearance, as last year's seeding did not do very well, and some spring heaving has left its mark.

### METAL TRADES WANT GENERAL STRIKE NOW

Thirty Thousand Trade Unionists Affected by Decision if Made

Toronto, May 14.—At the special meeting the Trades and Labor Council in Victoria Hall last night, the delegates were asked by the Metal Trades Council to make a move towards a general strike of all unions in Toronto. It is estimated that there are at present over 30,000 trades unionists in the city.

It is pointed out by many officials of the trades unions that the eight-hour day is one of the principles for which the American Federation of Labor stands solidly in favor of, and all international unions are in favor of the shorter work day. There is a great deal of feeling in the ranks of the various unions that the metal trades are fighting the battle of all the unions for the eight hour day.

### PARLIAMENTARY "GYM"

Members of the Press Gallery and Hansard Reporters Already Anxious to see one Installed

Ottawa, May 14.—At the solicitation of several of the members the Minister of Public Works has promised a committee to consider the advisability of installing a gymnasium in the new Parliament buildings. What the House lacks in brain it probably feels it cannot help. What it lacks in brawn it out to remedy. The idea of a members' "gym" has caught on, and challenges are already being issued.

It is understood that the plan meets with particular favor from Hansard and the Press Gallery. So many "little affairs" that fill pages of the official record and columns of the newspapers with unedifying utterances and acrimonious exchanges can be settled so much more speedily and effectively—and with at least equal regard as to the merits. And if practice makes perfection the Parliamentary gymnasium ought soon to turn out such a bunch of "white hopes" as will cause ordinary, everyday professional bruisers precipitately to turn to croquet and crokinole.

### NO GERMAN PENCILS

Those Used in Local Public Schools Were Made in the United States

Two or three citizens who have children attending the public schools in this city have asked the Mayor why lead pencils were being used in the schools, some of which bear a name that smacks of Germany. At first sight it might seem to those who do not stop to study the facts that these goods which have been bought by the School Board were made in Germany.

The Journal made enquiries into the matter this morning and feels satisfied, so far as it can learn, that there is nothing at all wrong. Some of the pencils do bear the name of Kurtz, Lanbin and Swartz but after these words came the letters Pgh. which evidently means Pittsburgh (so that the indications are that though this firm name sounds German it may be a well established firm in Pittsburgh. Other pencils have a name stamped out but this is explained to be due to the fact that they were seconds and the manufacturer did not want the goods to go out carrying their firm name when the pencils were slightly imperfect.

The pencils were bought by the Public School Board from McLaren & Co. who purchased them from a Mr. McDougall, a manufacturer's agent in Toronto, representing John Dixon & Company among others.

McLaren & Coy, when asked by the Journal about the matter gave the assurance that they were not German made goods because they would not handle them if they had been. Lead pencils are not made in Canada, at least in any quantities, and are therefore bought from United States manufacturers of whom Dixon & Coy are one firm.

The Journal's enquiries satisfies it that the local house bought the pencils for the School Board in good faith and that they are in no way goods made in Germany.

### FOSTER TO TAKE COMMAND

Will Head Canada's Peace Delegation When Borden Returns

Paris, May 14.—Sir Robert Borden, the Canadian Premier, is returning to Canada, according to Reuters, Limited, because the political situation there is said to require his presence. Sir George E. Foster probably will take Sir Robert's place as head of the Canadian delegation.

### FIRM RAISES WAGES BY TEN PER CENT.

Decreased Hours From Ten to Nine Six Weeks Ago.

Woodstock, May 14.—Canada Furniture Manufacturers, Limited, announced today to their employees an advance in wages of ten per cent. beginning Monday, 2nd. of June next. The company, on the first of April last, reduced the working hours from ten to nine, which meant an advance in wages of ten per cent. The Managing Director, J. B. Shaw, has long held the opinion that furniture workers were not paid a sufficiently high wage in comparison with other staple trades, but says under competitive conditions fair wages could not be paid because the selling prices of furniture were uniformly too low. Through the co-operative effort of a number of the leaders in the trade these conditions are being slowly but gradually improved, and it is the desire of these employers that the workmen should also benefit in the improved conditions. The ten per cent. advance in wages is effective at all the factories of the C.F.M. in Warton, Walkerton, Seaford, Wingham, Kitchener, Waterloo and Woodstock.

Peach trees are in bloom in some counties and are making a good showing. Apples, cherries and small fruits generally also look very promising.

### WANTS HUNS TO PAY ENTIRE COST OF WAR

Horatio Bottomley Moves to Force Germany to Put the Whole Shot

London, May 14.—In the House of Commons, Mr. Horatio Bottomley has given notice of motion, declaring that the peace treaty has not fulfilled the pledges of the British Ministers in regard to indemnities, and in view of the fact that the main financial burden of the war has fallen on Great Britain, no treaty is acceptable which does not provide for rendering to the enemy a bill for the entire cost of the war, and arranging for the recovery of such cost regardless of the period over which it may be necessary to extend the payment.

Replying to a question by Mr. Bottomley as to cash payments as detailed in the peace treaty, Mr. Bonar Law pointed out that bonds for five billion pounds sterling were deliverable as an account of total obligations, but further issues of bonds might be required subsequently as security. The amount payable either in money or otherwise was not limited to the amount of the bonds, but must meet in full all the demands specified in section 2 of the official summary. Any reduction which might be allowed regarding the first billion pounds would postpone, but not diminish, the total amount of payments, Mr. Bonar Law emphasized the amount of five billion pounds would postpone, but not diminish, the total amount of payments, Mr. Bonar Law emphasized the amount of five billion pounds sterling was not the sum total of the enemy countries' obligations. The powers to enforce that payment would be in our economic weapons and mightly occupation of part of Germany.

### BELL COMPANY RATES MAY BE INCREASED

Railway Commission Will Allow Them to Charge Ten Per Cent. More.

Ottawa, May 14.—Finding that an emergency situation exists, the burden of which should be divided between the Bell Telephone Company and the public, the Railway Commission in a judgment handed down today grants in part the application of the company for an increase in rates. The company asked for 20 per cent. increase in exchange rates, but the commission finds a ten per cent. increase adequate to meet the situation. The long distance rates as filed were not objected to and the judgment states that they may be allowed. These rates, together with the ten per cent. increase in exchange rates will be sufficient to bring the sum of \$1,100,000, which the company claims is required to put it on a sound financial basis.

### BIG NEW BUILDINGS FOR ONTARIO CITIES

Ottawa, May 14.—A new \$10 million dollar building is to be erected by the Dominion Government in Toronto. It will be on Front street, immediately east of the New Union Station, with a frontage of 500 feet and will be capable of housing every civil servant in Toronto, the Minister of Public Works told Parliament tonight. In addition \$520,000 was voted for Postal Station "A" in Toronto, which is in the east wing of the New Union Station and on which \$300,000 was expended last year.

### SCHEIDEMANN SAYS CAN'T MEET TERMS

Possibility of Change in Government at Weimar as Result of Treaty

London, May 14.—The possibility of a change in the Government of Germany as a result of the presentation by Philip Scheidemann, German Chancellor, at Berlin today, according to a despatch to the Exchange Telegraph Co. of that city.

The Chancellor denounced the peace terms, which he said represented a "brutal dictated peace." It is said. The statement was made to foreign journalists in the former Chancellor's palace and in part follows:

"We thought that we Social Democrats were strong enough to prevent a peace by violence, but doubted whether the masses in enemy countries could support us because they are less strongly organized than we. Certain circles in England and France are beginning to advise the necessity of common sense. It is too comic when President Wilson's fourteen points are contrasted with peace terms. They do not mention Mr. Wilson's terms, but are just a brutal dictated peace.

"It is possible a Government might be formed which would sign the peace terms, but it is doubtful whether the allies would be satisfied with such a Government. A reactionary Government is out of all question, and a Communist and Independent Government would be acting for the people, of whom they would represent only a small minority. Even if such a Government did not sign the treaty it would be just as impossible for them to fulfill the conditions as it would be for us."

### SAW FOUR MONARCHS BURIED

At Slough the funeral took place of Mrs. Vaughan Hughes (98) widow of the Rev. Robert Vaughan Hughes, the oldest inhabitant of the town, who attended the funerals of George IV., William IV., Queen Victoria and King Edward.

### GERMANY'S IDEA OF WHAT A LEAGUE OF NATIONS SHOULD BE

Paris, May 14.—The German plan for a League of Nations submitted by the German delegation at Versailles, and now in the hands of the Peace Conference Committee on the League of Nations, to which it was referred, contains sixty six articles, together with a supplement setting forth the charter for an International Labor League. The special aims of the League of Nations devised by the Germans are set forth as follows:

(A) Prevention of international disputes.  
(B) Disarmament.  
(C) Securing freedom of traffic and general economic equality of rights.  
(D) Protection of national minorities.  
(E) Creation of an international workers' charter.  
(F) Regulation of colonial questions.  
(G) Unity of existing and future international institutions.  
(H) The creation of a Parliament.

Another provision of the draft reads:

The League of Nations shall comprise: (A) All belligerent States taking part in the present war; (B) All neutral States included in The Hague Arbitration League; (C) All others to be admitted by vote of two thirds of the existing members. Entrance is reserved to the Holy See.

### FORMER AUSTRIAN EMPEROR WILL NOT BE PLACED ON TRIAL

Paris, May 14.—The Austrian treaty is stated to be nearly complete. While the details of it have not become known, it is asserted that in some respects it will follow the German document. This is true especially as regards trial by court martial of persons responsible for violation of the rules of warfare during the period of hostilities, although it is stated no demand is to be made for the trial of former Emperor Charles by an international civil tribunal. The delimitation of the boundaries of Austria will follow the lines laid down in the treaty of London.

### FOURTH DIVISION HERE IN JUNE

Official notification has been received here that the embarkation for Canada of the Fourth Division of the C. E. F. is expected to begin the last week in May. Included in this division are the 9th, 11th, 12th, 13th, 19th and 21st Batteries, which are to be demobilized in Toronto. The 10th and 27th Batteries will be demobilized in Montreal.

### BOLSHEVIK GUNBOAT IS SUNK BY THE ALLIES

Archangel, May 14.—One Bolshevik gunboat is reported to have been sunk on the Dvina River Sunday during an engagement between the British river flotilla and land batteries and the enemy fleet. The allied flotilla, aided by airplanes also conducted a brisk bombardment along the Vaga River.

### GERMAN DEMOCRATS MAY WITHDRAW

Paris, May 14.—The heads of the two German Democratic parties and the parties of the Centre have informed Chancellor Scheidemann that their parties will withdraw their representatives from the Government in case the Cabinet decides to sign the peace treaty, according to a despatch from Berlin received here by way of Basle.

### WILL NOT LIFT BAN.

 Dentist

The most REMARKABLE thing  
 about this modern Dental estab-  
 lishment is that every Dental oper-  
 ation is performed by a Dentist  
 who has specialized in just that  
 particular branch of Dentistry.

Dr. Cobb personally supervises the  
 extractions; and his method, per-  
 fected by twenty-three years of  
 experience renders the operation  
 painless in normal cases.

There are also Specialists here  
 who devote their entire attention  
 to Crown and Bridge work with  
 the natural result that their work  
 gives complete satisfaction and  
 gratification.

The most ASTONISHING thing  
 about this exceedingly modern  
 Dental establishment is that the  
 patient has all the benefits of  
 Specialized treatments at such ex-  
 tremely moderate charges.

There is no charge for examination  
 and the patient is told at that time  
 just what the completed work  
 will cost him.

**BRUTAL MURDER OF "WAACS"**  
 MEMBER OF "WAACS"  
 London, May 14.—The attention of  
 the entire country has been attracted  
 to the epidemic of crime around Lon-  
 don through the finding early Tuesday  
 of the body of a woman, a member  
 of Queen Mary's Auxiliary Corps, un-  
 der branches which evidently had  
 been broken from trees to cover traces  
 of the brutal murder, in the woods  
 near Bedford. The slang name for  
 the auxiliary corps is "Waacs," of  
 which there are 40,000 members, they  
 going with the troops to France, do-  
 ing their mending, operating auto-  
 mobiles and other light work supple-  
 mentary to the war. The army  
 camp in Haines Park, Bedford, is  
 occupied by the Royal Engineers.  
 The girl was stabbed to death in the  
 back and was missing four days. Her  
 name is Annie Ruit, a native of Jer-  
 sey. She was 24 years old, and is  
 the first of the organization to come  
 to grief.

**BOY SCOUTS HANDBOOK.**  
 At the annual meeting of the Cana-  
 dian General Council of the Boy  
 Scouts Association on Saturday last,  
 announcement was made of the pub-  
 lication of a new Handbook which  
 has been specially written for the  
 use of the Canadian Scouts.

The new book is by Mr. Gerald H.  
 Brown, of Ottawa, Honorary Dominion  
 Secretary of the Boy Scouts As-  
 sociation, and is based on the system  
 of training contained in "Scouting for  
 Boys" by Sir Robert Baden-Powell,  
 adapted to Canadian conditions and  
 requirements.

The Handbook contains forewords  
 by Sir Robert Baden-Powell, founder  
 and Chief Scout of the Boy Scouts  
 Association, and by His Excellency  
 the Duke of Devonshire, Chief Scout  
 for Canada.

The former in his foreword pays a  
 high tribute to the new book of which  
 he says: "I am delighted with this  
 book. It marshals my ideas with  
 greater clearness and consistency than  
 I could have done myself." His Ex-  
 cellency the Duke of Devonshire  
 writes that "our attention and ef-  
 forts must forthwith be directed to  
 the permanent maintenance of peace  
 and to the work of reconstruction.  
 By its inception, its principles, and  
 its history, the Boy Scouts move-  
 ment can be fully trusted to play a  
 notable part in these great objects  
 and the timely publication of the  
 present volume will, I know, be of  
 real and practical assistance as well  
 as of deep interest to all who have its  
 true welfare at heart."

The Handbook for Canada is a vol-  
 ume of close on 700 pages, containing  
 over 500 illustrations which covers  
 every feature of the Scout program  
 including woodcraft, nature, camp-  
 ing, civility, the prevention and  
 treatment of accidents, health and  
 endurance, patriotism and citizen-  
 ship.

**NIAGARA FALLS SOUTH**  
 An enjoyable time was spent on Fri-  
 day afternoon, May 9, when the family  
 and old friends gathered to celebrate  
 the fiftieth wedding anniversary in  
 honor of Mr. and Mrs. William Booth.  
 After congratulations and speeches  
 and good old fashioned songs were  
 sung and enjoyed by all present, the  
 guests proceeded to the dining room  
 which were artistically decorated in  
 gold and white, where they partook of  
 an excellent repast.

The bride was the recipient of many  
 and beautiful presents, beautiful bou-  
 quets of flowers and a purse of gold  
 which was presented by the children  
 accompanied by the following address:  
 "Dear Father and Mother, we, the  
 daughters and sons could not consent  
 to part today without leaving in your  
 hands some memorial of deep and  
 abiding gratitude for your unceasing  
 efforts in the past to do your duty  
 as parents, and may we be as faithful  
 in our duty to others as you have been  
 in your duty to us. What is there like  
 the unselfish love of a father and moth-  
 er? We never see a good old mother  
 sitting in the armchair that we do not  
 think of the storms of life which have  
 pelted into her cheerful face without  
 souring it. Her smile is a solace, her  
 presence a benediction. Also, that their  
 worth too often is not fully appreciated  
 until they pass beyond mortal reach.  
 When we part here today we shall  
 carry with us pleasant memories of the  
 happy faces here and may their mem-  
 ories help to make us more faithful in  
 our life work. In short may it help to  
 make our lives a grand success and  
 may we be admitted to a higher school  
 in the life to come. What we here offer  
 you is a poor symbol of our feelings  
 and we hope you will accept it as a  
 simple indication of the attachment  
 which each one of us cherishes for  
 you."

The bride and groom of fifty years  
 are both in good health and are  
 able to enjoy themselves to the fullest  
 extent.

The guests departed late in the even-  
 ing carrying with them happy thoughts  
 of the last few hours spent.

**A Reo Owner Says It**  
**Better Than We Could**

**ASKED HIS OPINION** as to the relative merits of various competing  
 makes of automobiles, a Reo owner after a moments thought said:—  
 "THERE ARE MANY good automobiles—but the man who owns  
 a Reo is lucky!"

**YOU KNOW THAT WORD "Lucky"** has come to have a new  
 significance of late—since our boys over there used it.

**TO BE "OUT OF LUCK"** was their way of expressing any tragic  
 or difficult or aggravating condition. It might be the result of bad  
 judgment or bad conduct or just chance, but they covered it all by  
 the one expressive term "out of luck."

**THIS AUTHORITY WAS RIGHT**—used in that sense the owner  
 of a Reo is always lucky.

**HE ALWAYS GETS THERE**, though his friend in some other car  
 stop by the whyside.

**NEXT TIME YOU HEAR** a motorist in trouble exclaim, "just my  
 luck"—repeat to him what that Reo owner said.

**GOOD LUCK** in the ownership of a good automobile is the result of  
 good judgment in selecting the right one when buying.

**IT IS EASY TOO** to determine which is the best car in any size or  
 price class. Just ask owners. And ask garage men—ask anyone  
 who knows, to name the two best, and, as one of them he will  
 name Reo.

**THEN NOTE** how much oftener Reo is mentioned than any other  
 comparable car—follow the suggestion, and you can be lucky too!

### Gas Keeps Down Living Costs

Forecasts—Light winds, etc today, and Wednesday, becoming warmer.

Foodstuffs and clothing have risen in price from 90 to 100 per cent in the past five years. Coal has taken a big jump in price and promises to go higher.

The cost of producing Natural Gas has also risen very considerably and the cost of marketing it is much greater than it was.

Notwithstanding this, there has been no great increase in the price of natural gas to you. Be sparing, therefore, in your use of gas so that this cheap convenient fuel supply may be available for many years to come.

ALTHOUGH NATURAL GAS IS CHEAP, DO NOT WASTE IT—THE SUPPLY IS NOT EVERLASTING.

### Farms Wanted for Soldier Settlers

Powers are proposed to be granted at the approaching session of Parliament to the Soldier Settlement Board of Canada to purchase lands to be resold to qualified returned soldiers settling on land. In the case of undeveloped lands the Board will be granted powers of forced purchase at prices judicially determined.

To enable soldiers to locate in any district in Ontario that they wish, the Advisory Board for the Province of Ontario desire to have filed with them a full description and lowest cash prices on a small number of select farms in each district of the Province, available for purchase.

The public are hereby informed that this land is for returned soldiers, and no tenders to sell are requested except for land of good quality and location, and reasonable value, making possible the success of the soldier as a farmer. The purchase price in all cases will be fixed by the Board after the land has been inspected and valued.

The information received will be treated as confidential. No commission will be charged or paid. No offer to sell will be binding on the person offering unless a sale is effected, and no obligation will be on the Board to accept any offer.

If application from a returned soldier be received for a farm listed with the Board, a valuation for such farm may be at once made by the Board and, if approved, negotiations may be entered into for the purchase and sale thereof. An approved list is desired for each district of Ontario.

### APPLIES FOR REWARD

Unknown Man Files Claim for the \$1,000 Offered for Capture of Frank McCullough.

Toronto, May 14.—Application has been made to the Attorney General's Department for the \$1,000 reward which was offered to anyone that would give information which would lead to the capture of the condemned murderer, Frank McCullough. Hon. I. B. Lucas said yesterday that before the money is paid an investigation would be made to ascertain if the claim was a just one. It will then be decided whether the applicant for the reward has any valid reason for asking that his name be not made public.

The application was made by Frank L. Webb, solicitor, to the detective department, Mr. Webb produced the replica of a letter which the informer had sent to the detective department signed "Gitzcu," Chief of Police Grasset said that he believed the claim to be valid.

Mr. Webb declined to divulge the name of his client, who, he said, was a reputable citizen. He asked that the money be made payable to him, and he would hand it over to the claimant.

### GLASS OF SALTS CLEANS KIDNEYS

If your Back hurts or Bladder bothers you, drink lots of water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

### HUMILIATING ROBBERY AND MURDEROUS

That is the Way the German Chancellor Views the Peace Terms in Speech in the Assembly.

Berlin, May 14.—A declaration by Chancellor Scheidemann in the Assembly Monday that the peace terms were "unacceptable," brought the members of the Assembly, the spectators and those in the press gallery to their feet in a hurricane of cheers and applause.

The Chancellor reached the climax of his statement on the peace terms ten minutes after he began. The Chancellor paused in his address, and then thundered out the word which announced the German Government's rejection of the Versailles conditions. "This treaty," he said, "is in the view of the Imperial Government, unacceptable—so unacceptable I am unable to believe that this earth could hear such a document without a cry issuing from millions and millions of throats in all lands, without distinction of party. Away with this murderous scheme."

With the exception of the Independent Socialists, led by Hugo Haase, all factions in the Assembly rose to their feet and cheered vociferously. The Assembly is sitting temporarily in the Assembly hall of the University of Berlin, on Unter Den Linden.

After the Chancellor's speech the leaders of the various parties, with the exception of the Haase group, made speeches in which they declared they backed up the Government. The Chancellor described the peace treaty as a "dreadful and murderous" document. He said it would make an enormous jail of Germany, in which sixty million persons would have to labor for the victors in the war. The Chancellor said German trade would be strangled should the peace terms be accepted. He criticized President Wilson, and said that the President, by his attitude, had deceived the hopes of the German people.

### "TIS" EVER THUS

Brantford Bakers Win Strike but Poor Consumers Have to Pay Brantford, May 14.—Brantford union bakers made a demand yesterday for wage increases and shorter hours, the latter involving a six instead of a seven-day per week schedule, and after conferences of several hours a threatened strike was averted. The men were given their demands, the master bakers announcing at the same time that an increase of half a cent per loaf in the price of bread would go into immediate effect as a result of the increases secured by the employees. All non-union as well as union men were given increases.

The work of planting the shrubs in the Civic Rose garden is almost completed and the finishing touches will soon be put on.

### BROCKVILLE SYRIAN HEARS FROM WIFE AFTER 4 YEARS

Brockville, May 14.—The cloud of anxiety which has hung over "Dick Francis," a Syrian merchant, living here ever since his wife left in Baskenta, Mount Lebanon, Syria, to manage his estate, was reported in the hands of the Turks, has finally been lifted with the receipt of a letter from Mrs. Francis reporting herself destitute, but at last in safety under the protection of the British and French Armies.

The letter is Mr. Francis' reward for four years' unceasing effort to gain traces of his wife, who went to Syria in 1911 to attend to her husband's business interests.

After the outbreak of the war, Mr. Francis, being a British subject, was taken prisoner by the Turks and held until the close of the struggle. The Turks and Germans stripped her of all her possessions, and also all those of her husband, and in a letter just received the woman stated less. Steps have been taken to secure her return to Canada.

## PROGRAMME IS COMMUNICATED TO THE ALLIES

Head of Cossack Government Sends his Sheet to the Representatives. Paris, May 14.—General Denekine, the head of the Cossack anti-Bolshevik Government in Southeastern Russia, has communicated his programme to representatives of the allied powers. The principal points of this programme follow: 1.—To continue the struggle against Bolshevism. 2.—Restoration of law and order. 3.—Reconstruction of a united and indivisible Russia. 4.—Convocation of a constituent assembly based upon universal suffrage. 5.—Larger regional autonomy and the establishment of self governing districts. 6.—Civil and religious liberty. 7.—Immediate agrarian reforms. 8.—Adoption of measures tending to protect workers against exploitation by the capitalists and against Government abuses.

## SMALL ATTENDANCE

There was only a small attendance at the meeting of the St. Catharines Municipal Voters Association held in Connaught School last night. President P. G. Wilson occupied the chair and Mr. W. B. Burgoyne gave some interesting information on civic finances during which he advocated an increase in the assessment on some properties. Ald. Rose advocated the printing of the assessment roll. Ald. Eagle, Joseph Hodgins and Mr. White took part in the discussion which followed.

Fall wheat is still looking very promising, more especially on well drained land.

## THOROLD

The result of excavating to repair a sewer pipe at the head of Front street, is causing considerable inconvenience, owing to the earth being piled up and motorists, teams, etc., have to go out of their way in order to reach Claremont Street from Front street.

The old scow called James Otis which has been in one of the levels of the Welland Canal buried a few feet in the mud for the past few years and which has been owned by Messrs Bradley and Walker, this latter of the Walker stone quarries, has been purchased by the Roger Miller and Son Company, Contractors, of Toronto. This Company sent their own tug and crew over from Toronto yesterday to raise the scow from the mud which was done with considerable difficulty. About 5 p.m. she started down the canal enroute for Toronto where she will be used for conveying stone, etc. on the contract work now being done by the contractors.

## GOING TO ENGLAND TO STUDY PROBLEMS

Ottawa, May 14.—Hon. W. L. Mackenzie King, ex-Minister of Labor, left Ottawa yesterday for England, via the Baltic from New York. Mr. King will spend two months across the Atlantic studying industrial reconstruction problems and developments in England and on the Continent. He will supplement the studies made in connection with the writing of his recent book, "Industry and Humanity," and will make a personal investigation of the result of the Whitley Councils and of the program enunciated by the British Labor party. He has been in touch in an advisory capacity with various leaders in Britain in connection with advanced labor legislation and will confer further with them while in London.

The Minister will return to Canada about the end of July in time to participate in the national Liberal convention.

## ICE CLEARING OUT OF NORTH RUSSIAN RIVERS

London, May 14.—A War Office despatch from Archangel states that the enemy artillery is active everywhere on the front but is silenced by our counter fire. The thaw is progressing satisfactorily. The Dvina is free of ice and river transport is in full swing. The White Sea is not yet clear of ice, but is navigable without difficulty at the mouth.

## DEMOCRATIZING BELGIAN ARMY

Brussels, May 14.—Belgium's army at present numbers 210,000 men and 115,000 have been demobilized, the Minister of War has informed Parliament. The Minister said he would do his utmost to reduce the Belgian military force to 100,000 men as soon as possible.

## STRENGTH FOR YOUNG MOTHERS

### How Lydia E. Pinkham's Vegetable Compound Restores Health and Strength.

Lansing, Mich.—"After the birth of my child I was not able to stand on my feet. I was so weak I could not get up. I suffered such pains in my back I could not work or hardly take care of my baby. One of my neighbors recommended Lydia E. Pinkham's Vegetable Compound. I took it and used Lydia E. Pinkham's Sanative Wash, and I got better right away and was soon a new woman and could work hard, and I can recommend these remedies to other young mothers who are weak and ailing as I was."—Mrs. O. A. BOWERS, 621 S. Hosmer Street, Lansing, Mich.

Women who are in Mrs. Bowers' condition should not continue to suffer from weakness and pain—but profit from her experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years' experience is at your service.

## QUEBEC WILL BE ALLOWED TO IMPORT WINE

Sir Thomas White introduces Resolution on Prohibition in the House of Commons. Ottawa, May 14.—After a surprisingly brief discussion on the resolution which is the forerunner of the bill to keep the order-in-council prohibiting the importation, transportation and manufacture of intoxicating beverages in operation in a modified form for a year from the official declaration of the end of the war, it was adopted in the Commons yesterday. During the discussion Sir Thomas White announced that the Government would be willing to accept an amendment permitting the importation into any province of wine of a class which could legally be sold there. The resolution as it was introduced, gave effect to the principle that the Dominion Parliament should allow the manufacture and transportation in a province of liquors which the Provincial laws permitted to be

## Come Mother, This Castor Oil Is What You Need—Don't Cry!

If you, mother, had to swallow the awful dose— Think back to your childhood days—Ugh! Give your children Cascarets instead. Cascarets taste like candy. Every child loves to take a Cascaret. Besides Cascarets act better on the little liver and bowels when the child is bilious, constipated, feverish and sick. Cascarets are delightful—harmless—cheap!

Each 10-cent box of Cascarets, the pleasant candy cathartic, contains directions and dosage for children aged one year old and upwards. When the little one's tongue turns white, breath feverish, stomach sour, there is nothing better to "work" the nasty bile, souring food and constipation poison from the child's system. Give Cascarets, then never worry.

gold. No provision, however, was made for relaxation of the prohibition of importation into any Province from another Province or from a foreign country. Under the resolution the importation of wine into Quebec would have been illegal, although the people of Quebec voted in favor of the sale of light wines. Under the proposed amendment Quebec people will be able to import French or Ontario wines provided they can procure beverages which in alcohol strength comply with the Provincial law.

STANDARD TAKE THE FIRST GAME

The Score was 9 to 8, and the Queen St. Bunch Got Away With Lucky Win.

The Standard ball tossers took the first game of the Newspaper Baseball Championship series yesterday by a score of 9 to 8 after a hot contest which was featured by plenty of hitting by both teams.

Thompson kept things lively from the Coach's box.

wire because his initial shoot was high and wide but a handsome effort all the same.

The Journal team won the toss and took the field. Moose, who was on the rabbit lacked the control that he has over that Henry Ford product, with which he delivers the papers to the newstands and as a result he passed Smith and Calcott but Herbert F. got next to a pretty inshoot which scored Calcott. Smith being hung up at second by McSpornan. The next two were easy outs.

NO HOLES HERE. The Journal went to bat in their half of the first with a do or die situation but the side was retired after "Slim" McGlashan had served four balls. Three ground balls did the trick. Mr. Purdy from the Western League gathering in the whole collection.

The Standard were shut out in the second inning but "Ye gods" how the Journalites did lay hold of that ball in their half of the frame. A hit by Martin, a sacrifice by Luman and hits by Booker and Mooss added mightily to the opportunity and the scorer had three juicy runs to chalk up before the side was retired.

The Karrol Kids got a brace of

NOTES OF THE BIG GAME

"Rosy" Wilson says he thinks he will see Manager Gibson about having a tryout with Toronto. I haven't caught a game in eight years, and I tell you I am there with goods. Poor "Mutl." He sat up all night Monday practising by himself.

Gadsby, the one-time ball player, says he is out of the game for good. It is too much of a strain on him. We can't blame Bert, as it is rumored he is soon to join the happy throng.

Nobody ever said "Kalkot" was a sleep walker, but he needs some kind of an injection to put life in him. He could not remember where the ball was yesterday until he was woke up between second and third.

Purdy says he will never lose that rabbit foot he got in the graveyard the other night. He was a stonewall at third, but he gives the rabbit credit.

McGlashan put up a good game at the slab, but since he has joined the benighted, he has lost some of his ginger. He thinks he may come back with a little care.

"Rosy" thinks a first baseman should meet him half way when he throws him the ball. Schmidt says nothing doing. It might possibly be a bomb, and he don't want to handle any more of them. But "Rosy" is harmless.

Holden, Jr. is some classy kid, to hear him tell it. He thinks he knows more about the game than his dad, but children can be excused for being fresh.

If the Park Superintendent should happen to find a big nickel, kindly return it to Ex-Ald. Gadsby. He thinks he may have lost one at second.

Bill Canute was on hand and, as usual, was to be found among the fair sex. Come on Bill, your days are past for that kind of jolliness.

The Standard ladies did not turn out because they were afraid their presence might frustrate "Rosy" behind the willow.

As an official scorer Tommy Holden is there with the goods. Tommy says I'm it and you can't tell me anything I don't know about the game.

Douglas J. McArthur played a star game at center field. The only thing he could not understand was why his calculation was so suddenly checked at first base.

This is what we are playing for.

runs in their half of the third which tied the score. But that had a serious effect on the opposing nine for they went to bat with the intention of busting up that old ball game right there and then.

Martin again started the fireworks with a clean single to right. McGlashan fooled Luman with three high ones. Booker beat out a bunt. Martin going to third. Benson walked and Martin and Booker came trotting home on Mooss' single to centre. This ended the scoring for the inning.

A SAD AFFAIR

With things breaking right it was a sad occurrence to see the sudden downfall of "Marietta" Van Keuren who failed to take a tight hold of a pretty y popped out by the ex-Ald. That mistake balled up the Journal team for two minutes later Luman and McSpornan collided in going after Purdy's hit to centre. With two men on base, the Journal infield started to throw the pill all over the lot, and before the aerial contest was over the "Chesty's" had garnered a sheaf of four runs. They also added

GEE! DAT'S A HOMER SURE

Purdy made speed on the bases and scored a home run in the fifth.

another run in the sixth and one in the seventh.

The Journalites went scoreless in the fourth and fifth and sixth, although they started a batting rally in the latter inning which kept all three stations occupied, but lucky fielding prevented a score.

With four runs to the bad in the last frame the Market Square nine went to bat and started in to wreck the sterling spirit of "Slim" McGlashan. Three runs were gathered in while Benson was caught at the plate and the score ended 9 to 8. Although they won many a "peep" was heard from the Standard crew as the teams lined in from the field after a hard fought game.

The score by innings was as follows:

Standard 10 2 0 4 1 1-0 Journal 0 3 2 0 0 3-8

The teams lined up as follows: Standard—Smith, 1b; Calcott, 2b; Gadsby, ss; Purdy, 3b; Wilson, c; Payne, 1f; McArthur, rf; McGlashan, p; Holden, cf.

Journal—Graham, 1b; MacSpornan, 2b; Van Keuren, rf; Martin, 3b; Luman, cf; Rooser, ss; Benson, rf; Mooss, p; Thompson, c.

The next game of the series will be played next Wednesday afternoon.

SIR BARTON FAVORITE FOR RACE TOMORROW

Freehness Stakes, With \$25,000 Added, to be Run at Pimlico.

The Freehness Stakes, of \$25,000 a side, a race of a mile and an eighth for three-year-olds, will be renewed at Pimlico to-day. The event will have a gross value of \$30,000. The starting fee is \$500, and is one of the perquisites of the winner. The Maryland Jockey Club has provided rewards for the first four horses at the finish, \$8,000 to the second, \$2,000 to the third, and \$1,000 to the fourth, all to be deducted from the added money. However, with twelve starters, the winner's compensation will be \$25,000, the full added money of the race. Without Billy Kelly and Be Frank, which are barred, and the Ashland Oakes winner, Regalo, undoubtedly something of a filly, the Freehness will attract the best of the three-year-old talent. Commander Ross' Sir Barton, winner of the Kentucky Derby, will likely be the favorite, although Eternal, Vindex, Dunboyne, Terentia, American Ace, Sweep On, Sea Rock, Passing Show, and Translate are conceded a chance.

FOOTBALL

Merritt has selected the following to represent them against Windle at Merritt on Saturday: R. Downs, Barry and J. Downs, McBain, Page and Mackay, Turner, Rix, Nicol, Smith and Callimere. Reserves: Powers, Watts, Whyte, Mr. Dewse, of Port Dalhousie, will have charge of the game, which will start at 3.30 p.m.

TICKETS READY EARLY

Toledo, May 14.—Tickets for the Willard-Dempsey fight here July 4, which it was expected would not be ready before May 22, will be delivered in Toledo to-day, according to announcement. This means that the sale of seats will be under way much sooner than expected.

GOLF MATCH FOR \$5,000 PURSE

Chicago, May 14.—Local golfers, in behalf of Jock Hutchinson and Jim Barnes, Chicago and St. Louis, respectively, announced yesterday these two will accept the offer of Alex. Smith, of Wykagyl, N. Y., and Gilbert Nicholls, unattached, to play any two professionals in the country for a purse of \$5,000. The proposition was for 36 holes at Wykagyl and 36 at a course to be named, and the probability is the latter will be Glenview, Hutchinson's Club, or Sunset Hills, where Barnes is professional.

General Gunn has taken hold of the arrangements to send Lieut. Bob Dibble to the allied regatta at Henley in July, and it is settled that Dibble and his trainer, Nat Scholes, will go.

### PALE CHECKED WOMEN TOLD ABOUT RESTORING A ROSY COMPLEXION

A few years ago the girl with pale  
drawn cheeks scarcely knew what to  
do in order to restore her fading ap-  
pearance. At that time there was  
no blood-food medium made that  
really would put color and strength  
into systems that were more or less  
worn out.

To-day it's different. The blood  
can be quickly nourished, can be  
made rich, red and healthy. All you  
have to do is take two Ferrozone  
Tablets with a sip or two of water  
after meals. The effect is almost  
magical.

Mothers, look at your children.  
Are they ruddy and strong—do they  
eat and sleep well, or are they pale,  
weak and anaemic?

FERROZONE will rebuild them.  
Take your own case—is your blood  
strong and rich? Have you that old-  
time strength and vigor, or are you  
somewhat under the weather?

FERROZONE will supply the  
strengthening elements you require.  
It is a blood-former, a nourishing  
tonic that makes every ailing per-  
son well.

FERROZONE is a marvellous reme-  
dy, it contains in concentrated form  
certain rare qualities that especial-  
ly fit it in cases of anaemia, poor  
color, thin blood, tiredness, and loss  
of weight.

Every day you put off using FER-  
ROZONE you lose ground. Get it to-  
day, sold in 50 cent boxes by all  
dealers, or by mail from the Catarrh-  
zone Co., Kingston, Ont.

### VISCOUNT GREY PLEASED WITH OUTLOOK FOR LEAGUE

London, May 14.—Viscount Grey,  
of Falloden, former Secretary of  
State for Foreign Affairs, says in an  
interview that he is delighted with  
the amended covenant of the League  
of Nations, having feared "that  
much less might have been accom-  
plished at the Conference."

Viscount Grey considers the key  
to the whole organization is the an-  
nual meeting of the nine Foreign  
Secretaries, represented on the Coun-  
cil. "So long as that meeting is reg-  
ularly held and wisely inspired,"  
he says, "so long may we confidently  
hope the peace of the world will be  
secured."

He believes that armaments will  
diminish as the League becomes  
strong and vital and produces a  
sense of security, and that eventu-  
ally those who now fear it does not  
go far enough and those thinking  
that it goes too far will both be  
satisfied. Earl Grey has the greatest con-  
fidence in Sir Eric Drummond, the  
First Secretary-General of the League.

### CHARGE OF KIDNAPPING

London, Ont., May 14.—A despatch  
received here from Daniel J. Dion, a  
former resident of this city, and an  
employee of a local tannery, has been  
arrested in Boston on a charge of  
kidnapping an eleven year old child.  
The little girl was discovered by the

### MANAGER DOOIN DIS- CHARGED FOR PLAYING BASEBALL ON SUNDAY

Reading, Pa., May 14.—Charles  
Dooin, playing manager of the Read-  
ing (International league) baseball  
club, accused of playing ball on Sun-  
day, May 4th, was discharged in a  
local court today because of insuffi-  
cient evidence.

The prosecution had been brought  
at the instance of the Reading Minis-  
terial Association.

The prosecution will make further  
efforts to stop baseball here on Sun-  
days.

### NEW FALLS (ONTARIO) CHAMBER OF COMMERCE ELECTS ITS OFFICERS

Niagara Falls, Ont., May 14.—The  
council of the newly organized cham-  
ber of commerce held its first meet-  
ing last night and elected these offi-  
cers: President, M. R. McElmrum; vice  
president, T. F. Battie; treasurer,  
Miss Belle Benson.

A committee comprising W. H. Ari-  
son, F. H. Leslie and President Mc-  
Elmrum was named to report next Mon-  
day night on the selection of an ex-  
ecutive secretary.

### A CHALLENGE

They had been talking as they walk-  
ed. She had remarked pathetically:  
"Oh, it must be terrible to a man to  
be rejected by a woman!"  
"Indeed, it must," was the re-  
sponse.

Then, after a while, with sympa-  
thetic ingenueness, he exclaimed:  
"It doesn't seem to me that I could  
have the heart to do it."

And there came a silence between  
them as he thought it over.—From  
Pearson's Weekly.

### GENERAL ALLENBY TO GO TO SYRIA

Cairo, May 14.—Two things here  
indicate the way events are going.  
General Allenby has departed for Sy-  
ria, and there has been a removal of  
all restrictions on travel, together  
with the resumption of normal train  
service in Lower Egypt, except in the  
canal zone, where permits are always  
required. Major-General Sir L. O. F.  
Stack has taken charge as Sirdar of  
the Egyptian army and as Governor-  
General of the Sudan.

### A GORY ORDER

A young woman who was not fam-  
iliar with the language of railroad  
men happened to be walking near a  
depot where a freight train was be-  
ing made up. As the train was be-  
ing backed up, one of the brakemen  
shouted: Jump on her when she comes  
by, run her down beyond the elevator  
and cut her in two and bring the  
head end up to the depot.  
Screaming "Murder!" the young  
woman turned and fled from the spot  
for dear life.

### 47,500 M.S.A. MEN OVERSEAS.

Ottawa, May 14.—In answer to a  
question by W. D. Euter, in the Com-  
mons, the Minister of Militia stated  
that 47,500 drafted men actually went  
overseas. The number of men who  
volunteered for service after the Mil-  
itary Service Act was passed, other  
than Class 1 men, who came under  
the provision of this Act, was 29,007.

### POSTIES WILL GET RAISE

Ottawa, May 14.—Hon. A. K. Mac-  
lean in the House of Commons Mon-  
day stated in reply to Dr. Sheard, of  
Toronto, that the bill to amend the  
Civil Service Act would be introduced  
in the House in about a fortnight  
and that it had been held up by the  
work of re-classification.

Hon. Marth Burrell stated that the  
bust of Sir Robert Borden ordered to  
be made in 1914 at a cost of \$1,500  
was finished and was waiting for the  
opening of the new Parliament build-  
ings before being unveiled.

## The Ideal Residence Area of St. Catharines

Glen Ridge is by far the most desirable residential sub-  
section in St. Catharines now on the market, and  
possesses the following enormous advantages:

1. It is close to the heart of the city, all lots being within one  
mile radius of the Post Office and City Buildings.
2. There are building restrictions ensuring the erection of only  
the most desirable dwellings.
3. Beautiful surroundings and park areas.
4. Prices moderate and reasonable terms.

We expect a big movement in this property in the  
next two months. So act quickly and own a home in  
the most beautiful sub-division in the Niagara Peninsula.

## PRISONER OF WAR USED SHIRT AS WRITING PAPER

Quite a romantic interest attaches to the original manuscripts of several books that are to be published shortly.

One novel, with an after-the-war plot, was written by two officers belonging to the Royal Air Force and Argyll and Sutherland Highlanders respectively, while they were prisoners of war in the hands of the Turks. The difficulties they had to overcome in order to obtain paper were tremendous, and when the book was eventually finished it had been written down on the backs of old letters, paper taken from parcels, and a piece of a one-time white shirt.

Another author, repatriated from Germany before hostilities ceased, had his manuscript taken from a him by the frontier guards on the German-Dutch border. It has just come to hand from Berlin, our authorities having been the means of securing its return to its rightful owner—Tit-Bits.

## FLESH OF BELGIAN HARE

The agricultural extension division of the University of Minnesota has just issued a new bulletin of Belgian hares as meat producers, prepared by F. L. Washburn, economic zoologist. This bulletin speaks highly of the flesh of the Belgian hare as a meat and as a means of reducing the family meat budget. It gives extended instructions as to the breeding and feeding and care of the hare.

## COMPILE KEY TO HELP WORK OF STUDENTS

Minister of Education Orders Catalogue of all Technical Books.

Believing that there is need for a reliable guide which people desirous of studying technical subjects may refer to in the selection of books on any particular matter, Hon. Dr. Cody has authorized the preparation of a catalogue, which will serve this purpose. Such a catalogue, it is believed, will prove of service to the public libraries of the Province, in technical, commercial and industrial schools, and to students generally. There are thousands of books available at the present time on technical subjects, but the novice is in a quandary as to what books to buy most suitable for his purpose. This catalogue is intended to solve that problem.

The book is to be arranged according to decimal classification with subject headings and with a subject index at the back. There will be four classifications. "A" will include a catalogue of books of an elementary nature in the simplest form for boys, amateurs and those having no previous knowledge of the subject.

"B" will include a catalogue of works treating the subject from the popular standpoint and written in such a manner as to be of general interest.

"C" will include a catalogue of books treating of details and the practical application of science and engineering. It will also be suitable for less experienced engineers, city officials or others interested in municipal affairs, manufacturers, mechanics, artisans, students in engineering classes and as preparatory for more advanced work.

"D" will include a catalogue of advanced books for engineers, designers and qualified practitioners in special pursuits.

The catalogue which will be a biography of use ful arts, will be compiled by experts, under the direction of Mr. W. O. Carson, Provincial Inspector of Public Libraries. While the work will be begun at once, it will not be completed for several months.

With a few more sunny days like today the streets will soon need the aid of the old familiar watering cart.

## MUCH UNCLAIMED MONEY LIES IN BRITISH BANKS

Strange though it may seem to some, there are many thousands of pounds lying unclaimed in British banks. In some countries it is compulsory for bankers to publish particulars of these dormant accounts, but the rule does not hold here.

There have been several instances where a woman, for this happens frequently in the case of men, has saved up a nice little sum and deposited it in the bank without saying a word about it to her relatives. Perhaps she hides the receipts in some secure place, and at her death, if she leaves no will, no one knows of the existence of the money.

Other unclaimed accounts are due to a misapprehension on the part of depositors. They lose their receipts and imagine that they cannot claim the money without them.

Yet another case must be set down to sheer neglectfulness. The depositor adds up the amount of the cheques he has drawn, and calculating that there is nothing further owing him, he imagines his account to be closed. He may have neglected the interest given by some banks on current accounts.—Tit-Bits.

## REV. J. ANNESLEY REMEMBERED BY HIS PEOPLE

Purse of Money and Address Presented to Retiring Pastor—Miss Annesley Also.

A goodly representation of the congregation of St. Andrew's gathered on Monday evening in the church and held a farewell social, program and presentation in honor of the Rev. James Annesley and Miss Margaret Annesley, Rev. Mr. Almon, of the Anglican church, and Rev. Mr. Rialton, of the Methodist church, in their addresses spoke of the splendid harmony which existed among the churches and ministers, and spoke in highest terms regarding Mr. Annesley's personal friendship as a brother minister and of his strenuous work in Merritt in the promotion of righteous standards in the community.

Mr. Joseph Martin and Miss Theresa Williamson, of Thorold; Miss Mary Marshall, Miss Blanche Kennedy and Miss Lizzie Buchanan gave a delightful programme.

## PURSE OF GOLD.

The presentation of a purse of money and an address was made to Mr. Annesley on behalf of the congregation by Mr. Wm. Warner, and to Miss Annesley, by Miss J. Thompson and Miss Lizzie Buchanan, to which Mr. Annesley suitably replied by saying that such kindness on behalf of the congregation was entirely beyond anything that had been anticipated, and was an additional proof of the kindness and liberality which they had shown during these three years of my ministry in the congregation. Mr. Annesley thanked one and all in a very hearty manner for their support and this expression of their kindness, saying that he was sorry to leave St. Andrew's, but that a large field of service had opened for him in Calvin Church, Hamilton, and that in these days of reconstruction one is justified in entering into the field of service where their influence is extended into the largest possible sphere. Mr. Annesley also spoke very highly of Mr. Rialton and Mr. Almon by calling them princes among the ministerial profession.

Miss Mary Aitken, the organist of the church, who has been so absolutely faithful to her duties, was made the recipient of a goodly presentation of money.

## THE ADDRESSES.

The addresses were as follows: Merritt, May 12, 1918.

To The Rev. James Annesley, Merritt, Ont.

Dear Mr. Annesley: It is with feelings of regret that we, the members of your congregation, are here this evening to bid you farewell. During your stay with us you have labored hard amongst us to extend God's kingdom. We know that our loss is great. Our town shall lose a good citizen and one who was ever working for the welfare of its people. Your fearlessness in putting forward and standing behind all endeavors you knew were right, has not only won the admiration of your own congregation, but of everyone in Merritt.

You have been called to a large field and you take with you the best wishes of your people. We are losing in you a good leader and friend. Please except this gift as a small token of our love. We trust that your memories of Merritt may ever be pleasant.

We wish your family and yourself every success, and trust that you may long be spared to work in God's service and to show men the way that leads to Him, our Father in Heaven—St. Andrew's Congregation.

Dear Miss Annesley: We the congregation of St. Andrew's have learned with deep regret of your intention of leaving us, and we have met to-night to bid you farewell.

Since you came among us, three years ago, we have learned to know you and love you, and have found you a true friend and an ardent and zealous worker in all branches of the church; one to whom we could turn in any emergency and find a ready helper. You have been indispensable in our missionary society and its success has been largely the outcome of your efforts, and our sewing club feels that it has lost a very valuable member with your departure. The Sunday school, and especially the mission band, which you have built up so splendidly, will miss your leadership, and they, too, feel that your place will indeed be very hard to fill. It is with feelings of very deep and real regret that we see you go from our midst, and we ask you to accept this purse as a slight token of

our appreciation and the good wishes of your Merritt friends.  
Signed on behalf of the Congregation.  
Merritt, May 12th, 1919.

## WINNIPEG "TYPOS" REFUSE TO TAKE STRIKE VOTE

Winnipeg, May 14.—At a special meeting called for the purpose of considering the labor situation in Winnipeg, caused by the strike of building and metal trades workers and the request of the Trades and Labor Council that all affiliated unions take a vote on a sympathetic strike, International Typographical Union 191 this evening declined to take a strike vote, it being deemed unconstitutional.

## EXPECT SIBERIAN TROOPS AT VANCOUVER MAY 24

Ottawa, May 14.—The transport Empress of Japan, which sailed from Vladivostok on May 9 with 638 members of the Canadian Siberian Expeditionary Force on board will probably dock at Vancouver on May 24. The contingent of those on board by military districts, includes Toronto, 11 officers, 28 other ranks; Kingston, 4 officers, 6 other ranks.
