WHY EVERY MAN SHOULD INSURE IN THE NEW YORK LIFE.

Because: It is one of the strongest Companies in the world.

Because: It has over \$187,176,406 in assets.

Because: It has over \$26,657,332 in surplus.

Because: It earned for policy-holders last year from interest and rents over \$8,001,482.

Because: This interest receipt of \$8,001,482 exceeded by \$200,000 the entire expenses of conducting the Company's business, including commissions for new business and charges of every kind whatsoever.

Because: It is purely mutual, and all of its assets, surplus and earnings belong to its policy-holders.

Because: It has an honorable record of 52 years, during all of which time it has steadily increased in strength and prosperity.

Because: Its policies as now issued contain no restriction as to residence, travel or occupation, habits of life or manner of death.

Because: The sole condition is that if premiums are paid the Company will certainly pay the policy immediately in the event it becomes a claim by death, and thus leave a widow or an estate a legacy and not a law-suit.

Because: The New York Life has assets in Canada, for the special protection of its Canadian policy-holders, amounting to \$4,315,000, which is \$170,000 in excess of its liabilities to Canadian policy-holders.

Because: The New York Life is the only large insurance company that makes its Annual Report early in January, upon the basis of Paid-for Business, and publishes a full and complete Statement of how and where the policy-holders' money is invested.

All Canadian Policies will be endorsed payable in Canadian currency if so desired.

In order to procure the biggest dollars' worth of Life Insurance be sure and purchase the Accumulation Policy of the **NEW YORK LIFE** it is a "World Beater."

To real, wide-awake, pushing, reliable Agents top-notch contracts will be made.

Life Insurance Agents should see our Nyllic Benefits before contracting with other companies.

When steamers leave New York before 8 a.m., passengers should leave Winnipeg the day previous to that given above.

Passengers should leave Winnipeg Wednesday at 12.40 o'clock to make connection with steamers leaving Montreal on Saturday.

All Steamship and Railway Ticket Agents sell tickets at the lowest rates obtainable, and engage berths or staterooms for intending passengers, without extra charge.

Money is saved by purchasing tickets at starting point, as the through fares, in connection with ocean passages, are generally less than the ordinary rate to the seaboard.

The cheapest saloon fares provide for single berths in rooms (usually inside) containing three or more berths. The next higher fares provide for berths in rooms better located, containing two berths inside room, or three berths outside room. The highest fares are for outside rooms containing two berths in best location. The Saloon privileges, table, etc., are precisely the same for all saloon passengers, regardless of the price paid for stateroom accommodations.

WACHORN'S GUIDE.

Return Steamship Tickets are good for one year, and may be extended two years. A saving is effected by taking round trip tickets. Children under twelve years, half fares. Infants free.
