Wolfville Defeats Windsor

OLD RIVALS PLAY EXCITING GAME

A good sized crowd gathered at Evangeline Rink last Friday evening to see the old rivals, Windsor and Wolfville, stage the first hockey game of the season. The teams were evenly matched and the play throughout the whole game was exceedingly close. First one team and then the other took the lead, and the spectators were kept guessing from the beginning to the end of the game. The final score stood 8 goals to 7 in favor of the home team.

Soon after eight o'clock the referee, James Christie, lined up the team for the face off. The Wolfville boys began with a rush and carried the puck into Windsor's territory. The visitors fought hard but in less than two minutes the home team scored the first goal, and loud cheers rose from the spectators. The visitors tried hard to even up the score and after repeated rushes succeeded in landing the puck in the nets about the middle of the period. Play eased off during the remainder of the period and there was no further scoring.

The Windsor boys started the second period with a rush and in little more than a minute succeeded in netting the puck, giving them the lead. The visitors continued to have the better of the play and six minutes later again scored. Things looked bad for the Wolfville team but they bucked up and made several unsuccessful attempts to score. Finally Christie got away with the puck and passed to Baird who scored Wolfville's second goal. The home team tried hard to even up the score but the period ended 3 to 2 in favor of the visitors.

The final period was the best and most exciting of the whole game. Play raged fast and furious throughout the period and the scoring was heavy. The Wolfville boys went on the ice with a determination to even up the score and in less than a minute the trick was done. The visitors, however, came back with a rush and were soon in the lead again. The home team then settled down to business. A pretty combination play resulted in Brent Eagles netting the puck and the score was again tied. From the face off the puck was rushed to Windsor's territory and Wolfville again scored from a mix-up in front of the goal. Windsor again tied the score. Here Fraser made one of his spectacular rushes, carrying the puck the length of the ice, and passing to Baird who placed the puck in the nets. The home team was now going strong and working better together. Another combination rush which resulted in a score and the victory of the home team was assured. The visitors succeeded in netting two more goals, and Stackhouse scored for the home team, making the final standing 8 goals to 7 in favor of Wolfville.

The Wolfville team was composed of the following:
Goal—Fred Eagles
Point—Theodore Stackhouse
Cover—Harry Fraser
Centre—Herman Baird
Wings—Brent Eagles
George Christie
Spares—Kennedy and Woodman

A return game was played at Windsor on Tuesday night when the Wolfville boys went down to defeat to the tune of 11 goals to 3. Cheer up boys, you will do better next time.

Cottage Hospital For Western Kings.

The people of Western Kings are moving in the direction of a Cottage Hospital as a Memorial to the fallen soldiers. A meeting was held at Aylesford on Monday evening, Jan. 12th, at which the opinion generally expressed was "that a hospital costing \$125,000 at Kentville would not meet the needs of the people as well as one or more Cottage Hospitals through the county." The meeting was a large and enthusiastic one and by a standing vote gave its support to this idea. Another meeting will be held at Berwick shortly for further discussion.

Milk Prices In Canada

The average retail price of milk during the month of November, 1919, in the various provinces of the Dominion was as follows:

Nova Scotia, 14 cents
New Brunswick, 14.8 cents
Quebec, 13.8 cents
Ontario, 14.4 cents
Manitoba, 14.5 cents
Saskatchewan, 16.6 cents
Alberta, 14.9 cents
British Columbia, 17.5 cents
Average for the Dominion, 14.5 cents

"Little Peggy O'Moore"

The following is what the Charlottown Guardian had to say about the play, "Little Peggy O'Moore", which the Young Adams Co. will present at the Wolfville Opera House on Feb. 11th and 12th:

Those who attended the Prince Edward Theatre on New Year's night and heard that beautiful Irish American idyl, "Little Peggy O'Moore", enjoyed a couple of hours in laughter and appreciation which gave them a wholesome start in the new year.

The Theatre was filled to capacity and the only dull moments were those between the acts which gave the audience an opportunity to get their sides unknicked, and the tears—tears of laughter wiped off their cheeks.

Margie Adams made a most attractive Irish girl; witty and winsome, her very appearance eliciting roars of laughter. Mr. H. Wilmot Young, as Daniel Murphy, Mayor of the city, took the role splendidly, while the other members of the cast gave excellent support in a drama that was thrillingly interesting from start to finish.

The Guardian strongly advises every one who enjoy a good, clean, wholesome play with plenty of laughter, strong acting, magnificent scenery and all that goes to make two hours of solid enjoyment, not to miss this performance. Few plays given in Charlottown have been better staged and none more thoroughly enjoyed than "Peggy O'Moore."

The fifth-sixth annual session of the Nova Scotia Fruit Growers' Association was held at Kentville on Tuesday, Wednesday and Thursday of this week. The meetings proved very interesting and instructive. The following officers were elected for the ensuing year: President, V. B. Leonard, of Clarence; Vice-President, Manning K. Ellis, of Port Williams; Secretary, W. Foster, Kingston; Assistant Secretary, W. L. Harris, Aylesford.

Kings County War Record

A War Record of Nova Scotia is being prepared by the Provincial Government under the direction of Mr. H. C. Crowell, of Halifax. This will be written according to counties and Mr. G. C. Roy, of Kentville, has been requested to make up the record of Kings County. Much of the data concerning its work, such as subscriptions to Victory Loans, contributions to the various funds, etc., is known to him, but there is much of purely local work that should be tabulated. In order that the record will be as accurate as possible those who were associated or familiar with the war work in Kings should send full particulars to him, not only giving the amounts collected, but the names of chairmen, treasurers, and members of the committees. For instance, the following information is desired:

Contributions to Red Cross in money and materials. Number of members of Red Cross Societies and names of presidents and secretaries and treasurers. Belgian relief, contributions in money and materials. Other War Funds, giving amounts collected and names of executive. Recruiting number of men raised in county. Casualties, number killed, number wounded. Shipping, number, tonnage and value of vessels built for trading purposes. War material, this is to include everything manufactured in the county for war work, the value and the names of the firms who made them.

All chairmen and treasurers of the various Funds are asked to send in amount of subscriptions received and names of executive and it is particularly requested that all who sent subscriptions either direct or through a district collector to Halifax or other central point will respond to this notice. A very fair report on recruiting and casualties will be gathered if the clergymen in Kings will send the numbers for their various congregations.

As this will be the permanent record for Kings and will be a matter of more than local interest it is hoped that any who were associated in any way with War Work in Kings will see that the information is sent to Mr. Roy.

A NEW VOCAL TEACHER

The number of pupils desiring instruction in voice is now so large that it has become necessary to add to the staff of the Conservatory another vocal teacher. Mrs. Hanna Russell Gregory, who arrived on Wednesday of this week, has studied for several years with such well-known teachers as Gilchrist and Peakes of Philadelphia, and Harold Brown, of New York. She has had nine years' experience in private teaching, and has been eminently successful, as the work of her pupils has proved. She makes an excellent impression as a soloist and has had experience in choir and concert work as soloist and conductor. Pupils desiring instruction should register at once with Dr. Fisher.

More than eighteen new students have been received as residents since the new term began.

The Faculty recital will be held on Friday, Feb. 6th. Watch for further announcement. A most interesting programme has been provided.

Civic Club Meets

NOMINATES CANDIDATES FOR COMING ELECTION

About thirty citizens attended the Civic Club at the Town Hall last Friday evening. It was one of the most enthusiastic meetings that have been held since the club was organized, and more citizens should have been present. The President, Dr. M. R. Elliott, was in the chair.

The first business of the meeting was the nomination of candidates for the coming civic elections. The executive presented the name of Mr. C. S. Fitch for Mayor, and Mr. Fitch was nominated by the Club. For councillors the executive presented the names of Messrs. J. W. Williams and L. E. Shaw. These men being agreeable to the Club they were nominated. Mr. Williams had been previously nominated by the Great War Veterans. For the third councillor it was suggested that the ladies might have a candidate. Three ladies were nominated and upon a ballot being taken Mrs. L. C. Moore was elected the nominee of the Club.

Miss MacIntosh, Dean of the Women of Acadia University, was present at the meeting and asked the support of the citizens in an undertaking that she had planned. Her plan was to take a church and school census of the town, the work to be done by her class in Social Service. After hearing her explanation of the project the Club promised her all the support possible.

Mr. H. E. Calkin gave a verbal report of the Old Home Summer and International Exposition Conference which he and Dr. Elliott attended at Halifax in December.

Death of Esteemed Lady

There passed away on Dec. 31st the wife of J. P. Jodrey, of White Rock. Mrs. Jodrey had been ill for some weeks and it was thought that a change with her son Roy at Wolfville would prove beneficial but she gradually failed. Her kind and gentle ways made her beloved and respected by all who knew her.

Besides her husband she leaves two sons, Charles, of Greenfield, and Roy, of Wolfville, and one daughter, Miss Eva, at home; also two sisters, Mrs. Cashman, of Mosherville, and Mrs. McMonagle, of Framingham, Mass., and one brother, Alfred Harrington, of Hall's Harbor.

The funeral took place at her son's home in Wolfville and was conducted by Dr. Cutten. A large number of friends and relatives gathered to pay their last respects to one who was dear to them all. The floral tributes were numerous and handsome.

Canning Scouts vs. Wolfville Tuxis Boys

Last Friday evening a clean, fast and exciting game of hockey was played between the above teams. The line up was as follows:

Canning	Wolfville
L. Huston	Goal
H. Lyons	Point
H. Huston	C. Pt.
M. Burgess	Centre
G. Eaton	L. Wg.
T. Huston	R. " "
B. Blenkhorn	Spare
	C. Coldwell

All the boys played a good game but the two star players were undoubtedly Lyons, of Canning, and W. Kennedy, of Wolfville. The former excelled in stick handling and the latter in speed. The score was 10 to 4 in favor of Wolfville, but the Canning team was handicapped by lack of practice. With the completion of the new rink at Canning the Wolfville boys will have to work hard to retain their laurels.

The Scout Band gave some excellent music for an hour after the game and the thanks of the Scout Association is due to the public for their patronage, the rink management for their liberality, and the members of the band for their services, which helped the Scout finances to the amount of \$19.00.

Old Home Summer Notes

On February 12th and 13th there is to be another Conference in Halifax in connection with Old Home Summer, which will be attended by all County conveners, press delegates and representatives from various organizations.

All schools are to be organized for the movement, as well as the adult population.

Many of the municipalities of the Province are passing resolutions endorsing the Old Home Summer and International Exposition project; and thirty-seven branches of the G. W. V. A. have also endorsed it.

Westwood Hospital Notes

Mrs. H. W. Phinney who had a small operation performed at Westwood Hospital on Tuesday last is making a good recovery.

Harold Johnson who was operated on at Westwood Hospital has returned to his home fully recovered.

We are glad to hear that Mr. Crockett who has been seriously ill at Westwood Hospital, is progressing rapidly and is now able to sit up.

Westwood Hospital has just closed a very successful year, having admitted over one hundred cases, fifty of which have been operative cases, and all successful. These facts show what a great need there has been for such an institution in Wolfville, and it should have every encouragement to broaden out in a larger scale.

This year the rent-payer will get one day more use of his flat for the same money.

Those who have left over a stock of stationary with the date printed "191" are in trouble now.

Take good care of what little common sense that you have, for the world's supply doesn't begin to equal the demand.

Russia's losses during the war in killed and wounded aggregated 35,000,000, according to statistics of the Kolchak government.

The United States is now legally and formally "bone dry," but ample time has been allowed to make a lot of cellars "wet."

An Australian inventor has given a piano a slightly curved keyboard so that a player can reach all parts of it with equal effort.

Mules in coal mines at Hazelton, Penn., are now wearing rubber bonnets, to prevent accidents due to contact with overhead electric wires.

Among the advertisements in a copy of the Danville (Vt.) North Star, printed 103 years ago, is one inserted by Joseph Arey, Jr., of Cabot, who announces that he will sell women's shoes for from 70 cents to \$1 and men's at from \$2 to \$3.

Perhaps it may be interesting to the chap who is looking anxiously at his fast vanishing coal heap as he goes to the cellar to keep the furnace burning to know that during the war the ships of the British navy consumed 54,000,000 tons of coal. And those were tons of 2,240 pounds, too.

According to some reports from Europe, President Ebert, of the German Republic, so called, is really only a seat-warmer for the fugitive but "soon-to-be-restored" Hohenzollerns. What an anticlimax it would be if it went down in history that the proud sabre rattlers were put back through the connivance of a former harness maker!

It is almost a neck and neck race between Woman's Suffrage and time in the United States. That is to say, whether the constitutional amendment will be ratified by the requisite thirty-six States in time to participate in the coming Presidential election. Twenty-five States have already ratified it. Enough Legislatures are coming in regular and special sessions to furnish the required total if "nothing happens".

Clemenceau's defeat in the Parliamentary caucus is no doubt a great surprise to the outside world, which is not familiar with the currents and cross-currents of French politics. The fact that he was thrust into the contest against his own wishes will probably make his reverse all the more unpleasant for him, but he has at least the consolation that he will not be called upon to take an office which he did not want. He has earned his right to pass his old age in quietness.

Strange what a difference time makes in the habits of people. A few years ago it was an almost universal custom for automobile owners in this part of the world to put their cars away for the winter. Only the daring ones would attempt to navigate an auto in the winter season. Today the number of motor vehicles "laid up" over winter can be counted on the fingers of one hand practically. Everybody seems to go about in their limousine, their regular model or their "flivver" as if it were the middle of summer.

Canada's Trade With U. S. Declines

The feature of the trade returns for November is that imports from the United States for the month show a decrease of \$1,400,000 as compared with those for October, while those from Great Britain show an increase of about \$1,200,000. The exports to the United States show a decline of approximately \$6,000,000 as compared with October, while those to the United Kingdom show an increase of \$5,600,000. The increase to the latter country is undoubtedly due to shipments of wheat hurried out before the close of navigation. The United States being closed to Canadian wheat no shipments of course figured in exports to that country.

For the first eight months of the present fiscal year exports to the United States declined \$7,500,000, and imports from that country declined \$23,800,000, compared with the same period in the previous fiscal year. To the United Kingdom for the same period exports declined \$26,000,000, while imports increased \$11,500,000.

The amount of new Life Insurance Business written in Canada in the year 1919 is estimated at \$549,000,000 in an article by M. P. Langstaff in the Monetary Times' Annual Number, issued January 9th. For the past six years the volume of business has been as follows: 1914, \$217,006,561; 1915, \$221,119,553; 1916, \$231,101,625; 1917, \$282,129,540; 1918, \$313,251,556; 1919, \$549,000,000. The companies' experience has also been more favorable as the ratio of actually expected mortality in the case of twelve leading Canadian companies ranged from 50 per cent. to 75 per cent., compared with from 95 per cent. to 122 per cent. in 1918.

Are You Weak and Run Down?

IN THIS CONDITION ONLY A TONIC MEDICINE CAN RENEW YOUR HEALTH.

The condition of being "run down" is one that doctors do not recognize as a disease. The physician of to-day who gets his training in a hospital where only severe disorders are encountered knows little about it. But those who are run down in health know that it is not a fancied affliction.

The expression "run down", applied to health, means a condition in which all the bodily functions are enfeebled. Appetite fails, the digestion is impaired, the nerves are impoverished, the complexion becomes pale or waxy, there is no animation, but rather worry and mental depression. Fatigue is a constant symptom. No particular organ being affected, you must look for relief to the blood. As it circulates through every part of the body, any improvement in the condition of the blood is quickly felt throughout the entire system. As a restorer of the blood and builder of weak nerves Dr. Williams' Pink Pills stand at the head of all tonic medicines. Every dose of these pills helps to enrich the blood and strengthen the nerves, and thus the various organs regain their tone and the body recovers its full vigor. Ample proof of this is given in the statement of Mr. William Devine, Gerrard street east, Toronto, who says: "Two years ago while employed as a conductor on the Toronto Street Railway, I became much run down. I consulted a doctor who gave me medicine, but it proved fruitless as I was constantly growing weaker. My appetite completely failed and I fell away in weight until I only weighed 125 pounds. I was sometimes taken with fainting spells and finally felt compelled to resign my position. I tried what I thought was lighter work, but with no better results. I was growing weaker and weaker. One day a chum urged me to try Dr. Williams' Pink Pills, but by this time I was heartily tired of medicine, as nothing I had taken did me any good. Finally he bought me a box of the pills, and I could no longer refuse to try them. After a time I felt they were helping me and then I gladly continued their use, with the result that I was finally enabled to go back to my old position fully restored to health. I owe this splendid condition to Dr. Williams' Pink Pills, and can strongly recommend them to any one suffering as I did."

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or may be had by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Not a Straight Answer

"The average individual," said a Scotland Yard Official, "can't give a detective a simple, plain, straightforward information. Questioned by a detective he becomes as involved and difficult as the office boy."

"A detective asked an office boy if it was Mr. Jones or his partner who reached the office first as a rule.

"Well," said the boy, turning very red, "Mr. Jones at first was always last, but later he began to get earlier, till at last he was first, though before he had always been behind. He soon got later again, though of late he has been sooner, and at last he got behind as before. But I expect he'll be getting earlier sooner or later."

Water Cure In Minnesota

A St. Paul man tells of a Swedish farmer in Minnesota who was taken suddenly and violently ill on one occasion. His wife telephoned for a doctor.
'If you have a thermometer,' answered the physician, 'take his temperature, I will be there presently to see him.'
When the doctor arrived, the wife met him at the door.
'How is he?' asked the doctor.
'Val,' she said, 'I ban put the barometer on him like you tal me, and it say 'very dry,' so I give him a pitcher of water, and now he ban gone back to work.'—The Country Gentleman.

She Did It!

Somebody said that it couldn't be done.
But she with a chuckle replied: That maybe it couldn't but she would be one
Who wouldn't say so till she tried.
So she started right in with the trace of a grin
On her face, if she faltered she hid it;
She started to sing as she started the thing,
That couldn't be done, and she did it.

Children Cry FOR FLETCHER'S CASTORIA

Forty-One Years at the Throttle

Forty-one years of continuous service as a locomotive engineer without one accident to mar his work is the remarkable record established by Mr. Lew Patrick of Revelstoke, B. C., and previous to October 31, 1919, an engineer operating trains out of Revelstoke on the mountain division of the Canadian Pacific Railway main line.
Mr. Patrick's record is one that it will be hard to duplicate. He is a man still hale and hearty and in full enjoyment of his strength and faculties but has decided to take a rest from the long strain of his railroad duties.

MR. LEW PATRICK.

He is one of the pioneers who came west with the railroad and developed as it developed. Starting with the Canadian Pacific at St. Boniface Manitoba, when a young man of twenty-five years of age he passed successfully through the occupations of brakeman, conductor, fireman, and engineer during the first year of his service. His first engine was one of the old, wood-burner type and he has seen railway motive power develop from that stage through coal burners of various grades to the latest type of oil-burning mogul. As engines developed Mr. Patrick kept pace and operated them as fast as they came.
He was working on construction trains in British Columbia, and was present at the summit when Lord Strathcona drove the last spike that linked the Atlantic with the Pacific ocean. Since then Mr. Patrick has been driving engines on the mountain sections. From June, 1896 to the spring of 1918 he was driver on the fast Imperial Limited passenger train. On those alone he has carried tens of thousands of passengers in safety. Perhaps no other man in the service of the great railway company has carried more people than he has. Long before he retired from active service his reputation as the safest engineer of the whole country had gone abroad. People liked to know they were to be drawn by Lew Patrick, because it meant that the chances of accident had been reduced to the minimum. Though the Canadian Pacific Railway Company prides with pride to its own wonderful record in protecting the lives of its passengers, and its own reputation in this regard has always been very high among railroad men and the travelling public, yet to know that Lew Patrick was at the throttle was added assurance to those who knew.
Mr. Patrick is an example of the splendid type developed by the railroad service. His duty to his company and his passengers was his governing influence. The Canadian Pacific Railway Company through the whole gamut of officials and men, from president to the newest brakeman feels pride in the record of this veteran engineer.
Mr. Patrick was born in South Durham, 65 miles east of Montreal, 66 years ago. His parents were farmers and he followed the same occupation until he went west to railroad. He was married in 1896, and has three children, Miss Jean and Mr. John Patrick of Vancouver, and Mrs. R. Boyce of Calgary, Alberta. L. V. K.

We Need Pluck

The same lively little quality called pluck is the lifeblood of moral and physical activity. You need to be plucky to face life's disappointments and disillusion without growing cynical or bitter. When men and women come through severe trials of faith and yet retain a sweetness of temper, a general kindly tolerance in character, it is not that trouble has impressed them very little, but that they have put up a very plucky fight against a proneness to become bitter. Cynicism is only futile anger against self-created illusions.
There is pluck needed to enter upon any great enterprise; to launch out into unknown, unconventional ways. We are not naturally so conservative as we are afraid of untried paths. What is easiest to us is frequently what needs least pluck.
We think that much of our failure to realize the best that is in us is owing to a want of pluck to realize fully our moral disabilities.

What we are, and what we are not, we are only too ready to forget, simply because we fear to face the truth. But we show a lack of wisdom in this. Certain it is that no man ever mended his faults by shutting his eyes to them. It is equally certain that many a man has become great by a plucky recognition of his own limitations.

Baptist, Methodist and Presbyterians of West Vancouver have united in one church under one Constitution. A compromise was reached in Baptism that was agreeable to the three denominations.

For Kickers

Running a newspaper is just like running a hotel, only different. When a man goes into a hotel and finds something on the table which does not suit him, he does not raise his voice with the landlord and tell him to stop his old hotel. Well, hardly. He sets that dish to one side and wades into the many dishes that suit him. It is different with some newspaper readers. They find an article occasionally that does not suit them exactly, and without stopping to think it may please hundreds of other readers, they make a grand stand play and tell the editor how the paper should be run and what should be put in it. That such people are becoming fewer every year is a blessing.—Ex.

HOW THIS NERVOUS WOMAN GOT WELL

Told by Herself. Her Sincerity Should Convince Others.

Christopher, Ill.—"For four years I suffered from irregularities, weakness, nervousness, and was in a run down condition. Two of our best doctors failed to do me any good. I heard so much about what Lydia E. Pinkham's Vegetable Compound had done for others, I tried it and was cured. I am no longer nervous, am regular, and in excellent health. I believe the Compound will cure any female trouble."—Mrs. ALICE HELLER, Christopher, Ill.

Nervousness is often a symptom of weakness or some functional derangement, which may be overcome by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, as thousands of women have found by experience.
If complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for suggestions in regard to your ailment. The result of its long experience is at your service.

Notice of Election

Notice is hereby given that on Tuesday, the 3rd day of February, A. D. 1920, a Poll will be held for the Election of a Mayor and three Councillors for the Town of Wolfville.
Polling will open at nine o'clock in the morning and close at 5 o'clock in the afternoon.
All voters, for the Town Election residing in the following described district, will poll their votes at Town Hall:—Commencing on the North side of Main Street at the south-east corner of a lot of land belonging to John F. Herbin, thence following a line north 10 degrees west to the Cornwallis River, thence westerly following the various windings of the said river to a point in a direct line with the centre of Highland Avenue, thence along the centre of Highland Avenue southerly to the centre of Acadia Street, thence easterly along the centre of Acadia Street, to the centre of Gaspereau Avenue, thence southerly along the centre of said avenue to the south boundary of the town, thence easterly by said south boundary to the southeast corner of the town in the east line of Maple Avenue, thence northerly to the place of beginning by the east boundry of the town.

All voters for the Town Election residing in the following described district must poll their votes at Mitchell's Store:—Beginning at a point on the Cornwallis River in a direct line with the centre of Highland Avenue, thence westerly following the windings of said Cornwallis river to a point in a direct line with the west lines of the lands of W. M. Black, thence by said line southerly to Main Street, thence easterly to Chas. F. Elderkin's east line, thence by the west boundry of the town southerly to the south-west corner of the town, thence easterly by the south boundry of the town to the centre of Gaspereau Avenue, thence northerly along the centre of said avenue to the centre of Acadia Street thence easterly along the centre of Acadia Street to the centre of Highland Avenue, thence northerly by the centre of Highland Avenue and extension to the place of beginning.

No person who is not regularly nominated as the law directs shall be a candidate.

Polling will only take place in the event of more than one candidate being duly nominated for Mayor or more than three candidates being nominated for Councillors.

Only ratepayers whose rates and taxes due up to and including the previous year are paid at least 10 clear days before the day for nominating candidates will be entitled to a vote at said election.

Dated at Wolfville, in the County of Kings, this 12th day of January, 1920.

Editorial Jottings

As a result of the new print famine, due to a dispute with the paper makers of Fort Frances, Winnipeg's three daily newspapers have been obliged to suspend publication for the time being.

Mr. Reginald De Koven, famed as the composer of "Robin Hood" and other operas, songs and symphonies, and as an orchestral conductor and musical critic, died of apoplexy last Friday morning at Chicago.

Annapolis Municipality indicates its interest in good roads, and its willingness to bear its proportion of the cost necessary to produce them, by voting sixty cents per one hundred dollars of assessment for the current year.

A provincial Conference of all the branches of the G. W. V. A. in Nova Scotia has been called to meet in Truro on February 24th, to formulate a policy to be submitted to the Dominion Convention, when the matter of re-establishment is to be decided upon.

The first real storm of the season occurred on Sunday. A blizzard raged all day Sunday, and it was accompanied by a generous fall of snow. Most of the roads of the county were made impassable. Another storm came Tuesday night, when a foot or more of snow fell. The storm was especially severe in the Western part of the province. The railway suffered considerably. Tuesday's train from Yarmouth was four hours late, and all trains were more or less late on Wednesday. The train from Annapolis, which is due here about eight in the morning did not arrive until after one, and consequently was very late returning from Halifax that night. The weather during the past week has been most severe, the temperature dropped to zero or lower each night.

Forward Movement Meeting.

There were over two hundred persons in attendance at the Inter-Church Convention at the Baptist church on Wednesday evening, and a most successful meeting was held. On account of the lateness of the train from Halifax the out of town speakers were not present when the meeting opened. While waiting for the train splendid addresses were given by Dr. H. T. DeWolfe and Rev. W. H. Watts. It was not until nine o'clock that Rev. Dr. Stewart of Halifax, arrived, but his address was most inspiring and well worth the waiting. He spoke of the fact that although peace had been declared throughout the world and the League of Nations formed there was still great unrest in the world. He said that the only thing that could make for a lasting peace was the teaching of Jesus Christ and the only agent that could disseminate this teaching through the whole world was the Christian church. Dr. Boyle, of Kings College, was also expected to be present, but on account of the train being so late he did not come.

There is a general feeling here in Wolfville as everywhere that conditions might be greatly improved physically, educationally, morally and socially. The co-operation of all is needed in bettering them. It has been suggested that the class in social service at Acadia be asked to assist in this.

To this end the class is taking a school and church census in an attempt to secure definite information which should be of great value. This survey will probably be held on Friday, Jan. 30th, when a canvass of every house in town will be made.

Further announcement will be made in the next issue of this paper, but it is sufficient to say that this survey is being made with the full co-operation of the town authorities and the Civic Committee.—Contributed.

SUFFERED DAY AND NIGHT

The Tortures of Dyspepsia Relieved By "Fruit-a-tives"

LEWIS BRAN D'OR, C. E.
 "I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches and did not sleep well at night. Finally, a friend led me to try 'Fruit-a-tives'. In a week, the Constipation was corrected and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous". ROBERT NEWTON.

The feeling of superiority in the sterner sex is inborn.

"Mamma, do you think you'll go to heaven?" said Jack, looking thoughtfully into his mother's face.

"Yes, dear, if I'm good," said the mother cautiously, wondering what was coming next.
 "Then please be good, for papa and I would be lonesome without yon."

An Irishman once boarded a train in which every seat except one was occupied. This seat had as occupants a young sport and a large shaggy dog. The Irishman stood at the seat expecting room would be made for him. The young man did not take the hint but regarded him with undisguised scorn. At last Mike remarked: "That is a foine dog you have. What breed is he?"

"It's a cross between a skunk and an Irishman," was the sneering answer.

"Shure, then it's a relative of both of us," came the instant retort.

AFTER 20 YEARS

Remarkable Experience of Mrs. Ripley
 Mrs. William P. Ripley, of Williamsdale, Ont., has good news for all who suffer from aches and derangements caused by Kidney Trouble. Read her letter:—

"Before taking GIN PILLS I had suffered dreadfully with my back and headaches and had suffered for 20 years. I tried almost everything but got no relief until I got GIN PILLS. I have taken 6 boxes and now I have not a sign of a pain or an ache. I am now 48 and feel as well as ever I did in my life."

In GIN PILLS, all the valuable diuretic Juniper element in the Gin has been utilized, and the alcohol eliminated. Combined with other highly efficient diuretics and antiseptics, GIN PILLS present the most scientific and effective remedy for Kidney and Bladder trouble that can be secured. They give sure, quick and safe relief. If you have back-ache, headache, highly-coloured urine, rheumatism, lumbago, sciatica, neuralgia, dizziness, lassitude, floating specks before the eyes, unaccountable uneasiness of mind and general debility, lose no time. Treat yourself with GIN PILLS before it is too late. At all druggists and dealers, 50c. Money refunded if not relieved. Free sample on request.

Every Athletic organization in Canada will be invited to line up behind the efforts of the World's Fair Executive of Nova Scotia in order to form a national Committee to procure the Olympic games for Canada at Halifax in 1924. The Executive of the Fair have already placed formal request before the International Committee at Geneva to have the games as one of the features of the International Exposition now planned for Halifax for that year. It is expected that the national convention will be held at Halifax in the middle of February. The authorities abroad advise that if Canada is to obtain these games there must be no delay.

Fur Trade Conference

TO BE HELD AT MONTREAL, FEB. 19-20, 1920

The investigations of the Commission of Conservation have demonstrated the importance of Canada's fur trade and that the advancement of fur farming calls for a better understanding and regulation of this industry. For this purpose, a conference of fur farmers, trappers and fur dealers will be held at Montreal on Thursday and Friday, February 19 and 20, under the auspices of the Commission.

The meetings will be attended by the leading authorities on the fur trade and the most prominent fur farmers. Among the subjects to be discussed will be the regulation of the fur trade, protection of wild life, diseases of and feeding of fur-bearing animals in captivity, establishment of a herdbook for registration of foxes, and the best fur-farming practice.

Fur farming has passed the experimental stage and is now on a solid commercial basis. Prices of furs are advancing, some of them having made phenomenal gains. This will no doubt tend to increase the number of those engaged in the raising of animals for their skins, as well as to include in the industry many species not now reared in captivity. The Commission of Conservation extends an invitation to all interested to attend the conference.

Build Up Your Bodily Resistance

1. Sleep with at least one window open in your bedroom all the year round.
2. Eat plenty of good, wholesome food.
3. Never allow yourself to become more tired by staying up late after a hard day; make up for it by going to bed early.

If you are in good health, if your resisting power is good, the germs of disease are less likely to harm you.

Nothing helps to build up the resisting power so much as proper food, plenty of sleep, and pure, fresh air.

Mr. and Mrs. Dexter Forsythe are receiving congratulations upon the birth of a son on Dec. 31st.

Mrs. Cutler Forsythe and two little sons, Willis and Lloyd, left on Tuesday the 13th inst., for an extended visit to Mass.

Mr. Lovitt Forsythe, of Port Williams, commenced driving the mail the first of the year, on Rural Route No. 2, which includes Sunnyside, White Rock, etc.

Mrs. Eliza Wellener, of Aylesford, returned home one day this week after spending a month, visiting friends in this place and vicinity.

We hope to soon hear of the improvement in the health of Mrs. T. A. Pearson.

Messrs. Robert and Maurice Bishop are daily pupils at Acadia Collegiate and Business Academy.

Mr. Ormond Forsythe is attending Business College at Halifax.

Miss Joyce Harvey, who went to Windsor to attend school last Fall, returned home about two weeks ago and is now pursuing her studies at Kentville Academy.

Miss Dorothy Williams, of Acadia College, was a week-end guest of Miss Lillian Bishop.

The book-keeper at the Fruit Co's. Warehouse, Miss Louie Crowe, of Belcher Street, is boarding at the home of Miss Lillian Bishop.

Miss Charlena Pearson has resigned her position on the Staff at the telephone office at Wolfville and returned home.

The usual Sunday night sing was held last week at the home of Miss Betty Fenwick.

Mrs. Grace Andrew, was hostess to a few of the boys and girls, last Friday, from 5 to 8, in honor of the birthday of her son Alex.

Mrs. Emma Harvey, who has been ill, is recovering.

The ladies are invited to meet at the home of Mrs. A. K. Forsythe, Wednesday evening to form a sewing circle.

Mrs. Burpee Bishop, of this place, who is a member of the Ladies Institute at Port Williams, was appointed by them to attend a session of the Councillors meeting at Kentville last week, to give an address on an important matter in connection with the Alms Houses. The ladies wish this matter attended to by the Councillors. A number of the ladies of Port Williams accompanied Mrs. Bishop, also a few of the ladies from here. Miss Annie Stuart, of Grand Pre Institute, also spoke on the same matter and we understand the ladies intend being present at the April session to further urge this matter of importance.

The Community League which did not commence its meetings until New Year's Night is in a flourishing condition. First night was in charge of the Social Committee, of which Mrs. Byron Cox, is chairman. After the usual business part, by the different officers, a short program was given, then a good time was on playing games, etc., not forgetting the pleasant social part of enjoying good refreshments. The second evening was Literary Night, Miss Bessie Fraser, chairman of Committee, the subject of the evening being "An Evening With Canadian Poets" which proved to be very interesting. Two songs were sung during the evening, a short biography of each poet (about twenty-eight of the

poets being mentioned) was given by Miss Fraser, and poems were read by some members of the League. The last night was in charge of the Dramatic Committee, Mrs. Lee Bishop, chairman. A mixed program including a half hour play, well done, was thoroughly enjoyed by the good number present. The current and local events, which are always read each night before the program, was up to Philip Bishop to prepare and read and all found

them very amusing and interesting, Miss Forsythe was appointed to the task for the next meeting, which will be Devotional Night, in charge of our President, Rev. Mr. Watts. The Vice President, Mr. Murray Forsythe who had charge of the last two meetings during the absence of the President, did well and creditably filled the place.
