## Epps's Cocoa

BREAKFAST—SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavored beverage which may save us many doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Mundreds of subtle maladies are floating around us ready to attack wherever, there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

FIRE AND LIFE

EDINBURGH AND LONDON.

ESTABLISHED 1866. Total Assets, 1891, - - \$60,032,727

TRANSACTS every description of Fire and Life Business on the most favorable terms. This Company has been well and favorably known for its prompt payment of losses in this Island during the past thirty years.

FRED. W. HYNDMAN.

Short & Penmanship

FOR A SHORT TIME ONLY the undersigned will give to those taking uphis shorthand course by mail (costing only \$6 in advance, including text book, etc.) a free course in Penmanship by mail according to the "Muscular Movement" by means of which a rapid and beautiful hand-writing can be acquired. Fee refunded in 3 month's time, it progress is not attisfactory. Write to

W. H. CROSKILL.

The undersigned having been appointed sole selling Agents in the Province of Prince Edward Island for the above

Company's mines in Cape Breton, are now prepared to issue orders for Round, Slack and Run of Mines, and will keep a stock of each kind of Coal on hand to supply customers at lowest prices.

York, Brooklyn and most of the suburban communities voted in favor of union, but the measure was defeated in the legislature by a compact between the Tammany branch of the democratic party and one section of the republicans. against \$2,442,538 in April last year.

The expenditure on account of consolidated fund during the month was \$2,375,801. During April, 1894, the expenditure was \$2,183,624. The expenditure was \$2,183,624. The expenditure was \$2,183,624. The expenditure was \$2,183,624. The expenditure was \$2,183,624.

the School Question.

On Thursday last the Manitoba last month. If, too, the revenues that further consideration might bave shrunk during the year the expenditure on capital account has also mark down. To the certain Martin and Mr. Prendergast, of the fiscal year it had reached but \$ 3 330,- After some remarks from the Attorney-General, the House adjourned to the date above mentioned. Speculation is rife as to the motives actuating the Manitoba Government in this course, some say that they are now disposed to offer a compromise in the matter. However this may be, certain it al authorities in the Dominion strongly support the course pur sued by the Dominion Govern Rumor has it that Lord foundland regarding the question of mons, and author of "The Consti-Confederation. Mr. Davies knew, or tution of Canada." With such would certainly be an act of unusual temerity on the part of the Greenway Government to absolutely disobey the order.

Dr. Bourinot's letter to Lieut-Governor Schultz has been published in the Montreal Gazette privileges enjoyed before the 1st

Government.

It is said that seeding is practically completed all over the Province of Manitoba. Reports indicate that the rains of the latter portion of the week before last were general and sufficient to give the growing grain a splendid start. Just at present the outlook could not be more favorable than it is for a bountiful harvest.

The Imperial House of Commons on Friday last adopted the proposal made by the chancellor of the exchequer. Sir William Vernon Harcourt, when he presented the tudget on May 2nd reimposing a duty of sixpence per gallon on beer which will convert the estimated deficit of £319,000 in the surplus of \$181,000. The vote stood 230 to 206.

Hon Dr Montague introduced two bills better than emphasize all I have said by quoting the language of an eminent English constitutional authority, Prof. Duey, on this very subject: "Federalism means legalism; the predominance of the judiciary in the constitution, the

prevalence of a spirit of legality among the people. That a federal system can flourish only among communities embued with a legal spirit and trained to reverence the law is as certain as can be any med up as follows: (1) That the highest court' in the Empire has determined that certain rights and determined that certain rights and privileges enjoyed before the lat

Your Physical Condition

Needs attention at this time. If you are tired, weak and nervous, it is clear that your blood is impure, and without doubt there has been too much over-work or strain on brain and body. The course of treatment for such a condition is plain and simple. The blood must first-be purified, so that the nervous system, and in fact all the organs will be fed upon pure blood Intelligent people without number have testified that the best blood-purifier, nerve testified at the best blood-purifier is though a strength in parting medicine is Hood's Sarsaparilla. Nervousness, loss of sleep, and general debility all vanish when Hood's Sarsaparilla is persistently taken; in a word health and happiness follow after taking Hood's Sarsaparilla.

Times correspondent at Paris, has creatforeign embassies, and he advocated the adoption of the same means by the British ambassadors in order to mitigate the bitter tone adopted tothe poor, to whose service, while in the flesh, he had devoted his life.— revelations of the Panama scandal, which proved up to the hilt that the whole of the French press had been tainted with the gold of the canal company, and which prompted old

At a recent session of the Academia

in Damaso, the learned speaker nentioned that it was on this spot that St. Damasus, the Pope of the Martyrs, had lived as puer, except lector, levita, sacerdos, and that for long years after the peace of Constantine the library and archives of the Roman See were kept in the same place. The surroundings were in the tullest harmony with the subject. The acts of the martyrs were, he said, to be divided into three categories First there were authentic and contemporary documents. Next came the Passiones, which were of respectable authority, compiled from original documents, but interpolated at later times. 'Lastly there were the Home lies, dating from the middle ages and of small reliability. Modern study had not only enriched our stock of Acta, but had led to the recognition of a real fund of truth in the Passiones so much so that from their existence of Acta. [I may add if the Acta existed the martyr was not a myth while in possessing the Passiones we St. Gregory the Great a copy of the life and works of the same Irenæus; witness Eulogius of Alexandria asking the same Pontiff for the Acta collect

The insult lately offered to the cross at Rome has been the happy occasion of two triumphs for the symbols of redemption. One occurred in the Municipal Council of Rome. The second occurred on Good to be travelling. No greater mystery has been made to attach to and public ceremony of reparation should be held. The scene in the Council Chamber, however enthus iastic and satisfactory, was a legal and formal proceeding. The hom age of devout hearts required to find particular expression. So on Good Friday, at the Church of Santa Croce in Jerusalemme, after the Cistercian religious had chanted Tenebrae at half-past five in the afternoon a penitential procession issued from the sacristy. It was headed by large cross borne by Count Santuce the eloquent speaker in the Muni cipal Chamber, by Prince Antici-Mattei, Provincial Councillor, and by Signor Bertoni, secretary of the Society for Catholic Interests. The as Thou, Father, in Me and I in I loaded with supplies. Soon generous I loaded with supplies. Soon generous hearts and willing hands had transhearts and Thou in Me; that they also may one in us. \*

\* \* I in them and Thou in Me; that they may be made perfect in one; and the world may know that Thou hast the world may know that Thou hast sent Me and hast loved them, as Thou hast also loved Me."
