GOING SOUTH | LOCAL TIME TABLE. | CACCOM*DATION | THRUJGH TIME TABLE. | THRUJG

Trains leave Chatham on Saturday night to connect with Express going South, which runs through o St. Jonn, and Malifax and with the Express going North which lies over at Campbellton.

Close connections are made with all passenger Trains both DAY and NIGHT on the Interan Sleeping Cars run through to St. John on Mondays, Wednesdays and Fridays, and to Halifa. Thursdays and Saturdays, and from St. John, Tuesdays, Thursdays and Saturdays, and from on Thesdays, Thursdays and Saturdays, and from St. John, Tuesdays, Thursdays and Saturdays, and from Halisax, Mondays, Wednesdays and Fridays.

The above Table is made up on I. C. Railway standard time, which is 75th neoridian time. All the local Trains stop at Nelson Station, both going and returning, it signaled.

All freight for transportation over this road, if above Fourth (4th) Class, will be taken delivery of at the Union Wharf, Chatham, and forwarded free of Truckage Custom House Entry or other charges. Special attention given to Shipments of Fish

LAURENCE'S SPECTACLES.

When are Spectacles Required?

When the eyes water or become so fatigued by use as to be ged to be frequently closed or relieved by viewing different objects When more light is required than formerly.

When the letters of a book appear to blend with one another

When the lamp has to be placed between the eye and the object.
When objects cannot be seen without holding them at an increased distance

When much difficulty is found in threading a needle.

When the eyes appear confused as though they had a mist be-When black specks seem floating in the sigh When any of the above indications arise all affectation should be

laid aside and a pair of Laurences Spectacle's or eye Glasses should be worn immediately. Good fitting glasses are a great comfort. Our facilities for testing the sight and suiting the age are not surpassed anywhere.-Prices

The Maritime Bank.—Holders of Maritime Bank notes have been considerably exercised over the report that the language when she was pulled off by a tug with living store had refreed to seem the rotes. She remained on her launchways until Monday evening when she was pulled off by a tug with living store had refreed to seem the rotes. She remained on her launchways until Monday evening to create variety without extreme exerties? It might be a novelty to some show a decrease: the most prominent in. liquidators had refused to accept the notes McLeod was spoken to on the subject this morning, he striked: "For the time being we have decided not to accept Maritime Bank Rills." When pressed for a reason of her owner.—Advocate.

In any way. In the water the beauty there should be no slang—let it be at the tempted."

Six each. The whole volume shows that tempted."

Our Wealthy Men.

Our Wealthy Men. Bank Bills." When pressed for a reason, he replied that there was some doubt as to the number of notes in circulation. Mr McLeod further stated that if the liquida tors can see their way clear in a few days to accept the notes they will do so .-

from home at the time. His children and in every respect.

THE LOST STEAMENT.

The Atlantic steamer, John Knox, of Glasgow, a large timber-carrying ship, on the let of May, in the South-west Island Wm Cliff, Wm Grindlav, P MGeo Green, John Mersereau, John Mersereau, John Mersereau, Mrs. T. Hurley, Thos Power, F Parks, Rev Thos J Fr. Ist of May, in the South-west Island Channel, Newfoundland, there will be one cargo the less in the British market this spring. The John Knox was of 2,069 tons register, owned by Mr. N. McLean, of Glasgow, and bound from that port to Montreal. She was almost a new ship, having been built in Newcastle as late as 1853. The most terrible part of the news it, in the absence of full particulars, that out of about thirty people on board not one appears to have been saved.

BIG Logs:—A gigantic redwood tree, says the San Francisco Chronicle, "was cut on the south fork of the E.k River,"

John O'Brien, Wan HGeo Green, John Mer Georgen, John Mersoreau, John Petre, Mars T. Hurley, Thos Power, Somuel McElwee, John Weaver, Samuel McElwee, John Mrs. T. Hurley, Thos Power, Thos Power, John Mersereau, John Mrs. T. Hurley, John Weaver, Samuel McElwee, John Mrs. T. Hurley, John Mrs. T. Hurley,

cut on the south fork of the E.k River, and sawed into 21 cuts, 4 of which were to make 2 few remarks with reference to 15 ft. long, 12 were 20 ft. long, and 5 were | the above complaints-The gentleman (ex-24 ft. long, making the total leugth 424 cuse me Mr. Editor for calling him out of ft. An accurate tally at the mills showed that the 21 pieces furnished 79,736 ft. of but it is of no importance, as I do not consurface lumber. The Canadian Manufac- sider him worthy of notice. But in justarer of April 15th tells us of a fir log cut on the Fraser River 24 ft long, 7 ft 4 in. on the Fraser River 24 ft long, 7 ft 4 in. lic generally, I must say that the man diameter at one end, and 6 ft 2 in. diame- (I again ask men's pardon) is a mean conter at the other, was recently cut into temptable and deliberate slanderer, as I lumber at the R yal City Plauing Mills, New Westminister, British Columbia, and many respectable and intelligent people.

| Solumber at the R yal City Plauing Mills, think is clearly proven by the names of so many respectable and intelligent people. New Westminister, British Columbia, and many respectable and intelligent people that it is beyond dispute so, therefore anyway have been tidy-sized timber to many respectable and intelligent people that it is beyond dispute so, therefore Mr. Editor, for the present, I will leave Solicitors' Act of 1860, of their title to a "That he allows the remain uncovered;" "That he wears upa

Launch of the John McLaggan. It seems like writing history to record

a ship launch in these days. At one time a ship launch on our river was of usual occurrence and was spoken of as a thing that happened in the natural hame of Harley, Hawes, Muirhead, Mitchell and a number of others naturally come to our mind when we speak of the ship building industry on our river, but these all seem now to belong to another, age, Their deeds were done when the most of us were boys. The business which was once in boys. The business which was once in a flourishing condition has gradually dwindled down and died out. The cause was the introduction of new and the carry from the seas. When vessels began to be made of iren the wooden ships from the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the wooden ship strom the seas. When vessels began to be made of iren the substrated that his only obtical Receiver, stated that his once strong. Every country felt the pressure on this business, and New moved up the river and took up a large eventually to be handed back.

Grit friends beat this with their jugpressure on this business, and New Brunswick was no exception. Our Dominion government threw up all the possible legislative barriers to stave off as long as possible the inevitable result of great changes in the world's trade, but nothing could stop the decay of ship

of his back."

Mr. Sinclair's schooner has been building for shout a year. When it was known she was to be launched on Saturday a large crowd went up from the town to see her off. While a large force of men under Patrick Desmond of Chatham were finishing packing preparatory to launching, the crowd interested themselves in inspecting the vessel. Her outline strikes the eye at once. Her hull, spars and model seem in every way to satisfy the critical eye. A closer examination reveals her strength and neat constructed of the very finest material.

THERN AND WESTERN. DOAKTOWN, May 14.—Thinking a short plaintiff's favour. sketch of Doaktown would be of interest

building. On the Miramichi where it was once so active the business has declined until to-day we have but one vessel building on the river—the three masted schooner John McLagan, owned by Mr. Edward Sinclair at the principle on the production. The place was called Doak town. Other improvements followed, such as to a carding mill, a saw mill, church as we no 'clock. The man who undertakes to build a ship now seems to be fighting against the natural course of trade. It requires extreme enterprise and a brave heart, besides constant attention. As Mr. Sinclair remarked in his own way on Saturday: To build a ship in these days a man has to light candles very morning to find his boets and then chase the hoursall day for some thing he has little hope of catching and then chase the hoursall day for some thing he has little hope of catching and then chase the hoursall day for some thing he has little hope of catching and then chase the hoursall day for some thing he has little hope of catching and then chase the hoursall day for some thing he has little hope of catching and then chase the hoursall day for some thing he has little hope of catching and then chase the hoursall day for some thing he has little hope of catching and then chase the hoursall day for some thing he has little hope of catching and carding mill, which is the best known and oldest establishment of the kind on the principle on the splecitors who active the splicitors who active the splicitors who addifference between the solicitors who at the subscience of the splicitors who addifference between their solicitors and clients' costs and party and party costs.

The point was a nice one, and apparently a new one, but in his opinion it came within the principle on which a solicitor got his costs out of his back."

Littely be law of demand and supply, and a fair exchange of products. That big egg strained the source, or power of the court below, a certain proportion should be paid to the splaintiff's solicitors to cover the difference between their solicit

A SAMPLE FROM THE DAILY EXPERIENCE

I will not mention the real name of the reporter to whom this adventure occurred because he still lives, and though he is now an Episcopal clergyman in a neighboring city, I am atraid he might be inclined to put aside any religious scruples he may have concerning assault and battery, and get himself into a police court if I give him away to his congregation by indentifying him. Any name will do for him, but I will

Billy was known to all the newspaper reporters as The Frozen Dude before he had heen in the business a week. He first conferred himself upon the Sun from Harvard, and there was a sensation a person of such absolute imperturbabillofty demeanor, as the same Billy. His for all the expression there was in them, places he went into ou account of his appearance, I never knew him to lose the characteristics are the stock Yard bank, guess you'll remember me now.

Why, yes, certainly, said Billy vaguehis absolute composure that was his ly as if he felt he ought to know Mr. chief characteristic. I have seen him in Douglas Peabody but didn't quite reall kinds of situations, too, from dancing member him. all kinds of situations, too, from dancing in a Bowery free and easy or sitting in the wing in the sight of the audience at a variety show, to taking notes of a sermon on the pulpit steps in Plymouth church, and attempting to convince the chairman of the Ladies' National Tember 1972. The France Dude accounted the inc When Billy first reported for duty at the desk of the city editor of the Sun, he said:

**A Desc

Aw, Mr. Bogart, I think it might be well before we go any further, that you Ah my should understand that I have a distinct preference for literary work. Very well, responded Bogart, you

side station for the next month. He did, too, the south side station being the assignment that the New crook s little more than \$12. While York reporters generally begin upon. they were sipping their black coffee Mr. But the boys in the Sun office and in Peabody remarked: the Press Club room found that Billy was not by any means a fool, as they oil painting in a lottery and I was going had first thought him, but, on the contrary, a particularly keen and intelligent youth. I have described him at length, a cab down? Perhaps you'd like to look

Billy was given a fire badge that admitted him within the fire lines, and gullible a sucker, as the crooks generally sent up to see what was the matter. term their prey. The fire badges then was almost exactly like the police and detective badges, except that they bore the name of the newspaper instead of members. Two or three years ago they were changed or three years ago they were changed and made a pretence of counting a big for big tin badges about the size of a dinner plate, that the reporters now outside of the realing with his het on wear. Being a new reporter, Billy outside of the railing with his hat on. proudly fastened the fire badge over his being a new reporter, Billy Mr. Peabody was congratulated upon

The fire did not amount to much, and afterneen, the Frozen Dude went into point. Billy was asked to go in, and as the Fifth Ayenue Hotel for a quencher, and then came out and leaned against he figured that they would allow him to win the first time, he did so. The other who was lonesome in the great city and out the four bills and put a paper weight would be very much pleased to find an on them.

At the same time his hand was grasped so honest that Billy hardly thought of young man, who was gotten up regardless of expense, he said:

tage of me. Billy says that he never saw a man so embarrassed before in his life, and that he blushed so violently as to cast a crimson glow upon the white pillars of

I beg a thousand pardons, he stainmered, but it is a most extraordinary resemblance. Why, even now I could almost swear that you are my old friend

gentleman who had made a mistake of dice for it, and won it by himself.

your friend Hamilton is very flattering bitter thoughts concerning the Frozen to him, he said with rustic garrulity, Dude. but I'm a very different man. My name is Orton and I am from Cleve

That' singular, too, said the other, affecting more embarrassment than ever, I'm sure you will excuse my asking the question, but it is Henry Orton? My sister met a young gentleman of that name in Cleveland last snmmer and she's been talking about him ever since. It is impossible that you are Henry Or.

Under the circumstances, returned the Frozen Dude in his best manner, I'm very sorry to be obliged to admit that I am not Henry Orton. My name

The young man begged pardon some more and blushed a great deal, and was lost in the crowd on Broadway.

Billy knew that the next move in the game would be for the bunco man's pal to come and address him by the name he had given the other, and he said that his heart bounded with exultation and Farticulars free. GRAY & CO., St John, M.-R

he began to frame in his mind the manner in which he would write his story about them. But he waited fully a I will not mention the real name of quarter of an hour, and as no one spoke to him he began to fear that his new

Any name will do for him, but I will cordial tones, if this isn't little Ikey call him Billy, which was his tirst name anyway. If any of his congregation redid you come down, and how are all did you come down, and how are all cognize him by that fraction of his cong-nomen I do not hold myself respon-the lakes?

Billy's mobility of features stood him in good stead this time, for he had to swallow hard to keep himself from laughing.

The STORE recently occupied by Messrs. Loggie & Co. (adjoining the Canada House). Posession given the 1st May. Apply to swallow hard to keep himself from

second bunco gentleman, merrily before when he made his debut in the report. Billy had a chance to speak, but still ers' room. I have never in my life seen shaking his hand. Well, perhaps it's For Sale or To Let. a person of such absolute imperturbabil-ity of countenance, and very few of such lofty demenyor, as the same Billy. His lofty demeanor, as the same Billy. His features might have been frozen actually for all the expression there was in them York's the place after all. But I and in spits of the fact that he was Peabody, a nephew of the President of

a variety show, to taking notes of a ser-The Frozen Dude accepted the inperance Association, at the big meeting vitation, but the bunco man was too fly in Chickering Hall, that alcoholic liq- to go to Delmonico's where a detective

however, and then stopping suddenly, Ah my boy, I'm going to take you to a place where they serve the daintiest Dwelling House Ah my boy, I'm going to take you to luncheon in New York. Beats Del's Very well, responded Bogart, you will confine your literature to the south litalian cafe in Twenty-eight street. Here they had a luncheon with two kinds of wine costing the gentlemanly

By the way, I've just won a valuable down to Fourteenth street to have it The subscriber offers for sale his four acre field sent up this aftermoon. Shall we take because the story is not half as good if one has not some idea of the kind of at it, if you've nothing better to do. fellow Billy was.

The Frozen Dude made his debut in journalism six or eight years ago, at a time when the business of bunco steering was at its height, and he used to often lament that the bunco men never tried to pick him up, since he thought the experience would be an interesting one to write about. One day, after he had been in the Sun office about a month, there was a fire reported up in the middle of the city somewhere, and the middle of the city somewhere, and the cab on their way to Fourteenth street, with delight at having caught so the cab on Factory.

The lot of land cornering on Duke and Cu.ard Streets, Chatham, and known as the westless and cornering on Duke and Cu.ard Streets, Chatham, and known as the street of the Frozen Dude was imposing, and the conversation concerning his wealth and expectations had not lowered him in the estimation of his new friend; Billy says that he actually caught. Mr. Dougias Peabody chuckling to himself in the cab on their way to Fourteenth street, with delight at having caught so For Warehouse on Factory. Billy didn't care if he did, and a in

The cab stopped at a big house be tween Seventh and Eighth avenues, and Billy followed Mr. Douglas Peabody inoutside of the railing with his hat on. manly bosom upon his waist-coat, and his luck in winning so valuable an oil manly bosom upon his waist-coat, and buttoned up his coat—he always dressed in the top of the fashion—he set there was to be drawing in another lotters, he gave a check for \$500 for 10. tery, he gave a check for \$500 for 10 tickets, and finally decided to shake dice on his way back, about 3 o'clock in the with the man behind the desk for \$10 a one of the pillars. I suppose he looked like some young swell from out of town, who was longer in the suppose he looked out the four bills. The other man outside the railing also put down \$10, and the man at the desk smoothed out the four bills.

old acquaintance to show him the sights. The Frozen Dade unbuttoned his At any rate Billy had not stood there coat and thrust his hands in his pockets At any rate Bully had not stood there more than five minutes when he was saluted with the words. What, old ! man you down here! says he ever witnessed occurred. It Wny didn't you let us know you were was like a play, he said, when doors are arranged for the simultaneous disappearance of all the actors. The man behind the desk looked up at him, his eyes sudand shaken vigorously. The greeting the deak looked up at him, his eyes suddenly stuck out, his hair rose and in the twinkling of an eye he had tipped the the bunco men at first, and turning his expressionless countenance upon the in another direction and looked toward. the rear window just in time to see the Aw, pardon. You have the advan- man who had been counting bills at the big desk break through the closed blinds into the back yard; and when he turned to lock for Mr. Douglas Peabody and the other man, the outside door was just slamming at their heels. It was like the disappearance of Roderick

Dhu's clan before Fitz James. Billy was utterly bewildered until he happened to glance at his waistcoat and caught sight of his fire badge. Then he knew that the bunco men had taken Hamilton, of Chicago, at Princetown. him for a detective, hence their flight. The stranger's embarrassment might Billy picked up the \$40 from the floor ppply to have imposed upon Billy, but that a and, to satisfy his conscience, threw the that nature would have passed on after | That night four or five reporters had an apology, with no further words. a big dinner at Mouquin's, and Kid Boots and Shoes. Delightedly he led the bunco man on. Miller and Mike Norton, as the bunco I can't say that the resemblance to men turned out to be, probably had
