While we have enjoyed unusual prosperity, the best remedy is through the minister, but our pride is tempered by the realization that the future is so loud and persistent.

NO SURRENDER.

The refusal of the Port Arthur garrison to surrender is courageous, but does not follow from that alone that it is good policy. If the capture is inevitable and no strategic advantage can be gained by delaying it, further resistance would be mere sacrifice of life, like that of the Japanese who went down with their ship rather than be taken off by the Russians.

"Sebastopol was not surrendered, but was taken by assault," says the Russian commander. That is not an exact statement. The siege of Sebastopol was practically the whole of the Crimean war. One battle was fought on the British advance toward the fortress. The others were Russian attacks from without upon the beleaguering forces. Russia bottled up her own fleet in the harbor of Sebastopol and before the allied lines had closed around the place most of the garrison with the commander marched out and joined the army in the country, leaving the defence to the sailors and marines under the command of the admiral. Admiral Koruloff and the Engineer Todleben, made a good defence, while they saw a prospect of relief from without. But when their outer defences had been captured by assault, as those of Port Arthur have been, they burned the town and the ships. The marine garrison at Sebastopol had a way of escape. Their position was not entirely surrounded, and they were able to retreat to the north side of the harbor.

But they did not wait for the final assault. In their last action the British had failed to carry the Redan. The French had carried the Malakoff, but the position was perhaps not so desperate as that of Port Arthur today.

The surrender of a post which cannot be held is no discredit. But the reasons against it in this case may be better than those given. There is still hope that some or all of the ships at the port may be able to make their escape, and it is necessary to keep the Japanese off until that chance is possible. Then there is a Japanese army of perhaps 150,000 on the peninsula, which, after the surrender would be free to join in the pursuit of Kuropatkin. Outside there is Togo's fleet, which, by the surrender would be relieved for the pursuit of the remaining Russian ships. It is doubtless good strategy to keep these ships and men engaged as long as possible.

THE EXPRESS MONOPOLY.

The feeling of the business men of the maritime provinces is in favor of breaking up the monopoly in the express service on the Intercolonial railway was expressed by the vote of 39 to 6 in the Board of Trade meeting at Moncton. Supporters of the monopoly came for the most part from localities where there was competition. The fish shippers of Canoe do not have the advantage enjoyed by Mr. Hawke and Senator Mcweeney, whose city enjoys the service of both companies.

The St. John Gazette asks that the Liberal party be called together to take steps for the selection of St. John candidates. By way of assistance the Gazette offers the names of Hon. H. A. McKewen, Col. McLean, Col. Tucker, Mr. O'Brien and Daniel Muir.

K. C. The trouble is that only two of these can run as regular party candidates.

Mr. Fielding's dumping clause as at present administered was badly dumped by the Maritime Board of Trade. The leading dumpers in this case were friends of the government.

FACTS AND FANCIES.

The person who knew just how it was going to be exercises sufficient self-control to keep it to himself until after the event.

Baker—Sam Johnson is getting pretty well to do, isn't he?

Butler—I think he must be. They used to speak of him as a "darky" and a "Nigger"; now he is invariably referred to as a man of color.

Grumpy—I can't see how folks can go wild over a game of baseball. I saw a game yesterday afternoon and I must say it was dull enough.

Lightwood—see; you should have bet on the other side.

Barnes—Howes is a pretty good sort of a fellow.

Shed—Yes; but he hasn't got any tact. At the restaurant the other day he asked me if I was fond of cats.

And I was eating a rabbit stew at the time. The idea of asking such a question at such a time as that!

Rev. Dr. and Mrs. Webb, of New York, arrived in the city yesterday afternoon. Dr. Webb, who is to preach in the Congregational church the next two Sabbaths, conducted the prayer meeting there last night and made a very favorable impression.

Everett from Leinster street; Rev. A. B. Cohoe and wife, Mrs. Z. Hear, Mrs. John Grandall and A. H. Chipman from Brussels street; Miss Annie Jewell from the Tabernacle; Rev. Howard H. Roach, Mrs. Roach; Mrs. H. H. Dunham, Mrs. N. C. Scott, E. M. Sproell from Main street.

German street pulpit will be filled next Sunday by Rev. J. M. Hughes, of Boston, and the following Sunday by Rev. Ralph Houghton, of Newton, Mass.

CURLER'S FAIR.

The Carleton fair had another successful night and the fun and excitement kept up till the midnight hour. The following is a list of prizes and winners.

Air gun—Hand grip, Dr. Wheeler; tea set, Robert Churchill.

Balls on the black—Water pitcher, S. Lary; hand grip, Wm. Smith. Only one prize was intended in this competition, but a great score was made at the start and an extra prize was awarded.

Excelsior—Vegetable dish, N. McNealy.

Devil and the tailors—Lady's pocketbook, Mrs. Scully; gent's pocketbook, Harry Thomas.

Bagatelle—Military hair brushes, H. Ring.

Bean bag—Prize won by H. Lindsay.

The curlers have offered a purse which will be competed for by two of the St. John curling parties. The race to take place on Friday evening between 7 and 8 in the pond in front of the rink. The start and finish will be in front of the rink and the course will be about one mile.

JUDGE GREGORY INJURED.

FREDERICTON, Aug. 17.—Miss Florence Kelly was married at 7 o'clock this morning at St. Dunston's church to Public Works Engineer, Rev. F. Hannigan performed the ceremony.

Rev. W. C. Kierstead is in town, the guest of Mr. and Mrs. Baxter. He returns to St. John next week, where he will be united in marriage with Miss Seeley.

Judge Gregory had a fall from his bicycle this afternoon and dislocated his ankle. It is feared he will be laid up for some time, as he had hurt it in the same place last winter.

Joseph Gutrore, of St. John, was before Magistrate MacIntyre this morning on a charge of stealing a bat. He was allowed to go on promising to leave the city and stick to his trade. He is the least of him he was making for a notorious resort on Westmorland street.

AT FORT DUFFERIN.

At Fort Dufferin yesterday the dinner given by the officers of the R. C. G. A. in the officers' mess last night was a very successful affair. The guests of the evening were: Col. White, D. O. C. Lt. Col. Jones, Lt. Col. W. W. G. Major, Lt. Col. Marshall, Lt. Skinner, Major March and Capt. R. R. Armstrong.

The 3rd Regt. Artillery band furnished music.

The P. E. Island company was enabled to get in only a little practice yesterday in consequence of the rain.

This may possibly be the last year that the gun practice will be conducted at Fort Dufferin. Two places are mentioned for the camp next year, viz.: Tea Hill, P. E. I., and Quebec.

FREED BAPTIST DISTRICT MEETING.

George Kierstead, I. Walton Kierstead and N. A. Vanwart, have returned home from attending the Seventh District meeting of the Baptist church, held on Deer Island, Charlotte County. They report a very large attendance of delegates. Reports from the different churches and Sunday schools were read. Among the officers elected for the ensuing year were Rev. O. N. Mott, president, and Rev. A. McNinch, vice-president. The executive is composed of Rev. David Long, St. John; Rev. J. J. Bonnell, Deer Island, and Rev. A. J. Prosser, of Hartland.

LOCAL NEWS.

Mr. and Mrs. Thomas J. Dean will have the sympathy of many friends in the death of their infant son, Gilbert H. Dean, which occurred last night.

Last night a number of friends gathered at the home of E. H. Eyles, 36 Carmarthen street, and a pleasant evening was passed. The occasion was the birthday of Mrs. Eyles, who received several remembrances.

The residents of Murray street are going to hold a meeting in the Murray street Baptist mission on Thursday, August 25, when matters relative to street improvements will be discussed. The residents would welcome the presence of some members of the city council.

Mrs. James Steele of Meadow street, who had her shoulder so badly hurt by falling while alighting from a street car on City road some time ago, is recovering but slowly from her injuries. Mrs. Steele is as yet unable to use her arm for any purpose, and it will be some months yet before she is fully recovered.

The committee of the Grocers' Association met last evening and reported progress. It was decided to hold the mammoth picnic at Watters' Landing, probably on August 31, but the date is not yet definitely settled. Meals will be served on the ground and no refreshment is being spared to make these highly satisfactory. As the retail grocers are closing their stores it is hoped the wholesale men will fall in line, at least for half if not for the whole day.

At the Opera House last evening the Baptist church at Rothesay repeated Indiana Folks to a large audience. The specialties were good. Tonight the bill is Mops, a piece very highly spoken of.

A very enjoyable concert was given in the Presbyterian church at Rothesay last evening, at which a large number of persons from the city were present. The suburban train due in St. John at ten o'clock was held for half an hour to accommodate these visitors.

CONTRACTS AWARDED.

MANY PEOPLE WANT FLOUR.

Requests for Mr. Russell's Gift Are Coming in Rapidly.

As a result of the generous offer of David Russell of Montreal to send to this city one thousand barrels of Lake of the Woods flour, to be distributed among the poor, A. J. Russell of the Canadian Drug Company, who is looking after the distribution of the flour for his brother, has already received over one hundred and seventy-five applications from several of the city ministers. Requests are still coming in, and the amount asked for by each minister varies all the way from two to twenty barrels. At this rate the whole amount will be taken up in a very short time.

MRS. TURNBULL'S GIFT.

A warm impression has gone abroad respecting the conditions under which the \$1,000 gift of Mrs. W. W. Turnbull was made to the Rockwood park commissioners. It is true that Mrs. Turnbull in her letter to the commissioners expressed the opinion that a portion of this money would be very appropriately expended in the erection of a sheltering and resting place, and no doubt such will be built. But the matter is entirely optional with the commissioners. The sum is to be spent in general improvements to the park.

FACTORY COMMISSION.

CAMPBELLTON, N. B., Aug. 17.—The factory act commission of the provincial legislature held two sittings here today and a third is being held tonight.

Three witnesses, Rev. Father Wallace, Wm. Currie and James McLaughlin, gave evidence during the day. The evidence submitted was principally in reference to the need of proper guards for saws and cog gearing and the employment of minors in factories. Further evidence is being submitted tonight. Miss McDonald is engaged as stenographer.

CAPE BRETON POLITICS.

HALIFAX, N. S., Aug. 17.—It is learned from a reliable source that at the federal elections Dr. Arthur Kendall, M. P., will be the nominee of the liberal party in the south riding of Cape Breton. Alice Johnston, M. P., who accepted nomination last year, is resigning to accept. It is said, a responsible government position. There is, however, some talk of Johnston opposing Mayor McCormack, the conservative nominee, in the north riding.

SPRINGHILL MINES, N. S., Aug. 17.—The races this afternoon passed off pleasantly, and were attended by a very large crowd of spectators, principally townspeople. During the morning and forenoon rain began to fall and it looked as if the races would have to be postponed, but before 2 p. m. the sky cleared and a very pleasant afternoon intervened to the delight of a large number of spectators. The racing was exciting from the start. Fred Watson, whom the Springhill boys cheer for, was not in it, except in the 230 class with Claudia Hall. The following is the score by heats:

DEATH OF FORMER ST. JOHN LADY.

The following is copied from a California paper recently received in this city.

Josephine McAlpine, the much beloved wife of J. Burpee McAlpine, of Pasadena, Cal., entered into rest Friday morning, June 10, 1904.

She was remembered by many in New Brunswick, Canada, her native place, as Josephine Kinnis, where she was engaged in teaching in the public schools. In 1883-4 she attended a medical college in New York city. In 1885 she gave up her medical studies to become the wife of Mr. McAlpine. In 1890 she with her family removed from New Brunswick to Vancouver, B. C., where she lived until two and a half years ago, when falling health, caused by an attack of pneumonia, compelled her to seek a change of climate. A complication of diseases set in, finally developing into consumption. She bore her illness with great patience and Christian fortitude. Her mother, now aged 79, survives her, as do also her brother, husband and five children. A woman of choice intellect and sweet spirit, Mrs. McAlpine will be greatly missed by a wide circle of friends. Her remains were laid beside those of her daughter Queenie, in the Mountain View cemetery. The funeral was conducted by Rev. Dr. Hobart, pastor of the First Baptist church of Pasadena.

LOST THREE FINGERS.

Boy Badly Injured in Murray & Gregory's Mill Yesterday.

Robbie Wilson, fourteen years old, had his hand badly torn by a circular saw in Murray & Gregory's mill yesterday afternoon. The lad's fingers were almost torn to a jelly and it was necessary to amputate three of his fingers. The operation was performed by Dr. Roberts. He had at the time of the accident was running the saw.

Mr. Wilson, the father of the injured lad, told the Star this morning that he had visited the mill and looked at the saw which his son operated. He said it was an 18 inch circular saw, projecting about 8 inches above the table. It was not boxed, he said, and was consequently a dangerous one to work with. He considered that it should have been properly boxed and then the accident could not have happened.

A PLEASANT TRIP.

Phil Richard Home From a Trip West—Saw Many Former St. John Boys.

Phil Richard, for many years clerk in the Victoria Hotel, returned yesterday from an extended trip to St. Louis and the west. Mr. Richard went as far as the coast, and was greatly pleased and in many instances impressed with the many cities he visited, is still of the opinion that St. John is good enough for him.

Mr. Richard went from here to Boston, thence to St. Louis, where he spent some days taking in the numerous attractions at the big fair. From St. Louis he went to Chicago, thence to St. Paul and Minneapolis and on to the coast, where he visited Vancouver, Victoria and Seattle. Returning, Mr. Richard stopped at Butte for several days.

"You know," said Mr. Richard, "it is thirty years since I had a decent trip and this time I thoroughly enjoyed myself, and no where of the many places I stopped at so well as at Butte. Butte cities are splendid, and undoubtedly have great futures. There is a rush and a whirl everywhere that is exciting and interesting, and heart-breaking in the end. Butte I found to be an ideal city. Lots of business, plenty of money, and a nice lot of people as one could wish to meet. Many are New Brunswickers and the most pleasant incident of my whole trip was my meeting with James Barry, formerly city editor of the Sun. It was like old times to meet him. He is now city editor of the Review Mountain, the leading newspaper of Butte, and is enjoying good health. Other St. John boys were occupying responsible positions with the large concerns in Butte or Anaconda."

A DRUNKEN SAILOR.

Made Matters Lively for the Police Yesterday.

Magistrate Ritchie today had only two ordinary police cases to occupy his attention, the other cases before him being civil matters.

One of the cases is a Scotch sailor, twenty-seven years of age, who has the fault of most sailors, that of getting drunk when on land. Souther, when sober, is an orderly chap, but when intoxicated he goes in to demolish everything in sight.

He received his discharge, at his own request a few days ago from his ship, the Care May, lying at Starr's wharf, discharging coal, but returned yesterday to his clothes while in a drunken state. He chased Capt. David Christopher around the dock and made it pay lively for everybody until the police arrived. The police found it no snap to take their man, and only landed by a severe tussle. All the charges against him, if enforced, would bring his fines up to \$92, but the magistrate was lenient and fined him \$8.

Edward Corbet, an old offender, went to jail for ten days for drunkenness. He begged the magistrate to be easy with him, as he had a return ticket for a certain place up the line, which if he lost he could not use at all. He went to jail.

KILLED ON THE RAILS.

Frederick Manning, a North End Boy the Victim.

Word reached the C. P. R. officials today of the finding last night of the body of a man lying by the railway track at Prince William station, about 70 miles from this city. From papers found on the man's person, it was believed that his name was Frederick Manning and he belonged to St. John.

There are different theories as to the way in which the unfortunate man lost his life. The railway officials are of the opinion that he fell from the train.

It is generally accepted that the deceased was a son of Mrs. James Manning, of Paradise row. The young man has been at Harvey for some weeks past working in a saw-mill, and it is probable that he was returning to Harvey when the fatality occurred. His widowed mother and sister are prostrate over the sad news.

Among the papers found on the body was a letter addressed to Frederick Manning, from Miss Curran, of Rockland road.

The inquest is being held this afternoon at Harvey.

NEW PUBLIC LIBRARY.

Mayor White Holds a Meeting to Enquire into the Delay.

The library committee of the city council held a meeting at noon today. The mayor was not altogether satisfied with the speed with which the building was being completed and called the meeting to inquire into the delay. Richard O'Brien, chairman of the library commission; Architect G. Ernest Fairweather and James Myles, contractor, were also in attendance. Satisfactory reasons were assigned for the delay in finishing the library, and the council was informed that all would be in readiness within a few days. It is expected that the books for the old building will be removed to Chipman hill and the library once again in operation by September 1st.

POLICE REPORTS.

Denis McGowan, coachman, has been reported for soliciting patronage outside the stand at the Prince Rupert wharf.

Alfred L. Dodge has been reported for piling lumber on the sidewalk on south side of Queen square.

The White Candy Company have also been reported for blocking the sidewalk in front of their place with coal.

Walk of the hundreds of dress-makers in this city are at least scores of GOOD ones. A woman who has a poor dressmaker is handicapped even more than the man with bungling tailor. And once again, here the want ads. offer to her full emancipation—for they will find for her the right dress-maker.
