League Council Takes Up Consideration of American Note— Further Claims That American Government's Consent Was Never Given That the Island of Yap Be Included in Territories Subjected to Mandate of Japan—Some Members of League Council Hold U. S. Has Forfeited Rights by Withdrawai.

Paris, Feb. 24.—The United States Government, in its note to the council of the league of nations on the question of mandates, claims an equal concernant and interest with the other principal Allied and associated powers in the overseas possessions of Germany and in their disposition.

This was shown today when the note sent by the United States State Department was laid before the council of the league yesterday was made public.

The council again took up the note this morning, considering it with particular reference to this claim advanced by the United States. Some of the members held that the United States thad forfeited such rights by withdrawing, as an associated power, from the supreme council.

In the summary of the note, which was made public Wednesday, it was revealed that the United States declared it haddnever given its consent that the island of Yap, an important link in the Pacifiq, be included in the territories

"What I would like to see," said Mr. Graham, "would be that when there is a case for the hangman, the governor-general should turn to some of those who are so strongly in favor of maintaining capital punishment and request them to undertake the execution. In fact, it should be in the oath which is taken by every member on entering Parliament that he would not shirk this task if it were imposed!" It was reported that local action was being taken at Quebec in the matter of seeking commutation of sentence for Remillard in case the court action falled and the association decided to support any such appeal for clemency.

Boy Beggar Gets \$20 a Day Runner Is Fined

Ottawa, Feb. 24.—Canadian Press.— Ottawa's "cleverest" beggar was the title given a 13-year-old boy yester-day at the meeting of the Children's day at the meeting of the chindren for the boy thus designated to make \$20 a day, and in one instance \$10 was found upon him at noon, which was the result of the "unfruitful" half of the day.

Other champions have been highly paid, and this champion was in the high-salary class.

HOME IN HOSPITAL PROVIDED FOR DIPHTHERIA SUFFERERS

Philadelphia, Pa., Feb. 24.—Twelve little boys and girls, held virtual prisoners of science at the Philadelphia Hospital for Contagious Diseases for periods ranging from ten months to six years, will be given a home of their own at the institution, it was announced today.

The children are suffering from chronic diphtheria, and must be kept at the hospital not only to protect the public from contagion, but for their own safety. It is explained that the disease has settled in their throats, destroyed important tissues and muscles provided by nature as a part of their breathing apparatus, and that unless hard rubber tubes are kept in their throats the children are likely to die of suffocation. Nurses must constantly be in attendance in case one of these tubes slips from its place.

Not one child in a thousand at tacked by diphtheria contracts it in this chronic form, the hospital au thorities say.

WHAT'S YOUR GAIN?

Should you invest a two years subscription for The Advertiser and win \$700 in the Puzzle Contest, what would be your percentage of gain? What would be your gain should you invest only \$2.75 and win \$237.50. In view of the fact that you receive full value in your paper, wouldn't it really be all gain any way you figure? These are questions you should put to yourself before The Advertiser's great figure puzzle contest closes on March 19. A random shot at the puzzle takes a minute or two; it may net you a hundred or two at that. A little hundred or two at that. A little more systematic work may bring you as much as \$700. This chance lasts only until March 19. Get some working charts and enter the contest now while you have ample time to work out your solution. You can't lose. The only chance you take is of winning.

MACHINERY PRICES MAY NOT GO DOWN

its summary of the iron, steel, metal and machinery markets for the week ending February 24, Canadian Machinery and Manufacturing News, Toronto, makes the following com

the movement that seemed to be getting under way a few days ago toward lower prices in certain lines of mahine tools and steel goods. The machine tools and steel goods. The ma-chine tool builders of United States are gathering in Cleveland this week and there is no doubt the question will be gone into there. A number of these planes are making machines for stock now and they have not much disposi-tion to go ahead doing this, as the tools

tion to go ahead doing this, as the tools they are turning out now are high cost.

The steel market belongs to the buyer just now and he is taking advantage of the situation and buying more to his liking that he has been able to do for a good many months past. Anything that looks like a fair tonnage is pretty well carted around before the placing takes place and as a result there are departures more or less marked from quoted prices. The fact that little money is made on many of these sales is set over against the pleasing reality that it allows the warehouses to liquidate their stock and get in shape to buy to the best advantage whenever the turn in the market may come.

Much interest is being taken in the annual meeting of the Western Ontario O. A. C. Ex-Student in the Farming Comumnity" will be given by Alian S. G. Smith, New Hamburg, who is an accomplished speaker, and knows his subject well.

Another important item will be the report of the committee appointed at the last meeting to look into the matter of an experiment station in this part of the country, and the necessity for experimental demonstrations in the growing. to buy to the best advantage whenever the turn in the market may come.

Machine tool dealers have a number of inquiries and they are making some fair sales. Some plants have taken advantage of the slack season to improve their method of production. The automobile shops show a slight improve the shops and have hopes of maintaining this. Expression of Regret.

The motion declares that: Whereas the decease of Alderman Charles George Moorhead on the 22nd day of February, 1921, after a very brief illness, has caused sincere and deep sorrow in the hearts of his colleagues on the city council and to the citizens of London generally;

Alderman Moorhead served on the council of the corporation of the city of London in 1908, 1909, 1917, 1918, 1919, 1920 and 1921. The citizens showed their appreciation of his work on the council by electing him with ever-increasing majorities as an alderman of ward four, electing him at the more recent elections at the head of the poll. As an alderman he was most solicitous to serve what he considered the best interests of the people; conscientious and deeply interested, he gave to the city the best that was in him. His colleagues unanimously elected him chairman of the board of works in 1921 in recognition of his abilities and knowledge of the work of the committee He was a strong advocate of

GOT NO REST AT NIGHT.

Hacking coughs are very wearing on the system. The constant coughing dis-turbs the rest, and keeps the lungs and bronchial tubes in such an irritated and inflamed condition, that unless you get immediate relief the cough may become settled and serious lung trouble ensue. There is no better remedy than, Dr. Wood's Norway Pine Syrup for relieving all kinds of coughs or colds, combining as it does the lung healing virtues of the pine tree with which is combined wild cherry bark, and the soothing and healing expectorant properties of other excellent herbs and barks.

Mrs. E. J. Ross, Penhold, Alta., writes: "About three years ago I caught a very bad cold, accompanied with a sore throat and hoarseness. I was so rible annoying, hacking cough. I tried several remedies, but they did me no good. I finally saw Dr. Wood's Norway Pine Syrup advertised. so I got a bottle, It at once gave me relief, and after using four of them my cough had all gone. Now I always keep it in the house."

Water S. Kelley, manager of the Tail and River Coal Company, the subsidiary coal company owned by the Grand Trunk, concluded his evidence and some other witnesses also testified that the coal mines were among the most valuable on the continent and capable of much development.

Following this, John Pullen, president of the Canadian Express Company, and other subsidiary of the Grand Trunk, of the company had greatly increased of late, but that profits had fallen owing to continued advances in wages and to losses in 1920 and other years. Mr. Pullen was still under examination when the beard adjourned for the day.

BELL TELEPHONE CO. HAS A DEFICIT OF \$31,951.09 FOR YEAR

Financial Statement Is Presented at the Annual Meeting.

[Special to The Advertiser.] Montreal, Feb. 24.—The forty-first annual meeting of the Bell Telephone Company of Canada was held this forenoon, L. B. McFarlane, president, pre-

The financial statement showed the effect of increased costs by recording a big reduction in the net revenue. Although the telephone revenue had grown from \$14,149,119.97 to \$16,513,-384.44, total telephone expenses jumped by \$4,081,436.41 to \$16,295,341.09, and total net earnings dropped by \$1,271,-801.35 to \$881,522.88. Net result of the year's operations was a deficit of \$31,-961.09, which compares with a balance last year of \$1,483,116.01.

FROM \$1 TO \$30 A MONTH New Scale of Pay Retroactive

When your lady friend goes out to dine with another gentleman, and you meet the said couple on the street, don't try to choke the opposite angle in the eternal triangle of death unless you want to pay the police court clerk for your misbehavior. Fee Berry and William Freshman's Local men, when they appeared before Magistrate A. H. M. Graydon, this morning, learned the value of this good advice.

Sergt. William McCullous's wains as they swayed hither and there at the corner of King and Richmond streets last Saturday evening. Berry had a wrestler's hold on Freshman's larynx, while the young lady was using the age old phrase, Please, don't."

As neither of the lady's champions seemed ready to declare an armistice. Sergt. McCullough took advantage of the balance of power which he held, and stopped the mix-up in the first round. It was a "no-decision" battle on the street, and this morning the court Clerk John Moule, whose treasury is now richer by two \$2 bills.

Berry pleaded guilty, and Freshman not guilty. The latter said that the week previous Berry had been out for the evening with the lady. No trouble arose then, but when he wanted to take his turn at dining her his opponent declared open warfare.

The police, sergeant said that both them were lashing the air with their fists. He could not ascertain whether any of the blows landed, and did not like to voice an opinion as to whether they were hitting in the "clinches."

"If you can't agree over your lady friend, you will have to settle it some other way than on a public street," was the magistrate's parting shot.

Mr. Grier also questioned the witness regarding his movements after Trumble had been shot, suggesting that Mr. Spracklin had not shown interest in the condition of the hotelman after he had been shot. The revolver used by Spracklin was also the subject of a thorough inquiry.

Spracklin was also the subject of a thorough inquiry.

An important bit of evidence was that given by Mark Heaton.

The new angle was his statement that, when he entered the room where the shooting had taken place, he saw Trumble lying on the floor, with Edward Smith kneeling beside him. Part of the clothing of the dying man had been removed for the purpose of dressing his wound, and Heaton declared that he distinctly saw a revolver holster fastened to Trumble's left side. He also declared that there was a revolver lying beside him on the floor.

who not only spoke in layor of good roads; but who also led in the community singing.

Capt. Gilbreath predicted a great international highway between Canada and the United States, which he declared would further cement the ties that bind the two countries. He depicted the beneficent results which would follow and the help the highway would be to the farming community as a whole. He referred to the present discrepancy of value between Canadian and United States coinage, and expressed the hope that the difference would soon he eliminated.

C. W. Cornell, inspector of county roads in the Ontario Department of Public Works, represented Hon. F. C. Biggs, and spoke briefly.

The meeting unanimously passed a resolution indorsing the road building plan as outlined by the Hon. F. C. Biggs.

Others speakers were A. D. Bowlby of Windsor, president of the Essex Motor Club; Mayor E. G. Odette of Tilbury, Mayor Alex. Clunis of Blenheim, and W. M. Gray.

rangements than were already offered by the steam railways.

One of these officials, S. Fulthorp, who has charge of the livestock department of the Co-operative Company, said speed in delivery was one of the first essentials in the handling of livestock from the farm. He could not see that radial railways would be able to give a better service than the steam railways were giving. Mr. Fulthorp favored shipment by truck wherever distance and road conditions permitted it, as the trucks were more certain of making rapid delivery.

Charles B. Watts, secretary of the Dominion Millers' Association, said the proposed hydro radial railways would peopardize the success of the Hydro-Electric Power Commission in furnishing power and light. He said that a duplication of a line running east from Toronto would be like putting a knife to the throat of the hydro enterprise.

Physicians Recommend Castoria

YOU know the real human doctors right around in your neighborhood: the doctors made of flesh and blood just like you: the doctors with souls and hearts: those men who are responding to your call in the dead of night as readily as in the broad daylight; they are ready to tell you the good that Fletcher's Castoria has done, is doing and will do, from their experience and their love

Your physician knows that Castoria is purely a child's remedy. It was sought for and discovered as a substitute for Castor Oil in the ailments of Infants and Children.

Your physician will tell you this for he knows that preparations put on the market for adults are not adaptable for the very young and he is particulary interested in your baby.

Your heart aches when your baby falls sick. You feel so anxious to help the little sufferer, yet so helpless because baby can't tell you where it feels bad. But, if you are wise, you know that generally baby sickness comes from a disordered stomach or bowels. You can tell easily that baby is constipated or has pain, eructations, flatulence, diarrhoea, is restless, feverish, wakeful, fretful. Good mothers use Fletcher's Castoria, a wonderful remedy, purely vegetable, discovered by a family doctor and used in the best families for over thirty years.

Children cry for Fletcher's Castoria. It is a comfort to babies, the mother's unfailing friend. Any Mother who has used Fletcher's Castoria will advise you to use it for your baby. Give your sick baby a dose of it and note how soon baby begins to feel better. A few doses and you will realize what a wonderful remedy Fletcher's Castoria is for babies, what a comfort it is for mothers to depend on.

Never try to relieve baby with a remedy that you would use for yourself. Don't say tomorrow, get it today. MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA

DANGERS OF BAD BLOOD OVER- | THE LARGEST MEN'S PRACTICE IN BUFFALO

No matter the man, whether young or old, single or married, he can never feel safe as long as his blood is not healthy. The face, body, bones, nervesand brain may be affected any day without any warning, and the symptoms spring on you like a thief in the night. So if suffering, don't grow careless: remember the danger. Many times an innocert-looking little pimple left alone has become a serious running sore, which took months and years to heal, and then broke out later somewhere else. THE DOCTOR FOR MEN ONLY His patients number in the hundreds. Satisfied patients of years gone by from all parts of the United States and Canada recommend their friends to him. Some coming as a last resort fill his offices from morning until night, and yet he now invites any man to call and get his opinion free and without obligation on your part, if you are not satisfied with his advice, which is free for the asking.

For some weeks past the young people of Middlemiss have heard or people of Middlemiss have heard or thought they heard the sound of approaching wedding bells in the distance. Becoming impatient at delay, they disturbed the elements and the result was, as might be expected, a shower which all enjoyed, and required neither raincoats nor shelter. This was when a large number of friends assembled at the home of Mr. and Mrs. Alex. Louche, and a shower of unusual magnitude took place, many handsome and useful took place, many handsome and useful presents fairly blowing in from all of education and the provincial board quarters of the village, showing the high esteem in which the bride is held by doctors sent out by the board of her many friends.

The tea put on by the Thedford Wo-nen's Institute on Saturday afternoon in the rest room was well patronized, the roceeds being \$18.50.

Miss E. Mitchell, the traveling sec-retary for the Women's Missionary Soclety, gave a spelndid address this af-ternoon in the basement of Knox Church. The program included solos by Messrs. Boyd and Craig. Mrs. A. Car-michael, the president of this society, was in the chair.

KERWOOD W. M. S. The valentine and birthday social given by the Kerwood W. M. S., was a lecided success. A very pleasing program of solos, quartets, contests and addresses was given, a feature of special interest being a three-story birth-day cake decorated with forty colored candles, it being the fortieth anniver sary of the W. M. S. in Canada. The onorary president, Mrs. James Richardson, was invited to cut the cake.

· COLDSTREAM W. I. A very successful session of the Coldstream Women's Institute was held in ly. An instructive feature of the meet showed excellent samples of both worka-day and fine thirts and explained her method of making. In these days of high prices, it was a welcome innova-tion. A member has kindly offered to cut out ladies' blouses, and show methods of making, for any who wish to bring material, to the next meeting. An acknowledgment was read at this meeting of a donation of \$20 to the rest room in Strathroy, this acknowledgmen stating that the committee had pur-

donated. A communication from Mr. George Putnam, superintendent of Women's Institutes, was read in answer to the request sent him for a domestic science course. He stated that he hoped to sup ply a lecturer for two weeks' course in March or April.

Another important feature of the program was the reading of a paper on the medical school inspection situation in Middlesex, by Mrs. N. P. Campbell, Medical inspection in Ontario is now under the direction of the department health, and a record of each child's condition kept on a card and sent to the MELROSE LADIES' AID.

Melrose Ladies' Aid recently held a very fine social, which was well attended. Among the numbers on the long and interesting program was a dialogue entitled "Sewing for the Heathen," which the members of the aid gave themselves. The proceeds amounted to \$30.

dition kept on a card and sent to the parents. But school nurses are required to follow up the work of the doctor, to give advice on proper care and food needed in each individual case. She said that institutes should bring this matter to the attention of their representatives on the county council, and see that they know their wishes in resee that they know their wishes in regard to the appointment of these nurses.

"Y" SURPRISE PARTY. Mrs. John Crawford, extension industrial secretary of the Y. W. C. A., was delightfully surprised on Tucsday evening, when a number of the girls from a local industry, who are not "Y" club members, called at the Y. W. C. A., on King street, bringing refreshments with them, and spending a most pleasant evening in games and music. Mrs. Crawford had announced this as a free evening and was delighted to see that city girls who were not club members were beginning to see the advantages offered by the Y. W. C. "Lefty" Quinn Is Possession of London Club - Kangaroo Player Finally Awarded After Much Dispute -Two Released.

Whether Walter Shay's letterwriting did the trick or whether providence just stepped in, but among the assignment of contracts in National Commission bulletin of Feb. 18, issued from Secretary Farrell's office. "from Birmingham to London, Walter Shay" appears among a lot of other matters affecting the London M.-O. Club. Walter raised a heart-rending dictionary-tearing howl about being sent down into the land where African golf first flourished in a letter to Manager Wetzel some time ago, so whether the matter has been adjusted through Wetzel's efforts, or not, is not known.

London comes into possession of Lefty Quinn, the ownership of whom has been long a question of controversy, and Quinn will probably report to the London spring training camp. benefit. It must not be taken as prejudicing their motion of no confidence in the government. That motion was still before the House. Mr. King said that he understood that the government had not made provision in the Dominion elections act of last year for the taking of such a referendum as that impending in Ontario. The opposition understood that if it did not permit a departure from the rules of the House to parture from the rules of the House to pass the present bill, an extra expenditure of \$300,000 would be involved in the preparation of certain revised lists of voters in Ontario. Rather than involve the country in this extra expense, the opposition conceded the government's request.

HOSPITAL REQUIRES \$118,400 FROM CITY, \$6,000 FROM COUNTY

Victoria Trustee Board Will Notify D. S. C. R. of Increased Rates.

Estimates prepared by the trustees f the Victoria Hospital passed at a meeting of the board on Wednesday afternoon provide for a sum of \$295,400 to cover the expenditures during the year. Of this amount the city of London will be asked to contribute \$118,-400, and the County of Middlesex \$6,000. It is estimated that revenue derived from pay patients will amount to \$156,000 and that an additional \$500 will accrue from interest and other

More Patients Expected.

These estimates are lower than the amounts actually expended last year. The total expenditure for 1920 amounted to \$318.823, and the city contributed \$126.000 of that amount. It is believed by the trustees that the less money will be required this year because last year a large amount of money was required to transform the central military hospital. Despite the decrease in estimates it is expected that more patients will be treated this year than in 1920.

Practically the whole of the interior of the Nurses' Home is to be repainted, it was announced. The contract has been let to the W. T. Mossip Company, whose tender was the lowest of the several received.

Mill Raise Rates.

In consideration of the continued cost of maintenance, the board of trustees will notify the department of soldiers' civil re-establishment that on and after June 1 rates for maintenance for men on the strength of the department treated in the hospital, will be advanced from \$25, 26, 26, 27. More Patients Expected

reated in the hospital, will be advanced on \$2 a day to \$3 a day. For officers ho occupy private rooms, a minimum

a letter of condolence to the bereaved family.

The superintendent reported to the board that 310 patients were being treated in the institution. There was, he said, a perpetual waiting list of 20 to 30 patients seeking to gain entrance into the hospital.

According to the monthly report presented to the board, 451 patients were admitted to the hospital in the month of January. During the same period 373 were discharged. There were 25 births and only 17 deaths. In the free discpensary 376 people were treated. The cash receipts for the month totalled \$13,547.

NO DATE YET SET.

SARNIA, Feb. 23.—No date has yet been set for the hearing in county court of the case against William Zink, jun, sent up for trial from police court, after the original charge of breaking and entering the home of R. W. Pontefract and stealing a quantity of liquor had been amended to read "receiving stolen goods." The co-defendant, C. Bending, was discharged. Zink is at present at liberty on bail.

LOSS \$10,000 IN POOL ROOM FIRE

Serious Blaze Checked in Heart of Business District. Fire estimated to have caused \$10,000 damage broke out at midnight in the Belmont poolroom at 376 Richmone street owned by John Carr. Prompt ar tion prevented the blaze from spread ness blocks in the city. The fire, acthe second floor of the poolroom premises, which floor extends over the Met-

ises, which floor extends over the Metropole Cafe, owned by Zaffrion Bros. The only damage to the restaurant was from water leaking through, and the Bureau of Engraving on the third and top floor of the building was filled with smoke, but not seriously damaged.

The Belmont news and clgar stand owned by Harry Hunter suffered considerable loss from heat, smoke and water, and minor loss was sustained by the Greek lessees of the shoe shine parlor on the lower floor, the fixtures of which are owned by Mr. Carr. The cause of the fire was not ascertained, although it may have resulted from a clgarette or cigar butt. The poolroom premises were not closed until about 11:30, and the blaze was noticed by people across the street about midnight. Mr. Carr estimated his loss as being in the neighborhood of \$10.500, partially covered by about \$7,500 insurance. There were six valuable pool tables on the lower floor and twelve on the upper floor.

floor.

The fire, starting in one corner of the second floor, spread along the ceiling, and the heat cracked and burned the tables until most of them will be a total loss. The electric light connections were destroyed by the blaze, and the firemen had to grope their way through heavy smoke. The heat cracked and partly melted glass in doors leading into the adjoining building, formerly known as the K. of P. Hall.

advertised for sale, and those present
were keenly disappointed.

FINES TOTALLED \$4,200.

FINES TOTALLED \$4,200. FINES TOTALLED \$4,200.
GUELPH, Feb. 23.—As a result of a clean-up made by whiskey sleuths from the Ontario License Department here last week, the local police court became a get-rich-quick concern today, when Magistrate Watt tried nearly a dozen cases, in which the charges were bootlegging. Convictions were registered in nine cases and fines imposed, totalling \$4.200. \$4,200.
In connection with operations of the liquor detectives, William Shaw, one of them, faced a charge of indecent assault, preferred by Violet Sears, a waitress at a local restaurant. The accused was also tried today, but at the last minute the charge was reduced to common assault, and Shaw was convicted and fined \$20. He then gave evidence in the liquor cases.

DECLARED INNOCENT.

WINDSOR, Feb. 23.—Simon Landa, a
Detroit pawnbroker, was found innocent today of violating the O. T. A., for
which he has served a sentence of one
month in jail and paid a \$2,000 fine.
Magistrate W. E. Gundy today received
pleas of guilty from four men, who admitted they stole 80 cases of liquor from
Landa's home in Walkerville. Landa
was found guilty of selling this liquor
in spite of his assertion that it was
stolen. The liquor is to be returned to
Landa and he will stolen. The liquor is to be returned to Landa, and he will get further restitu-tution, it was announced.

GREY HAIR NOW Druggist Says Ladies Are Using Recipe of Sage when it fades, turns grey, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful,

and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe,
Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been ap-plied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the grey hair disap-pears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and that, besides beautifully darkening

gives it an appearance of abundance.
