Newcastle, N. B.

BABY GRANDS TRIM BIG SIXES TEAM

One of the greatest endurance tests
ever given two cars took place be-
fore a large crowd assembled in the
Newcastle Rink, when the Studebaker
Big Sixes, representing the Lounsbury
Motor & Supply Co. Moncton,
met the Baby Grands of the Head Office
Staff of the Lounsbury Co. Ltd.
Newcastle.

The line-up was as follows:—
Big Six—
Goal—Puncture-proof Archer.
Point—Steering Wheel Lounsbury.
C. Point—Distributor Dawson.
Centre—Blow-out Richard.
L. Wing—Accelerator Melanson.
R. Wing—Volt Stultz.
Baby Grand—
Goal—Windshield Campbell.
Point—Head Light MacMurray.
C. Point—Dumper Fallon.
Centre—Non-skid Locke.
L. Wing—Fan-belt Jessamin.
R. Wing—High Gear Locke.
Spare—Propeller Melanson and
Speedometer Roy.

The game started with the Big
Sixes stepping on the gas in an at-
tempt to out-distance the Baby
Grands, and before Windshield Camp-
bell could get his top up, they had
scored two goals. The going was
slippery, and chains were used to
sood advantage. The Baby Grands
then got started, and through the
fine steering of Bumper Fallon and
High Gear Locke, the score was soon
tied. While everybody stood back
and watched, Fan-belt Jessamin shot
a goal from centre ice much to the
amazement of everybody present, and
more so to the amazement of Fan-belt
Jessamin himself. This, of course,
spoiled the guarantee of Puncture-
proof Archer. At this stage the game
was too fast for the old cars such as
Steering-wheel Lounsbury and Non-
skid Locke and they ran out of gas
and had to be towed in.

The first period ended in a score
of 6-4 in favor of the Big Sixes. This
round was not typical.

The second period started with a
rush, with a heavy fog rising from
the ice. The Baby Grands, through
the use of a better grade of gasoline,
had the edge on the Big Sixes. In
this period the score was 8-6 in
favor of the Baby Grands when the
smoke drifted away.

During the last period the engines
began to heat on both the Big Sixes
and the Baby Grands. The remarks
overheard from the bleachers ran as
follows:—"You take the puck down
the ice, I've got to go into the garage
for repairs", "Oh, no, you take it
down, my pistons are sticking" but
when it was all over, the Baby Grands
came out victorious by a score of 10-
9.

Several accidents occurred. Head-
light MacMurray struck the rim of
one of his lamps on the fender of a
Big Six and had to be taken to the
garage for repairs. Non-skid Locke
also stopped the puck with his eye-
brow, causing some discomfort and
slight loss of blood. Distributor Daw-
son of Moncton through a head-on
collision, raised a lump on his head
which made a hat three sizes larger
necessary.

The following penalties were im-
posed during the game:

NEWCASTLE—Non-skid Locke
earned a well merited rest of two
minutes on the boards for placing an
obstruction in the way of a Big Six
thus causing a blow-out. Fan-belt
Jessamin also received two minutes
penalty for appearing on the ice
without his rear license number.

MONCTON—Voltz was put off for
heating the ice. Some said it was
electricity. Steering-wheel Lounsbury
was put off for making three
complete revolutions in the air with-
out touching the ice, which, of course,
is against the latest N. B. H. L. rules.
Referee Leo Mitchell was very fair
and impartial, gaining a great reputa-
tion during the evening by his skill
in dodging cars.

After the game the Moncton boys
were entertained at a bean supper
held in the basement of the Methodist
Church.

Owing to the lateness of the sea-
son, it will be impossible to play a re-
turn game with the Moncton team.

SAD FATALITY SAT'Y AFTERNOON

Six Year Old Child Killed In-
stantly—Another Injured
When Load of Wood Upsets,
Pinning Both Beneath.

A sad and fatal accident occurred
about 4.00 Saturday afternoon, when
Isabella, six year old daughter of Mr.
and Mrs. Allan Black was instantly
killed by being buried beneath a
heavy load of wood which upset.
Another child, Alma Woods, almost
the same age was severely injured,
by being struck by the falling wood.

Both children were playing along
the street on lower King's Highway,
in the immediate vicinity of their re-
spective homes. These two small
children were indulging in the danger-
ous practise of seeking a drive on
passing teams, which pastime is one,
the parents of children and teamsters
should immediately put a stop to. On
this occasion Mr. Ephraim O'Brien
was passing with a heavy load of
birch logs, and when the team drew
near, the two children made an at-
tempt to catch on to the sled. Be-
fore either the teamster or the child-
ren realized the danger, the sled lur-
ched into a slew on the road, upset,
and the falling timber buried the
two little children beneath. The
teamster, who was thrown from his
seat, received a slight shaking up, and
for the moment was badly confused.
A call for help brought nearby rela-
tives to the scene, who tenderly re-
moved the children from beneath the
wood.

On examination it was found that
little Isabella Black had been killed
instantly with her skull badly crush-
ed. Alma Woods was found to have
received painful injuries to her right
arm and shoulders, but with no bones
broken or internal injuries sustained.

Dr. F. C. McGrath was immediately
summoned and pronounced the little
girl dead. Coroner Dr. F. J. Desmond
was absent from town at the time of
the accident but on his return on Sun-
day, made an enquiry, deciding that
an inquest was unnecessary.

Mr. Allan Black, father of the dead
child was absent from home, in Doak-
town, and on being notified returned
to his home immediately. A deep
gloom is cast over the neighborhood
as a result of the fatal accident and
the heart felt sympathy of the entire
community goes out to the father,
mother, and surviving relatives in the
hour of their sad and sudden bereave-
ment.

Both the children were favorites of
residents in this section of the town,
and the little girl, who met her death
so tragically, will be greatly missed
by all who knew her.

The funeral was held on Monday
afternoon at 3 o'clock and was larg-
ely attended. Interment in St. Mary's
cemetery.

Moody & Co., Ltd. has a
special wall paper book of good
grade paper.

DON'T FORGET

To reserve the evening of Good
Friday 25th inst. to attend the Pipe
Organ Recital, which is to be held in
St. James' Church. Particulars later.

LET DOLLAR DAY BE YOUR DAY

The Merchants of the Town of New
castle have again decided to hold a
DOLLAR DAY on Tuesday March
15th. DOLLAR DAY in Newcastle is
now recognized to be one of the BIG-
GEST BARGAIN DAYS that the mer-
chants put on, and this year's DOL-
LAR DAY will not be an exception.
In fact it will be BIGGER and BET-
TER than ever, and the public from
the adjoining districts would do well
to take advantage of the many bar-
gains which will be offered. In the
past DOLLAR DAY in Newcastle has
proved a great success both for the
merchant and customer, but it is the
intention of the merchants this year
to eclipse everything in the matter of
giving bargains to their customers.

Practically all the merchants of the
town have gone in for DOLLAR DAY
this year, and some very attractive
offerings will be put on the counters
as an inducement for the shoppers to
come to town and make their pur-
chases on this day.

Perusal of this week's Advocate
will give an idea of some of the many
reductions which the merchants are
offering on DOLLAR DAY. Study the
matter over carefully and make up
your mind to visit Newcastle on DOL-
LAR DAY and by so doing, save your-
self many dollars, which in these ec-
onomical days are difficult to obtain.

It is unnecessary to particularize
the many wares which can be pur-
chased on DOLLAR DAY at a consid-
erably reduced rate, but suffice it to
say that you will be able to purchase
almost anything from a needle to an
anchor. Make DOLLAR DAY, YOUR
DAY, and come to Newcastle to share
the many unusual BARGAINS which
the merchants have prepared for you.
Don't forget the date. Tuesday March
15th is DOLLAR DAY in Newcastle,
and DOLLAR DAY in Newcastle
means something to YOU.

HAPPY HOUR WEDNESDAY

A fascinating story will appeal
especially to the young element of
the audience, a talented and beauti-
ful star, and a most elaborate pro-
duction, beautifully photographed are
what the patrons of the Happy Hour
theatre will see when Elaine Ham-
merstein appears in her next Selznick
production "The Woman Game" Wed-
nesday.

The story is based upon the idea
that it is no more than fair that a
woman should be entitled to pursue
the same tactics in her business in
life—which is the matrimonial game
—as the man does in his.

The authors, Leighton Osmun and
Frank Dazey, have brought out every
possible angle to the situation.

Champ Clark Passes Away

Washington, Mar. 2.—Champ Clark died here this afternoon in his seventy-first year and within two days of his retirement from the House of Representatives after a service of 25 years.

Death was due to an attack of pleurisy and a complication of diseases incident to his advanced age. Up to ten days ago, however, when he developed a severe cold, Mr. Clark had shared actively in proceedings of the House as Democratic leader.

Body Lies in State

He died in the very shadow of the capitol. Those sorrowing at his bedside heard the old chief utter in his last delirium:—"The question is adoption of the conference report."

Tentative arrangements for the funeral provide for services at 10.30 a. m. Saturday in the Chamber of the House of Representatives. Immediately after a special train will leave for St. Louis, arriving there about 4 p. m. Sunday.

The body will lie in state in that city until Monday, when it will be taken to Bowling Green, Mr. Clark's home town, for interment.

Investigation Of Grain Trade

Ottawa, March 1st, 1921.—The outstanding development of the parliamentary session thus far has been the demand made upon the Government for a thorough investigation of the Western grain trade. This demand, first launched by R. C. Henderson, members for Macdonald, and a former president of the Manitoba Grain Growers, has shown in strength and volume, and it is predicted that if an inquiry is granted, as now seems almost certain, facts will be elicited which will not only revolutionize the grain trade but which will shake political agrarianism to its foundations.

Briefly states, the facts upon which the demand for an inquiry are based, are these:

The Northwest Grain Dealers Association controls the Western Canadian grain trade. This association, it is claimed, sends daily the price to be paid at country elevators. These prices are fixed by an officer of the association in the Winnipeg Grain Exchange, and all grain companies, including the United Grain Growers (of which Mr. T. A. Crerar, leader of the National Progressives, is the head) and the Saskatchewan Co-operative Elevator Company, receive them, and it is claimed operate by them.

This all competition is removed and the closing market price adopted. From this price the freight rate is deducted, along with other charges, and the spread fixed between wheat and cash prices.

This spread runs from five cents to forty cents per bushel. No cognizance is taken of premiums on cash wheat, and last year when exporters and eastern buyers were paying as high as thirty cents a bushel premiums over the prevailing price, the farmer did not benefit a cent, premiums being absorbed by the grain companies, corporation and cooperative.

Then there is the question of dockage and overages. The dockage at country elevators and the overages at terminal elevators are much as to bring millions of bushels of grain to the companies without payment to the producer. It is charged that some of the terminal elevators have been making millions in this way. Whether it is a charge that is well based remains to be seen but certainly it appears to be supported by the elevators' own figures. Thus, statistics from one of the elevators at the head of the Great Lakes show that it received 324,930 bushels of No. 1 northern wheat and shipped out 331,529 bushels. The same elevator received 332,322 bushels of No. 2 northern, and

shipped out 545,864 bushels, and 1,251,411 bushels of No. 3 northern and shipped out 2,619,391 bushels. In other words, this elevator received 1,996,729 bushels or a surplus of 1,558,057 bushels clear profit to the grain company and a clear loss to the thousands of farmers dealt with.

Further charges made are that the sample market by connivance among the cooperative and corporation companies, has been reduced to a farce, and that the farmers wheat in store is used by the grain companies to fill contracts and depress the market if desired. Under the rules of the Canadian Grain Act, when grain is stored in a bin, it is owned by the producer. The elevator companies, or simply storage companies, possessing no right to take the grain and dispose of it without the consent of the producer, it has been found however, that in spite of these safeguards the producers' ownership of the grain does not keep it off the market.

Another assertion made is that no protection is afforded western Canadians in the use of eastern grain terminals, but that the earlier American crop is rushed down the lakes into Canadian elevators, the result being that there is no room for the later Canadian grain which has to be diverted to United States' channels and that there is loss of Canadian trade to Canada and that the Canadian product is placed at the disposal and under the control of foreign competition.

As a consequence of such allegations, the Government is being urged to appoint a commission to investigate:

- 1 The grading and weighing of grain.
- 2 The receiving, handling and shipping of grain through country elevators and from country points.
- 3 The operation of grain exchanges by the members thereof.
- 4 The work of grain exchanges.
- 5 The handling of grain at terminal points.
- 6 The holding of grain at terminal points.
- 7 The operation of public and private terminal elevators and eastern public elevators.
- 8 Operation of the Lake Shippers' Clearance Association.
- 9 Operation of the Northwest Grain Dealers' Association.
- 10 The trimming of grain at the upper and lower lake ports and ocean ports.
- 11 Lake shipments.
- 12 The shipment of grain to Atlantic and Pacific ports.
- 13 The operation of Canadian flour and feed mills.

The inquiry, if it is granted, may have important political consequences. The reason is that the United Grain Growers' Company, of which Crerar is the president, is Mr. T. A. Crerar, the National Pro-said to be among the worst offenders.

BEAVERBROOK IN POLITICAL FIGHT

London, Feb. 24.—Interest in the agitation against the embargo imposed by the British government on Canadian live cattle has been stimulated by the controversy which has broken out between Lord Beaverbrook, the Canadian-born peer, and Sir Arthur Boscawen, the recently appointed minister of agriculture, who is waging a warm by-election in Dudley.

Lord Beaverbrook has a letter a column long in the Daily Express this morning, in which he takes decided exception to what he describes as "the foul attack" made upon him by the new minister in a speech at Dudley. The letter quotes the new minister as saying that "Lord Beaverbrook and his friends will profit if the importation of Canadian live cattle into Britain is permitted."

Lord Beaverbrook's answer to this is that he has no interest in cattle raising in any country in the world except on his farm at Leatherhead, England, and that his interest in the agitation to secure the removal of cattle embargo is dictated by the desire to lower the price of food to British consumers.

BOOM ROAD NOTES

Boom Road, Feb. 28.—Mrs. Ralph Parker spent Sunday with his daughter Mrs. Stanley Sherrard.

Congratulations to Mr. and Mrs. Stanley Matchett on the arrival of a young son.

Miss Janie Sobey of Maple Glen visited relatives here last week.

Mrs. Alex. Hare of Whitneyville is spending a few days with her daughter Mrs. Robert Sherrard.

Miss Lottie Howe is spending a few weeks with Mrs. Joseph Napke of Red Bank.

Miss Jessie Jardine and Mrs. T. S. Allison were in Moncton one day last week.

Mrs. Herbert Thomas and two children have gone to Strathadam for a few days to visit her sister Mrs. Mark Sinclair previous to leaving for her home in Cross Creek.

Mrs. John Stewart spent Thursday in Whitneyville, the guest of her mother, Mrs. Annie Hayre.

Mrs. Wm. Allison and daughter Annie spent Wednesday evening with Mrs. Austin Butler.

Mrs. Jas. Matchett's many friends regret to learn that she is on the sick list this week, we hope for a speedy recovery.

Mrs. John Stewart and Mrs. Wm. Allison spent Tuesday evening with Mrs. Emeline Caine.

Mr. and Mrs. Wm. Cain spent Sunday in Millerton the guests of Mrs. Wm. Betts.

Mr. Walter Scott's many friends regret to learn that he is still in a precarious condition.

Applied After Shaving

Keeps the Skin Soft and Smooth

MANY men suffer from irritation of the skin as a result of shaving. With some it assumes a form of eczema and becomes most annoying and unsightly. By applying a little of Dr. Chase's Ointment after shaving the irritation is overcome and such ailments as Barber's Itch and Eczema are avoided.

50 cents a box, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.

Dr. Chase's Ointment

THERE IS ONLY ONE GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all. Insist on genuine "Bayer Tablets of Aspirin" plainly stamped with the safety "Bayer Cross"—Aspirin prescribed by physicians for nineteen years and proved safe by millions for Headache, Toothache, Earache, Rheumatism, Lumbago, Cold, Neuritis, and Pain generally. Handy tin boxes of 12 tablets—also larger "Bayer" packages. Made in Canada.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoaceticacidester of Salicylicacid. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

Lower Your Coal Bills

With A **'HECLA'** PIPELESS FURNACE

It will cost you less for coal to heat your whole house with this furnace than it will to try and heat it with stoves.

It will cost you less for coal with a "Hecla" Pipeless than with any other heating system!

The "Hecla" Firepot has three times the heat radiating surface of any other furnace because it is ribbed with flanges of steel. For that reason it gives quicker heat—and more heat.

Owners say that this exclusive "Hecla" feature applied to pipeless heating means wonderful fuel economy.

At today's price of coal you do not need to save many tons to pay for a "Hecla" Pipeless.

Patented Fused Joints are another superiority of the "Hecla" Pipeless. They are proof against leaks of gas and dust.

And in the "Hecla" Pipeless you get an extra big waterpan—that runs all around the furnace. Thus, every room in the house is supplied with air that contains a healthful degree of moisture.

It takes but a day to install a "Hecla" Pipeless. Our booklet "Buying Winter Comfort" describes all the other advantages fully—tells why it keeps the cellar cool for vegetables, why it heats every room properly, why we guarantee it absolutely. Write for it now. There's lots of zero weather ahead. Why not enjoy the comfort a "Hecla" Pipeless gives, and begin saving your coal bills now—this winter!

*The More You Spend, the More
You Save!*

A Brief History of Your Dollar

1921--Its Earning Power Now--1921

What it Had Bought						\$	What it Had Bought					
1915	1916	1917	1918	1919	1920		1920	1919	1918	1917	1916	1915
\$	\$	\$	\$	\$	\$		\$	\$	\$	\$	\$	\$

When the war broke out in 1914, a hysteria developed and a feeling of indecision and inaction took place. Then the people began to realize that the war was more than a vaudeville sketch, and that it was a hungry monster that had to be fed. Men, money and munitions were its viands, and it had to be taken care of in addition to the already existing requirements of millions of individuals. The supply was much shorter than the demand, and in 1915 the earning power of your dollar began its downward journey as you see in the above illustration. The readjustment came, and the cry of the pessimist "hard times, spend less, save more" was heard; to us, wrong in its message, as it was intended to produce more funds; but it was the wrong method to use, it did more harm than good. What creates these funds? Business, what would increase the amount and extent of these funds? More business. What is business? The exchange and interexchange of commodities, services and money. Increased business gives increased employment, and employment in gainful pursuits enriches the individual. The consequence of the save wave and hard times cry, was that many thousands of men and women are idle, and merchants are stuck with large stocks and obliged to sell, and sell at prices much less than present cost of production. These

reductions are designed to stimulate buying, to attract people who had been temporarily made afraid to buy anything by the general loose talk about depression and hard times. Therefore the value of your dollar is much larger to-day than it has been and than it will be later. The public will soon discover if they continue to do without numerous articles and conveniences, waiting for cheaper prices, that many more thousands will be thrown out of work and real hard times will result. No work, no income; no income, no money to spend or save. We believe the principle that should be followed is this; work more, earn more, spend more, save more.

Work more; Work is the basis of wealth.

Earn more; By becoming more efficient and better producers.

Spend more; For every dollar you put back into trade is a link in an endless chain of industry and you will eventually get back a portion of those dollars; in the meantime you are enjoying what that money has just bought for you.

Save more; which you can, for observances of the preceding three rules will produce more, and from increased production of wealth your savings can come.

During the difficult period, when each season brought higher prices on the merchandise we sell, we tried very earnestly to protect our customers. So now, when the market has taken the long-looked-for downward turn, we are trying just as conscientiously as ever to give you the benefit of every reduction we can possibly obtain.

OUR MOTTO: "The lowest prices possible, for the same dependable quality you have always found at Farrah's."

This sale means to you

Merchandise of the same high quality that has maintained our standard of reliability at an aggregate savings of \$35,000. Just how much you share in this saving depends upon how early you make your selections.

This sale means to us

A clearing up of broken sizes and broken assortments and an opportunity to begin the new season with an entire new stock of merchandise.

Dollar Day will bring great savings for you.

Don't forget the date, Tuesday, March 15th

The Scope of the Reduction

Merchandise purchased at the higher price levels, or which we are not going to restock, or which is in limited assortments and quantities, will be offered at 50 per cent. reduction, which means below actual cost. Merchandise purchased at lower price levels or which has been in stock but a very short time, or which is staple, will be offered from 20 to 33 and 1-3 per cent. reduction. Every article in the store will be reduced.

**Father And Son
Well And Happy**

**"The Way Tanlac Helped Us
Is Simply Wonderful" Says
Halifax Man**

"Nobody except those who have been through it can understand what I suffered before I got hold of Tanlac," said Richard H. Weeks, of 13 Cabot Place, Halifax, N. S.

"My stomach has been out of order for the past year or two and my appetite got so poor that I had to force down whatever I ate. I was troubled with gnawing pains in the pit of my stomach and had sharp pains around my heart. After every meal I had a heavy feeling, like a dead weight in the pit of my stomach and felt miserable for hours. I had sick headaches with attacks of dizziness. I lost weight continually and hardly had strength and energy to drag my feet after me. My condition at one time got so bad that I had to give up work entirely for over a month. I went for days at a time without eating scarcely anything and sometimes even the sight of anything to eat made me sick.

"I noticed an improvement before I had taken half a bottle of Tanlac. I am now on my fourth bottle, have a good appetite and eat three square meals every day. Everything agrees with me and I never have a touch of indigestion. I am not bothered by constipation or dizziness any more, have gained ten pounds in weight and am working every day. Tanlac had done me so much good that I decided to try it on my little son who had been puny for years, and the way it has helped him has been certainly wonderful."

Tanlac is sold in Newcastle by E. J. Morris, in Redbank by Wm. M. Sullivan, in Doaktown by O. Hildabrand and in Nelson by Mrs. James Nowlan.

EDITORS MAIL

Newcastle, N. B.
March 5th, 1921
Editor Union Advocate,
Town.

Dear Sir:

At the last meeting of the Town Council the Assessment for 1921 was passed, and I regret to notice that the council found it necessary to raise the amount this year \$10,000 over last year's assessment. I am sure the taxpayers found last years

tax a very heavy burden, when times were prosperous, and this year's increase coming at a time of general depression it should give them cause for serious consideration of the Towns affairs. It seems to me that instead of increasing the taxation or assessment that the council should have used every means in their power to cut down the amount as low as possible. However, I do not intend to point out in what departments they might have reduced the assessment as this would take up too much space in your valued paper, but I think in view of the fact that the taxes have been going up in leaps and bounds during the past eight or ten years that it is time we made a change in our system of Government, and adopted more up to date methods in carrying on business of the town. The Chatham Board of Trade at a recent meeting decided to interview the Town Council, and see if they could not get the council to take action in appointing a Town Manager and getting the necessary legislation to do this. Facts were presented at the meeting of the Board of Trade in Chatham showing that this system of Town Government had been a great success in a large number of cities and towns throughout Canada and the U. S., and I think that it is an opportune time for the citizens of Newcastle to take similar action and see if some improvement could not be effected in the Towns affairs.

Yours truly,
TAX-PAYER

OBITUARY

VERA F. DAVIDSON

The death of Vera F. Davidson, young daughter of Mr. and Mrs. Gordon Davidson occurred last Thursday at her home, aged 4 years, pneumonia being the cause of death. The funeral was held on Saturday afternoon, interment being made at Lynton.

JOHN WINDSOR

Nigadoo, N. B. March 3.—Friends of the former days and older residents, by whom he is well remembered will learn with sincere regret of the death of Mr. John Windsor which occurred at his home in Nigadoo of heart failure. Though in failing health for the past few months, his death occurred very suddenly.

Mrs. Windsor was born in Bathurst N. B. in 1848 and carried on for many years a large canning business in Gloucester County and a general store in Petit Rocher. He was widely known throughout the province.

Besides his wife he is survived by five daughters, Mrs. C. W. Falconer, of Newcastle, N. B. Marion, of the J. H. Dunn Hospital, Bathurst, N. B. Grace, Graduate nurse of Moncton, N. B. Ruth, of Cambridge Hospital, Cambridge, Mass., and Roberta at home. One son Howard in the West. He was a man of sterling character and was held in high esteem by all who knew him.

Interment was made at the Methodist cemetery, East Bathurst. Rev. G. A. Ross assisted by Rev. Mr. Archibald conducted the funeral services at the church and at the grave. (Ontario and Western papers please copy).

JEREMIAH BLACKMORE

The death of Jeremiah Blackmore took place at his residence in Cassilis on Feb. 28th. The late Mr. Blackmore was born on the Little South-West in 1851. At the age of 25 years he married Mary Ann Hubbard of Cassilis where he has been a successful farmer and prominent citizen. The late Mr. Blackmore will be much missed not only by his family, but by many life long friends, and in his passing away the Presbyterian Church loses a devout adherent and liberal supporter. He enjoyed a full measure of health until about six days ago, when he contracted a cold which developed into pneumonia, and in spite of all that medical aid could do he passed away on Monday night.

Deceased leaves his widow and the following children to mourn the loss of a kind and loving husband and father—Mrs. Gregory Dunnett and George of Whitneyville; Mrs. George E. Sutherland, Cassilis; Mrs. Walter Johnston and David of Nelson; and Hiram at home; also the following sisters and brothers Mrs. Annie Humble, Mrs. Pheobe Bunker, Edward and Everett, Wash; Hiram and Silas, Minn.; and fifteen grand-children.

The funeral service was conducted by Rev. Mr. Girdwood and Rev. Mr. MacLean of Newcastle. The funeral which was one of the largest ever seen in Cassilis was under the direction of Mr. Chas. Gough. Interment in St. Stephen's cemetery. The pallbearers were his three sons and three sons-in-law.

The funeral of the late Jeremiah Blackmore, of Cassilis, was held on Wednesday afternoon at 2:30 o'clock. Funeral services were conducted by Rev. Mr. Girdwood and interment was at Redbank.

CATARRH CANNOT BE CURED with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best drugs known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

Mrs. W. J. Bate was in Montreal last week, attending the graduation of her daughter, Miss Muriel, from the Royal Victoria Hospital.

Mr. William Richards who has been confined to the Miramichi Hospital for the past few weeks returned to his home yesterday morning.

Mr. Randolph Crocker of Millerton spent a few days of last week in Moncton, the guest of Mr. and Mrs. Harry Crocker, Bonaccord St.

Mr. J. L. Stewart, with his cousin, Mr. J. Willard Smith of St. John, the latter's wife and daughter compose a small party seeking health in a voyage to the West Indies and Demerara. They left Halifax last week, and will be absent about seven weeks.

EDITORS MAIL
Newcastle, N. B.
March 4th, 1921
Editor of Union Advocate,
Town.

Dear Sir:—

I noticed in your last week's issue a report of the meeting of the North West Lumber Co., and that the lumbermen present at that meeting considered that the prospects for the lumber business the coming year were none too bright. I noticed that Mr. Snowball stated that he could not run his mill until he got some orders for stock on hand as he is so badly piled up, he would have no room to pile his new cut. Frasers all is reported not to start sawing until July, and I presume all the mills on the river are facing a similar situation; large stocks of lumber on hand, and no prospects of selling. I think that the situation in regard to the lumber business throughout the country is far more serious than any of the lumbermen have so far admitted, with regard to both lumber and pulp. The British Government hold large stocks of lumber in this province and elsewhere, which I understand were bought during 1917, 1918, 1919 at prices prevailing at that time, and are now offering these stocks at prices far below the present cost of manufacture; and until all their stocks are disposed of which amounts to a very considerable quantity, the lumbermen will be unable to sell a stick of lumber. Because it is quite evident that they cannot compete with the Government at prices they are selling for today. So far as the lumbermen are concerned it is a question of waiting until the Government stocks are cleaned up, and the prices then will be governed, I have no doubt by the law of supply and demand. Some people claim that the American market will absorb surplus stocks of lumber from this province, but I understand that at the present time this market is very dull with very poor prospects for any improvement for sometime to come. In fact there is a grave possibility of the American Government putting a duty on Canadian lumber, entering U. S.

So much for the lumber business. Now for a brief reference to the pulp business, which during the past year has developed into a large enterprise with Rossing mills scattered all over the country. I understand that just lately the price of pulp had taken quite a slump, and whereas a cord of dressed wood was worth anywhere from \$20 to \$25 several months ago, it is almost impossible to sell for \$15 per cord at present. This is due to a large extent to over-production, and most of the large Paper-mills have enough raw-material on hand for a year's supply.

While I do not wish to be pessimistic I think in view of the fact that the above conditions exist in respect to the lumber industry, (which is the backbone of the country), that it is well to caution the people of this town and surrounding country to keep well within their means and

OLIVEINE EMULSION

Back to the Old Price \$1 a bottle.

Just recently, prices have dropped on the very finest Cod Liver Oil and the very purest Drugs used in preparing "OLIVEINE EMULSION". These lower prices make it possible to put "OLIVEINE EMULSION" back to the old price of \$1 a bottle.

Doctors everywhere have been notified that \$1 a bottle is now the price of this favorite tonic, blood purifier and health restorer. The quality is the same—you get the same big bottle—and you pay the old price \$1. Be sure to get "OLIVEINE EMULSION".

Druggists and General Stores sell Oliveine at \$1. a Bottle. Do not take a substitute.

Mother

"California Syrup of Figs" is
Child's Best Laxative

Beware! Buy "California" if you may not get the genuine "California Syrup of Figs" which doctors recommend for babies and children of all ages. Nothing else cleans the little bowels and regulates the child's stomach and liver so gently, so thoroughly. Directions on each bottle. But you must say "California." Don't be talked into an imitation of syrup which hasn't the delicious, fruity taste or the perfect "laxative physic" action.

Near Beer Makers Appeal To Cabinet

Fredericton, March 2.—That beer sold in New Brunswick as non-intoxicating beverages should be allowed to contain 2½ per cent alcohol was the proposition presented to the government this morning.

J. L. O'Brien, of the Ready Breweries, and G. W. C. Oland, of the Red Ball Breweries, both of St. John appeared before the government and suggested that the additional one-half per cent of alcoholic strength be allowed in order that there might be uniformity, contending that 2½ was the recognized maximum alcoholic strength of non-intoxicating "near beers" in other provinces of the Dominion.

It was further pointed out that under the new liquor law in Quebec the breweries of this province would be shut out by the license fee of \$5,000 per annum, to be charged for doing business in that province as at present and they suggested that retaliatory measures be taken by legislation in this province to prevent Quebec brewers from shipping either full strength beers or "near beers" into this province.

The government promised the delegation that their suggestions would have consideration, Premier Foster declined to intimate what action the government would take beyond stating that in the matter of liquor laws the administration would pursue a "safe and sane course."

The United States President's Salary

Though the President's salary is but \$75,000 annually, it in fact amounts, as a writer in Leslie's shows, to \$300,000. To the monthly check of over \$6,000 must be added a modest home called the White House. The President is relieved of income tax; furniture and furnishings, even to the cooking stove, are provided; servants by the yard are at the beck of both President and mistress; a palatial yacht floats in the Potomac for his use; coal finds its way into his bin without worry;

BECAME SO THIN SHE WAS AFRAID

"FRUIT-A-TIVES" Made Her Well, Strong and Vigorous

MADAME ARTHUR BEAUCHER
805 Cartier St., Montreal.

"I suffered terribly from Constipation and Dyspepsia for many years. I felt pains after eating and had gas, constant headache, and was unable to sleep at night. I was getting so thin that I was frightened and saw several physicians who, however, did not seem able to help me.

At last a friend advised me to take 'Fruit-a-tives'. I did so and soon I felt some relief. I continued with 'Fruit-a-tives' and in a short time, the Constipation was banished, I felt no more pains or headache or the disagreeable sensations that follow dyspepsia. Now I am well, strong and vigorous."

Madame ARTHUR BEAUCHER.
50c. a box, 6 for \$2.50, trial size 25c. At all dealers or from Fruit-a-tives Limited, Ottawa, Ont.

and when he or his family travel they are always the recipients of gratuities of food and hotel. There arises quadrennially an agitation to increase our President's salary. It is being talked now. Suppose we keep it at the present figure and if we find the two occupants of the White House cannot possibly make ends meet, we'll all chip in and make an old-fashioned pound party or donations—maybe a surprise party.

SENT TO PRISON FOR ONE YEAR

Belfast, Feb. 25.—The Rev. J. A. Irwin, a Presbyterian minister, who was arrested in January, was today convicted by court martial of having a revolver and ammunition in his possession and was sentenced to one year in prison.

A charge of possessing seditious literature was not pressed against him owing to the discovery that the suspected documents were Hebrew versions of the Psalms and not Gaelic publications, as at first supposed.

Rev. Mr. Irwin delivered addresses in Canada and the United States last year.

Probably the reason the women do all the talking in some homes is because they don't want a home to be as silent as the tomb.

Old friends of Red Rose Tea who have used it for many years find it the same good tea to-day as it was all during the war and for many years before.

The Magic
OF
Zam-Buk

Zam-Buk is the last word in healing. Its rare medicinal power is derived from certain valuable herbs, utilized by science for the healing of wounds, not sores and other skin affections.

In addition to its great soothing and healing power Zam-Buk kills germs as well as excludes them from the broken skin.

Zam-Buk's wide range of usefulness, its unique medicinal properties, and its handiness and economy make this rare heral healer a necessity in every household.

"It Grows
New Skin"

If you suffer with eczema, ulcers, bites, burns, wounds or other skin diseases, get a box of Zam-Buk today. Save doctors' bills.

STOMACH IN ORDER!
NO INDIGESTION,
GAS, SOURNESS

"Pape's Diapiesin" has proven itself the surest relief for Indigestion, Gas, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only few cents at drug store. Millions helped annually.

O. Gaius Steeves Sent Up For Trial

Magistrate John Gaskin, in the Union Hall, Coverdale, Tuesday morning committed Oliver Gaius Steeves to stand trial for the murder of his wife, Lucy Steeves. The trial will take place the fourth Wednesday in April at Hopewell Cape.

Steeves, it will be remembered was arrested on February 17th, after his wife and five children had perished in the fire which consumed their home on the Niagara Road, Albert Co., in the early morning of Tuesday, February 15th last.

The accused, when asked if he had anything to say, replied that he was innocent and would reserve his defence. Magistrate Gaskin, in committing the accused, said: "I have listened to the evidence presented, and I think there is enough evidence to place him on his trial. I think it is a case that should be investigated by a Grand Jury. If this is an accident, it certainly is a tragedy; and if the poor families in our country are being put in places to sleep that are fire traps, it should be investigated, and if it is a crime it is much worse."

Following the proceedings the prisoner was escorted to Hopewell Cape where he will be confined in the county jail awaiting his trial.

The preliminary investigation followed the arrest of Steeves on Feb. 17th, on a warrant issued by Magistrate Gaskin, of Albert County, after information had been laid by the accused's father-in-law, Joseph Steeves of Moncton, and after a coroner's jury had recommended further investigation into the tragedy.

The hearing took place in the Union Hall, Coverdale, and occupied the major portion of two weeks, during which the Crown produced no less than twenty-six witnesses.

Twice As Many Births As Deaths

Statistics have been received from the New Brunswick department of health giving the births, deaths and marriages during the year, 1920. These statistics show that the number of births during that year was nearly double the number of deaths, being 10,494, as compared with 5,545 deaths. There were 3,718 marriages during the year. The months of March and October appear to have been the most popular with the new arrivals for 1,062, the largest number of any month in the year, made their advent into the world in March, while 1,024 were born in October. To Westmorland county goes the honor of the highest number of births—1,556, with St. John city and county a close second—1,535, although St. John had a great many more deaths during the same period, the comparison being 1,159 to 752. These figures are not necessarily final as they will probably be increased slightly by subsequent returns, especially for the months of November and December.

The total number of births for the province by months is as follows: For January, 693; February, 817; March, 1,062; April, 975; May, 953; June, 1,012; July, 899; August, 952; September, 849; October, 1,024; November, 799; December, 733.

The total births for the various counties during the year are as follows: Albert, 219; Cape Breton, 488; Charlotte, 597; Fredericton, 219; Gloucester, 1,359; Kings, 498; Madawaska, 911; Northumberland, 1,021; Queens, 278; Restigouche, 802; St. John city and county, 1,535; Sunbury, 152; Victoria, 401; Westmorland, 1,550; York, 661.

The largest number of deaths for any month occurred in August when 567 took place with March a close second, having 553. The largest number of marriages, took place in the city and county of St. John and October heads the list with 462 weddings while November is second with 455. The supposedly favorite month of June only ranked third place with 414.

Not A Cure For Tuberculosis Yet

Paris, Mar. 8.—Inquiry in French scientific circles clearly establishes that none of the several processes recently reported in the Paris press as "cures" for the tuberculosis may be regarded scientifically as a sure remedy for that dread disease.

At the Pasteur Institute Dr. A. Calmette, acting director of that famous centre of laboratorial research, said that as yet medical science wholly lacked a definite solution of the problem of successfully slaying the bacillus of the "white plague."

A Gentle Laxative For The Children

Mothers—the surest way of keeping your little ones well and happy; whether it is the new-born babe or the growing child is to keep their bowels regular and their stomach sweet. Nine tenths of all childhood ailments are the result of clogged bowels and sour stomach. The most necessary and the best medicine for little ones is a gentle laxative—something that will relieve constipation; sweeten the stomach and promote rest and natural sleep. Such a medicine is Baby's Own Tablets. They are a gentle but efficient laxative; are absolutely guaranteed free from opiates or other injurious drugs and may be given to the youngest infant with perfect safety. They banish constipation and indigestion; break up colds and simple fevers and give the baby that health and happiness which all children should have. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Lima Bane thinks the fellow who promulgated the idea that clothes do not make the man was in need of a new suit.

Ontario Plans To Take Vote On Prohibition

Toronto, March 2.—Campaign plans in connection with the referendum to be taken on April 18, have been decided upon by the recently elected managing committee of the Ontario branch of the Dominion Alliance according to an official statement given out here tonight. It has been decided to issue a series of colored posters, a series of leaflets, bearing directly upon the coming fight between the temperance party of the province of Ontario with the injunction "Vote Yes."

Public meetings will be held throughout the province and a series of mass meetings will be held in Massey Hall here on Sunday afternoon when international prohibition leaders will give addresses. A bureau will be instituted for the purpose of supplying campaign speakers to local committees throughout Ontario.

Why Canadians Have Had Mild Winter

Toronto, Feb. 28.—Canada's comparatively mild climate this winter has been due to the Kuroshio or Japanese current, which effects the climate of the Dominion, Sir Frederick Stupart, director of the meteorological office and observatory, Toronto, told an audience at Trinity College here, Saturday afternoon, in an address on "Weather and Weather Changes."

Sir Frederick said that when the current in question was warmer than usual it set up disturbances of the atmosphere in the north which changed the course of the winds. Sir Frederick said rain could not be produced by artificial means. The idea that the moon influenced the weather was a fallacy, he said, also the idea that birds or beasts could tell by instinct the kind of weather that was coming.

Sir Frederick said he had little confidence in the Indians' forecast of the weather.

MILK GOES DOWN IN MONCTON
Moncton milk men have notified their customers that beginning March 8st the price of milk will be 14 cents per quart and 8 cents per pint. Previously the price was 16 cents a quart.

ALARM OF FIRE
The Fire Alarm was sounded last Thursday night at 10 o'clock for a fire in Ald. Durick's residence, but on arrival of the Fire Department, it was found their services were not required.

\$ DAY BARGAINS
Mr. James Stables is giving unusual bargains on Dollar Day. Many lines of groceries are being sold at less than wholesale prices. Read his advert. in this issue and save dollars on DOLLAR DAY.

ANNUAL SALE AND TEA
The annual tea and sale of aprons and fancy work, given under the auspices of the Catholic Ladies' Club, of Newmarket will be held this year early after Easter. The ladies have been busily engaged for some time preparing for the event. Further particulars will be advertised in a later issue of The Union Advocate.

ODDFELLOWS' MEETING
A large gathering of Oddfellows from Loggieville and Chatham attended a meeting with their Douglastown brethren last Friday evening in the Associated Lodges Hall, Douglastown. Several new members were admitted, and the necessary degrees conferred on them. After the meeting a social hour was spent, and refreshments served. Messrs. Chas. Dickson, C. G. Coudst and R. W. Crocker of Newcastle were present.

ELECTRIC LIGHT PLANT DISABLED
The shaft of the large engine of the Electric Light Plant was broken last Friday night about 11 o'clock and as a consequence the smaller engine had to be used. This engine not being large enough to supply the necessary power a number of streets had to be cut off during Saturday and Sunday nights. The old fashioned oil lamp came more because the producer of light. Repairs to the damaged shaft are being effected in Chatham.

BUY AT HOME
Our Town Council apparently does not believe in "Buying at Home." For instance, when the time for the printing of the Town Report comes along, they request quotations from publishers in outside counties of the province, notwithstanding the fact that our own town have two up-to-date printing establishments.

However they have ascertained that the work could be done cheaper at home than elsewhere, and consequently the Town Report will be published by one of the local offices. Actions of this kind do not tend to promote Home Industry; very much, and our Town Council should be the last to resort to such tactics. Where are we going and when do we get there?

HORSE AILMENTS
of many kinds quickly remedied with
DOUGLAS' EGYPTIAN LINIMENT
The best all-round liniment for the stable as well as for household use. Cures thrush, sprains, bruises, STOPS BLEEDING INSTANTLY AND PREVENTS BLOOD POISONING. Keep it handy.

"Cascarets" for Constipation
Just think! A pleasant, harmless Cascaret works while you sleep and has your liver active, head clear, stomach sweet and bowels moving as regular as a clock by morning. No griping or inconvenience. 10, 25 or 50 cent boxes. Children love this candy cathartic too.

SUGGESTION OFFERED
The suggestion of holding a plebiscite on Daylight Saving, at the Town Election has been offered. It would at least settle the matter for all time.

CORRECTION
In the report of the Miramichi Hospital Aid Mite Collections as contained in our last week's issue, the amount collected by Mrs. McCullum should have read \$6.90 instead of .90 cents.

COMMERCIAL CLUB
A meeting of the Commercial Club will be held in the Town Hall, Thursday evening March 10th at 8 o'clock. All members are requested to be present.

ARRANGING GAME
An endeavor is being made to have a play-off between Sussex, winners of the Eastern Hockey League and Chatham winners of the N. B. League. It is stated the game will be staged in Moncton this week.

A FAVORABLE CHANGE
Friday morning brought a favorable change of weather. The rain and wet streets, which were noticeable since Monday were replaced by a welcome sun and dry sidewalks. Skating is again available and the young are more enthusiastic than ever.

GRADUATED
Among several New Brunswick young ladies, who graduated last week as registered nurses from the Royal Victoria Hospital of Montreal, is found the name of Miss Muriel F. Bate, daughter of Rev. and Mrs. W. J. Bate of Newcastle, N. B.

ADDRESS AND PRESENTATION
On Wednesday evening the Gladstone Service Girls met at the home of Mr. and Mrs. Burton Somers and presented their teacher, Miss Flora McCulloch, with an address and a teacher's Bible. The address was read by Miss Mildred Somers and the presentation made by Miss Muriel Scribner. Miss McCulloch made a suitable and feeling reply, expressing her appreciation of the gift and the spirit which promoted it, also her regret in saying farewell to the class. Miss McCulloch left town on Saturday.

WITH GOVERNMENT?
The Fredericton Mail in speaking of the provision for seats in the local legislature, which opens on the 11th inst., says:
Although there is no indication yet in the provision of seats, where the members for Northumberland will sit, it is reported, and the report is based upon good authority, that the four members for Northumberland will be seated upon the Government side of the chamber and will vote with the administration.

ST. PATRICK'S CONCERT
St. Mary Choir will this year present that Modern Comedy Drama "Nothing but the truth" by James Montgomery.
It is possible to tell the absolute truth for twenty-four hours.
It is, at least Bob Bennett the Hero, of Nothing but the truth, accomplished the feat.
The bet he made with his business partners, and the trouble he got into, and out of with his partners, his friends and his fiancée. This is the subject of this tremendous comedy hit, "Nothing but the truth."
Don't fail to come and see it. There is not a dull moment throughout the three acts.

MCELLELLAN CUP TO REMAIN IN BATHURST
Owing to the failure of Stellarton, N. S. to show up last week for their scheduled game with Bathurst for the custody of the McLellan Cup that famous curling trophy will remain as a table decoration of the Bathurst curling rink for another season.
The Stellarton boys had the last call on the Cup for the present season, and by forfeiting the game Bathurst retains the trophy.
The schedule of games for the past season, together with the scores in the games played, follows:
Jan. 7. Halifax 66 Mayflower 33 Chatham defaulted
Jan. 12. Halifax 71 Amherst 36 Fredericton defaulted
Jan. 19. Halifax 52 Bathurst 62
Jan. 26 Bathurst 51 Truro 45 North Sidney defaulted Westfield defaulted New Glasgow defaulted
Feb. 16. Bathurst 46 Maccan 25 Sidney defaulted Oxford defaulted St. Harton defaulted
Three challenges have already been received for next year, as follows: Halifax, two rinks; Truro, three rinks; and Maccan, two rinks.

SPRING WEATHER
Several days of last week were more like days in April than of March, and gave rise to visions of an early spring.

What To Do For Stomach Trouble

Good Advice From One Who Had Suffered Much

Nine-tenths of all forms of indigestion or so-called stomach trouble are not due to the condition of the stomach at all, but are caused by other influences. The great contributing cause of indigestion is thin, blood poor blood and plenty of it is required by the stomach to take care of the food. If the blood is thin the stomach functions sluggishly, food is undigested, gas forms and causes pain in various parts of the body. Instead of getting nourishment from the blood the system gets poison.

Relief from this condition can be obtained by the tonic treatment which Mr. D. Shaw, Mt. Stewart, P. E. I., tried and now warmly recommends to others. Mr. Shaw says: "I suffered from indigestion for over four years, and have tried many of the well-known remedies for such troubles, but never obtained more than temporary relief. The trouble was aggravated by constipation setting in owing to the stomach failing to do its work, and laxatives only gave relief to the bowels and left the stomach in worse condition. The result was my blood was growing more and more anaemic, I did not sleep well at night and was growing despondent. I was in this wretched condition when a friend advised me to try Dr. Williams' Pink Pills. I got three boxes and by the time they were finished there was some change for the better. This greatly encouraged me and I continued taking the pills for some three months, by which time my stomach was all right again, my blood good, nerves strong and life was again worth living. My advice to all who suffer from stomach trouble is to give Dr. Williams' Pink Pills a fair trial."

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
