KNIGHTS CELEBRATE AT WOODSTOCK

Ivanhoe Lodge, Knights of Pythias, of Woodstock on Wednesday evening last celebrated the 52nd anniversary of the founding of the order by a banquet in their Castle Hall at Woodstock. There was a good delegation from Brighton Lodge, Hartland, and the affair will long be remembered by all who participated in the festivities. Eighty-five sat down to handsomely decorated tables presided over by the ladies of Rowena Temple, Pythian Sisters, and full justice was done to the course dinner provided by the sisters under the guidance of their illustrious Chief, Mrs. Fred Moores.

After a toast to the King, the British Empire and her Allies was proposed and replied to by Fred Squires, who did justice to his subject in an able patriotic speech, which was frequently punctuated by applause. The speaker said Canada today was the British Empire—a full-grown whelp of the lion. The British peoples are the mightiest peoples that the sun ever shone on. Germany says time has come when, according to the general run of history, Great Britain shall fall; but, unlike all other empires, the great British empire will not fall, because her foundation is built on love, honor and loyalty. Germany has not the money, the soldiers or the grit to kill her. The British soldier has always gone to battle as the bearer of the Cross, and when dying did so as a martyr.

In replying to the toast to the Grand Lodge, Grand Chancellor H. H. McElwain of St. John said he has not given as much attention to his work as he should, for he has been largely engaged in the work of recruiting and has sent his two sons to do battle for the empire. There has been no new lodges instituted since his election to office, but the order in this domain is holding its own, many lodges making gains. The Grand Chancellor announced that he would be in Hartland when the new Temple of Sisters was instituted here and would become a "Sister" in the Hartland Temple. February 19 was the 52nd anniversary of the founding of the order and for 46 of these years the order has flourished in New Brunswick. The insurance branch has paid out over \$40,000,000 and there are now 750,000 members.

The toast to Brighton Lodge was next honored, coupled with the names of A. A. Nevers and A. D. Colwell, who dealt with the conditions as prevailing in Hartland and hoped for great benefits to result from the organization of the Sisters branch of the order.

Messrs. Day of Moncton and Strain of St. John fittingly replied to the toast to visiting brothers.

"Our boys in khaki" was responded to by Major Lachlan of St. Stephen, who is with a contingent of the 104th at Woodstock. The Major said he was not wuch on the talking proposition, but had given himself and all his boys to the cause of the empire.

W. P. Jones answered the toast to The Professions in a neat speech, in which several humorous incidents were referred to. "The Mercantile Interests"

were well looked after by Messrs. Noddin, Dent and Crighton.

About 1.30 a. m. the pleasant function was brought to a close by singing the national anthem.

Upper Brighton Notes

The many friends of Pte. Jas. Dickinson are delighted to know that he is so far improved in health as to permit him leaving the Fisher Hospital at Woodstock and come to Hartland.

Robt. Kidney and family spent the week-end at Weston with his father who is ill.

A number of pleasant days were mutually enjoyed last week when Mrs. Arnold Crabb got "storm-stayed" and had to extend her visit with her parents over Sunday.

The Forth Commandment is to be brought home to us once more in a good old practical way on Sunday March 18. The Primitive Baptist denomination will hold their quarterly meeting in their church.

On Thursday Mrs. Roy Rigby spent a pleasant afternoon with Mrs. Robt. Blackie.

Mr. and Mrs. Chas. Carr enjoyed the week-end at Woodstock. They were attending the Reformed Baptist quarterly meetings.

"Pte. Mike" braved the slush of the roads and the threatening weather on Sunday to come all the way from Woodstock to pay a visit at the home of Chas. Carr.

The members of the local missionary society gathered at the home of Mrs. Addie Campbell for their monthly meeting and tea. The pleasing hospitality of the hostess made the event one of unusual pleasure. The next monthly meeting will be at the home of Mrs. Carey Rideout.

The home of Mr. and Mrs. Scott Hallett, once more gladdened by the arrival of another sweet baby girl.

Friday last Mrs. C. R. Hatfield was the guest of her cousin, Mrs. Roy Rigby, returning to her home at Simonds in the evening.

Cook Dickinson of Carlisle spent Monday with his sister Mrs. Morris Jordan.

Royalton Red Cross Society

The annual meeting of the Red Cross Society of Royalton was held Oct. 7, and a report of the year was read showing quite a successful year for a small society. The same officers were elected for the next year as the year before: President, Mrs. Charles Simonds; 1st vice, Mrs. Charles Jones; 2nd vice, Mrs. George Buchanan; purchasing committee, Mrs. Bert White and Mrs. William Crafford; Secretary, Mrs. Harry Wade. Number of members 26.

The report showed that the following work had been done during the year: 97 pairs socks 8 pyjamas suits, 5 pairs cotton shirts, 1 flannel shirt, 2 doz. handkerchiefs, surgical night shirts. Made at Red Cross supper, \$13.70; made at Red Cross picnic, \$29.05. Sent \$10 to Red Cross Hospital, England.

NO AGREEMENT WITH VALLEY R.R.

Following is Mr. Carvell's query, addressed to the Minister of Railways in Parliament, and the latter's reply thereto:

Mr. Carvell—1. What amount of money has been paid by the Intercolonial Railway or the Government of Canada to the Government of New Brunswick as their proportion of the earnings of the Valley Railway, so-called, down to December 31 last?

2. Has the province of New Brunswick received 40 per cent. of the gross earnings of said railway since the beginning of its operation? If not, what percentage of said earnings has the province received?

3. Was an agreement signed between the two governments around the first of January, 1915, or shortly thereafter, for the operation of the said railway on what is known as the 40 per cent. basis?

4. Has a new agreement been entered into between the two governments within the last month or six weeks as to the operation of the said road and the distribution of the earnings thereof?

5. Under said agreement, what proportion of the gross earnings are payable to the province of New Brunswick?

6. Did the Department of Railways and Canals, in the month of December last, order the cessation of the operation of the said road to take effect on the 1st day of January instant?

7. If so, what were the reasons for such order?

Mr. Cochrane—1. None, but there is due to the province of New Brunswick, under the arrangement whereby the province was to receive 40 per cent. of the gross receipts, \$13,733.65, accruing during the nine months ended December 31.

2. No. From the commencement of operation, January 1, 1915, until March 31, 1915, the arrangement was that the province and the Dominion should each one-half of the deficit, if any. Under this arrangement the province owes the Dominion \$2,977.51.

3. There was no formal agreement.

4. No.

5. Answered by No. 4.

6. Ordered cessation of the temporary arrangement which led to negotiations which resulted in the order to continue operation after January 1, 1916, on terms to be arranged.

7. The non-completion of the road.

Primitive Baptist Quarterly Meeting

The quarterly meeting of the Primitive Baptists will convene with the P. B. church at Hartland the third Saturday in March, 1916, at 10.30 a. m. The Sentinel and Press, Woodstock, please copy; and the Mars Hill View at Blaine please publish this notice for the benefit of the Primitive Baptists in Aroostook. We hope for a full representation from ministers and people. Per order of committee, P. J. Quigg.

Buy Carr's Special Indo-Ceylon Tea, only 35 cents per pound. It comes in bulk so you won't have to pay for lead packages and fancy labels.

These are now in the hands of the merchants. Stock for these brands has been most carefully selected and every effort has been put forth to maintain the standard which has given them such a splendid reputation.

USE BORDEAUX MIXTURE

Farmers who did not administer Bordeaux mixture to their potatoes last year made a great mistake. Those who used Bordeaux on their potatoes got from one third to one half more barrels of potatoes to the acre than those who did not.

It has been a question with the farmers of Carleton county whether it pays to "Bordeaux" or not. Our neighbors in Aroostook county, who have had much more experience in raising potatoes than we have, have come to the conclusion that they will undertake to raise potatoes with inferior grades of fertilizer or even without fertilizer, but they will not undertake to raise potatoes without using Bordeaux next year. They find that when they use Bordeaux five or six times during the season they need little or no paris green. Paris green is likely to cost from forty to fifty cents per pound this year and by using Bordeaux mixture our farmers will need much less paris green.

Blue vitriol, one of the chief components of Bordeaux mixture is about double the price it was last year, but our farmers are already procuring their season's supply. With seed from \$3 to \$4 per barrel and low grade fertilizer at the present high price there will probably be less potatoes planted, but they will be better cared for than ever.

10 CENT "CASCARETS" IF BILIOUS OR COSTIVE

For Sick Headache, Sour Stomach, Stagnant Liver and Bowels—They work while you sleep.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. This is the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fever, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

Windsor Whispers

George Orser who has been confined to the house for several weeks has gone to Carleton to work in Stockford's mill.

Arthur Orser is out again after a very bad attack of rheumatism.

Henry Smith has at the present time about 18 pairs of horses hauling lumber to Beecher Stockford's steam mill. Several parties are hauling lumber from Windsor to this mill and it looks as if Mr. Stockford will be kept busy till the midsummer.

Mr. Smith's operation will amount to several thousand dollars. This means a lot to the people of Carleton and Windsor.

Your correspondent had a letter from Private Lee Dyer who went over in the 55th Batt. and was at the time of writing stationed

at Bramshott, England. Mr. Dyer stated that they had a fine time going over, that England was a pretty place but it could not compare with dear old Canada. He also said that the Canadian boys were used fine and had plenty to eat. To prove that he is telling the truth he now tips the scales at 215. Mr. Dyer added a P.S. to his letter saying that he would like the boys to send him some good tobacco as what they get there is very poor. Those who have contributed to this fund are B. B. Shaw, M. L. Hayward, Manzer Prosser, Geo. Pratt, Robert Clendinning, Wm. Forest, Loresson Shaw, H. L. Dickinson. Thank you, boys; your contribution will be sent on Feb. 28 to Mr. Dyer by parcel post.

A large congregation gathered at the Armand church to pay the last tribute of respect to Mrs. Leslie McKenzie who died at the home of her parents Mr. and Mrs. Robert Mean, Feb. 21, and was buried Feb. 23. Services were conducted by Rev. G. A. Giberson.

Manzer Prosser proprietor of Bluebell Farm will be pleased to show anyone interested in swine a breed sow from which he has realized \$160 since April, 1915.

EAST FLORENCEVILLE AIDS THE JEWS

At East Florenceville last evening there was an entertainment and basket social in aid of the war stricken Jews of Europe. It was the biggest event of the kind, and unique in that Christians and Jews met on one common ground for humanity's sake. On the speakers' platform were Rev. M. H. Manuel, Rev. George A. Ross, Rabbi Barenhaltz and Benj. Fine, each of whom delivered stirring addresses. Practically all the Jews between Woodstock and Grand Falls were present as well as a great concourse of Christians. The good sum of \$180 was realized. Knowles' orchestra was brought from Fort Fairfield and the expense was borne by the Jews.

HAIR OFF DANDRUFF, HAIR STOPS FALLING

Save your hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Danderine from any drug store. Surely can have beautiful hair and of it if you will just try a little Danderine. Save your hair!

Amazed at New Brunswick Prosperity

Fred Robinson of Nelson, B. C., has been visiting his aged mother at Lower Brighton. Mr. Robinson left his native hamlet 35 years ago and resided in the far west ever since, his last visit here being 16 years ago. He has made money in manufacturing lumber and is a typical westerner. Mr. Robinson says his mills have not turned a wheel since the war began, and that in the west times are much depressed because of the European conflict but he is cheerful and optimistic. Here in the east he was rather amazed to find that because of the war business was booming in greater volume than ever before. Yet some people continue to cry hard times.

Card of Thanks

We wish to express our deep gratitude and thanks for kindness of friends and neighbors shown to us during the sickness and death of our daughter, Mrs. Leslie McKenzie, who passed away on Feb. 21.

New wall papers—latest designs—at Belyea & Estabrooks.

Mr. and Mrs. William Keays spent the week end in Fort Fairfield.

There are still some idle able-bodied youths standing around not clothed in khaki.

We seldom escape a year without a winter in this country. February had some stormy days.

Miss Elsa Sipprell, who is attending Fredericton Business College, spent the week-end at home. Miss Sipprell is making excellent averages in her work.

Archie Stevens came from Woodstock on Saturday and spent Sunday at his home here. Returning on Monday he was accompanied by his sister, Miss Etta Stevens, who spent the day in town.

In a "patriotic drawing" at St. Stephen's automobile went to a resident of that town, while in Hartland Rex York drew a bag of sugar and George E. Taylor an oil heater. Alexis J. Parent of Grand Falls drew a silver urn and R. G. McFarlane of Plaster Rock a pump.

Misses Grace Tompkins and Willa Hunter of East Florenceville were recent guests of Mrs. David Underhill. On Monday Miss Tompkins left for Boston to attend the millinery openings, after which she will resume her position with R. W. Estabrook at Perth.

A. A. Barter has moved from the Randolph Day house, recently purchased by Harry Gillin, to James Hull's new house. Mr. Gillin moved into his new possession yesterday and Rev. N. Franchette will take the rooms in the Keith & Plummer building he vacated.

Howard McDonald, of Cloverdale, met with sudden death in the lumber woods, near Millville. He was at work in the yard when a large log started rolling, striking him lengthwise of the body, crushing his back in several places and breaking his shoulders. He leaves a wife and seven small children.

At White Glen, last week, after a lingering illness, Mrs. John Gilland passed away, leaving a husband and five sons to mourn their loss. Vernon, Eugene and Charles, in the west, and John and William at home. Great sympathy is felt for the husband, who is very ill, and there but little hope for his recovery.

When returning home from prayer-meeting at Lower Brighton on Thursday night Rev. Geo. Kincaid had the misfortune to get upset. His horse became frightened and ran all the way home and was nothing the worse for the run, on some warmer than he would have been had the pastor had the reins.

Florenceville Notes

On Friday evening a party of young people, chaperoned by Mr. and Mrs. Scott Sipprell, drove to Woodstock and were entertained at the home of Miss Jennie Faulkner. The party included Janet Carpenter, Ruth Sipprell, Mattie, Eva and Pearl Rideout, Etta Stevens, and Arnold and Garfield Rideout, Kenneth Keith and Arthur Shaw.

The death took place recently at Williamstown of Mrs. John King, aged 70 years. She was a daughter of the late Andrew and Sarah Jamieson and leaves besides and aged husband three brothers, Andrew, Thomas and Handford, and two sisters, Sarah and Mrs. Ruel Fowler of Lakeville. She also left an adopted daughter, Mrs. Burns King, Lakeville, who was formerly Miss Annie Gillespie, of Glassville.

Pythian Matters

The Deputy Supreme chief of the Pythian Sisters will arrive here on Monday to institute a Temple for Hartland. She will remain until Thursday afternoon instructing the officers in the work of the order. Eligible members have been invited to meet the lady at Castle hall Monday evening to get acquainted and prepare for Tuesday's work. The Deputy Grand Chief of Maine, Mrs. Hovey, and Mrs. McPherson, the Deputy at Mars Hill, will also be here for the institution of the new Temple. On Tuesday evening it is proposed to give the two degrees to a class of Knights.

The social evening on Tuesday for which the Knights have issued invitations, has been postponed until a later date, as that evening is required by the Deputy Supreme chief of the Sisters to advance the work of the Temple.

PERSONAL AUTOMOBILE TALKS

Number 7

Why am I in a better position to serve an intending buyer than any competitor?

1st. Because of greater knowledge gained: By years of experience driving different makes of cars; by a large number of visits to many automobile factories, assembly plants and motor shows.

2nd. Because my time is all given to the motor business, and not divided with other interests.

When you consider buying your car come to me for expert advice.

When you have bought your "Ford," remember that I will not be engaged in any other business, but will have time to help a beginner with his problems.

REPORT OF THE RIVER COMMISSION

General recommendations made by the joint commission on the St. John river are:

That the storage dams mentioned in the report be built at the joint expense of the United States and Canada.

Note—These dams are to be at the outlet of several lakes at the headwaters of the river and its tributaries.

That by reciprocal legislation or otherwise, there be established an international board of commissioners, consisting of three members: One to be appointed by the government of the United States, one by the government of Canada and the chairman by the joint agreement of the two governments for the purposes following:

To regulate the use of all waters stored by the dams above recommended whereover said waters are to be used and to make rules in respect thereof.

To supervise the making of any improvements in the channels of the river and its tributaries for which the two governments may from time to time make provision.

To regulate the sorting of intermingled logs on all parts of the river and its tributaries to which their jurisdiction in respect of such sorting shall be made to extend and to make rules in respect thereof and to see that the same are obeyed.

The commissioners on behalf of the United States maintain that said jurisdiction over the sorting of logs should extend from the booms at or near Fredericton, including the same to the head-quarters of the river and its tributaries whenever sorting works now are or may be hereafter established and whether the same be wholly in Maine or wholly in Canada.

The commissioners on behalf of Canada maintain that such jurisdiction should be limited wholly to those parts of the rivers which are boundary waters within the provisions of the treaty of 1842.

That prize or no mark logs should be sold each spring by public auction at such time and place as may be agreed upon by the owners of intermingled logs in the river, such prize or no mark logs separated from other logs at such sorting works on the river as the purchaser may designate and there to be scaled and delivered to the purchaser.

That the proceeds of sale of no mark or prize logs less the expense of driving, sorting and scaling the same, be equitably distributed among the owners of marked logs entitled to share in such distribution.

That the provisions of the existing legislation in respect to the distribution of the proceeds of prize logs delivered to the purchaser at booms near Fredericton, be amended to conform to the last two preceding recommendations.

Grand Falls: The commission has stated its general views in regard to Grand Falls. The company controlling the shore rights was requested to submit its plan

of proposed development for approval. No plan was submitted and the commission is not able to make specific recommendations in respect thereto.

Regarding the Telos Canal and Chamberlain Dam, Hon. Mr. Madigan, commissioner on behalf of the United States, declines to make any recommendation in regard to Telos Canal and Chamberlain Dam for the following reasons:

First, That it is not within the jurisdiction of this commission.

Second, That the right to divert the water of said lake as at present has become absolute as a matter of law.

Third, That valuable vested interests on the Penobscot River have been acquired since this right so became absolute.

Fourth, That a conservation of Churchill Lake and its tributaries will afford sufficient water for the Allagash River.

The Canadian commissioners, and P. C. Keegan, on of the commissioners on behalf of the United States, recommend as follows:

That if the storage dams for log driving purposes recommended in this report be built. It will not be necessary to meet the requirements of log driving to change the conditions now existing at Chamberlain and Telos lakes; but, if such dams are not constructed, that measures be taken to determine, by international agreement, or by obtaining the judgment of some competent tribunal, whether, by prescription or otherwise, the continued diversion of water by means of the Telos canal and dam and the Chamberlain dam is lawful; and, if found to be unlawful, that the said works be taken over by and at the expense of the State of Maine, and operated under the supervision of the said board of commissioners for the joint benefit of the St. John and Penobscot rivers, giving to each river, so far as may be possible, an equal share of the stored water, as the exigencies of log driving conditions may require and that the cost of maintenance and operation be borne by the owners of both said rivers in proportion to their respective quantities of logs, or failing such an arrangement, that the Chamberlain and Telos dams be taken down, the Telos Channel closed up and the waters of the Chamberlain system allowed to run in their natural channel down the Allagash river.

The commission has a great many valuable surveys made of the St. John river and its tributaries, which ultimately, when the river is improved, will be of the utmost value and will aid considerably in making this immense watercourse a more important lumber and pulp outlet and the site of important power developments.

Lumbermen on both sides of the border will regret that no agreement has been made in regard to booms on the St. John river, this matter, as previously stated, having been immediate cause of the formation of the commission.

Restored To Health By "Fruit-a-tives"
The Famous Fruit Medicine

MRS. ROCHON

Rochon, P.Q. March 2nd, 1915.

"I have received the most wonderful benefit from taking 'Fruit-a-tives'. I suffered for years from Rheumatism and change of life, and I took every remedy obtainable, without any good results. I heard of 'Fruit-a-tives' and gave it a trial and it was the only medicine that really did me good. Now I am entirely well; the Rheumatism has disappeared and the terrible pains in my body are all gone. I am exceedingly grateful to 'Fruit-a-tives' for such relief, and I hope that others who suffer from such distressing diseases will try 'Fruit-a-tives' and get well."

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

John Laskey

Mount Pleasant has just lost one of its oldest and best citizens through the death of John Laskey which occurred on the night of Feb. 16. Mr. Laskey had been in fairly good health until stricken with paralysis on Monday night. He was 80 years of age, and leaves to mourn the loss of a kind and loving father, three sons, Elvin, with whom he made his home, and William of Coldstream, besides one who is in the West. We feel that their loss is his gain and would commend the sad ones to the keeping of Him who doeth all things well.

The religious services were conducted by Rev. P. J. Quigg of Peel. The Orange Lodge, of which he was a member, were present and buried Bro. Laskey with the honors of the order in their solemn and impressive burial service.—P. J. Q.

Manzer Prosser has gone to Bangor to visit his brother Nevers who spent the summer in the west.

Cured Fifteen Years Ago of Piles and Eczema

By Using Dr. Chase's Ointment—Certifies That the Cure Was Permanent.

"Some people have tried so many doctors and so many treatments in their search for cure for piles and eczema that they find it difficult to believe there is an actual cure."

The strong point about Dr. Chase's Ointment is that it not only brings relief promptly, but brings about actual and lasting cure.

In 1897 Mr. Ketcheson, 38 Douro street, Peterboro', Ont., wrote as follows:—"I was troubled for thirty years with itching piles and eczema. I could not sleep at night, and when I got warm the itching was terrible. Eczema covered my legs down to the knees, perfectly raw. I have tried

every preparation I could hear of seeing Dr. Chase's Ointment advertised, I procured a box, and this Ointment effected a complete cure."

On Sept. 23, 1912, Mr. Ketcheson wrote as follows:—"I received a letter from you to-day, saying that you found on file a statement made by me 15 years ago. I have always given Dr. Chase's Ointment a good name since it cured me, and shall tell you how I came to use it."

"I had suffered for many years from eczema and piles, and had tried doctors and everything I could hear of in vain. Reading about Dr. Chase's Ointment, I purchased it at once, and was soon completely cured. That was fifteen years ago, so there can be no doubt of the cure being a permanent one. I have met a great many people who have been cured by Dr. Chase's Ointment."
