DOMINION ANTHEM.

Our Country and our Governor. AIR: NATIONAL ANTHEM.

God bless our country free -The young Confed'racy, God bless our land. May it in strength increase, And long remain in peace,

God bless our land; Our Union, Lord, preserve, Ne'er may our people swerve From loyalty, Protect from foreign foes, And all those ills alld wees Which from rebellion flows; We ask of Thee

In wisdom nee'r decrease,

Bless thou our sovereign head, By Thee may he be led Wisely to rule. And may his counsel be Famed for integrity-From base corruption free,

God bless his rule. Who rul'st with power and love, Descend and bless,

Formations that would be Great, glorious and free, Must ever reverence Thee-

Monuments to the Dead.

"Man is a poble animal, splendid in asi,es and

tended to honour and penetrate the memory of the dead. These structures differ in size, bag, lay on her lap. She had sat, there almost form, and elegance of design. In the early periods of society they were simple in their form and rade in their execution; as civilization and the arts became diffused, there was introduced into their greater variety of embed.

The dark-haired clerk emerged from his the dark-haired clerk emerged from his the dark-haired cold and passive in Frank's grasp.

You'll stay Minnie?

No. She shook her head determinedly.

They was must be made to stay, said Frank.

civilized climes, and whatever may be their external appearance, the motives we know which led to their erection are the same in all countries. Sorrow for the dead is a feeling natural the human heart, and this, coupled with the affect comte desire to perpetuate the mem-ory of beloved friends, has in all ages of the world led the living to raise some memorial over the dead. Such monumental structures, hallowed spot which contains their buried dead him some time ago. hallowed spot which contains their buried dead or by some wandering tribes, or civilized ma tions, over the final festing places of their celebrated warriors and sages, displays a fine feature in human nature. We never behold a monumental structure without feeling more elevated ideas respecting the nature and desting of war. These mute memorial of war.

Miss Harian, we have sect to Mr. Harring-morning tiny of man. These mute memorial of kor-While they utspecting the fragility of man, they at the same handle of her faded carpet bag.

"—And we regret to inform you that he

Edurath, Which is Bethlehem. And Jacob

have no friends.

I have no friends.

The moduments which men erectes had springful and stability which do not belong to those of form modern date.

In the monuments which they erected to the dead, this was particularly the case. Such structures seem to have been built for almost almost a tear.

The pillar raised by the particular the tease that sail does almost a tear.

That is all the money I have in the world, in existence many centuries after it was erected. In the book of Samuel, (I Sam, x. 2) in the sail, though the tear of his peur is indeed on mention made of this pair; but it is highly probable that it was still standing and that to it, as indicating the grave of fife partiarch's beloved partner, was applied the diametre.

In the monuments which they erected to the dead of six pairs and the partial form my only relative for such a more whim. It is in the more in the world are you going to do: I to which are of solid, nearly sexped to comprehensive to the said, houseley; I can't be partial from my only relative for such a mind two men'ty.

In the monuments which they erected to the case. Such the more of the more in the world and the partial from my only relative for such a mind two men'ty.

It wonder it he calls the marriage service in idea on mention made of this pair in the world are you going to do: I don't know sir. Is not there a workloams or some such place I could go to, until I could diam't the partial form my only relative for such a more whim. I would not such a more whim.

I wonder it he calls the marriage service in silence.

In the same book of the Old Testament, (i. 18), it is the part of the part in the world are you going to do?

In the same book of the Old Testament, (i. 18), it is the count of the part in the world are you going to do?

In the same book of the Old Testament, (i. 18), it is the count of the more than the partial from my only relative for such a mind the part in the world are you going to do?

In the same book of t

other just buried. She was a beautiful brown-haired girl, with

My mother's uncle shall hear her pleaded through my own lips. Oh, I wish my heart would not throb so wildly! I am no longer meek Minnie Harlan; I am an orphan pattle with her own single hands

Lower Broadway at seven o'clock P. M .polipous in the grave."-Sir Thos. Browne. Minnie Harlan sat in the corner of an ex-The practice of erecting monuments to the dead is of great antiquity. It is almost cognitive tounded by bexes and wondering whether the val with the existence of the human race.— Into whatever region of the earth we penetrate and tunult. Her dress was plain—gray pop we cannot go far without having our attention attracted by some monumental structure, in-

sacred historian in the course of his narrative if you can trust me.

And you must come now, for the great house refers to "the great stone of Abel whereon Trust you? Minnie looked at him through is as lonely as a tomb.

refers to "the great stone of Abel whereon they set down the ark of the Lord; which stone remaineth until this day, in the field of Joshua the Beth-shemite.

"SENT BY EXPRESS."

Trust you? Minnie looked at him through violet eyes obscured in tears. Oh, sir, I should be so thankful.

How late you are, Frank. Here, give me your overcost—it is all powdered with snow, and—

But Frank interrupted his bustling, cherryMarian Harlan was alone in the world—her elecked mother, as she stood on tip toe to take

off his outer wrappings.

She was a beautiful brown-haired girl, with soft shy eyes of a velvet gray; and rdsy lips compressed to a firmness far beyond her years. For after all she was only seventeen, and so Deacon Gray was telling her, as he sat by the fire spreading his huge hands over the tardy blaze and asked:

But what are you going to do to 'arn your But what are you going to do to 'arn your blaze and asked and butter?

The New York Tribune relates the follows floats in water.

The New York Tribune relates the follows floats in water.

The New York Tribune relates the follows floats in water.

But what are you going to do to 'arn your Bunche, and I knew you wouldn't refuse her. When Mr. Hughes the inventor of the prints a corner here until she could find something by prize, the Emperor took his hand, making him to do.

When is a for the New York Tribune relates the follows floats in water.

But what are you going to do to 'arn your a corner here until she could find something by prize, the Emperor took his hand, making him to do. bread and butter?

I don't know—Mamma had an uncle in New York who—
Yes, yes—I've hearn tell about him—be was mad 'cause your mother did not many just to suit him, wasn't he?

Cose up stairs, my dear; you are welcome as flowers in May. Frank, you did quite right.

The days and weeks passed on and still Minner a few minutes, hoping that she would admit him into her secret meditations; but she did not, and the Dencon went home; to tell his wife that "that Harlan girl was the queerest creature be had ever come across.

In the meanthne Marian was packing her few scintly things into a little-carpet bag, by the wird flekering light of the dying wood the weird flekering light of the dying wood. Fig. 1. The meantine Marian was packing her few scanty things into a little-current bag, by the weird flickering light of the dying wood fire.

I must, dear Mrs Evans. Only think—I have been here two months to-morrow; and the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts and music, the single short that he heard over all the shorts are death to his first that he heard over all the shorts are death to his first the shorts are death to his first the shorts are death to heard over all the shorts are death to his first that he heard over all the shorts are death to his first the shorts are death to heard over all the shorts are death t was death to his insane ambition as to his deladed dupe, the single cry as of a woman-young, beautiful, and good—ansacring to the last cry of her young husband—'Poor Char-lotta!' 'Poor Maximilian!'.

Minnie.

I must Frank, I have no right further to aggrieved by the policy pursued by the Directors of the Atlantic Cable Company.—

Leading directly from a desire to harmonize No right, ell? Minnie, do you know that the the difficulties, the managing members of the into it? Do you suppose we want to lose our little subseam?

Minnie smiled sadly, but her hand felt very cold and passive in Frank's grasp.

You'll stay Minnie?

No. She shook her head derterminedly. Then you must be made to stay, said Frank. I've missed something of very great value late. I've missed something? Minnie rose, turned by, and I hereby arrest you on suspicion of the the efforts of Mr. Peter Cooper and Mr. D. D. Field the company separated without further amoyance.

The next day Mr. Jones demanded, through of mental and moral science. The intelectual

Mr. Raymond, an apology, which Mr. Field declined to give. Thus matters stood until this afternoon, when the parties met in front of the telegraph office. Mr. Jones instantly I sent to Mr Harringtons address to notify him some time ago. I expect an answer every moment.

Very odd, said the grey haired gentleman. Yes, sir. rather.

Some three quarter of an hour afterward, Frank Evans came to the girl's side with an odescribable pity in his hazel eyes.

The article! Now look fiere by look fiere this afternoon, when the parties met in front of the telegraph office. Mr. Field by the nose and pulled it, in this presence of a gathering crowd, and greatly to the inconvenience of that sacred member.

Some three quarter of an hour afterward, frank Evans came to the girl's side with an odescribable pity in his hazel eyes.

The article! Now look fiere of the telegraph office. Mr. Field by the nose and pulled it, in this afternoon, when the parties met in front of the telegraph office. Mr. Field by the nose and pulled it, in the presence of a gathering crowd, and greatly to the inconvenience of that sacred member.

Some three quarter of an hour afterward, frank Evans came to the girl's side with an odescribable pity in his hazel eyes. the presence of a gathering crowd, and greatly to the inconvenience of that sacred member. Before any one could interfere, a pugnacious pull satisfied the ire of Mr. Jones, and the interested parties separated. Thus ends a second chapter.

The lollowing is an extract from a letter dated Hong Kong, May 15, 1867:—
The Am. barque Rover, Capt. Hunt, left Swatow for Newchwang three months ago, and, when near south of Formosa the ship ran on some rocks and was lost. The captain, his wife and all hands took to the boats, and after willing 12 hours through a heavy see peeched.

specting the fragility of man, they at the same time show that he is not the utterly selfish and ungrateful being that many delight to represent him—that he has in all ages appreciated private and public virtue—and that these who have benefitted and blessed him in life he has she made no allowance for an exigency like this.

A sudden blur came over her eyes—she trembted fike a leaf. In all her calculations, have benefitted and blessed him in life he has she made no allowance for an exigency like by express from Milliagton, lowa, two months since?

Yes, sir—I remember.

Frank, with his pen behind his car as or attempts of the gray-beaded official.

Webster, I want you to tell me what was the most important thought that ever occupied your mind? Mr. Webster slowly passed his famed over his forchead, and in a low tone said to a frieid near him, "Is there any one here who does not know me?"

Yes, sir—I remember.

Frank, with his pen behind his car as or attempts of the gray-beaded official.

Webster, I want you to tell me what was the most important thought that ever occupied your mind? Mr. Webster slowly passed his famed over his forchead, and in a low tone said to a frieid near him, "Is there any one here where the point of the gray beaded official."

Yes, sir—I remember.

Yes, sir—I remember.

An Australian paper annotaces to discovery of a new species of liquid gum, or oil, in that country. A tract of land not less than ten miles square had been discovered which everywhere abounded with bubbling this gum, or oil while all around springs of this gum, or oil while all around were vast quantities of the gum solidified into the consistency of India rubber. This, when exposed to a fire, burns with a bright flame, accompanied by a thick smoke and a smell like old grease. The sub-tance is light and

Mrs. Dawdy says that one of her boys know nothing, and the other dun't. The question is which knows the most.

When is a fowls neck like a bell ?- When is rang for dinner.

What is better than a promising young man?

This is a very gentle world if you do not ub its back the wrong way of the fur. Panch says the inventor of the steam en-

ne was a man of great engine-uity. An old bachelor says he has discovered a omplete cure for love, viz., marriage. "There is a nett gain," as the spider said

hen he caught the fly. It is beauty's privilege to kill time, and ime's privilege to kill beauty-

The Responsibilities of the Stomach. The brain is a noble organ, no doubt; but not withstanding its nobility, its action is not independent. The stomach exercises an im-mense influence over it. If that pleabian organ does not work properly, the brain is sure to be in a middled condition Napoleon's stomach is said to have lost him the advan-What secret is it that is to be so rengiously kept 2 asked Mr. Frank Evans, coolly walking Line the mids of the discussion, with his dark hair tossed about the wind, and his hazel have eves enarkling archly.

Cyrus W. Frank And The Associated stomach is said to have lost him the advantages he might have derived from the battles of Leipsic and Borolino. Fits of despepsin occasion by over eating, are believed to have neverted him from converting into decisive dark hair tossed about the wind, and make brown eyes sparkling archly.

Secret I repeated Mrs. Evans, energetically ways a pacifier:

Which shows that the Cable is not at occasion by over earning are occurrent to make a prevented him from converting into decisive victories the successes he obtained in those manufactures. Stimulate the stomach memorable conflicts. Stimulate the with alcohol, and what is the result? fended organ revenges itself upon the brain-

HOTICE.

CROWN LAND OFFICE, 26th Feb. 1867. CROWN LAND OFFICE, 20th Feb. 1867.

It is ordered in Council, That any person who has procured Land under the Labor Act, (or his Assigns) before the 1st day of January, 1861, but has not yet resided and improved as prescribed by the Regulations, may apply to have the Sale cancelled and the Lot advertised for sale by Public Ametion, subject to the payment of the value of existing improvements; and it such person or his assigns, be the purchaser, fifty per centrof the labor returned will be credited on the purchase.

the labor returned will be credited on the parchase.

It is further ordered, that all Sales before 1st January, 1861, to persons under the Labour Act, and not yet granted, shall be cancelled on the 1st day of November, 1868, and the Lots then become vacant unless such persons do previously perform the necessary conditions of payment, improvement, and residence, or avail themselves of the privilege above offered.

The equitable interest of the parties (or their assigns) who may have made improvements or performed labour on any of the Lots to be sold or forfeited, will in all cases be fully protected against subsequent purchasers; but in no case shall such persons having made improvements on the Lands, or performed labour in part or in whole for such Lands, have any claim therefor upon the Government of this Province.

Draestery, Cramps, and Spasma;
Elikeus Cholic, or Gastritis
Scarlet, Tynheid, or other levers;
Inflammation of the Sure; BADWAY'S READY RELIEF

SHOULD BE TAKEN INTERNALLY.

One dose will stop the pain; its continued use will, in
a few hours, care the paths it. BOW IT CURES. HOW IT CURES.

The secondary indication of RADWAY STEADY RE-LIEF is to cure the patient of the disease or incided that escasions the pain; this it accomplishes rapidly and, ratificially. So right is, the patient transferring from pain, mixer, weakness, and decreptions, to the delight, ful enforment of health and strength, that patients fra-quently sective its tallemanic power to the supernatu-ral influence of uncharkment.

CHRONIC RHEUMATEM CURED.

Twenty Years of Sleepless Nights. Twenty Y care of Stephees Nights.

Vin. Sydney Myrs, Eag., of Harna, Cubn the corespendent of the London Times, siliered with Acute
and Chronic Riccumstain for twenty See years, and forsently years he had not enjoyed one whole night's of in
set. He applied RADWAYS READY ESTEP—It is
ned listely gave him case and source him the wrat can
and undesturbed steep during the twenty years. The
centimed use of the READY RELIEF cured him.

PREVENTION BEITER THAN CURE. THERE IS NO OCCASION FOR SICKNESS When you first feel pain, then take a tenspoonful of the READY RELIFF, in water; or apply it to the parts where you feel the discomfort.

ALL MALIGNANT DISEASES
first give warsing of their presence and if met promptby before they become accurely intrenched within the
system, will be readily expelled.

SIGNS OF SIGNNESS.

Anche, Prins in the Limbs—in the Stomach, Power and Karbeys—Gold Chills, and Hot Prechet. Contrologue, Barring Syn, Nausea, Shivering Jiviliness of Appette, Resissances, Giddiness, Ac., &c., a. a. of Appette, Resissances, Giddiness, Ac., &c., a. a. of the READY RELIEF is sufficient to break up expel diseased action, and restore the patient to

SOLDIERS. Every soldier should carry, with him a supply of Badyay's Ready Relief. Treopplies the piace of all other medicines; and as a beverage, a teaspoorfied the Eslief, to a wine-giest of water, is a nicer, pleashirs slimulant than brandy, whisky, or bitters.

ECKNESS PREVENTED IN THE STR MAINE REGT. ACKNESS PREVENTED IN THE STR MAINE REGT.

Righth Maine regiment, Sergit C, P. Lord, writes that adways Ready Relieft Save-shate regiment from death hills quartered at Tyles island, S. C., when working it the swamps, crecting fortification. Every man stand with Taplacid and other Fevers, Fever and gree, plaintness, physacytery, Rheumastiam, was cured gree, plaintness, physacytery, Rheumastiam, was cured green as the continuous of the Ready Relief.

CAUTION.

In all cases but for Pathway's Ready Relief. Take no other, See that the rignature of Radway & Co. to the outside label of each buttle. Every agent is unspised with a new and fresh stock. Price 25 cents are bottle. Solid by Druggists, Merchants and country klore-keepers.
