## WOLFVILLE SADDENED

By Death of Carl V. Murphy, Veteran of the World War

The news of the death of Carl V. Murphy, which took place on Sunday morning at Westwood Hospital, was heard with sincere sorrow by citizens generally with whom the deceased was justly held in high esteem. Mr. Murphy, who was in the twenty-ninth year of his age, was the youngest son of Mrs. John L. Murphy, Highland avenue, and was the first of five sons who answered the call of their country and served in the Great War.

Enlisting in the fall of 1914 in the 25th N. S. Batt., he was the first of Wolfville's sons to join the colors. In May 1915 he went over seas with his battalion and a few months later went to France with the first troops that crossed the Channel to make up the Second Canadian Infantry Division on the field of battle. He served in France and Belgium until he was wounded on April 10th, 1916, when he was invalided to England. He returned to the front again and once more was wounded on August 8th, 1918. He took part in some of the heavy engagements in which Canadian soldiers participated and always with honor to himself and his regiment. He recovered from both his wounds and returned home and it is not unnatural that the friends in his home town should have anticipated for him a life of usefulness and success in the country which he had fought to save.

Last summer he was taken seriously ill and for weeks hovered between life and death. When his condition finally appeared to be improving his recovery was hoped for, when a relapse resulted in his death as stated above.

The following from the eloquent and feeling address by Rev. Dr. MacDonald at the funeral service is a fitting allusion to one whose passing is a real loss to the country:

"You will all agree when I say that Carl Murphy was the type of young man that Wolfville can ill afford to lose. He grew up in your midst, respected and beloved by everybody. At twenty-one years of age he went to the war and made a good citizen-soldier. His war record is one of unqualified honor. He returned from the war and settled down as a good soldier-citizen, modest, unassuming and tender-hearted as if he had never done a valorous deed or witnessed the unspeakable carnage of the field of battle. He was never known to do an act that was not strictly honorable. He was a young man of peculiarly fine texture and possessed to a large degree the instincts of a real gentleman. One who knew him well said of him today: 'He was honorable and upright in all his ways and conscientious in all his doings. He lived his religion.' Thus spoke one who witnessed his daily life at close range. He lived his religion, translating it into practical life. Last summer when death hovered for weeks by his bedside he told me he believed it was the prayers of the church which had brought him through; and he used to say to his mother that he felt it was prayer that had brought him safely through the war."

"His Comrades in the Great War Veterans' Association will remember him as one of their most gallant and valued members. His brethren in the Odd Fellows' Lodge will hold his name in affectionate esteem. He filled in that society the highest office in the Lodge's gift, that of Noble Grand, and exemplified in his daily life the high and noble principles for which that Lodge stands."

"I remarked that Wolfville can ill afford to lose him. But he is gone, never to return. I can, therefore, in this solemn hour—when we see things at their real worth and have no delusions as to the real issues of life—call upon his friends and comrades, one and all, to devote ourselves with greater earnestness to the things in life that are imperishable and which will leave the world better for our having lived in it. The call is to us all to live a better life, to follow Christ, the Captain of our salvation, with new loyalty and devotion. It is through Him and Him alone that we have hope in death and can attain victory and faithfulness in life."

The funeral service took place at the Baptist Church on Tuesday afternoon and was very largely attended. Rev. Dr. MacDonald conducted the service and Rev. G. W. Miller, of the Presbyterian church, offered prayer. A selection was given by the Odd Fellows' quartette. Members of the G. W. V. A. and Orpheus Lodge, I. O. O. F., to the number of about a hundred, formed in procession and marched to the cemetery where the burial was made with the beautiful ritual of the latter Order, the service being conducted by Rev. G. W. Miller and Mr. J. W. Williams. The pall-bearers were Messrs. Percy Annis, Gordon Murphy and Cecil Hanford, represent-

## WINDSOR DEFEATS WOLFVILLE

In Sensational Hockey Game Winning Goal Scored in Over Time Play

In one of the best exhibitions of hockey ever seen in Wolfville the locals went down to defeat before the Windsor team, last year's champions, last Friday night by the score of 6 to 5. Ten minutes extra time was necessary in order to decide the contest, which was witnessed by over a thousand enthusiastic fans, a large number coming from Kentville and Windsor. The Wolfville Band was in attendance and furnished excellent music before the game and between periods.

Both teams played splendid hockey, although the visitors used more team work. It would be impossible to single out any players as stars as all played a fine game. The playing was exceedingly fast all through the game. Eagles played the game of his life in the Wolfville nets and his wonderful stops drew the applause of the spectators.

The special train bringing the Windsor team was late in arriving and it was after nine o'clock when the game started. After several minutes of hard playing J. MacDonald opened the scoring for Windsor. Soon after Wolfville got a goal which was not allowed on account of an off-side play. Both teams continued to play hard. Try as they could the locals could not get a score while the visitors netted the puck twice more, making the score 3 to 0 in their favor.

The home team's chances looked pretty slim when the play was resumed but they put up a good fight and in a short time scored their first goal amid the cheers of the Wolfville fans. Encouraged by their success the boys continued their hard playing and finally W. Kennedy passed to G. Kennedy who scored number two. Time after time the visitors rushed Wolfville's goal but Eagles was always on the job and they could not get by. W. Kennedy carried the puck behind Windsor's goal and poked in another goal which tied the score, and the period ended amid great excitement.

In the third period both teams came on the ice determined to win and the playing was very fast. W. Kennedy put Wolfville in the lead but they were unable to keep it long as Windsor again tied the score and the period ended 4 to 4.

After a rest it was decided to play for ten minutes longer, five minutes each way. After a brilliant rush W. Kennedy scored and Wolfville's chances looked good. In the second five minutes, however, Windsor scored twice and won the game.

The teams were as follows:  
Windsor—Goal, Smith; defense, McCann, S. McDonald; forwards, J. McDonald, Mosher, Poole; subs, Clarke, Hughes, Cochrane.

Wolfville—Goal, Eagles; defense, Scriven, Harvey; forwards, Hirtle, W. Kennedy, G. Kennedy; subs, Clarke, Rand, Woodman.

### LADY ELIZABETH BOWES-LYON

The engagement announced by the King of his second son, Prince Albert, Duke of York, to Lady Elizabeth Bowes-Lyon, daughter of the Earl of Strathmore, gives general satisfaction because of her British birth. Lady Elizabeth was one of Princess Mary's bridesmaids and it is said that the romance commenced at the wedding festivities. She is twenty-two years of age, clever, high spirited and an accomplished hostess. Her home is Glamis Castle, famed in the story of MacBeth. The family has continuously occupied the Castle for over six hundred years.

### WOLFVILLE SCHOOL NOTES

Will the parents please keep in mind the week beginning January 29th. During that week the half-yearly tests will be given. These are very important, particularly in the High School. If a student makes a good record at the examinations and has also given proof of home-study during the half-year he is advised to continue in certain courses. If not he is advised to discontinue. About twenty-five per cent. of our students fail to give satisfactory home preparation. It seems to me this could be avoided if parents would see to it that the students get their work before going out of an evening. Possibly it is not known that fifteen to twenty minutes is given in the class-room on home-work, and even with this time we have quite a number of cases of unknown lessons.

I have asked my teachers up to Grade VIII to detain no student longer than four o'clock. In some cases it is probably difficult to do this. Teachers invariably complain to me that they would like to give extra time to the children, but it is not possible on account of a request for dismissal. From Grade IX through the High School grades, it is found necessary to detain students for missed lessons. The matter of getting lessons is a simple one and I believe if the parents will co-operate with the teachers the difficulty will be solved. Where there is Unity there is Success.

The support given my staff and myself by the School Board up to the present time has been very satisfactory and I wish to express through THE ACADIAN our appreciation.

We are indeed grateful to Miss Rosamond Archibald for her intense interest in trying to build up a better type of English than is now being generally used. It was particularly gratifying when Miss Archibald suggested a Lecture Demonstration with the School. The results obtained at the Opera House are clear proof that the method is one which should be adopted in our public school.

Forty competitors, at the time of writing, have entered their names for the Drawing Competition under the direction of Mr. Lewis Smith, Art Director of Acadia Seminary. Of the forty the five who show the greatest ability in drawing will be given a scholarship for one term at the Seminary. The best of the five will also at the end of the term be granted free tuition for one term next year. Surely this is a movement in advance and we should be indeed grateful to the Art Department for the suggestion.

B. C. SILVER

Principal of Schools

Again the School Rink is in operation and on Saturday, after four and a half hours of skating, the children went home perfectly satisfied with their day of fun. The hockey games played to date have resulted as follows:

Tuesday, Grade IX vs. Grade XI, 7-3.

Saturday, Grade X vs. Grade XI, 1-1.

Saturday, Grade III vs. Grade IV, 3-3.

It is to be hoped the weather-man will be kind enough to send some more ice soon.

### GREENWICH NOTES

The convenor of our Exhibition Committee, Mrs. B. L. Bishop, accompanied by Miss Piper, our teacher, attended a meeting last Wednesday afternoon, held at the home of Miss E. Rand, Post Williams, who is Head Convenor of the Committees. All the teachers of the other schools in connection were present, to arrange the new prize list for the next exhibition.

Miss Leah Forsythe, who came home to spend two weeks vacation with her parents, Mr. and Mrs. Lewis Forsythe, on Dec. 23rd, did not return to her position in St. John until last Thursday morning, owing to being very ill with quinsy for two weeks.

We understand Mr. Lorne Pudsey's family are now out of quarantine for diphtheria.

The Community League was thoroughly enjoyed last Friday evening. The "Social Night" committee, with Mrs. Dexter Forsythe as convenor, gave all a good time with games, etc., not forgetting the "eats". We hear the current events that evening, written by one of the men, proved especially interesting and amusing with the local "hits", etc. Those present missed a pleasant evening. Friday evening this week, the President will give another of his lectures.

A very few from here attended the hockey match in Wolfville last Friday evening.

Mr. Penchard, of Yarmouth, in our "eye-man", paid several calls in our community on two days of last week, but what success? He has not been here for several years.

Miss Piper, our teacher, was a weekend guest of friends in Kentville.

No church service here the last two Sundays, owing to weather conditions.

### FINE PLAY AT OPERA HOUSE

The James F. Carroll Players, of Halifax, were greeted by a good attendance at the Opera House on Tuesday evening when they presented "The Ghost Between" by Vincent Lawrence. Described as a "comedy gem" the play includes a prelude and three acts and was decidedly well put on. Miss Edna Preston, who appeared here on several occasions as the leading lady of the "Majestic Players", is always a favorite in Wolfville and her role as Ethel Brooks on Tuesday evening was inimitable. Lloyd Sabine as "Dr. Dillard" gave a splendid exhibition of stage work as did also Thomas H. Hutchinson who impersonated Richard Hunt the "gentleman athlete and comedian". Viewed from every standpoint the performance was exceedingly well balanced and attractive and was greatly enjoyed by all present, who will look forward to another visit from this talented company of players.

### MAYOR SUTHERLAND "CANED"

The pretty home of Mayor and Mrs. Sutherland, Locust Avenue, was the scene of an interesting event on Thursday evening of last week, when a number of citizens gathered on the occasion of the birthday of the former to offer congratulations and best wishes. The visitors were hospitably received and a pleasant half hour was spent when Mr. Edson Graham, on behalf of the party, in a felicitous and appropriate address, presented the Mayor with a handsome gold-banded ebony walking-stick, as a memento of the occasion. Mr. Sutherland was very much surprised but expressed his thanks and appreciation in fitting terms as did also his good lady, after which the party said good night and took their departure.

The Graham Studio has something of particular interest to Kodakers this week.

## ACADIA LOSES TO KINGS

In Exhibition Game of Hockey at Windsor

WINDSOR, Jan. 18—In the best game of the season to date, King's hockey team trounced Acadia to-night by a score of 6-0. The score does not quite give the exact impression of the game, as at times Acadia was very dangerous and but for the splendid stopping of Smith for King's, the score would have been different. Smith gave an exhibition to the 300 fans that was worthy of "Stonewall" Bispop, and the best ever seen in Windsor.

In the first period play went on end to end, both goalers doing good work, but from a face off in front of the King's net MacCoy stick-handled his way through the opposing forwards, drew the two defense men, and passed to White for the first score. A few minutes later he rushed through the entire Acadia team and shot at Elderkin, who saved, but "Bob" was there for the rebound, and slammed it in. No further scoring was done until Parnell staged an end to end rush and sunk the meshes behind the Acadia goalie for the third tally. Score, 3-0.

In the second period King's played a defensive game and held the Blue and Red men off. In this period, so great was the excitement that one of the side-boards fell under the pressure of some of the spectators. The only score in this period was when MacCoy whipped in a rebound off a shot from White.

The last frame was as hotly contested as the first, Acadia trying frantically to score. After play had been going on for five minutes, MacCoy again scored from a mix-up in front of the Acadia net. Several minutes after, MacCoy rushed and passed to White, who made it six for King's. The game was very fast and clean, no penalties being handed out.

The line-up:  
Acadia—Goal, Elderkin; defense, Murray, Clarke; centre, Hirtle; wings, Blenkhorn, Morrison; spares, McLatchy, Collins, Anthony.

King's—Goal, O. Smith; defense, Ernst, Parnell; centre, Bissett; wings, C. Smith, G. White; spares, Morrisco, Coleburn, C. White, L. MacCoy.

### CANNING BEAT KENTVILLE

In Valley League Game By Score of 7 to 2

CANNING, N. S., Jan. 22—The Kentville hockey team went down to a 7-2 defeat at the hands of the locals in an Eastern Valley League contest here tonight which, while fast and interesting, was in favor of the home team all the way.

Play started off very fast, with the Canning team attacking, and before the end of the first session Canning had scored three goals, while their opponents had failed to get the rubber into the twine for even one lone counter.

Period two saw Canning increase its lead with two more scores, the period ending with the score 5-0 against Kentville. Canning outplayed and outskated the Kentville crew throughout the first and second periods and ran up a very comfortable lead. The third session, however, saw Kentville stage a comeback. Each team scored two goals, the final score being 7-2 for Canning. The line-up:

Canning—Goal, Grant; defense, Dickie, Baxter; forwards, Lyons, Bennett, Christie.

Kentville—Goal, Walsh; defense, Corbin, Leslie; forwards, Leitch, Bishop, Wigmore.

## BETTER ENGLISH

Interesting Demonstration Given At Opera House Wednesday Afternoon

The lecture-demonstration on better English, which was given at the Opera House on Wednesday afternoon, under the direction of Miss Rosamond Archibald, proved to be a most interesting and successful affair. There was a large attendance, which taxed the seating capacity of the theatre, and the decorations of flags, etc. were decidedly attractive and in keeping with the occasion.

Mayor Sutherland presided and after a brief address announced the program which began with the singing of "O Canada", which was heartily rendered under the leadership of Principal Silver.

Miss Archibald was then introduced and delivered a very informing and intensely interesting address. She referred to the recent struggle for world freedom, and commented on what the result would have meant to us if our flag had not returned supreme. The lecturer urged that our regard for our language should equal our regard for the flag. Miss Archibald referred to her experience as a teacher of English which led to the production of her popular work, "The King's English Drill", and made a strong plea for a more careful study and use of the language.

After a delightfully rendered vocal solo by Miss Nita Trettheway, who was accompanied by Miss Hemmeon, a special feature was presented in which Misses Miriam Coit and Grace Perry, in a dialogue of ordinary conversation which lasted only five minutes, succeeded in making sixty common errors in English, and in a corresponding time Misses Kathleen and Marjorie Bancroft made corrections.

A discussion being invited from the audience Rev. R. F. Dixon expressed his appreciation of the demonstration and was followed by Principal Silver along the same line. These gentlemen moved a hearty vote of thanks to Miss Archibald which was enthusiastically passed by the audience.

Other speakers were Councillor D. G. Whidden and Rev. Dr. MacDonald, both of whom advocated a campaign for the use of better English to have its origin very properly in Wolfville.

At this stage Mr. H. E. Calkin arose and offered a prize for the greatest improvement during the present term in English in Grade 8, according to the "King's English Drill" system. A second prize was immediately offered by Miss Harry and a third by Mrs. J. Elliot Smith. Mrs. Sheean, of Boston, offered a prize of five dollars in gold for Grade 9, Dr. McKenna a similar prize for Grade 10, and Mrs. Leslie Eaton for Grade 11.

Dr. Rhodenizer will give a prize for the highest average marks made by a pupil of the Wolfville school on the two English papers at the provincial examinations next summer in Grade 11, and Dr. Elliott has placed in the hands of Principal Silver five dollars to be used at the latter's discretion, but will probably be presented for best work in athletics. The National Anthem brought the exercises to a close.

### DISTINGUISHED LECTURER COMING

A meeting was held in the Town Hall Tuesday evening, Jan. 23rd, for the purpose of organizing a Local Committee of the National Council of Education for Canada. This organization, which is composed of leading educationists has as its object to make Canada one in education "by co-operation of effort towards a common ideal and the evolution of a high national purpose". Mayor Sutherland presided and Mr. Silver was appointed secretary.

The immediate purpose of the meeting was to appoint a committee to arrange for a visit to Wolfville by Sir Henry Newbold, the distinguished English poet, lecturer, and educationist, who is to deliver a series of lectures throughout Canada under the auspices of the National Council. The following Committee was appointed: Rev. Dr. Patterson (Chairman), Mayor Sutherland, Rev. R. F. Dixon, Rev. Dr. MacDonald, Rev. D. B. Hemmeon, Rev. G. W. Miller, The Regent, I. O. D. E., Miss Rosamond Archibald, Dr. DeWolfe, Dr. Archibald, Principal Silver and Professor Balcom.

Sir Henry is expected to lecture here on February 6th, and a rare treat is in store for the people of Wolfville on that occasion.

## THE BOARD OF TRADE

The date of the annual meeting of the Wolfville Board of Trade, which comes next week, reminds us that this is a community institution which we cannot afford to neglect. For years back the Board of Trade has not had the support of our business men as it deserves, and the business interests of the town have suffered in consequence. Organized in 1898, in the early days of its history much good was accomplished through its ministry. All that is needed to make the Board the power for community progress that it might become is the earnest co-operation of business men and citizens. We trust that nothing will be allowed to interfere with a full attendance at the meeting next week, and that citizens will come together with the determination that every day and in every way the Wolfville Board of Trade will be made better and better. Such a result can be obtained only through a united effort. Wolfville ought to make big strides during the year 1923 and one of the most effective helps will be found in a wide-awake and well supported Board of Trade. Get behind it.

## TOWN MANAGER NEEDED

Considerable criticism has both been made within the Council and among citizens because of the fact that so much of the town's work has been done during the past year without being put to tender. It is claimed that considerable public money might have been saved if the latter method had been followed, and that it is poor management to have work done under the prevailing conditions. THE ACADIAN believes that, other things being equal, residents of the town who pay their share of the taxes should always be given the preference when anything is needed for town use, but such a procedure ought to give no license for excessive charging or negligence in the completion of work in a business-like manner. The appointment of a competent town manager would, we believe, correct many of the evils which are found under the "no management" system and effect a considerable saving to citizens in the way of taxes. At any rate the idea is well worthy of careful consideration on the part of the ratepayers who ought to have a vital interest in the town's welfare.

## THE LEGISLATIVE COUNCIL

The editor of the Annapolis Royal Spectator, which journal we have been inclined to regard as generally sound in its conclusions, has recently expressed himself as favorable to the continuance of that usually considered obsolete body, the Legislative Council. The Spectator has a theory of how appointments to the Council should in future be made and maintained that is probably much in advance of present methods, but why this "fifth wheel" should be longer allowed to exist seems to us to be past finding out. In view of the fact that there is a vacancy in the venerable institution at present from this county, and of the present need of practical economy in the matter of our governmental expenditure, it is most timely that some consideration be given the proposals to do away with an expensive legislative body that has long ago outlived its usefulness.

## SMOKING AT HOCKEY GAMES

At a recent hockey game at Halifax the rink management gave notice that no smoking would be allowed during the game. The suggestion is a good one and should have the approval of all true sportsmen. Besides being decidedly unpleasant for many of the spectators, who are sometimes hardly able to see the players, the dense smoke-cloud that is often in evidence at these contests must be very trying to the players and prevent them from doing their best. Such a game as was witnessed at the rink last Friday evening makes heavy demands upon the physical powers of those engaged and in the interests of good sport nothing should be allowed that would in any sense impair the efficiency of the players.

## BETTER BUSINESS PREDICTED FOR 1923

In various directions the indications favor a strong upbuilding of general trade and generally better business during 1923, says The Financial Age. This prediction is supported by the forecasts made by some of the best economic experts, and, while no one can predict with thorough accuracy as to what will develop during the coming six months, the consensus of opinion is that the showing will be satisfactory with largely increased industrial and business activity.

## A NATIONAL INSTITUTION

A journal that for over fifty years has grown in public esteem until it has acquired the largest number of readers of any journal in the country in which it is published may without exaggeration be said to have grown into a national institution.

By the testimony of its readers, by the testimony of the press of Canada, by the testimony of vast numbers of the thinking population and by the admission of capable journalists and other onlookers in other countries, The Family Herald of Montreal, based on its enormous army of readers, on its independence and on its devotion to the welfare of the country, has come to be regarded as one of the National assets of the Dominion.

For the year 1923 the publishers of The Family Herald and Weekly Star promise their readers better value than ever in the past, with more valued contributors and more resources in all departments. The plans involve heavy outlay for new features, but the subscription price will remain at \$2.00 per year, the extra expenditure being undertaken in absolute faith, upheld by the confidence and practical co-operation of more than half a million readers.

The New Year has opened with a rush of subscriptions that has smashed all previous records. Judging by the stacks of subscription orders that at times have threatened to choke the great Montreal Post Office, it would appear that half of Canada had selected The Family Herald and Weekly Star as the best all round journal for 1923.

## "A Terrible Experience"

"I Recall My Experiences with the Burglar with Feelings of Horror!"

"How would you feel if you awakened in the middle of the night with a flashlight shining in your eyes and the gruff voice of a man threatening that, 'If you make the slightest noise I'll shoot?' That was my experience at the end of last March when my husband and I were alone in the woods and I was alone with my three children. Everytime I think of this experience a shudder passes over me and as long as I live I shall remember it. At the time I really thought I would die. It's a wonder my heart did not stop beating. I was so weak that even if I had any desire to move, I could not. I was bathed in a cold, clammy perspiration. Even to recall the shocking details now makes me shudder. It was a result of this shock that I contracted a high fever and for hours at a time I was delirious. I got so bad that the doctor finally gave up hope of my ever recovering, but by careful nursing, I was finally pronounced out of danger. The shock had left me so weak, that, for no reason whatever, I would suddenly burst into tears. All the life seemed to have been taken out of me. I kept getting weaker and weaker, so much so that my husband and children were constantly worrying about me. Doctors prescribed for me and while I willingly tried their medicines, only very few of them did me any good. It was unfortunately the good was not long in coming. My family asked me if I would try Carnol and I said, 'I was willing to try anything,' but felt that it would not do me any good. Four bottles of Carnol taken regularly, has completely restored my former health and strength and, while I occasionally recall my experience with the burglar with feelings of horror, I am otherwise as well and strong as I have ever been. Carnol is the most wonderful preparation I have ever used for building and restoring health and strength. It has done wonders for several of my friends to whom I have recommended it." Mrs. McC. O.L.

## Don't Travel, Telephone!

When you want to speak to an out-of-town customer, you must either travel or telephone.

The glorious uncertainty of railway travel under winter conditions may, in spite of its cost, appeal to you if you are fond of adventure.

For, think: your coach may be too hot or too cold; your fellow travellers may be congenial or the reverse, or you may have to spend hours in speechless solitude; you may complete the trip on approximate time or your train may make a lengthened stay in a snowbank!

But, if you're not keen on adventure; if you are normally shrewd and put a definite value on your time, you'll stay home and use your Telephone.

Seat yourself at your desk in your snug office, call your man by Long Distance Telephone and talk to him in comfort.

That's the pleasant, economical, speedy and effective way.

DRUNKARDS MAY BE CURED QUICKLY BY COUE'S METHOD

Cultivate your imagination, and cure your diseases. This is the advice of Emile Coue to an ailing world. The famous Frenchman, whose slogan "Every day in every way I am getting better and better" has become a national craze, arrived in New York, Jan. 4 on the White Star liner Majestic.

MUNICIPAL COUCL

Newly Elected Council Meets For January Term

The January term of the Municipal Council of Kings County opened at the Court House, Kentville, on Tuesday, Jan. 9th, at 10.30 o'clock. The councillors elect took their seats and the clerk produced the election returns of the different wards and the various councillors were then sworn into office as follows:

- Ward 1—H. P. Bigelow, J. W. Hubbard. " 2—J. Hamilton Morris. " 3—C. R. Bill. " 4—Ray Clarke. " 5—N. J. Bryden. " 6—A. R. Eisenhaur. " 7—John B. Gertridge. " 8—Geo. L. Bishop. " 9—Err. Gertridge. " 10—F. M. Munro. " 11—Lawrence Gaul. " 12—W. Lamert Nichols. " 13—Alex. Durno. " 14—Lemuel H. Brown.

The first order of business was the election of a Warden. On motion of Councillors Bigelow and Gertridge it was unanimously resolved that Mr. Lawrence Gaul be Warden. Councillor Gaul thanked the Councillors for their vote but respectfully declined to accept the position and ballots were then passed to the different councillors.

with other municipalities. On motion of Councillor Bill, seconded by Coun. Gaul, report was received and adopted. The report of Robert White, Inspector of N. S. Temperance Act, was read. There had been ten convictions obtained and four of the fines imposed had been paid, three had gone to jail and three were still outstanding.

On motion of Councillor Err. Gertridge, seconded by Councillor Morris that the report be received and that he be paid the same salary for the ensuing year. Report read from committee on Cornwallis School Lands received and adopted. Total receipts were \$416.57.

Report of Mr. Alfred Corcoran, Chief Forest Ranger, was then read, total expense being \$292.70. Councillor Bill asked for an itemized account of the fire at Billtown. He expressed the idea that there should be some change in the law so that only those ordered out by the Forest Rangers be paid for help.

Mr. F. H. Crane inquired if investigation had been held as to origin of different forest fires. He thought the first consideration should not be the paying of the bills but the prevention of fires starting. Councillor John B. Gertridge thought that any one with true blood in his veins would turn out without pay to save the resources of the county.

On motion a committee of three was selected to consider the bills for fighting fire and report. Committee appointed by Warden were Councillors John Gertridge, Nichols and Morris.

Mr. Outhit, K. C., read the laws as regards fire rangers, also the necessity of obtaining a permit for starting fires or setting up stationary engine.

On motion of Councillor Nichols, seconded by Coun. Ward, Mr. Outhit was retained for the ensuing year as solicitor at the usual salary.

Afternoon Session Council resumed work at 2 o'clock, all members present. The report of the Committee on Rates was read, making a suggestion to confer

The Rev. Dr. Sidey left on Thursday for Guysboro, where he will conduct a series of evangelistic meetings. The steamer on which Mr. Sidey took passage from Halifax was unable to get within one half a mile of the Guysboro shore on account of the ice, making it necessary for the passengers to traverse the ice on foot to gain the shore.

The Congregational Supper and business meeting of the Baptist church, scheduled to take place on Wednesday evening of last week, was indefinitely postponed on account of so many of the congregation being victims of the cold epidemic, so very prevalent in our midst.

The Rev. Mr. Mellick occupied the pulpit of the Baptist Church on Sunday evening. Mrs. Walter Comstock rendered very effectively the solo, "Evening Prayer", by Charles Gabriel.

Capt. Young, Master of the "Otis Wack", is enjoying several weeks vacation with his family here. The tug is in for winter quarters at Digby.

Miss Ethel Lawrence and sister, Mrs. Armstrong, and Master Lawrence Armstrong, of Falmouth, were guests of Mrs. Randolph Churchill on Saturday.

Mr. Geo. Swaine, commercial traveller, left on Saturday for Halifax after spending the "holiday season" at his home here.

Mr. and Mrs. Frank Lawrence (nee Eva North), of Montreal, are receiving congratulations on the arrival of a daughter. Both Mr. and Mrs. Lawrence were former residents of Hantsport.

Mrs. J. Welsh, of Wolfville, and daughter Mrs. J. Dow, of Port Greville, visited Capt. and Mrs. Taylor last week.

The marriage of Miss Kathleen Pearson to Mr. Henry Cooper, of Roxbury, Mass., took place at Roxbury, on Wednesday, Jan. 24th. Miss Pearson is a sister of Mrs. Walter Comstock and well known in Hantsport, having formerly resided here.

Quite a number of Hantsportionians journeyed to Wolfville on Friday evening to witness the Hockey Match between Windsor and Wolfville.

Miss Queenie Stevens, of Wolfville, was home over the week end.

On Thursday morning the thermometer registered 15 below zero and on Friday 35 above.

Murray's Mill has closed down, it being impossible to get lumber from the woods on account of such depth of snow.

An election for mayor and three councilors for the town of Hantsport, will take place in the council chamber, on Tuesday evening, Feb. 6th.

The many friends of the Rev. J. C. Spurr will be pleased to learn that he is recovering from his recent illness.

Miss Annie Beazley returned to Hantsport on Friday after an enjoyable visit of two weeks at the home of her brother, Mr. Grover Beazley, Vice Principal of the Dartmouth School.

On Thursday afternoon an engine eastward bound left the rails between Hantsport and Mount Denson, delaying the afternoon express for several hours.

The marriage took place at Mannassis, Virginia, on Jan. 7th, of Miss Mabel Lyon, only daughter of Mr. and Mrs. George Lyon, formerly of Hantsport, to Mr. Douglas Lyon, of Pennsylvania.

Personal and Social

Mr. and Mrs. J. Alfred Elderkin are making a visit of a few weeks with relatives and other friends in Pictou County.

Miss Marie Wilson, who recently finished a tour with a concert party in the Southern States, returned home last week.

Mrs. A. D. Borden and young son left recently for Charlottetown, where they will visit Mrs. Borden's parents, Mr. and Mrs. McKinnon.

Mrs. W. B. Eaton returned on Friday last from Toronto where she has been spending some months, and is gladly welcomed home by many friends.

Mr. and Mrs. Harry Brown returned last Friday from Gaspe, P. Q., where they have been spending the past month with their daughter, Mrs. Mortimer.

Rev. Mr. Hardy occupied the pulpit of the Baptist Church on Sunday morning in the absence of the pastor Dr. MacDonald, who spent Sunday in Halifax.

Miss Helen Starr left on Friday for New York, en route to St. Louis, where she will teach French in one of the well known private schools of the middle west.

Miss Chesley, who lectured to the University Women on Friday evening, was a guest, while in town, of Rev. and Mrs. D. B. Hemmeon. She has recently returned from Vancouver.

Miss Dorothy Bauld, the little daughter of Mr. and Mrs. G. S. Bauld, is visiting in Truro, having accompanied her aunt, Mrs. Smith, who was a recent visitor in Wolfville.

Mrs. Byron Bent, of Sussex, N. B., is visiting in town, a guest at the home of Mr. and Mrs. A. C. Johnson, Gaspareau avenue. For some time a resident of Wolfville, Mrs. Bent is welcomed by many old friends here.

Mr. Edson Graham received the news last evening of the death at Halifax of his sister, Mrs. N. W. Fader, who has been ill some months. Mr. Graham left this morning for Halifax to attend the funeral. His many friends will join THE ACADIAN in extending sympathy to him in his bereavement.

Dr. Patterson, who was called to Oxford at the end of last week by the serious illness of his wife, has returned to Wolfville, accompanied by his four daughters, and taken up their residence.

Mrs. Patterson, who has suffered an attack of pneumonia, is progressing favorably toward recovery and hopes soon to join them here.

Word has been received of the serious illness of Dr. J. Glenn Allan, a recent resident of Wolfville, at his home at Lockport. Dr. Allan suffered a stroke while in attendance at church on Sunday and was taken home unconscious. He has since rallied but his condition is regarded as most critical and little hope is entertained of his recovering. Many friends of Dr. Allan in this vicinity will be greatly grieved to hear of his condition and sympathize deeply with Mrs. Allan and family.

LOCAL POULTRY MAKE RECORD

J. W. Williams' pen of White Wyandottes were the winners at the Nova Scotia Egg Laying Contest at Truro last year, finishing the year with a record of 1,079 eggs. As there were five birds in the pen they averaged 215 4-5 eggs per bird. This was the highest record made by any pen of White Wyandottes at any contest in the Dominion of Canada last year. They also finished in 7th place with all breeds competing at all contests in the Dominion, 294 pens (2,730 birds).

MISS CHESLEY ADDRESSES ACADIAN WOMEN'S CLUB

On Friday evening in the club room of the College Women's Residence, Miss Chesley gave an address on International Peace, in which she pointed out the responsibility of the individual in preserving peace.

Miss Chesley is an earnest, thoughtful speaker, a pacifist with deep convictions, an idealist. She showed that peace must be sought for diligently, the young must be trained for it, public sentiment throughout the world must be vigorously aroused against war, against race hatred and bitterness, and towards international brotherhood and good will.

The idea of testing out the fire-alarm at intervals appears to THE ACADIAN to be a good and wise proceeding. It has occurred to us, however, that a more opportune time might be selected than during the early evening, as with a test made earlier in the day a better opportunity would be had for correcting any thing interfering with the efficiency of the alarm.

MUNICIPAL COUNCIL

(Continued from Page 3.)

ed for the county at the former salary. This was spoken to by Coun. J. B. Gertrige, and Coun. Err. Gertrige suggested that the county appoint a vendor or two. Moved in amendment by Coun. J. B. Gertrige that the county be divided and that Mr. Haverstock be appointed for the East end. Mr. Robert White was asked to state if he would accept one half of the county at \$200 and he declined to accept. The amendment was put and lost. The original motion for the appointment of Mr. White at \$350.00 was then carried.

Coun. Nichols suggested that every councillor should do his part in aiding Mr. White in his work.

Coun. Bishop asked if there was any report on the road at Port Williams. He moved that Mr. Crawley, engineer, be commissioned in place of Mr. Arch Foster. Carried.

Mr. Patterson, Overseer of Poor, gave a report of work of building at County Home and also sale of township property. There are at present 54 inmates at Waterville. Report was received and adopted.

On motion Coun. Morris, Mr. L. R. Burbridge, Cornwallis Township Clerk, spoke on ear marks. Mr. F. H. Crane spoke on the same subject. Coun. Nichols said the cutting of the ear was, he considered, out of date and ear tags could be used costing but little. Mr. Outhit gave the Council advice on the question.

A discussion then arose over the powers of the Municipality over laying out roads. Mr. Outhit in his opinion considered that Chapter 7-a was repealed and that opening up new roads or diverting roads the a council could only recommend and the Provincial Road Board would act upon the matter.

Moved by Coun. Nichols that a proposed road crossing the estate of T. R. Harris at Aylesford, and also the road at Port Williams be recommended to the Road Board for them to take action to open up same.

Coun. Durno stated that he had roads in his ward that were not in any districts and some districts that no one knew where they are.

Coun. Bill moved that in districts where road surveyors were absent or unable to perform his duties that the Clerk have power to make an appointment as road surveyor on the written request of the councillor of the ward. Seconded by Coun. Err. Gertrige.

Coun. Nichols spoke of the hardships of shovelling snow. In thickly settled places there were many to do a little work, whereas in a lonely place one or two men were obliged to break a long

stretch of drifted road alone.

The Warden appointed a committee composed of Couns. Bigelow, Durno and Brown to inquire into the feasibility of laying off new road districts in some wards.

Rev. G. P. Raymond was heard in reference to the granting of aid to the Hospital at Berwick, asking for a grant of at least \$500.00 and the appointment of a member of the Council to the executive board. This aid, from the county and a declaration that it is a public hospital, would give additional help from the Province. Mr. S. C. Parker also spoke of the need of financial aid and the good work being done. Mr. J. Howe Cox also spoke for the hospital, the equipment there for special work and the need for carrying it on. Mr. H. J. Chute also made a few remarks. Mr. F. B. Patterson thought it a very worthy cause and members of the Council should be willing to vote \$500 because that would bring \$1,000 additional to the funds. It is an excellent business move to support this hospital for Kings County.

On motion resolved that the consideration of this matter be deferred until Wednesday.

Warden Munro spoke on matters of reforming or making changes in our jail.

Coun. Durno said that reports had been current for 15 years as to conditions in the jail and asked that Inspector White be heard.

Mr. White then spoke very emphatically on the way he had been abused in the jail by the jailor and others when placing people in jail. Mr. Coleman answered and Mr. White replied. Coun. Durno then stated he considered the jail matters as disgraceful and would not be responsible any longer for what was going on there.

Coun. Nichols said, as one of the Jail Committee, he had examined conditions in the jail and found the place kept well according to appearance. Coun. Durno said it was a disgrace to keep a jail and have a family kept there at the county expense. The Jail Committee was requested to make inquiry about the conditions at the jail and report thereon.

Wednesday Morning Session  
Council opened at 10 a. m. with the Warden and all Councillors present. Minutes were read and approved.

The matter of aid to the hospital at Berwick was then taken up and first spoken to by Coun. Nichols who told of the good work being done for residents of the county and at a much smaller expense than in any other hospital. He moved that the hospital at Berwick be declared a public hospital and that the sum of \$500 as asked for by the executive of the hos-

pital, be voted.

Coun. Bill asked for a discussion on the question and it was spoken to by Couns. Eisenhaur, Hubbard and Bryden, the latter stating that it were to vote this sum would cut off a sum of \$1000 from the Provincial Government. Coun. Gail said he was in favor of the vote. Coun. Bishop asked for some statement as to the financial standing of the hospital.

Mr. T. H. Morse was heard regarding the hospital and its financial standing. There were sufficient pledges toward the hospital to pay for the construction, but many of the pledges were given on a five year period and about \$10,000 or \$12,000 was unpaid, not being due.

Mr. F. B. Patterson also spoke of the necessity of a hospital in the community. Coun. J. B. Gertrige asked if the matter was deferred until April term would it be very disadvantageous to the hospital. Coun. Bryden stated that the delay would cause trouble and much delay in getting the grant from the Government.

Coun. Durno thought that the council should be broadminded enough to make a small vote. It was the only public hospital. Coun. Bigelow said the council had turned down support to a county hospital and now it was a little nery to again ask support from the council.

Coun. Eisenhaur moved in amendment that this be left until the April term. Coun. E. L. Gertrige said the hospital at Berwick was not of any benefit to the people of the Eastern part of the County.

Coun. Bill spoke of the splendid work done by the people of Berwick and vicinity. His sympathies were with the hos-

pital, but from a business standpoint we would have to deal with it in a proper way and not establish a wrong precedent.

Coun. E. L. Gertrige asked were there any free wards and also free doctoring for very poor patients. Mr. Patterson said there were free wards and also free treatment where the County was charged \$150 per day. There had been a great deal of charity work done there.

Coun. Ray Clarke said he did not wish to hinder any worthy cause, but this matter should be left over until April for investigation.

Coun. Bishop seconded the amendment of Coun. Eisenhaur. The health question is one of the most important we have to deal with.

Coun. Nichols stated that after the discussion he would like to withdraw his motion.

Amendment being put, the following voted: For—Bigelow, Morris, Clark, Nichols, Bill, Eisenhaur, Hubbard, Bishop, J. B. Gertrige, E. L. Gertrige. Against—Couns. Durno, Brown, Byden, Ward, Gail.

The committee on bills presented for

fighting fire reported recommended that the bills be paid and the Council so ordered it.

Coun. Eisenhaur spoke on the need of efficient fighting of forest fires.

Read statement of Trustees School Lands for Horton. Total receipts \$897.42. Balance on hand \$743.30, being \$28.59 for each school section. Report was received.

The clerk reported that he had bills for the Health Clinic of \$2,034.36 besides rent of rooms and a few other bills about.

MUNICIPAL COUNCIL

(Continued from Page 6.)

\$300 more. Coun. Nichols stated the first request to the Council was for a sum of \$500. It is now becoming a serious charge on the county, while there has been a lot of excellent work done. Coun. Durno moved, seconded by Coun. Bigelow, that the bill be paid. Carried.

Moved by Coun. Durno, seconded by Coun. Bigelow that we discontinue the Health Clinic for the coming year. Coun. Bishop said he had a resolution to place before the council from the Women's Institutes of the County and would have it written out and presented later.

On motion of Coun. Bill the report in full was received and adopted. Coun. J. B. Gertridge read a resolution. Resolved that the Warden appoint a Committee of the Council to report on health matters, Health Clinics in other counties, etc., and report to the Council.

Coun. J. B. Gertridge said the Clinic Work was a great one and suggested that a committee be appointed to investigate the improved methods. He moved that a committee be appointed to investigate. Coun. Hubbard said no one in his ward seemed in favor of it. This was also the opinion of Coun. Eisenhaeur and Morris. Coun. Nichols said if the Clinic was discontinued in the meantime he would second the amendment. The amendment was put and lost. The original motion was put and carried on a vote of 9 in favor of the same.

The Jail Committee gave its report, advising some things and as regards other things recommended a change as soon as convenient. On motion of Coun. Durno, seconded by Coun. Brown that report be adopted. Carried.

Coun. Eisenhaeur spoke of the necessity of more stringent measures to collect taxes. Mr. F. H. Crane asked about the dog-tax and whether injury to sheep was paid out of the dog tax fund. The Clerk informed him such is the case.

Petition to lay out change in road at Welsford. Referred to Highway Board. Mr. T. H. Morse said it would greatly improve the road between Berwick and Harborville. The damages would be about \$40.00 to \$50.00.

Another petition from New Ross Road asking for change in road at Richard Alders. Coun. Eisenhaeur said the change would be good and advised the change. Coun. Ward said the road placed around the hill would be a benefit. He moved that the matter be referred to the Highway Board, seconded by Coun. Eisenhaeur, and carried.

Coun. Durno said the Committee on road districts appointed yesterday was of the opinion that one man in each ward should be appointed to lay out road districts and be paid for his necessary work done. Coun. Brown moved that such an appointment be made by the councillor of each ward. Carried.

The Committee on Tenders reported as follows:

Wednesday Afternoon Session

Council resumed work at 2.15. A resolution was read from the Women's Institutes of the county, stating the work was important and asking for the county to continue the Health Clinic. Coun. Bishop spoke on the importance of health work. He had reported to him several cases where the reports given by the nurse were held to be incorrect by physicians. In this county the report showed that about 74 per cent pupils examined had diseased tonsils, while in Hants County the proportion was only 32 per cent and less in other counties. There seemed to be no standard upon which the nurses work and many people were of the opinion we were not getting value.

Coun. J. B. Gertridge said the Clinic Work was a great one and suggested that a committee be appointed to investigate the improved methods. He moved that a committee be appointed to investigate. Coun. Hubbard said no one in his ward seemed in favor of it. This was also the opinion of Coun. Eisenhaeur and Morris. Coun. Nichols said if the Clinic was discontinued in the meantime he would second the amendment. The amendment was put and lost. The original motion was put and carried on a vote of 9 in favor of the same.

The Jail Committee gave its report, advising some things and as regards other things recommended a change as soon as convenient. On motion of Coun. Durno, seconded by Coun. Brown that report be adopted. Carried.

Coun. Eisenhaeur spoke of the necessity of more stringent measures to collect taxes. Mr. F. H. Crane asked about the dog-tax and whether injury to sheep was paid out of the dog tax fund. The Clerk informed him such is the case.

be too late to get the amount from the Province in the estimates for this year. The hospital has a competent staff of surgeons.

Moved by Coun. Nichols, seconded by Coun. J. B. Gertridge, two councillors who voted for the resolution to refer to the April term, that the vote of the morning session be rescinded. On a vote it was carried by ten voting for rescinding.

On motion of Coun. Durno resolved that the Hospital be declared a public hospital and that the sum of five hundred dollars be voted for the present year. On motion resolved that Coun. Gaul be the County representative on the Hospital Board.

Report of expenditure of County Home was read, giving amount received from sale of township property, etc., showing over \$3,000 on hand.

The County officers were then appointed. When the Overseers of the Poor for the County was called it was moved and seconded that the former Overseers be appointed en bloc. Moved in amendment by Coun. Clarke that Harry Clarke be one of the Overseers for Cornwallis in place of Osley Steele. Coun. Nichols also moved in another amendment that J. F. Outhit be appointed in place of Power.

Coun. Bill said that he did not wish to complain but he thought there had been no head to the Board. He wanted to know why no tenders had been called for supplies of amounts as high as \$3,000. Coun. Bigelow replied to Mr. Bill. Overseer Patterson gave a statement on tenders, they had been asked for though not advertised, and given to the lowest bidder in every case.

The Warden ruled Mr. Nichols' amendment out of order. The amendment being put 6 voted for and 9 against.

The resolution was then put and carried 9 for and 6 against, appointing the old Board of Overseers.

Mr. J. D. Martin was heard in reference to the work of general assessment. He thought the assessment had been raised 3 to 4 thousand dollars. In some wards people were not assessed one quarter value. Wolfville had complained that the town was too highly assessed as compared to the County. Quite a dispute arose over assessment in Ward 3.

The amendment that G. R. Pineo take the place of Mr. F. R. Ratchford, was put, 5 voting for and 7 against.

The original motion for the old committee was put and carried 8 for and 5 against.

In the evening the usual presentment was voted and a few other matters considered and the Council adjourned until April.

## PORT WILLIAMS AND VICINITY

Mrs. Sarah West, who has been ill with la grippe, is again able to be around the house.

Mrs. C. A. Campbell is confined to the bed with a severe cold.

Miss Jean Murphy, of Halifax, spent the week end with her parents, Mr. and Mrs. C. A. Murphy.

Miss Marguerite Bancroft, of Wolfville spent Thursday night the guest of her friend Miss Hanson, taking in the excellent skating on our open air rink.

Mr. Kenneth Frazer, who has been in the employ of the G. A. Chase Co. for some time, left recently for Boston to accept a position.

A. B. Rand made a business trip to Halifax last week.

At the hockey match on Saturday afternoon, between Port Williams second team and New Minas, the home team was victorious. Score 5-2. The first team from here played with Windsor Monday night and were beaten. Score 12-5.

Miss McLatchy spent the week end with her sister in Windsor.

Miss Muriel Starr, who is in training at the "Royal Victoria", Montreal, is at home for a months rest on account of a recent illness.

Mrs. Cassie Meister, who has run a very satisfactory Home Bakery for several months, has closed it until spring.

Mrs. Brown, of Halifax, is spending the winter at the Rectory, the guest of her son, Rev. G. C. Brown.

A new piano has been purchased by the Sunday School for their room. It came from the N. H. Phinney Co., is a "Sherlock-Manning" of excellent tone and quality and will be a great help to the music of the school.

The "Diggers" class of the Sunday School (H. R. Holding) entertained the "Sunshine" class (Miss Hanson) on Thursday evening. The boys and girls had a great time with lots of music and games suitable for children. At the close light refreshments were served and the company broke up after the "Sunshines" and their teacher gave three cheers and a tiger for their hosts.

Service next Sunday at 7.30. Topic Third Commandment. On account of the heavy storm of wind and rain, together with the bad conditions of the roads last Sunday, but few were able to attend church. The sermon was very helpful. Two thoughts were emphasized why the second commandment was given, (1) That any image or likeness made by man detracted from the majesty and glory of the great Jehovah, (2) "God is a spirit and they that worship him, should worship him in spirit and in truth." That the command did not prohibit the beautifying of church buildings is evident by the fact that soon after the commandments were given, God gave the description by which the Tabernacle was to be adorned with its gold, silver, brass and precious stones, its needlework of blue, purple, scarlet and fine linen.

The W. M. A. Society are preparing for a public meeting to be given Sunday evening, Feb. 11th. An interesting program is being prepared. An exercise "The Beautiful City" will be given.

Mrs. S. L. Gates arrived home on Wednesday from a visit, in Boston and vicinity.

Next Sunday evening the program of the World Wide Guild will be a synopsis of "Pilgrim's Progress", given by Lloyd Jess; a missignary pageant entitled "Voices of girls in other lands", by the young girls of the Guild; together with special music.

The "Lily of the Valley" Division is again in working order. Notwithstanding the unpleasant evening on Monday quite a number were present and one was initiated. A chicken supper to be enjoyed by the members (complimentary) is to be given on Feb. 5th.

Mr. F. W. Colwill, of Montreal, supervisor of the International Correspondence School, is the guest of Dr. Zwicker.

Mrs. Carl Starr was the hostess at a most enjoyable snowshoeing party last Friday evening. After the tramp the company returned to her home and an hour was spent with dancing and refreshments.

Harold Newcombe has rented Chas. Wood's farm on Belcher Street.

## HANTSPORT NEWS

(Continued from Page 8.)

Olive are visiting Mrs. Porter's mother, Mrs. R. S. Parish, Lakeville, Kings Co.

## NOVEL TOUCH GIVEN BIG SPECIAL FILM

A novel touch has been given to "Flower of the North", the James Oliver Curwood special production, which will be shown at the Opera House, Monday and Tuesday. This touch is found in the prologue which shows the North country in the days of the French Chevalier, when knights fought for a fair lady's hand. This comes in decided contrast with the story itself, which deals with the North country at the present day.

All the scenic beauty of the North-land, and an ideal cast of players, selected because of their fitness for the roles, make this picture one of the biggest Curwood productions to be presented to the American public. It is a story that moves.

It has been said of James Oliver Curwood that he is one of the few writers who write action, and that his stories are more easily adapted to the screen than any other work.

"Flower of the North" is considered one of the best of Mr. Curwood's books.

## A WORLD'S RECORD IN DENTISTRY MADE

Detroit, Jan. 7.—A world's record in dentistry is believed to have been established here Friday by Donald Lance Ritter, three days old, who visited a dentist's office and had two lower teeth extracted.

The infant was born last Tuesday with two well developed teeth in the lower jaw. When doctors found the mother could not properly nourish the baby it was decided that the freak teeth must come out as they were hindering the child's development.

## WALLACE REID, HERO OF FILMDOM, DEAD

Los Angeles, Jan. 18.—Wallace Reid, motion picture actor, died today at Hollywood. The end came about 1.30 p. m. in the sanitarium where the actor was taken about a month ago after a nervous break down said by his family to have been due to his fight against the narcotic habit. Reid's wife and children were with him when he died.

The announcement is made of the retirement of Premier Murray, after over twenty-six years service at the head of affairs in the government of this province. He is succeeded by Hon. E. H. Armstrong, late minister of mines and works in the cabinet. Mr. Armstrong is a King's county man, a native of Kingston, and was educated at Acadia University. He practiced law at Weymouth and Yarmouth, and has been in public life for many years.

Miss Bessie Hennigar, of Canning, is visiting friends in Yarmouth.

## VALLEY HOCKEY LEAGUE

The standing of the teams in the eastern section of the Valley Hockey League is now as follows:

Won	Lost	For	Against
Windsor 3	0	21	15
Wolfville 2	1	21	16
Canning 1	2	17	17
Kentville 0	3	12	23

The housekeeper who uses MORSE'S SELECTED ORANGE PEPPER TEA and who brews it exactly 5 1/2 minutes in water that has just come to the boil, need never apologize to her visitors because her tea is not good.

It is funny how much more indignant a man can become over the profiteering of the coal man and the meat man than he can over the profiteering of the bootlegger, says a contemporary.

## NEGLECTED ORCHARDS PARTIALLY RESTORED

Neglected and run down orchards can be restored, in part at least, to normal productiveness. The method of restoration will necessarily vary with the condition of the trees and soil. As a rule both the trees and the soil need attention.

Where pruning has been neglected the trees are usually full of wood which must be thinned out. This will act as a stimulant to more vigorous wood growth and the storing up of reserve food for fruit bud formation. The pruning should be done from February to April, and should not be too severe. If a large number of branches have to be removed it is preferable to complete the pruning the second year. Make the cut close to the main branches and make clean and smooth cuts. Dressing the wounds is not necessary.

The land should be plowed as early as possible in the spring and before plowing, a heavy dressing of well-rotted stable manure should be applied. Where the orchard has been in sod for several years the plowing should be shallow so as not to tear up the small feeding roots which always come to the surface in sod orchards. A couple of years of clean cultivation will send the roots downward and there will be no danger of disturbing them. An orchard that has been in sod for a number of years should be kept in clean cultivation for at least three years.

## CANADA'S WHEAT CROP

OTTAWA, Jan. 20.—Canada's wheat yield for 1922 is finally estimated at 399,786,400 bushels, as compared with 300,858,100 bushels in 1921.

The average yield per acre was 17 1/2 bushels. The value of the wheat crop is given as \$339,419,000.

The citizens of Berwick are moving in the matter of town incorporation. Last Friday evening at a well attended meeting the subject was enthusiastically discussed and a motion was unanimously passed in favor of the undertaking. Our western neighbor has been taking steps in the direction of civic autonomy for some time, and will be the third town in the county to adopt incorporation.

## Deloro Brown Copper Arsenic Dust

"Made at the mouth of the Mine"

Deloro Arsenate of Lime which is used in the compounding of this dust has been proven by actual tests on glass to be more adhesive than either Lead Arsenate or Calcium Arsenate. It has also been proven five times as stable as the best grades of Calcium Arsenate. In addition it contains less soluble arsenic than ordinary Lead Arsenate.

The Copper Sulphate in the new dust is in the combined form and not in the free state, as in the mixed dusts heretofore used, thus making it absolutely safe on foliage under all conditions.

Growers who have a knowledge of chemistry will therefore realize that Deloro Brown Dust is a better sticker than the old dust could possibly be, even when mixed with lead arsenate.

Experiments at Cornell in 1922 with Copper Dust made by Deloro process showed it to be a better floating dust than any other dust heretofore produced.

Remember this dust is made by a chemical plant today controlling one fifth of the world's supply of arsenic and manufactured under the supervision of chemists with the analysis stamped and guaranteed on every bag leaving the plant.

Use Brown Copper Arsenic Dust for all but the calyx or after blossom application on apples, when Sulphur Lead Arsenate Dust should be used, in order to avoid fruit russetting.

The results obtained by growers and not the opinion of scientists or competitors made Blue Copper Arsenic Dust a success in Nova Scotia in 1919. The results obtained by growers did the same in New York State in 1922. We expect the results by growers and not the opinions of our competitors to put Deloro Brown Copper Arsenic Dust over in 1923.

A full line of 90-10 Sulphur Lead Arsenate, Nicotine Dust, Lead Arsenate, Arsenate of Lime, Green Potash Dust, Wettable Sulphur, Nicotine Sulphur, etc.
