It ings realized as he read, and could not doubtful, hesitating expression crept over turn. It was brief, and ran as follows: 'We have already said good-by to each \_\_just because. She is so like him, God, the church which was indebted to her for ment. At length, however, he managed against Malcolm's wishes even when he was other. You have made your choice, and the couldn't help loving her and carring out the church with an appearance of carelessness; unreasonable. She loved him so deally the couldn't help loving her and carring the couldn't her. But Jack is gone somewhere, I don't know where, and he don't write to me or seem to care for me or baby any more, BETWEEN TWO ENGINES AND A TRAIN WHICH else he would. And I am so poor, dear God, I can't keep baby! I can't have her Theresa regarded him furtively.

Theresa regarded him furtively.

In ose and chin, came out on to the piazza ing all her good looks away. Now she is

'You refer to my promise to sing in the at the side, from the back doer. This was to hate her mother and to curse the day ing her own washing even, and economizing all her good looks away. Now she is left a widow without a cent, and with three children. I must say what I feel, Malcolm, —that I was made for something better than to darn and patch, and that I am sure such a life as hers is not my vocation.' Your repeated, with a quiver in his voice. 'I thought that your had found out long ago, darling, that your vocation was to be my wife.'

The words touched her, and with her countenance changing and softening she went and laid her head against his arm in a way that was habitual with her.

I did not intend to hurt your feelings, dear,' she said. 'Haven't I loved you ever, and economize in gall her good looks away. Now she is left a widow without a cent, and with the controlled himself sufficiently to answer, dear,' she said. 'Haven't I loved you ever and care of the back doer. This was have the back doer. This was made up of two engines in front and twenty-two cars of cattle, ten freight cares and caboes and an engine in the past of the was bron! No, God, I am going to each one, was her greeting, in a thin, rasping voice. 'Goodness knows, I have got over expecting any gratition of the Denver and Rio Grande road last week left Lovee. It was made up of two engines in front and twenty-two cars of cattle, ten freight cares and caboes and an engine in the rear. The train soon broke in three parts and there of the care in the less, you know,' he said, with a confidence that was far from being real.

So drew away from him, and stood apart, as she returned, with an accession of petulance:

'You are always gadding about when the theut, Mrs. Eaton.

'You are always gadding about when the sunt, Mrs. Eaton.

'You are always gadding about when the sunt, Mrs. Eaton.

'You are always gadding about when the sunt, Mrs. Eaton.

'You are always gadding about when then they wore, we are greeting, in a thin, rasping voice. 'Goodness knows, I have got over expecting any gratition on the Denver and Rio Grande road last week left Lovee. It was made up of 'I did not intend to hurt your feelings, dear, 'sho said. 'Haven't I loved you ever controlled himself sufficiently to answer, it.'

Theresa reddened, and stopping, looked man Thomas Baker, killing them instantly. Postions of timber on the flying cars were leading to the said of th

Women have been able to place of miled, still to the bar to practise law in New Hampshire.

Women have law is propose he'll have to be consulted.

Malcolm and I understand each other perfectly, she responded. 'As for his earning a living, he has just obtained a situation as

Middleton and Margaretville Railway. Foss, C. E., of the the N. S. C. railway, has begun a preliminary survey of the branch line from the former place to Margaretville. That a feasible line will be branch line from the former place

Margaretville. That a feasible line will be
found goes without saying to anyone who
is acquainted with the country lying between tiese points, and as the Dountinon
subsidy granted to the N. S. C. R., covers
a milage extending to within two or three
miles of the Bay of Fandy, there seemed to
be no good reason why this extension should
not be at once begun and carried forward
to completion. As the complement of its
completion, however, a work of some magnitude would become necessary in the pubniting the first of the conting the conting the interest. We refer to the creation of
extended shipping facilities at the port
Margaretville, in the shape of
harbor
forgog.

The Weymouse

—Writs have been issued for a general
dection in Prince Edward Island. Election
Tupper, D. D., to Acadian College. It is
said to be a fine likeness of the reverend
gentleman who was in a special sense one
of the founders of that valuable institution.

The S. S. Portia sailed from St. John
with a symmetric decided in the contingent of the founders of the found

large sale within it. Every new railway will add to this demand. With proper facilities at the bay terminus of this branch for the handling of coal, it could be baid down from the Spring Hill and Joggins mines nearly a dollar a ton cheaper than it could be otherwise secured. Again, the operation of the new ship rallway would open a short and safe route to our fruit production to the Gulf ports, including St. Johns, Nfld., Charlottetown and Summer- mild form. Is it La Grippe? side, P. E. I., and Chatham, Newcastle and Bathurst, in New Brunswick, etc.

By all means, then, let the promoters of in 1888. the branch, and people of the County, use all diligence to secure so desirable a trade by using steam vessels to connect the Atlantic towns connected by the N. S. C. to-day, was valued at \$150,000. R., the Annapolis Valley and the fine with the great centers of trade across the Bay-St. John, Moncton, etc.

We have neither time nor space in which to develope our thoughts on the subject today, but we shall do so at an early day in

micest corrects over openeed in Bridgetown. I ampton Happenings.

An obedient son, with a thoughful temdiate associates and personal friends, by whom his early withdrawal from life will be regarded as a loss not readily to be forgotten, and the general public give their sympathy to the bereaved family.

Denoting of R. S. FITZRANDOLFO. perament, and good intellectual endow-

or less personal acquaintance and intercourse for forty years past, was the eldest son of the late James FitzRandolph, and was born in Digby, in 1830, kis father having been married in the preceding year. He was a grandson of the late Joseph The was a grandson

Joseph.

The "Hopeful Mission Band" announce Haliburton, son of "Sam Slick," and is stored, we believe, in Halifax. It consists of a block of stone on which is children, of whom the deceased was the ohildren, of whom the deceased was the eldest. Soon after leaving Mr. Loudette's school in his native town he went to St. John, N. B., and became first a sales clerk in Lawton's dry goods establishment, and in Lawton's dry goods establishment, and soundly bookbeaper in the same. He resecondly bookkeeper in the same. He remained with Lawton until he attained his majority, when he returned to Digby and count, say in 1852. Shortly after hemarried a Miss Austen, by whom he had considered to the savery useful volume pub.

one child only—a daughter, who died unmarried, leaving him childless, and his wife having died he never afterward married.

Mr. FitzRandolph was an excellent business by the government of Roya Scotta, has been sent us. It is a neat pamphlet, and contains a large amount of information for the house of Mr. Jas. G. Roach had been has also quite a number of young colts, all Mr. FitzRandolph was an excellent business man, very agreeable in his manners, neat in his dress, and urbane and kind in his disposition. That he was successful in business need scarcely be said, such a man could hardly fail of success. By his will, the provisions of which he provisions of which he will be absoluted and like the provisions of which he will be absoluted and like the provisions of which he will be absoluted and like the country of the provisions of which he will be absoluted and like the occurrence of the from of insects and diseases, cannot be too highly estimated. Every member of the provisions of which he will be absoluted and like the occurrence of the stallion "Sir Brenton," with his partner Dr. A. B. Cunningham, of Annating the previous night by an unculturists. The articles having reference to the treatment of the enemies of culture and without any warning violently pulled to too highly estimated. Every member of the clothes from the bed and left the occurrence of the stallion "Sir Brenton," with his partner Dr. A. B. Cunningham, of Annating the previous night by an unculturists. A QUAKER'S WILL.

Which Made the Heirs Refuse to Attend

the Funeral.

A STRANGE STORY. In the accounts of the great fire at Lynn, to say that they belong to the leading fam- which turns up an estate left in mort My of the place, because there is no one as the lawyers term it.

wealth and social position.

THE HUSBAND'S WILL

she or any of his family has ever done anything to offend him, and he replied in the Tribune. negative. All had been loving and dutiful. But he said it was a debt he owed to God. When he was poor he had knelt down and HOW. ONE MUST ACT AT CERTAIN TIMES prayed to God to give him wealth, promising that whatever he acquired he would leave for God's service when he died. Then came angry, and asked if God required him to leave his family in indigence, and if pass a lady on the stairway. and they all reasoned with Mr. Breed, and manners.

of him, then, thee shall not, if I have to close thy mouth with my own hand.' After this extraordinary address he sat down. The friend who proposed to speak looked pleadingly at the sons, but they turned away from him, and then he sat down. A sign was made, and the undertaker's men lifted the coffin and carried it out to the hearse. Those who liked followed has great deal by himself. He is dependent on When she was a Child, she cried for Castoria, When she head Children, she cave then Castoria, when she head Children she cave then cave the control of the control of the cave that the control of the cave that the control of the cave that the control of the cave that the control of the cave that the control of the cave the cave that the cav hearse. Those who liked followed, but great deal by himself. He is dependent on When she had Children, she gave them Castoria. HI. and the rest too angry.

Ben Butler was consulted, but he said the will could not be broken, and therefore no attempt was made to break it. The property was in a great measure in land in Missouri, Kansas and Iowa, and has increased so greatly in value that the estate must now amount to more than \$12,000,000. the time of division is still far off. All the shilldren are in sound health, and one of the children are in sound health, and one of the

young wife which will extend the time very considerably, as no one can now forsee who will be the youngest granchild. The oldest graadchildren will certainly be past middleage when the time of division comes, and the millions are apportioned out among the grandchildren. There is no predicting to what amount the estate may have grown at that time, for every year there is some nev development either in the property or in Mass., readers must have noticed that locations adjoining. This incident in real among the heaviest losers are many persons life offers some analogy to the story by of the name of Breed. It would be untrue Eugene Sue called 'The Wandering Jew,'

leading family there, but they are among those who are most conspicuous by their How Frost, Nature's Disinfectant, Works.

In the next generation, however, there With the approach of cold weather near will be some millionaires among them, owing to the peculiar character of old Mr. Bread's will, which many years ago sent a thrill through all the Quakers of New England and New York State. It was the sensation of the time, but like other sensations, gradually ceased to be the one absorbing topic of conversation. Old Mr. Breed, who topic of conversation. Old Mr. Breed, who made this famous will, hailed from Boston, and settled in Lynn before it was the great generally believe, to cold as to the fact that entre of the shoc trade, and before its rich men had built their cottages on Nahant neck. He prospered exceedingly, and became a leading merchant in Lynn and a prominent man among the Friends. He had so a might be rich and before its rich men had built their cottages on Nahant neck. He prospered exceedingly, and became a leading merchant in Lynn and a prominent man among the Friends. He had an amiable wife, sons who were settled regions are less subject to lung diseases In business and prosperous, and daughters who were well married, one of them to William Bradford, the famous painter of is at work as a destroyer. Is is unhappily the rule, rather than the exception, for people to live all winter in rooms which are never systematically aired. The average Everything was going along as pleasantly housekeeper feels that her duty is done if as possible, when one morning when Mrs.

Breed was shopping in Lynn she was stopwhich the family live or sleep should be ped by a banker of the name of Buffum, thoroughly and daily aired by opening the also a friend, who said to her: 'Sister Breed, windows, so as to secure a current of pure Influenza, Bronchitis, Asthma, thee knows, I guess, that thee husband has outdoor air for at least five or ten minutes. 'Why no,' she replied, 'I If the room is occupied all day and evening did not know it. What of it?' Doesn't it should be aired twice a day. It is as thee know the husband's mind in this matter? If thee does, and if thee and he in this way with fresh air as it is to heat it. are of one mind, I have naught to say. But The foul germs of diphtheria, which pro-

Children Cry for Pitcher's Castoria.

CANADIANS Work Too Hard! The Result is Sleeplessness, Nervous-ness and a Broken-Down System, often

Ending in Insanity. Thousands of overworked business worked business men, wearied brain-workers industrious mechanics, and tried women, in all parts of the Dominion are to-day in a terriare to-day in a terri-

ble position. Their nerves are weak, digestion poor, head aching, and they cannot sleep, work or live in comfort. This is what fills our Insane Asylums. This is the cause of that terrible Paresis. Before it is too late, use Dr. Phelps' wonderful discovery, Paine's Celery Compound. It removes the results of overwork, restores strength, renews vitality, regulates the whole system, and tones up the overworked brain and body. Do not despair, but use this wonderful remedy, and be restored to health and happiness, the same as was Mr. John L. Brodie, of Montreal, who writes . "I have great pleasure in recommending your Paine's Celery Compound. My system was run down and I was not fit for business, could not sleep well at night and was nervous. I commenced taking Paine's Celery Compound and improved immediately. I am now able to transact my business and endure any amount of excitement without bad effect."

Paine's Celery Compound can be purment without bad effect."

Paine's Celery Compound can be purchased at any druggist's for one dollar a bottle. If he should not have it on hand, order direct from Wells, Richardson & Co., Montreal.

Influenza, Bronchitis, Asthma, Consumption, Scrofulous and all wasting dis-

## eases, use Puttner's Emulsion OF COD LIVER OIL

St. Andrews, N. B., Oct. 4th, 1889. he grasped her hand and gave it a most significant shake. 'I tell thee, Sister Breed, all is not right, not right, and so he passed on and went his way, leaving her overwhelmed with anxiety, for it was plain that there was something which had disturbed him, the quiet banker, so greatly that he had become quite emphatic.

CUT OFF HIS FAMILY.

Messas. Brown Bros. & Co.,

Messas. Brown Bros. & Co.,

Messas. Brown Bros. & Co.,

Being very much reduced by sickness, and almost given up for a dead man, I commenced taking your PUTTNER'S EMULSION. After taking it a very short time my health began to tomprove, and the longer I used it the better my health became. After being laid aside for nearly a year, I, last summer, performed the hardest summer; work I ever did, having often to go with one meal a day. I attribute the saving of my life to PUTTNER'S INSTALLANCE.
