TOWN DEBENTURES NOW ON SALE

Some May Be Sold Locally—Concessions for I.O.O.F. Home—Tablet For Capt. Crosskill

The Town Council held their regular monthly meeting on Friday night. The volume of business to be disposed of was not large. A few bills O.K.'d were ordered paid.

Mayor Warren, Councillors C. B. Longmire and H. B. Hicks were appointed as representatives of the town to the Seventeenth Annual Meeting of the Nova Scotia Municipalities which assembles at Kentville this year and holds sessions August 25th, 30th and 31st.

As previously foretold in The MONITOR the Council voted for the purchase of a bronze tablet to be placed on a suitable foundation in Riverside Cemetery to perpetuate the memory of Capt. John Crosskill, founder of the town of Bridgetown.

The matter of a possible selection by the Grand Lodge, I.O.O.F., Maritime Provinces jurisdiction of the Fowler property as a Home for Aged Oldfellows was brought up and the Council voted to supply the home if established there with town water for the nominal sum of \$1.00 per year. Water pipes have now been laid out Jeffrey Street to the Northern street limit of the town and this work accomplished affords much satisfaction to the ratepayers living in that part of the town.

Bridgetown Debentures \$1,000 20 year debentures and \$3,000 thirty year debentures in denominations of \$500 each and bearing interest at 5% are now on the market and there is a probability that a number of these will be purchased locally. This procedure has followed in a number of provincial towns, and is one means whereby citizens with some money for investment can get good sure interest and at the same time show practical faith in the future of their towns.

After the conclusion of some slight matters of routine the Council adjourned.

ROUND HILL

Mrs. Charles Finde and daughter, Erena, spent Monday in Bridgetown.

Mr. Charles Banks and brother, of Boston, U.S.A., called on Mr. and Mrs. Charles Finde recently.

Mr. and Mrs. Harry Milner spent Sunday at Prindle.

Mr. I. C. Whitman, Postmaster, and daughter, Miss Gladys, have returned from a visit in U.S.A.

PARADISE

Mr. and Mrs. H. D. Starratt, their daughter, Helen, and Mr. and Mrs. T. Marshall, Middleton, motored to Berwick on Sunday to attend the Camp Meeting services.

The Camp Fire Girls held a lawn party and box social on G. N. Banks' lawn on Monday evening. The sum of \$14.25 was realized.

Guests of Mr. George Wilson are his sister, Mrs. Woodward, and her son and his mother, Mrs. Wilson, from the United States.

Mr. W. Whitney and two children, who have been the guests of Mrs. J. H. Balcom for the past few weeks, have returned to their home.

The picnic of the Women's Institute, postponed from last week, will be held this Thursday at Leonard Brook.

Miss Sara Longley who is training in the Boston Hospital, is spending her vacation with her parents.

The Camp Fire Girls' ball team played the farmers on Thursday evening.

Rev. and Mrs. W. I. Morse and their daughter are spending a few weeks at their Summer residence.

The Tobin-Walfield Co. entertained an audience in Longley's Hall two evenings of last week.

Miss Elizabeth Banks has returned from a visit with her brother, Floyde, at Morrissett.

Mr. Reginald Mason, who has been in the West since Spring, has returned.

Mrs. Emma Hines, Annapolis Royal, is a guest of Mr. and Mrs. Clarence Durling.

The W.M.A.S. meets at the home of Mrs. H. D. Starratt on Tuesday next.

Miss Albertine Angers, Karadale, is visiting her friend, Miss Marion Bishop.

A CROSS DOG STORY

An unusual law case came before Magistrate Crockett this week and it concerns a dog. The story, as unfolded in the court, was that Mr. S. C. Turner, of New Glasgow, while passing the farm of Mr. C. D. McKay, by McEllan's Brook, in Plymouth, was asked by Mr. McKay to go into the barn and see a sick cow. Mr. McKay also told Mr. Turner to look out for the dog as it was cross. The dog attacked Mr. Turner before Mr. Turner before Mr. McKay had secured it, and bit him in the stomach, tearing the flesh. Mr. Turner brought action to have the dog destroyed, claiming that it bit him without provocation. Mr. McKay claims the dog to be a valuable one and necessary for protection. The Magistrate took Mr. Turner's view, and issued an order for the canine's destruction. The order is stayed as Mr. McKay has appealed the suit to the County Court.—Eastern Chronicle.

Local Happenings

A large number left last week for St. John to go West on the harvest excursion. Very few from Bridgetown and vicinity joined the number.

A slight error inadvertently occurred in the box score of the Bridgetown-Yarmouth ball game, when Jackson was credited with four hits and Smith with one. The correct figures were: Smith four hits, Jackson one.

Magee and Charlton have, for the past week, been placing on the board in front of their store, results of baseball games played in the Valley. This intimation is a source of pleasure and satisfaction to patrons of the sport.

The Dominion Atlantic Railway are naming a fare and one-half for the round-trip from Dominion Atlantic stations in connection with the Halifax Summer Carnival, August 7th to 12th, 1922. For further particulars apply to ticket agent.

Mr. W. C. Milner, of the Public Archives Dept., Ottawa, was a recent visitor in town and conferred with Dr. M. E. Armstrong, President of the Centennial Celebration Committee, and made visits with him to a number of the historic spots and to nameless graves in this vicinity.

Passengers on a D.A.R. train coming through Windsor on Friday to Halifax saw, while crossing the bridge, a couple of fine salmon stranded in the mud at the side of the Avon River. This is something unusual in the Avon, and indicates a good run of salmon there.

A Dental Clinic will be held on Friday, August 11th, at 2 p.m., in the Bridgetown Clinic Rooms, Dr. F. S. Anderson and Dr. N. R. Warey in attendance, for the purpose of clearing up defects which exist in the teeth of school children. It is hoped also that children from the outlying districts will be in attendance.

Mr. Howard Troop, of the Boston Transcript, accompanied by Mrs. Troop, is visiting in town, the guest of his mother, Mrs. William R. Troop. Mr. Troop was, a number of years ago, a member of The MONITOR staff, and still cherishes pleasant recollections of the period of his initial entry into the ranks of the fourth estate.

All the pupils of Mrs. Frank H. Balcom's French classes, Paradise, were successful. Grade XII, Edwin Lilly, Alice Longley and Richmond Longley, Grade XI, Vera Davies, and Gertrude Davies. The "A" class had never studied French before and did the four years' work in one year.—Edwin Lilly leading with a mark of 94.

The members of the St. Joseph's baseball team have arrived home from Annapolis and Bridgetown, having won in Annapolis and lost in Bridgetown. "We cannot say too much of the hospitality we received," remarked one of the party. "It was simply splendid. The people could not do enough to make our stay pleasant, and this was true of both places. We had a great time altogether.—Evening Mail.

St. Joseph's junior team which played the Bridgetown juniors here recently are anxious to come again to Bridgetown for a game, and the Socials of Halifax, champions in their class in 1921, are also looking for a date here. No definite arrangements have been made at time of writing with outside teams, but very likely a number of games will be arranged which will please the fans generally.

Miss Pearl Chute, County Health Nurse, has resumed duty after a vacation, and proceeded to Weymouth. Clinics are being held this week in the various centres in Annapolis County. Statistics of the Provincial Health Department for the past year are the most satisfactory in the history of the Province and show that campaign of education backed up by clinics and the work of the County Health Nurse is gradually making for better conditions generally.

BRIDGETOWN WINS OVER WESTVILLE

Score 7 to 4 In An Interesting Game—Local Team In Splendid Working Shape

Wednesday afternoon's baseball match between Bridgetown and Westville was one of the most interesting of the season. Two good teams and both working well. There was considerable spectacular playing. Strike outs were much less numerous than in many of the games and hitting honors were about easy between the two teams. Bridgetown scored heavy in the second and in the sixth innings. In the latter they had the bases full with no one down. Hoyt and Marshall having each connected for safe hits. Malcom was hit by the pitcher. Jackson's hit brought Hoyt and Marshall home but Thompson struck out three men in succession and thus held down the score for the innings to two runs.

The game was followed throughout with great interest by the fans. Hoyt, of the Juniors, played a great game. He is a slick fielder and a clean hitter, and is certainly making good in senior company.

The Westville boys are a splendid lot of sports and will be warmly welcomed here at any time they can come. In the afternoon they defeated Middleton 12-9 and on Thursday tied Kentville 3 to 3.

CLAIMED IMMIGRATION LAWS TOO STRICT

Discussing immigration in Canada from the British Isles, Mr. McConkey said the farmers, especially the farm laborers of the United Kingdom were very desirous of emigrating to Canada, but were too poor to pay the expense. He said the farmers of England were very much interested in the overseas settlement and large numbers of willing immigrants had applied to come out to Canada. "The inspection, however, was so strict," said Mr. McConkey, "that we rejected ninety per cent. of the applicants as set forth in the Canadian immigration regulations."

UNABLE TO WALK FOR A YEAR
Paralysis Entirely Relieved by "Fruit-a-tives"

The Wonderful Fruit Medicine

Paralysis is a break-down of the Nervous System and affects the victim in various ways. Sometimes, nervousness makes itself known by hysteria, insomnia, constant headaches, or it may be so bad that one is partially or completely helpless in some part of the body, just as Mrs. Heacock was.

SARIE STE MARIE, Ont.

"When I was twenty-eight years of age, my doctor advised me to have an operation, which I did and it proved very serious, leaving me weak and unable to walk for a year. Seeing your "Fruit-a-tives" advertised in the papers, I decided to try them. I continued to use them regularly, and today I am able to go about my home duties and care for my family."

MRS. J. W. HEACOCK.

Any form of Nervousness is often caused by, and is always aggravated by, Constipation, which poisons the blood, irritates the kidneys and inflames the nerves. "Fruit-a-tives" stimulates the action of liver and bowels, kidneys and skin—tones and sweetens the stomach—keeps the blood pure, and builds up the entire nervous system.

In a word, "Fruit-a-tives" has proved that it is the most scientific and effective remedy in the world for Nervousness or a disordered condition of the nervous system.

CORRESPONDENCE

Your issue of 19th inst contains an article in re the work on Victoria Bridge with some insinuations about the Highways Board and the uncooperative foreman.

On the day referred to, while a v-ing the pile driver on to the bridge—and you will understand an **Impromptu Pile Driver** is not as easily moved around as Mr. Smith's Kit-Viz a Prayer Book and a surplice. We were suddenly startled by some very threatening language coming from within a Clerical Garb.

In his rage I might have said some things—not any too courteous, but too true, when a person comes on the work looking for trouble, or any thing else. We are very obliging and try to accommodate him as best we can in our antiquated way.

Now, in order to give Mr. Smith a chance to use his talent to some better purpose, I will give him \$100 if he can invent a pile driver at less cost, giving better accommodation to traffic, and doing the work better and cheaper than we have done it. I will also give him five cents for each and every tourist who has been detained more than five minutes at any one time on our account while passing the pile driver, and some of them pass eight or ten times a day.

I am true to confess that the interests of my employees have always been uppermost in my mind, and spent little thought in catering to sports. If that is the chief charge against me, I plead guilty.

I have worked on about (50 hundred bridges in Nova Scotia, New Brunswick and Alberta, and as far as courtesy and consideration for the safety of the travelling public is concerned I have a record. Not a single accident has ever happened or a man under me been injured in the least in all my fifty years' work, and I am quite willing to be judged by an intelligent public, but not by a chronic fault finder.

Thanking you, Mr. Editor, in advance.

I am your humble servant,
JOHN FERGUSSON,
 Foreman Victoria Bridge.

LAWRENCETOWN

The Missionary Conference held at Wolfville was a decided success, about one hundred delegates being present. Rev. H. Priest, formerly of India, had charge of the Educational Department. Rev. and Mrs. Freeman of India, were present, and gave valuable aid. Dr. Clark and Miss Zella Clark were also present and gave addresses. Rev. G. Rackham and bride, each for China, were present. They go out in the Autumn in company with Rev. Robt. Longley and family. Rev. E. J. O. Fraser, of Korea, spent two days and gave interesting talks. Rev. R. B. Layton, of Kentville, also spent some time at the conference. Rev. J. D. Spidle gave fine addresses. Mrs. J. B. Hall, representative of the Methodist Church at Lawrencetown, took great interest, and gave valuable assistance. Mrs. Forbes, of Scotsburn, as usual was the moving spirit of her department. Mr. Parker, of Truro, had charge of the Junior Missionary Department. Mrs. E. O. Brian, of Truro, worked the mission hands and Sunday Schools was present. Miss Blackadder gave an interesting talk at the twilight service.

Mrs. Perry, wife of Prof. Perry, gave a reception to the Baptist delegates, and Mrs. Miller, wife of Rev. G. Miller, gave a reception to the Presbyterian delegates. Mrs. Reigh and staff did all in their power to make the large family comfortable. There was a deep spirit of religious interest manifested throughout all the exercises. At the close a number of promising young people decided for Christ and declared their willingness to go wherever they were called, either in the home field or foreign.

Recent guests of Mrs. Richardson at the home of Mrs. C. C. Bishop: Mr. Percy Richardson, of Sask.; Mrs. Fred Fraser (see Miss Mianie Richardson), Prof. Gilman and family of Providence, R. I.; Dr. R. G. D. Richardson and family. Dr. Richardson and Prof. Gilman have gone on a fishing trip of two weeks at Kedgemakoope and Mrs. R. G. D. Richardson is now visiting at her former home in Antigonish.

Mrs. Jennie Balcom, of Montreal; Mrs. Fred Marshall, of Winthrop, Mass.; Mrs. L. P. Shaffner and Mrs. Karl Shaffner and little daughter, Hazel, of Middleton, were guests last week of Mrs. J. E. Shaffner and Mrs. C. S. Balcom.

Mrs. D. M. Balcom left on Monday for Belmont, Col. Co., to visit her daughter, Mrs. Hugh McLeish, who welcomed a little daughter on July 22nd. Her sister, Mrs. Pearl Pidgeon, is the attendant nurse.

Mr. and Mrs. Paul Durling and little daughter, Kathleen, accompanied by Mrs. Wm. Bishop and daughters Dorothy and Jean, are spending a week at the Camp Meeting, Berwick.

Deacon Wm. McKeown has returned from Belmont, where he spent over a week. He was accompanied by Mr. and Mrs. Cattle en route for Smith's Cove.

Dr. M. Nichols and wife, of Aylesford; Mrs. Israel Parker, of Granville, made a short visit to Lawrencetown and were guests of Miss Blackadder.

Miss Kathleen James has gone to Digby for a visit. Miss Mary Balcom is substituting in the Post Office while Miss James is absent.

Mr. and Mrs. Edward Freeman, of Windsor, have been guests of the former's parents, Mr. and Mrs. E. H. Freeman.

The telephone boys were entertained at the home of D. M. Balcom's while working in town and vicinity.

Miss Nina Beckles and Miss Frances Stoddart are attending the Summer School of Methods at Wolfville.

Mrs. L. Morrison has gone to South Maitland to join her husband, who is station agent at that place.

Rev. G. Rackham and bride are visiting his brother, Rev. Mr. Rackham, at the Methodist parsonage.

Carl Beals, of Wolfville, has been the guest of his friend, Malcolm Shaffner, for a week.

Dr. F. A. and Mrs. Walker are spending a fortnight at Kingston and Middleton.

Mrs. C. P. Hanley and daughter, Ardis, have gone to Halifax to spend a week.

FARMING

Amid the present depression and high rate of living the claimant call is heard "make the land yield more". We need a tide of immigration into our Province in order that vacant farms may be occupied and that more of our soil may be tilled. It is true that in large portions of Nova Scotia there is land that cannot be cultivated but yet there could be greater production.

We seem to lose sight of the fact and there is dignity in connection with the science of agriculture. We are told on the page of sacred story that King Uzziah loved husbandry, and there was a time in ancient history when Kings cared more for ploughmen than for soldiers.

We must have skilled farmers and we scarcely value them enough. The King himself is served by the field and the farmer is in the highest of all professions. The occupants of Eden were placed there to till the soil. The late Dr. Parker of London, once said, "Other men are in the air, or on the horizon, or at a great distance somewhere inventing possibilities for the description of what they are about, but the husbandman is just next to the Creator."

Our Agricultural College, Truro, is doing good work educating our people, elevating agriculture and stimulating greater interest in the tillage of the soil. The young men, especially natives of our Province, deserve ample encouragement and support that they may be led to look at the farmers' occupation as by no means a humiliating position. If we want our Province to make greater progress and increase the products of the soil, science must be introduced and help extended to our stalwart young men. Countries become prosperous and continue so and towns and cities grow and become stable when surrounded by an agricultural population.

Back to the land should be the modern cry and with increased volume it should be uttered today. Farming should be looked upon as one of the honorable positions in life. Let new markets be opened up for the disposal of products of the earth, and governments give due encouragement to the farmer's occupation. There should also be an influx of population of the husbandry class that our little Province may grow and become more productive. The farmer need not take off his hat to any man, and his occupation tends to clothe him with humility, and humiliation works out the most elevated joys. As the farmer takes off his coat and cultivates the soil he gives dignity to toil and dignifies the most ancient profession in the world.—Windsor Tribune.

LAWRENCETOWN AND ANNAPOLIS IN TENNIS TOURNAMENT

Lawrencetown.—On Friday last Annapolis Tennis Club members motored up and were the guests of the Lawrencetown Tennis Club for a tournament play. Some twenty members comprised the guests from Annapolis. The cars reached here about three o'clock and play was at once commenced. The day was ideal for tennis, there being no sun to interfere and just enough breeze to make playing a pleasurable exertion for participants. The courts had previously been out in the very best of shape, and although neither club had much more edge than the other the result was a splendid brand of tennis by both teams, and the scores go to show how evenly the two clubs are matched, and when the return games are played which will probably be on Friday coming another good day of tennis may be expected. The scores by events follow:

Ladies Singles:—Miss Anderson, Annapolis, won over Miss James, Lawrencetown, scores being 4-6, 6-4 and 8-6.

Mixed Doubles:—Miss M. B. Ringer and R. C. Bishop, Lawrencetown, won over Miss Whitman and Mr. Pickup, Annapolis, scores being 6-1, 1-6 and 6-4.

Ladies Doubles:—Misses O. Atlee and S. Atlee, Annapolis, won over Miss D. Jefferson and Mrs. R. R. Ritchie, Lawrencetown, scores being: 6-0, 2-6 and 7-5.

Gents Singles:—R. C. Bishop, Lawrencetown, won over Mr. Armstrong, Annapolis, scores being 6-0, and 6-3.

Gents Doubles:—L. H. Ringer and R. C. Bishop, Lawrencetown, won over Mr. Whitman and M. Harris, Annapolis, the scores being 6-0, and 6-0.

After the events refreshments were served at the Demonstration Building by the lady members of the Lawrencetown Tennis Club and were enjoyed by all. After having enjoyed their lost as well as gained tennis events and after a few friendly sets played mixedly, the Annapolis guests left by automobiles for their homes. Return events will be played this Friday if the Mrs. J. F. Taylor was the hostess at the building and had everything arranged in a very pleasant and outgoing way. The Misses Eleanor Taylor and Mabel McLeod proved very efficient servers.

Graphic Review of Conditions and Progress in Lawrencetown

Building Operations Brisk. Community Organization Suggested. Splendid Power Plant. Public Library Established.

In Lawrencetown we have a town that has never before been given the publicity or prominence that it so richly deserves. No person has ever taken it upon themselves to extol its many points of interest and by far too many have been content with things as they exist to-day. As to location, Lawrencetown holds an enviable place in the hearts of any and all tourists, visitors, etc., who have ever enjoyed the luxurious environment and health giving properties of the town. It might be satisfying to know that any tourists who ever come to Lawrencetown are never content until they come the second and third time.

The people are particularly noted for their hospitality, and it is a general rule that when strangers are in town to give them the entire freedom that tends to make them cheery and happy.

The town is unable to boast of an incorporated body, and despite the fact that there is no general organization that tends to bring working and employer into closer working harmony, there are to-day existent in the town five general merchandise establishments each doing their respective share of business, and securing the highest type of co-operation between employer and employee.

It would be an enterprising idea if some of our promoters would project a scheme patterned after some of the later and larger towns that have no bigger or better business situations than we have whereby some type of a Community Organization that would be working in the interests of the citizens of the town could be instituted. Such things are not impossible however unusual they might appear to be, and with some freely working public organization from which could emanate the town's institutions, I feel quite safe in saying that we would have achieved the first real step towards bringing into the town new settlers and that will all tend to build the town into as large and enterprising a community as would be a satisfaction to all PRESENT and any future citizens.

There has been extended for the summer months through Owl connections to Annapolis thus affording town people who are working outside an opportunity to reach home after work on Saturday night and return on Monday morning, thus losing none of their working time, and it is quite surprising how many avail themselves of such an opportunity extended to us through the courtesy of the D.A.R.

With each person helping to improve their premises as many have been doing the past few weeks, by building improvements,—painting, cleaning up the yards, etc., the place will make for itself an enviable name as well as an inviting spot to passers-by, and judging by the number of cars that pass each day without stopping, it might be a bright idea to hold out some certain inducements. The confectionery and ice cream merchants would certainly appreciate that move perhaps more than we others. The main point that must be borne in mind, however, is that we want to earn for the town a reputation that will place it in the public eye of all concerned.

The town is now able to boast of a lately organized Masonic Lodge, which at the present time appears to be in a flourishing condition. The Masons are taking full control of what has in past years been known as the Farmers Picnic, and that goes to show what better conditions an organized body can work under than an unorganized, and we would feel quite safe in stating that the success of this year's picnic is already assured, and furthermore it is the intention of the promoters to make the picnic one of the grandest events ever held in Lawrencetown. Publicity will be given well in advance of the gala event, and if I was given permission I would cheerfully advise each and every person within a radius of thirty miles to place that day aside as being one of the greatest events in their lives as it is at present the intention of the promoters to introduce

LAWRENCETOWN JUNIORS DEFEAT BERWICK JUNIORS

Lawrencetown.—On Friday last the junior teams of Berwick and Lawrencetown clashed on the local diamond. The boys from Berwick were conveyed here in cars and the game commenced at four o'clock. Snappy plays were featured throughout. Clark from Berwick making a very sensational double play at right field. The earlier part of the game witnessed some scragged playing, but after the third inning the boys got down to work and the brand of ball doled out of a very superior quality, and some idea of the merits and equality of the two teams can be taken from the fact that it was necessary to play ten innings before either side pulled ahead. Pa'frey for Lawrencetown, a brassy young short-stop, made the feature plays of the day while Brown's drives with men on bases showed up well. Elderkin for Berwick acquitted himself admirably as a pitcher, and made Morse the local's star twirler tighten up to the last notch. Shaffner the captain of the local's, is fast rounding his players into shape and the chances are that ere long the boys are going to prove what real ball is. The score at the end of the ninth inning stood five all when it was found necessary to go the extra inning. It was in this tenth inning that the locals put their heads together and nosed out, thus winning a hard fought game. The score stood at the end of the game 6-5 in favor of Lawrencetown. The batteries were: For Lawrencetown, Morse and Beals. For Berwick, Elderkin and Savage. L. S. Messenger behind the bat and Clark on bases handled the game in a manner satisfactory to both players and fans. Attendance about 75.

The town is particularly proud of her own sons who have gone forth in the world to follow their chosen vocations, but who nevertheless have never forgotten to return for their leisure hours. The town has sent forward people who are in every walk of life. There is a good representation at both Mt. Allison College, as well as Acadia.

There is one theatre in the town under the management of Mr. H. F. Sanford. It affords moving pictures for the movie fans and there are frequently Stock Companies travelling through. A dramatic club is organized every winter and serves to hold the young people together for the evenings and two or three months are thus spent in promoting and presenting dramas by wholly local talent.

The school system, although lacking proper accommodation for the pupils, makes up in that respect by the instructors we have in Lawrencetown for disseminating knowledge to the younger life. Mr. B. S. Banks who has been principal of the Lawrencetown school for many years past and who has always succeeded in putting the great majority of pupils through, is to be the teacher for the coming year and has associated with him all the staff of last year. Any and all pupils who have taken the high school work under Mr. Banks' tutelage and have been willing to learn, have never failed to make the most creditable showing when the time came.

The town has the characteristic distinction of being supplied with the purest supply of water obtainable, sufficient pressure being always available for combating the evils of fire. In this respect our town has been very luckily dealt with, a fire being a rare occurrence, thus showing that the utmost vigilance and caution is exercised. There is, however, a body of firemen always available for fighting the ravages, and this, coupled with the water system, affords the town excellent protection against fire.

Each and every person in the town should have the one point in view towards making one of the most prosperous and enterprising towns in the Province. We have what others have not,—and that is a splendid foundation upon which to work. With a little more enthusiasm shown by the people, and a little more support given to any public enterprise by the people who are well able to give it, we should be instrumental in giving Lawrencetown the position it actually should hold on the map, and ever keep uppermost in our minds that in order to have a wide awake town we must have wide awake people. We want people who will pull together. So lets all go, and help to make Lawrencetown bigger and better before it is too late.

Two public buildings are yet badly needed and those are the Post Office, and Railway Station. We now have both, but neither one is of such outstanding importance as to properly justify prominent mention. However they answer the purpose and as all things come to those who wait, we shall have to be content with wait-

WEDNESDAY, AUGUST 9th 1922

FALKLAND RIDGE

Mr. and Mrs. Guilford Marshall, of Halifax, are expected to arrive on Monday and to be the guests of his brother, C. R. Marshall, and family.

The annual union Sunday School picnic is to be held at their picnic ground next Tuesday, August 8th. A good time is expected—sports, games of all kinds.

Florence Marshall was successful in obtaining her "B", making 512. Jona Marshall also obtained her "B". Evelyn Sproule also obtained her "C".

Mrs. Harold Mason and daughters have returned to her home here. She was accompanied by her mother, Mrs. Geo. Brown, of Melvern Square.

Marjorie Marshall left on Monday for Parkdale where she is spending a week, guest of her sister, Mrs. Robert Wentzel.

Rev. S. C. Freeman, returned Missionary from India, spoke to the W. M. A. Society members at the Church on Monday evening.

Miss Florence Marshall, who has been attending the Summer School of Methods at Wolfville, is expected home to-day.

Mrs. J. McAuliffe, of Waltham, Mass., arrived on Wednesday, the 2nd, and is the guest at Jacob Stoddart.

Margaret Stoddart left on Monday, July 31st, to attend the Summer School at Bridgetown.

Mrs. Wm. Margeson, who has been the guest of Mrs. E. G. Mason, left on Tuesday for Truro.

Jean Mason, of Paradise, is the guest of her aunt, Mrs. Harriett Scriver.

Mr. Fraser has been doing a flourishing business selling fire extinguishers in this place.

W. Hiltz, of the Forties, brought a large load of apple barrels here Wednesday, the 2nd.

Mrs. Charles Marshall and daughter left on Friday for her home at Fitchburg, Mass.

Quite a large number attended the Camp Meeting at New Germany, July 30th.

TORBROOK

On July 28th Mrs. C. G. Nelly passed away at the home of her son, E. W. Nelly, after a long illness of nearly ten months. She leaves to her two sons, Eri and Mack, two daughters, Mrs. A. S. Brown, Torbrook; Mrs. L. Dimock, of Clarence, who have our sympathy in their loss which is her gain, almost her last words were "I have so many dear ones over there". Funeral took place at her late home July 30th, Rev. Allen spoke very comforting words from St. John 14, "Let Not Your Heart be Troubled".

Mr. and Mrs. John Lily, of United States, are spending two weeks at the home of Mr. John Bartheaux.

MELVERN SQUARE

Mrs. Geo. Fowler, Mrs. Blair Carter, and Miss Carter were "At Home" on Thursday to a large number of friends. They were assisted by Miss Hattie Baker who attended the door, and Mrs. John Morse who ushered the guests into the drawing room. Mrs. Harry McNeil who poured the tea and Miss Myrtle Morse passed the refreshments.

Mr. and Mrs. E. E. Phinney, Mr. and Mrs. W. Phinney and children, and Mr. and Mrs. L. Archibald were among those from here who spent Sunday at the Berwick Camp grounds.

Mr. and Mrs. Ritchie and children, and Mr. and Mrs. Morrow, of Waltham, Mass., who are touring through the Valley, spent Thursday with Mr. and Mrs. Miner Sprowl.

Mrs. Stewart Dodge has been visiting her this week her brother's wife, Mrs. Wylie Gates, and children, and Mrs. Basnor, from Wakefield, Mass.

Mrs. Percy Demones has gone to Yarmouth for a much needed rest. We hope the change will restore her to her usual health.

Mrs. Puddington has returned home from the hospital at Middleton as well as can be expected after the operation she underwent.

Mrs. George Brown is visiting with her daughter, Mrs. Harold Mason, in Falkland Ridge.

Hubert McNeil and Clarence Crookes, have gone West on the harvest excursion. We wish them success.

Mr. Frank Black, who has been working for Mr. E. E. Phinney, has returned to his home in Sask.

Mrs. Fred Baker has gone to Fredricton on a visit to her sister, Mrs. McGibbon, and other friends.

Miss Jostie Gates and Miss Winnifred Jacques are attending the Camp Meetings at Berwick this week.

Miss Ruth Baker has gone to Wolfville to stay a few days with her friends, Ema and Melva Roop.

BANKS—MacNEILL

On Wednesday afternoon, August 2nd, there took place at North Range, Digby County, at the home of Mr. and Mrs. C. B. MacNeill, the marriage of their daughter, Sadie R. to Floyd C. Banks, eldest son of Mr. and Mrs. Nathan Banks, of Paradise. The bride was attended by her sister, Miss Lenzie MacNeill, the groom by his brother, Mr. Anthony Banks.

The ceremony was performed by Rev. J. H. Copeland, of Weymouth, assisted by Mr. S. M. Hirtle, pastor of St. Mary's Bay Baptist Church, in presence of the near relatives of bride and groom.

After refreshments were served the happy couple left on a motor trip through the Province. On their return Mr. and Mrs. Banks will reside at Morrinstown.

(The bride is a sister of Mrs. Chesley Forsythe, Granville Street West.)

CLEMENTSPORT

"THE QUEEN OF THE BASIN"

Many interesting stories are told of the early days of this pretty village, then called "Moose River". One of these was concerning the making of a road that portion of the main road that lies between the bridge near where the old grist mill stood, nearly opposite Mr. Boudreau's blacksmith shop and the old Poly Lemus house. The main road then followed the church road, over the hills (South Mountain) in front of the old church, back of the rectory, across the river, up past Capt. Elias Rawding's house and soon over the hills down the Basin. The village fathers then frequently gathered of a winter evening in what is now "The Rest" i. e. the old Shaw house, then occupied by Mr. Douw Dittmars. There they gathered around the open fire place, where the logs piled high shed a cheerful glow about the room—and over their pipes they discussed night after night the building of the new road along the shore. Whether it would be shorter, longer or the same length, and the discussion always ended by Mr. Douw Dittmars taking the iron pot off the crane, placing it on the hearth, and says "Now I hold the bale of this pot upright, now I let it fall to a level with the top of the pot, is the bale any longer in the horizontal position than in the vertical position? The final result was the road we now use along the level.

A Deep Brook wit we are informed the other day, on seeing the sign "Winnisnoakin Falls" said "Winnie should not be smoking". Road signs are evidently misleading sometimes.

A noted Indian scientist of Calcutta has answered a long asked question, "What makes the sap circulate in plants and trees?" by advancing the theory, that each cell has a cell beat (something similar to the heart beat in animals) and these beats all synchronize, so that the sap is forced upward. The world is now waiting for some one who can advance a theory how it is that "Two in One" shoe polish (extensively sold) does not injure the leather and yet eats the bottom out of the tin boxes containing it.

All report a splendid time. And on the 16th comes the big garden party at the "Queen of the Basin". All the friends of the old church and who are anxious to see the historic graveyard put in shape and maintained in good order should make a point of being present and doing all they can to make the garden party a greater success than ever before. See notice elsewhere in this issue.

One season in Clementsport means many seasons. Mr. Edden Gray and Miss Gray are at their bungalow for August and Mr. Gray says that for months while in Texas and in the Southern States he was longing for the day he would be in the "Queen of the Basin" again, and the smile with which he greeted us on his arrival Monday, July 31st, showed his longing had been realized.

Mr. Warren D. Chase, of Plantsville, Conn., has been captivated by the charms of the "Queen of the Basin" and has purchased a beautiful piece of land on Shaw Street, from the local Customs House Officer, Mr. H. L. Vroom. We trust he and his family may spend many, many happy Summers with us and finally become a citizen all the year round.

Mr. John Anderson, of Deep Brook, who has been working painting the bridge here, has gone to the Victoria bridge, Bear River, where we are informed he will take charge later. Every success to you Mr. Anderson. Mr. Cecil McInnes is in Mr. Anderson's place here.

Mr. Albert Jones, of Pasadena, Cal., a cousin of Mrs. Watson Jones and of Mrs. Gould, formerly of Annapolis, after an absence of some forty years, is visiting the scenes of former times, and was in Clementsport on August 1st, seeing his friends and relatives.

A regular week of garden parties! On Thursday, August 4th, St. Luke's, Annapolis Royal, held their garden party. Several Clementsport people went up, and in the old historic town took their teas on the church grounds in sight of the Fort ramparts.

On August 3rd the Church of England, Digby, held their annual garden party on the Rectory grounds. Three cars went down from Clementsport and were loud in their praise of what they enjoyed. King's weather and a royal spread.

The Tobin Wainfield Vaudeville and Photoplay Co. appear here on Friday and Saturday evening in Ely Hall. Turn-out and give them a good reception. The "East Lynne" film will be given Friday evening, August 11th.

Adapted from Canadian Oil Companies Oil Trade Journal: Motorist—"How is the road from Victoria Bridge to Digby?" Native—"Can't exactly say, ain't been there lately. But if it ain't fixed it's bad and if it is, fixed it's darn bad".

Miss Jane Lockward, of Halifax, daughter of Rev. John Lockward, former Rector of this parish, is spending three weeks at "The Rest". She came Monday, 31st July, and is warmly welcomed by her many friends.

Mrs. Annie Rawding and her daughter, Mrs. Morgan, and baby, have returned from Boston, where they have been for several months. Mrs. Morgan and daughter were in Annapolis Royal over Sunday.

Mr. Harry McCormick, of Granville, brother of Mr. Moore McCormick, formerly of this village, has been staying on the Major Dukeshire place for Mr. Frank Barnjum, of Annapolis Royal.

The call of the West has been heard by a number of men and women of the country side on Friday, August 4th. Thirteen left Clementsport Station for various points in the West.

The American tern schooner, Henry H. Chamberlin, Capt. B. M. Wasson, Providence, R. I., is at the wharf loading 750,000 ft. lumber from Ford's mill at Round Lake.

Mr. and Mrs. Cossman, from Boston, came on August 1st and are visiting Mrs. Cossman's parents, Mr. and Mrs. Tom Burrill.

Mr. Karl Stronach, Manager Royal Bank of Canada, at Clark's Harbor, is spending his vacation with his parents, Mr. and Mrs. Chas. Stronach.

Miss Margaret Roop, who is in the Fisheries Dept., Halifax, is home for her vacation with her parents, Mr. and Mrs. Joseph Roop.

Miss Letitia Shaw, who has been visiting Mrs. Alfred Shaw in Windsor, returned home on the 4th inst.

Miss Hanford, who is a guest at "The Rest", left Saturday, August 5th, for a few days' visit in Digby.

Prairie Provinces. Among these was Mr. Horace Beeler, who has spent many years in Nikimis.

The schooner "Eskimo" Captain Burrell, cleared on August 2nd with the bottom out of the tin boxes containing it.

Mr. Chas. Carothers, of Boston, U.S.A., is a guest at Mrs. Capt. Elias Rawding's.

Mrs. Walter Elliott has returned from a pleasant visit to her friend's in Mahone Bay.

Miss Theima Allen, from Connecticut, is visiting her grandfather, Capt. J. N. Berry.

Miss Bertha Morse, of Lynn, Mass., is visiting her mother, Mrs. Douglas Berry.

DALHOUSIE WEST

Mr. Warren, the Baptist student, held service here Sunday morning and evening.

Mr. Arch Harris, of Boston, is visiting at the home of his sister, Mrs. Norman Buckler.

Mrs. Joseph Turner and family, of Hemford Corner, Ohio, has been visiting her brother, Mr. Willis Gillis, and other friends.

Mr. V. A. Cook motored from Waterville and spent Sunday at the home of Mr. Freeman Shipp's.

Miss Laura Buckler and Miss Josephine Gillis, who have spent the past week in Bridgetown, has returned home.

Mr. and Mrs. John Morgan and family, of Bear River, were the guests of his sister, Mrs. James Hannam, Sunday.

Mr. and Mrs. Charlie Cummings and family, of Bloomington, were the guests of his sister, Mrs. Frank Ramsay.

Mr. John McGowan and sister, Odessa, were the guests of their sister, Mrs. Samuel Swift, Sunday.

Miss Mariel and Nina Taylor, of Carlton's Corner, are spending a few days with their aunt, Mrs. Amos Hannam.

Mr. and Mrs. Thomas Todd and his sister, Mary and Ellen, spent Sunday with their sister, Mrs. John Merry, Albany Cross.

Mr. and Mrs. Charles Trask, of Bloomington, were the Sunday guests of Mr. and Mrs. David Shipp.

Miss Mildred Hannam spent Sunday at the home of her parents, Mr. and Mrs. Clarence Hannam.

Mrs. Howard and daughter, of Boston, are the guests of her sister, Mrs. Freeman Shipp.

Mr. and Mrs. G. N. Banks, and family, motored to North Range on Wednesday last to attend the marriage of their son, Floyd.

The publisher of the best Farmer's paper in the Maritime Provinces in writing to us states:

"I would say that I do not know of a medicine that has stood the test of time like *Minnard's Liniment*. It has been an unfailing remedy in our household ever since I can remember and has outlived dozens of would-be competitors and imitators."

CAR COLLIDES WITH POST

A telephone pole on Granville St. at the head of Queen, was cracked up and down several feet nearly broken in two and torn from its moorings on Monday afternoon when a car driven by N. T. Johnston of Massachusetts collided with it. The car, a Ford, was damaged somewhat, the windshield broken and the radiator somewhat badly done up but it was able to proceed to the garage for repairs. Johnston was uninjured but his wife was hurt about the forehead through a bump received when the collision took place.

At the time of the accident Mr. and Mrs. Johnston, Indians from Massachusetts, were homeward bound after motoring from the U. S. around and down to Annapolis and were proceeding at a low rate of speed up Granville Street. At the time Joseph Edwards was travelling up Queen Street in his motor truck and rounded the silent policeman just ahead of the Johnston party who, to avoid the truck, swerved to the left, striking the post with above results.

Frederickton, N. B.—Up to Thursday night the receipts from motor vehicles license, etc., of New Brunswick were \$230,000. Hon. P. J. Venot expects that by the end of the fiscal year, October 31st, they will at least meet his estimate of \$300,000. At the present time receipts are within \$4,000 of the total for 1921. The minister estimated the cars and trucks registered in the Province at about 18,000, exclusive of motor cycles, which number some 250. The buying of cars by the people of New Brunswick keeps up. When the surtax went on there was a lull, but a recovery soon set in.

MAN EATING SHARK EXHIBITED AT WINDSOR

Courageous bathers and even those who do not enjoy the pleasure of a salt water dip, who viewed the man eating shark on the truck of the Colonial Fertilizer Co. on Saturday last, trembled in their shoes as they looked upon the carcass of the seven foot man eating shark which had been captured in the nets of one of our river fishermen in the early hours of Saturday morning.

The fish which weighed 600 pounds, became entangled in the nets of Morton Card while fishing about a mile from Kingsport Pier. Mr. Card, during the early hours of the morning, heard the monster in its death struggle, and when he raised his nets with the assistance of Charles Spencer of this town, it was seen they had captured a shark. Realizing that there are some who would refuse to accept this fish story, Spencer induced Card to have the shark landed at Windsor, where on arrival it was viewed by hundreds of curious persons.

Just a week ago Mr. Spencer sighted three sharks in the Basin, which goes to prove that those smart alecks who terrify the beach patrons in long distance swimming stunts, should be compelled to use their brains as well as their feet and heads when bathing in our waters.

It was said that the particular shark caught could devour a person of ordinary size in a very few minutes, so you can understand our reason for sounding this warning.

WOLFVILLE WINS OVER LAWRENCETOWN IN THRILLING GAME

In one of the snappiest ball games that Lawrencetown has participated this year Wolfville came out at the large end of a 4-3 score, greatly due to errors on the part of those in charge, as the town boys made runs that they were not given credit for. Many exciting features were in order, and had the boys been given a somewhat square deal, the score would most assuredly not have read the way it did. Hall for Lawrencetown made a neat three bagger but was railed out on account of not touching first base. The town had the services of two men of the American Travellers team, and these men were a tremendous asset to the boys. The locals encountered no difficulty in finding the pitched balls of Brown, and Messenger pitched one of the steadiest games of the season. The field was in very poor shape for fast baseball, and despite that fact brilliant plays were featured. R. Shaffner, captain of the local Juniors, made his debut with senior company and made a wonderful showing stabbing a liner going third when his meant runs. Other players on the team played exceptionally good ball and Cohen behind the bat for Lawrencetown turned in a splendid game. The box score follows:

Lawrencetown:	A. B. R. H. PO. E.
M. Saunders 2 b.	5 0 0 5 0
L. Messenger p.	4 1 2 2 1
Winsor s. s.	4 1 2 1 0

Langille c.	4 1 0 1 1
Smilie 1. f.	4 1 1 3 0
Aznis r. f.	4 0 0 2 0

Two base hits: Off Brown: Winsor. Also three base hit of Brown by Hall. Bases on balls: Off Messenger 3; off Brown 1. Hit by pitched ball: Off Brown, 1. Messenger had eight strike outs; Brown had 11. Time, 2 hours five minutes.

GUARD BABY'S HEALTH IN THE SUMMER

The Summer months are the most dangerous to children. The complaint of that season, which are cholera infantum, colic diarrhoea and dysentery, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to banish them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

REMARKABLE LETTER

Canadian Woman Recommends Lydia E. Pinkham's Vegetable Compound

Winnipeg, Manitoba.—"I can not speak too highly of what Lydia E. Pinkham's Vegetable Compound has done for me. I was a nervous wreck and I just had to force myself to do my work. Life was a misery and work was a burden. Even the sound of my own children playing made me feel as if I must scream if they did not get away from me. I could not even speak right to my husband. The doctor said that he could do nothing for me owing to my condition, but told me to expect another miscarriage. My husband's grandmother advised me to take Lydia E. Pinkham's Vegetable Compound and everyone noticed what a different woman I was in a short time. I went and engaged my doctor and he did not know me, I was so well. I was able to do my work once more and it was a pleasure, not a burden. Now I have a fine bouncing baby to use the doctor's own words. I am able to nurse her and enjoy doing my work. I can not help recommending such a medicine, and anyone seeing me before I took it and seeing me now, can see what it does for me. What it has done for me it can do for anyone in the same condition. I am only too pleased for you to use my testimonial."—Mrs. EMILY DAVIS 721 McGee St., Winnipeg, Manitoba.

BEAR RIVER BRIDGE AGAIN

Dear Mr. Editor: The courtesy of the individual in charge of operations at Victoria Bridge, Bear River, is again to the fore. On Sunday, July 30th, an auto with three trailers going through to Yarmouth to do highway work at Port Maitland, Yarmouth Co., found it impossible to get through that antiquated contraption of a pile driver there unless two small pieces of 2x4 scantling were removed which operation would have taken but few minutes. However the individual in charge refused to do so, or to allow it to be done. Hence the contract men had to turn back, stay all night at Mr. Joseph Berry's, Deep Brook, and go on Monday, July 31st, via Bear River. This is just a sample of the way the public is accommodated at this important highway crossing. For co-operation of these statements I refer to Mr. J. H. Berry, Deep Brook, and the men who drove the auto. Trusting this will let those in authority understand what the public in this section of the county have to put up with, and that they will remedy the matter in the way that seems best to them, and at once. Thanking you, Mr. Editor, PRO. BONO PUBLICO.

ROD AND GUN

The August issue of Rod and Gun in Canada, which is now on sale, contains a wealth of worth-while reading, and it abounds in bright and interesting features. The camper or vacationist will find the big article: "Some Suggestions Regarding Outfit" worth a great deal, for it is written by an outdoors man, specially for the aid of holiday pleasure seekers whose trails lead through the wilds or the open spaces. "The Dandy of the Westmoreland", is a big fishing yarn by Robert Page Lincoln. There is a splendid article by Bonnycastle Dale, while the absorbing serial: "Men of the Hudson's Bay Company", is another feature. The various departments are filled to the brim with material which the sportsman will not want to miss. The Trap Department is an unusually generous account, containing a long breezy account of the Eastern Canada Championships at Hamilton, which is replete with pictures of many of the "big guns."

Rod and Gun in Canada is published monthly at Woodstock, Ontario, by W. J. Taylor, Limited. A. J. Burns, local agent.

Illsley shipped by express to Halifax, one barrel and fifteen baskets of choice early Astrachans. Can any other fruit section in the Valley beat this?—Register.

DR. ALEX. GRAHAM BELL, INVENTOR OF TELEPHONE, PASSES AWAY

Baddeck.—Dr. Alexander Graham Bell, inventor of the telephone, died at two o'clock Wednesday morning at Belina Brough, his estate near here. Dr. Bell was a native of Scotland, born at Edinburgh on March 2nd, 1847. He was educated at Edinburgh and London universities. In 1870 he came to Canada, and a year later went to Boston where he became professor of vocal physiology at Boston. During the winter of 1874-75 Dr. Bell devoted special attention to perfecting an instrument for the transmission of the human voice over wire and the telephone was the result, with first use of the new instrument taking place at Brantford, Ontario, in 1876. On January 25th, 1915, Dr. Bell repeated over the wire the same message which he had sent thirty-nine years before but this time the message was sent across the continent from New York to San Francisco. Dr. Bell was also the inventor of the phonograph, the induction balance, and the telephone probe for the painless detection of bullets in the human body.

Dr. Bell formed in 1907, the Aerial Experiment Association with headquarters in Cape Breton and its object to learn to fly. It is claimed that it was with the machines developed by that association that the first really successful public flights of airplanes in America were made. In the world war Dr. Bell and F. W. (Casey) Baldwin invented a boat called a hydrodrome which developed a speed of seventy miles an hour and was called the fastest in the world. It used an airplane propeller and carried beneath it a series of planes which lifted its main body above the water as its speed increased. It was intended for submarine chasing and scouting but the armistice prevented its use for those purposes.

YOUR STARVED NERVES

The Cause of Neuralgia—Must be Treated Through the Blood. Neuralgia is the cry of the nerves for more and better blood. It means that the nerves are being starved. Like every other part of the body the nerves receive their nourishment through the blood. There is therefore no doubt that Dr. Williams' Pink Pills will prove beneficial even in extreme cases of neuralgia. These pills increase and enrich the blood supply, carrying to the nerves the elements they need, thus driving away the sharp, torturing pains which nearly drive the sufferer wild. The benefit given by Dr. Williams' Pink Pills in cases of this kind is shown by the case of Miss Carrie V. Fletcher, Ravenscliffe, Ont., who says:—"As the result of a severe wetting I got while out in a rain storm, I was attacked with neuralgia, from which I suffered greatly, and which kept me awake night after night. Although the pain diminished somewhat, I began to suffer in other ways. My appetite was poor; I got thin and had no energy. Indeed, I was becoming a wreck of my former self. I was advised to try Dr. Williams' Pink Pills, and I am more than glad that I followed the advice, for they have restored me to my old time strength. I cannot recommend the pills too highly and hope other persons in poor health will give them a fair trial."

You can get these pills through any dealer in medicine or by mail postpaid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

TRAFFIC IN NARCOTICS INCREASES

Montreal.—According to those who are reputable authorities on the subject, more than 500 ounces of narcotic drugs are being smuggled into Montreal every day—a quantity sufficient to cause the death of at least 1,000 persons. The traffic in drugs recently assumed such alarming proportions that local authorities found themselves unable adequately to cope with the situation under the provisions of the existing regulations concerning the penalties for drug peddling. Ottawa was appealed to with the result that judges have now the jurisdiction to sentence persons convicted of selling drugs to minors to the lash. Other amendments to the act in question prescribe heavy fines and long terms of imprisonment. Aliens convicted of drug peddling may, in future, be immediately deported irrespective of the immigration act. The publicity given to the appalling conditions in this city will, it is anticipated, tend to check the traffic. Hospitals are unanimous in declaring that they have never had to deal with so many cases of drug poisoning, etc.

Miss Pearl Beeler, as a delegate from the Baptist Sunday School, is attending the Summer School of Methodists at Wolfville. Miss Ruth Jackson is also attending the same school. Messrs. Alfred and Ernest Morse, of Boston, are here on a visit to their father's, Albert Morse.

EARLY HISTORY OF BRIDGETOWN CONTINUED

Town Laid Out in Building Lots, Early Settlers, Choosing of Name.

(By M. E. Armstrong)

We have now introduced the principal actors who are to play the main parts in the establishing of Bridgetown one hundred years ago, but before referring to them further let us stop a moment and review what had happened here previous to 1822. We found that the French had settlements all along the river from Annapolis to Paradise and there were numerous villages with their small houses and big families. The first Bridgetown established about 1650 by Denis Gaudet had its centre to the eastward of our present town centre. They, for obvious reasons choosing a more commanding site, centering, at and about the Ruffee hill.

For one hundred years these Acadia early settlers made and travelled the paths from settlement to settlement. Cut wood and timber in the fields gardens and pastures that we now roam thoughtlessly over. They hunted the woods, fished the brooks, as we do now, but more in earnest and for bigger game.

They cleared fields, dyked the marsh land along the river that has now produced its annual wealth of hay for near three hundred years. In short in their simple and primitive ways, they did much as we now do to live and provide for their families. But they had troubles in government and masters and ill advisors, we think, that all worked together for their undoing in the end in 1755. In the month of September they were commanded by English officers to at once vacate their lands and leave their homes to be carried away to strange lands in vessels awaiting them in the river.

Not long after they received these orders and were looking for some possible mode of escape from so severe punishment, their houses and barns were burned and thus the first Bridgetown disappeared completely and the Gaudets, and their neighbors, were totally removed from this vicinity and their cows and their oxen, their sheep and horses, and their numerous hogs and other stock turned loose in the fields and woods to care for themselves. So the curtain falls on our first attempt at European settlement here, in 1755.

Seven years later Capt. Robt. James Bruce received a grant of these lands and Christopher Prince those to the east where the French village centre was and about the same time John Hicks, of Rhode Island, located between them and others came from time to time, but by 1800 these first English settlers had played their part and were buried here and there on their own lots, toward the river in most cases, as yet there were no burial places or cemeteries.

As we have seen the Crosskill family came into possession of the town site near 1800, but it took Capt. Crosskill twenty years to prepare and carry out his plan to found here a town.

In the first place the land belonged to children and not to him, as it was his wife's legacy from her father's estate, but she died about this time and the captain only had a life interest in it. His sons, John, Henry and James, were young men, while Thomas and the daughter, Ann Petty, were still children.

The older sons engaged in business in Halifax, both Henry and James are described as merchants, while Henry is also mentioned as an auctioneer. The success of these young men varied with more tides of adversity than success, and in the course of their twenty years of the new century with which their business life began their liabilities were quite heavy and their interest in the Filis property here became so much involved that in 1821 the Sheriff of Annapolis County sold it to pay some executions and judgments standing against these two young business men of the town of Halifax. A third son, John Junior, was given the business stand of his father at the river front at Hicks Ferry, but he died in 1715 and his father again took the business.

When the Sheriff sold the Halifax sons' interest in the property here, Capt. Crosskill, the father, bought them, paying about £500 for these two sons shares, as well as arranging for his younger children's interest. We can presume that Capt. Crosskill for many years had dreamed of establishing a town here, but it took him until the fall of 1821 to bring to pass the conditions for his carrying out his plans and as soon as he obtained control of the town site he at once had it laid out into town lots with streets as we have them to-day, unless possibly some of them have shrunk in width in the hundred and two years since they were first staked off, and the County of Annapolis given a deed of them by Capt. Crosskill.

No sooner had he made his town plan in the Fall of 1821 than the lots began to sell and the rapidity with which they were purchased seems

BOSTON TRAVELLERS EDGE-OUT LAWRENCETOWN IN BASEBALL

On Tuesday evening the Boston Travellers met and defeated the Lawrencetown boys on town diamond, score being 11-6. A slow brand of ball was witnessed and at no time did the Bostonians need to exert themselves and on various occasions they allowed themselves to tighten up, and with our town boys playing in the form which they played throughout some innings witnessed a good brand of ball. The Travellers were by no means selfish and played a real sportsmanlike game throughout. Some of our local boys batted, the ball in big league style despite the fact that they were up against an American twirler which is quite unusual on the local diamond. The latter part of the game saw some brilliant playing by both sides, and in the seventh inning the score was nearly tied, but owing to their superior brand the Travellers managed to keep just so far in advance as would assure an interesting game for the spectators. The box score follows:

CAMP ALDERSHOT WILL OPEN AUGUST 22nd

Kentville.—The Kings N. S. Mounted Rifles, affiliated with the 6th C. N. R. Battalion, C. E. F., will go into camp at Aldershot this year for their annual training on Tuesday, August 22nd. Lt.-Col. T. A. Lydard, of Kentville, will be in command of the regiment with Lt.-Col. B. W. Rescoe, D. S. O., second in command. The squadron commanders will be as follows:

- A. Squadron (Canning)—Major F. R. Henshaw, M.C.
- B. Squadron (Kentville)—Captain J. P. Knowlton.
- C. Squadron (Middleton)—Major Ross Parsons, M.C.

All the officers and N. C. O.'s of the regiment are returned soldiers. The camp last year was a very successful one, considering the short time available for training. All ranks not only enjoyed the work but benefited greatly by the nine days under canvas, and in the saddle, and are looking forward with pleasure to a similar experience this year. Therefore, on August 22nd, the Khaki will again be donned and historic Aldershot, which has been the training ground of thousands of troops, including the famous Highland Brigade, of undying memory, will again be a scene of activity.

EDDY'S

Indurated Fibreware

Baby Tub

Baby will just love his bath in an Eddy Fibreware Tub. Its glazed surface can't scratch or chafe his tender skin and it is so easy to keep sweet and clean.

The water too, will retain its heat longer in an Eddy Fibreware Tub. No danger of chills for baby no matter how long he plays in his bath. His body can't come in contact with cold metal or splintery wood.

Lighter than wood, easy to lift and carry, Eddy's Indurated Fibreware Tubs are yet stronger than metal. They can't leak, rust or become odorous. Buy an Eddy Tub for your baby. It costs no more than the old-fashioned kind and lasts twice as long. Ask your dealer.

Safe, Clean Cooking

SAFE, because the oil tank is away from the heat, and because the height of flame cannot vary. Clean, because there are no wicks to smoke or need trimming.

Burners can be regulated to give degree of heat desired, and when not in operation are left completely up out of oil contact. The asbestos lining and dead air space, and glass door of "Success" oven ensure heat retention and visible baking.

An economical cooker and baker, beautiful in appearance.

EARLY HISTORY OF BRIDGETOWN CONTINUED

(Continued from Page Seven)

much like a modern western town boom, except that it must have lacked the modern advertising methods.

In the Fall of 1821 a number of the best lots were sold to Stephen S. Thorne who had been carrying on business with Timothy Ruggles Sr., at Belleisle, was one of the first to purchase lots here, he buying the 90 foot square lot where the Royal Bank building now stands, on the west side of Queen Street at corner of Granville. Here he built a shop and for many years this particular corner was known as Thorne's Corner and his shop as the "red store". Mr. Thorne erected a house there in the Summer of 1822, he was a mariner in early life. In 1821 he married Eliza, daughter of Rev. Thos. Handley Chipman, by whom he had seven children. After her death, he married Phoebe Tupper Fitz Randolph, widow, in 1834, and by the second wife there were four more children of which Messrs. John and James Quirk still remain.

In a memorandum written by this old Manx pioneer now in possession of Mr. James Quirk, is several interesting historic items and I will reproduce it in full:

1821—Bridgetown first laid out in building lots.

1822—Bought house in Bridgetown.

1826—A Methodist Meeting House built in Bridgetown.

1827—Sold said house to Jas. Clark.

1828—Bought house of John Wade, said house built by Ezra Foster.

1828—Commenced keeping entertainment in said house.

1828—A stage first commenced running between Halifax and Annapolis.

April 8th—Cash paid for pew in said Meeting House £8 5s.

1828—A Baptist Meeting House built in Bridgetown.

July 31st—Cash paid for pew in house £9.

1830—St. James' Chapel built in Bridgetown. Cash paid for pew No. 31, £7 10s.

1837, Nov. 13th—Cash paid for pew No. 13 in said chapel, £12.

attentions, upright conduct and amiable disposition won the affection and respect of the entire community.

Enoch Dodge, wheelwright was another early settler here, coming from Kings County, and buying the lot still owned by this family. Mr. Dodge's workshop was the old Post Office building adjoining his house, both house and shop have survived the changes of almost one hundred years with alterations and necessary repairs.

Enoch Dodge, Sr., who was the father of the late Enoch and Wamford Dodge, married Catherine Foster from Granville, the thirteenth child of Benjamin Foster, in 1822.

John Quirk, a native of the Isle of Man, secured a lot on Water Street where Thomas Mack now lives and erected a house there in the Summer of 1822, he was a mariner in early life. In 1821 he married Eliza, daughter of Rev. Thos. Handley Chipman, by whom he had seven children. After her death, he married Phoebe Tupper Fitz Randolph, widow, in 1834, and by the second wife there were four more children of which Messrs. John and James Quirk still remain.

In a memorandum written by this old Manx pioneer now in possession of Mr. James Quirk, is several interesting historic items and I will reproduce it in full:

1830—St. James' Chapel built in Bridgetown. Cash paid for pew No. 31, £7 10s.

1837, Nov. 13th—Cash paid for pew No. 13 in said chapel, £12.

1840, May—Cash paid for second pew in Wesleyan chapel, £11.

1838—New building finished contains two stores and hall upstairs, cost £225.

1841—Sold to Elias Tupper pew in Wesleyan chapel, for £8. 5s.

1840—Bought 80 acres of land on Bay Road to date for £325. Built barn, £25.

1841—Purchased one acre of land on Granville Road for £25. Sold same in 1844 for £30.

This last land referred to is the lot on which J. H. Hicks & Sons built a new house this year adjoining the residence of Landsdale Piggor.

Mr. Quirk's numerous deals in pews in the town churches is not to be interpreted as his trafficking in this sort of property but simply indicates that he was favorably disposed toward all of them.

He was personally an Anglican, but marrying the daughter of the old pioneer Baptist minister, Father Chipman, he generously bought a pew in the remodelled Baptist Church, for her family and as his second wife was a Methodist he generously bought a 40 seat in the new Methodist Chapel, and still later a higher priced one. His selling one at a cheaper price in 1841 is not to be understood as a drop in the price of seats in the Methodist Chapel, or to a poor preacher, but was merely an inducement or special cut offered his brother-in-law to get him to go to church or have a pew of his own, more than likely.

The new building this enterprising early townsman erected in 1838 was the building now occupied by Magee & Charlton, hardware merchants. The second storey of this shop was for many years known as Quirk's Hall and was the first and only public hall here for many years, and staged many political and other historic meetings between 1840 and 1860.
