The copy filmed here has been reproduced thanks to the generosity of:

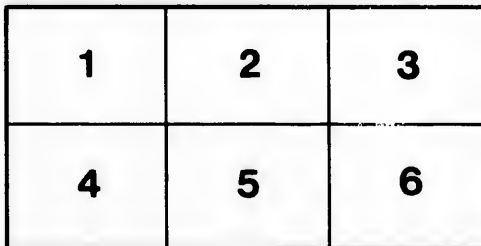

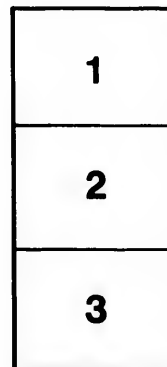

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PRAYERS OF THE SOCIETY.

BEFORE THEY COMMENCE BUSINESS.

PREVENT us, O Lord, in all our doings, with Thy most Gracious favour; and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name; and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord.— AMEN.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady Queen Victoria, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in the dominions of our Sovereign, and the labours of those Missionaries who are proclaiming the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory and the good of Thy Church, through Jesus Christ our Lord.— AMEN.

O MERCIFUL GOD, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live: Have mercy upon all Jews, Turks, Infidels, and Hereticks, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold, under one Shepherd Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end.— AMEN.

OUR FATHER, which art in heaven, Hallowed be Thy Name. Thy Kingdom come, Thy will be done on earth as it is in heaven. Give us this day our dally bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; For thine is the Kingdom, the power and the glory, for ever and ever.— AMEN.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore.— AMEN.

RULES AND REGULATIONS OF THE BOARD OF HOME MISSIONS.

Whereas it is desirable for the better provision for the ministrations of the Church in the Diocese of Fredericton, that there be a systematic and permanent plan for the payment of the stipends of Missionaries ;

Therefore Resolved,—

1. That in order to encourage the established Missions to become gradually self-supporting, all grants made by or through this Society in aid of Missions (not including stipends secured to any of the elder clergy on the Society for the Propagation of the Gospel grant during life) shall from henceforth be made conditional on the contribution by the Mission itself of a stated sum towards the Missionary's stipend.

2. That all grants made by the General Committee be made subject to these resolutions, and be distributed under the direction of the Board of Home Missions, who shall have at all times all such and like powers and rights with respect to the same, or any of them, as the General Committee of the Society would have if in session.

3. That the Board of Home Missions annually present to the General Committee of the Society on the first day of their meeting, a full and detailed account of all business transacted during the expired year, and also a list of grants recommended for the ensuing year, with the conditions to be annexed to each, and shall also report to the Executive Committee at each quarterly meeting thereof.

4. That on the approval by the General Committee of the grants recommended for the year, the same shall forthwith pass into operation on the basis of the foregoing Resolutions, and subject to the following regulations :

Lay Members of the Church in each Mission, requiring them to enter into engagements (A) with the Society, to contribute the sum required of the Mission for the year.

(b.) Should such engagement not be entered into to the satisfaction of the Board before the 15th day of August then next, they shall communicate with the Missionary, requiring him to give each of his congregations notice (B) of withdrawal of all payments as a Missionary receiving stipend through this Society on 1st October then next, unless the engagement be meantime completed.

(c.) Should such engagement not be entered into to the satisfaction of the Board before the 1st of October then next, all payments to the Missionary's salary, through the Society, shall be withdrawn, and no stipend shall thereafter be payable in respect thereof: Provided, that should the Missionary see fit to resign his cure he shall, if stationed for the remainder of the year by the Lord Bishop in any vacant Mission which may be willing to comply with the terms required of the defaulting Mission, be entitled in respect of the services to be rendered in such new Mission to such stipend as may be agreed upon between such Missionary and the Board, not exceeding that provided for the continuation of his services in his former Mission, and upon the like terms and conditions. Provided also, that any such Missionary, if not so appointed to any new Mission, may nevertheless be permitted by the Board, on special application, to draw on 1st April for a sum in their discretion; but not exceeding his previous quarter's stipend from the Society.

(d.) Where such engagement is entered into, the Board shall forthwith notify the Missionary, who shall thereupon (unless the terms of such engagement shall not be fulfilled as hereinafter provided) be entitled to draw upon the Society for the full amount of his quarterly salary, including therein the sum required for the quarter of the Mission itself.

(e.) The sum required of the Mission shall in such case be remitted by the Wardens quarterly in advance to the Treasurer, and may consist either of money or written receipts of the Missionary, for produce furnished to him at the market rates: Provided that two months grace (but no more) may be allowed the Mission to make up such sum; that is to say, the sum required for the quarter of the ensuing year, ending 30th October, shall be remitted before the 1st September, and for the following quarter before the 1st December next.

(f.) Should the Missionary give any such written receipt for produce, he shall keep a record thereof, and shall make his next quarter's draft for such sum only as shall be due him, after he shall be debited with such receipts in the Treasurer's books.

(g.) Should the sum required from the parish not be remitted as aforesaid, the Treasurer shall forthwith, on the expiration of the two months grace, give notice (C) to the Missionary requiring him to give notice (D) of withdrawal of stipend as such Missionary, and all such stipend shall be thereupon withdrawn pursuant to such notice; and unless the sum agreed to be paid for the quarter shall be forthwith remitted, no stipend shall be payable for such expired quarter beyond the amount agreed to be contributed on the part of the Society; and none whatsoever for the succeeding quarter: and the Board shall appoint a deputation to enquire into the causes of such default, and shall report thereon at the next meeting of the General Committee.

Provided that in any case, on a Mission ceasing to be in default, though after the period for withdrawal of the stipend shall have arrived, such Mission may be reinstated by the Board if they shall see fit so to do, under the regulations and conditons herein contained.

(h.) In case of the Missions where the Missionary's stipend is secured for life on the Society for the Propagation of the Gospel grant, the Board shall call on the Wardens to enter into the prescribed engagement only in case of the demise of the present Mission-

8. That the Board of Home Missions in conjunction with the Lord Bishop shall appoint deputations of Clergymen and Laymen for each Deanery, which each deputation shall visit, for the purpose of holding Missionary Meetings in the several Missions, and taking up collections thereat (not interfering, however, with the usual semi-annual collections, and annual canvass of the Mission on behalf of the Society); and further, of making enquiries as to the power of the Mission to contribute towards the Clergyman's support: such deputations reporting to the Board, and through them to the General Committee of the Society.

9. That the Board of Home Missions, in conjunction with the Lord Bishop, may further appoint special deputations to enquire into the causes of any deficiency of contributions or other pecuniary difficulties in any Mission, and shall have power to call for any returns they may think proper from any of the Parishes receiving aid from or through the Society.

13. That the Board of Home Missions shall have

power, with the approval of the Lord Bishop, if there be available funds, to make a grant not exceeding \$100, to aid in the building of any Parsonage House when it shall be certified that such grant will complete the building free of debt.

The undersigned on behalf of the congregation of the above Parish [or Mission], do hereby undertake to have a sum at the rate of per annum, collected and paid quarterly to the Treasurer of the said Society, from the first day of July, 187 so long as the ministrations at present afforded the said congregation shall be continued.

The present agreement to continue for the term of one year only, unless renewed, and to be subject to revision on the part of the Society, at the meeting of the General Committee in July, 187 . Dated at

Your draft for the full quarter's stipend on instant cannot be honoured unless the engagement of the Parish is meantime fulfilled.

Notice is hereby given that the contribution due from this Mission [or Parish] to the Diocesan Church Society, in part payment of the Missionary's stipend for the quarter ending last, not having been paid, the sums for services rendered as a Missionary, paid through the Society, will, after Sunday next, be withheld until the payment, as agreed upon, is made.

These forms may be altered by the Board of Home Missions to suit the circumstances of the case.

RESOLUTIONS PASSED BY GENERAL COMMITTEE,
JULY, 1874.

Whereas, in consequence of the limited means at the disposal of the Society, and the great necessity for new and extended work, it has become of great consequence that all local glebes and other endowments of Parishes should be fully utilized, Therefore

1. *Resolved*, That the Board of Home Missions be authorized to require from the Church Wardens of every Parish or Mission receiving aid from the Society full details of all such glebes, church lands and other investments, yearly or oftener as they shall see fit.

2. That if it shall appear that any part of the income from glebes or investments held for the Rector's use is taken to make up the sum required by the Society from the Mission, the Board may forthwith increase the amount so required in proportion thereto; and in case of neglect on the part of the Rector or Church Wardens to collect the interests or rents, the Board be authorized to enquire into the matter, and, if there be sufficient cause, suspend the grant to the Mission until the management be made satisfactory to the Board of Home Missions.

**PROVISION FOR THE WIDOWS AND ORPHANS OF
THE CLERGY.**

RULES AND REGULATIONS.

The following plan for a provision for the Widows and Orphans of the Clergy, with the rules and regulations annexed, was adopted by the General Committee. (See 36th Report.)

1. The Church Society of the Diocese of Fredericton in the Province of New Brunswick, shall have a special Fund, to be called "THE CLERGY WIDOWS' AND ORPHANS' FUND," which shall consist of the present capital held by the Society for this object (subject to its present liabilities) of all subscriptions, donations, legacies, devises, and bequests, and other contributions given and paid to the Society for this special purpose, and of all payments received under these Rules; and this Fund shall be applied to the assistance of the families of deceased Clergymen, in accordance with these Rules, and to no other object.

2. Every Clergyman in this Diocese, duly licensed, whose widow is not already entitled to a pension from the SOCIETY FOR THE PROPAGATION OF THE GOSPEL, wishing to share in the benefits of this Fund, shall within six months from July 5, 1871, or within one year from receiving Holy Orders, or from his admission into the Diocese, apply to the Secretary of the Fund, for a certificate, and shall thenceforth pay annually the sum set opposite his age in the annexed scale. Any applicant, after such period of time, shall only be permitted to receive a certificate at the option of the Executive Committee of the Church Society, and upon such terms as they shall direct.

3. Every Clergyman, being a member of this Fund, shall make and forward to the Secretary a yearly collection from every congregation in his Parish or Mission. Assistant Curates, serving under a Rector, or other Assistant Clergyman, shall not, however, be required to make a collection, but shall forward only their own annual payment.

4. All payments shall become due on the first day of January, in each year, and must be paid within thirty days : and all congregational collections must be sent in before the first day of May. If this Rule is not complied with, the certificate shall be considered as forfeited, but may be regained at the option of the Committee, and the applicant shall pay for the new certificate at the rate payable at the age when the same is taken out, according to the annexed scale, together with such sum as the Executive Committee may require in lieu of payments and subscriptions in arrear.

5. Upon compliance with the above Rules, the DIOCESAN CHURCH SOCIETY undertakes to pay out of "The Clergy Widows' and Orphans' Fund" a yearly pension of One Hundred Dollars to the widow of each Clergyman holding a certificate, during her widowhood.

6. If the Widow die, or marry again, the pension shall be paid towards the support of such children of the deceased Clergyman as may be under the age of eighteen years. In this case, when the youngest child shall have attained this age, the pension shall cease.

7. The Trustees named in the Will of a Clergyman shall be recognized by the Committee, in the event of the death or marriage of his widow, and shall receive the pension, to be applied by them for the support of the child or children ; but if the Trustees so named are unwilling or unable to act, or if Trustees should not have been named, then the Bishop of the Diocese shall himself act, or in writing appoint a Trustee to act, in the application of the pension.

8. If the wife die before the husband, his child or children shall at his death receive the pension, under the limitation as to age expressed in Rule 6.

9. No certificate shall be issued to any Clergyman over the age of sixty years, who is not already in the Diocese at the time of the formation of these Rules ; but any Clergyman already in the Diocese, over the age of sixty years, and whose widow is not entitled to a pension from the Society for the Propagation of the Gos-

11. If a Clergyman is unable to continue his public ministrations through sickness or accident, upon the production of a medical certificate testifying the same, he may continue his connexion with the Fund, upon making his yearly payment.

12. Any Clergyman degraded or suspended from the ministry, or any widow or orphan who shall not be in communion with the Church of England, shall be entitled only to such payment as the Executive Committee shall prescribe.

13. The pension shall be payable half-yearly, on January 1, and July 1, in each year; the first payment to be calculated for the interval from the death of the insured to the day of payment.

14. The Treasurer of the **DIOCESAN CHURCH SOCIETY** shall be Treasurer of this Fund, and shall, from time to time, under the direction of the Loan Committee, invest every hundred pounds of surplus money, and add the same to the capital of the Fund. A yearly detailed statement of the income, payments and invested money, shall be published in the Annual Report of the Diocesan Church Society.

15. The Secretary of this Fund shall be appointed by the Executive Committee, and it shall be his duty to issue certificates, receive payments, donations and collections, which he shall hand to the Treasurer every quarter, or oftener, if required by him.

16. None of the above Rules shall be altered, except at the Annual Meeting of the General Committee of the **DIOCESAN CHURCH SOCIETY**, after a full year's notice of the proposed change.

REPORT.

During the past year, several Missions previously vacant have been filled. The expenditure of the Society has therefore been greater than usual. This fact is exhibited in the account of the Treasurer, which still shews at the close of the fiscal year a considerable balance in favour of the Society.

The Report of the Finance Committee manifests careful management on the part of its members. It is most satisfactory to the Society to be assured that its unappropriated funds are properly secured, and that all additions to these funds are wisely invested.

Attention is particularly called to the Report of the Schedule Committee, or, as it will henceforth be designated, "The Board of Home Missions." To the Secretary and the members of this Board the Society is indebted for attention to the work of the Missions, and to their extension as far as the means at their disposal will permit. It has been the constant endeavour of this Committee to secure the proper management and payment of all local sources of support for the Missionaries. The stipends of the clergy must be acknowledged by every member of the Society to be far too limited. In most instances they do not provide the necessary expenditure. This is a wrong which the Church should not allow to exist much longer. At the present it is impossible for the Society to do more. But more might be done in the Parishes and Missions themselves. Beyond the payment of the required stipend, much might be done by way of offerings to the clergy, of much value to

them and at little outlay to the people. In the present financial difficulties the farmers in the country are not so closely involved. Their increasing means and the continued blessings upon their labours should urge them to increased offerings for the service of the Church of Christ.

The General Committee last year made an appropriation in aid of a Book Depository of the Society for Promoting Christian Knowledge. A large supply of Prayer Books, Church Services and other publications of the Society are for sale, at low prices, at Messrs. Peiler & Bros., Prince William Street, St. John. By a Report of the Depository Committee it will be seen that this most desirable object has been attended with success.

The following is an abstract from the reports of the Missionaries for the current year :

ANDOVER, GRAND FALLS, &c.—Rev. L. A. Hoyt writes as follows :

“Although a liberal offer was made last year by your Society to aid in establishing a mission at Grand Falls, I have been unable to find a Clergyman to fill the situation.

“The people are ready and willing to pay the requisite guarantee, and I must appeal to you to renew the grant this year that I may continue my effort in supplying this want.

“My assistant at Wicklow was obliged through ill health to resign his position and return to England. This of course involved an unexpected addition to my labours; but though for the time confused, I felt very much encouragement from the churchmen in this portion of my Mission. The harmony with which they had worked during the past year, the kindly manner in which they treated their clergyman while he lived among them, the affectionate interest they have taken in his health since his departure, the honest support they have accorded me in my efforts to establish this Mission, and the promptness with which they have paid the guarantee required by the Society, all combine to fill me with hope of a bright future for the Church in the Mission of Wicklow.

“The vacancy has been supplied by the Rev. J. E. Flewelling, who arrived in his Mission on St. Barnabas’ day.”

BURTON AND LINCOLN.—Rev. R. Simonds reports contributions to the amount of \$111.50.

CAMBRIDGE, &c.—Rev. B. Shaw writes as follows:

"I enclose the statistical returns from my Mission for the year ending 1st June, 1875. You will perceive that the figures relating to the extent of Mission and number of square miles have been altered. The reason for this is my withdrawal from the Western side of Grand Lake. After Mr. Sterling took the duty at Newcastle, I was left with Douglas Harbour and Iron Bound Cove, the two extreme ends of the circuit. At Douglas Harbour the number of Church people is very few, and at Iron Bound Cove there is no place for service but a very old school house.

"I suppose it would be too much labour for the clergyman at Maugeville to take the charge of the whole western side of Grand Lake, but there should be a clergyman stationed permanently at Newcastle, so that he might look after the Salmon River people, and also the Church at Douglas Harbour.

"The services on the eastern side of Grand Lake and on the Washademoak in the Parish of Johnston have been regularly kept up, with the exception of those Sundays last winter when the violent snow storms and drifts prevented.

"We have had a Sunday School in operation at Jemseg Church. We have also rented an organ for 6 months with a view to purchasing, and with the assistance of Mr. G. D. Peters, the singing in St. James' Church has been greatly improved since we got the organ.

"We are looking forward to the Bishop's visit this fall for Confirmation, and I hope to be able to present to him about twenty candidates for that rite. My people are scattered over a large area, and it is a very difficult matter to visit them as often as I could wish. We are surrounded by large numbers of professing christians who are hostile to the Church, and who shew no backwardness in trying to draw away our people, especially the young. I feel the need of plain and forcible pamphlets setting forth the doctrines of our Church, so that they might have something to keep them in remembrance of what they are taught to believe. Works like Sadler's 'Church Doctrine Bible Truth' are good for persons of a fair education, but I need something simpler than that, the same truths expressed in a homelike manner, that may reach the minds of every-day working people.

"The amount subscribed towards contributions to the Society is as yet about \$50. The people are suffering from the depression in the lumber market."

CAMPOBELLO.—Rev. Charles M. Sills writes as follows:

"During the past year the work in my Parish has been most encouraging, and I have to acknowledge myself deeply thankful for the interest taken in the Church by large congregations, as well as for many acts of personal kindness towards myself. I am happy to report that the Mission Station opened at Port Owen on my arrival in the Parish is prospering. During the winter months the congregations there averaged about 35.

"Through the consideration of my parishioners, who in February presented me with a horse and harness, I was enabled to pay more frequent visits

to the Mission, and to open a Sunday School there, and had thus a better opportunity of explaining the Church Services.

“ Good work has been done by the Ladies’ Sewing Circle. A Sunday School room, renovated (new roofed, papered, &c.) A contribution of 30 dollars towards a fence round the Church, being among its greatest claims to utility.

“ Under the active interest of a lady of the Parish, a Missionary Society has been started, whose working members are now some twenty-five. This Society meets at the Parsonage once a month, when each of its members contribute 5 cents and two hours work. Without praise of mine, the annexed account of its work will show good ground for general admiration:

Subscriptions.....	\$21.80
Mite Chests	4.37
	<u>\$26.17</u>

“ This amount does not include a box of clothing which has been forwarded to the Sningshank Home in the Diocese of Algoma.

“ Since my last report the Lord Bishop has held two confirmations in the Parish, at which 28 candidates were presented. The number of communicants is at present larger than in any previous year.

“ An unusually bad year for the fisheries has made the amount of money which have been raised doubly valuable.

“ I will only lengthen my report to express my thanks to the Schedule Committee for the liberal advances which have been made towards the support of the Missionary, and which have enabled him to undertake work otherwise impossible.”

Contributions amount to \$78.22. Besides, to the Foreign Missions of the Society for the Propagation of the Gospel, \$12.20.

CANTERBURY.—Rev. T. Hartin reports contributions amounting to \$40.

CHATHAM.—Rev. D. Forsyth reports contributions to the amount of \$279.80.

He has inclosed the following report:

“ The close of another year has not, I trust, found us without the evidence of progressive work in the Church in Chatham. The average attendance at the services has been kept up, and I have reason to hope that a greater valuation of the ordinances of Christ’s religion is being manifested. I look forward, therefore, to what is one of the most reliable tests of spiritual growth, an increased number of faithful and earnest Communicants, and the less general neglect of the dying command of the Holy Redeemer.

“ We are now engaged in building a new Sunday School House, which I hope will prove a great comfort and blessing to those for whose use it is designed, and a help to the promotion of God’s glory by conducting to the increase of Christian reverence and knowledge in His children. A stone

"In St. Mary's Chapel the necessity of repairs and improvements is more and more manifest, both for God's honour and the benefit of the congregation, and I hope ere long to be able to report progress in this most desirable work.

"In most pleasing evidence of increasing interest in the good work of the Church Society, I gladly report a larger sum contributed to its general purposes this year from this Parish. A general readiness to give has been manifested, betokening, I trust, a salutary desire to further the Church's progressive work.

"May we not trust that all self-denying aid shall yet be rewarded by a better supply of the Church's ministrations in this portion of the Mission field?

"In such a hope, and with prayer that the Divine Master may perfect what is wanting in us, and reward all personal kindness and co-operative aid on the part of my people, I labour on, if so be that through so unworthy an instrumentality, God may prepare some members of the Church Militant to realize, one day, the eternal peace and joy of the triumphant Church of God."

CARLETON, ST. GEORGE.—Rev. T. E. Dowling reports that the united contributions from Carleton, Fairville, and Grand Bay Mission will amount to exactly the same sum as last year; viz., Carleton, \$38.04, Fairville and Grand Bay, \$63.34, total \$101.38.

DALHOUSIE.—Rev. F. B. Crozier reports contributions to the amount of \$40.35.

DERBY AND NELSON.—Rev. W. Cruden reports that the contributions from this Mission amount to \$99.53.

Mr. Cruden is still very desirous to have a portion of his extensive charge set off as a separate Mission.

DOUGLAS AND BRIGHT.—Rev. LeB. McKie has inclosed the following report:

"The first quarter for which a report is now required from June to October was passed in my old Mission in the north, all of which, including the Islands and the adjoining Mission of Restigouche then vacant, I visited just before taking my departure.

"In my present Mission, which I took charge of early in October, I was kindly received and welcomed by the members of the Church, and here I would bear a willing testimony to the kindness and liberality of S. J. Smith, one of the Church Wardens, and Robert Sloop, both of whom seemed to consider it a privilege as well as a duty to aid me in every possible way. I must also refer to the unwearied kindness of F. Clements and DeLaney Robinson, the other Church Wardens in Douglas, and to the help they have

given and the interest they have manifested in the renewing of Church work in this Mission.

"Among many other instances of kindness and good-will, I may mention that four members of the congregation at All Saints gave me \$8.00 last winter wherewith to buy a robe for my sleigh.

"I trust that it may not be inappropriate to mention here the kindness of the Bishop of the Diocese, who helped me in part to bear the heavy expense of removing from the distant north to my present charge.

"Owing to the length of time that this Mission was vacant, and to the previous long illness of the late Rector, I found Church work here in a very unsatisfactory state; but through many obstacles and the many discouraging features of the work, we are, I trust, gradually rising into a more healthy condition of Church life; but there are still too many who call themselves churchmen who do not appreciate their privileges, and are content with what the various sects have to offer. While all Missions are more or less subject to fluctuations, this has suffered more than most of them through the removal of whole families of Church people to other places, but principally to St. Mary's. This must of necessity lessen the amount of contributions to the funds of the Society, but those who remain will endeavour to give as much and in some cases more than they have ever given before."

FREDERICTON.—Rev. G. G. Roberts reports contributions amounting to \$918.40.

GAGETOWN.—Rev. J. Neales reports contributions to the amount of \$65.90.

He writes as follows:

"I never knew money so scarce since 1842; the people seem willing to subscribe, but do not seem to have anything to give. There is no market for the lumber, upon which the country districts depend for their supply of money. I have been working to the utmost of my strength and ability during the past year, but have never found more difficulty in keeping my appointments than during the past winter from the tremendous snow drifts choking up the roads; though whenever Her Majesty's mails could get along I managed to do so. I still keep up the monthly services at the three stations at Dutch Creek, Summerhill and the Hamilton school, where I generally have a large attendance. We very much need a new Church in the village, ours being about the oldest in the Province, and very open and cold in the winter."

GRAND MANAN.—Rev. W. S. Covert reports \$23.24 as the contributions to the Society, apart from a small collection for the Missions of the Society for the Propagation of the Gospel. A considerable outlay has been made in the repairs of the Rectory.

The Bishop in his visit to the Island last September confirmed two persons, but on his Lordship's recent visit none came forward for confirmation, still though the state of the Mission is by no means what we could wish, Mr. Covert adds "it presents some encouraging features."

GREENWICH, &c.—Rev. D. W. Pickett reports contributions to the amount of \$90.72.

HAMPTON.—Rev. Canon Walker is only able at present to report contributions to the amount of \$57.12.

KINGSLEAR.—Rev. J. Frederic Carr has forwarded the following report:

“The usual services on Sundays—two at Spring Hill and one alternately at Upper and Central Kingslear—have been maintained without intermission during the year. The Fasts and Festivals have been regularly observed in the Parish Church, and occasionally in the out stations. At Spring Hill a Wednesday Evening Service was held from October until April; and during the summer I am giving a series of Cottage Lectures, which, I trust, will result in much good. These, with the baptism of one adult and fourteen infants, one marriage, six burials, and the usual Sunday School work, are the public ministrations of the year.

“I am preparing a class for confirmation in the autumn.

“A Society of ‘Willing Workers’ has been formed amongst the female parishioners, who have undertaken to rebuild the dilapidated fences around the Church grounds, repaint the Parsonage, &c.

“I regret to report a smaller contribution to the Funds of the Society than was made last year. This is due to three causes: (1) removals by death and otherwise; (2) the ‘hard times;’ and (3) the effort made by the people to add a much-needed chancel to the Parish Church. I am confident, however, that this deficiency will be made up another year.

“I have to record the death of my Senior Warden, Mr. John Burnet. He was a sincere christian, and a ready and cheerful helper in all I undertook. Mr. Swinney also has ceased to be a parishioner by removal to another part of the Province; but his interest in the Parish and his practical aid, I have reason to believe, will be ours still.

“I wish, on behalf of the Parish, to thank the Bishop for a contribution towards the chancel. Mrs. Medley for a beautiful font, and Mr. Swinney for a large addition to the Endowment Fund.

“In the Parish my thanks are due to Lt.-Col. Maunsell, D. A. G., my popular and efficient Lay Reader, to Mr. and Mrs. Hilton-Green for a concert in aid of Church building, and to Mr. Isaac Murray’s family for valuable aid in Church work generally.

“The following financial statement will show what has been done during the year to advance the material interests of the Parish.

KINGSTON.—Rev. W. E. Scovil writes as follows:

"I am detained from attending the Meetings of the Society this week by unavoidable Parish duties. This is a year of unexampled difficulty with us in raising money, and I fear the amount will fall shorter than ever before of what we have contributed to the Society,—not exceeding \$80.00. We have lost W. P. Flewelling, Esquire, a highly respected and consistent member of the Church, who died last Good Friday; and many others of my parishioners were taken away during the past winter, leaving us in several instances to feel how much we miss their help in christian work. I trust that inspired by their examples, their children will become zealous of good works, and finally come behind in no gift by which they may supply our loss, and do their duty as privileged members of the Church of Christ."

LANCASTER.—Rev. Henry M. Spike has inclosed the following report:

"The amount collected to the present time for Diocesan Church Society is \$48.16.

"By the blessing of God my work in the Parish has been very regular. Although there were several Sundays in the winter on which I could not reach the distant churches, I have been enabled to have the three full services every Sunday during the past year. The congregations have been good, and there is a growing interest in the affairs of the Church, so that we feel encouraged to labour for their spiritual welfare.

"The contributions for expenses of the Parish have been much more than was expected.

"The Churches at Dipper Harbour and Pisarinceo have been repaired, repainted, and several improvements made. The Rectory has had considerable expended on it. These improvements have been made by the parishioners, by whose kindness and co-operation we are endeavouring to persevere in our duty.

"The Sunday School in connection with the Parish Church has been kept up regularly during the winter, and the children seem anxious to learn their duty as members of the Church.

MAUGERVILLE.—Rev. G. H. Sterling has inclosed the following report:

"Since writing my report of last year, I have had much to encourage me in my work.

"In September last I had three adult baptisms. The following week His Lordship administered the Apostolic Rite of Confirmation to thirteen candidates, all of whom became Communicants.

"In October I purchased a bell metal bell from Meenely & Kimberly, Troy, New York, which cost over \$200.00. One hundred dollars of this amount was given me by the ladies of my Mission, who have formed themselves into a Society, to work for the beautifying of the house of God. Since that time they have placed in the Church a very handsome prayer desk and pulpit hanging, costing \$34.

"During the past year the Church at Newcastle, Grand Lake, has been re-roofed, the spire has been cut down, being quite too heavy for the tower, the interior plastered, and other minor improvements made. I may mention that this Church has been in course of erection at least 20 years or more, but I hope to get it completed, or nearly so, during the summer.

"The contributions from my Mission are in advance of last year."

MONCTON.—Rev. E. S. W. Pentreath reports contributions to the amount of \$65, and he has inclosed the following report:

"The work in Moncton in spite of the various drawbacks has not been without encouragement. On October 7th, 1874, the little building alluded to in my last report, the frame of which was raised July 1st, was consecrated by the Lord Bishop of the Diocese. Substantial sympathy was expressed for us by the presence in our midst on that day of the Rev. Canon Townshend of Amherst, N. S., the Rev. Canon Medley, the Rev. Dr. Jarvis, and the Rev. Messrs. Brigstocke, Dowling, Nickerson, Willis, Partridge and Talbot. The hearty character of the morning and evening services, the number of the clergy present, and the gathering of the congregation to meet the Bishop and the clergy made the day remarkable in the annals of the Parish. The building is designed as the chancel of the future Church, and will seat comfortably ninety persons. It is furnished very tastefully in ash, oiled, there is a temporary chancel, and the beauty of the interior is a subject of appreciative remark from all who have seen it. At the proper time with the help of kind friends it is hoped that we will be able to erect a suitable main building. The Church, including furniture of ash and butternut, has cost us nearly \$1200.00, and our freedom from debt is due to the kindly aid of friends at a distance.

"In addition to much substantial aid, I wish to particularize gifts of a Lectern from Miss Fanny Chandler of Richibucto, an Altar from Rev. Canon Medley, Aims Basons from Chas. Blackwell, Esq. and wife, a Font

from money kindly collected by Mrs. E. B. Chandler, Jr., Chancel Window from money collected by Mrs. Blackwell, and the sum of £40 sterling collected by Mrs. Vaughn of Liverpool, England.

"The Society of 'Willing Workers' as a result of work between June and January in addition to kneelers, cushions, matting, carpets and lamps, presented \$94.36 to the vestry to liquidate the Church debt, and contributed to repairs on the Rectory. I report 26 Communicants who frequent the Holy Communion, and were it not for many removals from the place the gain would be very marked.

"Looking back over the year, I think some progress has been made.

"At Point DuChene I was able to give fortnightly services up to January 1st. During the winter the state of the roads made it impossible for me to reach the Church of a Sunday, and since then my visits have been irregular. The congregation through E. J. Smith, Esq., M. P. P., presented me at Christmas with an address and a purse of \$100.00. I desire to gratefully acknowledge the kindness I have always received from the people of Shediac, and to again impress upon the Society the importance of this centre, and the great need of a resident clergyman."

NEWCASTLE.—Rev. Augustus Prime writes:

"I am sorry to report a less sum of money for the Diocesan Church Society this year than is generally sent from this Parish. There are several reasons for it. The Parish was without a priest for three months, thereby causing a loss from the alms, also the loss of the engineers from Newcastle, who used to contribute largely towards the above fund. We are also suffering from the reaction of better days when both work and money were plentiful. Very few refused to give, and many whose names appeared on the list last year and will not appear this have promised to give as soon as they get any money.

"Contributions amount to \$153.70."

NEW MARYLAND.—Rev. J. Pearson reports contributions amounting to \$40, of which \$10.33 is limited to the Widows and Orphans Fund.

NORTON.—Rev. E. A. Warneford reports contributions to the amount of \$87.94.

PETITCODIAC.—Rev. Cuthbert Willis writes as follows:

"With regard to the Mission itself, I am happy to say that the services have been conducted in the different Churches and Stations as regularly as circumstances permitted; that the congregations are improving, and the general prospects cheering. The Church at Portage has been much improved, and this almost entirely at the expense of the people themselves. The new Church at Petitcodiac has also been improved by the addition of a Ridge Cross; a fence is about to be erected, and the Church painted. By the kindness of some ladies a subscription was raised a short time ago and a bell purchased, which now every Sunday calls the people to worship. PRINCE WILLIAM AND DUMFRIES.—Rev. E. A. W. Hanington writes as follows:

"The Church in this Mission is in about the same position as last year; though a number of communicants has been added, an equal number has removed to other parts of the Province and to the Western States.

"The subscriptions to the Diocesan Church Society have not been quite completed, but as far as the work is done there has been no decrease, rather an increase, and should our whole amount be less than last year it will result from the number of subscribers being smaller, as I never collected when people gave more willingly and liberally.

"St. Clements Church has been very much improved during the year by an 'East Window' which was put in at Easter.

"I regret to say that the west end of the Mission is still without a missionary, and trust that the grant offered last year may still be continued, that we may at least have the hope of filling the vacancy."

Contributions are \$85.

PETERSVILLE.—Rev. Joseph Smith has been only a portion of the year in charge of this Parish. He reports one semi-annual collection amounting to \$11.27.

QUEENSBURY.—Rev. A. H. Weeks writes as follows:

"Last year I was able to pay to the Society contributions to the amount of about \$100, \$22 more than had been yet collected in this Mission. I regret I cannot report a continued increase this year. I send \$92.27, considerably more however than the usual contribution from this Mission. The deficiency is due to the fall in the price of lumber. Nothing has occurred in the Mission worthy of note. The severity of weather and severe storms which interfered so seriously with my appointments were not peculiar to the Mission of Queensbury."

RICHIBUCTO.—Rev. N. A. Coster writes as follows:

"I have to report to the Society while away from my Parish of Richibucto, so that I cannot report fully. Before I left I made the usual provision for collecting the contributions to the Diocesan Church Society, and I have little doubt that the amount will be forwarded to the Treasurer, although it will not pass through my hands.

"I am unable to attend the meeting of the Society this year, but I am earnestly anxious that provision should be made for the Parish of Weldford. I may observe that steps have been already taken in this case.

Weldford has agreed to furnish \$200, and if I give up Kingston that district will furnish \$100, fifty dollars per annum above this have to be raised, and I feel assured that it may be done either in my own Mission or in some neighbouring settlement. May I therefore beg of you to ask the Society to appropriate four hundred dollars to the Missionary who shall be found to take charge of that arduous work.

"It shall be understood that I am away from home for change of air under medical advice, having been almost useless the past winter from bronchitis, and at my advanced age I can scarcely expect to be useful much longer. That I may have a little assistance available when needed, I resign in favour of this scheme what I now receive from my people at Kingston, which is about one-third of the contribution in my Parish."

Contributions amount to \$58.34.

RICHMOND.—Rev. W. Henry Street writes that the amount of contributions will not be less than that of last year.

"The Sunday School, at present taught in the old Church building, is hindered in its efficiency by the want of a proper school room, which it is proposed to build during the present summer." Mr. Street adds, "owing to good health, I was enabled, thank God, to keep most of my appointments the last severe and stormy winter."

Contributions amount to \$70.

ROTHESAY.—Mr. C. H. Fairweather reports the amount of contributions from the Parish to be \$184.34.

ST. ANDREWS AND CHAMCOOK.—Mr. G. D. Street reports contributions as follows:

ST. DAVID AND ST. PATRICK.—Rev. H. S. Wainwright writes as follows:

"There is really little to encourage me in my work in this Parish. The Parish Church of St. David is so very far away from the church people that they seem to have got very careless about attending. Anything is a sufficient excuse to keep them from church, and during stormy weather and in winter when the roads are blocked up and the teams are away in the woods, it is impossible to expect them to turn out; and further the Parish has been greatly weakened by many of our most promising young men and women moving away from the place to California and elsewhere, and this is particularly so in the Parish of St. Patrick, where very many who formerly were supporters of the Church have removed, leaving none to take their place. This circumstance in a financial point of view makes me very doubtful of the Parishes' willingness to meet the increased assessment put upon them this year. ST. JAMES, ST. JOHN.—Rev. W. B. Armstrong (Curate) reports contributions to the amount of \$100.

ST. GEORGE AND PENNFIELD.—Rev. R. E. Smith reports contributions in all amounting to \$186.

He writes as follows:

"The chief item of interest in my Parishes during the past year was the visit of the Lord Bishop for confirmation. His visit is always of great benefit in many ways. He confirmed 43 persons in the two Parishes, the greater portion being adults. Large and interested congregations attended, although on week days, and at a very busy season. Of the adults six had been baptized in the Church a short time previous, and altogether 12 of them had formerly belonged to other denominations. His Lordship was greatly pleased with the renovation in Christ's Church, Pennfield, and admired the Chancel Window very much. St. Mark's Church, St. George, has also been painted and colored inside very neatly. We hope, when the times improve, to have a new Church in St. George. I am happy to state that 120 persons partook of the Holy Communion during the past year in the Mission, and that the number of baptisms has been larger. I cannot forbear mentioning, that since my last report, a valued and staunch member of our Holy Church has entered into her rest. I refer to Mrs. Gideon Knight. She was never absent from the services when in health, a constant communicant, and always ready to do her part when the Church required her aid; for some 50 years she had been a faithful worker in the Church in this Parish; she was beloved by all, and universally regretted."

ST. PAUL'S PORTLAND.—Rev. Canon DeVeber reports \$650 as the contributions from the Parish.

ST. MARY'S AND STANLEY.—Rev. W. Jaffrey has inclosed the following report:

"The Missionary at St. Mary's and Stanley writes that he had hoped to increase the amount of his subscriptions towards the general funds of the Society, but has been unable to do so, owing to a large call having been made upon his people towards building a Church, now being erected in the Parish of St. Mary's. The usual amount of \$70 however may be expected from the Mission.

"He reports 57 baptisms, a larger number than was reported last year by any clergyman in the Diocese. By an oversight last year, no Sunday Schools were reported; this year he reports 3, connected with which are 20 teachers and 135 pupils.

"The Missionary asks for a grant towards opening a new Mission, to consist of Stanley and a part of St. Mary's, as he finds it quite impossible to do the duty of so large a district as is now under his charge, either with profit to the Church or satisfaction to himself."

SHEDIAC.—Rev. Dr. Jarvis has been able to add somewhat to the contributions to the Society, and also to the collection for the Society for the Propagation of the Gospel, over those of last year. Contributions to the Society are \$68.72.

SPRINGFIELD AND JOHNSTON.—Rev. G. Rogers reports contributions to the amount of \$45.31.

SIMONDS.—Rev. G. Schofield reports contributions, exceeding by a considerable amount those of any previous year; viz., \$131.97, besides \$5.50 for the Society for the Propagation of the Gospel.

ST. MARK, ST. JOHN.—Mr. T. B. Hanington, Secretary of this Committee, reports contributions to the amount of \$393.24, of which the sum of \$61 is limited to the Widows' and Orphans' Fund. In addition to this a special collection amounted to \$35.50.

SUSSEX AND STUDHOLM.—Rev. Canon Medley reports the probable amount of contributions as \$200, and has inclosed the following report:

"I have nothing in particular to report to the Society this year, except that our troubles have been mercifully overruled, as I humbly hope, for the growth of the Church congregations, and the greater consistency in the members of the congregations. It is nothing new to hear that we have had a hard winter, which rather interfered with the work of visiting the flock as regularly as one could wish, but I am glad to say that I was only prevented twice from fulfilling my Sunday duty of 3 services. It is with great regret that I hear it has become necessary to make a change in the new Mission of Hammond and Dutch Valley, but I shall hope that before long the Society will be able to open up another new Mission which will relieve me of the work at Dutch Valley, which I shall have to perform as well as I can consistently with my present scheme of work. To the no small satisfaction of myself and the people, I have opened a new Station at Mount Pleasant in the Parish of Studholm, where a large and interesting congregation gathers once a month on a week day for worship, and I have hopes that the Church may become established there. I have frequent applications for services from other settlements both in Studholm and Sussex, and if I were made of iron, and my horse flesh was equally durable, I would gladly undertake to give the people what they want; but at present I think it wiser to do thoroughly what I have in hand than multiply Stations or attempt the building of more Churches. At Studholm we have just laid to rest one of our truest and most consistent helpers, Mr. Isaac Foshay, who for many years has been useful to the Church at large as a Lay Delegate to Synod and Church Society. We shall miss him very much, but we submit to will of the good God, who doeth all things well,

As I write the ladies of our Sussex Sewing Circle are busily at work at their weekly meeting, and some new Church Plate is before me which has this day arrived from England. In spite of our many trials we have much to cheer us, and cause us all to labour more patiently and faithfully."

TRINITY, ST. JOHN.—Rev. F. H. J. Brigstocke reports contributions to the amount of \$948.09, apart from a collection for the Society for the Propagation of the Gospel, amounting to \$81.53.

UPHAM.—Rev. S. J. Hanford writes as follows:

"I hope soon after my return to forward the balance of the contributions without loss of time. The total may perhaps be a little under that of last year, though I hope not much so. I regret to find that the new Mission, formed lately by uniting portions of the country hitherto connected with Sussex and this Mission, will be without a Missionary, and that consequently I shall have to take up my former work in Hammond. In my present state of health I can promise to do only what I can to supply the vacancy by monthly services on Sundays, and even then I shall be taking services from a portion of my present charge which greatly needs more, and certainly not less attention; that is to say, Quaco, or St. Martins. This place has of late been growing rapidly in importance, and I fear we are losing much by not being able more fully to occupy the ground. There is really no connection between Upham and St. Martins, and it is quite evident that for a clergyman to do anything like justice to that portion of the Mission he should reside at Quaco, with the country thereabouts for his field of labour. However, as this perhaps is only one of many other strong claims for help, I can only go on as best and as long as I can, hoping that in His own good time the Lord of the harvest will send forth labourers into His harvest."

Contributions are \$137.79.

WELLINGTON AND DUNDAS.—Rev. H. M. Jarvis reports contributions to the amount of \$23.95. He mentions a mistake in copying his report of last year in which the word "often" was substituted for "occasionally," and Ls goes on to say:

"During Rev. Dr. Jarvis' absence in Montreal, I frequently drove to his Parish, Shediac, 20 miles distant from my residence, to visit the sick and bury the dead. I buried five persons there in the course of a fortnight. The number of deaths among the church people during the year in this Mission are only three, the baptisms 23, and since the 1st of June 4 more have been added. There was only one marriage, with the small fee of five dollars to augment the stipend.

"I am happy to report a slight increase over last year's contributions to the Diocesan Church Society, but regret to add that it is no indication of the Church's growing prosperity, for the increase comes from my person-

al friends among the denominations, and a few gentlemen employed on the survey for the railway, while some of our church members feel compelled to lessen their donations this year on account of various causes over which they have no control."

WESTFIELD.—Rev. E. S. Woodman reports contributions the same as last year.

WOODSTOCK.—Rev. T. Neales has enclosed the usual returns, and writes as follows:

"Owing to God's blessing on the rest which I was forced to take between June and September last, I have since been equal to a fair share of work, and for this I feel deeply thankful. I think that the retrospect of the Church's work in this Mission for the year past may afford us good cause for encouragement. Though we have not escaped the general financial depression, which no doubt will be reported from every quarter of the Diocese, this Mission has given a sum total greater than in any previous year towards the support of the Church's ministrations, and promises to exert itself to do even more yet in the future. I am convinced also that the spiritual welfare of the Church in its members has made at least some advance,—for the steady increase of the regular communicants, and the encouraging condition of our Sunday School, may, I think, be chosen as indicating this. Since August last, through the aid of the Diocesan Church Society, I have had the grateful assistance of a lay reader, now the Rev. LeBaron W. Fowler, whose report is included in mine, and who, if his future service in God's vineyard is marked with the same steady zeal and earnestness which he has already evinced, his success in the work is sure.

"We have extended our work in all directions, and in order that we may not be compelled to give up any portion of the encouraging labour now in hand but rather to extend it further, we do hope that the Schedule Committee will recommend and the General Committee grant to us a fair and liberal amount towards the salary of the Curate in the Mission, whose services we are struggling hard to retain."

Contributions amount to \$266.58.

It will be observed from the foregoing reports that the sum total of the contributions to a considerable amount is less than that of the past year.

There has been the usual unsparring labour on the part of the Missionaries. The extent of this labour and its apparent results are in some degree presented in the tabular statement herewith submitted, and to which the attention of every churchman in the Diocese is earnestly invited. In how many instances is this vast work going on, under trials and difficulties which the Church ought

to lessen; in how many instances, beyond ordinary physical strength. The financial distress in the country no doubt is great. This is made the too ready excuse for diminished offerings to the Treasurer of the Lord. It may well be questioned whether in case of any one subscriber such diminution is necessary. Will any member of the Church in this Diocese consent to *decrease* the stipends of the clergy? or will any declare that the work of the Church is to stand still, and no new Missions be opened?

This is the first for many years in which the Society has not been called to mourn the loss of one or more of those engaged in its Missionary work. For this and for many other undeserved mercies the tribute of grateful hearts, to be shewn by more devotion to His service, is clearly due; and to Him the work undertaken by the Society is humbly commended, in hope of the continuance of His blessing.

Mr. G. A. Schofield, from the Schedule Committee, presented a report, which he read, and on motion of Rev. Canon Scovil it was resolved that the report be received and referred to the Schedule Committee to be appointed this evening.

REPORT OF THE SCHEDULE COMMITTEE.

TO THE RIGHT REVEREND THE LORD BISHOP, AND THE GENERAL COMMITTEE OF THE DIOCESAN CHURCH SOCIETY.

The Schedule Committee beg leave to submit the following report:

Your Committee are glad to be able to state at the close of another year, that with one exception, all the Missions in the Diocese to which grants have been made by the Society have entered into the agreement required under the Rules. It has not, however, been possible in every case, to carry out the terms as arranged by the General Committee in July last. The following are the changes made, and the reasons that have led to them:

BURTON & LINCOLN.—The grant made by the General Committee was \$440, upon condition of a contribution by the Mission of \$360. This was changed, at the urgent request of the parishioners and with the concurrence of the Rector, to \$400, upon condition of a contribution of \$300. The people in this Mission asked for the change on the ground that they were quite unable to raise the amount required, for reasons stated at length to your Committee. As the present arrangement only produces an income of \$730 to the Rector, and as there is no parsonage, your Committee were very unwilling to make the change, and only did so when it seemed that to insist upon the original terms would lead to the abandonment of the Mission.

PRINCE WILLIAM & DUMFRIES.—The grant to this Mission, as made in July, was \$520, upon condition of a contribution by the Mission of \$260. For the first six months the people in this Mission only paid \$108, and the deficiency of \$22 was made up by special grant from your Committee. During the past six months the people have paid at the rate of \$240 per annum, and the grant from the Society has been continued at the rate of \$520 per annum. The death or removal of many who had been liberal contributors in this Mission was the cause assigned for the inability to make up the full amount required.

HAMMOND & DUTCH VALLEY.—In this Mission, on account of the inability of the people to raise the amount required during the last six months, a reduction of \$20 was made, and the grant from the Society allowed to remain as made by the General Committee.

Under the authority granted to them last year, your Committee have, at the request of the people, made a grant to the Mission of St. Andrews (Shediac) of \$300, upon condition of a contribution of \$400. Up to the last quarter, owing to the inability of the people to secure the services of a resident Clergyman, the grant has not been called for. The Rev. R. C. Caswell is at present in charge of this Mission, and the grant will be found among those recommended for next year by your Committee.

During the year, notice of suspension of stipend, as required by the rules, was sent to 23 Missions, which had failed to send in engagements at the appointed time. As all these engagements were afterwards forwarded, your Committee would again press the request made by the Committee of last year, that the representatives of the different Missions would more promptly attend to this duty, and thus save the expense and annoyance of issuing these unpleasant notices. The Missions that are at present without the services of a Missionary, are—Albert, Sackville and Dorchester.

The changes that have occurred in the stations of the clergy during the year will be found noted in the memorandum at the foot of this report. Your Committee regret to say that no person has yet been found, fitted for and willing to undertake the work of travelling Missionary in the Diocese. The Lord Bishop has lately communicated with friends in England upon this subject, and it is hoped that before long this important office may be filled. Under the authority granted last year by the General Committee, a very full enquiry has been instituted by your Committee into the management of Glebe lands, and monies held and invested for the use of the Rector in all Missions supported in part by the Society. A great deal of valuable information has been received upon this important subject, and the matter has had the most careful consideration,—first of a sub-committee to whom it was referred, and afterwards of the whole body. Your Committee has not deemed it prudent this year to exercise the power of suspending the grant to any Mission

where the management is not found to be satisfactory, but for the present unanimously recommended,

1st. That a Certificate be added to the Parochial agreements, which shall be signed by the representatives of the Missions, declaring that the amount given by the Mission is a bona-fide contribution, and that no part of it is derived from the rent of Glebes, or the interest of investments the property of the Mission.

2nd. That no land be sold without requiring a payment on account at the time of sale, such payment to be a sum sufficient to secure the completion of the sale, and not in any case to be less than ten per centum of the purchase.

3rd. That Church Wardens do use their utmost efforts to settle up all arrears, and in the future to collect rents promptly.

4th. That all the proceeds of sales of Glebe lands be invested in public securities as soon as possible, and until such investment be lodged in the Savings Bank in the name of the Church Corporation.

In this connection your Committee find it necessary to report that there is considerable difficulty in obtaining prompt and satisfactory replies to the inquiries which they are compelled to make from time to time, of the Missions receiving aid from the Society. In the case of the enquiry as to the management of Glebes, etc., no answers were received from Maugerville, Kingsclear or Kingston, while several Missions only sent returns after a second letter had been issued. Several applications have been made to your Committee during the year for small grants in aid of parsonage houses, in various parts of the Diocese. These have all been referred to the General Committee, as the Schedule Committee has no power to make such grants, even if there were funds available for the purpose. But as these applications have always to be considered very hastily by the General Committee on account of press of business, your Committee would suggest that it might be well to pass some general resolution on the subject authorizing the Schedule Committee, with the approval of the Lord Bishop, if there be available funds, to make a grant not exceeding \$100 to aid in the building of any parsonage house, when it shall be certified that such grant will complete the building free of debt.

The Schedule recommended for next year, and the returns, correspondence and minutes of business transacted by your Committee during the past year, accompany this report.

Respectfully submitted,

That in Article viii. and in all other parts of the Constitution of the Society and in the Rules and Regulations of the General Committee, in which the words "Schedule Committee" occur, the words "Board of Home Missions" be substituted therefor, and that such Board of Home Missions shall have all the powers and incidents which now belong to the Schedule Committee.

On motion of Rev. Canon Scovil, it was resolved to proceed to the election of the Board of Home Missions by nomination and ballot.

Mr. Sturdee and Mr. DeLancy Robinson were appointed Tellers, and they reported the following gentlemen as elected members of the Board of Home Missions for the ensuing year :

 MR. G. A. SCHOFIELD,

MR. W. M. JARVIS,
 MR. C. W. WELDON,
 MR. HURD PETERS,
 MR. G. SIDNEY SMITH.

On motion of Mr. Schofield, the following resolutions were adopted :

That the following be added to the Rules and Regulations respecting the Board of Home Missions :

11. The Board of Home Missions shall have power, with the approval of the Lord Bishop, to make any grant that the funds will allow in aid of any Mission not already receiving aid, upon such conditions as they may arrange, such grant to terminate, in every case, on the 1st July next ensuing.

12. That a Certificate be added to the Parochial agreement, which shall be signed by the representatives of the Mission, and declaring that the amount given by the Mission is a *bona fide* contribution, and that no part is derived from the rent of glebes or the interest of investments — the property of the Mission.

13. On the following motion being made

That the Board of Home Missions shall have power, with the approval of the Lord Bishop, if there be available funds, to make a grant not exceeding \$100 to aid in building any Church or Parsonage House, when it shall be certified that such grant will complete the building free of debt. It was moved in amendment by the Rev. Canon Medley, that the words "Church or" be omitted, which amendment having been carried in the affirmative, the original resolution without those words was adopted.

The Committee adjourned till to-morrow evening at 7 o'clock.

REPORT OF BOARD OF HOME MISSIONS.

The Board of Home Missions beg to report that they have had before them several applications for special grants which they have not been able to consider with sufficient carefulness to enable them to arrive at any decision; they therefore recommend that all these applications be referred to their future consideration. They have also considered the estimate of income for the ensuing year, and they are of opinion that such estimate is quite as favorable as can reasonably be expected. They beg to point out to the General Committee, that as the grants recommended for next year exceed the estimated income by a sum exceeding \$3,000, there is certain to be a large deficiency unless the most strenuous exertions are made to increase the subscriptions. The Committee only recommend the grants as below upon the understanding that such efforts will be made.

REPORT OF THE PROCEEDINGS OF THE EXECUTIVE COMMITTEE OF THE DIOCESAN CHURCH SOCIETY, FOR THE YEAR ENDING JUNE 1875.

For an abstract of the proceedings of the meeting of this Committee, held at St. John, July 3d, 1874, see the 39th Report, pages 61 and 62.

At the meeting appointed at Fredericton, on the 7th October, there was not a quorum present.

The next meeting of this Committee was held at St. John, on the 6th January, 1875.

A report was made, on the part of the Finance Committee, in the case of the Rev. W. E. Scovil, with reference to a proposal by him regarding the payment of the balance due the Society by the late Treasurer; and also with reference to the property held by the Society on the N. M. wharf, St. John.

In the case of the will of the late Miss Hazen, the Committee reported the adverse decision of the Judge of the Probate Court, and that necessary steps had been taken to bring the matter on appeal before the Supreme Court. Cost and expenses have been incurred in this suit amounting to \$440.

A report was submitted from the Book Depository Committee, embracing the rules and regulations.

The value of the Stock at the opening of the Depository at Messrs. Pielers' was \$906.09, and cash balance on the 1st December last, \$125.35.

The Schedule Committee reported certain changes in a few instances in the amount of the stipends of the Missionaries, and that a grant had been made in aid of the Mission at Point Du Chene, and that circulars had been issued regarding the income from Glebe Lands.

In nearly all the Missions, the requirements of the Society as to local payments had been complied with.

The Rev. F. B. Crozier was permitted to join the Widows' and Orphans' Association on the usual conditions.

Permission was granted to the Rev. W. S. Neales, who has been obliged to leave the Diocese on account of ill health, to continue his connection with the Association for the current year on making the required payments.

It was reported that the bill for printing the last Annual Report had been paid, and the following accounts were passed by the Committee :

H. A. Cropley, expenses in forwarding Reports,	\$3.72
The Secretary, for the same, and for postage from July to this date, 5.30	
Messrs. McMillan, for blank book forms, printing accounts for the use of the Treasurer and Committees,.....	57.85

At the meeting of this Committee at Fredericton, on the 3d March, 1875,

Mr. Fenety's bill for advertising was ordered to be paid, amounting to \$1.80.

The Treasurer was authorized to pay to the Widow of the late Rev. J. H. Saturley the pension due from the Widows' and Orphans' Fund.

This Committee met at St. John on the 2nd June.

Owing to an accident connected with the baggage on the Railway, the Secretary was unable to lay before the meeting the minutes of the last meeting, and the report of the proceedings of this Committee for the past year; it was moved that the same be presented at the Special Meeting of the Committee to be held at Fredericton, before the meeting of the General Committee.

Mr. Frith, on the part of the Finance Committee, presented a report, in which it was stated that during the past year the

Amount in the hands of the Committee for Investment was, ..	\$3761 10
Amount invested in various Securities,	3289 60

St. John, whereby, for a term of years, the Society will only receive the amount devised to the Parish of Cambridge, the balance of the rent being allowed for necessary repairs on the building. On the completion of these repairs, the Committee consider that the premises will yield a higher rent.

The Committee propose to report on their action and its result in the case of the suit at law with reference to the Will of the late Miss Hazen, at a Special Meeting of the Executive Committee to be held at Fredericton, before the meeting of the General Committee.

This report was received and adopted.

Mr. Schofield, from the Book Depository Committee, presented a report, which was referred to the General Committee, with directions to publish the statement of account with the accounts of the Treasurer.

Mr. I. Allen Jack, from the Glebe Land Committee, presented a report, stating that the Committee was in communication with members of the Church qualified to give information with reference to various tracts of glebe land, and also with a proposed purchaser of a tract of land in the County of Restigouche.

This report was also received and adopted.

It was resolved that a Committee be appointed to make the necessary arrangements for the approaching meeting of the Society, and that the Revs. G. G. Roberts, T. E. Dowling, Hon. Judge Fisher, Messrs. Carman, Fenety, Frith, and Berton, do compose the said Committee.

A Special Meeting of this Committee was held at Fredericton on the 29th June last, when the Secretary presented and read a Report of the proceedings of this Committee for the past year, which was received, and with an abstract of the proceedings of this Meeting, ordered to be laid before the General Committee.

Mr. Frith, from the Finance Committee, presented a Supplementary Report stating that "on the 26th inst. an intimation was given by the Supreme Court that the

Will of the late Miss Hazen, by which a considerable amount of real estate in St. John and Portland is given to the Society, would be sustained, and judgment given in the ensuing Michaelmas Term." The Committee cannot, therefore, at present take into consideration, matters connected with this property.

The Committee met at Fredericton, July 2nd, 1875, when the following resolutions were adopted :

That copies not exceeding 3,500 of the Annual Report be printed, and that the Rev. Canon DeVeber, the Rev. J. Pearson, the Rev. T. E. Dowling, Mr. G. S. Smith, Mr. W. Carman, Mr. G. E. Fenety, and the Secretary, be a Committee to attend to that duty.

That the Rev. Canon Scovil, Messrs. W. M. Jarvis, B. Lester Peters, G. Sidney Smith, W. Carman, G. E. Fenety, T. W. Daniel, and the Treasurer, do form the Finance Committee for the ensuing year.

That the Rev. J. Pearson be the Secretary of the Widows' and Orphans' Fund for the ensuing year.

That Messrs. I. Allen Jack, G. A. Schofield, J. R. Ruel, C. W. Weldon, G. Sydney Smith, and W. M. Jarvis be the Glebe Land Committee.

It was resolved that the thanks of this Committee be tendered to the Rev. John Pearson for his past services as Secretary of the Widows' and Orphans' Fund.

The following resolutions were also adopted :

1. That the Glebe Land Committee be authorised to take proceedings to recover possession of the Church land in the Parish of Addington, and if necessary to commence an action of ejectment, or in such other manner as may be most for the interest of the Society, and that the expenses thereof be taken out of the proceeds of the sale of the land.

2. That the Glebe Land at Pokemouch in the County of Gloucester, and also that in Brunswick in the County of Queens, be referred to the special consideration of the Glebe Land Committee.
