NOTICE.

All Branches, Associations, and Depositories are particularly requested to make out a yearly Report, which shall embrace all the principal occurrences of the year, and a list of subscribers, and send the same to the GENERAL AGENT, Bible House, Montreal, or to the Rev. JAMES GREEN, District Secretary, 478 Upper St Urbain street, Montreal, on or before the 25th day of December, that there may be sufficient time to prepare the Annual Report.

It is requested, when remittances are made, that it be specified whether the same are to be placed to Purchase Account, or are Free Contributions.

It is further particularly requested that Branches and Agencies will effect insurance on their stock. In many cases it may be made an item in the policy which the Depository takes on his stock in trade; but where that cannot be done, if the stock of Bibles be of the value of \$100, special insurance must be effected.

I. This Society shall be denominated THE MONTREAL AUXILIARY BIBLE SOCIETY, the object of which shall be to co-operate with the BRITISH AND FOREIGN BIBLE SOCIETY in promoting the distribution of the Holy Scriptures, both at home and abroad.

II. Conformably to the principles of the Parent Institution, the Bibles and Testaments circulated by this Society shall be without note or comment.

III. All persons subscribing two dollars or upwards, per annum, shall be members of this Society; or forty dollars at one time, shall be members for life.

IV. The business of this Society shall be conducted by a President, Vice-President, Treasurer, two Secretaries, and a Committee consisting of not less than twenty members, with power to add to their number. Five members of this Committee shall form a quorum.

V. No lay member of the Society shall be eligible as a member of the Committee, unless he is a Life-member, or pay an annual subscription of at least four dollars.

VI. The Committee shall have the power of nominating such persons as shall have rendered essential services to the Society as Honorary Governors for life.

VII. The Committee shall meet once every month, or oftener, on some day to be fixed by themselves.

VIII. The whole of the subscriptions and donations received by this Society, and not required for its own operations, shall from time to time be remitted to the Parent Society.

IX. For the purpose of giving full effect to the benevolent designs of the BRITISH AND FOREIGN BIBLE SOCIETY, in their grants for the Scriptures for distribution among the poor, the Committee shall make it their business to inquire what families or individuals are in want of Bibles or Testaments; and it shall be the duty of the Committee to furnish them therewith at prime cost, reduced price, or gratis, according to their circumstances.

X. A general meeting of the Subscribers shall be held annually at Montreal, when the accounts shall be presented—the proceedings of the past year stated—a new Committee appointed—and a Report agreed upon to be printed under the direction of the Committee, and circulated among the members.

XI. No alterations shall be made in these Laws, except at a general meeting of the Society, called by special notice, to be advertised in two of the Montreal newspapers one month previously.

REPORT FOR 1891.

The year for which the Report has now to be presented has been among the average steady years in the history of this Society, presenting little, on the one hand, of an unusual character to elate ; little, on the other, to depress. The continuity of the work has been maintained, and a goodly number of copies of the Word of God, in both French and English, has been put into circulation.

The District Secretary, the Rev. James Green, who is well acquainted with every part of the field, thus speaks of the work, so far as it has come under his supervision :—“ The year that has just closed has been one of unwonted depression and trial in business matters, which has necessarily affected the work of Societies like this. And though the country was blessed with a good harvest, but little benefit therefrom has accrued to this year. There has not been time for such to be the case ; and, moreover, a succession of poor harvests and untoward influences have reduced the people to a more straitened state than I have ever known before, and it will require a succession of good harvests to bring the country up to its former prosperity. Under such circumstances, though the Branches have not produced results equal to the best years of former times, there has been some improvement as compared with the year 1890, for which we bless God and take courage. The total returns from the Branches of Free Contributions have amounted to \$4746.11 ; whilst on Purchase Account, \$2433.65 were received ; making a total of \$7174.76, being an advance of \$225.89 on the receipts of the previous year. I have taken orders for 4109 Bibles and Testaments ; and, as far as I can judge, fully as many have been sold, so that the stocks in the branches are probably not larger than they were at this time last year.”

No new Branches have been formed, and there is not much proba-

more satisfac

bility or room for more. Indeed, it is matter for grave consideration whether there has not been too much expansion in forming Branches. At any rate, in view of the depletion in population that has been taking place in certain districts of our field, it is a matter for fair consideration whether or not many of the weaker branches should be either abandoned or consolidated with other stronger and neighbouring ones. This is a question that should receive the careful consideration of the Committee to be appointed for 1892.

Another matter more important still, and one that has had the attention of your Committee, is the fact that the *City Collections* have not for many years past kept pace with the natural growth of the Protestant population of this city, whereby a large loss of income has been incurred. No doubt this is, in part, due to the decease of staunch friends of the Society, such as the Honble. James Ferrier, Benjamin Lyman, Hector Munro, and many others too numerous to mention; and to the inability of others, from age and failing health, to render the valuable service, and that voluntarily, which from year to year, and for many years, they performed for the Society in soliciting free contributions from their fellow-citizens. Of course, so large a question as this cannot here be presented in detail; but your Committee, in order to get as much light upon it as possible, has had some carefully-prepared tables drawn up from official sources, setting forth the Subscriptions in the city to the Society for decennial periods, covering 1851 to 1860—1861 to 1870—1871 to 1880—and 1881 to 1890—of which the following may be taken as a general synopsis:—

Years.	Protestant Population.	Amount of Contributions.
1851-60	30,161	\$13,508 36
1861-70	35,373	18,554 07
1871-80	46,915	13,737 00
1881-90	70,000	9,816 00

The returns of Free Contributions from the branches are of a much more satisfactory character, showing as they do a gradual advance

in the decennial periods, beginning with \$17,238.00 for the period 1851-60, increasing to \$48,808.00 for the period 1881-90.

The Committee are, therefore, of the opinion that their successors should be specially requested to give their best attention to this matter, with the object of devising some method of procedure whereby the Protestant population of the city should be more systematically canvassed, as in by-gone days, for contributions towards the maintenance of the work in which the Society is engaged.

Your Committee regret to report that, owing to advancing years and impaired health, the Rev. James Green, who for more than 40 years has served it so well and so faithfully, has intimated that the time is not far distant when he must relinquish his arduous duties in the service of the Society. This matter is mentioned to prepare the minds of the constituency for an event which, when it comes, will fill all friends of the Society with regret.

The relationships of your Committee with the Parent Society have been, as always, of a cordial character. In the month of May the Committee of the Parent Society deputed the Rev. T. Aston-Binns to visit this Auxiliary, as their deputy and representative. Unfortunately, the season of the year was the most unfavourable for such a visit, and the meeting which was arranged for Mr. Binns was very poorly attended, notwithstanding all the preparations of your Committee to make it attractive. The step on the part of the Parent Society was a judicious one, and one that will bear repetition, but at a more seasonable time.

Your Committee are also in communication with the Parent Society, to secure the renewal, annually, of the grant of £50 per annum, which was made by them in 1885-1887 in aid of the special work of a French Bible-woman to labour in the city. The results of this work, in past years, justify its continuance.

Another important matter has been that arrangements with the French Evangelization Societies, working under the auspices of the Presbyterian Church, Church of England, the Methodist Church and the Grande Ligne Mission, have been made, whereby these Societies, whilst receiving French Scriptures from our depot for distri-

At the same time, it is desired to secure that the common work in which all are engaged should be done, more than has been the case in the past, on a common plan, and with as little friction and cross-purposes as possible.

The publication of the BIBLE REPORTER has been continued for another year, under the editorial care of Rev. John Nichols, which valuable service deserves grateful acknowledgment. Your Committee entertain the hope that the good effected by this publication, in the way of affording information and stimulus to our constituents, more than compensates for the expense and trouble involved therein.

Lady Dawson, the President of the Ladies' Bible Association, thus reports on the work carried on under their auspices :—

The Bible-women work in the city of Montreal goes on with its customary success and energy, under the management of the "Ladies' Bible Association." The number of Bible-women employed is six in all, including the Hospital Bible-woman and the French Bible-woman employed under a grant from the *Parent Society*, and no change has occurred in the personnel except that occasioned by the departure from the city of the French Bible-woman, who had been engaged in this work for some years with so much usefulness and success, and who has been mentioned so favourably in previous reports. She has been succeeded by a member of the same excellent French family, and we trust that her success may prove equal to that of the other members of it who have been proved. It is believed by the ladies connected with this work that the Bible-woman effort has been and is a source of untold blessing and advantage, and has contributed greatly to extend not only the circulation but the knowledge and love of the Bible in the hearts of many in this city.

Your Committee have now to report on the statistical matters of the year :—

Colportage—Seven Colporteurs have been employed during the year :—two English and five French, three French during summer.

There are at present four colporteurs employed :—two English, one speaking both languages, and one French.

And, in addition, recently a Hebrew gentleman has been engaged to work amongst the Jews, English and foreign, in the city, for a probationary term.

Bible-Women—Five Bible-women and one French Bible-woman have been employed during the year.

Issue of Scriptures—The total number of copies issued has been :— Bibles, 9433; Testaments, 8905; Portions, 4376; total copies, 22,714. Of this large number, there were in *French* 1538 Bibles, 2843 Testaments, and 2528 Portions; total, 6909 copies. In *English*, total copies 15,357; and the remainder in Gaelic, Welsh, Iroquois, Latin, Greek, Hebrew, Spanish, Portuguese, Italian, Swedish, Norwegian, Danish, Finnish, German, Chinese, Russian, Arabic, Armenian, Syriac, Japanese, and the Gospels in raised letters for the blind.

Grants—The gratuitous distribution for the past year has been: Bibles, 2055; Testaments, 2556; and Portions, 2136; total copies, 6747. Total value, \$1446.26.

The greater part has been made to the Presbyterian Evangelization Society, the Methodist Missionary Society, the Grande Ligne Missionary Society, House of Industry and Refuge, The Old Brewery Mission, Richmond sq. Mission, Sailors and Seamen, British Columbia Mission, Canteen Mission, Sailors Institute, Rawdon Mission, Morrison Mission, Hebrew Mission Work among the Russian, Polish and German Jews, Danville Mission, Durham Mission, The Volunteers in Camp, Cote St. Paul Mission, Foundling Hospital, Oka Indians, in Iroquois; to the blind, embossed type; to French converts, Branch Bible Societies, and by the several colporteurs in country districts.

The abstract of Treasurer's Statement shows :—

Total Receipts—Including the sum of \$756.91, balance from previous year, \$17,122.72—including the following items from Auxiliary societies in aid of French colportage :—

Donation from Upper Canada Bible Society, \$138.72.

Other donations and subscriptions will appear in the printed Annual Report.

The Disbursements amount to the sum of \$15,421.21, in which are included \$5331.29 paid for Scriptures, \$1446.26 value of Free Grants of Scriptures, \$487.78 a grant to Parent Society, \$2128.94 paid for Colportage, \$950.00 paid Bible-Women employed in the city of Montreal.

The following paragraphs summarize the work of the Parent Society during another year of its eventful history.

"The *ISSUES* have continued to widen their volume, and during the year 1890-91 almost FOUR MILLIONS of copies of the Scriptures, in part or whole, have been put into circulation. This is an increase on the issues of last year of more than a hundred and thirty thousand copies. In purely Bible distribution no returns equal to this have ever been made except in the records of the Society itself, and then owing to a special and temporary cause.

"The *INCOME* for the year has also increased but slightly,—so slightly, indeed, that neither have the deficits of the last two years been removed nor has a new one been prevented. The item of Legacies and of Donations is always very variable. A more important source of income is that of Free Contributions, and it is also most significant of the amount of interest generally felt in the Society's work. It is one of the most pleasant facts of the financial year that in this section—that of Free Contributions from Auxiliaries—there is an increase of some £2,000. This is a continuation of the advance reported for two years past, and the beginning, it is hoped, of still more signal progress in the future. But it is most evident—and this is the moral of the financial report—that there must be a very large addition made to the Society's reliable income if its beneficent work is to be developed, and that the devoted helpers and friends who are everywhere showing so much self-denying zeal must fully continue and even increase their efforts.

"In all this review of the countries and the peoples of the globe, there is nothing more impressive than the evidences which everywhere meet the eye of the gradual establishment of a kingdom which is destined to include them all. When the century which is now

closing began its course, the area of Christian knowledge was a very limited one, and but few of the world's languages had become familiar with the story of the Cross. But it is different now. Four new versions, begun during the year, and soon to make the Gospel vernacular in as many tongues, have brought up the total of the Society's translations to close upon three hundred. This number includes all the greater languages of the globe and the large majority of those which are of secondary compass and importance. As the eye passes from land to land it sees everywhere the scholar at work upon the Word of God, moulding with patient care some new versions into shape, or giving an earlier one more perfect form. Nor is it in productive work alone that so much liberal energy is being expended, for the accounts of the year report that some 330 Bible-women are busy in the Zenanas of the East; that over 600 colporteurs are in almost every country, familiarizing the people with the Bible; and that more than 230 depots, like centres of light, are diffusing among many races the knowledge which not only refines and elevates, but saves. The workers in this great enterprise are of every nationality—of every grade of national character and education. What is it that unites them in a brotherhood so cordial and supports them in the face of the dangers and depressions which so many of them have to endure? There is only one competent answer and it has boundless meaning. It is the love of Christ that constrains them, and His Spirit that animates their own."

All which is respectfully submitted by your Committee.

GEORGE CORNISH,
Corresponding Secretary.

REPORT OF THE DISTRICT SECRETARY FROM MARCH TO
DECEMBER, 1891.

DEAR FRIENDS,

I began my spring tour on the 10th May, a few days earlier than usual. My first appointment was at LAPRAIRIE, where I met a good congregation, and found the cause in a friendly, healthy state. I had much valuable help from the Rev. C. T. Perry. Contributions a little in advance. On the 11th I attended the annual meeting of ST. LAMBERT Branch, held in the Church of England, John Beatty, Esq., in the chair. Rev. Messrs. Sparling and Dart both took an active and efficient part, and collectors were appointed to look after the finances of the Society, and officers re-elected. On the 15th, at ST. REMI, the annual meeting was fairly well attended, the President in the chair, and I had able assistance from the new minister, Rev. Mr. —

At BEECH RIDGE, on the 17th, I had the pleasure of the largest audience of many years and the best collection. I had two meetings in connection with the RUSSELLTOWN & CHRYSOSTOME Branch. In the afternoon at Chrysostome, and in the evening at Russeltown, both well attended, and the contribution a little in advance. Rev. Mr. Waddell gave good countenance and help to the cause, COVEY HILL—James Curran, Esq., was in the chair, and the Rev. Mr. Waddell gave valuable help. The meeting and contribution both small, and the interest low. At FRANKLIN things were a little improved. We had a small meeting in the Town Hall, Col. Rogers in the chair, Revs. Messrs. Watt and Poysou both helping much. The Branch was re-officered and stepstaken for securing contributions this Fall; matters rather looking up. ATHELSTAN is doing well. The meeting was a good and interesting one, presided over by the able president, Rev. A. Rowat. The contribution was a little short, but not near so much as my fears considering how hard the times were in the neighborhood. KILSO AND KENSINGTON.—The annual meeting was held in the Methodist Church, Kensington, with a fair audience and good assistance from the pastor. The lady collectors had done their part well, and enabled the worthy secretary, Mr. John Tully, to make a good report. Finances a full average. At DUNDEE the annual meeting on the 22nd was not equal to some I have seen, but it was of good interest and well managed by the chairman, J. J. Fraser, Esq.; contributions short of past year. LA GUERRE is in a fair state. The meeting was well attended and the contributions good, though not quite up to some past years. We had a fine meeting at HUNTINGDON in Rev. Dr. Watson's church. The president, A. Somerville, Esq., was in the chair, assisted by the Rev. Dr. Watson. Rev. John Armstrong conducted devotions, and the Rev. Mr. Muir favored the meeting with a timely and forcible address. S. W. McLaren, Esq., read a report of a good and encour-

I found in s

aging year's work, though not quite up to the preceding years. We had a nice little meeting at ORMSTOWN on the 25th, in the Methodist Church, Col. McEachran in the chair. A collection was taken at the meeting, but the contributions are not taken till later in the season. ST. LOUIS is doing fairly well. We had a good meeting on the 26th, Rev. Mr. Thompson in the chair. Wm. Goodall, Esq., the secretary, reported a fair year's work.

ALGONQUIN, May 27th.—A fair meeting and fair interest. Ashael Wright, Esq, presided and managed the meeting well. Rev. Mr. McArthur gave much hearty and able help. The subscriptions are taken up later on, but the collection at the meeting was good. FAIRFIELD is doing better. The meeting was one of much larger numbers, and well conducted by the chairman, Mr. Earl. The contributions had been taken up before the meeting this year,—a great improvement, causing much less labor and writing, and procuring a larger sum, and the people attend the meetings better after they have contributed. LYN is doing well. The meeting was in the Presbyterian Church. The able president, James Cumming, Esq, in the chair. The contribution was greatly in advance. Sunday, the 31st May, I had three appointments. In the morning at the Bethel Church, FRONT of LANSDOWN, congregation was small; contribution to be taken later on. R. Wilson, Esq., will see to this as usual. A great many of the older people and first patrons are dead, and the rising generation does not fall in fully. Mr. Wilson has prevailed on some of the sons to take the place of the fathers and keep up the yearly subscription,—a good thought and a praiseworthy endeavor. If all our friends would aim at it, death would not thin our ranks. At MAPLE GROVE the meeting was not only larger but the spirit was good, and the yearly effort will be made in due time. At GANANOQUE we had a fine meeting in the evening. The spacious Methodist Church was well filled, and the cause received invaluable help from the Rev. Mr. Gracey and Rev. Mr. Hughes, whose congregations were together on the occasion. The collection at the meeting was over \$10, and an able staff of ladies were appointed to canvass the town, and I trust an effort worthy of the place will be the result. In LANSDOWNNE we were unfortunate in colliding with another meeting, but we had a small audience in the Methodist Church and an address from your District Secretary and the Rev. John Fairlie, and all the business of the branch was done. MALLORYTOWN is rather looking up. The meeting was rather an improvement upon some previous ones, and more of a disposition to take hold of the work. The president, Mr. Egbert Mallory, presided, and the Rev. Mr. Service gave a fine practical address, and made suggestions to form an executive committee, whose special business should be to devise ways and means of greater efficiency of the Branch.

YONGE is under able officers, and doing well. The year's work was the best of many years. Mr. James Purvis presided at the meeting, which was fairly attended, and Mr. Macdonald, the secretary, made an encouraging report.

My next engagements were with the few Branches in Lanark. Boyd's Settlement I found in somewhat a better state this year. The annual meeting was better

attended. The lady collectors had done their part better, and the result was a better subscription. Something was said about having some Scriptures sent up again, but nothing was decided. CLAYTON is ably managed, particularly by the secretary, D. Drummond, Esq., and the yearly work is steadily maintained in a very creditable state. I found it this year about the same, but an improved attendance at meeting. From this point I went on to visit a few Branches on the Ottawa. NORTH NATION MILLS is feebly holding on, but doing a commendable work for its opportunities. The annual meeting was about the same, but more Bibles sold. At the GORE the meeting failed, without cause known to me, except this: the people have got into the habit of coming very late, and perhaps we did not wait long enough, but experience has taught me that it has a bad influence to wait an hour after the appointed time, and is very unjust to the few who come punctually. PLANTAGENET is prospering. The annual meeting was a good one, and much good help was given by the Rev. Mr. McPhee. The lady collectors, Miss Chamberlain and Miss Anderson, had diligently and faithfully done their part, and brought in an enlarged contribution. Rev. Mr. McPhee took me up to PENDLETON, where we had a fair gathering and a small contribution, and some good work done in the way of organizing and putting matters in better train for the future. Next day the Rev. Mr. McPhee was kind enough to drive me forward to RIVERVILLE, Wednesday, June 10th. The annual meeting was held in the Baptist Church, John Caldwell, Esq., in the chair. Rev. Mr. De Long who had formerly helped me much was away at Conference, so I was the only speaker. Mr. Geo. Cutts, the collector, had done his work well and successfully, and enabled the Branch to present a creditable free contribution. Next day I was again obligated to my much esteemed friend, C. Metcalf, Esq., who drove me out to Maxville to take the train on my way to ENGLISH RIVER AND GEORGETOWN, where I had three services on Sunday the 14th, all with the ENGLISH RIVER AND S. GEORGETOWN Branch. In the morning at English River; afternoon at Howick; and evening at South Georgetown. Rev. M. MacKeracher was away, but in the evening Rev. Mr. Whillans gave good countenance to the cause and helped me much. Geo. MacLenaghan, Esq., the depositary, paid the amount of sales. The collection in the evening was also handed to the Society by the Minister and the elders of the South Georgetown Church.

ST. THERESE is doing well, though the Protestant population is diminishing. The meeting was fairly attended, and the free contribution \$24, two dollars less than last year, but very good, all circumstances considered. At NEW GLASGOW the same evening (June 21st) there was a good meeting, and the Rev. Mr. Boudreau laid us under fresh obligations. The officers and committee met the following day in the house of John Murray, Esq., and arranged the business of the year. On the 22nd I had a wet drive to RAWDON. The much needed and longed for rain had come, and refreshed the parched earth and gladdened the hearts of the people. It somewhat thinned the meeting, but still it was fairly attended. W. M. Holiday presided with his usual ability. Rev. Mr. Davies, Anglican, and Rev. Mr.

Wilson, Methodist, both did good service to the cause. The report of the year's work was a fair average one. On the 23rd the rain continued and increased, and had an adverse influence on our meeting at KILDARE, which was this year in the Anglican Church, Mr. Thos. Dixon presiding. The officers and collectors were all re-appointed, and the meeting passed off with much satisfaction.

JOLIETTE, on the 24th, had a fine night and the best meeting ever held there. Rev. Mr. Beauchard was my helper, and he did his part admirably. The choir turned out strong, and added much to the interest of the occasion.

My first appointment on my autumn tour was at Napierville, but on account of my horse being disabled I did not get to it, and from the same cause I had to postpone my engagements at Lacolle, Clarenceville, Phillipsburg, Mapledale, Pike River and Mystic.

HEMINGFORD.—The annual meeting was held in the Methodist Church on the 12th August, with a fair attendance, the president, F. S. Proper, Esq., in the chair. Rev. Mr. Robertson as usual gave the cause hearty and able assistance, and we had the countenance and assistance of Rev. E. B. Jeakins, the new Anglican minister. The subscriptions had not been taken up, but arrangements were made to attend to that part of the work forthwith.

On the 17th, my horse still being unfit for work, I went out to WEST FARNHAM by rail. The meeting was held in the Methodist Church, and in the absence of the president the vice-president, Rev. Mr. Suckling, presided. The meeting though small was better attended than usual, and besides the address of your District Secretary, the cause was ably supported by the chairman and the Rev. E. S. Howard. A creditable collection was taken up, and the subscriptions will be attended to later on. BEDFORD.—The annual meeting was held in the Temperance Hall on the 18th. The president, J. F. Whitwell, Esq., in the chair. Revs. Messrs. Young and Nye ably supported the cause, and will take care of the work and see to the subscriptions which Mrs. Whitwell and Miss Haskings engaged to take up. My friend, Mr. A. Borden, drove me up to STANBRIDGE next day. Here I met scenes of sad affliction. My respected friend, and able treasurer of the Branch, the Rev. S. Jackson, had gone the way of all living, and his family bereft, and contending with misfortunes of other sorts, were in great distress, and the Bible cause in his absence had suffered much. The sale of Scriptures almost nil, and the work otherwise in abeyance; however, the remaining officers set to do what they could. The meeting was called for the Methodist Church, at which the president, E. J. Briggs, Esq., presided. Other officers were appointed. The Bibles were removed to Mr. W. A. Hodge. Besides the collection at the meeting, the secretary, Mr. Hall, had engaged the services of two young ladies who had collected a little, and N. M. Blinn, Esq., paid me his subscription, and drove me up to Dunham next day. The annual meeting of the DUNHAM Branch was held in the Methodist Church on the 20th, Philo England, Esq., in the chair, in the absence of the president who was sick. Rev. Mr. Vissor took part in the meeting, and gave good countenance to the cause, but

he was the only minister present. The meeting was too small. More go to the horse races. I was indebted to Philo England, Esq., for a ride to FRELIGHSBURG amid rain and rising floods, almost as much as a year ago. The night was dark, the bridge was gone, and the passage across the river dangerous for the most nimble-footed, and almost impossible for others, and the meeting was almost a failure. However, the officers had done their part, and the subscriptions were in, though the work had not been so thoroughly done as usual, and the amount was smaller; the sales also were small. I was much indebted to the Rev. C. H. Lawrence who gave me able help at the meeting, and drove me up to ABBOTT'S CORNERS next day. That, however, is but a continuation of kindness and help from the Lawrence family through more than 30 years. ABBOTT'S CORNERS is doing well. The annual meeting was good, and the officers had done their work well. Miss Tracey had done her part admirably, and the free contribution was in advance. I was much indebted to the Rev. A. Arms. I was glad to meet old friends, some of whom I have been meeting nearly 50 years, and a new friend, Mr. James Young, drove me out to Abercorn. The annual meeting of the ABERCORN Branch was held in the Union Church on the afternoon of the 23rd. Rain, and the appearance of more, just at the time of coming together, was against us. Mrs. T. Clifton had taken up the subscriptions, which the treasurer, Mr. Barnes, paid me, together with the amount of sales; about an average work.

SUTTON is doing well. Both sales and free contributions were in advance of the previous years. The annual meeting was held in the Methodist Church, and in the absence of the president, who was away at the Dominion Parliament, Rev. Mr. Cutter, 1st vice-president, conducted the meeting, and was ably assisted by the Rev. H. Fowler. The audience was fair for so wet and dark a night, and altogether the work is in a good way. At WEST BROME the annual meeting was held in the Methodist Church on the 25th, the president, O. S. Shufelt, Esq., in the chair. It was not large, but pervaded by an excellent spirit, which my friend the Rev. Mr. Teeson did much to foster by his cheerful, hearty advocacy of the cause in a few well-chosen words. The lady collectors, Misses Shufelt and Mitimore, surpassed their former successful efforts and brought in an increased contribution list. All praise is due to the active secretary and president. At COWANSVILLE, on the 26th, the annual meeting was held in the Congregational Church, Dr. J. B. Gibson, the newly appointed president, in the chair. Rev. Mr. Main gave us good and hearty support, and Rev. E. M. Taylor read a full and excellent report, which see in another page. The striking feature of the meeting was the absence of our old and respected friend, G. E. Jaques, Esq., who had gone home after serving the Society a long time faithfully and well. Thus

Thus far I had been travelling without my horse, which had been left in the hands of the doctor, but next morning I took train for home to get him. At noon on the 28th I started again, this time in my usual style—driving, but still my beast was a cripple and I had to go slowly. I made out to reach Chambly the same evening, and FARNHAM CENTRE next day, where I met a warm welcome from my friend the Rev. Mr. Suckling, whose pulpit I occupied next day. The congregation was good for the place, and the interest in the Bible cause considerably improved. The free contribution was nearly double that of the year before, thanks to the increased activity of the minister and the officers, particularly the treasurer. In the afternoon I preached at BRIGHAM, and had good countenance and able assistance from the Rev. Mr. McAll, and took up a collection for the Bible Mission. In the evening I attended the annual meeting of the East Farnham Branch, but, if not all, many things seemed to be against us. The president and secretary were away; another church service and a camp meeting, both close at hand, were going on at the same time, and our meeting was small, and in consequence of the absence of the officers the collecting had not been so thoroughly done, and the contribution was not up to the past. On Monday, 31st, I called at Adamsville to settle the account of the defunct Branch, and partially succeeded, though not satisfactorily. At WEST SHEFFORD in the evening we had a fair meeting, the president, Rev. Mr. Robinson, in the chair. The Rev. Mr. Wright gave good service to the cause and Mr. Nowell made a most excellent address. Mr. Kennedy, the excellent secretary, reported the lady collectors as having been diligent and active. They brought in returns equal to last year, which was a good one. One district not reported which was expected by and by to place the contribution ahead of last year. At KNOWLTON the annual meeting was held in the hall of the W. C. T. U., I. England, Esq., in the chair, and the Rev. Mr. Chambers rendered valuable assistance both as speaker and leader of the singing. The Branch did not make a report equal to some former years, neither in attendance nor contributions. Prevalent sickness and other hindrances were in the way. We had a better time at MANSONVILLE; though the meeting was still small, and the contributions had not been brought in, the meeting was pervaded by a better spirit, and the officers engaged to attend to the work forthwith. The Rev. Mr. Allin gave the cause good support. At EAST BOLTON the annual meeting was held at Millington, the president, Mr. Brock, in the chair. The Branch made a better report, thanks to the Rev. Mr. Stafford and the lady collectors. At MAGOG the annual meeting was held in the Methodist Church, Sept. 4th, and we had an able chairman in A. H. Moore, Esq. L. H. Knowlton, Esq.,

had again done good service in collecting, and had met with fair success. The event of this Branch was a sad one. Our most excellent and much esteemed president had departed this life, and though dead he yet speaketh by an example of a good consistent Christian life, and the memory of his gentle, patient and long suffering devotion to his family, his patience and devotion to every good cause, will long be fresh and fragrant, not only in Magog but in the neighboring townships. It was moved by the Rev. Mr. Short, seconded and carried, that this meeting deeply deplores the death of our late president, Dr. Simms, and expresses its profound regret at the loss of his invaluable influence and service, and its condolence with his bereaved widow and family. The annual meeting of the GEORGEVILLE Branch was held in the Methodist Church, James Melrose, Esq., in the chair. Mr. Bickford West, the secretary, read the report of about the usual amount of work done. The night was both very dark and very wet, and the meeting was small. I very much missed one who had oftimes helped me much in various ways, John Melrose. He was a most exemplary young man, constant in devotion to the wants and comforts of your District Secretary, and ever ready in a most unselfish manner to help on the Bible cause. After a lingering and painful sickness, borne with Christian fortitude and patience, he passed away a short time before my coming, in the sure and certain hope of a resurrection to immortal life. On Sunday, 6th, I had three appointments: In the morning at *Fitch Bay*. The meeting was in the Adventist Church, and the congregation was fair. The lady collectors as usual had done their work well, and enabled our friend Mr. Gage to make a good report. In the afternoon at SMITH'S MILLS the meeting failed. In the evening at BEEBE PLAIN we had a good congregation in the Methodist Church. The officers and lady collectors had been more active and the report was one of slightly improved finances.

STANSTEAD, Sept. 7th.—The annual meeting was held in the Congregational Church, C. W. Cowles, Esq., M.D., in the chair, Rev. Mr. Holmes being my only helper. The meeting was too small, but was a very intelligent one, one capable of exerting a good influence in the neighborhood. The secretary was unavoidably absent, but the president made a statement of the state and work of the Branch. The contributions were an average of past years, and the sales of Bibles by Miss Hubbard, the depositary, were larger than usual. At MASSAWIPPI, Sept. 8th, the annual meeting was held in the Baptist Church. The president, Mr. Hitchcock, was in sore affliction, having just lost his only child, a most interesting young woman of 20 years. In his absence the Rev. Mr. Wright conducted the meeting. The work of the Branch is small. The lady collectors had done their part well. The great work of the Society is not sufficiently appreciated, and most of the subscriptions are small sums. I trust the officers may be induced to take hold of the work more heartily and increase the membership list, which is too limited.

WATERVILLE.—We had a good meeting in the Congregational Church on the 9th. Mr. James McIntosh, Esq., in the absence of the president, did the duties of the chair, and did them well. The praise part of the service was most excellent and

inspiring. The Rev. Mr. Thompson of the Anglican Church favoured us with a most eloquent and instructive address, and the Rev. Mr. Dunnett made the best use of the limited time left him. The report of the secretary, Mr. L. Larson, was one of a good year's work. The meeting was well attended, and was in every way a most excellent one, perhaps with one exception. The obligation of the Missionary cause to the Bible Society I thought not sufficiently explained and insisted upon. His Grace the Archbishop of Canterbury, in a meeting held at the Mansion House, London, under the presidency of the Lord Mayor, on the 14th of April last, spoke as follows:—*“It has grieved me from time to time to hear that there is a difficulty about the Church of England, with its claims and past history, heartily co-operating with the Bible Society. The Church not work with the Bible Society with her whole heart and her whole soul!! The Society for the Propagation of the Gospel in Foreign Parts and the Church Missionary Society use some 70 languages in their missions, and for 60 are entirely dependent upon the Bible Society. Just consider that fact. Here are two great church missionary societies which have to go to the Bible Society, and do go, I am rejoiced to say, with thankful hearts, for six-sevenths of the Scriptures of God which they communicate to mankind. Well, the mission could not exist, the Church missions could not exist without the Bible Society.”* The cause at HALEY is doing well. The annual meeting was held in the Methodist Church on Sept. 10th, L. E. Parker, Esq., in the chair. The secretary, Mr. E. Howe, reported improvement in finances, and faithful work by the officers, particularly Mr. G. Boyes. At BARNSTON I found the cause very low, but new officers were appointed and other arrangements made to promote the Branch's efficiency.

COATICOOK.—The annual meeting was held in the Baptist Church, Sept. 12th, G. L. Masten, Esq., in the chair, and a fairly good audience. The speakers, besides your District Secretary, were the Rev. J. Chandler and the Rev. Mr. Hewson, all Baptists, and all the Baptist ministers near by, so that the Baptists did their part this time, as many times before. The lady collectors had done their part well, and the free contribution was much enlarged. On Sunday the 13th I had three appointments. In the morning at COMPTON. Another good audience in the Methodist Church and good and hearty assistance from the Rev. James Lawson, the minister of the place. Praiseworthy action on the part of the officers, particularly the secretary, Mr. Craig, and Mr. Farnsworth and the other collectors; the contribution was well in advance of the past. At MOE'S RIVER in the afternoon a heavy thunder shower coming on just at meeting thinned the congregation, but the officers and collectors had been active, and here also the returns were a little better than heretofore. At MARTINVILLE in the evening I found the cause low. Part of the officers were moved away, and the other part inactive. However, new officers were appointed, and steps taken to overtake what their predecessors had not done, and I trust these measures will be effective. The annual meeting of the BULWER and JOHNVILLE Branch was held at Johnville on the 14th with a fair congregation, Wm. Alger, Esq., in the chair. Rev. W.

Adams showed his hearty goodwill by coming out from Lennoxville to help us a distance of 6 or 7 miles. The subscriptions had not been taken up generally, but Mr. Williams paid me \$4 next morning for himself and friends at Bulwer.

COOKSHIRE.—As the 15th fell on the day of the cattle show, an affair becoming so frequent with two or three shows in each county, and two or three days for each show, the meetings must collide with them in many places, and nothing else can be done while they are going on. But is it not a misnomer to call them cattle shows, for according to all accounts they are fast degenerating to horse-racing, betting, and other sorts of gambling, and demoralizing the country. The officers did their best, and we had a small meeting. The Rev. Mr. Davis, Methodist, and Rev. Mr. Robertson, Anglican, gave me good countenance and help; the officers will attend to the subscriptions afterwards. At Eaton, on the 16th, the same obstructive causes were at work as we had to contend with at Cookshire, it being only 3 or 4 miles distant. The common remark was, "All gone to the races." However, that was not quite true, for the president, Mr. French, was not gone, he was in his place in the chair, and the minister, Rev. Mr. Skinner, was not gone, he was with us, doing what he could to help on the cause, and a small audience of pious people, mostly ladies, preferred the Bible meeting to other attractions, and we had a pleasant and, I trust, a profitable time. At SAWYERVILLE, on the 17th, the annual meeting was held in the Baptist Church, and was fairly well attended. The Rev. Mr. Baker presided, and the audience was favored with excellent addresses from Rev. Mr. Deeproose and Rev. Mr. Hodgson. Wm. Sawyer, Esq., the secretary, made report of the best year's work, I think, ever done by the Branch. Subscriptions over \$53.

On the 18th I called at ISLAND BROOK on my way to Bury. Mrs. L. Lyons paid me for Bibles sold, \$8.23. At BURY the meeting was held in the Methodist Church, T. B. Munro, Esq., in the chair. Rev. Mr. Hicks, a visitor, gave a very timely address, and Rev. Mr. Meyers in a short address made some most excellent points, full of thought and force. The secretary, B. T. Wales, M.D., by the activity and diligence of the lady collectors, was able to report enlarged contributions. On Saturday, the 19th, I went round to Scotstown by way of Lingwith, and Mr. Buchanan paid for Scriptures sold the past two years, \$32.32. The meeting in the evening at Scotstown was held in the Presbyterian Church, Rev. Mr. Buchanan in the chair. Through removals and what not the Branch was in a measure disorganized, but new officers were appointed and a fresh start made. On Sunday, the 20th, I had the satisfaction of a good audience at BROOKBURY. The officers also made report of enlarged work. At Dudswell in the evening we had another good congregation in the Methodist Church, and, to all appearances, a good interest; collections to be taken up afterwards. LENNOXVILLE is doing well, but it is difficult to get a good meeting, but this year it was smaller than common. However, we had the select few, and Rev. Mr. Adams again rendered good help. The lady collectors had done their part well, and returned an enlarged free contribution altogether out of proportion to the audience. **SHER-**

BROOKE.—The annual meeting was held in Plymouth Church, Sept. 22nd, Rev. Dr. Barnes in the chair. The speakers besides your District Secretary were the chairman, Dr. Barnes, Rev. Mr. Shearer, the new Presbyterian minister, and Rev. Mr. Stobo of Quebec. The sale of Scriptures at the two depositories had been good, about \$270, and the free contributions \$137—a few dollars less than the previous year. **BROMPTON AND WINDSOR.**—“*People all gone to Montreal to the cattle show,*” an expression frequently heard, which had its significance, but was fortunately only partially true, for we had a meeting, and not so small as I was led to fear. Rev. Mr. Ferguson presided, and did his part admirably. In the absence of the secretary, Mr. Finlay took his place, and supplied it well. The year’s work was incomplete. On the 24th I went home for a day, after an absence of four weeks. On the 26th I returned to **KINGSBURY**, and on Sunday the 27th presented the cause to a fair congregation; collection at the meeting \$5.48. In the evening of the same day I had an appointment with the **RICHMOND** and **MELBOURNE** Branch, but it had not been made public, and no official word of the circumstance reached me till I came to the place.

At **DANVILLE** on the 28th the annual meeting was held in the Methodist Church, James Riddle, Esq., the president, in the chair, and the cause received good countenance and support from the ministers: Rev. Mr. Sanderson, Congregationalist; Rev. Mr. Gregory, Adventist; and Rev. Mr. Smith, Presbyterian. Rev. Mr. Reid, Methodist, was in sad affliction, his wife had just departed this life and preparations were being made to carry her to her last resting place early in the morning. The report of Miss Parker, the secretary, was read by the Rev. Mr. Smith. It was one of an excellent year’s work, and shows the Branch to be in a healthy, thriving state. **KINGSEY FALLS** is also doing well. The annual meeting held in the Baptist Church—the president, Mr. H. Haddock, in the chair—was a good one, and I had able assistance from the minister, Rev. Mr. Hunter. The secretary, Mr. S. H. Haddock, reported an increase in finances, and spoke favorably of the faithfulness and activity of the lady collectors. At **TRENHOLM** on the 30th we had a nice meeting, but it was small, a great part of the people having recently moved away. The former large congregation and fine choir are now scattered to almost every part of Canada and other parts. S. Stevens, Esq., presided. The lady collectors had done well, and reported creditable contributions. The annual meeting of the **DURHAM AND WICKHAM** Branch was held in the Methodist Church at Ulverton, Oct. 1st, James Miller, Esq., in the chair, and the cause was ably supported by the Rev. Mr. Hodgkinson, Congregationalist, and Rev. Mr. Curtis, Methodist. The report made by the secretary, Mr. B. E. Reid, was of increased contributions and a fair share of prosperity. **SOUTH DURHAM.**—A good deal broken up by removals. The annual meeting in the Methodist Church on 2nd Oct. was the smallest ever held, the officers being all gone; it had not been well intimated. New officers were appointed, and arrangements made for taking up subscriptions afterwards. **BETHEL** is doing well for its opportunities. The annual meeting on the 3rd was a fair gathering for mid-day

and a busy time. W. L. Davidson, Esq., presided, and the secretary, W. Bartlett, Esq., reported much larger sales and about the usual contributions. On Sunday, the 4th, I had three appointments. At ZION, in the morning, I had the pleasure of a good audience. Mr. Galbraith, the secretary, reported \$10.50 contributions, and one district in the afternoon the congregation was prevented the work. At LAWRENCEVILLE in the afternoon the congregation was better than usual, and the free contributions about an average. At SOUTH STUKELY we had a good audience at the annual meeting, Rev. J. W. Garland in the chair, and he reported a better year's work than common. See Branch report.

WATERLOO is doing well under the guidance of active and energetic officers. The annual meeting was held in the lecture room of the Anglican Church, E. D. Lawrence, Esq., president, in the chair. The Venerable Archdeacon Lindsay conducted devotions. The secretary, Mr. Moynon, reported \$67 from contributions, and \$36.76 sales. After an address by your District Secretary, Archdeacon Lindsay addressed the meeting, confessedly a pleasing and profitable one, which was brought to a close by a timely address from the chairman, singing the evening hymn, and benediction. GRANBY.—A good Branch, excellently conducted. The annual meeting was held in the Congregational Church, opened by the retiring president, Rev. Mr. Taylor. The excellent secretary, W. R. Horner, Esq., presented a report of a good year's work, and the doings of the committee with recommendation for officers for the coming year. Rev. Mr. Longhurst, the new president, then took the chair, and after a good and timely address called upon Rev. Mr. Taylor and Rev. J. I. Hindly, D.D., and your District Secretary, who severally pleaded the Bible Society's interests to an attentive and interested audience. At the meeting at ABBOTSFORD on the 7th Oct., we had wet, unfavorable weather, but as usual a good meeting. Mr. Fisk, one of the vice-presidents, very ably and pleasingly did the duties of the chair, and a good choir as usual added much to the pleasure and profit of the meeting. The officers had done their part in a praiseworthy manner, aided by faithful collectors, and the result was an improved contribution. On the 8th, I started across the country to pick up a few places I had missed while my horse was disabled at the beginning of the tour. At MYSTIC we had a small meeting on the 8th. The lady collectors had done their part, and returned about the usual free offering. On the 9th I called at PIKE RIVER, and a few days after received from the president, L. L. Smith, Esq., the fruits of Mrs. Backley's labors, but much less than the usual amount. At CLARENCE on the 9th, the annual meeting was held in the lecture room of the Methodist Church. The president was absent, the secretary had resigned, and the depositary had moved away, but officers were re-appointed to the vacant places, and a new start was made. By the kind permission of the Rev. Mr. Krupp, I preached for the Branch at LACOLLE on Sunday, the 11th, and received for the Society the collection. Subscriptions to be taken up afterward. was a fair gathering, and the collection good. On the 12th I returned to the city having been gone since early in August, and visited all the branches in the Eastern townships, with one or two exceptions, the returns being considerably in advance of the previous year.

On Oct. 17th, I left home again to visit the Branches west along the line of the G. T. Ry. My first appointment was at Woodlands, where, by the kindness of the Rev. Mr. Cameron, I occupied the pulpit on Sunday morning the 18th. The congregation was large and attentive, and the collection good. In the afternoon the Rev. Mr. Cameron drove me out to Pleasant Valley, where we met another large congregation, and one of evident interest. This was the first annual meeting of the new Branch, and though the sale of Bibles had been good, no subscriptions had been taken up, but I trust will be later on. The collection was retained, not a usual thing. At AULTSVILLE the annual meeting on the night of the 18th was a large and pleasing one, and the cause received good countenance and able advocacy from Rev. Mr. Connolly and Rev. Mr. Cameron, who had come on with me. The secretary, Dr. Ault, made report of improved contributions. MATILDA had a wet, dark night, but a good meeting. All praise to the active able officers. The able and active president, T. S. Edwards, Esq., had especially done good service in collecting and training the Sunday school to sing and recite appropriate pieces. One little thing with her pair of two mits (mites) was an outburst of interest, and Miss Brown read a piece with pathos and fine elocution that was captivating; and the secretary, Mr. Short, as usual received great praise for the fullness and excellence of his report. The speakers were Rev. Mr. Macallister, Rev. Mr. Rogers, and your District Secretary. The contributions were far in advance of the previous year, and about double that of two years ago, thanks to the lady collectors. The meeting and the general work of the Branch is another proof of what can be done with good and interested officers.

EDWARDSBURG is doing well, and still progressing. The meeting in the Presbyterian Church was an excellent one. The president, James Thompson, Esq., was in the chair, and that is equal to saying its duties were well discharged. The audience was good, and composed of the leading intelligent class of the people. Rev. Mr. MacArthur, as usual, rendered good and able help. A. Armstrong, Esq., the secretary, had done his part well, and the financial statement made by the treasurer, K. MacPherson, Esq., gave much honor to the lady collectors for faithfulness and perseverance, who have put the contributions in advance of the past. At PRESCOTT, on the 22nd, we had another good meeting in the Presbyterian Church, which was tolerably well filled, Wm. Hillyard, Esq., in the chair. Interesting and able addresses were given by the Rev. Mr. Stewart and the Rev. Mr. Chase of Ogdensburg, and the united choirs of the Methodist and Presbyterian churches rendered a service to the meeting and the cause which cannot be estimated, and should be more generally imitated. Both sales and free contributions were of a most creditable character, for particulars of which see the Branch report. MORRISBURG is prospering. The meeting in the Lutheran Church on the 23rd,

presided over by the president, S. S. Cook, Esq., was characterized by heartiness and unanimity by the speakers, Revs. Cameron, Mavity, and Gauzman, Presbyterian, Methodist and Lutheran. The reports by the secretary and treasurer were of a prosperous year's work. An increase of both sales and free contributions. WALES, on the 24th, had the best annual meeting ever held there. A. Snyder, Esq., in the chair. J. D. Colquhoun, Esq., secretary and treasurer, reported sales good, and contributions in advance. MOULINETTE is also doing well under the guidance of able and active officers. Annual meeting large, and both sales and free contributions improving.

At CORNWALL the annual meeting was held in the Methodist Church. Rev. W. Jackson ably presided. Rev. Dr. Macnish and Rev. Mr. Hastie ably and heartily supported the cause. Mr. Watson, the secretary, made report of the best year's work ever done by the Branch. The free contributions were about \$170, and the sales of Scriptures at the three depositories, \$93.

COTE DES NEIGES, ST. LAURENT, OUTREMONT and NORWOOD—The annual meeting was held in the Presbyterian Church at Cote des Neiges on Sunday, the 15th Nov. We had a fine day and a good congregation, and I was ably assisted by the Rev. Mr. Crombie. The officers are able and active, and are favored by a staff of excellent lady collectors, by whose efforts the contributions are steadily increased from year to year. This year they have the creditable sum of \$100. The annual meeting of the COTE ST. PAUL Branch was held the same evening in the Methodist Church, with a good audience, and I had good assistance from the Rev. Mr. Brown. The free contribution was a little in advance of the previous year. LACHINE held its annual meeting in the lecture room of the Anglican Church on the 10th, Rev. Mr. Harris in the chair, and Rev. Mr. Ross, as usual, taking an able and active part. The collectors had done their part well, and the result was an enlarged contribution. HOCHELAGA is looking up. We had a better meeting this year. More life and interest, and more work done. We had an able chairman in Mr. Brown; and the minister, both Rev. Mr. Bareham of the Anglicans, and Rev. Mr. Robertson, Methodist, each took an active part, and the able secretary read a very nice report. At EAST END, the annual meeting was held in St. Thomas' church, Nov. 17th. The Rev. J. Bennett presided and opened the meeting, but having to leave soon after, the Rev. Mr. Renaud took his place. The meeting was small, but the contributions brought in by the several collectors enabled the secretary, Mr. Cormack, to make a very creditable report. The Rev. Mr. Renaud made a few very timely remarks on the necessity of making the Society more of an object, and giving it more time and attention. With this object in view, the night of the next annual meeting is to be fixed by the officers and ministers, so as to select a time at which all can be present.

On the 29th I went up to CHATHAM, GRENVILLE and OGDENSBURG, and had three services in connection with the Chatham and Grenville Branches. We had a good time, good congregation, a good interest, and cheerful hearty assistance from the Rev. J. Fraser and Rev. Mr. Robertson. The financial returns were a fair average.

The annual meeting of the THREE RIVERS Branch was held in the Presbyterian Church, Dec. 2nd, Rev. Mr. Barclay in the chair, and the Rev. Mr. Kendall gave us a very able and interesting address. The lady collectors had done their part well, and brought in a very creditable free contribution. G. B. Houliston, Esq., one of the best friends and ablest supports of the Society, was no more with us. We lose his cheerful countenance and liberal contribution, but our loss is his gain. He did the work of his day and generation well. But he has ceased from his labors here, and gone home, "*Where the wicked cease from troubling and the weary are at rest.*"

CONCLUSION.

Long experience has made me more timid as to what to say in summarizing my report, so many different constructions may be put upon it. If we speak too hopefully, it may be construed to self-praise; if we point out weakness and defects, to captiousness and fault-finding. The real friends of the cause want the facts connected with it, that they may judge of its standing and progress, and even this will excite the envy of others; but as I write for the information of the Committee, I cannot do otherwise than give them. If there has been any measure of prosperity, we say, as we have said before, it is not to the wise and careful management of the committee, nor to the fidelity and industry of the colporteurs, nor to the excellence of the secretaries and agents, but to God we give the glory, for without His blessing the work of all these would avail nothing.

The year that has just closed has been one of unwonted depression and trial; and though the country was blessed with a good harvest, but little benefit has accrued to this year. There has not been time for it to do so, and moreover a succession of poor harvests and other influences have reduced the people to a more straitened state than I have ever known before, and it will require a number of good harvests to bring up the country to its former prosperity. Under such circumstances, though the Bible Society's Branches have not produced results equal to the best years of some time past, there has been some improvement as compared with the year 1890, for which we bless God and take courage.

The total returns from the Branches have been \$7174.76, an advance of \$225.89 upon the previous year. Of this sum \$2,433.65 was on purchase account, and \$4,746.11 free contributions. I have taken orders for 4,109 Bibles and Testaments, and, as far as I can judge, fully as many have been sold, so that their stocks are probably not larger than they were last year at this time.

No new Branches have been formed, and, as I have often reported aforesometimes there is not much chance or room for more. Indeed, it has often been a question, of late, whether or not we did not have too many, for very small Branches are seldom very efficient ones. There is a constant tendency for the people to leave.

the rural parts and go to the towns and cities, so much so that the general impression is that the purely rural parts do not contain as many people as ten years ago; and if our work is extended, it will have to be done by better and more efficient organization in the larger centres of population, for these unquestionably are not doing their fair equal part at the present time.

Our cause has not altogether escaped the evil influences of an unsettled state of religious opinion, but we have this confidence and consolation, that whoever may be wrong, we are propagating nothing but the truth, and the conserving energy of the word of God will survive the present upheaval as it has done past ones, for it is instinct with life and salvation, and throughout present to lost and fallen man that which he needs more than new notions, and will need when these have passed away.

Yours faithfully,

JAMES GREEN,
District Secretary.

10. That the Committee shall make it their business to enquire what families or individuals, residing within the several districts, are in want of Bibles or Testaments and unable to procure them; and that it will be the duty of the Committee to furnish them therewith at prime cost, reduced prices, or gratis, according to their circumstances.

THIRTY-SECOND REPORT OF THE LADIES' BIBLE ASSOCIATION
IN CONNECTION WITH THE MONTREAL AUXILIARY BIBLE
SOCIETY.

The work of the Association has two aspects, that which relates to its collections in aid of the Bible Society, and that of maintaining a Bible Women's Mission in the city of Montreal. The first of these departments has, in the past year, been much hampered by the difficulty of securing the services of lady-collectors, and we are all the more indebted to those who have voluntarily given their time to this arduous and self-denying effort, and who have gone from door to door to give every householder an opportunity of contributing to the great cause of Bible circulation. We trust that in the coming year this noble and most Christian work, non-denominational in its character, and contributing eventually to the world-wide diffusion of God's message of salvation, will commend itself extensively to the attention of the Christian ladies of our city.

The Bible Women's Mission, in which in the past year six Bible women were employed, each under the guidance of a lady-superintendent, and under the general supervision of the President of the Association, has now been carried on in the older districts for thirty-two years, and may be truly said in all this time to have been in the hands of devoted women, having as their object above all things the salvation of souls and the helping of Christ's people, more especially the poor and suffering.

The main objects of the Mission are the dissemination of the Word of God and the reading of the Scriptures from house to house and in meetings for Bible reading; but with this is necessarily united much labour on behalf of the poor and suffering, though where material help is given it is attended to by the Superintendents, and a distinction is made between the time devoted exclusively to the Bible work and the extra time voluntarily given by the Bible women to the relief of urgent cases of distress. Any funds required for charitable purposes we also collect separately from the funds of the Bible Society, and in this part of the work the Association is much indebted to the kindness of Mrs. Vanneck, who has for many years given special attention to collecting for this object.

The following notes relate to the several districts, and are gleaned from the reports of the ladies superintending.

ST. MARY'S DISTRICT.

The Superintendent of St. Mary's district gives many instances of prolonged illness and distressing poverty in which the Bible woman has been welcomed as a help and a comfort. In this district the meetings for mothers are well attended. One who had enjoyed this weekly privilege for many years died recently in the happy consciousness that Christ was her Saviour. The sewing class, organized and conducted by a few young ladies, has been most successful, and will prove useful to the girls throughout their lives. The Bible woman of this district, one of the longest in the work, was so unfortunate at the close of the year as to have her arm

ST. LAWRENCE DISTRICT.

In this district the great difficulty of past years continues to discourage the Christian worker—the temptations so numerous to the drunkard trying to get out of his drinking habits,—that his resolutions to abstain are constantly broken. The Mothers' Meetings have been very successful, and are largely attended by those who have learned to value the b'lessed truths. The Bible woman they look upon as their friend, and she faithfully reminds them of these meetings, enforcing through other lips the same truths she tells them of in their homes. The clothing-club to the poor is ever a great boon, giving them the opportunity of buying the best qualities of useful clothing at low prices, and paying their purchases by instalments. The Superintendent notes with heartfelt gratitude that an active member of the meeting, who has performed the duty of librarian, has given herself wholly to the Lord, and now tells with joy "the old, old story" to others. The former superintendent of this district still takes an active interest in it, and makes annual contributions of clothing, while various friends have aided by their gifts in this and other ways. The number of visits made by the Bible woman in 1891 was fifteen hundred, and the value of Bibles and Testaments sold amounted to \$9.65.

POINT ST. CHARLES.

The abundant labours of the Bible woman have resulted in great good in many ways. Here, as in the city districts, intemperance throws its cold dark shadow over "desolate homes and hungry children," taxing both time and energy to follow and influence the wretched ones who cause the misery, and in shielding and helping those who have to suffer.

Besides visiting during the day, the Bible woman makes her home the centre of all religious interest, holding regular weekly mothers' meetings, two evening Bible classes for girls, a short Bible lesson to children—thirty in number—after their Saturday sewing hour, services of song for which an organ was kindly given by a friend, and an adult and children's school on Sabbath afternoon. Large numbers of books and papers are received by the Bible woman for distribution. The visits made by the Bible woman in 1891 were 1743; the Bibles sold, 28.

FRENCH POPULATION.

The French Bible woman, who had discharged her duties most satisfactorily, left the city with her family last spring. Her successor, employed since the month of May, was carefully educated in the French Mission School, and gives every promise of great usefulness. The Committee regret that she is only able to give half time.

The Superintendent reports that it seems to be "fear" which prevents the families visited by the Bible woman from purchasing the Scriptures, as they are

always deeply interested in hearing God's holy word read and explained. Never before has the Bible woman been so constantly called upon to speak of her own faith and hope. Incidents are given of the interest excited by a comparison of passages found in the Prayer Book with the corresponding ones in the Bible, of the manner in which the precious volume is treated when found in the possession of those who are forbidden to open it, and of the longing desire of the weary, lonely ones to grasp the peace and comfort which it promises. Visits made by the French Bible women were as follows:—

May, on full time	650
Bibles sold, 50 ; testaments..	30
Since May, number of visits..	1732
Testaments sold	34
Portions of Bible.....	86

GERMAN POPULATION.

The German lady who has, during the past 14 years, held a "Betsbinde" with her country-women reports that the average attendance is from 12 to 14; that while some old familiar faces have disappeared, new ones have come to awaken sympathy and interest, and that she had been made very grateful, by learning that on a recent occasion, when absent from illness, one had engaged the little group in prayer who before attending these meetings knew nothing of the Truth.

A friend who has listened during all these years to Mrs. Carpenter's affectionate appeals to German mothers, believes that they have had an influence far beyond the sound of her loving voice.

HOCHELAGA & MAISONNEUVE DISTRICT.

The Bible woman reports that in this large field, situated between "outlying churches," the mothers of young families seldom attend the Sabbath Services. To such the meetings which she holds in their very midst have been wonderfully blessed. As there is a crowded population of labourers, there is a corresponding amount of sickness and distress, giving her on her visits from "door to door" constant opportunities of helping as teacher and friend. Here the saloon is, as everywhere, the great destroyer of human happiness. Its blighting, cruel, poisoning atmosphere brings such depressing discouragements, that only strength from the Living Fountain enables the Bible woman to continue to combat.

The visits of the Bible woman in the year 1891 were 1202; the Bibles sold 30.

MONTREAL GENERAL HOSPITAL.

The Bible woman, who visits from month to month and year to year the sick and suffering, seems to possess very special gifts. She is always welcomed. Her mind and heart are in harmony with the circumstances of each patient. The passages and promises she whispers impress the importance of "being prepared

Those who leave the Hospital to return to their homes, or go into Institutions or situations, are visited once a week, when practicable. The Bible woman also spends some time weekly at the "Maternity," holding meetings when possible and speaking to the inmates.

The above summaries of the work of the Bible women might be greatly extended by reference to individual cases of conversion, but these for the most part we treat as private confidences reposed in our workers, and they are spoken of only in our monthly conferences. The repeated visits of the Bible woman to the same families lead generally to her becoming their trusted friend, and her advice is asked on many important subjects. She tries to get neglected children sent to schools; older girls employed in factories, and becoming too independent of the control of parents, she induces to attend evening classes, and in one district the Bible woman herself conducts these classes at her own home. Numbers of poor families suffering from illness and ignorantly treated she advises to be sent to the hospital. Time and space fail to tell of the variety of human sorrow, suffering and ignorance with which she has to deal, but it may be repeated that in general the main feature of the Bible woman's work and abiding success is in all cases to commend the Word of God as truth that if personally trusted will ease the heart of burdens and the conscience of unrest, and be the most satisfactory cure for most other troubles in life.

It might be thought that after its continuance for so many years the work of the Bible woman would not be needed, but experience shows that "the poor ye have always with you." Strangers are constantly arriving, and often are in pressing need of direction and sound advice; older families are dying out and breaking up, and younger women with their children occupying their places—in short, change of people and changes of circumstances go on forever, and to direct attention to the revelation of God and the unchangeable promises and provisions He has prepared for those who believe in Him, are always required.

TREASURER'S ACCOUNT.

The Treasurer's account will show the contributions to the work other than those from the funds of the Bible Society.

REPORT OF BRANCHES.

DANVILLE.

The fifty-third annual meeting of the Danville Bible Society was held in the Presbyterian Church, Sept. 28th, 1890, at which the Report for the year was read. Sabbath evening the monthly meeting of the W.C.T.U. was held in the Methodist Church, and there Rev. Jas. Green was invited to speak about his Bible work, and the collection was taken in behalf of the Bible Society, instead of the Temperance work, amounting to \$7; 34 Bibles and Testaments worth \$6.60 have been given from this branch during the past year for this and other localities, all asked for, and so we are sure all were needed.

In the year now closing we have sold 54 Bibles, Testaments, Psalms, and separate books of the Bible, valued at \$33.96, and now have in stock 204 Bibles, Testaments, Psalms, and parts of the Bible valued at \$90.89. Collectors of both sexes have been conscientious workers, and brought to the Treasurer \$113.17, which with the September collection made the goodly sum of \$120.34.

Its friends in the village are always at hand willing to give and support its claims, but we feel the outside districts are not doing their part, and that efforts should be made in that direction by appointing additional collectors or workers in each locality, which no doubt would add materially to the collections for so noble a cause as the spread of the Bible.

HOHELAGA.

In presenting my report as secretary of the Hochelaga Branch of the Montreal "Auxiliary Bible Society," I would first refer to the financial side of the matter.

Our collections for the past year have amounted to a little over \$16.00 as compared with \$8.35 for the previous year.

This shows a decided increase, and proves that we are at any rate advancing.

But it is my belief that Hochelaga can do much better yet in this connection. I think the work of collecting would be much better liked if collectors were officially appointed for the ensuing year. I am convinced also that if we realized more our duties in connection with the wide field about us that increased interest would be aroused and consequently increased contributions obtained. We all know that this wide district is occupied mostly by a non-Bible reading population. Here is a duty to recognize.

We ought to see that the word of God is placed among these our fellow citizens in their own language. I feel we are responsible for this. God expects this of us. I would here testify of the good work done by the Bible women in this District. But what I feel is needed is a French colporteur for Hochelaga to canvass the French Canadian Roman Catholics to get Bibles introduced and read among them.

This has been successful elsewhere and why not here? I would also suggest that a depot be opened for the sale of Bibles and Testaments, both in French and English, as well as some other languages (for we have foreign sailors sometimes staying here), well established here in Hochelaga. I am sure the Society must recognize these our needs. And let the friends in this place here and elsewhere take up this cause in prayer and faith, and I am sure that abundant success both spiritually and financially will crown our efforts.

the past year, and to implore His blessing upon this our 52nd Annual Meeting. We are also thankful that the valuable life of the respected and venerable District Secretary Rev. James Green has been spared to the close of another year, and we extend to him a cordial welcome on this his 41st annual official visit to this Society.

We are looking forward to renewed prosperity, trusting that in future this Branch will receive more moral and financial support from the Christian people of this town than it is receiving, and thereby enable us to make larger grants in the future. We have implicit confidence in the British and Foreign Bible Society, we believe it to be one of the impregnable rocks which defies and resists the most deadly weapons of Atheism and Infidelity, and that under the blessings of Divine Providence the object of its organization will be accomplished, the carrying of the joyful messages of the Gospel further and yet further into the dark regions of the world, until all shall know and speak of the goodness of God and the greatness of the Saviour's love. Its principles are permeating all grades and classes of society, its truths are exerting influence in bringing Christians of every name into fellowship and unity of our Lord and Master. Difference of opinion in points of doctrine or forms of worship are waived, and give place to a united recognition of the Bible as the word of God and Jesus Christ as the Saviour of men. We see the moral and spiritual power the Bible exerts on mankind, silently going down amongst the selfish and impure lives of men and women and lifting them up by its attractive force into the liberty of the Gospel. The best specimens of mankind in the world to-day are what they are because of the power and influence of God's Holy Word. They individually realize its power in living, its support in the hours of sickness, it gives consolation in the sad day of bereavement and positive assurance of eternal salvation. All history converges on the Bible and on Christianity. There is no good human interest which the Bible has not fostered and cherished. The glory and rise of Christendom was due to the glory and rise of the Holy Scriptures. When we take a retrospective view we are led to exclaim "This truly is the Word of God." We can therefore safely leave the precious Book to do its work, yet it is the duty of every professed follower of Christ to give it wings that it may fly to the utmost parts of the earth. Permit us to say that we should never forget that we are but instruments which may or may not be used by our Divine Master; therefore in all our plans and schemes we should yield ourselves willing workers, and constantly in humble trust and confidence that He who hath given us the desire to do good will give us the opportunity for so doing, and will in His own good time crown our efforts with success.

We will now present you with the annual financial statement.

The Depository is under the assiduous and careful management of Mr. George Birks, who reports the following transactions.

REPORT OF THE DISTRICT SECRETARY FOR JANUARY,
FEBRUARY AND MARCH, 1892.

The annual meeting of the BROCKVILLE Branch was held in the George Street Methodist Church on the 7th January, with Justice Macdonald in the chair, and a fair congregation. Rev Mr. Dobbs read the Scriptures and Rev. Mr. MacKenzie led in devotions. Rev. Dr. Saunders, Rev. Mr. Cameron, Rev. W. Chatham and your District Secretary were the speakers. Thos. Patterson, Esq., the secretary, presented the financial report, from which it appeared the contributions were creditably in advance, attributable mainly to the fidelity of the Rev. Wm. Chatham in canvassing. It was confessedly a good meeting, and the experiment of holding it in January instead of October an acknowledged success, and it is thought the Branch will now go on and prosper.

On the 9th January I started on my usual winter tour, and my first appointment was at ST. EUSTACHE. The small Protestant population was well represented at the meeting, and the collectors, Miss Stevenson and Mrs. Miller, had met with their customary success. In the afternoon of the 10th I was at GRANDE FENIÈRE. A fine day and fair audience, and the contributions in advance of the past. The anniversary of ST. ANDREW'S was held in the Presbyterian Church on the 11th day of January, James Middleton, Esq., in the chair. Very extensive prevailing sickness very much interfered with the attendance and also with the work of the Branch, but still the meeting was better attended than we had feared, and the contributions were very little behind former years. At POINT FORTUNE next day the same causes operated in a measure to the detriment of the meeting. The president was absent through sickness, and John Middleton, Esq., was called to the chair. He reported the lady collectors faithful and successful in their work, and the finances about the same as last year, which was one of the best. HAWKSBURY is prospering. The annual meeting held in the Presbyterian Church on the 13th, in point of both attendance and interest, was far in advance of any previous years for a long time past. J. W. Higginson, Esq., was in the chair, and J. G. Higginson, Esq., the treasurer, reported finances a good deal in advance. Rev. Mr. Bennett, a minister from the West, gave good and timely help. Sales, 22 dollars. L'ORIGINAL is doing well. The annual meeting on the 14th was a good one. It was well conducted by the able president, J. C. Cameron, Esq; and the pastor, Rev. Mr. Bennett, by good countenance and an able address, did good service to the cause. The lady collectors as usual had done their part well, and the contribution was an improvement upon any previous one.

VICTORIA.—The annual meeting was held in the Anglican Church, Rev. Mr. Hallowell in the chair. The treasurer, Mr. McCuaig, reported the collections not all in. A good effort had been made to have them in, but sickness had

prostrated one set of collectors after another, so that the best efforts had failed. The meeting was small. Ben Gough was in the village. A resolution was passed to have the anniversary on Friday of the week of prayer in future, so as to avoid collision with other and more exciting things. At LOCHIEL the annual meeting was held on the 16th, with a fair attendance, Wm. Miller, Esq., in the chair. Rev. Mr. McLennan gave the cause hearty and able help. The secretary, Mr. R. McGillivray, reported the work of collecting incomplete, but very fair as far as it was done. KENYON is doing well. I had a large audience on the 17th, and good interest. Sales were larger and the contribution about an average one. The N. W. GLENGARRY is not thriving as it did formerly, though the annual meeting at St. Elmo on the 18th was a very respectable gathering. Malcolm Fisher, Esq., was in the chair, and did its duties well. Rev. Mr. McCallum gave us good countenance and able assistance, and steps were taken and means suggested for more efficiency in future. At WEST ROXBORO there were many changes. James Bagg, Esq., who had so long and ably acted as president, felt constrained to resign on account of growing infirmity. John Johnson, Esq., was appointed in his place. Mr. Shanks, the secretary, resigned, and Mr. R. K. McRae was put in his place. H. Stewart, on account of business changes, resigned the depository, and no one has yet been found for the place. AVONMORE.—The annual meeting on the 20th was not as large as some former ones, but a respectable gathering. In the absence of the president, through sickness, Rev. Mr. Garvin did the duties of the chair, and did them well. The sales had been good, but there was a falling off in contributions. FINCH, Jan. 21.—The annual meeting was held in the old white church, Geo. Munroe, Esq., in the chair. The contributions were not all in, so I cannot say how they will compare with the last year. The sales not so large as formerly, colporteurs having been all through the field. At CHESTERVILLE there was improvement in contributions, which were about a fourth more. Sales not quite so large, from the cause named above. The annual meeting was held in the Methodist Church on the 22nd, H. W. Moad, Esq., in the chair, who discharged its duties in an able manner, and my old and much respected friend, the Rev. Mr. Richardson, gave us hearty and efficient aid. The cause at MOREWOOD is stationary. The meeting held in the Methodist Church on the 23rd was one of average attendance. Wm. McConnell, Esq., did the duties of the chair, and did them well. A. D. Hunter, Esq., reported the work of the Branch, and though he did not report much progress, there was apparent constancy and fidelity on the part of the officers and lady collectors. At WINCHESTER on the 24th we had a fine gathering at the Anniversary in the Methodist Church. The able and faithful president, Wm. Bow, Esq., presided, and the Rev. Mr. Scott rendered important service to the cause, by giving up his usual service, and not only bringing his people to the Bible meeting, but also by whole hearted advocacy of the claims of the Bible Society. From this point I returned home, to spend a few days in the city and be at the annual meeting.

On the 30th January I left home again, reached Winchester at noon, and drove on to HALLVILLE, and attended the annual meeting of the Hallville Branch that

night. James Shaw, Esq., presided. We had a good gathering. Clark Hyndman, Esq., the secretary, reported faithful and successful work on the part of the lady collectors and some improvements upon the whole. Sabbath, the 31st, I was at Inkerman in the morning, where, by the kindness of the Rev. Mr. Knox, I had the Methodist pulpit. The audience was fair, and the contribution reported by Mr. Corrigan, the secretary, was in advance. Mr. Sullivan, the treasurer, paid me over \$20. In the evening I attended the anniversary of the SOUTH MOUNTAIN Branch in the Methodist Church. A full house pervaded by a good spirit, and Mr. R. Mulholland, the secretary, reported considerable increase in contributions.

HECKSTON, Feb. 15.—The roads were drifted, and the president had the misfortune to get upset on his way to the meeting, and in consequence did not reach it in time, and we were deprived of his presence and help. The secretary, Mr. Wesley Robinson, reported the work of the Branch, and the treasurer made further returns after the meeting, in all a little over eleven dollars. KEMPTVILLE.—The annual meeting was held in the Methodist Church, W. Cochrane, Esq., in the chair, but a severe storm coming on just at the time very much thinned our number. We had, however, confessedly a good meeting, Revs. Mr. Blair and MacDiarmid both did the cause good service by timely and able addresses. From the report of the painstaking and efficient secretary, Mr. D. Pelton, we heard of improved contributions and increased sales. The anniversary of the OXFORD MILLS Branch was held in the Methodist Church on the 3rd, and I had the pleasure of meeting the Rev. I. Wheatly, an old friend and a true, hearty worker in the Bible cause. The officers had been inactive, and new ones were appointed. The Branch at BURRITT'S RAPIDS is doing fairly well. The annual meeting was held on the 4th, the president, A. Carson, Esq., in the chair. The meeting was one of average attendance, and the report of the efficient secretary, Mr. John Carroll, showed considerable advancement. MERRICKVILLE also is advancing. The meeting this year was held in the Presbyterian Church, Jos. Hutton, Esq., the able president, in the chair, and the cause was laid under much obligation to the Rev. Mr. Potter for a timely and impressive address. Mr. G. Putnam, the secretary, and Mr. H. W. Jacques, the treasurer, made encouraging reports of their departments. Contributions and sales both in advance. On Sunday the 7th, I was with the Branch at EASTON'S CORNERS, and had a fair congregation, but prevailing sickness doubtless kept away some. H. McCrea, Esq., the treasurer, stated some falling off in contributions, but the sales much better. WOLFORD, Feb. 8th.—The annual meeting was held in the Methodist Church, with a fair congregation. S. Chalmers, Esq., in the chair. The lady collectors as usual here had done their work well, and enabled the secretary, T. Brown, Esq., to report an improved contribution. At LOMBARDY on the 9th we had a full meeting, and every way a good one, the best ever held there, both as to attendance, behaviour and contribution. Mr. James Patterson, the president, was in the chair, and did its duties well. Mr. Rabb, the secretary, reported small sales, the colporteurs having supplied all the country. KITLY is doing well. The annual meeting was held in the now beautiful and comfortable Presbyterian church, with a good audience

S. Edgar, Esq., in the chair, and the cause received good and able support from the minister, Rev. D. Flemming. The lady collectors had done their part nobly, and enabled the secretary, Mr. Derbyshire, to report good contributions. At **BASTARD**, the annual meeting was held in the Baptist Church at Phillippsville, and was a decided improvement upon past years. New officers and collectors were appointed and a new start fairly made. **FORFAR** is holding steadily on. The annual meeting held in the Methodist Church was an average one for attendance, Mr. Adrain in the chair. The lady collectors returned an average contribution. **WESTPORT** is flourishing. The officers are able and active, and some of the contributors very liberal. The annual meeting held in the fine new Methodist Church was fairly attended, and the Rev. Mr. Ross, Presbyterian, and the Rev. Mr. Huff, Baptist, made two of the best addresses I have heard this winter. Mrs. Arnold had done her part nobly, and the contribution was the best the Branch ever made.

NEWBORO, Sunday, the 14th Feb. A good congregation in the Methodist Church, and very good attention and obviously a good interest. The contributions were in advance of the previous years. On my way to **MORTON** in the afternoon the snowstorm of the season thus far began, which increased as night advanced, and at meeting time it was furious; but quite a respectable congregation assembled in the Presbyterian Church, which seemed more quiet and cozy by reason of the raging storm outside. The lady collectors had done their part well, and the free contribution was an average one. The sales were small, the colporteurs having been all through the field. **LYNDHURST** is not advancing much. The annual meeting on the 15th was small, John Roddick, Esq., in the chair. The contributions for the year were \$4.95, and the sales \$2.71. The officers were re-appointed, and an effort is to be made to extend the interest. **ATHENS**.—The annual meeting was held in the Methodist Church on the 16th, Joseph Thompson, Esq., in the chair, and a fair audience. It should have been on the 17th, but a tea meeting or an oyster supper, or something of that sort, was put on the 17th, and the promoters thinking that of more importance, the Bible Society had to give way, though it put me to much extra labor and an expense of about \$2. The report was read by the President, it made mention of sales \$36.74, and contributions \$15, to which was added the collection, \$17.33. **DELTA**.—The annual meeting was held in the Baptist Church on the 17th, Israel Stevens, Esq., in the chair, and an average congregation. Rev. Mr. Perley and Rev. Mr. Moyle, by good and timely addresses, did good service to the cause. Miss L. Denaut, the lady collector, reported contributions \$17.39. An excellent spirit pervaded the meeting. **GREEN BUSH** on the 18th met in the Methodist Church, Richard Kerr, Esq., in the chair. Rev. Mr. Oliver ably advocated the cause of the Bible Society and gave life and interest to the meeting. I had hoped last year that the contributions would be taken up this year before the meeting, but was disappointed. However, arrangements were made for attending to it at once, but it never can be so well done after the anniversary meeting. At **NORTH AUGUSTA**, on the 19th, we met in the Methodist Church, J. B. Bell, Esq., in the chair. Rev. W. T.

Smith, an old friend and fellow helper, I was pleased to meet again, and as usual he helped us much. The report of the secretary, Mr. Ralph, showed about the usual amount of work done, amid hard times and some local discouragement. This Branch is entering upon its 50th year, and it was resolved to have a Jubilee meeting next year. SPENCERVILLE is flourishing. The annual meeting held in the Methodist Church on the 20th was a good gathering. In the absence of the president, who was confined by sickness, Mr. W. Bennett did the duties of the chair. Rev. Dr. Kellock and Rev. Mr. Pearson favored the meeting by excellent addresses. The contribution was in advance of the past year, about \$13.

VENTNOR is also doing well. We had a full house on the 21st in the Methodist Church. The report of the excellent secretary, Mr. Burnie, made mention of the work of the collectors favorably, and the contribution was slightly in advance and also the sale of Scriptures. NORTH MATILDA, on the 22nd, had a good meeting, Mr. James Pitt in the chair, and hearty and able help from my old friend the Rev. Mr. Chisholm, whom I was pleased to meet again after a long separation. The lady collectors had done their part well and the contribution was an average one. The able and attentive secretary, Mr. Weir, made some timely and practical remarks as preface to his report. At NORTH WILLIAMSBURG the annual meeting was held in the Lutheran Church on the 23rd, Mr. G. E. Casselman in the chair. The Branch was somewhat disorganized by death and removal. Rev. John Davidson, long time the able and interested president, had been called home, we trust to a better world, and Rev. Mr. Fishburn, for many years the industrious secretary, had moved to a distant field of labor. Rev. Mr. Genzmer was appointed president, and Mr. G. E. Casselman secretary, and a new start was made. WINCHESTER SPRINGS, on the 24th, met in the Presbyterian Church. A good audience, Mr. Thomas Nesbitt in the chair. Sales large and contributions in advance. At DUNBAR, on the 25th, the annual meeting was held in the Lutheran Church, James Moodie, Esq., was in the chair, and ably discharged its duties. New officers were appointed. Sales small, contributions \$13 25. Bibles were removed to Mr. J. A. Allison. COLQUHOUN.—The annual meeting was held in the Presbyterian Church on the 26th, Mr. Thomas Fay, Esq., in the chair. Edward Marshall, Esq., favored the meeting with a recital of his experience as a distributor of the Scriptures in Lower Canada. The report of the secretary and treasurer showed the contributions to be a little in advance. EAST OSNABRUCK on the 27th had a cold night and poor roads, which made a small meeting. Hugh McEwen, Esq., was in the chair. My respected friend and able helper, Rev. A. Matheson, had moved to a distant field of labor, and I had no minister to help me. We missed also his help in financial matters. MARTINTOWN had a large annual meeting in Knox Church on the 28th, and nicely conducted by the president, the Rev. Mr. Matheson, and the secretary, the Rev. J. S. Burnet, conducted devotions and gave an earnest and encouraging address. T. D. Creswell, Esq., presented the state of the finances,—a decided improvement upon the past year. WILLIAMSTOWN Branch is doing well, though the annual meeting on the 29th was not so well attended as some former ones. The sales were large and the

contributions were in advance of the past year. Revs. Matheson, Givan and Watson all took part, and made up an interesting and profitable meeting. SUMMERSTOWN Branch is not doing so well as it did some years back, great changes have taken place, and the Branch is not in a position to do so well. I do not think the attachment to the Bible Society has diminished, nor the will to help it any the less, and in a short time it may regain its former efficiency. The annual meeting on March 1st was a good one. Capt. A. J. Baker presided, and the Rev. N. McKay helped us much and gave in a hearty cheerful adhesion to the cause. The sale of Bibles was the largest of many years. LANCASTER. —The annual meeting was held in the Methodist Church on the 2nd, the president, Rev. Mr. Calder, in the chair, and I need not say to any that know him that its duties were well and ably done. We were rather unfortunate in other respects, sickness was very prevalent, one of the ministers, the Rev. Mr. Saunderson, was confined with La Grippe, and the Rev. Gordon Smith was away. The report laid before the meeting by the industrious secretary, D. McCrimmon, Esq., made mention of improved finances, and the contribution was well in advance of the previous year. GLEN GORDON Branch is doing well. We had a full house on the 3rd of March at the annual meeting, and it was ably conducted by the president, Mr. James Frazer, who did the duties of the chair. From the reports laid before the meeting I inferred a fair share of activity and corresponding success. COTE ST. GEORGE is also doing well. The annual meeting on the 4th March was an encouraging gathering, and was ably managed by the president, Mr. Brodie. The Branch is in good and able hands, and report was made of improved finances. DALHOUSIE MILLS on the 6th had a fair congregation at the annual meeting. The Branch has been crippled a year or two past. The president and treasurer both died, and the minister moved away and the remaining friends lived at a good distance, and the work has gone hard. Only part of the subscriptions were in. We have, however, some fast friends connected with this Branch, and new officers were appointed. The same day I attended the annual meeting at GLEN SANDFIELD Branch, this year held in the Covenanter Church at Brodie. We had a good gathering and good countenance and able assistance from the pastor, Rev. R. C. Allen, not only at the meeting but previously thereto when more good can be done to help on the cause. The lady collectors had done their part nobly, and the contribution was much in advance. On the 7th I had a long rough ride to COTE ST. HENRY. The Branch is holding on, "*Faint yet pursuing.*" The annual meeting was an improvement. A friend said "about all there were, were there." The president, Mr. Jacob Vipond, was in the chair, and the Rev. Isaac Hall showed his heartiness and goodwill, having come all the way from Hudson to help us. The secretary, A. B. Grisdale, reported a small increase in contributions. HUDSON AND COMO.—The annual meeting was held at Como on the 8th, Joseph Davidson, Esq., in the chair. The meeting was small, the smallest I ever saw there. It was the memorable election day, and perhaps that had something to do with it, and perhaps Como is not so central for the majority of the people as Hudson. Rev. Mr. Roberts and Rev. Mr. Hall both

took an active and hearty part in the work, and ably advocated the interest of the Society. The contribution was a good way in advance of the past. This was the last appointment in my programme for the winter, which had been a long one, beginning on the 6th of January, having a meeting almost every night since. Pleasing and good as the work is, I was glad to see the end. The weather upon the whole was favorable; though we had two or three heavy storms, it was, taken all in all, and from beginning to end, the most comfortable winter of all my forty-one, both as to weather and roads. Not a single meeting on the papers failed, and the general result is favorable. The receipts about \$207 more than the previous winter. At the end the roads were getting soft and the ice not very good in places, but by the good hand of God I reached home in safety on the 9th March, and found my family well. Though the season had been fine it had been a very sickly one, a fact which had told unfavorably upon both the attendance at the meetings in many places and also upon the work of the Branches.

Yours faithfully,

JAMES GREEN.
