### Ald, Beatty, Thornton and White Optimistic Regarding Country's Future

MONTREAL, Jan. 9.—The Commercial Review for the year 1924, a supplement included with this morning's issue of the Montreal Gazette, contains a number of highly informative articles by nationally known authorities and Canadian public men generally.

R. E. White, editor-in-chief of the Gazette, deals succinctly with "the year in retrospect" and finds consolation in the reflection that 1924, with all its faults, "might have been worse."

Mr. White sees in the increased volume of foreign trade a helpful agency, but deprecates the paucity of immigrants into Canada in the past 12 months, and the increase in the departure of Canadians to the United States.

## Must Modify Taxation.

Not until there is a modification of direct federal taxation, however, can Canadians expect to find business materially improved and the cost of commodities reduced, he states.

I. H. Spragg to F. C. Hopkins, property Kars.

## Protests Rate Reductions.

E. W. Beatty, K. C., president of the Canadian Pacific Railway, dwells on the mutual responsibilities of the railways, and the public. He protests dangerous rate reductions and states that the railways are making an unfair profit. The needs of national development, he says, demand that the railways of the country have the wherewithal to meet service needs in advance of their actual requirements.

## Mr. Beatty touches on Canada's success at Wembley and declares that already it has had a good effect on this country.

## Sir Henry Optimistic.

Sir Henry Thornton, chairman and president of the Canadian National Railways, sees Canada on the threshold of a vigorous new era and points to Western Canada's betterment in agricultural conditions as an index of what the entire country will share in. Sir Henry notes that the Empire settlement scheme, which was to care for 3,000 British families in three years, will have exhausted its quota of people and he applauds the "aggressive immigration programme for 1925 announced from Ottawa during the past two weeks."

What Canada needs most, says Sir Henry, is man power. The country is capable of caring for 25,000,000 people, and if that were the population of the country, most of the Dominion's economic problems would fade away. He ends his survey with a message of hope.

After the business session Santa Claus made his appearance and distributed gifts and candy and fruit. Later the members of Roxborough packed baskets to be distributed among needy families in West St. John.

## Miraculous Escape of London Steeplejack

LONDON, Jan. 9.—When part of a tall chimney collapsed and carried away the scaffolding on which two steeplejacks were working recently, one saved his life by an extraordinary leap into the chimney, where he clung, dangling over the side, looking at the 140 foot drop below him. The other dropped like a stone into a paved yard, and died on the way to the hospital.

## Lingan Crashes Into Bay Steamer Lying At Berth

## DIGBY TRIP MADE

### Survey Will be Undertaken When Steamer Returns To Port Today

Swinging around with the tide the collier Lingan crashed against the C. P. R. Bay steamer Empress about 2 o'clock this morning while the latter steamer was lying at her wharf near Reed's Point. The collier was anchored in the stream at the time. A preliminary survey of the Empress was held and it was found that she was not damaged sufficiently to prevent her regular trip this morning to Digby. Both steamers, however, will be given thorough surveys.

## Is Hit At Bridge.

The Lingan was anchored in the stream yesterday. During the night she either dragged her anchor a little or was moored too close to the Empress berth for the length of chain she had out. The stern of the collier struck the Empress just at the bridge, on the fore part of the port side. The Lingan scraped along the Empress' side towards the stern destroying a considerable portion of the rail and damaging one of the davits. The plates on the side of the Empress were not damaged so far as the examination showed. The Lingan escaped, so far as a broken flag pole and one badly damaged stanchion. The collier was docked this morning at the coal pocket.

## Survey This Evening.

A preliminary survey of the Empress was made this morning by Charles E. Dalton and Captain William R. Bennett, steamship inspectors, and Captain A. J. Mulochy, representative of Lloyd's, and they pronounced the steamer seaworthy. A thorough survey will be made this evening on her return from Digby. The Empress was delayed on account of the survey and did not sail until a few minutes before 9 o'clock instead of at 7:10 o'clock as usual. The survey tonight will be made by the same men with a representative from the Lingan present. The inspection of the Lingan will probably be carried out tomorrow.

The Empress is a vessel of 612 tons net and is employed in the bay service between this port and Digby. She is in charge of Captain MacDonald. The steamer is owned by the C. P. R.

The Evening Times-Star

The Evening Times-Star printed at 25-27 Canterbury street, every evening (Sunday excepted) by New Brunswick Publishing Co., Ltd. J. D. McKenna, President.

ST. JOHN, N. B., JANUARY 9, 1925

THERE IS A BRIGHT SIDE

The Toronto Globe, commenting upon the Montreal Star's complaint to save Canada and its article entitled "Can Canada Be Saved?" speaks of the prominence given to it so that everybody might read about "national bankruptcy and the ultimate downfall of the Dominion," and then taking some quotations from the same issue of that newspaper, which contained this alarming warning, it points out that under a heading "A Bright Outlook" there is much in the New Year message from Premier Taschereau to hear the people of this Province.

It is comforting to know that, while Mrs. Gummidge sits on the doorstep, Mark Tapley is inside the house, says the Globe. The other tries to hearten the Province, and says that "we have little to fear." True, the latter saying applies to Quebec, but that is the home of The Star, the place which it ought to know best, and a very important part of the Dominion of Canada.

BEER BY THE GLASS IN B. C.

In the plebiscite which was held in British Columbia last year the question of the sale of beer by the glass was decided in the negative by the people of all the province, but there was a clause in the act providing the plebiscite that made it possible for those districts voting in favor of beer by the glass to have regulations permitting its sale in that manner.

THE EDUCATION OF PUBLIC LIFE

HARD TO PLEASE THE PUBLIC

It would be a poor day when we did not have something to complain of. The people of Ottawa are experiencing a critical mood because their new street cars, provided at a very great expense by the Ottawa Electric Company, are too perfect in construction, and subject the patrons to much scrutiny when they enter them to take their seats.

THE EFFECT OF CROSS-WORD PUZZLES

An entertaining New York correspondent of the London Times describes what the cross-word puzzle has done to the American nation, and says that in a few short weeks it has grown from the pastime of a few ingenious idlers into a national institution and almost a national menace.

TO HOLD CONFERENCE

He bears a message from the Prime Minister of Canada inviting the British West Indies to a conference to be held at Ottawa early this spring at which the whole matter of closer relations between the great British nations of the north and those richly productive countries of the south will be thoroughly discussed with a view to further increasing the trade between these countries within the Empire.

DISARMAMENT CONFERENCE IS NEW U.S. PLAN

Expect Big Powers Will Attend Washington Parley SECURITY PACT. Rumor Has It Britain Proposes New Agreement Among Nations. By A. L. BRADFORD. United Press Staff Correspondent. Paris, Jan. 8.—Important moves on the checker board of international politics are paving the way for the convocation of another disarmament conference at Washington and a settlement of probably the most important subject of international conversation in informed diplomatic circles in Paris.

PRASE AND ABUSE

Reduction in Cost of Living is Resented by Some. The man who brings down a high price is loved by the consumer and cursed by his fellow business men. For such is life in the business world. When the Purity Milk Company brought down the price of milk in St. John, citizens were loud in their praise and milk dealers loud in their abuse.

RUSSIANS TO MAKE COMBS.

ABERDEEN, Scotland, Jan. 8.—Russia is going into the comb-making business. An Aberdeen engineering firm has just shipped the Soviet a number of its latest and most improved types of machinery for the manufacture of combs. It constitutes equipment for a factory to be established under the Soviet Government.

U. S. to Take Lead.

The most important thing from the standpoint of the American Government in these manoeuvres is that with the Geneva protocol out of the way and France's security settled, the United States would be free to call a disarmament meeting in Washington, which France participating, for it would be difficult for the latter power to be represented in a disarmament conference with the problem of her security unsolved.

The children who could not be present were represented with a treat from Santa. After Santa had left for the north, and the children had gone to their home the older people enjoyed an evening of dancing with Roy Daley as musician. Mrs. M. F. Boyne, superintendent of the Sunday school, was presented gifts from the school as well as from Santa. Mrs. George Winn was general convener for the entertainment and was assisted by Mrs. W. H. Boyne, Mrs. William Moody, Mr. Daley and Mrs. M. F. Boyne.

SCIENCE FEARS ATOM EXPLOSION WILL DO DAMAGE

Result of Wall Experiment Alarms London People

MANY THEORIES

Some Believe Disturbing Atomic Status May Give Entire Earth a Jar

LONDON, Jan. 9.—Scientists here are waiting—the nervous ones with some apprehension—to see what will happen when the atom is exploded.

Dr. T. P. Wall of the mechanical and electrical research department of Sheffield University—the man who is

HEART WAS WEAK NERVES ALL GONE

Mrs. J. H. Hallenbeck, 117 1/2 Westland Avenue, St. Catharines, Ont., writes:—"I was in a gas explosion; it left me with a weak heart, and my nerves were all gone. I suffered everything; couldn't sleep, or endure any excitement, and when left alone I felt as if I could scream. I took medicine; it just seemed that I did not have any confidence in any of them. I took one box of H. & N. Pills, and felt so much better I continued with them until I had taken five boxes, and after I had taken them I found I did not need any more. I cannot praise, or recommend, Milburn's Heart and Nerve Pills too highly after all they have done for me."

trying to bust up the atom—declines to predict results. "I don't know what will happen," he said, frankly. "I'm going to wait and see."

Other predictions range from the commonplace to the fantastic. Some say there is no reason to think anything unusual will occur. Others profess to believe that disturbing the atomic status may tear London into fragments and give the entire earth a jar.

Working Quietly.

Meanwhile, Dr. Wall is calmly continuing his experiments. He hasn't busted an atom yet. But he's on the way and confidently expects to succeed.

Fear the Worst.

One set of theorists then fear the worst. They argue that since all matter is composed of atoms the disruption of atoms may mean the disruption of everything else. They think that the "release of atomic energy," or in other words the shooting of atoms full of heat and turning 'em loose to run wild may mean the crumbling up of houses and trees and mountains and things.

DEATHS

Mrs. Mary Ann Robertson.

The death of Mrs. Mary Ann Robertson, wife of William J. Robertson, occurred yesterday at her home, 61 Rothesay Avenue. Mrs. Robertson leaves her husband, three sons, Gordon, James and Ronald, and one daughter, Jean, all at home. She was a member of St. Andrew's Presbyterian church.

Mrs. F. D. Williams.

Very many friends throughout New Brunswick will be grieved to learn of the death of Mrs. F. D. Williams, who passed peacefully away at her home in Moncton last night at 9 o'clock after a lengthy illness during which she suffered much and endured her sufferings with sweetness, serenity and infinite patience. Mrs. Williams was the daughter of Rev. and Mrs. R. S. Crisp, now of St. John, and besides her husband and one little daughter, Margaree, aged eight years, she leaves her parents and one sister, Mrs. A. W. Estey, of St. John. Mrs. Estey was with her sister when she died. Heartfelt sympathy goes out to the bereaved. Mrs. Williams' death came under peculiarly sad circumstances as her little daughter and her husband are both ill at the present time. The arrangements for the funeral had not been made last night.

Mrs. Agnes F. Hannah.

Mrs. Agnes F. Hannah, wife of C. Gordon Hannah, died yesterday at her home, 160 Orange street. She was the daughter of Mr. and Mrs. William T. Cunningham, of Lorneville. She leaves besides her husband and parents, one son, Gerald; three sisters, Mrs. William Perry, of Vancouver; Mrs. Walter McGuire, of Lorneville, and Mrs. Andrew MacGowan, of Mac's Bay, and three brothers, Albert and Wesley, of St. John, and William, in the United States. The funeral will be held on Saturday and will be private.

LEO KORETZ DIES IN ILLINOIS PRISON

Swindler Who Lived in Luxury in Nova Scotia, is Diabetic Victim.

STATEVILLE, Ill., Jan. 8.—Leo Koretz, promoter of the Bayano oil bubble, who fleeced scores of friends and relatives out of millions of dollars, died tonight in the State Penitentiary here. He had been suffering from diabetes.

The promoter, who for years conducted his phantom financial ventures so quietly and effectively that trusting relatives and friends begged him to take their money, declared when he went to prison a few weeks ago that he did not expect to come out alive. His death occurred at 8:40 o'clock.

Diabetes Victim. When Koretz was found last December in Halifax he was suffering from diabetes and when he was returned to Chicago and pleaded guilty to charges of operating a confidence game, his condition grew much worse.

His lawyers urged that a light sentence be pronounced for this reason, and doctors who examined him said it was doubtful if he could endure prison life. Insulin treatments were resorted to in an effort to curb the disorder from which he suffered, but they were ineffective.

Brothers With Him. He lapsed into unconsciousness early today, and prison officials summoned his three brothers from Chicago. They were with him when he died. Mrs. Koretz was unable to reach the prison before her husband died.

**Adventures Of The Twins**

**THE GOBLIN IN THE GROCERY.**

Nancy and Nick and Johnny Sweep looked everywhere for Snitcher Snatch, the goblin.

They went from house-top to house, top, and climbed down chimneys until the Twins got almost as black as Johnny Sweep himself.

But none of the Sooties had seen him and it did seem as though he had become tired of mischief making and decided to be good for a while.

They were partly right, for, in mixing up the spices in the kitchen cupboard, Snitcher Snatch had gotten pepper in his eyes.

And they hurt so terribly that he had to go to old Doctor Hokus Hokus and get them cured up.

"You'll have to use an eye-cup and bottle three times a day," said Doctor Hokus Hokus. "And you'll have to have a bandage over your eyes for three days. After that you'll be all right."

So Snitcher Snatch went home and his goblin manna took care of him for three days, but to the bad little fellow it seemed like three hundred years.

And all the time his spirits kept getting more and more bottled up until at last if something hadn't happened, Snitcher Snatch would have exploded altogether.

And it certainly would have saved some people a lot of trouble if he had. Well, the minute he was better he came out of his house in Goblin Land and ran to the gate by the root of the dog-wood tree and looked around.

It was all snowy, but goblins never mind the cold.

**Queenstown Operator Expects Better Season in Lumbering Than Last Year.**

A resident of Queenstown, who is doing some extensive lumbering at Brown's Flats and Hoyt this year, said yesterday that he expected to make more money on his lumber this year than he did last. One reason for this was that the wages being paid in the woods this year were a lot lower than those paid last year. Last winter good men were receiving \$85 a month and their keep while the same men this year were dragging only \$40 and the less able woodmen \$35. Another reason was that the market was better, lumber at the present moment being several dollars a thousand higher than at its best last year.

**Has Project For Half Million Dollar House—Is Wembley Outcome.**

LONDON, Jan. 9.—New York and Paris had better be looking to their laurels as magnets for the million-and-one women who aspire to be the best-dressed woman in the world.

One of Britain's modest resolutions for the New Year is to make London leader of the world's fashions.

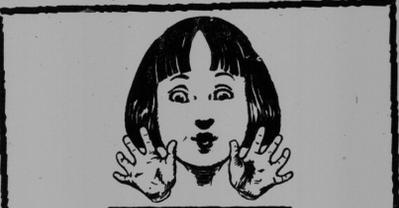

It is proposed to form a joint company, with a capital of \$500,000, to establish a model house here, on the lines of the Paris mode establishments. Already \$200,000 has been offered. The chief promoters are the Bradford Chamber of Commerce, the Worsted Spinners' Federation, the Woolen and Worsted Trades' Federation, the British Merchants' Association, and the British Silk Association.

When the house is established, collections of models are to be taken to all parts of the world. The company will attract makers-up and retail merchants interested in reproduction of models.

It is said that the project originated in the advertising of British material at the Wembley Exhibition here.

**Installation Followed by Social**

**—Moncton Temple is Succeeding**

Two initiation ceremonies and the ceremonies for the installation of officers were carried out most impressively at the meeting of Loyalist Temple, No. 13, Pythian Sisters, held last night in Temple Hall, Main street, with the retiring M. E. C., Mrs. Myrtle Saunders, presiding. Reports of the altruistic work of the Temple during the last six months were received and showed that gifts valued at more than \$1,000 had been distributed by the Temple during the six months' period. In actual cash the Temple had expended \$810.88 and it had given goods to the value of \$192.60. With each of its 20 baskets sent out at Christmas time there had been sent also a barrel of coal and the total value of the baskets was \$800. The Temple had received as a gift from a coal company a ton of coal valued at \$175.

The candidates initiated were Mrs. LeBaron Stubbs and Mrs. Harry Earl.

**Officers Installed.**

When the installation of officers took place, Mrs. O. E. Dykeman was the installing officer and she was assisted by Mrs. Emma Ives, grand manager of the Maritime Province domain, and Mrs. C. D. Ellsworth, acting grand senior. The officers installed were as follows: Past chief, Mrs. Myrtle Saunders; M. E. C., Miss Beatrice Andrews; excellent junior, Mrs. George Day; excellent senior, Mrs. H. P. Black; manager, Mrs. A. G. Brown; M. of H. and C., Mrs. A. L. Dykeman; M. of P., Mrs. O. F. Price; protector, Mrs. Reid Dunham; guard, Mrs. Harriet VanWart.

At the close of the ceremonies a social hour was enjoyed and refreshments were served. There were present at the meeting visitors from Moulton Temple, No. 14, and from Alexandra Temple, No. 1, Grand Manan.

—Moncton Temple.

The officers of Loyalist Temple, No. 13, Pythian Sisters, here, were much pleased to hear of the success of the second anniversary of the Tidal Wave Temple at Moncton, which was celebrated on Wednesday evening at Castle

Hall, Moncton. Bridge was played and a dance held with a large attendance of members, who were accompanied by their gentlemen friends.

**From Local Temple.**

The officers who went from here to organize this flourishing temple were Mrs. George C. Amlund, who was at that time most excellent chief of Loyalist Temple, accompanied by her officers, who were Mrs. Myrtle Saunders, Mrs. Dora Cowan, Mrs. E. Levers, Mrs. F. H. Flewelling, Miss B. Andrews, Mrs. G. E. Keith, Mrs. Nettie Tuttle, Mrs. Jeffries. The degree staff putting on the work was led by Mrs. Harry Black, captain of the degree team. The Moncton ladies in charge of the entertainment Wednesday evening were Mrs. G. E. F. Keith, Mrs. Nettie Tuttle, Mrs. W. H. Forse, Mrs. W. A. Carson, Mrs. G. O'Connell, Miss Myrtle McNeill, Miss Pawnee Starkey, Mrs. McKim and Mrs. Wright.

**ST. LUKE'S LADIES HONOR MRS. MCKIM**

**Honorary President is Given Handbag and an Address of Appreciation.**

A handbag and an address of appreciation were presented to Mrs. H. P. McKim, honorary president of the Senior A branch of the W. A. of St. Luke's church at the regular meeting held yesterday afternoon. Mrs. McKim recently retired from the office of president, which she had filled since Nov. 15, 1908. The gift, together with a bouquet of carnations, was presented to Mrs. McKim by Mrs. G. B. Taylor, first vice-president, and Mrs. McKim in accepting the gift expressed her pleasure feelingly. Mrs. Leslie Waters, the president, was in the chair.

**Addresses Members.**

Rev. Canon R. P. McKim addressed the meeting, congratulating the members on the great area covered by W. A. efforts. The report of the January diocesan board meeting was read by the corresponding secretary and an interesting letter from Rev. Charles Sadler, missionary in South America, was also read. Mrs. John Hay, diocesan Dorcas secretary, spoke to the meeting regarding the bales sent out last spring. At the close of the afternoon, refreshments were served under the convenship of Mrs. W. H. Anderson.

**ST. COLUMBA W. M. S. HEARS FINE PAPER**

The W. M. S. of St. Columba Presbyterian church met last night at the home of Mrs. Davidson in Fairville with a good attendance of members. Miss Anne M. Townsend, president, was in the chair. Mrs. A. W. Petch, of St. David's congregation, was present and read a very interesting paper on the life and work of Rev. George Lesley Mackay, missionary in Formosa. At the close of the meeting refreshments were served and a social half hour was enjoyed.

### COSTS 80 CENTS TO MAINTAIN CHILD

EIGHTY cents a day is the cost of maintaining a child in the Children's Aid Society Home, according to a report made to the meeting of the society last evening. This amount is exclusive of the overdraft from 1923 but includes the interest paid on it as well as the cost of the necessary stamps on bank papers.

The agent's report was for the period between Dec. 11, the date of the last meeting and Dec. 31 when the financial year of the society ended. It showed that one child had been admitted, making the number now in the home, 25. A. M. Belding presided at the meeting last evening and arrangements were made for the inauguration of the finance committee of the Municipal Council this afternoon. The annual meeting of the Children's Society will be held on the second Thursday in February.

Children of South End to Have Talk From Rev. H. A. Cody.

The children of the south end of the city are once more to have the privilege of attending a story-telling hour on each Saturday morning in the South End Boys' Club rooms. Through the interest of Miss Mary Gunn, who was largely responsible for the inauguration of the story-telling hour in the club rooms two or three years ago, the custom is to be revived this winter and several citizens have kindly consented to be on hand to regale the children with stories.

The matter of having the children in readiness for the story-telling is one that is now under consideration and it is hoped that friends of the children will take over the task of hosts and hostesses to supervise the children. For the first story-telling hour on this Saturday Rev. H. A. Cody is to talk to the children and Rev. John North will be the superior for the occasion of the audience of young people.

### READING CLUB HAS CANADIAN EVENING

High School Alumnae is Thanked For Helping Children at Christmas.

The St. John High School Alumnae Reading Club met last night at the residence of Miss Grace Campbell in Hazen street and greatly enjoyed a very interesting programme which had been arranged by the president, Mrs. Margaret Lawrence. It was a "Canadian evening" programme and the readings included some of the gems of Canadian literature. The readers were Mrs. Lawrence, Miss Alice Waer, Mrs. F. B. Ellis and Dr. James Magee.

The programme included the following selections, in prose: "In the Heart of Old Canada," by William Wood; "Paysant Captivity," by Dr. Archibald MacMechan; "Madame De La Peltrie, Founder of the First Girls' School in Canada," by Miss Sifton Perger; "A Warrior and a College Professor," from the "Masques of Opera," and from the Canadian poets, "Vive Guesst," by Bliss Carman; "In Memory of Archibald Lampman," by Wilfred Campbell, and "Griette," by Anne Elizabeth Wilson.

Thanks for Gifts.

At the meeting there was read an appreciative letter from Rev. George Scott, thanking the Alumnae for gifts to the Children's Aid, and the thanks of the Alumnae were extended to the Civic Power Commission, J. S. Gregory and the E. G. M. Cape Construction Company for their help in the arrangements for the community Christmas tree, placed by the Alumnae in King square.

### \$50 IS DONATED TO HEALTH CENTRE

Other Sums Voted by Royal Standard Chapter, I. O. E.

The sum of \$50 was voted by the Royal Standard Chapter of the I. O. E. to the Health Centre funds at the meeting of the chapter held last night at the residence of Mrs. John E. Moore, Germain street, with Mrs. T. E. G. Armstrong, regent, in the chair. The chapter also voted to give \$5 as its share towards the presentation of a set of books to the public library as an anniversary gift commemorating the 25th anniversary of the founding of the order. The sum of \$8 was also voted towards the nursing care for the Mahoney quadruplet babies, and the members undertook to send magazines to the medical detention quarters of the winter port.

### ALLEGED LETTERS TAMPERED WITH

Report on Local Post Office Incident is Sent to Ottawa.

Caught in an alleged attempt to steal decoy letters from the mails, a postal helper at the local post office has been suspended, it is said. As a result of several complaints, the local post office officials have been on the lookout for the person tampering with the mails, but it was only recently that suspicion was directed towards this man.

A report from persons in charge of the Christmas seals sold for the benefit of tuberculosis work was the first intimation received that letters were being tampered with in transit. Later, it was said, that money sent to the Protestant Orphanage Fund was taken from envelopes.

Silt Envelopes.

The method used in many of the thefts was to slit the envelope along the gummed edges at one end, extract the money and then seal up the envelope again, it is said. The discovery of several of these envelopes which had been tampered with gave the post office

### Buying Orders Are Distributed Over Broad List

## BALDWIN AT HIGH

### Several Stocks Register Higher On The Montreal Exchange

NEW YORK, N. Y., Jan. 9.—Stock prices displayed a strong tone at the opening of today's market, buying orders being distributed over a broad list. Baldwin advanced 1 1/2 points to 134 1/2, the highest in over a year, and the first sale of United States steel common was a block of 6,000 shares at the spread-opening price of 124-124 1/2, up 5-8, and the highest price in eight years. Maxwell Motors A moved up 1-4.

### Montreal Market

MONTREAL, Jan. 9.—Brazilian was the most active issue at the opening of today's stock market and was up an eighth at 55-5/8. Next in activity came Industrial Alcohol and Spanish River, the former unchanged at 20 and the latter stronger by half at 105-1/4. Another stock to register strongly was Canadian Car common, which sold up 3/4 to 84-3/4, while Steel of Canada, which was the third most active stock, gained 1-4 to 84-1/4. There were only two declines, these being quarter point losses by Canadian Car preferred and Price Bros., which ended at 71-1/4 and 38-3/4 respectively. The balance of the list was unchanged and received little attention.

GORMAN TO DEFEND HIS NATIONAL AND INTERNATIONAL TITLES

INJURY TO LEG IS RESPONDING TO TREATMENT

Will Start Training—Tells Story of His Trip

That his leg is responding to treatment and he has every intention of defending his national and international titles was a cheering statement made today by Charlie Gorman. He explained that the injury was sustained when he fell off a bicycle some few weeks ago while training for his winter's campaign. Asked if he planned on participating in the Diamond Trophy meet at Lake Placid he replied that he certainly did providing he made the required number of points at the national and international meets. His present plans are to rest his leg for a few days and then start doing workouts gradually increasing his routine until he reaches top form.

Had a Great Trip. Referring to his recent trip to Newburgh where he participated in the Middle Atlantic championships he said: "I had a great time and was treated like a prince. Asked to give some details he told to Waterville, Me., December 27 and went to Waterville, Me., where I was a guest of Dan Van Ol. Monday I went to their open air rink for a workout. I was asked to give an exhibition and did so. I skated around the track a few times and the people assembled there seemed satisfied. In fact there were hundreds of kids all afternoon and I had to answer all kinds of questions. The majority of them kept calling 'Oh you Charlie' and 'How are you doing?' They followed me to the train that night and gave me a great send off. I was right through to Newburgh and on Wednesday had a good workout on the rink. It is situated in a park and is an eight lap track with a sharp corner. That evening city officials and some of the leading citizens gave me a banquet which was thoroughly enjoyed. I got up about 8:30 New Year's morning and took a light breakfast. The preliminaries started at 10 o'clock in an automobile. They had four events on the card, a 220, 440, 880 and every one of these events. I did the 220 in 20 seconds flat, but the other events I was not forced to extend myself. In the afternoon they held the semi-finals in the 220, 440 and 880, and then the finals which included a mile. I won my heats in the three semi-finals and defeated Moore in the mile. I did not get up to getting ready when the starter gave the signal. I was caught off guard and made a bad start, but managed to finish third. I cannot blame anyone but myself for the poor start. When a skater goes up to the scratch it is up to himself to be ready for the gun. I was not ready. I thought the starter might have allowed me to get set, but I had no such idea. I won the 440 yards and took second place in the 880 yards. I was too late starting a sprint in the half mile and although I finished second I feel confident that I would have won if I had broken away sooner. The victory gave me Moore the meet with myself second with 50 points and Valentine third with 40 points.

Skated Exhibition Race. "That evening I left for Briarcliff Lodge in Briarcliff, N. Y., where I had been invited to give an exhibition for the benefit of the guests. It is a magnificent place, but a very expensive one. I was given a room elaborately furnished and was treated royally by everyone there. On Saturday I gave an exhibition 440 yards against time. I skated on the swimming pool, which is said to be the largest in the world."

Went To New Haven. "On Sunday night I left for New Haven where I visited my sister. I did not do any skating there as the rink left there on Tuesday and arrived back home Wednesday at noon. It was a great trip and I enjoyed it thoroughly."

LEONARD IS STILL CONFINED TO HIS BED

Lightweight Champion's Condition is Improving—Has Attack of Grippe.

The condition of Benny Leonard, world's lightweight champion, who is confined to his home on West End avenue, New York, as a result of an attack of tonsillitis and grippe, was reported by the titleholder's physician, Dr. Sel Rotenberg, to be improved. Leonard collapsed last Sunday afternoon on the stage of the Alhambra Theatre where he was engaged in a vaudeville act. His temperature at the time he collapsed was 104, but Dr. Rotenberg said yesterday that the champion's temperature is greatly reduced. Dr. Rotenberg declared that Leonard, while his condition is not alarming, nevertheless will be confined to his bed for the remainder of the week, after which a rest of a week or so will be prescribed for Leonard.

FLUSHED BY VICTORY over the St. John team a few nights ago and chagrined by a loss in Sussex last evening the Capital hockey team will make their first appearance of the season here in a regular scheduled fixture in the western section of the M. P. H. A. Whether they intend to seek revenge for their defeat in Sussex at the hands of the champions or play on demonstrating that they can again duplicate the performance of vanquishing the local team is a matter of conjecture. However, they can rest assured that irrespective of what their intentions may be they will be accommodated. The St. John team today is one of the best organized here for many years. They may not all be stars, but they have an abundance of grit and fighting spirit and combine with these qualifications a willingness to give their best efforts from the sound of the whistle at the face off until the end of the third period. What more could anyone expect? The acquisition of Monteth should be manifest, while the old reliable Nicholson in goal will provide a source of satisfaction to fans in general. From all indications it should be a great game. The boys can rest assured that they will have a large following on hand to cheer them to victory.

"STRANGLER" LEWIS got a taste of his own medicine last evening when he stacked up against Wayne Munn a former University of Nebraska athlete. He tried to secure his skull crushing hold on the former football star and the latter, evidently forgetting for the moment that he was in a ring and thinking he was back on the old grid bucking a line, picked him up and hurled him over the footlights. When Ed crawled back into the ring he had not much fight left in him and quickly succumbed to his husky young opponent. Lewis developed a head hold, which won for him the title and which when applied was more brutal than the famous toe hold. He had a wooden block made to represent a human head and daily he practised by the hour squeezing this wooden "dome." Many of his opponents have been literally crushed into insensibility. In all championship bouts but occasionally barred in exhibitions, Lewis rarely ever won a bout with science. He should have been termed the champion bone crusher.

THE HOLD BOXING has taken on many local fans is evident from the attendance every night at Johnny McIntyre's training quarters in the Odd Fellows building in Union street. Johnny has been working out for a 10 round bout with McKenna in Sydney on January 29 and has had sparring sessions with Porter McIntyre and other local boys. In addition he has been shadow boxing, punching the bag, skipping and taking other forms of physical exercise. As a result he is fast rounding into shape. Johnny knows that McKenna is a hard nut to crack and is determined to get into the best possible condition. McKenna is to meet Joe Irvine tonight and perhaps no one in the city will be more eager to find out the result than Johnny.

ANOTHER BOWLING RECORD was set by the board Wednesday evening on Black's alleys when Roy McIlvren of the Sweeps turned in a score of 352. He topped over 111 pins in his first string, 95 in his second and 146 in his third. This is the highest individual score made in the City League this season. Roy has been one of the leading bowlers for some years and is a valued member of the Sweeps.

ALBERT MONTEITH. He will be with the St. John team tonight for the first time this season.

SUSSEX WINS GAME

Defeat Fredericton in The Most Thrilling Match in Years.

The Sussex hockey team were forced to extend themselves last evening to score a win over the fast skating and aggressive sextette from Fredericton. The final score was 8 to 1 in favor of the home team, and the fans were delighted. They were unanimous in their opinion that the game was one of the best played in Sussex in years. The game was cleanly contested and was teeming with thrills. Fredericton will be here tonight.

NEW BOXING ARENA.

LOS ANGELES, Cal., Jan. 9.—Upon the site of "Uncle Tom" McCarry's old prizefight arena, which burned down shortly after 20-round matches were voted out of California, Jack Doyle will effect a new Vernon arena to accommodate 20,000 spectators. Doyle said he hoped to coax Mickey Walker and Benny Leonard out here for a 10 or 12 round bout at the present Vernon Coliseum.

YANKEE MANAGER BANKS ON HURLERS

Will Take Fifteen South-Six Veterans Ape on The Staff.

If pitching quantity means anything in the coming American League pennant race, the Yanks will run one-two from April to October. According to names and figures revealed by Edward G. Barrow Miller Huggins is going to take 15 hurlers south with him to St. Petersburg on March 1. Nine of the names have never been seen before in a Yankee uniform. Incidentally, Mr. Barrow disclosed that a number of erstwhile favorites have been removed from the payroll. In order they are George Piggars, who has been released on option to the Atlanta club of the Southern Association; a similar sentence to St. Paul of the American Association, and Al Mamaux, the former sweet singer of Brooklyn, who will be released outright to one of the Class AA teams. The six veterans who will make up the nucleus of the Yank staff are Walter Hoyt, Herb Pennock, Sam Jones, Bob Shawkey, Urban Shocker and Walter Heil—the last named being the right-hander who showed such a stunning curve ball in the late end of last season.

In addition to the above six, Mr. Huggins has combed the minor league and come up with what he regards as the best young talent ever gathered together by the New York club. For one thing, Hug thinks you will have a permanent left-hander who was once Senator Francis and Fingers. While the Senators and Fingers were with the Yanks, Francis got into a fight with Ty Cobb, and Cobb liked the youngster's show of spirit so much that he obtained him in a trade the next winter. Francis pitched for the Tigers during 1923, but was sent to Atlanta

HOCKEY FANS TO BE GIVEN REAL TREAT TONIGHT

Fast Fredericton Sextette Here to Play St. Johns

Hockey fans will be given a treat tonight when the fast Fredericton team clashes with the St. John senior sextette at the Arena. It will be recalled that the Fredericton boys had a hard time winning on their home ice against the St. John boys and as a result many are looking forward to seeing a thrilling encounter. The game has an important bearing on the title race and both teams will present their strongest lineup.

Moneth Joins Team.

Having recovered from an illness Monteth, a flashy and aggressive forward, will be back in the game. He is a fast skater and a dangerous shot and is expected to give the locals the necessary punch to win out. He played with the St. Johns last year and his clever stick-handling and aggressive style won for him a host of admirers. With Jimmy Gilbert, Budreau, Kiley and Moneth, the St. John team should present a fast forward line with plenty of reserve strength. Bud Gilbert will also be on hand to step into any breach either on the defence or forward positions.

A Stonewall Goalie.

Another feature in tonight's game will be the return of Nicholson as net guardian for the St. Johns. Fans who saw him last season can still recall some of his sensational stops and star exhibitions. He should prove a deciding factor in the big match and due to his appearance on the lineup many fans are confident that the Yanks will triumph over their opponents.

The splendid showing made by the Fredericton team in Sussex last evening against the Maritime champions shows that Fred McLean's coils in his good trim are conditions that he will triumph over his opponents.

"STRANGLER" LEWIS THROWN FROM RING

KANSAS CITY, Mo., Jan. 9.—Wayne "Big" Munn, former University of Nebraska athlete won the heavyweight wrestling championship of the world here last night by defeating Ed "Strangler" Lewis in two falls out of three. Munn won the first fall in 21 minutes with a croch and body hold. He took the third in less than a minute with the same hold. Munn won the first and third falls and lost the second on a foul when he lifted Lewis over the ropes and threw him out of the ring.

JUDGE LANDIS TO GIVE BASEBALL FACTS TO PUBLIC

Promises to Publish All Testimony In The Press

A copy of the testimony in the O'Connell-Dolan baseball scandal case will be made public within a few days, Commissioner Kenesaw M. Landis promised in a letter received by a New York baseball writer. The letter was in response to another letter signed by six baseball reporters urging the commissioner to make the testimony public. In that document it was pointed out that many baseball observers, even those friendly to Landis, believed that something was being held back in the recent scandal and that Judge Landis, by withholding the text of the testimony at the hearings, was laying himself open to the charge that he sought to stifle any further investigation of the case. It was urged by those who signed the letter that the commissioner make public all the testimony in the O'Connell-Dolan case. His reply, in part, follows: "I have read your letter of Dec. 27 and have not the slightest doubt of the accuracy of what you say, namely, a lot of earnest, well-meaning and good friends of baseball firmly believe that there is something held back in the O'Connell-Dolan matter." Of course, to me personally this is not entirely agreeable, because if anything is held back, I am the fellow that is doing the holding. However, although I have expected to give out the testimony for publication long before this, I must not postpone such action much longer. I must withhold the testimony a few days more in what I conceive to be the discharge of my obligation in the matter.

VINEZ CHALLENGES DUNDEE

PARIS, Jan. 9.—Lucien Vinez, lightweight champion of Europe, has issued an official challenge to Johnny Dundee, former featherweight champion of the world, for a 20-round fight next month at the lightweight limit. Vinez proposes that the bout be staged on a winter-take-all basis and that a side bet of 25,000 francs be posted. The challenger represents the selection of Fred Bretonneau, former European light weight champion, as Dundee's opponent for the 18-round bout here on Jan. 27, and intends to force Johnny to meet him before the latter's return to the United States.

ST. ROSE'S CLUB ENTERTAINERS FOR 26 YEARS

Anniversary Observed By Presentation of Bright Playlets

BUT ONE DIRECTOR

J. J. O'Toole's Record Remarkable—Club Gets New York Notice

In celebration of the 26th anniversary of its organization St. Rose's Dramatic Club last night gave a very fine presentation of a comedy and two playlets which were introductory to the main production which was entitled "His Honor the Mayor."

Between the acts musical specialties were given and these numbers included selections by the Moore quartette, a duet, "The Little Grey Mother" by Miss Margaret Cullinan and Miss Alice Garey and choruses by Miss Alice Garey, Miss Margaret Cullinan, Miss Margaret Donovan, Miss Bertha Doyle, Miss Jessie Yiger, Miss Isabelle Criley, Miss Kathleen Sexton, Joseph Reid, Miss Josie Conway, Miss Dorothy Yiger, Miss Ema Donovan, Edith Criley, Francis Criley, Gertrude Wallace and John Donovan.

Those taking part in the three dramatic pieces were as follows: "Finders-Keepers"—Mr. Aldrid, by R. J. Melaney; Mrs. Aldrid, by Miss Eleanor O'Toole, and Mrs. Hanson, by Kathleen Crawford.

"The Killer"—The Killer, by J. B. Richards; Sheriff, by R. J. Melaney; girl, by Miss Alma O'Toole; the other man, by Barry Quigg.

"His Honor the Mayor"—Martin Muldoon, the new mayor, by J. J. O'Toole; Hennessey, his crony, by R. G. Melaney; Harry Shannon, Rose's choice, by J. B. Richards; the Duke, Muldoon's choice, by B. E. Quigg; Mildred, the maid of honor, by Miss Irene O'Toole; Edward T. Murphy, the bridegroom, by Miss Kathleen Legree; Maise, Hennessey's daughter, by Miss Pearl Joyce.

The performance is to be repeated tonight and another capacity house is expected.

The fame of St. Rose's Dramatic Club has spread even to the United States. The following is an item from the New York theatrical journal, "The Variety." It is under the heading of "Canadian Theatrical Family," as follows: "Once upon a time, the far better half of the individual who writes this article, and the individual himself, journeyed to Nova Scotia in pursuit of the wily trout. The trout—but that's another all. This story deals with the fact that while waiting for trout—the booklet had said: 'By millions the trout flash in these wilderness streams—we heard of a great little theatre in Fairville, New Brunswick. We heard of it again today.' The O'Toole Family.

"Called the St. Rose's Dramatic Club, it has been in prosperous existence a quarter of a century. Even more surprising, during all these 25 years, the club has had but one director. His name is J. J. O'Toole. He has also played the comedy roles continuously for this period. Furthermore he has had time to raise a large family. This family is interested in the dramatic club in the following ways: "Daughter Alma plays the feminine leads, Daughter Ellen plays the comedy roles opposite her father; son Edward plays the juvenile leads; Son Tom assists about the stage, while Mother plays the piano in the orchestra and beams up at the family upon the stage. And in their spare moments this remarkable family are coaching Daughter Helen for ingenue roles. She has already appeared in several minor parts in various plays. "If there is anything in heredity or anything in environment—of course one or the other molds every life—we should in years to come hear from the O'Tooles of Fairville—New Brunswick, Canada."

Club History. In their 26 years of dramatic life the club has used more than 140 players, and have presented more than 200 performances in St. Rose's Hall, and other halls and theatres in St. John and vicinity. Few of the old faces are seen in the present club. Some of the old guard have passed away; some lie in heroes' graves in France; some at present reside in prairie and coastal cities of the west, others in U. S. cities.

Younger faces fill the vacant places. Sons and daughters of some of the members of the first cast are playing with the club and are working as smoothly as the veterans. The names of the players in the first performance were W. T. Hayes, G. E. Byrne, R. F. McManus, Edward Cranik, James W. Hennessey, Warren Terry, Louis Fleming, Theo Sears, M. J. Gleeson, W. J. Quigg, F. L. O'Toole, Edward T. Murphy, J. L. Dawson, John Calnan, J. J. O'Toole. This is Mr. O'Toole's 30th year in amateur dramatic work. The present officers are: A. W. Carton, R. C. Melaney, Jos. C. Calnan, Jos. E. Fitzgerald and J. O'Toole.

FIRST MATCH GOES TO THISTLE CLUB

Carleton Rinks Played Well But Are Defeated by Small Margin.

The six rinks of Thistle curlers pitted against the Carleton Club rinks last evening won out by a margin of 26 points, the final count showing 101 to 75 in their favor. The game was interesting throughout and many beautiful shots were made by members of both clubs. The game is a forerunner of many thrillers booked for the local rinks this season. The score by rinks follows:

BIBLE SOCIETY ADDRESSED BY REV. R.M. LEGATE

Arraigns Trend Of Modern Day Reading

OFFICERS CHOSEN

T. H. Somerville Is Re-elected President of Branch

Satisfactory reports were received at the meeting of the St. John branch of the Canadian Bible Society in St. Andrew's church last night. T. H. Somerville, president, in the chair.

Following the reading of the scriptures and the offering of prayer, the Rev. Neil MacLachlan, the president submitted the reports of the Bible women and the treasurer.

Returns Incomplete. The treasurer's statement showed receipts of \$1,011.16 including a bequest of \$100 from Mrs. Alice Russell. The returns were incomplete and it was expected the total receipts for the year would be about the same as those of last year.

In the Bible women's reports it was recorded that Miss Jane Henderson had made 978 visits and Miss E. M. Wesley visited 400 families. Miss Wesley has held the office of Bible woman for 86 years.

Mrs. E. E. Brown sang a solo that greatly pleased the congregation and the choir of the church led in the singing of the hymns.

Officers Elected.

The report of the nominating committee, presented by J. Hunter White, was adopted as follows: President, T. H. Somerville; vice-presidents, Rev. S. Bonnell, Rev. James Dunlop, Rev. Neil MacLachlan, Rev. Canon R. P. McKim; secretary, W. H. White; treasurer, R. T. Hayes; executive committee, Resident Clergymen, J. N. Rogers, George R. Ewing, William V. Kientzler, J. W. Flavel, E. H. Davis, James Myles, J. E. Secord, J. H. Murphy, Percy Clark, H. Reid, J. C. Cogan, E. L. Rising, R. Duncan Smith, George S. Bishop, A. A. Wilson.

Guide Through Darkness. The address of the evening was given by Rev. R. Moorehead Legate who referred to the Bible as a guide through darkness unto light. Mr. Legate spoke of the public taste of today having trended towards entertainment rather than reading for reading's sake and he said the sales of popular novels as well as the returns from public libraries indicated that it was the "froth and bubble" of modern writings that were in demand rather than the great standard of modern writings that were in demand.

Mr. Legate went on to describe the Bible as the finest compilation of literature of any country and any age and then turned to tell of its blessed power of comfort. He said that in the Bible might perhaps pass unappreciated but when the hours of the Bible's true worth and its message which brought the salvation of souls. In closing Mr. Legate asked what was being done with the Bible and for it. He believed much time was wasted in controversy which should be spent in the promotion of this Book.

In a brief and spirited address Hon. J. G. Forbes, president of the New Brunswick and Prince Edward Island branch of the Bible Society, told of the splendid work which the society is accomplishing in Canada and throughout the world.

N. B. MASONIC LODGE INSTALLS OFFICERS

LeRoi A. M. King is Worshipful Master—Social Hour Follows Ceremony.

Installation of officers in New Brunswick Lodge, No. 22, P. and A. M. was conducted by Right Worshipful Brother George D. Ellis, Grand Master for New Brunswick, assisted by officers of Grand Lodge, in Freemasons' Hall, German street last evening.

After the ceremonies refreshments were served in the banquet room toasts being given to the King and craft, Grand Lodge and others. The address of the evening was given by Rev. Robert G. Fulton, after which a musical programme was carried out when there were selections by a male quartette led by Dr. Bales; solo by DeWitt Cairns and Robert Irvine and specialties by the Montclairer Concert party. Dr. Harry C. Dunlop presided at the piano.

The officers installed for the year were as follows: Worshipful Master, LeRoi A. M. King; Immediate Past Master, Robert G. Carson; senior warden, William R. Powell; junior warden, A. LeB. Robertson; chaplain, George S. Dodge; treasurer, E. H. Cameron; secretary, Frederick Green; senior deacon, Harold Hooper; junior deacon, J. W. Dunlop; senior steward, W. O. Murphy; junior steward, J. S. Hoyt; D. of C., R. S. Stephenson; inner guard, P. E. Spurr; organist, Harry C. Dunlop; Tyler, George T. Day.

IS POSTPONED

In order not to conflict with the visit of Charles Crawford Gorsl, eminent imitator of birds, who will speak before the Women's Canadian Club next week, the annual conversation of the Natural History Society has been postponed for one week. It was believed at first that the Art Club's lecture to be addressed by Ven. Archdeacon A. H. Croft would also conflict with the visit of Mr. Gorsl, but this is not the case. A mistake was made when the Art Club's programme was announced and the lecture will be on Thursday of next week and not on the same evening as the Gorsl lecture. For Mr. Gorsl's evening the Women's Canadian Club has secured as a singer Miss Estelle Fox.

Well Pleased With Work On New Hotel

T. A. Somerville, of Montreal, vice-president of the E. G. M. Cape Company, contractors for the Admiral Beatty Hotel, who is in the city on his regular inspection trip, said last night that he was very well pleased with the progress being made in the erection of the hotel. Since his last visit the sides had been completely closed in and great advance had been made in the installation of the heating, water and bath fixtures. At the present time a parapet to the height of several feet is being constructed around the rear and south sides of the roof. This is of brick but the Charlotte street and King Square sides will be of ornamental stone.

CLOTHES CATCH FIRE

The Fairville fire department was called out at 6:30 yesterday morning for a fire in a house in Havelock street, but before the department arrived the fire had been extinguished. Some clothes left behind the stove had caught fire and a call was sent in for the department but the flames were quickly put out.

RETURN FROM CAPITAL

Kenneth MacLaughlin, secretary, and James B. Dever, a member of the Commission for the Consolidation of the New Brunswick Statutes returned from Fredericton last night. They had been in conference with Hon. W. P. Jones, K.C., the chairman of the Commission but had nothing to report concerning the progress being made in the work.

HAD RIB BROKEN

William Mungall, office manager of the E. G. M. Cape Company, contractor, building the Admiral Beatty Hotel, who had a narrow escape on Saturday afternoon, when he slipped on the roof and struck the cornice at the edge, is reported to be recovering satisfactorily from the broken rib which resulted from the fall. Mr. Mungall was treated by Dr. C. L. Emerson and returned to his work.

AMONG CONVENERS

Through the inadvertent omission of one line of the report of the meeting of the conveners for the Health Centre tag day held on Wednesday afternoon the names of the conveners of two wards were dropped. Those names omitted were Wellington ward, Mrs. T. N. Vincent convenor, assisted by members of the Women's Institute and Victoria ward, Mrs. John Silliphant convenor, assisted by the members of the L. O. B. A.

OFFICERS INSTALLED

Encouraging reports were received at the annual meeting of the Newfoundland Mutual Benefit Society in Orange Hall last evening when officers for the ensuing term were installed as follows: Past President, Percy Gibbons; president, Arthur J. Green; vice-president, John Pike; second vice-president, Hugh Milley; chaplain, Isaac Mercer; recording secretary, Isaac Mercer; treasurer, Ebenezer Vey; financial secretary, Fred Pike; sergeant-at-arms, S. J. Batcher; inside guard, Silas Day; sick and visiting committee, William Fallett, Fred Pike, S. Day; investigating committee, Edward Pottle, Vey Square and Trail Ranger camp engage in two debates during the season. Plans were made for the Trail Ranger grand camp that will be held at the Y. M. C. A. on Feb. 7, and it was announced that the Boys' Council would meet on Monday at 5 p. m. at the association building. The visiting committee and the badge committee reported on their activities to date.

RANGERS PLAN CAMP

Other Activities Are Discussed by Executive of Boys Work Board.

At a meeting of the executive of the St. John Boys' Work Board held last night in the Y. M. C. A. with A. R. Crookshank, president, in the chair, it was decided to hold an indoor athletic meet during the coming winter for the C. S. E. T. boys. A committee of the board was appointed to look after a series of challenge basketball games between the Tuxis and Trail Ranger groups of the city. There was some discussion regarding the formation of a debating league and it was decided to have each Tuxis Square and Trail Ranger camp engage in two debates during the season. Plans were made for the Trail Ranger grand camp that will be held at the Y. M. C. A. on Feb. 7, and it was announced that the Boys' Council would meet on Monday at 5 p. m. at the association building. The visiting committee and the badge committee reported on their activities to date.

As Hiram Sees It

"Hiram," said The Times reporter to Mr. Hiram Hornbeam, "show me how you sacrificed this year to the desire to gain sudden wealth?" "Me?" said Hiram, "what was your mental attitude?" "How much," said the reporter, "did you lose on potatoes?" "I haint lost nothing yet—'an' I don't aim to," said Hiram. "Didn't you plange last spring?" queried the reporter. "No, sir," said Hiram—"and I won't plange next spring. You don't letch plange next spring. I hev more petaters than I callated on—because they turned out more bushels to the acre than any body looked fer—but I kin use 'em all right. They're good feed—'an' I aint overfed. When you hear I've gone in fer one crop—you git Doc Anglin 'an' come out to the Settlement right away. I'll be needin' a guardien. Yes, sir—I'll be needin' a guardien—by Hen!"

BOY SCOUT COMES HERE ON WORLD TOUR

Fred Davidson of Toronto Visits St. John—To Sail For England.

Imbued with a determination to circle the globe, write a serious account of it all and then relate his adventures piecemeal in print, Fred Davidson, aged 19, son of a Belfast man who settled in Toronto 12 years ago, is in the city in Boy Scout togs. He hopes in a few days to go across the Atlantic in one of the winter post steamers to resume his pedestrian journey from the British side.

CO-OPERATION WITH RED CROSS IS ASSURANCE

Miss Jessie Lawson Addresses School Officials

WORK OF JUNIORS

Supervisor Well Pleased With Results of Fredericton Conference

That hearty co-operation of the school inspectors of the province with the Junior Red Cross in New Brunswick is fully assured, was the cheering report which Miss Jessie Lawson, Junior Red Cross supervisor, brought back from Fredericton last night when she returned after attending a conference of Dr. W. S. Carter, chief superintendent of education, and the school inspectors, to which she had gone at the special request of Dr. Carter.

Miss Lawson took with her some examples of the work of the New Brunswick Junior Red Cross members, which included jointed and movable wooden toys which had been made by the Hartland Juniors, a portfolio scrap book made by the Sunshine Club Juniors, grade eight pupils of the Sussex high school and some scrap books made by the Juniors of Greenlake, York county.

The portfolio scrap book contained articles on the province, Kings county and the Town of Sussex illustrated with excellent photographs and two original poems, and was one of the portfolios made for sending in exchange to junior groups in another county.

Interest Aroused. The work of the Juniors aroused much interest at the meeting, which heard with gratification that scrap books made by the Junior Red Cross Juniors, grade eight pupils of the Sussex high school and some scrap books made by the Juniors of Greenlake, York county.

Miss Lawson in addressing the meeting of inspectors told of the gratifying progress of the Junior Red Cross in New Brunswick which she realized had been brought about to a great extent by the co-operation of the school inspectors. She explained that the 26-cent fee was not compulsory yet in spite of this fact the Juniors in New Brunswick had contributed on an average of 82 cents each. She explained also that all of the children's money goes to the crippled children fund and that all of the New Brunswick Junior Red Cross administration expenses are a gift of the Canadian Red Cross to New Brunswick.

Bright Outlook.

Miss Lawson read a letter from Miss Jean Browne, Dominion Junior Red Cross supervisor, who pointed to the bright outlook for the future here in St. John when young citizens as Junior Red Cross members in school practised habits of personal hygiene, were imbued with a will to serve and obtained the practical knowledge of how to go about it, learnt to conduct public meetings, to speak in public and to administer public funds with honesty and realized the deep and abiding truth of the brotherhood of man. Miss Browne had had parents tell her that the Junior Red Cross was the best thing the children learnt in school, while teachers realized the Junior Red Cross contribution to the scheme of a liberal education.

Miss Lawson was greatly pleased with the success of her attendance at the conference of inspectors.

Davidson, who is a husky lad with plenty of modest assurance and an ingratiating personality, has a brother and sister in India, a sister teaching English in France and a brother in Australia. These, he says, are added incentives to his journeying. He hopes to visit them all.

Has Good Credentials.

The boy does not come to St. John without plenty of credentials. He has special notes of introduction from Assistant Chief Commissioner of the Boy Scouts of Canada John Stiles; letters from the Mayor of Ottawa, from Hon. W. Mackenzie King, Premier of Canada, from scoutmasters and officials all along the line. Also friendly commendations from chiefs of police and civic officials. Yesterday he called upon Mayor Potts.

He expects to be in St. John for several days.
