THE DAY OF EMANCIPATION MUST COME

—Knott in the Dallas News.

PROVIDENCE BANKER HAS A REMEDY

Not "Pep" but Pepsin, is Required, He Says—Declares Business is Suffering from Indigestion.

"Not pep" but pepsin, is what American business needs today," according to George W. Gardner, vice president of the United Trust Company of Providence, speaking last evening at the first Fall dinner of Boston Chapter, Inc. American Institute of Banking, at the Boston Athletic Association.

He implied that the business world is suffering from a bad attack of indigestion, due to a tremendous overproduction of manufactured goods during and after the war, and that good times can only be expected when the surpluses has been got rid of.

He said further that many present troubles are due to the world having gone crazy during the last 30 or 40 years over industrial production, to the neglect of agriculture, with the result that while striving to produce things for foreign markets as cheaply as possible, food and other necessities of life have grown steadily scarcer and dearer.

He quoted some authority to the effect that while before the war it was said that the world was producing 12 months enough to meet demands for 12 months, yet during and since the war there was an increase of 80 per cent in industrial plants.

The speaker asserted that agriculture must be stimulated to reduce the cost of food, and then wages would come down, in order to bring back general prosperity. He blamed the manufacturers and the business men for having set a bad example to the workers of late years in general extravagance and speculative enterprises.

That agricultural production is the chief need in rehabilitating the world the speaker maintained, contrasting the condition of Great Britain since the war, her continual strikes and widespread idleness in industry, with that of France, which he visited recently finding her wheat production for this year 80 per cent of what it was before the war.

He evoked applause when, asserting that the Nations of Europe are still tied up with quarrels due to racial prejudice, he gave thanks that the United States Senate had kept America out of the League of Nations.

"Our chief danger," he said, "is that all the world envies us our gold supply, but we do not need to worry over it in view of what American troops did in the World War."

Hopes for Better Rates. Frank S. Davis, manager of the Maritime Association of the Boston Chamber of Commerce, told something of what that organization is doing to get more ocean traffic for this port.

He said that, having secured the services of Judge Edgar E. Clark, formerly chairman of the Interstate Commerce Commission, the Chamber feels sure that before long the great transportation handicap on Boston, the freight differentials in favor of Baltimore and Philadelphia, will be abolished.

UNEMPLOYED DESCEND UPON DOWNING ST.

Thousands Accompany Deputation to Make Demands Upon Lloyd George.

London, Oct. 13.—Thousands of England's unemployed assembled on the embankment this afternoon to accompany a deputation of Premier Lloyd George's official residence to demand work of maintenance at trade union entrances and uniform scales of relief.

Elaborate police precautions were taken by the authorities of London to cope with the demonstration. Thousands of police were stationed within a radius of a mile from Downing street.

At the end of the first ten mile leg of the triangular course the Elsie again turned the head, turning at eleven o'clock. The Ralph Brown also had passed the Arthur James and was only twenty minutes behind the Elsie.

DR. CHOWN SPEAKS ON ENGLISH LIFE

Thinks the Country Cannot Maintain Supremacy Without Prohibition.

Toronto, Oct. 13.—Never has he seen England look so depressing, says Dr. S. D. Chown, general superintendent of the Metropolitan Police.

LOCAL NEWS

POLICE COURT. Howard Walsh and Mary Dora Griffin were before the police magistrate this morning charged with a statutory offence. They were arrested about 12.30 this morning by Detective Saunders and Plain Clothesman Bettie in a shack near Little River.

DEATH OF CHILD. Many friends of Mr. and Mrs. John M. Bates were sympathetic with them in the death of their infant daughter, Dorothy Ester Bates, which occurred yesterday. Funeral will be held at her residence, 80 Duke street on Friday.

PERSONALS. Mrs. (Dr.) Harold S. Clark (nee McCafferty) will be at home for the first time since her marriage on Friday, Oct. 14, afternoon and evening, at her residence, 340 Main street.

Dr. and Mrs. George P. Matthew left by yesterday's boat for Boston en route to New York.

F. J. G. Knowlton left for Montreal last evening.

Hon. W. P. Jones, K. C., returned to his home in Woodstock last evening.

Mr. and Mrs. W. E. Parrell and Mrs. Crangle, who have been in the city for the last few days, returned to their homes in Fredericton by automobile yesterday.

Mr. S. Carter, director and secretary of the St. John and Quebec Railway, will leave on Saturday afternoon for Victoria (B. C.), on a business trip that will probably engage his attention for six weeks or more. He will be accompanied by Mrs. Carter, who will visit relatives in the west, while Mr. Carter is absent in Victoria.

GOOD BREEZE FOR SCHOONER RACE OFF GLOUCESTER

Race Course off Gloucester, Mass., Oct. 13.—The racing members of Gloucester's fishing fleet, five schooners competing for the U. S. championship and international cup defense honors, sailed out of Gloucester today for the ocean race which was postponed yesterday.

Skippers of the big and little vessels of the fleet, the Elsie and the Philip P. Manitz, said the conditions were entirely to their liking. "Looks like a smart blow outside," Marty Walsh, skipper of the Elsie and of the cup winner Esperanto last fall, remarked with satisfaction.

Discussion today turned again to the Elsie and the Arthur James as the most likely contenders for honors. The Elsie G. Silva and the Philip P. Manitz are the two main contenders.

At the end of the first ten mile leg of the triangular course the Elsie again turned the head, turning at eleven o'clock. The Ralph Brown also had passed the Arthur James and was only twenty minutes behind the Elsie.

Gloucester, Oct. 13.—Five fishing vessels at 10 a. m. sped away on the forty mile race. The sea was smooth with a twenty mile westerly wind when the start was made.

The Elsie, largest of the fleet, was slightly in advance of the five crossed the line, with the Arthur James not more than a length behind. Other in the race group were the Elsie G. Silva, Philip P. Manitz and Ralph Brown.

The committee chose a course which started with a five mile run along the Cape Ann shore, thence around a thirty mile triangular course, ending at a stretch of five miles along the coast.

The Arthur James led the Elsie by fifteen seconds at the turn at the Cape Ann shore. The Elsie G. Silva turned at 10:27 and the Philip P. Manitz at 10:28.

SHIPPING

ALMANAC FOR ST. JOHN, OCT. 13. A.M. High Tide... 9.30 P.M. Sun Rises... 6.48 Sun Sets... 5.38

DISCUSS WORK FOR UNEMPLOYED

(Continued from page 1.) shelter could be built over the trench to protect the workmen.

To Make Pipe Here. He said he understood the price of cast iron pipe was due to drop soon and in addition he had heard that the McAvity people were planning the manufacture of pipe here, which would make the employment for the local people better.

Regarding the question of a city solicitor, Dr. Frink said the only solution to the present difficulty was to appoint a solicitor in council, it was decided to postpone the signing of the contract for the approval work until legal advice was secured.

On motion of Commissioner James it was decided to open the Committee meetings on Monday and Thursday mornings at 11 o'clock instead of 11:30 as formerly.

German Street Paving. Commissioner Frink announced that the estimate for the paving of German street, between St. James and British under the abutment scheme, was filed in council, it was understood that existing granite curbing was to be reset. It now transpired, he said, that there was no curbing in the block.

On motion of Commissioner James it was decided to open the Committee meetings on Monday and Thursday mornings at 11 o'clock instead of 11:30 as formerly.

W. F. MACLEAN

PORT MATTERS AT BOARD OF TRADE

Question of Facilities for Cable Shipment—Grain Conveyor Extension.

The council of the board of trade today was advised by the deputy minister of public works that the engineering branch had reported adversely on the extension of the grain conveyor system to berth 7, as recommended by the harbor committee of the board and other representatives of port interests, that when the matter was up a year ago no amount was included in the appropriation for the current fiscal year for St. John harbor to make any extension of the grain conveyor system, and also the whole of the appropriation granted was required for works under way in the harbor.

The harbor committee reported the action taken to provide facilities for shipment of live stock here the coming season. Mr. Chesley, agent of the marine department, had made a survey of Shad D, together with Supt. Woodman of the C. E. R., and Commissioner Bullock, and had proceeded to Ottawa with the information he had secured. The committee was hopeful that the facilities would be supplied.

The secretary reported that replies had been received from Fredericton, Chatham and Woodstock on the matter of the formation of an Associated Board of Trade for the province.

Correspondence between the Board of Trade executive and the Trade and Commerce Department, Ottawa, relative to the Franco-Canadian sample train visiting the maritime provinces and St. John was submitted by the secretary.

The deputy minister stated that he had taken the subject up with those responsible and had received no reply up to date. He did not think there would be any chance to come to the maritime provinces. The matter is still the subject of correspondence.

As Armistice Day would fall on the date of the next board of trade meeting, it was resolved to hold the next meeting on Tuesday, Nov. 1.

The secretary was authorized to distribute copies of "Hague Rules 1921," relating to bills of lading, upon receipt of them from the International Law Association of London, England.

CONDENSED NEWS

The French delegation to the Washington conference will be former Premier Viviani, Premier Briand, Senator Sarraut and M. Jusserand.

The Bank of England rate remains unchanged at 3 1/2.

New York, Oct. 13.—Business broadened during the morning but the movement was entirely at the expense of the independent stocks as well as indicated by the weakness of leading exchanges and a continuance of the 21-23 points. Helplessness among junior bulls became more marked.

The bid, along with another juvenile, was charged with breaking into summer residences. The boys were sentenced to four years in the reform school.

BOY INSISTS FATHER MET WITH FOUL PLAY

Wilkes-Barre Youth Charges That \$35,000 Insurance Policy Had a Part in Sudden Death.

Wilkes-Barre, Pa., Oct. 7.—Nathan Rigel, aged thirty-five years, died suddenly at his home this week, and his son, Benjamin Rigel, at once made the charge that the \$35,000 insurance his father carried on his life would likely prove a reason for his sudden death.

Mrs. Rigel was questioned today. She declared that when her husband showed signs of illness during the night she called two physicians and that they left her with no hope, she says, as administered.

Coroner F. D. Thomas investigated and decided that death was due to heart disease. The son refused to accept this verdict and demands that an autopsy be held.

BURIED TODAY

The funeral of John Sheeran was held this morning from his late residence, 128 Adelaide street, to St. Peter's church for high mass of requiem by Rev. G. Coffin, C. S. R. Interment was in the new Catholic cemetery.

'HUSH-MONEY' IN SHERBROOKE?

Sherbrooke, Oct. 13.—John Whittier, constable and bailiff of Godstow, was arrested and brought to the local jail today on a charge of having unlawfully sold corruptly in the township of Hereford, in April, 1921, receipts for himself the sum of \$225, with intent to influence corruptly in the administration of justice, and with intent to protect persons from punishment of the liquor laws.

It is alleged that investigations show that during the last few months quite an amount of "hush money" has been paid to officers by several persons.

LAST WORDS BY LLOYD GEORGE GETS READY FOR WASHINGTON. London, Oct. 13.—Prime Minister Lloyd George is preparing to go to Washington for the conference, and it is understood that unless unforeseen difficulties arise he will be there for the opening session.

Died in Fredericton. Fredericton, Oct. 13.—Mrs. Rebecca Beatty died this morning at the home of her sister, Mrs. Martha Beatty, after a short illness. She was aged seventy-nine. The body will be taken to Boston.

BIG PUR SALE AT F. S. THOMAS, MAIN STREET

With the near approach of winter the sale at F. S. Thomas' comes as an un- doubted boon to the people of St. John and the province in general. Thomas' has always been noted for its fine and distinctive stock, and the prices they are quoting on their furs bring these formerly expensive necessities within the reach of most pockets. Furs have advanced sharply in price within the past few months, and this is undoubtedly a wonderful opportunity for the public at large to anticipate their requirements. Sale begins on Friday morning, 8:30 o'clock sharp. 10-13.

**WOMEN'S COUNCIL
EXECUTIVE MEETS**

The executive of the local council of
women met yesterday afternoon in the
board of trade rooms and considered
matters that will be dealt with at the
next general meeting. Mrs. W. E. Raymond
presided. She spoke of the success
of the national council meeting which
she attended at Calgary. It was an-
nounced that Miss Mary Chesley,
of Lunenburg would be present at some
future time to give an address. Mrs.
Nellie McClung will visit the city next
month and a committee was appointed
to see about the entertainment of Mrs.
McClung. Mrs. Raymond said that
legislation was required to help women
and to have different cases tried by
women judges and jurors. Volunteers
to help at the Protestant Orphanage
Fair were asked for and support for that
event solicited. Arrangement for Poppy
Day and plans for the holding of hos-
pital day were discussed. Mrs. F. E.
Holman reported on the meeting of the
milk committee which had been held
previous to the executive meeting.
Twenty-eight babies were being supplied
and \$25 a week was being spent for
milk. Fifteen babies were already
adopted by individuals. Miss Alice
Fairweather reported on a visit to the
Halifax council where she had explained
the milk fund plan. The "National
Life", the new organ of the council, was
spoken of.

The Evening Times and Star

ST. JOHN, N. B., OCTOBER 13, 1921.

The St. John Evening Times is printed at 27 and 29 Canterbury Street, every evening (Sunday excepted) by The St. John Times Printing and Publishing Co., Ltd., a company incorporated under the Joint Stock Companies Act.

OUR VISITORS

St. John people will give an attentive hearing to Premier Meighen and his lieutenants, but they are neither dazzled by the brilliance of these statesmen nor in a mood to accept too much on faith.

THE NEED OF WORK

The editor of the American Contractor, Chicago, enters a protest against the habit of thinking that building is a seasonal affair, and asserts that the custom which attempts to absorb and distribute over a period of from five to seven months an overhead that naturally should be spread over a twelve months' period is folly.

THE GYPSY'S WARNING

Do not trust him, gentle lady, Though his voice be low and sweet; Heed not him who kneels before you, Gently pleading, 'tis his wont.

"OUT OF NOTHING NOTHING COMES"

Dr. J. D. Logan's Maxim of Fire Prevention—Nova Scotia's Loss This Year.

For the first time in the history of the Halifax fire loss, ended July 31, 1921, Nova Scotia's fire loss totalled the appalling sum of \$2,477,767; twelve persons lost their lives and five were injured. Practically a large portion of this waste of property and human life was preventable.

ANSWER TO THE GYPSY'S WARNING

Lady, do not heed his warning— Trust the stars above and me! Constant as the light of morning I will ever be to you.

Down beside the flowing river, Where the dark green willow weeps, Where the leafy branches quiver— There a gentle maiden sleeps.

WON'T JAIL POOR WHILE RICH GO UNMOLESTED

Denver, Col., Oct. 12.—On the ground that it is unjust to punish a lesser offender as severely as a more serious one, while wealthy social leaders of Capitol Hill, Denver's social section, are allowed to have their own private jails.

BASIC INDUSTRIES UP

Those who follow the basic industries and who depend on their prices as a barometer to general business conditions, point out that steel, copper and oil have all advanced during the last week under the impetus of increased buying.

REPRESENTATION

London Advertiser: Hon. W. S. Fielding can be trusted to frame for Canada a fiscal policy equal to the one that gave Canada her most prosperous years following the election of 1896.

REPRESENTATION

Requests are said to be pouring in to Ottawa from every point of importance in Ontario urging Premier Meighen to speak there—which means that the situation is growing desperate.

HYDRO-ELECTRIC AND WINNIPEG. Prediction That Cheap Power Will Develop Industries on Large Scale. (Canadian Finance)

It may fairly be argued that in a period of unemployment such as now exists, the country or any community could better afford a relatively higher cost of a given construction work than to have no work at all.

For the information of Premier Meighen, and that he may not waste too much valuable time in putting up a man of straw and knocking him down, the prime minister may as well be informed at the outset that the people of St. John accept without reservation the statement of Liberal leaders that free trade is no part of their policy.

Hon. Mackenzie King is no stranger to St. John. He will give a very hearty reception on the occasion of his visit this week. It is fitting that following the speeches of members of the government the leader of the opposition should discuss the issues of the day from the standpoint of Liberalism.

These provinces are handicapped by reason of their inability to get a market for the products of their industries, as well as their natural products. Their ports are neglected, Canada, in the view of the gentlemen at Ottawa, except at election time, begins at Montreal.

Hon. Mr. Baxter has discovered that a high tariff in the United States has not developed industries in Calais, Maine. It is an argument in favor of a high tariff.

Senator Knox, whose sudden death is announced from Washington, has long been a striking figure in United States politics. He was made attorney general by the late President McKinley in 1901, and has ever since occupied a prominent position in the political life of the country.

The Prediction Mail says: "There are many who are firmly of the opinion that Canada will never have real prohibition until the importation, manufacture and sale of intoxicating liquors is prohibited by a federal statute."

London Advertiser: Hon. W. S. Fielding can be trusted to frame for Canada a fiscal policy equal to the one that gave Canada her most prosperous years following the election of 1896.

Requests are said to be pouring in to Ottawa from every point of importance in Ontario urging Premier Meighen to speak there—which means that the situation is growing desperate.

When the uplifiers and upheavers will do a little more work of this kind it will do more to encourage the courts to enforce the laws we have than sentencing the poor devils to the jails and the penitentiary.

POOR DOCUMENT M C 2 0 3 5

THE EVENING TIMES AND STAR, ST. JOHN, N. B., THURSDAY, OCTOBER 13, 1921

PHILANDER C. KNOX, STATESMAN, DIES SUDDENLY

Washington, Oct. 12.—Senator Knox, of Pennsylvania, formerly secretary of state, died at his home here tonight after a stroke of paralysis.

Mr. Knox was on his way to the dining room at 6:15 o'clock when he suffered the stroke. He died fifteen minutes later without regaining consciousness.

Senator and Mrs. Knox returned from England only yesterday, where they had spent a vacation during the recent recess of congress, touring by automobile. The trip seemed to have benefited the senator and he had given no indications of failing health.

Philander C. Knox was attorney-general of the cabinets of Presidents McKinley and Roosevelt, secretary of state in the cabinet of President Taft and in the interim between these two offices and afterward was United States senator.

Mr. Knox was born at Brownville (Pa.), on May 6, 1853, and was named after a noted Episcopal bishop, Philander Chase. He was graduated from Mount Union College, Alliance (O.), in 1872, and admitted to the bar in 1873. In 1876 he married Lillie, daughter of Andrew D. Smith, of Pittsburg, by whom he had one daughter, Eleanor, wife of J. R. Tindle and three sons, Reed Knox, Hugh S. Knox and Philander C. Knox, Jr.

RECENT WEDDINGS

Elison-McNulty.
A quiet wedding took place last evening at the residence of Rev. F. D. Dowling, 88 Duke street, when Miss Alice Sicilia McNulty became the bride of John Edmund Elison. The bride is a daughter of Mr. and Mrs. Luke McNulty of this city and the groom is an operator employed at Courtenay.

Pierce-Brown.

George Pierce, East Souris (P. E. I.) and Miss Marion Brown, graduate nurse of Boston, daughter of Mr. and Mrs. M. A. Brown, Halifax, were married in the Cathedral at 6 o'clock yesterday morning with nuptial mass by Rev. William M. Duke. The bride wore a taupe suit with picture hat and a set of furs, the gift of the groom. Mr. and Mrs. Pierce left on a honeymoon trip to Halifax. They will reside at 25 Queen street, where the groom is manager for Stearns & Co. The bride is a sister of Mrs. Claude Richardson, 25 Queen street.

Brown-Todd.

St. Stephen, Oct. 12.—(Special)—A brilliant society event took place this afternoon in Trinity Episcopal church in which the happy principals were Miss Mildred Bolton Todd, youngest daughter of Mr. and Mrs. William F. Todd, of St. Stephen, and Lieut.-Colonel J. Carleton Brown, of the British Royal Engineers in Constantinople, son of Mrs. Minnie Brown and the late David Brown, of St. Stephen.

Rev. Percy G. Cotton, rector of Trinity, was the officiating priest, and the assembly embraced the youth and beauty of society leaders of the St. Croix with many guests from out of town. The church was profusely and beautifully adorned for the occasion in autumnal foliage and bloom.

The charming young bride entered the church on the arm of her father, by whom she was given in marriage.

Mrs. Charles Leroyer, of Winchester (Mass.), cousin of the bride, was matron of honor and the bride's attendants were Mrs. Howard Wheeler, of Manchester (N. H.), Mrs. Douglas Dyer, of St. Stephen; Mrs. Leroy Lavin, of Woodland, and Mrs. Howard Stannard, of New York. Little Miss Marjorie Mills was flower girl.

The ushers were Harold Farnsworth, of Winchester; Howard Stannard, of New York; J. Watson Gregory and N. Marks Mills.

McDougall-Moore.

The marriage of Miss Harriet Lodge Moore to William A. McDougall was solemnized yesterday at the home of Mr. and Mrs. Lindsay Carter, at Moncton. The ceremony was performed by Rev. J. A. Hamsay, pastor of the Presbyterian church. The bride was given away by L. W. Carter, her brother-in-law. Miss Blanche Carter of Salisbury played the wedding march, and little Madeline Carter acted as ring-bearer.

RECENT DEATHS

Helen Elva Mosher.
The death is announced at the Boston Children's Hospital of Helen Elva Mosher, daughter of William and Reta Mosher, formerly of St. John.

WITNESS IN CASE OF-MURDER WILL NOT TAKE FOOD

Montreal, Oct. 12.—Stanislas Tomachuk, held as a material witness to the murder of Onofre Batista and his wife, on last Friday, is refusing to take any nourishment, and has not eaten since Sunday night. He spurs all offer of food and says that "his heart is sick."

Every rubbish pile is a potential con- gration.

Protestants, awake! Orphanage Fair Daily Newsletter. St. John, N. B., Oct. 13, '21.

Greetings—Many Protestants have not yet awakened to the fact that this appeal is directed solely to them. It is very much to the credit of all other classes in the province that they have long since realized the importance of feeding, clothing, and educating the orphans. "Thou art the Man."

This appeal has been running for three weeks and it has not yet filtered into the minds of half who read that it is intended for them, others again who are well able to do big things are treating it in regard to donations, like they would a mere local bazaar, instead of as a province-wide appeal in aid of the orphans. If this should by any chance get under your skin and touch your heart, bear in mind that it is not too late to fulfill your duty by this cause.

Don't be narrow and get huffy because of a little straight talk intended to show you that you are as much responsible for the success of this movement as we are and perhaps more necessary.

A lot of people have taken Season Tickets to sell, some have done excellent work, a lot of others have laid down the law and are holding tickets that they or somebody else should be pushing. \$1 each, tickets wanted at Rink on Friday and Saturday, day and night. Bring hatched and saw.

Address: James E. Arthurs, P. O. Box 13, city.

PROTESTANTS, AWAKE!

MALNUTRITION OF SCHOOL CHILDREN

Of Montreal Group of 300, 27 per cent. Were More Than 5 per cent Below Standard Weight—Medical Inspections.

(Montreal Gazette.)
The malnutrition of children, and the result of observations made in the public schools of the city, showing that a group of 300 children, 27 per cent. were over 5 per cent. below standard weight, form the subject of an article by Dr. J. G. Browne, in the Health Bulletin, published by the Montreal Health Department.

Dr. Browne also calls attention to the medical inspection in schools to which he says enough attention has been paid. "One of the great advances made in the education of children has resulted from the introduction of medical inspection of all children attending the public schools of the city."

He said, further:
While innumerable advantages have resulted from the careful examination of teeth, skin, eyes, ears and throat conditions, there has been one defect, to which sufficient attention has not so far been paid: I refer to the nutrition of the child.

Observations Made.
During the past year, some observations were made on the nutrition of children attending some of our large public schools. A special record has been established for 300 children whose heights and weights have been compared with the standards as prepared by Dr. Thomas D. Wood, of New York.

It was found that eighty-two children (27.3 per cent.) were over 5 per cent. below the standard weight prescribed. Of these, thirty-four, or 11 per cent. were over 10 per cent. below the standard, and forty-eight, or 16 per cent. were over 5 per cent. below the standard. The most marked case was one of a boy who was twenty-four pounds underweight.

While these figures are insufficient to draw conclusions from, still they are ample to show us the importance of further investigations along this line, and I have strongly recommended that scales and measures be placed in all public schools for use as an important part of the routine medical inspection.

Each case must be decided on its own merits:

- 1.—Careful examination by the physician for any physical defect which should be remedied.
- 2.—Visits to the home by the nurse to ascertain details of food, sleeping rooms, fresh air, any inherited weakness, or tuberculosis in the house.
- 3.—An endeavor to send these children to the country during the summer vacation. Before long, I hope to see summer camps established by the state in which these children may be sent and in which they may learn discipline as well as the value of a good meal.
- 4.—In conclusion I wish to say that every case in which underweight is noted is not necessarily a serious one, but it is the duty of the physician to determine whether it is serious or not—by careful examination of the child, by investigation of his home life, and by enquiry into his family history.

The physician should remember that the case of malnutrition of today may be one of tuberculosis of tomorrow, and not forget the old adage, that an ounce of prevention is worth a pound of cure.

An Overland sedan, the ownership of which is a mystery, was burned some time during Tuesday night in the Manuella road. The body was completely burned off, nothing being left but the chassis. The license plates had disappeared from the car.

Store open at 8.30 a.m.; close at 5.55 p.m. Saturdays, 9.55 p.m.

KING STREET • GERMAIN STREET • MARKET SQUARE

STAINLESS IRON MUCH USED.

Will Soon Make Appearance in Door Mats and Mattresses.

The extent to which stainless steel has revolutionized the Sheffield cutlery trade is well known, but it is not so generally appreciated. The London Times' Trade Supplement points out that stainless iron is of equal importance. Both materials, says The Times, were discovered seven or eight years ago and soon afterward it was found that stainless iron could be produced by the same process, with the exception that a smaller quantity of carbon-free ferro-chrome was required.

Stainless iron has been largely used for the production of golf clubs; it has attracted the attention of makers of stove grates, and is being used for kitchen ranges, grates and fenders. An important and useful direction in which the material has been applied is in the fitting of motor cars; it is supplied in sheets for making hoods, and there is no contemplation is greater use for bodies, and, since it does not tarnish, for up into a wide variety of kitchen utensils and is used for shop signs and door plates. One British firm is producing the material in wire form, to be made up into door mats, and it is also being used for spring mattresses.

Another important development in contemplation is the use of stainless iron for the furnishing of railway carriages, engines and rolling stock generally. The proposal is that it should replace brass for door handles, brackets and many other fittings.

QUEEN SQ. THEATRE
BIGGEST FILM EVER
SHOWN IN ST. JOHN

"Over the Hill" Most Powerful of All Modern Motion Picture Dramas.

One of the great epoch-making photo-plays of many years is the beautiful William Fox photo drama of mother-love entitled "Over the Hill," which will be seen all next week at Queen Square Theatre.

Founded upon the famous poem by Will Carleton, this simple story of the devotion of a mother for her children in spite of the trials and tribulations to which they subject her, is one of the most appealing and lovable stories ever screened. Staged under the direction of Harry Millarde, it has relied for its great strength with the public upon the simple theme and plain story of a mother and her family whom she carefully rears and protects.

There is no suggestion of big massive scenes, no spectacular effects, no crowds—nothing but the simple, thrilling and powerful story that touches the heart of all humanity and brings everyone to realize the love and affection with which a mother's memory should always be revered.

Produced in New York by William Fox in September of 1920, without ostentation, without undue exploitation, without any furor or newspaper fireworks, the fame of the simple and beautiful picture, "Over the Hill," spread like wild-fire. All who saw it sent hundreds of their friends. Newspapers hailed it as one of the great and crowning artistic triumphs of the motion picture world. Clergymen preached sermons about it. Editors wrote editorials advising every mother's son and daughter to see "Over the Hill." The result of this word-of-mouth advertising was to send such crowds to see "Over the Hill" that William Fox repeatedly extended the engagement, leading one theatre after another and moving "Over the Hill" continuously until it was finally presented at six different theatres on Broadway. It must be remembered also that "Over the Hill" was presented in leading first-class Broadway theatres, at the top scale of \$2 for the best seats, and for many weeks this single attraction playing daily matinees drew the remarkable gross business of more than \$22,000 per week. These figures are absolutely accurate and have been the marvel of all who have been familiar with the presentation of feature pictures on Broadway.

The story of "Over the Hill" deals with a mother, acted by Mary Carr, who endeavors to raise her children in the path of righteousness and with that end in view she makes every sacrifice so that her children may have the proper schooling and comforts. Unfortunately, her husband is a genial good-for-nothing, who even goes so far as to become involved in a crime rather than work. In the family there are four brothers and two sisters. John, the black-sheep of the family, is a lovable, harem-scurum boy, who is constantly getting into mischief, while Isaac, the eldest, is a cad and a hypocrite.

Finally, the children are grown to manhood and begin life's occupations. The two sisters marry. Isaac, the cad, becomes a prosperous business man, and only John, the black-sheep, is left alone with his mother, although he, too, has a sweetheart. The father, careless, lazy, and good-for-nothing, is accused of horse-stealing and circumstances are such that to protect his father from going to jail, John takes upon himself the burden of the crime. It almost breaks

You have a right to be critical about your hat.

But just put on one of the new Fall Stetsons, and—like thousands of other men—you will marvel at the personal way a Stetson fits you. Authoritative style and quality that assures a long season of smart wear.

the heart of his mother and of his pretty sweetheart when he is sent to prison for a crime he did not commit, but the weak father, hesitating to confess the truth, permits the sacrifice.

Three years pass. John is released from prison and comes back home to find his father is dead, his mother has been neglected by all of the other children, and the hypocritical Isaac has even appropriated for his own use the money that should have gone to support his aged mother. She has even been evicted from her own home and sent to the poorhouse. How John comes to the rescue, saves his mother from poverty, punishes his hypocritical brother and drags him through the streets, is told in vivid and dramatic scenes. John's faithful sweetheart, ever confident of his innocence, welcomes him with open arms, and it is a happy home indeed when the mother returns to her old home to find that even though some of her children may have neglected her, the black-sheep turns out to be the only white one, all wool and a yard wide.

This beautiful and convincing story and exquisite photoplay of mother-love is presented with a special musical setting.

RESTIGOUCHE MAN GETS EIGHT YEARS

Dalhousie, Oct. 12.—(Special)—Manuel Grandin, of Lorne Settlement, whose case was postponed by his honor Judge McLatchy, from Monday till Wednesday, was tried on Wednesday in the county court. Pleading guilty to charges of breaking, entering and stealing from the McKay store at Nash's Creek, at night, on two different occasions, Grandin was sentenced to eight years in Dorchester penitentiary.

FINE PICTURE
AT QUEEN SQ.
THEATRE

Katherine MacDonald at Best in "Trust Your Wife."

Katherine MacDonald, the personification of feminine loveliness, has been making great strides of progress with her histrionic talent. Realization of this fact is forcibly brought home by her latest starring vehicle, "Trust Your Wife," which opened an engagement to a capacity house at the Queen Square Theatre last night. The vehicle is unquestionably the best that has yet been given the charming star, and it provides her with a wide range of opportunity to display her art as an emotional and dramatic actress.

"Trust Your Wife" is adapted from Harry S. Sheldon's stage play, "Conscience." In it Miss MacDonald gives a splendid characterization of Margot Hastings, the bride of a young western architect who goes to New York to put over a money-making scheme on a "shoe string." The newlyweds put on a big "front" in the metropolis, living in a sumptuous apartment which is really beyond their means. Dick endeavors to bet the backing of Slater T. Holcomb, financier and roue. Holcomb, who is attracted by architect's beautiful young wife, promises to advance money, but later, when he learns of their true financial condition, he tells Dick that he must put up \$25,000 of his own in the scheme. Dick is discouraged, and a letter from his bank calling in a note doesn't help matters any. Margot determines to secretly visit Holcomb to induce him to continue with the contract. She finds him half-intoxicated on whisky at night, and she pleads with him to finally arouse the Holcomb's conscience. She leaves the cabin, but before she can disembark the yacht slips slowly

TRANSPORTATION IN FAIRVILLE

When asked yesterday, Councillor John T. O'Brien said that a meeting of the Lancaster highway board, to consider a letter of the New Brunswick Power Company in regard to jetties traffic in Fairville, would not be held until after the municipal elections next Tuesday. The councillor was of the opinion that the matter would be settled to the satisfaction of all concerned.

Several Fairville residents had made complaints that the city jetties operated in the county without paying a parish tax, and the councillor thought that residents of Lancaster ought to be able to operate in the city in a like manner. He thought that the city and county should reciprocate.

THE LABOR PARTY.
A meeting of the executive of the recently formed labor party was held last evening in the Trades and Labor hall, Prince William street, when further progress was made in organization. Several names were added to the executive of representatives from the various parishes and Albert county, and sub-committees were formed. It was said that everything being completed to put candidates in the field. Another meeting is expected to be held in the near future at which a nominating committee will be formed for the purpose of bringing before the party the names of suitable candidates. It was said that the party in choosing the candidates would not necessarily confine itself to the ranks of labor.

AUTOMOBILE BURNED.
An Overland motor car, owned by William Peterson, was badly burned last evening about 10 o'clock, near Moosepath park. Mr. Peterson and Constable Stevens worked hard with pails of water trying to extinguish the blaze. All that was saved were the tires and the lower part of the car.

ly down the river. Dick, who has been informed of the proceedings by another woman who had entered Holcomb's life, arrives at the pier just in time to see the vessel gliding away.

MISSION MEN'S CLUB BANQUET

About sixty men attended the annual banquet and entertainment of the Men's club of the Mission Church of St. John Baptist, Paradise row, in the parish hall last evening. An excellent dinner, served by the ladies of St. Monica's Guild, was presided over by the priest in charge of the church, Rev. Fr. John V. Young. After the tables had been cleared there was a social and entertainment programme, which included timely addresses by Rev. Father Young, H. B. Schofield and Col. E. T. Starcke, wardens. There were two piano solos by Neville McKenzie. The remainder of the evening was spent in social intercourse, games and smoking. Pies and cakes left from the banquet was disposed of at auction by Fred Hamilton.

TWENTIETH ANNIVERSARY.

The twentieth anniversary of the formation of Court Wygoody, No. 473, I. O. F., was celebrated last evening in Orange hall, Market building, Charlotte street, with a large number of members taking part. Mrs. F. E. Whippley, the chief ranger, was in the chair. A short business meeting was first held, following which the doors were thrown open to the friends of the members. A programme was carried out consisting of readings by Miss Ethel McGinley, vocal solos by Miss Tobin and speeches by Duncan G. Lingley, E. J. Todd and L. F. Simmonds. All the speakers dwell on forestry work and how the organization had grown from a small beginning twenty years ago until today the lodge had a large membership. It is interesting to note that the anniversary was held in the same building in which this lodge was formed twenty years ago. Following the serving of refreshments, a delightful evening was brought to a close.

For Lovely Whitewear

Are you proud of your lingerie? Do you find yourself mentally comparing it with what you see in shop windows and in the wardrobes of your friends, and wishing yours were a bit different? You can have just the kind you most admire. HORROCKSES' "DIAPHANE" is a new material which was created with just one purpose in view—to make it possible for a girl to make the kind of "undies" she craves, and at a moderate cost.

DIAPHANE is a soft, clinging cotton fabric with a silky finish which lasts as long as the garment is worn. It comes in white, pink, sky, mauve, and all the soft art shades, and is especially adapted to the exquisite embroidery and lace, frilly trimming so much in vogue. If you prefer heavier cotton for any purpose, there are the famous HORROCKSES' Madapolams, Cambrics and Longcloths, and for baby clothes HORROCKSES' Nainsook is the choice of discriminating women.

What Canada's Mothers know about the Baby's Sleep

IT'S the rare mother who has not built a definite program for Baby's sleep out of the facts presented by Simmons Limited. The jar and noise of the unsteady or creaky bed are even more injurious to the sensitive nervous system of a child than to an adult. Regular sleeping habits—the long hours of deep, health-building slumber—are possible only when the crib invites perfect relaxation of nerve and repose of muscle. Make a Simmons dealer prove to you how much better a Simmons Crib is than an ordinary crib—and what it promises for the wholesome tone of Baby's nervous system.

Look at Simmons Beds, Springs and Mattresses at Your Dealer's

Or write us. We will arrange for you to see Simmons Metal Beds, Cribs, Day Beds, Springs and Mattresses. Each marked with Simmons name and Built for Sleep.

He will show you Simmons Beds in the beautiful Period Designs. Built of seamless Square Steel Tubing with the noiseless Pressed Steel Corner Locks. Your choice of Ivory, White, Hardwood effects and Decorative Colors. Simmons Springs—flat, resilient, restful; in every way worthy to go with Simmons Beds and Mattresses. Simmons Mattresses are sanitary—built of pure, clean, new cotton. Sealed in carton roll in the Simmons sun-flooded work-rooms. Four styles—distinguished by Labels of different color. THE EVENING TIMES AND STAR, ST. JOHN, N. B., THURSDAY, OCTOBER 13, 1921

TORONTO BUDGET FOR CHARITIES

To Raise \$450,000 for 52 Charitable Institutions in Three-day Campaign.

(Toronto Globe)
Great enthusiasm was expressed during the first meeting of the campaign committee of the Federation for Community Service held in the Board of Trade headquarters last night. This meeting marked the first step in the campaign to raise \$450,000 for the 52 charitable institutions participating in the Federation's 1922 budget. The campaign this year will take place on November 9, 10, 11, and there is a possibility that the Federation will need more than the \$450,000 objective if one other organization is received into membership.

Adopt New Slogan

The slogan for this year's campaign will be "Suppose Nobody Cared?" and the Federation expects 60,000 people in Toronto to respond "I Care" by helping to attain the objective with their contributions.

Last night's meeting was attended by far more workers than were present at the opening meeting of last year's campaign, and this is taken as a hopeful sign. The workers realize that, with present business conditions, they will not have an easy task reaching their objective, but with a great number of capable volunteers coming forward to assist, a feeling of optimism prevails.

A very cordial letter from his Honor, Lieut. Governor Harry Cockshutt, announcing his willingness to assist the campaign with his patronage, was read to the meeting.

H. G. Stanton is Chairman.

Mr. H. G. Stanton, Chairman of the Campaign Committee, presided at the meeting, which was preceded by a dinner. Mr. Stanton was introduced by Mr. Geo. H. Howell, Chairman of last year's campaign, who outlined the progress made by the Federation during the year, and also said the Federation was to be congratulated on securing the services of so able a man as his successor, Mr. Stanton.

Mr. Stanton outlined the plans of the campaign, showing how the territory had been divided and particular lists prepared, carefully covering the whole city, for the guidance of canvassers. He called upon the organizations interested in the campaign to furnish workers to the number of at least 2,500.

Many Organizations Represented

Representatives were present from the various organizations in the Federation, and also from such societies as the Rotary, Kiwanis, Gyro and Lions Clubs, the Knights of Columbus, and others who lend valuable aid in the campaigns each year.

Representatives of the various organizations affiliated with the Federation addressed the meeting and told how much easier their work had been since they were relieved of their financial burdens by the Federation. Freed from the necessity of soliciting and raising their own funds, they had been able to devote their whole time to their real work—that of helping the sick, aged, poor, etc.

Mr. M. C. McLean, Secretary of the Federation, presented a report which concisely set forth in figures the immensity of the work done by the many organizations included in the Federation for Community Service.

Says Ten Per Cent. Reasonable Rent

A net return of ten per cent. was fixed as a "reasonable rent" under present financial conditions by the Supreme Court in Brooklyn, N. Y., but it added that "such a percentage might be excessive if the evidence showed a different situation regarding other investments."

The judgment said in part: "The following is laid down as the sensible way to determine the questions involved: (1) determine the present fair market value of the premises. This may be done by offering opinion evidence as to both fee and rental value or by introducing other competent evidence; (2) determine the gross rentals demanded by the landlord; (3) determine the allowable operating expenses for the last year. These ordinarily consist of payment for taxes, water rates, insurance, janitor services, necessary legal expenses made by the landlord incidental to maintaining his right to possession and necessary expenses actually paid out for collecting rents; also necessary current repairs for the year. Allowance should also be made for loss of rents by reason of vacancies or tenants failing to pay; allowance for annual depreciation, if established by fair proof, should be made upon the fair market value of the building.

(4) Deduct from the gross rentals the operating expenses, and this will give the net rental; (5) if this net rental does not exceed 10 per cent. of the present value of the property, then the rent demanded is not unreasonable. The reasonableness of a rent charge may vary under changing financial conditions. Upon the proof in this record (the case at bar) showing the return upon other well recognized and generally accepted forms of investment, we think that 10 per cent. as a net return to an owner of real property is not unreasonable, but such a percentage might be excessive if the evidence showed a different situation regarding other investments.

It is the appellants' (tenants') contention that the landlords are entitled to a fair return only on the amount of cash actually paid as part consideration for the premises. The contention is clearly unsound.

Wonderful Seal Coat Bargains

For Friday and Saturday Only

MARY IRENE WARD

At the house of the grandmother, Mrs. Norris, widow of Albert Norris, Barnesville, little Mary Irene, aged one year and two weeks, daughter of Mr. and Mrs. William Ward, passed away at five o'clock on Sunday morning, October 9th. The funeral took place from the house at two o'clock on Tuesday afternoon. Interment being in the Barnesville cemetery, Rev. A. Lawrence Tedford, of St. John officiated. The little child had, but last week suddenly took ill with cholera infantum and after two or three days the little spirit went home. Just one month, to the hour, from the passing of her grandfather, Albert Norris. This is the second broken link in the family. Mr. and Mrs. Ward and their little daughter, together with all the family, have the sympathy of many friends in this sad parting.

"WAY DOWN EAST" UPHELD BY COURT

Appeal from Decision of the Board of Censors Allowed and Photoplay Can be Shown in New Brunswick—Judge Crockett's Decision.

The management of Imperial Theatre, acting on behalf of the United Artists' Corporation of New York as allied with the firm productions of David Wark Griffith, this morning received official communication from the reporter of the Supreme Court at Fredericton notifying them that the screen version of "Way Down East," passed on to the higher authorities for final censoring, was now available to the exhibitors of New Brunswick without alteration.

This settles a film matter of considerable importance, not only because of the extraordinary character of the picture itself, but because New Brunswick is only one of two censor areas in the world where it was questioned. The other province is Quebec, but late advice indicates a removal of the ban in that province also.

Imperial Theatre appealed to the Supreme Court for final judgment, having the concurrence of the Board of Censors in this action, as that body was about decided in its opinion on certain brief scenes in the thirteen-ree production. Because of the magnitude of the Griffith masterpiece it was felt, by all parties that the Supreme Court test should be applied.

"Way Down East" is a class of picture not as yet attempted in this section of Canada, but has been playing the metropolitan centres for a considerable time at regular stage-play prices. It is credited with being the most extraordinary picturization of the well-known story and play, and consumed more than two years in photographing its scenes in the natural out-of-doors during the round of the four seasons.

FOUR IN COURT IN MATTER OF JAIL BREAK

Fredericton Case Taken Up—Many Expected in Capital for Baptist Convention.

(Special to The Times.)
Fredericton, N. B., Oct. 13.—James Briggs of Queens county and Wilfred Lilly of Marysville, who sawed their way out of the York county jail on Tuesday, appeared in the police court this morning on a charge of jail breaking. Walter Phelps of McAdam and Albert Willison of Chatham were charged with attempting to escape by assisting in the cutting of two window bars. They pleaded not guilty. The four were remanded until this afternoon.

An influx of delegates to the United Baptist convention of the maritime provinces will begin tonight. Some 300 people are expected. The United Baptist Institute, composed of ministers of the denomination, will hold its sessions on Friday morning, afternoon and night. The convention will open on Saturday morning at 9.30, and will close on Wednesday at noon.

Rev. Dr. Henry Alfred Porter of Atlanta, Ga., who is to be in charge of the devotional meetings during the convention, arrived here at noon today. While here he will be the guest of relatives. Rev. Dr. Porter is a former resident of Fredericton.

POLITICS AND THE CITY

The executive of the Liberal party in the city at a recent meeting decided that in view of the attitude of the city council they would not plan to hold a parade here during the visit of Hon. W. L. Mackenzie King. Mayor Schofield said this morning that he had received an application from the Conservative committee for permission to hold a parade tonight here. The Premier Meighen meeting in the army, but on his suggestion the plan was abandoned. Commissioner Frink said that he had received an application for the use of tonight's meeting. He had complied with the understanding that the seats were to be available for the Liberal meeting, should they be required. He said that his idea was to keep the attitude of the city council free from any partiality in the present campaign.

Hon. Arthur Meighen, Hon. Dr. J. B. M. Baxter and Hon. F. B. McCordy arrived in the city today from St. Stephen in business car 100 and sleeping car Chaudier, which were attached to the Boston train. The party went through to Sussex in the private car Chaudier, where they will address a convention of conservatives from Kings and Queens counties. They will return to the city this evening.

U. N. B. SEEKS NEWS OF ALL SONS AND DAUGHTERS

A Committee Starting Work Getting Information About Former Students and Graduates.

(Special to The Times.)
Fredericton, Oct. 16.—A committee appointed at the encenia meeting of the associated alumni of the U. N. B. in Fredericton in May, to take steps to obtain information concerning U. N. B. alumni and alumnae, is preparing to take up its work. The intention is to compile a list of all graduates and former students, showing where they resided at present, their occupation and other information which may be of assistance in keeping them in touch with their alma mater and with fellow-graduates. It is possible that the data secured will be used for a year book similar to that published by other universities.

The information desired is the full name, the maiden name in case of marriage of female, present address, course taken at university, date of enrollment and of graduation, period of attendance at university if degree not taken, honors and distinction, degrees received from other universities, was service, public offices held, books or works published, and other data of interest.

The work of this committee is connected with a campaign for the war memorial, which is to take the form of a building. The commercial depression of the present year has interfered with that campaign, but it will be conducted when conditions are more favored.

Miss Sadie G. Gibbon of Stanley and William A. McNutt of this city were married on Wednesday evening in George street Baptist parsonage in this city, by Rev. Z. L. Fash. The bride was dressed in a blue traveling suit, with hat to match. They will make their home in Fredericton.

WARMER UNDERWEAR AT LOWER PRICES

FOR WOMEN AND CHILDREN

Only the leading and most reliable makes are stocked by us, such as Turnbells, Watsons, Zenith and Velva, so when you make a selection you know you are getting the best.

The prices this season are much more reasonable than they were, which is also a big feature. Shown in Combinations or Separate Garments.

Consider the Kroehler Daven-O

Before buying either a bed or a davenport consider carefully the advantages of the Kroehler Daven-O, a wonderful showing of which we now have.

The Kroehler Daven-O is a bed and davenport combined. Folded it is a davenport of rare beauty and comfort; unfolded it is a bed of full size and equipped with a luxuriously comfortable, removable mattress.

Fitted with Kroehler sagless metal folding bed frame and springs.

Window now shows an attractive line. Step in and let us explain in full detail.

F. J. BOWLON WINS CITY CORNET BAND'S BIG PRIZE OF \$500

The City Cornet Band fair was brought to a close in the St. Andrew's rink last evening with the drawing of the tickets in the "trip around the world" feature of the fair. The drawing was attended by a large and curious audience which stayed until late in the evening when all the largest prizes had been already decided.

The main prize of \$500 was won by F. J. Bowlon who is employed in O'Neill's Pharmacy, 109 Prince Edward street. The second prize of \$250 was won by Miss Mary E. McCann, of 161 Bridge street. The third prize of \$150 was won by Edward McCann, who resides in St. Patrick street. The fourth prize of \$75 was taken by John Windle of 92 Rockland road. The \$50 prize was won by J. M. Burns and J. E. Conlon jointly.

It was announced last night that these prizes will be given to the lucky winners from J. Connelly's store, 31 Water street.

Studebaker
LIGHT-SIX SEDAN \$2775

BUILT complete in Studebaker factories, and with Studebaker's 69 years of experience in fine coach building behind it, the LIGHT-SIX SEDAN, at its new low price, represents the highest value in enclosed cars ever offered to the public.

The finely finished body of Studebaker Blue, upholstered in gray mohair velvet plush, is mounted upon the dependable LIGHT-SIX CHASSIS. The 40-horsepower motor is remarkably flexible and free from vibration than any other light six-cylinder motor yet produced.

You are invited to inspect this car at our Show Rooms.

Nourishes baby to robust health

EPIDEMIC OF FIRES

raging throughout the country. Every hour of the day and night.

THE TORCH OF CARELESSNESS brings destruction to somebody's property in New Brunswick.

FIRE is a good servant but a bad master. It ruthlessly kills, maims and destroys thousands of lives and many millions of dollars worth of our substance annually.

This destruction can be largely prevented by correcting hazardous conditions such as disordered, accumulation of rubbish and litter, carelessness, defective equipment, faulty construction and insufficient protection.

THE BOYS AND GIRLS OF THE PROVINCE are going to inspect our homes.

HELP THEM TO PREVENT FIRES BY REMOVING THE CAUSE. It will make you healthier, happier and more prosperous, and aid the housing situation.

DYED HER DRESS AND CHILD'S COAT

Buy "Diamond Dyes" and follow the simple directions in every package. Don't wonder whether you can dye or tint successfully, because perfect non-dyeing is guaranteed with Diamond Dyes even if you have never dyed before. Worn, faded dresses, skirts, waists, coats, sweaters, stockings, draperies, hangings, everything become like new again. Just tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton, or mixed goods. Diamond Dyes never streak, spot, fade, or run.

NEW PROVINCIAL SECRETARY CHOSEN

The holding of the Wallace Nesbitt junior first aid competition among boys, scouts, girl guides, cadets and similar organizations this season was considered at a meeting of the New Brunswick Council of the St. John Ambulance Association, held yesterday afternoon in the Red Cross rooms. This competition was felt to be most important for the advancement of first aid interests and it was decided to extend an invitation to Colonel A. B. Snow to represent the cadet corps on the council. A committee consisting of W. S. Allison, Judge H. O. Melnerney, A. C. Skelton, Colonel Snow and Miss Irene Harber was appointed to make all arrangements for the holding of the competition this year.

Dr. Murray MacLaren, the president, was the chairman of the meeting and in his opening remarks referred to the excellent work accomplished for the association at the St. John exhibition by those in charge of the first aid booth. A hearty vote of thanks was extended to the committee, of which Mrs. J. Boyle Travers was convener, and to Mrs. A. M. Rowan and Miss Marion L. C. Magee. A. C. Skelton gave the treasurer's report.

The appointment of Miss Irene Harber to succeed Miss Marion L. C. Magee as provincial secretary was confirmed. Miss Magee's departure was much regretted and the best thanks of the council were expressed for her valuable and efficient services during the last year.

W. M. S. SHARE IN ANNIVERSARY

Continuing the anniversary services of Carmarthen street Methodist church, a largely attended missionary meeting was held in the church hall last evening. Mrs. Fred Morrissey, president of the church, presided. The singing was by a ladies' choir. Mrs. MacLavin has an address, describing her personal experiences in Trinidad and British Guiana, which she had visited in order to see for herself the conditions under which the missionaries labored. Fifty-three years ago, Mrs. MacLavin said, Rev. John North opened a Sunday school

MISS EDWINA ASHLEY, WORTH \$100,000, IS ENGLAND'S RICHEST GIRL

Miss Edwina Ashley, twenty-year-old granddaughter of the late Sir Ernest Cassell, is now the richest woman in England and one of the wealthiest in the world. On the recent death of her famous grandfather she inherited a fortune estimated at \$100,000,000. Miss Ashley is the only grandchild of Sir Ernest. King Edward was godfather to Edwina, hence her name.

SCHOONER LOST NEAR MACHIAS

Southwest Harbor, Me., Oct. 12.—The two-masted schooner Seth Neyman, of Machias, was wrecked today on Baker's Island in a fog while bound light from Machias to Blue Hill. Captain Matthews and his crew of two men reached shore safely.

The schooner, which registers forty-seven tons, is expected to be a total loss.

Get rid of that pile of rubbish today.

There is a richness—a peculiar tang—a mellowness in the taste of

The Iron Food for Vitality

True vigor and vitality depend on the iron in the blood

Real Raisin Pie

—you don't know it, unless you've tasted this one. Try the recipe and see

WHEN made correctly—it is easy—Raisin Pie rules in its own right as the Pie Supreme—man's favorite food-dessert.

Do you use a recipe like this one—have you ever tasted raisin pie made exactly in this way?

If not, you're unfamiliar with real raisin pie—the flavory, energy-producing dessert that furnishes the blood with food-iron and helps to keep vitality up to par.

You need but a small bit of iron daily, yet that is vital. A million workers probably are refreshed daily by the digestible, quick-acting nourishment and vitalizing iron of raisin pie.

Whether you work indoors or out, you need this vitality.

SUN-MAID RAISINS

Use Sun-Maid Raisins, made from California's finest table grapes—(grown without seeds). Clusters (on the stem). Also a fine, ever-ready dessert.

Raisins are cheaper by thirty per cent than formerly. See that you get plenty in your foods.

CALIFORNIA ASSOCIATED RAISIN DEPT. P-368-25, Fresno, Calif. Membership 12,000 growers.

Raisin Pie

Mrs. are quickly refreshed at night by a dessert like this

1 cup Sun-Maid seeded Raisins
2 cups water
4 teaspoon salt
1 tablespoon lemon juice
1 tablespoon corn starch
1 tablespoon sugar

Wash the raisins, put in saucepan with 1 cup cold water and bring slowly to a boil. Add sugar, salt and corn starch which has been mixed with 1 cup cold water. Boil 3 minutes; add lemon juice. Pour in pie tin which has been lined with crust, while hot cover; brush top with cold milk and bake in moderate oven until brown.

All measurements for this recipe are level.

THE EVENING TIMES AND STAR, ST. JOHN, N. B., THURSDAY, OCTOBER 13, 1921

PORT WORK AT VANCOUVER

The Ballantyne Pier will Cost About \$6,000,000.

Pacific Port Getting Ready for Big Business—The Grain Elevator—Storage for Timber—Reclaiming Land.

Premier Meighen will no doubt have something to say about harbor development in St. John. Just to encourage him the Times quotes from the last issue of the Shipping and Exporting Register the following account of what is being done at Vancouver:

Ballantyne Pier.

This pier, so named in recognition of the interest taken in the development of the port by the Hon. C. C. Ballantyne, Minister of Marine and Fisheries, was designed and is being constructed under the supervision of Consulting Engineer A. D. Swan, M.I.C.E., and will, when completed, be one of the most substantial, commodious and best-equipped piers in the world.

Its situation is on the south shore of the central part of the harbor, about 1.3-8 mile east from the city post office, and its dimensions are 1,200 feet in length and 341 feet in width, with a shore quay 936 feet long and 860 feet wide.

The type of construction is a solid sand and gravel embankment filling with reinforced concrete cylinders along the sides and outer end. The sand and gravel filling forming the heart of the pier is about 134 feet wide at top, and at the inner berths where the basins are to be 35 feet deep at ordinary low water there are four rows of reinforced concrete cylinders resting on solid rock and carrying precast concrete trusses which support the floor or deck of the pier. At the outer berths, where there is a minimum depth of 40 feet at ordinary low water, there are three rows of reinforced concrete cylinders.

The front line of the transit sheds will be constructed about 30 feet back from the cope line of the pier so as to permit of two lines of railway tracks along the front of the sheds and single rail at cope level for semi-portable cranes.

Transit sheds, three of which are 500 feet long and one 400 feet long, are all of reinforced concrete, two stories in height, 110 feet in width, with loading platform in addition at the back of the sheds.

Between the sheds along the centre line of the pier there is accommodation for three railway tracks and a roadway for wagon and motor traffic.

The ground floor of the sheds at the front is at the same level as the cope of the pier and will be constructed on an easy gradient from the front to the back, so as to obtain the requisite height to permit the floor of the railway cars being at the same level as the floor of the sheds, the roadway level being practically the same as the cope level. This system of avoiding depressed railway tracks has been adopted at certain of the most modern ports in Great Britain, and has proved a great success.

The most modern equipment for handling cargo will be installed, including a number of semi-portable electrical cranes along the front of the sheds, capable of handling cargo either to or from both floors of the sheds and the holds of the largest vessels afloat. Inside the sheds

electric freight trucks, electrical conveyors and elevators will be provided.

The total cost of this development will be about \$6,000,000.

Terminal Railway and Car Ferry Service

The construction of a service track on the north side of the Canadian Pacific Railway to connect the Ballantyne pier with the Dominion government wharf—a reinforced concrete structure 800 feet by 300 feet, about three-quarters of a mile to the east, and at present allotted to and operated by the Canadian Government Merchant Marine—has been approved by the board of railway commissioners. This will be the first link of a terminal railway system which it is intended will ultimately embrace both the north and south sides of Burrard Inlet, extend southerly to connect with the Canadian National terminals and skirt the south shore of False Creek to Granville Island—a fully occupied industrial area of approximately 30 acres, reclaimed by the commissioners in 1914—continuing westerly to the Kitsilano Reserve, an area comprising 80 acres, of which a survey has been prepared for future industrial expansion.

To link the north and south shores of Burrard Inlet the construction has been approved of an eight-car ferry barge and terminal slips at Ballantyne pier and on the north shore, and it is planned to

HONORABLE W. L. Mackenzie King, LIBERAL LEADER

With a message of vital importance to the people of Saint John

WILL SPEAK IN THE

IMPERAL THEATRE SATURDAY NIGHT OCTOBER 15th.

Meeting will open at 9 o'clock sharp

Other prominent speakers will deliver addresses

CHAIRMAN OF MEETING

HIS WORSHIP MAYOR SCHOFIELD

WATCH PAPERS FOR FULL DETAILS OF THE PROGRAMME FOR THE VISIT OF THE LIBERAL CHIEF TO SAINT JOHN.

have this service in operation contemporaneously with the completion of the Ballantyne Pier.

Log Storage. For the purpose of assisting the logging and lumber industries and controlling the handling of booms in the interest of navigation, a booming ground was constructed on the north shore of the central part of the harbor in front of the Mission Reserve, with a storage capacity of approximately 4,500,000 feet. This public utility is the care of an attendant who is always on hand, and is connected by telephone with the office of the harbor master, who is responsible for its operation.

To meet increasing demands for storage, another booming ground of similar capacity has been constructed farther east, in front of Seymour Reserve.

In this connection, the construction of a lumber assembling and distributing wharf is among the improvements contemplated by the commissioners, the main object of which is to provide facilities that will enable interior mills and also mills on tide water which have limited capacity and storage and no deep-water shipping facilities to assemble their products for export shipment.

Bunker Coal.

The commissioners have under con-

sideration the provision of coal storage and bunkering facilities for the convenience of vessels coming into the harbor.

Grain Elevator. The Dominion government grain elevator situated on the government wharf, embodies the most modern ideas in elevator construction. It has a storage capacity of 1,250,000 bushels, a receiving capacity of 20,000 bushels per hour, a loading capacity of 80,000 bushels per hour and a sacking plant with a capacity of 5,000 to 6,000 bushels per hour.

A collision occurred yesterday afternoon at the foot of Indian town between two street cars with the result that one of them had to be towed to the barns. There were no passengers in the cars at the time and the motormen also escaped. Car No. 87 stopped at the usual place on the loop and, soon after, No. 80 came down the grade. Trouble developed with the controller on this car and before the motorman could reach the circuit breaker it crashed into the rear of the standing car. The force of the impact smashed the front vestibule of car No. 80 and broke windows in both cars. A tow bar was attached to the rear and it was towed to the barns.

One match can burn a whole city.

MACKENZIE KING PACKS ALL HOUSES AT SUMMERSIDE

Summerside, P. E. I., Oct. 12.—All of Summerside's available theatre space was required tonight to handle the crowds who sought to hear Hon. W. L. Mackenzie King and other Liberal speakers tonight. Two halls were necessary and in each people stood at the rear, filling every available foot of space. These were the concluding meetings of the series addressed by Hon. Mr. King on Prince Edward Island, and tomorrow morning he leaves for Moncton, (N. B.)

Splendid Reception.

Mr. King was given an enthusiastic welcome when he entered the hall for the first of his speeches. Introduced by Mayor J. E. Campbell, as the future prime minister of Canada, Mr. King referred to the splendid reception given him everywhere in Prince county and expressed confidence that his party would be victorious at the polls on December 6. He expressed thanks for having been given an acclamation in 1919 and referred to his decision to contest the North York seat, where there would probably be the greatest political battle in the present contest.

Mr. King, expressing appreciation for the welcome given him, said it had been more like a triumphal procession than a series of political meetings. The conclusion reached was the voice of the Maritime Provinces on December 6 would be the voice of the Liberal party returned to victory. The people of Canada were apparently waiting to express their feelings toward the government. Convention Postponed.

At the request of Hon. Dr. J. B. M. Baxter the convention of the Northumberland county Liberal - Conservative party which was to have been held in Newcastle yesterday has been postponed until after the visit of Premier Meighen and Hon. Mr. Baxter on Friday.

Premier at St. Stephen.

Premier Meighen addressed a largely

GOOD! Because Its Fine Qualities Are Protected by the Sealed Package

DUMBWAITER CRUSHES GIRL PLAYING HOUSE

Car Falls With Child and Traps Her Next to Shaft, Strangling Victim to Death.

(N. Y. Times.)

Josephine Peillect, eight years old, of 2,467 Belmont avenue, the Bronx, died of strangulation yesterday afternoon when she fell into the bottom of a dumbwaiter at 663 East 188th street, in such a way that her neck became wedged between the side of the dumbwaiter and the shaft. Firemen extricated her after

about twenty minutes, but were too late to save her life. She was dead when an ambulance surgeon arrived.

The accident took place when the little girl and four other children were "playing house." They said that they were going to have "a house with an elevator in it," when they grew up, and their imagination made the dumbwaiter an elevator. They had access to it because the doors opened in the hallways. While two small boys on the first floor ran the dumbwaiter up and down, two girls crowded themselves inside, and Josephine rode on the top. On one trip to the second floor, Josephine tried to get off, but failed to find a footing. The dumbwaiter shot down, leaving her hanging from the sill. She hung a moment, her cries causing the other children to jump off the dumbwaiter in fright. Then she fell, her weight carrying the dumbwaiter with her down to the bottom of the shaft.

SPORT NEWS OF A DAY; HOME AND ABROAD

BASEBALL

Giants Take Another.

By defeating the Yankees yesterday by a score of 2 to 1 the Giants took the lead in the series to decide the baseball championship of the world. They have won four games and the Yankees three. A record crowd was on hand to witness the game which was considered the most crucial of the series. Carl Mays pitched masterly ball for the Yankees and should have won, but Ward who until yesterday played sensationally around the key-hole sack, made one glaring error, which resulted in the winning tally. He fumbled a batted ball and although not credited with an error it gave the Giants a life, which eventually paved the way for the first run. Phil Douglas escaped the pitching responsibilities for the Giants and also was in good form. Although allowing eight hits he kept them well scattered and only one run resulted. The official attendance yesterday was 96,503 and the receipts \$118,974. The grand receipts to date aggregate \$864,781 a new record. The box score and summary follows:

Americans	A. B. R. H. P. O. A. E.

Proposed Legislation.

Washington, Oct. 13.—Transmission through the mails of newspapers publishing betting odds on horse races, prize fights and "other contests of speed, strength or skill," would be prohibited under a bill passed yesterday without a roll call by the house. Senate concurrence is needed before the measure can become a law.

ILLIARDS.

Spectacular Match.

Pittsburg, Oct. 13.—In one of the most spectacular matches of the National three-cushion billiard championship, Charles Otis of New York defeated F. D. Denton of Kansas City, yesterday, fifty to forty-two, in forty-five innings. Otis played an uphill game, but maintained his lead after making seventeen billiards in three innings. His high run was seven Hugh Heal of Toledo won from Robert J. Cannelas of New York, fifty to forty, in seventy-two innings. Hea's high run was four, and that for Cannelas three.

ATHLETIC.

Negro Is Victor.

New York, Oct. 13.—Ned Gordin of running broad jumper, won the national pentathlon championship of the Amateur A. U. at Travers Island, yesterday. He led a field of seven competitors with a score of twelve points. The negro athlete won the running broad jump with 21 feet 1 inch, the javelin throw with 169 feet, 9 3/4 inches, and the 200-metre dash in 23 1/5 seconds. He finished third in the discus throw and sixth in the 1,500-metre run. (See page seven.)

Two Reels of Hilarity
With a Capital "H"

"THE BELL-HOP!" Did you ever stay in a hotel where they employed a traffic cop?

-IT'S MIDNIGHT-

The Wayward Son Enters His Mother's Room by the Window.

The Prodigal Son Comes Home

JIM:—"It has been ten years, Mother, since Father forbade me the house, and I've knocked about all over the globe. Now, just when I was on the edge of a fortune, my money gave out. I must have two thousand dollars, or I'm broke forever."

MOTHER:—"Is money all? Isn't it glorious that you had to come home to your mother—and that she can help her boy?"

JIM:—"But what can you do, Mother?"

MOTHER:—"Go to the bureau. Look in the lower drawer. They're my jewels, Jim. I always knew they'd come in handy some day. Take them—pawn them—sell them—anything for you, my darling!"

Only one of the many stirring scenes in

THE OLD NEST
