JOURNAL OF THE SYNOD

Church of England
A PRAYER,

Appointed by the Bishop to be used in all the Churches
in the DIOCESE OF HURON, before the
Meeting of the Synod, and also
during the Sessions of the
Synod.

ALMIGHTY and Everlasting God, who hast pro-
mised, through Thy Son, Jesus Christ, to be with Thy
Church to the end of the world; we beseech Thee to
be present with the Synod of this Diocese, *now (about
to be)* assembled in Thy name. Vouchsafe of Thy
great mercy so to direct, govern and sanctify *them (us)*
in *their (our)* important work by Thy Holy Spirit,
that, through Thy blessing on *their (our)* deliberations,
the Gospel of Christ may be faithfully preached and
obeyed, and the order and discipline of Thy Church
maintained and handed down unimpaired to those who
shall come after us. Grant this we beseech Thee,
through the merits and mediation of Jesus Christ our
Saviour.—AMEN.

(Being the first under the Synod Act of Incorporation, 1874.)

FIRST DAY.

The Synod met in London, Wednesday, June 23rd, 1875.

The Bishop in the chair.

After the customary prayer, the rolls of the Clergy and Lay Representatives were called by the Secretaries, when 84 Clergymen and 83 Lay Representatives answered to their names. The latter handed in their certificates.

The Bishop appointed the Rev. T. C. DesBarres and Mr. Peter Roe to act with the Secretaries as a Committee to examine the certificates of the Lay Representatives.

A suggestion was made by Ven. Archdeacon Marsh, that the Church Temporalities Act should be published in the Synod Journal for the information of members; and instruction was taken by the Secretaries accordingly.

UNFINISHED BUSINESS.

It was agreed by the Synod, on being put from the chair, that the subject of the New Constitution of the Incorporated Synod should now be taken up.

Moved by John Beard, Esq.,
Seconded by Peter Roe, Esq.

V. *Resolved*—That the Constitution, as printed in the Circular forwarded to the Delegates, be adopted, with power to amend it at the next session of the Synod.

Moved in amendment by Judge Kingsmill,
Seconded by Ven. Archdeacon Marsh.

VI. *Resolved*—That the Constitution, as reported, be adopted, after striking out the words "of two-thirds" in the last line of section No. 24.

Archdeacon Marsh asked for the ruling of the Chair on the effect of Mr. Beard's motion (No. xxviii.), which was carried at the last session, adopting the proposed Constitution, with such alterations, if any, as the Church Society might see fit to make, such alterations having been subsequently made.

The Chancellor of the Diocese and Judge Kingsmill gave it as their opinion that the Incorporated Synod being in fact a new body created by the Act of Parliament, was not bound by any resolution passed by the last Synod.

After considerable discussion, Mr. Beard amended his motion by the addition of the words, "with the same facility that it can be at the present session."

Judge Kingsmill then withdrew his amendment, and it was Moved by Rev. S. B. Kellogg, in amendment of Mr. Beard's amended resolution,

Seconded by Rev. E. Patterson.

VII. *Resolved*—That the proposed Constitution, a copy of which has been furnished to the members of the Synod, be adopted. *Carried.*

THE BISHOP'S ADDRESS.

His Lordship the Bishop then delivered his Annual Address to the Synod, as follows:—

BELOVED BRETHREN,—

“Grace to you, and peace from God our Father and the Lord Jesus Christ.” My heart is greatly cheered to see so many familiar faces from every part of the Diocese, and I feel truly thankful, that in the gracious providence of God, we are permitted once more to meet as a Synod, collectively and unitedly, to deliberate and take brotherly counsel together, how best to maintain and advance the spiritual and temporal well-being of our beloved Zion. With a unity of purpose, and the blessing of God upon our efforts to extend Christ's kingdom, we may confidently rely upon the promise that our labors will not be in vain in the Lord; nay, that he will prosper our handy work upon us.

We meet on this occasion under somewhat altered circumstances—as “The Incorporated Synod of the Diocese of Huron.”

The union of the Church Society with the Synod—in accordance with resolutions passed by both bodies—was legalised, during the last session of the Ontario Legislature, by a special Act of Parliament.

We expect the happiest results from this union, for while no changes or alterations will be made in the *objects* and *principles* which the late Church Society endeavored to promote, the management of our funds will from henceforth be administered by the Synod, instead of as heretofore by a few members of the Church Society. Now every measure, whether financial or ecclesiastical, affecting the well-being and good government of the Church, must meet with the sanction and approval of this legislative body, who represent the whole Church of the Diocese.

I feel sure when this is once understood we shall enlist and secure more than ever the warm-hearted sympathy and co-operation of the members of the Church in all our works.

May the Holy Spirit who presided in the councils of the blessed Apostles, be poured out upon us in rich abundance; may our hearts be quickened to a deeper love and zeal for the work of Christ committed to our trust; may all our deliberations be carried on in a spirit of union and brotherly love; may we be enriched with that wisdom which is from above, and which is “first pure, then peaceable, gentle and easy to be entreated, full

A detailed report of these will be printed with this Address. The more important of them may be summed up thus:—

Ordained to the Priesthood, 4.

THE NEW DIOCESE OF NIAGARA.

Since we last met in Synod another important step in advance has been taken by the Church of our Ecclesiastical Province in sanctioning the sub-division of the Diocese of Toronto.

Considering the wealth and importance of the territorial area which constitutes the new Diocese of Niagara, with its large Church population and goodly number of Ministers, it must be admitted by all who desire the growth and prosperity of the Church, that this step has not been taken too soon. The new Bishop is one who has long and valiantly served in the army of Christ; a man of large experience, and of acknowledged administrative ability, all of which we feel sure he will make subservient to the cause of our Lord and Saviour Jesus Christ, and will earnestly contend for the maintenance of the doctrines and principles of the Church of our Martyred Reformers.

Our fervent prayer is that the God of all grace may bless and prosper every effort of the new Diocese, for the promotion of His glory and the extension of the Redeemer's kingdom.

DIOCESAN MISSION WORK.

Although the past year has been one of unusual financial stringency and difficulty throughout the country, from which every secular enterprise has more or less suffered, it is yet a cause of much thankfulness to God, that so far as we have been able in this large and increasing Diocese, with our limited resources of means and men to occupy our mission field, it has been on the whole cultivated with much vigor and success. We can but feel that this is due under God, to the loyalty, faithfulness and zeal, both of the Clergy and Lay members of the Church, in the different parishes and missions.

Nor have we far to look for such gratifying evidences of progress and success:—(1.) Several missions have in compliance with a suggestion made in my address of last year, cheerfully and voluntarily relinquished the grants hitherto made to their Pastors from the Mission Fund, guaranteeing to their Clergy a salary of not less than \$800 per annum and a parsonage, or its equivalent in rent, thus raising their missions to the dignity of Rectories, according to our Canon. (2.) Other missions again, realizing the necessity of the case, have by strenuous and self-sacrificing efforts, been enabled to make good to their clergy the reduction of their grants which the Mission Board was constrained to effect, so that I am truly glad to be able to report that I do not know of a single instance, in which a faithful and diligent Pastor, has been to any serious extent a sufferer from any withdrawal of support, which the Mission Board has felt it incumbent upon it to make, owing to the heavy debt contracted through a long series of years, in order to meet the mission grants made from time to time by the late Church Society. In some cases, it is true, and those not a few, we would fain see the stipends of the Clergy more in accordance with their real necessities and the just claims of their position; but it is surely something to be grateful for, that through a period of such general depression as we have lately experienced, we have been enabled to maintain such a condition of affairs as I have just described, when even families accustomed to all the comforts and appliances of wealth have had to exercise the strictest economy and self-denial, and been compelled to circumscribe within narrower limits the stream of their Christian benevolence. We should take it as a mark of the Divine favor that His ministering servants have still experienced the fulfilment of His precious promises to His people; and that in reply to their Lord's inquiry as to whether they "lacked anything"

essential to their well-being whilst engaged in His service, they can exclaim with His faithful disciples of old, "Nothing!"

In addition to other unfavorable circumstances, and those likely injuriously to affect our finances, we should note the severity of the past winter, and the inaccessible character of the roads, which in very many instances prevented the holding of the usual missionary meetings, reducing largely also our Sunday collections, thus interfering seriously with the anticipated returns.

But fully to realize what has been accomplished in the Diocese at large, as to Church support and extension during the past year, we must take into account not only what has been raised for the Mission Fund, but what has been subscribed to meet the reductions made in the different grants; also what has been done towards building, restoring and repairing churches and parsonages, and reducing and liquidating debts on the same.

Calmly reviewing, beloved brethren, all these circumstances, and fairly estimating the period through which we have passed, I think you will agree with me that it is a cause for deep thankfulness to God, that our funds have not suffered more, than has been stated by our Secretary in the report read to you last evening at our Missionary Meeting.

And here, let me remind you, my brethren, in what under God the *true stability and success* of our Church consists:—It is not found in State endowments, however acceptable in the hour of need; it is not in the benefactions of the worldly-minded, however princely, but in the systematic, scriptural, self-sacrificing efforts of her own children. The sooner we learn, and practically carry out this truth, the better for the Church and for ourselves.

It is not on uncertain aids that we must learn to lean, but simply upon God and upon each other. The sooner the Pastor learns to look to those to whom he ministers for his entire support; the sooner old established and able missions feel it to be not only their duty to provide for the temporal wants of those who labor and care for their spiritual well-being, but deem it a high and holy privilege to render assistance to the poorer missions in the Diocese, the sooner will the Church attain to a position of true stability, and her progress will keep pace with her necessities, and the desires and aspirations of our hearts to provide all within this rapidly growing Diocese, with the means of grace, will be sooner realized. Mission grants are needful to the formation of a mission, where the population is scattered

lies destitute of the services of our beloved Church? I do appeal to my brethren, by all the consideration of loyalty to the Church, but above all for the love of Christ to devise some plans and means by which we can at least alleviate the spiritual necessities of those, whom we are bound to help by all that is dear to the heart of Christ.

I feel very, very deeply upon this point—more than language can express; so much so that I think it would be a great sin to leave this place, in which we have met to deliberate for the good of the Church, and where we have solemnly invoked God's help and blessing, without grappling with the question in downright earnest, and with the godly determination, not only to legislate upon but to do at once, and that effectually, the work which stares us in the face.

As your Bishop, and as one responsible together with you before God, for any slackness in this all important matter, I solemnly call upon you, and entreat you, to take up this question "with all your might," and let us not break up this Synod until we have done something, that will tell to the Church and the world that we really care for our brethren in their wilderness, and desire them to be made recipients of those Gospel privileges, which we so richly enjoy.

I look to you, beloved brethren, for your aid in this matter. I feel that it is due to me, for the burden is truly heavier than I can bear alone. Let us enter upon this undertaking in the spirit of faith and prayer, and surely God, even our own God, will give us His blessing.

Let us believe in the promises of God, which in Christ are, Yea, and in Him, Amen. Let us *work* while it is day, and we may rest assured that God will own and honor His own work in which we are engaged, and make us equal to our duty in this matter.

"Now our Lord Jesus Christ, Himself, and God, even our Father, which hath loved us, and hath given us everlasting consolation and good hope through grace, comfort your hearts and establish you in every good word and work."

I. HURON.

The Rule of Order was suspended, by consent, in order to take into consideration the

REPORT OF THE COMMITTEE ON THE SURPLUS COMMUTATION FUND,

which report was presented as follows:—

CANON ON THE DISTRIBUTION OF THE SURPLUS COMMUTATION FUND.

Be it further enacted by and under the authority of the Act of Incorporation of the Diocese of Huron (38 Vic., Cap. 78, 1874), and by and with the sanction of the Bishop of the said Diocese, that the surplus of the Clergy Commutation Fund shall be apportioned as follows:—

SURPLUS DEFINED.

1. That all income over and above that required for the payment of the original claimants, and for the payment of the expenses connected with the fund or of any rate for which the fund may be assessed for expenses, shall be considered for the purposes of this Canon as Surplus.

HOW SURPLUS SHALL BE APPLIED.

2. That in addition to the stipend derived from the Parish and Diocesan funds, every clergyman, not under ecclesiastical censure, of eight years and upwards active service in this Diocese, who is not on the Commutation Fund, or who is not receiving a salary from any other source than the funds of the Diocese, or from any Society which contributes to Church work in the Diocese, saving and except clergymen who are employed in teaching with the Bishop's consent (not being more than one such clergyman for each school or college), and who have received the Bishop's license for clerical work, shall receive \$200 per annum, beginning with the clergyman of longest standing, so far as the surplus permits.

3. That if, after paying the above, there remains a surplus of \$200 or more, each of such clergymen of ten years' standing, beginning with the one of senior standing, shall receive an additional \$200 per annum.

EXCEPTIONS.

4. That the provisions made above shall not extend to any clergyman so long as and while he is enjoying an income from Endowment, pew rents and salary, or from any other source whatsoever (private fortune, fees and offerings and house-rent only excepted), of \$1,600 and over per annum, provided always that when a clergyman is once placed on the list for either of the above sums, no further names shall be added until a surplus remains over and above what is required to meet the claims of those who have been placed on the list.

GRANTS FROM MISSION FUND.

5. That whenever a clergyman is placed on the Commutation Fund Surplus List for a second grant of \$200 per annum, the grant, if any, which his parish receives from the Mission Fund shall be withdrawn.

SUPERANNUATED CLERGYMEN.

6. That each of the original commuted clergymen who may be placed on the Superannuated List of this Diocese, shall receive a grant of \$400 a year in addition to his income from the Commutation Fund; and any of such non-commuted clergymen as are described in section two of this Canon, who, having been licensed for eight years in this Diocese, may be superannuated before his name has been placed on the list for a grant of \$200 per annum, shall have a first claim on the fund for \$200 per annum whenever surplus shall accrue, and all such clergymen as may be superannuated shall have a claim for the second \$200 per annum, as soon as surplus shall accrue, if they have been licensed for ten years in this Diocese, before any further names are placed on the list for the first \$200 per annum.

DIOCESAN REGISTER.

7. That there shall be kept a Diocesan Register of the non-commuted clergy.

That up to June 6, 1871, seniority in respect to those who have been ordained in the Diocese, shall be reckoned according to the order of signature at Deacon's orders in the Bishop's register, and that after June 6, 1871, the Bishop shall immediately after any ordination furnish the order of seniority in which the newly ordained are to be placed in the Diocesan register.

With reference to those clergymen who, previous to June 6, 1871, have been received into the Diocese, the time when they commenced duty, with the Bishop's consent, shall be taken as the time from which they shall date, and for the future the order in which clergymen received into the Diocese are licensed and registered by the Bishop, shall be the order of seniority in which they shall be entered in the Diocesan register.

SERVICE.

8. That when any clergyman who has left this Diocese, returns to take duty therein within five years from the time that he received his *bene decessit*, he shall be allowed all the time of his previous service in this Diocese, but any clergyman who remains away more than five years shall, in case of his return, be considered in so far as to any claim on the surplus of the Commutation Fund, as beginning "*de novo*."

9. That while any clergyman is engaged in any duty in addition to his clerical duties, for which he is in receipt of a salary (except clergymen engaged in tuition with the Bishop's consent), such time shall not count as years of active service in the Diocese; but this rule shall not be held to have any effect previously to the passing of the Commutation Fund By-Law—July 1, 1869.

10. That every clergyman placed on the list shall remain thereon so long as he remains eligible in accordance with this Canon, continues to do duty in this Diocese or is on the Superannuated List thereof, but he shall forfeit his claim by removing from the Diocese, not being superannuated or for any time he may be under legal ecclesiastical censure.

CERTIFICATE OF CLAIM.

11. That before being placed on the list of annuitants on the fund, and on the 1st day of May in each year, every clergyman claiming to retain or to receive an annuity by virtue of this Canon, shall furnish to the Committee, through the Secretary-Treasurer, a certificate in the following terms:—
 "I,.....do solemnly declare that I am entitled to an annuity of \$.....from the Commutation Fund of the Synod of the Diocese of Huron; that my whole income for the past twelve months from Endowment, pew rents, salary and offerings, or from any source whatever (private fortune, fees and house-rent only excepted), has not exceeded \$....., and that in estimating the same no deductions of any kind whatsoever, except as above, have been made." And any clergyman failing to forward such certificate by the time above named, shall be held to have ceased for the time being to claim upon the fund.

LIST OF ANNUITANTS TO BE PUBLISHED YEARLY.

12. That the names of the clergymen who are entitled to rank on this fund according to the order in which they stand in the Diocesan Register, shall be entered in the journal of the Synod, and the Clerical Secretary of Synod shall at each meeting of Synod read out the names of those clergymen who have been placed on the list since the last Synod, and, being approved, such additional names shall also be entered in the Synod Journal.

13. Provided always that after the first \$200 shall have been appropriated to all those clergymen who now are on the Diocesan Register at the passing of this Canon, and who may be entitled to the same, no further names shall be added until all then on the Diocesan Register shall be in receipt of the second \$200 a year; after which all those clergymen who in due course shall become entitled to be placed on the list of annuitants, shall receive \$400 a year, but no clergyman shall receive more than \$400 a year.

DOUBTFUL AND UNFORESEEN CASES.

14. That all doubtful cases, and cases not provided for in this Canon, shall be brought before the Standing Committee, who shall recommend to the Synod such action as they may deem each case requires.

DATE OF EFFECT OF THIS CANON.

15. That this Canon shall take effect from July 1, 1875, and all previous By-Laws and Canons respecting the surplus of the Commutation Fund, and amendments to such By-Laws, shall be and are hereby rescinded from and after July 1, 1875.

I. HURON, CHAIRMAN.

Committee Room, Chapter House, May 13, 1875.

NOTE.—This is presented as the report of the majority, the Chairman dissenting therefrom on certain points.

The Bishop addressed the Synod at length on this subject and stated that dissenting from several important provisions of the proposed Canon, he had determined upon preparing a Canon himself for submission to the Synod. Desiring to save the time of the members by avoiding needless discussion, he had

sought the sense of the Standing Committee as to the most appropriate time for him to introduce his canon, and their unanimous council was that it should be brought forward at the opening of the question rather than after discussion had taken place.

He concluded by presenting the following canon, printed copies of which were circulated among the members:—

**CANON ON APPROPRIATION OF ACCRUED
INTEREST OF THE COMMUTATION
FUND.**

Be it further enacted by and under the authority of the "Act to Incorporate the Synod of the Diocese of Huron," (38 Vic., Cap. 98, 1874) and by and with the sanction of the Bishop of the said Diocese, that the interest of the Clergy Commutation Fund shall be appropriated as follows:—

1. That all accrued interest over and above that required for the payments of the original claimants, and for the payment of expenses connected with the Fund, or of any rate for which the Fund may be assessed for expenses, shall be appropriated in the following manner and order:—
2. That each of the original Commuted Clergymen, who may be placed on the Superannuation List of this Diocese, shall receive such a grant from the accrued interest of the Commutation Fund as shall make his income not less than \$600 per annum.
3. Any clergyman who, having been licensed for eight years in the Diocese, and may be superannuated in accordance with the "Canon on Superannuation," shall receive from the accrued interest of the Commutation Fund a grant of not less than \$400 per annum.
4. Every clergyman, not under ecclesiastical censure, of eight years and upwards active service in this Diocese, according to seniority, shall be entitled to such a grant from the accrued interest of the Commutation Fund as shall make up his clerical income to not less than \$800 per annum.
5. That after the above claims have been fully and first satisfied, in the order as set forth in this Canon, the balance, if any, shall form part of the Mission Fund.
6. That this Canon shall take effect from October 1st, 1875, and all provisions, by-laws and Canons respecting the surplus of the Commutation Fund, and amendments to such by-laws shall be and are hereby rescinded from and after October 1st, 1875.

PRESENTING REPORTS—ON LAY CERTIFICATES.

The Rev. T. C. DesBarres presented the following:—

The Committee appointed to examine the Certificates of Lay Delegates, beg to report that they have examined ten more Certificates, all of which they find to be correct.

The assessment for St. Patrick's, Biddulph, has not yet been paid.

The Committee have learned that in St. John's, Kinloss, and St. Thomas, Monkton, reported yesterday in arrears, there were no services held during the year for which they were assessed.

T. C. DESBARRES, Chairman

Committee Room, June 25th, 1875.

This report was put to the Synod and adopted.

Mr. E. B. Reed read the following:—

REPORT OF STANDING COMMITTEE CHURCH SOCIETY.

The following matters, affecting various lands, having been brought before the Standing Committee, they recommend that they be left with the new Standing Committee to be appointed by the Synod, with power to act:—

1. The Church reservation on the Dover Trust lot.
2. Certain lots in the Mission of Aylmer.
3. Certain lots in the Mission of Chatsworth.
4. The claim of Eastwood Parish to receive a portion of the Woodstock Rectory Endowment.

In the matter of the Mission Fund debt, the Committee recommend that the sum of \$1,500 be written off from the Depository Account and placed to the credit of the Mission Fund, thus reducing the debt; and that the balance of said debt be transferred to and kept in a separate account from the general Mission Fund account.

As a still further means of reducing this debt, and of assisting the Mission Fund, the Committee recommend that the annual grant from the General Purposes Fund to the Widows' and Orphans' Fund be suspended for five years, from March 31, 1874, and that a by-law to this effect be prepared and brought before the Synod.

I. HURON, Chairman.

Chapter House, June 21, 1875.

Mr. Reed gave notice that he would move that this report be adopted.

Mr. E. B. Reed read the following:—

REPORT OF THE MISSION BOARD.

The Board report as follows:—

EASTWOOD.—In the matter of Eastwood Mission, the Incumbent and Churchwardens of Eastwood and Oxford Centre, applied to have Innerkip disconnected from the Mission. The Board most strongly object to this being done, as the grant from the Mission Fund to this Mission is made upon the condition that these three parishes shall be supplied by one Clergyman.

PORT DOVER.—The Bishop having informed the Board of the resignation of the Incumbent, the Board recommend that a new mission be formed, to consist of Port Dover, Port Ryerse and Victoria.

PROPOSED CHANGES.—The Rev. J. Kennedy, Rev. R. Fletcher and Rev. S. L. Smith having arranged certain changes of stations among themselves, applied to the Board for their approval. The proposed arrangement is:—

Rev. J. Kennedy,	Adelaide,	St. Anne's.
"	Wisbeach,	St. Paul's.
"	Kerrwood,	
Rev. R. Fletcher,	Warwick,	St. Mary's.
"	Watford,	Trinity.
Rev. S. L. Smith,	Alvinston.	
"	Brooke,	St. James'.
"	Napier,	St. Mary's.

The Board recommend that these changes be allowed.

A number of applications for grants and assistance were laid before the Board, but it was felt that in the present condition of the Mission Fund, it was most improper to increase the burden of debt, and the Board were compelled to lay these matters over, believing that the proper course to pursue is to maintain,

if possible, the existing missions, without incurring fresh responsibility.

The Secretary reported that several parishes, receiving grants from the Mission Fund, have not made any returns for the usual Parochial Association Collections, and thereby seriously diminished the income of the Diocese.

The Board deeply regret to hear this report, and they would recommend that, for the future, no grants be paid to missions so long as they neglect to comply with the rules laid down for the annual collections.

I. HURON, Chairman.

The Chapter House, June 22, 1875.

Mr. Reed gave notice that he would move the adoption of this report.

ON FOREIGN MISSIONS.

The Very Rev. the Dean, on behalf of this Committee, asked and obtained leave to sit again.

ON THE ASSESSMENT OF CONGREGATIONS.

The Very Rev. the Dean, Chairman, presented as follows:—

The Committee on the Assessment of Congregations beg to submit the following revised scale of assessments for the adoption of the Synod; and to recommend that the following congregations, having fallen into arrears of assessments for five years or upwards, be struck off the list:

Cainsville, St. Mary's.

Resolved—That the whole question raised by the Canon be referred to the Committee of Sixty to consider and report thereon at as early a period as possible, and that the question of the present state of the Mission Fund be likewise taken into consideration by the same Committee, in conjunction with the questions raised by the Canon. And further, that a special general meeting of this Synod be held during the month of December or January next ensuing, in order to take up the report of the Committee on the Canon, and any unfinished business left over from this session.

AFTERNOON SESSION.

The Synod reassembled at 3 p.m.

The Bishop in the chair.

The discussion was then continued on the

CANON ON APPROPRIATION OF ACCRUED INTEREST OF THE COMMUTATION FUND

A general wish being expressed that some maximum sum should be adopted to limit the grants authorized under Section 4 of the Canon, Mr. Softley, with the permission of the Synod, altered his amendment into the following shape:—

“That Section 4 of the Bishop’s Canon be so amended that every Clergyman of eight years’ standing in this Diocese, not under Ecclesiastical censure, shall receive from the accrued surplus of the Commutation Fund such an amount as shall make up his salary in the aggregate to \$800, and those of ten years standing and upwards in like manner the sum of \$1000, exclusive of fees and house rent, and commencing with those of longest standing; and such aggregate amounts shall stand as the absolute maximum to which said Fund shall contribute.”

The amendment, thus altered, was put to the Synod and carried.

The 4th Section being amended to read as follows:—

“Every Clergyman, not under Ecclesiastical censure, of eight years’ active service in this Diocese, according to seniority, shall be entitled to such a grant from the accrued interest of the Commutation Fund as shall make up his Clerical income in the aggregate to \$800 per annum, and every such Clergyman of 10 years and upwards active service, in like manner; to an aggregate of \$1000, including in each case the amount received from his parish, as assessed by the Mission Board, and exclusive of fees and house rent; and such aggregate amounts shall stand as the absolute maximum to which said Fund shall contribute.”

And the 6th Section being amended by the substitution of “April 1st, 1876” for “October 1st, 1875.”

The whole Canon, so amended, was put to the vote, with the following result:—

The Rev. J. T. Wright brought forward the following resolution:—

The Secretaries' notes of the day's business were then read, and being approved by the Synod were signed by the Chairman.

The Bishop, in dismissing the Synod, thanked the members for their attendance and for the attention they had given to the various matters of business brought before them. He was thankful to see so many members present throughout the session, and still more thankful that their decisions had been characterised by the same spirit of union which had manifested itself in former sessions. In the very important matters which had been submitted to their deliberation, their decisions had been almost unanimous. This happy result he desired to trace to the guiding influence of the Holy Spirit of God, whose presence they had invoked, and who, he trusted, would ever be with them. His brethren of the Clergy he would dismiss to their various charges, following them with his prayers that God might bless both them and their flocks with every temporal and spiritual blessing, and give them many souls for their hire. His brethren of the Laity he dismissed with thanks for their close attention to their duties, and for the admirable spirit they had displayed in seconding the efforts of their spiritual pastors in endeavoring to promote God's glory and the extension of His Church.

Mr. J. T. Gilkison, on behalf of the members of the Synod, thanked his Lordship the Bishop for the courtesy and ability with which he had presided over their councils, and for the generous hospitality which he had extended to them.

The Bishop pronounced the Benediction and adjourned the Synod at 10.15 p.m.

THE FINANCIAL REPORT
OF THE
Standing Committee of the Diocese of Huron
 FOR THE YEAR ENDING MARCH 31, 1878.
[Being the first under the Act of Incorporation.]

The report for the past year exhibits a statement of affairs which, on the whole, is encouraging, and affords ground for devout thankfulness to Almighty God that he has been pleased to continue to our labours his favour and blessing.

The unexampled severity and duration of the past winter, the monetary pressure which has existed, the consequent stagnation in commerce which has ensued, and the increasing cost in the necessaries of life, will mainly account for the somewhat diminished offerings which have been contributed to our Diocesan work; and when it is taken into consideration that our Parochial Association collections are made at the close of our financial year—a period which has brought them within the full influence of the commercial and monetary difficulties which have recently prevailed, and which still exist, it may be truly deemed a cause for great thankfulness that the deficiency is no greater.

INCOME.

The income of the past year, derived from voluntary subscriptions and donations, and exclusive of receipts for rent, interest and sale of lands, is \$11,737.62, being \$904.34 less than the income of the previous year. It must, however, be borne in mind that a considerable reduction has recently been made in the grants from the Mission Fund, and that several parishes and missions have, during the year, become self-supporting, and that thereby an increased monetary responsibility has been borne by those parishes in their laudable efforts to augment and sustain the stipends paid by them to their ministers.

In the more northern parts of the Diocese, too, our missionary meetings, and even our Sunday services, have been most injuriously affected by the inclemency of the weather; in several missions the roads have been completely blocked by snow, and all traffic and communication suspended for the time being.

In some parishes it is to be noticed and deeply regretted that the annual collections for our missionary work have been neglected to be made, and this, too, in missions that have been for years past, and even now are, in the receipt of grants from the Mission Fund.

On the other hand, it is pleasant to be able to record the increased liberality of many missions, and the active interest that seems to be awakened in the hearts of both clergy and laity to do all in their power to promote the cause of Christ and to assist in the spread of the Gospel.

MISSION FUND.

It will be learnt with pleasure that, notwithstanding the difficulties and reductions of the past year, the parochial quarterly collections for this fund have been increased by \$95.14 over those of the previous year, and that an increase of \$66.19 has also been received from the collections made on the day of General Thanksgiving appointed by the House of Bishops, and the proceeds of which are given to this Fund.

The amount received from the Missionary meetings is \$70.41 less than last year, and the decrease may readily be accounted for by the fact that the meetings happened to be held at about the most stormy season of the whole year.

MISSION BOXES.

From no apparent reason the interest taken in this means of supplementing the Missionary work seems to have almost died out, the whole amount contributed from the Diocese being only \$149.43, of which \$47 was given by Grace Church, Brantford.

The following are the details of receipts for the five years during which the boxes have been in circulation:—

13th year.....	\$190 37

15th "	472 02
16th "	424 68
Last "	149 43
	—————\$2059 10

It is sincerely to be hoped that for the future proper efforts will be made to keep up and maintain this system of educating the little ones of our Sunday Schools in the way of helping to extend the "glad tidings of salvation" to all people.

The total debt of the Fund is now \$10,038.32, being an increase of \$2,492.30 since the last report. This, of course, was

anticipated, as the reduction in the scale of grants only commenced from October last.

Hitherto, under the existing by-law of the Widows' and Orphans' Fund, an annual grant has been made to it from the General Purposes Fund, and the balance of the latter Fund, after payment of the charges upon it, has been carried to the credit of the Mission Fund. During the years now past the W. and O. Fund has thus received from the G. P. Fund over \$10,000.

Under the existing prosperous state of the W. and O. Fund, and in view of the facts of its continuous annual increase, and that a second annual collection has for the last three years been made for it by the order of his Lordship the Bishop, it is a question well worthy of careful consideration whether this grant from the G. P. F. (amounting now to \$1,000 per annum) should not be applied to the Missionary Work of the Diocese.

WIDOWS' AND ORPHANS' FUND.

It is very gratifying to be able to report on the continued prosperity of this most important Fund. Its present invested capital consists of

Mortgages.....	\$15,527 80
Debentures.....	29,493 33
	\$45,021 13

being nearly \$5,000 more than was shown at the last report. There is also a balance of \$1,000 still uninvested.

There are ten widows pensioners on the Fund.

The hearty response which the appeals on behalf of the Fund always receive from the Diocese, is most encouraging, and the effect has been that it has steadily increased year after year, and is now firmly established and placed in a safe and most satisfactory condition; and we feel confident that the Diocese will always render their sympathy and active support to this good work, and that a special blessing will be vouchsafed to our labors in its behalf from Him who is the "Father of the fatherless and defendeth the cause of the widow, even God in His holy habitation."

SUSTENTATION FUND.

This being the last year in which the subscriptions to this Fund matured, the receipts have been but small. The Fund,

The position of the various other trust funds can be readily ascertained from the published audited accounts.

REVIEW.

It will perhaps be not considered out of place if we give here a brief review of the work done during the last seventeen years, and your committee feel that this retrospect will act as an incentive to even more strenuous exertions being made in the future to forward the great objects which we seek to accomplish.

It must, however, be remembered that the Mission Fund is at the present time overdrawn about \$10,000, and steps will have to be taken to meet this debt, so as to relieve the Fund from an incubus which has been pressing upon it for some years past.

All of which is respectfully submitted.

That the Report which has been read be adopted, and printed for circulation.

Moved by the Very Rev. Dean Boomer,
Seconded by Rev. J. Gemley.

That this meeting gratefully acknowledges the abundant blessings which the Great Head of the Church has been pleased to vouchsafe to the labors of our Missionaries in this Diocese during the past year, and takes this opportunity of recording its appreciation of the cordial co-operation of the Laity in the furtherance of this all important work.

Moved by Rev. A. Sweatman, M. A.,
Seconded by H. Crotty, Esq.

That inasmuch as from the statements made by the Bishop in his Address to the Synod in June last, it appears that not less than 61,000 of our fellow Churchmen in this Diocese are still destitute of all Church privileges—thirty-six townships being wholly unprovided with any Church ministrations—this meeting cannot but view with deep concern the very inadequate supply of men and means for the spiritual necessities of this Diocese, whose population is being so rapidly increased by emigration from the Mother Country, and as an earnest of its wish to carry out the Missionary principle, as embodied in the Lord's Commission, "Go ye unto all the world, and preach the gospel to every creature," is ready to pledge itself to adopt such plans as may be deemed best adapted to supply the existing wants in the wide extent of mission field open to the efforts of the Church.

Moved by the Rev. W. Logan, R. D.,
Seconded by the Rev. W. H. Tilley, B. A.

That this meeting rejoices to learn of the continued success of the great Missionary Societies in the Mother Country, and desires to express its warm sympathy with all kindred institutions in the Colonies of Great Britain, and in the sister Church of the United States.

Moved by the Rev. Canon Elwood, R. D.,
Seconded by W. Grey, Esq.

That the thanks of this meeting are hereby tendered to the Mayor and City Council for the use of the City Hall, and to the Choir for their services during the evening.

SPECIAL NOTICE.

The attention of the members of the Synod is particularly called to the fact that, although large sums, as is seen in the following accounts, pass through the Synod's books during each year, it is only *the Income derived from the Diocese*, together with the Interest from the Synod's own Invested Accounts, that is available for the general work of the Synod; the other sums received are either capital for re-investment, or the proceeds of special trusts which have to be applied according to the terms on which each trust is held.

The deficiency which appears against the Mission Fund can only be made good by the increased liberality of the members of the Church throughout the Diocese; an earnest appeal is, therefore, made to each and every member for increased subscriptions during the current year, both in the Quarterly Collections and through the Parochial Associations, upon which we mainly depend to enable the Synod to keep pace with the wants of the Diocese.

STATEMENT OF NEW CATHEDRAL LOAN.

THE CHAPTER HOUSE.

Action taken by the Church Society, March 4, 1874.

The Bishop desires to place on record his grateful acknowledgment for the grant of Six Thousand Dollars, made by the Church Society in June, 1872, towards the erection of the Cathedral Chapter House, but as this grant might be misunderstood by some contributors to the funds of the Society, and thus be made prejudicial to its interests, the Bishop would prefer that the \$6,000 should be considered as a loan, to be repaid by the Society at the option, either of the Bishop, Dean and Chapter, or of the Church Society. In the meantime, the Society should hold a first mortgage for the above amount on the Chapter House, the interest to go in lieu of rent. The Bishop is desirous, should it please God to prosper his undertaking, that the Society should ultimately enjoy all the accommodation required for their use, free of rent.

Moved by W. Grey, Esq., seconded by Rev. J. Hurst,
Resolved,—That the proposition of the Bishop be accepted, and that the Solicitor of the Society be requested to make out the Deed and Mortgage, and have them executed in accordance with the Bishop's suggestion, and that the Resolution No. III., passed at the last meeting, be hereby rescinded, and that the By-Law respecting the creation of a Sinking Fund for the repayment of the original grant be repealed.—Carried.
 This has been done, and the mortgage is now an asset of the General Purposes Investments Fund for \$6,000.

Church Temporalities Act.

ANNO QUARTO ET QUINTO VICTORIÆ REGINÆ.

An Act to make provision for the management of the Temporalities of the United Church of England and Ireland, in this Province, and for other purposes therein mentioned.

[Royal Assent promulgated 3rd December, 1841.]

WHEREAS it is desired, on behalf of the United Church of England and Ireland, in the Province of Upper Canada, that provision should be made by law for the internal management, by the members of the said Church, of the Temporalities thereof, and also for allowing the endowment thereof; and it is just and expedient that such provision should be made: Be it therefore enacted by the Queen's most excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act, passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of his Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That from and after the passing of this Act, the soil and freehold of all Churches of the Communion of the said United Church of England and Ireland, now erected, or hereafter to be erected, in the said Province, and of the Churchyards and Burying-grounds attached or belonging thereto, respectively, shall be in the Parson or other Incumbent thereof, for the time being, and that the possession thereof shall be in the Incumbent for the time being, and the Churchwardens to be appointed as hereinafter is mentioned, by whatever title the same may be now held, whether vested in Trustees for the use of the Church, or whether the legal estate remains in the Crown, by reason of no patent having been issued, though set apart for the purpose of such Church, Church-yard or Burying-ground: Provided always, that nothing herein contained shall extend to affect the rights of any other Church, or body of Christians, to any landed property, or Church now erected, but that the same shall remain as if this Act had not been passed.

II. And be it further enacted by the authority aforesaid, That all pew-holders in such Churches, whether holding the same by purchase or lease, and all persons holding sittings therein, by the same being let to them by Churchwardens, and holding a certificate from the Churchwardens of such sittings, shall form a vestry for the purposes in this Act mentioned and declared.

III. And be it further enacted by the authority aforesaid, That a meeting of such vestry shall be holden on Monday in Easter week, in each and every year, after due notice thereof given during the Divine service on the morning of Easter Sunday, for the purpose of appointing Churchwardens for the ensuing year; and that at such meeting one Churchwarden shall be nominated by the Incumbent of the Parsonage or Rectory to which the said Church belongs, and the other shall be elected by a majority of those present, and entitled to vote at such vestry meeting as aforesaid: Provided, nevertheless, that in case of such Incumbent declining or neglecting to nominate a Church-

XIV. And be it further enacted by the authority aforesaid, That the fees on Marriages, Baptisms, and other services of the Church of the like nature, and the charges payable on breaking the ground in the Cemeteries or Churchyards, and in the said Churches for burying the dead, shall be regulated by the Ordinary, or in case of their being no Ordinary, by the Bishop of the Diocese.

XV. And be it further enacted by the authority aforesaid, That it shall be in the power of the Members of such Vestries, at such Vestry Meetings as aforesaid, to make By-Laws for the regulation of their proceedings, and the management of the Temporalities of the Church or Parish to which they belong, so as the same may not be repugnant to this Act, nor contrary to the Canons of the said United Church of England and Ireland.

XVI. And be it further enacted by the authority aforesaid, That any deed or conveyance of land, or of personality, that may be made to any Bishop of the said Church, in the said Province, and to his successors, for the endowment of his See, or for the general uses of the said Church, as such Bishop may appoint, or otherwise, or for the use of any particular Church then erected, or thereafter to be erected, or for the endowment of a Parsonage, Rectory or Living, or for other uses or purposes appurtenant to such Church in general, or to any particular Church or Parish, to be named in such deed, and any such deed or conveyance, to any Parson or Rector, or other Incumbent, and his successors, for the endowment of such Parsonage, Rectory or Living, or for other uses or purposes appurtenant thereto shall be valid and effectual to the uses and purposes in such deed or conveyance to be mentioned and set forth, the Acts of Parliament, commonly called the Statutes of Mortmain, or other Acts, Laws, or usages, to the contrary thereof notwithstanding: Provided always, that in order to the validity of such deeds and conveyances, the same shall be made and executed six months at least before the death of the person conveying the same, and shall be registered not later than six months after his decease.

XVII. And be it further enacted by the authority aforesaid, That in the event of any persons, bodies politic or corporate, desiring to erect and found a Church or Churches, and to endow the same with a sufficiency for the maintenance of such Church and of Divine Service therein, according to the rites of the said Church of England and Ireland, it shall and may be lawful for him, or them, to do so, upon procuring the License of the Bishop, under his hand and seal, for that purpose; and thereupon, after the erection of a suitable Church, and the appropriation by the founder thereof, of such Church so erected, and of lands and hereditaments, or other property, ade-

At his examination he shall satisfy the examiners that he is sufficiently acquainted with the Hebrew, Greek and Latin languages; that he is fairly conversant with the Old and New Testament Scriptures, with the Greek Text of the Gospels and the Acts, with Christian evidences, with the history of the Canon of Holy Scripture, and of the Church (especially that of the Church of England), and with the Articles, Creeds and Formularies of the Church, both in their history and interpretation, and that he can compose a sermon on any given text of Holy Scripture.

3.—Before a candidate's admission to examination, the Bishop must be satisfied of his good life and conversation, by letters testimonial, in the usual form, and by an attestation that the form usually called "Si Quis" has been publicly read in the congregation of which he is a member; and no one, unless in special cases with the consent of the Bishop, shall be admitted to Deacon's Orders who is over forty years of age.

4.—No one shall be promoted to the Order of Priest until he shall have passed an examination in the Greek Text of the Epistles, together with a full examination in some of the higher branches of the subjects mentioned in Clause II.

VI.—Lay Readers.

VII.—Admission of Strangers to Officiate.

1.—No Minister or other person shall be permitted to officiate, permanently or occasionally, in any congregation of this Church, except he shall have been Episcopally and Canonically ordained, and shall also conform to the doctrine and discipline of the Church.

2.—No Clergyman shall officiate in any congregation in this Diocese for more than one month, without a written license under the hand of the Bishop, and no Clergyman who has availed himself of this implied permission shall be allowed to officiate again in the same Church within a period of three months, unless he obtain the license of the Bishop; provided that Clergymen holding the Bishop's license for temporary duty shall not be considered members of the Diocesan Synod.

3.—Every Clergyman who officiates in any congregation in the Diocese, shall be required to inscribe in a book, which shall be kept in the vestry for that purpose, his name, his present preferment, and the day when he so officiated in the Church.

VIII.—Candidates for Orders who have been Ministers of Other Denominations.

1.—When a person who, not having had Episcopal ordination, has been acknowledged as a Minister or Licentiate among any denomination of Christians, shall desire to be ordained in the Diocese, he shall give notice thereof to the Bishop, which notice shall be accompanied with a written certificate from at least two Presbyters of the Church, stating that, from personal knowledge of the party, or satisfactory evidence laid before them, they believe that his desire to leave the denomination to which he has belonged has not arisen from any circumstances unfavorable to his religious faith and moral character, or on account of which it may be inexpedient to admit him to the exercise of the Ministry in this Diocese, and they shall also add what they know, or believe on good authority, of the circumstances leading to said desire.

2. If the Bishop shall think proper to proceed, the party applying to be received as a candidate, shall produce the same testimonials of literary qualifications as are required of other candidates; and also a testimonial from at least six members of the denomination from which he came, or six members of the Church, or six persons in part members of the denomination from which he came, and in part members of the Church, satisfactory to the Bishop, that the applicant has for the three years last past lived piously, soberly and honestly; and also a testimonial from at least two Presbyters of the Church, that they believe him to be pious, sober and honest, and sincerely attached to the doctrines, discipline and worship of the Church.

3. Candidates admitted as above may, at the expiration of a period of not less than one year, unless the Bishop shall see fit for special reasons to shorten the time, be ordained, on their passing the same examination as other candidates for Deacon's orders; and in the examination, special regard shall be had to those points in which the denomination whence they came differs from the Church, with a view of testing their information and soundness in the same; and also to the ascertaining that they are adequately acquainted with the Liturgy and offices of this Church, provided that in their case the testimonials shall be required to cover only the time since their admission as candidates for orders, and provided also, that the provisions of the Canon concerning candidates for orders, as far as the same relates to the age of the person to whom the dispensation may be granted, and the mode and restrictions, in and under which the same may be granted, shall apply to the persons mentioned in this Canon.

4. When any person who has been acknowledged as a Minister among any other denomination of Christians shall apply for orders in this Diocese, the Bishop shall require of him, in addition to the above qualifications, satisfactory evidence that he has resided at least one year in this Dominion previous to his application.

IX.—Of the Discipline of the Clergy.

Nevertheless, when proceedings are taken under this Canon, in respect of any matter which has been the subject of inquiry and adjudication in a court of justice, the proceedings under this Canon may be commenced against a Clergyman in respect of the same matter, or of any matter arising out of the same or connected therewith, within three months of the period when the knowledge thereof shall have reached the Bishop, or the person or persons complaining to him.

SECTION IV.—1. The trial shall be on a presentment in writing addressed to the Bishop of the Diocese, specifying the offences of which the accused is alleged to be guilty, with reasonable certainty as to time, place and circumstances, which presentment may be made by three communicants of the Church, or by any three Presbyters, or whenever the Bishop shall have reason to believe that any Clergyman is under the imputation of having been guilty of any offence or misconduct, for which he is liable to be tried, and that the interest of the Church requires an investigation. 2. The Bishop shall then nominate five members of the Committee of Discipline, not being parties to the presentment, as a Board of Triers, and cause a list of their names, together with a copy of the charges, to be served on the accused, who shall, within fourteen days after such service, have the right, if he so desire, to object to any three of them, and notify their names in writing to the Bishop; and upon his objecting to one or more, then the Bishop shall name one or more of the said Committee of Discipline, as may be required, and those so selected shall form a Board for the trial of the accused, and shall meet at such time and place as the Bishop shall direct, and shall have power to adjourn from time to time, and from place to place (but always within the Diocese), as they shall think necessary. Provided always, that any Clergyman who is charged with any offence under this Canon shall have the privilege of a preliminary investigation, should he so desire, and signify such desire to the Bishop, in writing, within ten days after the service of such notice of trial; and in such case the Bishop shall appoint three members of the Committee of Discipline to examine the case, a majority of whom may make such examination, and report to the Bishop whether, in their opinion, there is good ground

for proceeding to trial. 3. A written notice of the time and place of their first meeting shall be served, at least fourteen days before such meeting, on the accused, and also on one of the persons making the presentment. 4. If a Clergyman, presented, shall confess the truth of the allegations contained in the presentment, the Bishop shall proceed to pass sentence; and if he shall not confess them before the appointment of a Board for his trial, as before mentioned, he shall be considered as denying them. 5. If a Clergyman, presented, after having had due notice, shall not appear before the Board appointed for his trial, the Board may, nevertheless, proceed as if he were present, unless for good cause they shall see fit to adjourn till another day. 6. When the Board proceeds to the trial, they shall hear such evidence as shall be produced, which evidence shall be reduced to writing and signed by the witnesses respectively. If, on or during the trial, the accused shall confess the truth of the charges as stated in the presentment, the Board may dispense with hearing further evidence, and may proceed at once to state their opinion to the Bishop as to the sentence that ought to be pronounced. 7. Upon the application of either party to the Board of Triers, and it being made satisfactorily to appear to them that any material witnesses cannot be procured upon the trial, they may appoint a commission to take the testimony of any such witness: and both parties may attend and examine the witness, and the examination shall be reduced to writing and signed by the witness, and shall be in the words of the witness as far as possible, and in the first person, and certified by the commissioner, and enclosed under his seal and transmitted to the Board, and shall be received by them as evidence. 8. The Board having deliberately considered the evidence, shall declare in writing by them, or a majority of them, their decision on the charges contained in the presentment, distinctly stating whether the accused is guilty or not guilty of such charges respectively, and also stating the sentence which, in their opinion, shall be pronounced; and their decision, together with the evidence, shall be delivered to the Bishop, who shall pronounce such Canonical sentence as shall appear to him to be proper, provided the same shall not exceed in severity the sentence recommended by the Board. 9. Before pronouncing any sentence, the Bishop shall summon the accused, and any three or more of the Clergy, to meet him at such time as may, in his opinion, be most convenient, in some Church of the Diocese, which shall for that purpose be open at the time to all persons who may choose to attend, and the sentence shall then and there be publicly pronounced by the Bishop, or by some person commissioned by him. 10. All notices and papers contemplated in this Canon may be served by a summoner or summoners, to be appointed for the purpose by the Bishop, and whose certificate of such service shall be evidence thereof. In case of service by any other person, the facts shall be proved by such person. A written notice or paper delivered to a party, or left at his place of residence, shall be deemed a sufficient service of such notice or paper. 11. The defendant may have the privilege of appearing by counsel: in case of the exercise of such privilege, and not otherwise, those who present shall have also the like privilege.

SECTION V.—If, at the time appointed for the first meeting of the Board of Triers, the whole number of five shall not attend, then those who do attend, being not less than three, shall proceed to the trial, and a majority of those attending shall decide all questions. They shall appoint a secretary, who may be one of their own number, whose duty it shall be to keep a record of all the proceedings had before the Board. And they shall, before proceeding with a trial, in case counsel is employed by either the accuser or the accused, or in their discretion, in case no counsel is employed, call to their aid some barrister-at-law of at least ten years' standing at the Bar of Ontario, to act as their assessor, and advise them on all questions of evidence and procedure; and where such advice is sought, the Triers shall be governed thereby.

SECTION VI.—*Suspension Pendente Lite.* In every case in which, from the nature of the offence charged, it shall appear to the Bishop, after due inquiry, that great scandal is likely to arise from the Clergyman accused continuing to perform the services of the Church while such charge is under investigation, the Bishop shall cause a notice to be served on the accused, at the same time with the service of the copy of the charge, or at any time pending the proceedings, inhibiting the accused from performing any services in the Church until the matter shall have been finally decided; and the Bishop may make provision for the service of the Church during the period of suspension, which suspension shall not exceed three months.

SECTION VII.—The proceedings upon a trial shall be open to the members of the Church, unless, in the unanimous opinion of the Board, the circumstances of the case require that the trial should be private.

SECTION VIII.—Every Clergyman, whose case may have been disposed of and decided adversely to him, and who shall think himself aggrieved by such decision, or who shall make it appear that new evidence, having an important bearing on the case, has been discovered since the trial, of the existence of which he may not have been aware at the time of the trial, may petition the Bishop for a new trial, or a rehearing of the case, either upon objections to be taken to the decision upon the facts, or because the judgment is not sustained by the laws and canons of this ecclesiastical province, or of the Diocese, or for other cause or causes; or he may apply by petition to the Bishop for an arrest of sentence or judgment, upon causes to be shown; and in either case the Bishop shall, upon receiving such petition, refer the same and the whole subject, together with the evidence and the report made by the Board of Triers, to the whole Committee of Discipline; and their decision on the above questions shall be final in so far as this Diocese is concerned.

The Triers to whom the examination or trial of any accused person shall be committed, shall be bound by a solemn declaration not to divulge the sentence recommended, until such time as it has been approved and confirmed by the Bishop; and further, that they will at no time whatsoever disclose the vote of any particular member of the Board.

SECTION IX.—In the event that a rehearing or new trial be granted, the case shall be transmitted to a Board of Triers, who shall proceed to hold a new trial, according to the rules hereinbefore set forth, within one month of the notice of such new trial being given to them by the Bishop, but in no case shall more than one new trial be granted.

SECTION X.—The following sentences may be pronounced, and punishments imposed upon offending Clergymen, viz.:—Admonition; suspension from the exercise of his office; withdrawal of license; deprivation or removal from his charge in the Church; deposition or degradation from his sacred office.

SECTION XI.—For the offences set forth in the first column hereafter written, the sentences set forth opposite to the same in the second column, and none others, shall be passed by the Bishop or person commissioned by him, upon any Clergyman found guilty thereof.

SECTION XIII.—When the sentence of deprivation or deposition is pronounced, the connection between the minister so deprived or deposed and his parish or congregation shall be *ipso facto* severed, and all offices, rents, issues, profits and emoluments which he may have held by virtue of such office or ministry from which he has been removed, shall wholly cease and determine.

SECTION XIV.—Whenever a Clergyman is so deposed or degraded from the Holy Ministry, the Bishop who pronounces the sentence shall, without delay, cause such sentence to be publicly read in the several congregations of the Diocese, by the respective ministers thereof, and shall also give notice to all the Bishops of the Dominion.

SECTION XV.—All the proceedings of the Triers, when approved by the Bishop, as well as the sentence in each case, shall be kept recorded by the Secretaries of the Synod in a book to be provided for that purpose.

SECTION XVI.—The expenses connected with the carrying out of the Canon on Discipline shall be paid out of the Synod Assessment.

SECTION XVII.—In all cases of suspension of a Clergyman by the Bishop, a trial (except in case of confession and submission) shall be proceeded with, within three months of such suspension, or the same shall be null and void.

X.—On Repairs and Dilapidations.

SECTION I.—It shall be the duty of every parish or mission to provide a residence for the Clergyman, and, before an Incumbent takes possession of a parsonage, the Bishop shall direct the Archdeacon or Rural Dean to ascertain and certify the state of repair of the parsonage. When the rectory or parsonage and outhouses are put in possession of a Clergyman in a state of good repair, it shall be the duty of the Clergyman to keep the same in good repair and condition, ordinary wear and tear, accidents by fire or tempest excepted; and if the Clergyman shall suffer said buildings to go out of repair, it shall be the duty of the Rural Dean to request him to remedy the same; and in case he shall decline or neglect to do so, the Rural Dean shall notify the Archdeacon of such neglect on the part of the Clergyman, and if, on representation made to him by the Archdeacon and Rural Dean, the Clergyman shall still neglect to make the necessary repairs, then the Archdeacon and Rural Dean shall report the same to the Diocesan Synod, together with an estimate by a competent mechanic of the cost of such necessary repairs.

SECTION II.—It shall be the duty of the Churchwardens to insure and keep insured the houses and buildings on the premises held by the incumbent, and whenever any improvements or repairs become necessary, from the lapse of time, such as new roofings, external or internal painting, new fencing to protect the premises, the expense of these and all similar repairs and improvements shall be borne by the parish, and in no case shall the Clergyman be accountable for any damage or dilapidation that may occur through the negligence or unwillingness of the vestry to carry out such necessary improvements or repairs; but it shall be the duty of the Clergyman, under such circumstances, to report at once to the Rural Dean the conditions of the premises and the unwillingness of the vestry to improve and protect the same; and if, on further inquiry, the Rural Dean finds that the vestry refuse to take action in the matter, then he shall report the same to the Archdeacon; and if, upon their representation, the vestry still refuse or neglect to make the necessary repairs, then it shall be their duty to report the same to the Synod, provided that, when there is more than one congregation in a parish or mission, it shall be the duty of each to bear its proper share in the repairs of the parsonage and outbuildings in such proportion as shall be determined by the Archdeacon or Rural Dean.

SECTION III.—The Rural Deans shall make an annual report to the Synod on the state of repair of all churches, parsonages, &c., within their respective deaneries.

SECTION IV.—That in cases where the Rural Dean himself is an interested party in any church or parsonage, then the Archdeacon shall act in the premises; and in case of the Archdeacon being an interested party, then the Rural Dean shall act.

XI.—For Settling Boundaries of Missions and Parishes, and the Subdivision and Union of the Same.

That in each Rural Deanery of the Diocese, there shall be appointed by the Bishop a Committee for the purpose of making a division, and defining the boundaries of each parish and mission therein; that each Rural Dean shall be *ex-officio* Chairman of the Committee in his Deanery, and after the passing of this Canon, the Committee in each Rural Deanery shall be convened by the Rural Dean thereof, to settle all the questions for which they are appointed, and report the same to the Bishop. And each Rural Dean shall, from time to time, report any changes which may be proposed in such bounds by the said Committee; and the decisions of the Committees in the powers hereby conferred upon them shall be final upon the approval of the Bishop; and the boundaries so arranged, approved and declared by the Committee, shall be the boundaries of the parishes or cures aforesaid, until the same shall be afterwards changed by the same Committee, with the like approval of the Bishop. Provided always, that if any Clergyman shall be dissatisfied with the boundaries of his mission, as arranged by the Committee, the matter shall be referred to the Archdeacon for his decision thereupon, previous to the report being made to the Bishop.

XII.—On Parochial Registers.

There shall be kept in every Parish and Mission a register of marriages, baptisms and funerals; also of the services, with the names of the preachers, and confirmations in each Church, the attendance of communicants, the number and average attendance of Sunday School scholars and teachers, and the total of all money paid in the parish or mission for parochial, diocesan or general religious purposes.

XIII.—On Appointments to Vacant Parishes or Missions.

The appointment to all parishes and missions shall be vested in the Bishop, but if any Clergyman or candidate for orders shall in any way seek to gain the appointment by soliciting the aid or influence of any parishioner in any movement of an irregular nature, such conduct, if proved, shall be deemed sufficient to prevent such Clergyman or candidate for orders from being appointed by the Bishop to the vacant charge.

XIV.—On Notice to be Given on Leaving a Parish or Mission.

Whenever an Incumbent desires to discontinue the services of his Curate or Assistant, he shall give three months' notice to such Curate or Assistant, and also to the Bishop.

Whenever a Curate or Assistant desires to resign his position in relation to the Incumbent, he shall give the same notice to the Incumbent and to the Bishop.

Whenever a Clergyman desires to resign his charge, he shall give three months' notice to the Bishop and also to the Churchwardens; provided always that the above rules shall not necessarily interfere with any arrangement approved by the Bishop, and which the above parties may agree upon for a more speedy separation.

XV.—On the License to Clergymen.

That every Clergyman doing duty within the Diocese, except in cases provided for by the constitution, shall be licensed by the Bishop to some
