Bargains at J. W. DAVIDSON'S the Naval Brigged. "Our force consisted of 200 men of the Naval Brigade, with one 14 pound and two 9 pound guns, under Capt Fisher; a thousand marines under Cel. Tuson; half a battalion of the 38th and 46th regiments, and all of the 60th regiment. We had a skirmish with the enemy who were 1,000 strong with 6 guns and 6 rockets, from half

past five till halt-past seven in the evening. Total ca ualties to the Nav-al Brigade and Marines were 2 killed and 32 wounded. The Egyptians fought determinedly Their wounded were carried to the British rear and carefully attended to. Lieut. Vyse tell while gallantly pressing to the front of the left wing of the attack. Neither dead nor prisoners were left in the enemy's hands

The Standard's report says that many of the enemy threw themselves into the canal and were drowned or shot as they swam across. When the marines fell back the movement was steadily carried out in the good old fashion of British soldiers; when a man fell his next file would cry out for a "stretcher" and stand by with his rifle at the ready until the wounded man was carried away.

The Times Alexandria despatch

says no words are too strong to express the admirable coolness and courage of the marines and sailors during the action on Saturday.

That the human system requires renovating in the Spring is proved by the loss of appetite, 185 situde or debility which comes within the experience of almost everyone. Aware of this it was the custom of our grandmothers to prepare decoctions of Burdock, Dandelion and Cherry bark for the purpose of restoring the stomach to a healthy tone, and purifying the blood, but the medical skill of the present day finds such things ineffective and sometimes injurious. Hanington's Quinhe Wingand Iron, used in conjunction with Hämington's Tonio Dimer Pills, restore the appetite, invigorate the system and purify the blood immediately and effectually, as thousands testify who have been benefitted by their use.
