The copy filmed here has been reproduced thanks to the generosity of:

Law Library
York University
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Law Library
York University
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

(d) The Digests of Pandects are divided into 50 Books; each Book is divided into Titles, and each Title into Laws; and the Laws generally into Parts or Paragraphs. The first paragraph is not numbered, and is usually quoted by the abbreviation *in pr.* (*in principio*). The last paragraph is sometimes quoted by the word *in fine*, or § *ult.* (*paragraphus ultimus*). The Digest is variously quoted by the letters D or P, or Ll, or fr. It is supposed to be a corruption of the D with a stroke through the middle, or perhaps of the Greek Λ.

The ancient mode of quotation was by mentioning the initial words of the Law and of the paragraph, with the initial words of the Title. This made a reference to the General Index necessary, e. g., *L. Profectitia, § si Pater, D de jure dotium*, or in reversed order, *D de jure dotium, L Profectitia § si Pater*. Afterward the quotation was *L Profectitia § si Pater*, or *D de jure dotium*; and latterly, *L 5, § 6, D de jure dotium*; or, more correctly, using the letters fr. instead of L, since the passages were not laws, but fragments or excerpts from the writings of the Jurisprudents, *fr. 5, § 6, D de jure dotium*. The modern mode avoids all reference to the words. It is thus: fr. 5, § 6, D 23, 3; or in reversed order, D 23 tit. 3, fr. 5, § 6, or shortly, D. 23, 3, 5, 7, i. e. Digest.

(e) See note (a).

(i) The Institutes of Justinian are divided into four Books—each Book is divided into Titles, and each Title into Paragraphs, of which the first, described by the letters *pr.*, or *princip.*, is not numbered. The old method of citing the Institutes was to give the commencing words of the paragraph, and of the title: e. g., § *si adversus Inst. de Nuptiis*. Sometimes the number of the paragraph was introduced, e. g., § 12, *Si adversus Inst. de Nuptiis*. The modern way is to give the number of the book, title and paragraph, *Inst. l. 10, 12; l. c., Inst. Lib. 1, tit. 10, § 12.*

(m) The Novels, or New Constitutions, are explanatory of the Code. The greatest part of these Novels was composed in Greek, owing to the seat of empire being then in Constantinople. Some, however, were published in Latin, and have been noticed by Antonius Augustinus. There are four translations of the Novels. The Novels are quoted by their respective numbers, chapters and paragraphs, *e. g.*, Nov. 83, C. 9, § 1.

After Justinian's death, some part of his Novels, to the number of 168, were collected and reduced into one volume, together with 13 of the Greek edicts, which make up the fourth and last division of the *Corpus Juris Civilis*.
