HOW JOHN NORTON KEPT CHRISTMAS.

"It says here," said the trapper, speaking to himself—"it says here, 'Give to him that lacketh, and from him that hath an early start will make the day pleasant to the woods? exclaimed then he paused for a few moments, his good sayin' fur sartin, and the world victuals be scant in the cupboard. Yis, as of alcohol or tobacco, Wakefulness, tental are pack basket out and begin to put the horns aboard."

"Load! What load have ye been draggin' through the woods? exclaimed then he paused for a few moments, his head bowed over the box. "The boy don't have to kindle a fire on it and burn a draggin' through the woods? exclaimed then he paused for a few moments, his head bowed over the box. "The boy didn't have to pay didn't have to kindle a fire on it and burn a draggin' through the woods? exclaimed then he paused for a few moments, his head bowed over the box. "The boy don't forgit," he murmured, and he wiped don't forgit," he murmured, and he wiped have to kindle a fire on it and burn a draggin' through the woods? exclaimed then he paused for a few moments, his head bowed over the box. "The boy didn't have to kindle a fire on it and burn a draggin' through the woods? exclaimed then he paused for a few moments, his head bowed over the box. "The boy don't forgit," he murmured, and he wiped have to kindle a fire on it and burn a draggin' through the woods? exclaimed then he paused for a Teadache, Nervous Prostration caused by the se of alcohol or tobacco, Wakefulness, dental perpension, Softening of the Brain resulting in many death, Premature Old Age, Barrenness, Loss of either sex, Involuntary Losses and permatory near caused by over exertion of the page, and his forefinger rain, self-abuse or over indugence. Each over or six boxes for \$5.00, sent by mail pre-laid on receipt of price.

WE GUARANTEE SIX BOXES

With each order received by several and several results and the broke the silence again, saying:

"Ill git the pack basket out, and look the plank at this minit,"

"In git the pack basket out, and look the plank at this minit,"

"Come and see for yourself," answered to take 'em. I don't conceit it'll make much of a show, fur what might be good for a show, fur what might be good with the pack basket out, and look the plank at this minit,"

"Come and see for yourself," answered with the back of his heads.—

"The boy don't forgit," he murmured, and he wiped his eyes with the back of his hands.—

"The boy don't forgit," he murmured, and he wiped his eyes with the back of his heads.—

"Come and see for your self," answered with the satistance of Wild Bill, "and give an a lift. Once in your cabin, and in front of your fire, I'll answer all the questions you may ask.—

But I'll answer no more until I'm inside the turned towards that personage, whose attack on the venison haunch was as determined as ever—"Wild Bill, this box of the following the plank at this minit."

"The boy don't forgit," he murmured, and he wiped his eyes with the back of his hands.—

"The boy don't forgit," he murmured, and he wiped his eyes with the back of his hands.—

"The boy don't forgit," he murmured, and he wiped his eyes with the back of his hands.—

"The boy don't forgit," he murmured, and he wiped his eyes with the back of his hands.—

"The boy don't forgit," he murmured, and he wiped his eyes with the back of his hands.—

"The boy don't forgit," he plank at this minit.

"The boy don't forgit," he murmured, and h

through the nozzle of a bottle."

In a moment the great pack basket had to-night; it's a good ways furder on, but I in a moment the great pack basket had to-night; it's a good ways furder on, but I in a moment the great pack basket had the furder on you git in the book the and the trapper was busy overhauling the furder on you git in the book the and the trapper was busy overhauling man as he stood over the sled and saw in the huge box that a filed his mouth.

"Lord a-massy!" exclaimed the old und the old man as he stood over the sled and saw in the huge box that midd his different in the furder on you git in the book the and the trapper was busy overhauling better it grows, and I conceit the boy his stores to see what he could find that the huge box that midd his mouth.

"Lord a-massy!" exclaimed the old und the old man as he stood over the sled and saw in the huge box that was on it. "I looks so," returned Bill as laconisle would make a fitting Christmas gift for massy! Bill, what a tug ye must have massy! Bill, look here! Here be a five the Lord's commandment don't make it "The yarb be of the best," said the old utterance. "It's strange, that's a fact, haulin'. Didn't ye git a leetle armest in any better. And a good deal of the man, putting his nose to the mouth of for it's Christmas eve, and I ought to be yer feelin's, Bill, afore ye got to the top St. John, Oct. 5, 1885. A. O. SKINNER.

No 217 Follis Street, Halifax.

had been turning the leaves until he had to tea as an otter to his slide, and I wan had been turning the leaves until he had to tea as an otter to his slide, and I wan reached the opening chapters of the New, rant it'll be an amazin' comfort to her claimed the trapper, who suddenly bear the bottom again; for the roots was sliptored until he had come to the description of arter the day's work be over, more estament, he hearted; the woman takes as materianty had been turning the leaves until he had to tea as an otter to his slide, and I wan reached the opening chapters of the Hovas.

The Hovas also gained another victory over the French and their Sakalava allies in the north. The French commander the Saviour's birth, and the angelic anpecially of the work has been heavy and

These offerings evidently exhausted the old man's resources, for, after looking

No one can appreciate the intensity of the box through for money, and I the old man's feelings in reference to the won't take a —"

Parkers Wild Bill receive the content of the old man's feelings in reference to the won't take a —"

Parkers Wild Bill receive the old man's resources, for, after looking the old man's feelings in reference to the looked first at one hound, and then at the other, and said: forts ye have."

He said this deliberately, as if addressing human companions. The two hounds both turned their heads toward their master, looked placidly into his face and wagged their tails.

"The victuals be all right," he said, fur there be enough to last'em a month, and they needn't scrimp themselves trapper. "Ye both be comfortable, and I dare say that arter yer way ye be grateful, fur, next to eatin', a dog loves to the said and they needn't scrimp themselves the rapper is a welcome event, and the service which the latter might require of the host both a sacred and pleasant obligation. To serve a guest with his own hand, which he did with a natural courtesy peculiar to himself, was his delight. Nor did it matter with him what the quality of the grateful, fur, next to eatin', a dog loves to last time I saw 'em'; and the woman's guest might be. The wandering trapper "I tell ye, old man," returned Wild grateful, fur, next to eatin', a dog loves the heat, and ye be nigh enough to the logs to be toastin.' Yis, this is Christmas-eve," continued the old man, "and in the settlements the folks be gettin' ready their gifts. The young people be to the patchin, and the woman and the lectle uns need garments—that is, it's more'n ready their gifts. The young people be tyin' up their evergreens, and the leetle uns need garments—that is, it's more'n likely they do, and I haven't a garment dreamin'. It's a pleasant pictur', and I sartinly wish I could see the merry makin's as Henry has told me of them, some time, but I trust it may be in his own house and with his own children." With house and with his own children." With the basket and the woman and the lectle uns need garments—that is, it's more'n is trangely brought to him, and by his strangely brought to him, and by his strangely brought to him, and by his surmise Zouching who the sender might be, that Wild Bill was left to help him your cabin more than once, John Norton, self without the old man's attendance.

It was evident that Bill was equal to the occasion, and was not aware of the slightest neglect. At least his actions were not by the neglect of the trapper from the creek one day when I had walk-norted.

Norton "

this pleasant remark, in respect to the Norton !" this pleasant remark, in respect to the one he loved so well, the old man lapsed into silence. But the peaceful contentment of his face, as the firelight revealed it, showed plainly that though his lips it, showed plainly that though his lips.

Norton?"

"Wild Bill?" exclaimed the trapper. his appetite affected, for the examination his appetite affected, for the exam it, showed plainly that though his lips moved not, his mind was still active with the signs, fur et he isn't drunk, the not in the least abashed or uncertain how the trapper, "but I won't forgit the deed pleasant thoughts of the one whose name inercy of the Lord or the scarcity of to proceed; for he attacked the provisions ye have did, and the boy won't forgit is he had mentioned, and whom he so fond- liquor has kept him from it. I'll go to with the energy of a man who had fasted neither. Come, let's clear away the ly loved. At last a more sober look came the door and see what he wants. It's to his countenance—a look of regret, of sartinly too cold to let a man stand in suddenly to an ample supply of food, sartinly a big un, and I would like to see self-reproach, the look of a man who re-

with logs fiercely ablaze. On either side of the broad hearth-stone a hound sat on sartinly looked open enough the last time his haunches, looking gravely, as only a letter that may be in want. The shanty with a log cabin within a dezen rods of ye?"

"The board be sawed," he said, "and there shoutin' in the cold they came from the millsof thesettlements, of its expression as that of a child. The for the smoothin' plane has been over'em."

Then he inspected the initing and rotal quate mirror in his face as the mitter. Sample. Parker & Co. Proprietors, Upper his. haunches, looking gravely, as only a Musquodobit, Nova scoils.

The past season in Maine has been and is within the jurisdiction of the Provinces. That would then leave the way open to the Local Legislatures to pass or those who sawed them into lumber, saw fit. had logs to sell, but not very profitable for those who sawed them into lumber, because logs brought a pretty good price, while manufactured lumber sold low. There are only seventeen million feet of lumber over on the Penobscot river out of a total stock of one hundred and fifty million for the year, which is the smallest reserve for fifteen years. The lumbermen feel confident of better times next

DEATH OF REV. D. McDONALD, D. D.

Many readers of the Examiner will deeply regret the loss of their warm hearted and sympathetic friend, the Rew. Dr. McDonald, familiarly and lovingly known as "Father Dan." His passage from earth took place yesterday at the parochial house in Georgetown. He was a son of the late Allan McDonald of Garahill, and was born in the year 1820. In 1841 he the late Allan McDonald of Garahill, and was born in the year 1820. In 1841 he entered St. Andrew's college as a student of divinity, and after remaining there for two or three years proceeded to Rome, where he studied about seven years. On his return to his native island he lived in Rustico with the late Bishop McDonald for about two years, and then he went to assist Father McPhee in the large and important charge of St. Peter's, St. Margaret's, St. Mary's and St. Columba.

Indian empire receives a new territory of some 200,000 square miles, and a population of four to four and a half millions. The latter are Buddists in religious belief, and for Orientals, are fairly well educated, the majority being able to read and proval of the government of Canada. From this it will be seen that contractors, amongst the president has taken.

TRADE WITH THE UNITED STATES.

London, Ont. Jan. 7.—According to the report of U. S. Consul Washington, the value of goods exported to the United States has year from this district amounted to nearly eight hundred thousand dollars. Mr. Washington, in referring to the matter, said that from the character the trade carried on between the two countries, the Americans desired closer commercial relations with Canada. The Democratic party is most friendly disposed to that what he had suid about bad newspapers and hewspaper men of the country should be applied to the honest newspapers and newspaper men. He did not suppose that any one wend so apply it. He supposed that everybody discriminated as he did between honest and dishonest newspapers and newspapers and newspaper men. He did not suppose that any one wend so apply it. He supposed that everybody the relation of the trade of the two discriminated as he did between honest men and dishonest newspapers and newspaper men. He did not suppose that any one wend so apply it. He supposed that everybody and discriminated as he did between honest men and dishonest newspapers and newspaper men. He did not suppose that any one wend so apply it. He supposed that everybody and discriminated as he did not suppose that any one wend so apply it. He supposed that everybody the country should be applied to the honest newspapers and newspaper men. He did not supposed that everybody itseriminated as he did not suppose that any one wend so apply it. He s rebellion.

A wild blizzard prevailed in Illinois, Iowa, Kansas, Nebraska, Dakota and Minnesota Jan. 8—of wider extent and more ferce in character than known be-

The subscriptions received at Le Monde office for the Riel family, up to date amount to \$262,95. Sympathy in this case finds expression in words rather than in deeds. A pretty good index of the rank insincerity of those who have indulged in violent denunciation of the Government, for hanging are bell and murderer. Further comment is needless.

Washington, D. C., Jan. 5.—In the House of Representatives to-day, Mr. Magbury, member of Congress from Michigan, introduced a resolution calling on Secretary Bayard for information as to the action taken by the government under the provisions of the act of 1879, relative to commercial relations with Canada, also for the renewal of commercial relations with the British possessions of North WASHINGTON, D. C., Jan. 5.-In the

spring. It is said the site will be Govins' field or McGillivray's. The building will be 35x70. Father Malone is doing all in his power to bring about a speedy completed on or before the first January next. The Government is pushing work. fosses were 500 killed, 2,000 woods.

500 prisoners, while the Servian losses, of course by Bulgarian estimate, are 2,500 killed, 1,26 wounded and prisoners. The figures, though official, are probably an underestimate on both sides, but the number is enough for a few days of the "come of kings," storiagrams.

Several attempts have been made by the United States authorities to build a dry dock available for vessels on the Pacific coast but so far without success. There is no place on the coast like Esquimault the coast

ACT. months, thereby enabling the insurance companies to come out even and in some instances to make a profit on the business of 1885.

At Ottawa despatch to the Toronto World says: The liquor question has been the cause of much trouble in Dominion politics. Now that the McCarthy Act Children Promenade, Childr who served in the Northwest rebellion, some of the claims having been sold several times over. One volunteer is credited with having sold his claim and got the money for it from nine different persons. If this report be true, the names of those who have done so should be published, in justice to the great majority who have not acted so tishonorably.

Parliament to get rid of this troublesome matter—in other words to unload the whole matter on the Provincial Legislatures. A Cabinet Minister hinted to-day that Sir John would probably introduce a bill repealing the Scott Act, and not only repeal it, but put a clause in the bill declaring that in view of the recent decisions in England, the whole subject be and is within the jurisdiction of the Pro-

farm and Household.

THE FARMER'S SEVENTY YEARS.

Ah, there he is, lad, at the plough; He beats the boys for work, And whatsoe'er the task may be, None ever saw him shirk. And he can laugh, too, till his eyes Run o'er with youthful tears, And sing full many an old-time song,

In spite of seventy years. 'Good morning, friends! 'tis twelve o'clock Time for a half hour's rest," And Farmer John took out his lune And ate it with a zest.

"A harder task it is," he said, "Than following up these steers Or mending fences is, to me To feel my seventy years. 'You ask me why I feel so young; I'm sure, friends, I can't tell,

But think it is my good wife's fault,

Who kept me up so well; In this poor vale of tears; She's given me love and hope and strength For more than forty years. "And then, my boys have all done well,

As far as they have gone, And that thing warms an old man's blood, And helps him up and on. My girls have never cost a pang, Or raised up anxious fears; Then wonder now that I feel so young

And hale, la spite of seventy years.
