## HAROLD WHEELER RECEIVES WOUND

Shot by Companion at  
Campbellton While Exam-  
ining Revolver.

### IN SERIOUS CONDITION

Campbellton, N. B., July 31.—A shade of gloom was cast over the fire-stricken community this afternoon when it was learned that Harold Wheeler, a member of the local militia, and one of the town's most popular young men, had been the victim of a shooting accident as a result of which he is now in a precarious condition.

The accident occurred at noon and was caused by the discharge of a bullet from his own revolver while in the hands of a friend of his named Forsier. The latter was examining the revolver, which is an automatic one, when the discharge took place. The bullet passed through Wheeler's arm and entered his abdomen, rendering him unconscious. He was taken to the relief hospital where he is being attended by Drs. Pinault and Price.

This is the second serious accident to take place here since the day of the fire.

That the outside world is gradually being aroused to the seriousness of Campbellton's situation was made evident by the increased number of subscriptions received here on Saturday, more than \$3,000 being added to the relief fund. A pleasing feature in connection with it was the fact that the larger part of it came from upper Canadian cities, which up to a few days ago sent in little or no assistance.

## MANY CURES REPORTED AT SHRINES OF STE. ANNE

Huge Procession in Chicago and Ste. Anne, Ill., Where Sacred Relics Were Secured From Canadian Shrine

Chicago, July 27.—A procession of 2,000 pilgrims whose homes are scattered from ocean to ocean, among them some who came on crutches, in wheel chairs and by train, marked the close of the feast of Ste. Anne, which has been in progress for nine days at Ste. Anne's church.

Simultaneously occurred the procession of lighted candles and the end of the Novena at Ste. Anne, Ill., the only other shrine in the United States possessing the sacred relics. At the latter place nearly 5,000 persons marched in the procession. Many wonderful cures are reported at both shrines, the lame and the halt said they were made to walk; the paralyzed claimed they were restored; and the blind asserted they were made to see.

Cures were announced at Ste. Anne and Chicago. Relics of Ste. Anne in the two American shrines were secured from the shrine of Ste. Anne de Beauséjour, Canada. The pilgrimages are held annually and attract afflicted persons from nearly every state in the Union.

### A GOOD APPLICANT?

Mr. Robert Crawford, for some years a member of the St. John police force, and later, chief of police at Campbellton, is in the city today. The object of his visit is in connection with the position of chief of police of this city. Mr. Crawford states that if there is to be a change in the position of chief of police here, he is an applicant for the position. He is a man of about 40 years of age, and is a native of Scotland.

## CAMPBELLTON PEOPLE STILL IN DIRE NEED

Purse Strings are Being Gradually Unloosed but Much More is Needed if Refugees are to Survive Rigors of Winter—Measles Threatened.

Campbellton, N. B., July 31.—Public appeals for help from Campbellton are a last being answered with the generosity which the desperate situation deserve and at no time since the fire is assistance more urgent now than that measles threaten to become epidemic among the children.

In the case of many of the children there is sickness of some kind owing to lack of proper accommodation during the wet weather last week.

The building committee is arranging to provide homes for the poor as rapidly as the cash contributions allow. An investigation shows that about six hundred destitute people will have to be

assisted in building houses and supplying food for the winter. Even if only \$100 is spent on each of these families from now until next spring, it would necessitate a sum of sixty thousand dollars, yet only \$45,000 had been contributed up to last Saturday when several large subscriptions were received. In order to provide the bare necessities of life to the population at last \$100,000 will be needed.

Sergeant Harold Wheeler of the local militia was accidentally wounded yesterday by a comrade handling an automatic revolver. The bullet wedged in the abdomen necessitating Wheeler's removal to the temporary hospital.

## Montreal Nurses Save Many Young Lives.

Montreal, July 27.—The two nurses doing pioneer work throughout the poorer quarters of the city instructing mothers in the proper care of their infants during the summer months, are doing good work.

Dr. J. E. Laberge stated this morning that they were every-

where being welcomed by the women who had attentively followed the instructions given them. The great handicap to the work was the inadequacy of the force at his command. The two nurses had frequently been unable to re-visit families before the lapse of a few days and by that time the more weakly of the infants had often died.

One hundred and sixteen infants under two years of age died in Montreal last week of enteric fever.

## STRIKE FORCES FACTORIES DOWN

Brantford, Ont., July 28.—Unable to secure raw materials as a result of the Grand Trunk strike, the Farmers' Binder Twine and Schultz brick plants here were temporarily closed yesterday. Operations will be resumed as soon as supplies which are stalled arrive. The local strikers were paid off yesterday. They allege that before receiving their cheques offers to resume work were made to them, but refused.

### MAY CLOSE FACTORIES

Hamilton, Ont., July 28.—The American Can Co., and Fowler's Canadian Co., say they will have to close their factories unless they secure supplies and cars from the G. T. R. Two freight trains were sent out yesterday morning, one to Fort Erie and the other to Port Huron. The first fruit train since the strike started was sent to Toronto from Merrilton yesterday morning.

### TROOPS CALLED OUT

Lansing, Mich., July 28.—The Grand Trunk strike situation at Durand has reached such a critical stage that two battalions of the Michigan National Guard have been ordered into their armories to await orders that might be forthcoming, to move to Durand. The sheriff and prosecuting attorney of Shiawassee county say they cannot control the situation without aid from the governor.

### V. B. HOWLEY, D. D., DEAD

Saratoga, N. Y., July 29.—The Rev. Bostwick Howley, D. D., the oldest graduate of Wesleyan University and one of the best known retired Methodist Episcopal clergymen in New York state died at his home here this morning at the age of ninety-six.

## DR. CRIPPEN IN GRASP OF LAW

World Wide Search for Alleged Wife Murderer Came to An End on Sunday. Nearly Collapsed.

Father Point, Que., July 31.—All doubts as to whether "Rev. Mr. Robinson and son" on board the steamboat Montrose were Dr. Crippen and Miss Leneve—Crippen, the London doctor who is wanted to answer the charge of murdering his wife; Miss Leneve, his stenographer—were set at rest this morning when Inspector Dew, of Scotland Yard, boarded the Montrose and immediately recognized the pair as the people he had been sent after. They were immediately arrested and kept on the boat as prisoners, continuing on to Quebec.

The Montrose arrived off Father Point this morning at 8.30 and was met by a pilot tug, on board of which was Inspector Dew with Chief McCarthy and ex-Chief Dennis, of the provincial police, all disguised in oil skins as pilots.

When they boarded the Montrose Dr. Crippen was walking the deck with Dr. Stuart, of the Montrose. Crippen appeared nervous, and enquired why so many pilots boarded the vessel. Dr. Stuart replied that possibly they were pilots.

The three officers walked the deck until they had a good look at Crippen and Miss Leneve. As

soon as Inspector Dew saw them he recognized the two, and gave a prearranged signal to his companions. Immediately Chief McCarthy and Denis moved over and arrested Crippen and Miss Leneve, and took them down to their cabin, where they are now held in charge of Inspector Dew.

### CRIPPEN NEAR COLLAPSED

Crippen was completely taken by surprise, and became deadly pale when the officers apprehended him, his agitation being such that he was wholly unable to speak. Miss Leneve was seized with hysterics and could not say a word as she was assisted below.

The whole drama was enacted within a few minutes, and as soon as it was over a whistle was blown from the Montrose to a steam tender lying by, which enabled the thirty or more press representatives from Great Britain, Canada and the United States to board the Montrose, with the regular pilot. The vessel at once proceeded with the prisoners and police to Quebec, where she is expected to arrive shortly after midnight and where Dr. Crippen and Miss Leneve will be landed for the necessary formalities for their return to face their trial in London.

## FIRE LIMIT IS VERY NECESSARY

Regulations For Buildings In Certain District Should be Made at Once.

### WANT PUBLIC PARK

The Campbellton town council and advisory board held a meeting Saturday afternoon, at which the question of having a fire limit established in the town was again brought up for discussion. F. M. Anderson, of the Shives Lumber Company, was present and urged upon the council the necessity of having such a law as this established. He asserted that unless some steps in this direction were taken an enormous increase in the insurance rates would follow. The council left the matter in the hands of a committee, who will report at the next meeting.

In addition to a fire limit, G. G. McKenzie, chairman of the relief committee, stated that as a protection against fire the council should purchase land in the centre of the town to be used as a public square. This was looked upon very favorably by the council, and it is now altogether likely that such a purchase will be made. Mayor Murray informed the council that Premier Hazen, while on his last visit here, promised to supply the council, judges and lawyers of the town, as well, with the provincial statutes and acts of assembly.

Judge McLatchy left on Saturday evening for Ottawa, where tomorrow he will appear for immediate aid. In the course of his appeal, Judge McLatchy will take occasion to remind the dominion cabinet that Campbellton previous to the fire had been the third revenue producing town in the province, and as a result was worthy of assistance if only in the way of an investment.

## MAN ACCUSED OF KILLING GIRL

San Francisco, July 28.—According to Capt. J. P. Carney, chief of the detective department of the Louisville police force, Joseph Wendling, the janitor of St. John's parochial school, who is accused of the murder of Alma Kellner, the eight-year-old niece of a wealthy brewer of a Kentucky city, is surrounded in this city and his capture is only a question of a few days. Carney has been in San Francisco for the last three weeks, having traced Wendling from Vallejo, where it is said he had been living under an assumed name.

## A. B. COPP, M.P.P. SERIOUSLY ILL

Had an Attack of Appendicitis Saturday Night

Sackville, N. B., Aug. 1.—A. B. Copp, M. P. P., was taken ill with appendicitis Saturday night, and his condition this morning is serious.

to get some very fine pictures. Mr. Clinch said this morning that the newly formed association of guides was very successful and has a bright future.

### GREED WAS U. S. MOTIVE

Mexico City, July 29.—"Greed not humanitarianism" said J. S. Garcia, the Argentine charge d'affaires in Mexico, city last night, "was the motive of the United States in the intervention in Cuba. Greed was her motive in the Philippines and in Panama, and it is the same motive by which she is inspired in her policy with Nicaragua now."

## KILLS WIFE WITH A BREAD KNIFE

New York, July 28.—In the presence of his five little children, Abraham Roth, a Rivington street tailor, after quarrelling with his wife, plunged a bread knife into her throat today and then slashed his own throat. The woman, her jugular vein pierced with the thrust fled with a shriek to the fire escape and pitched headlong through the opening to the landing below. Picked up unconscious and taken to the Gouverneur Hospital, she died there half an hour later. Roth was found lying unconscious on the floor of the living room in his apartment and was taken to the same hospital where his condition was said to be critical. Roth had not worked steadily lately, it was said. The children of the couple said their parents had spent the greater portion of the night in carrying on the quarrel which culminated in today's tragedy. Roth is forty years old and his wife was slightly his junior.

### PICKPOCKETS BUSY AT ST. ANNE'S

Quebec, July 27.—Pickpockets reaped a harvest at St. Anne de Beauséjour yesterday amidst a throng of about 6,000 persons who attended the feast-day celebrations. Three pilgrims to the shrine were relieved of money and railroad tickets. One man was minus \$165 in cash, another lost \$50 and two railroad tickets to Chicago and a third person was relieved of \$25 in cash and three railroad tickets to outside points.

The Very Rev. Father Murray, Superior-General of the Redemptorists, who is in Quebec, a guest of St. Patrick's Presbytery, preached the sermon at the solemn High Mass celebrated by Archbishop Beaudry, which was an impressive spectacle. Two cures were reported to have occurred at the shrine on Monday.

## SACKVILLE SCENE OF BRILLIANT WEDDING

Daughter of Rev. Thomas Marshall Weds A. W. Seaman, of British Columbia—Miss Ring, of St. John, Bridesmaid

Sackville, N. B., July 27.—An event of unusual interest took place at residence of Rev. Thos. and Mrs. Marshall, at 10.30 o'clock this morning, when their second daughter, Hilda Mary, was united in marriage to Athol Wendall Seaman, of Nelson, B. C., son of J. D. Seaman, Charlottetown.

The bride, who is one of Sackville's most popular young ladies, was very charmingly gowned in silk voile with passamenterie trimmings and orange, and wore a bridal veil and orange blossoms. She carried a beautiful bouquet of white carnations and maiden-hair ferns.

She was attended by Miss Pauline Ring of St. John, who was prettily gowned in blue and white muslin with lace trimmings and a picture hat to match. The groom was supported by his brother, Luther, of Charlottetown. The nuptial knot was tied by the father of the bride, assisted by Revs. Bell, Sprague and Rogers. The brides going away gown was brown duchess cloth with corded silk trimmings and passamenterie.

She received gifts galore from almost every quarter of the globe. Only immediate relatives and a few others witnessed the ceremony. After a luncheon, the happy couple left for Prince Edward Island, where they will spend two weeks before leaving for the west.

### THE U. S. AND LIBERIA

Paris, July 29.—The Matin under the heading "Menaced by a diplomatic incident" declares that if the United States goes to the extent of seeking to establish a sort of protectorate over Liberia, the project would be well received by the European governments.

## THE CAMPBELLTON GRAPHIC.

## The Campbellton Graphic,

H. B. ANSLOW, EDITOR AND MANAGER.

CAMPBELLTON, N. B., AUGUST 5th, 1910.

## A LARGER AND BETTER CAMPBELLTON

In the course of a conference between Hon. Dr. Pugsley, minister of Public Works and the Relief Committee that gentlemen made some important statements.

In reference to the rebuilding of the Post Office and Custom House he stated that when the department rebuilt, which would be at once, the new building would be much larger than the old as the department intended to build for a larger and better Campbellton.

He also made the same statement in reference to the I. C. R. Already the various departments are preparing plans for the rebuilding of the station, machine shops and round house.

With the International and Atlantic, Quebec and Western railways nearing completion, and the plans for the erection of the railway and passenger bridge over the Restigouche at Campbellton well under way an important link between Gaspé and Boston will be closed and this will make Campbellton an important railway centre, as well as the business centre

for a very large territory. Already many merchants are planning the erection of large brick and cement buildings and before long Campbellton will be rebuilding in a more permanent and up-to-date manner.

## THE I. C. R. WORKS

About a year ago the Campbellton Board of trade endeavored to convince the I. C. R. management that the various departments here were greatly crowded and that it would be advisable to make important changes in the lay out of the different departments. At that time the Board of Management stated that too large an expenditure would be involved, and that the present facilities would suffice for a few years.

Now that all these buildings have been swept away the time would be opportune to again bring the matter to the attention of the Board and endeavor to have matters laid out in a more advantageous manner. This is a matter which should be taken up immediately.

HON. MR. PUGSLEY  
AT CAMPBELLTON

Assures People That Town  
Will Remain Divisional  
Point of I. C. R.

## GOVERNMENT'S POLICY

"Such a calamity was never before heard of in the history of Canada," was the remark made by Dr. Pugsley, after viewing the scenes of desolation and destruction. Many pitiable sights were brought to his notice, among which were the sufferings which are being endured in the tented city, sufferings which were greatly intensified as a result of a continual downpour of rain.

So impressed was the minister with the situation and the necessity of prompt action that he advised the relief committee to have Lieutenant-Governor Tweedie and Premier Hazen brought to the scene at once, stating that he would cancel all previous engagements and remain over. The governor and premier, who were notified to this effect, wired back that they would be on hand for a meeting.

At 2.30 o'clock a formal meeting was held, at which Judge McLatchy addressed the minister on behalf of the townspeople. The judge gave an account of the money which would be required in order to put the town on a running basis. The following is a list of present requirements as given out by his honor:

Electric light, including purchase of site of land	\$50,000
Water and Sewerage	5,500
Fire apparatus	10,000
Erection of civic buildings	12,000
Running expenses of town for one year	10,000
Interest on bonds	12,920
Overdraft in Bank of Nova Scotia	12,419
Schools	10,000
Streets	10,000
<b>Total</b>	<b>\$132,839</b>
Less insurance	\$6,800

Balance \$126,039  
The latter is the amount which is required, the judge said, in order to place the town on a running basis. In addition to this the people of Campbellton expected the Dominion and provincial governments to pay the interest on their bonded indebtedness for fifteen years.

## DR. PUGSLEY'S REPLY.

In response, Dr. Pugsley made the following remarks, in which he frankly stated how the Dominion government stood in respect to their requests.

"There are some things which I may state to you which I feel sure will be satisfactory. As to what further we may be able to do, I will explain the situation; and can assure you that it will afford me the very greatest pleasure if I can succeed in meeting your wishes. I recognize

the great calamity—an unprecedented calamity that has fallen upon one of the most prosperous towns in Canada, and whatever can reasonably be done to enable this town to resume its former prosperity will be arranged.

"I heard of your fire when I was in Winnipeg, and it was only Monday that I arrived back in Ottawa. One of the first things I had in mind was the reconstruction of our public buildings and the reconstruction of the station and shops in connection with the Intercolonial railway. I at once saw the deputy minister of railways, who is the chairman of the board of management, and I learned that there had been an expression of opinion by some of the members of the board of management that in the interest of the railway it might be desirable to make the divisional point at some other place than Campbellton in order to even up the length of divisions.

"I thought it would be a very great mistake to change the divisional point and I pointed out the advantages of the position of this town; that there were vested interests here which had grown up, and that it would be a very great injustice to the people if any change would take place, and I mentioned that Mr. Reid would not stand for that a single moment.

"After some consultations the deputy minister told me that they would fix upon Campbellton as the divisional point, and he authorized me to say that in a public way to the people of Campbellton. I find that there are 75 shop men in Campbellton who pass through here; 50 station and track men totaling 382. Of these, 98 had their homes here, so you will realize that this is a very important matter for Campbellton.

## PUBLIC BUILDINGS TO BE REBUILT AT ONCE.

"In regard to the money required for the building of shops, I took the matter up yesterday at a meeting of the council, at which the prime minister was, of course, unable to be present, but a very full meeting of the council authorized me to say that they would approve of the issue of a governor general's warrant for the purpose of engaging almost immediately upon the reconstruction of the railway station and shops. The deputy minister told me that within a very few weeks the work of reconstruction would be commenced.

"In regard to the reconstruction of the post office and custom office, a governor general's warrant will be issued for the construction of a handsome building, suitable not only to what the town had been in the past, but what I believe it will be again.

"In regard to the necessity of engaging upon facilities for business in your harbor, The accommodation is not sufficient. At the last session I asked for an appropriation for an additional wharf, and I instructed the resident engineer to prepare plans immediately.

## FEDERAL GOVERNMENT'S POSITION.

"In regard to the question laid before me by Judge McLatchy in which he has asked on your behalf that the federal government should make a contribution to enable you to

tide over the present crisis. Some time ago when the fire occurred at Fernie the federal government came to the conclusion that while they might properly aid in the case of disasters occurring in the cities and towns within the country, that was a matter which ought rather to be attended to by provincial and municipal authorities and by private subscriptions.

"It is not long since the town of Fernie, situated in the Rockies, was completely destroyed. The federal government was asked for aid but no aid was given. Later on the city of Three Rivers was almost totally destroyed. The government was appealed to in that case but refused aid, and in that case the government of Quebec guaranteed bonds and interest to the extent of \$400,000. The town of Burke's Falls in Ontario was also destroyed but no aid was given. Under these circumstances I do not feel today that I could make any promise to you.

"I want to be frank with you and to point out the difficulty, but it has occurred to me, and I brought the matter before the council at Ottawa, and urged upon my colleagues that possibly in view of Campbellton being a most important town on the Intercolonial it was possible that a different view might be taken. In the absence of the prime minister I am not able to say whether a difference in principle could be established in the case of Campbellton.

"What I would rather suggest to you would be this, that you see what the provincial government is willing to do and I would be most happy to meet with my colleagues, at once, those who are in Ottawa, and if it is

at all possible to meet your views I can assure you that nothing in the world would give me greater happiness. The hearts of the government go out to you in your terrible calamity and if it is possible to get over the precedent established, the government will be only too happy to ask parliament to meet your wishes."

## MR. HAZEN'S VISIT.

Premier Hazen and Governor Tweedie arrived here Friday evening on the Ocean Limited, with Hon. Mr. Pugsley and Judge McLatchy and Mr. George G. McKenzie of the local relief committee. On the train they discussed the relief committee's request that \$126,000 be contributed to put the town on a running basis as well as paying interest on bonds for fifteen years. On leaving the train at Campbellton Premier Hazen

Continued on page 4.

## DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Take Hall's Family Pills for constipation.

## Are Doctors Any Good?

Foolish question! Yet some people act as if a medicine could take the place of a doctor! The best medicine in the world cannot do this. Have a family doctor, consult him frequently, trust him fully. If we did not believe doctors endorsed Ayer's Cherry Pectoral for coughs and colds, we would not offer it to you. Ask your doctor. No alcohol in this cough medicine. J. C. Ayer & Co., Lowell, Mass.

If we did not believe doctors endorsed Ayer's Pills for constipation, biliousness, sick-headache, we would not offer them to you. Ask your own doctor about this.

Wire Your New  
Building Now

and avoid disappointment when the rush comes.

I will be ready to wire in a few days and assure you of prompt and careful attention to your orders.

## LOCAL NEWS.

### BORN

At Arlington, Mass., July 20th, to Mr. and Mrs. W. P. Anslow, a son.

### DIED AT VICTORIA.

Died at Victoria, B. C., on June 6th, Mrs. M. Haughton daughter of Mr. and Mrs. D. S. Morrison, Dalhousie, N. B.

### COMMERCIAL PRINTING.

Let us have your orders for commercial printing. We guarantee first class work, and our prices are right.

### GRAPHIC PRINT

### OPEN FOR BUSINESS

Messrs. F. E. Shephard & Co., have opened up for business at the old stand in a temporary building, where they will be pleased to attend to all orders for ladies goods, children's coats and dresses, etc.

### THE NEW POST OFFICE

The department of Public Works Ottawa, has issued orders for the pulling down of the walls of the Post Office and Customs House and plans and specifications are being prepared for a larger and more convenient building which will be erected on the old site. This work will be rushed so that it will be closed in before winter if possible.

### IMPORTANT NOTICE

A large number of Graphic readers are now several months in arrears. We are sending notices to these and all who are in arrears will not receive further copies of the Graphic until such arrears are paid up in full. We are obliged to take this course as we must economize in order to place the Graphic on a firm footing. We trust that all our readers will remit promptly. Notices will be mailed in the course of a week or two.

### WIDENING STREETS

The residents of Andrew street held several meetings last week to endeavor to arrive at a basis of agreement for the widening of that important residential street. At present the street is only forty-five feet wide, which is altogether too narrow for such an important street. An effort is being made to increase the width to sixty feet. The residents should endeavor to agree on some plan to achieve this.

### COLONIAL STOCK COMPANY

The roster of the Colonial Stock Co., for the coming season has just been announced. It will consist of all the old favorites, including Miss Edith Warren, Miss Mollie Revel, Miss Myra Crowe, Miss Elizabeth Lysle and Messrs. Burton Mallory, Cortland Hopkins, Frank Oliver, Carl Blaythe, J. W. Hartman and Jack Lawrence. Florn Elwin, who has been engaged to play the leads, was for a number of years at the head of his own company, playing all the larger cities through the United States, and he comes fresh to the Colonial from a successful summer stock engagement at Newark, N. J. The company will open its season about August 22nd, and will play St. John at an early date. It will carry a load of scenery and will positively play only first-class plays.

### RUB THAT SORE SPOT

With Father Morrice's Liniment and Promptly Stop the Ache.

Every household has its share of aches, pains, bruises, chills, burns, stiff joints, chest colds, sore throats, muscular soreness and similar troubles. It is surely unwise to suffer with even the least of these, when there is a sure and speedy remedy.

Father Morrice's, the famous priest-physician, was especially successful in devising a prescription for the prompt relief of these ailments. Many thousands of families keep a bottle of Father Morrice's Liniment constantly in the house, ready for any emergency.

Unlike most liniments, it has both a pleasant feeling and a clean, wholesome smell. It is a splendid rubbing liniment, as it makes the skin soft and smooth, and does not blister. Better yet, it goes straight to the seat of the trouble, very little remaining on the skin.

In rheumatism and backache, it is a helpful adjunct to Father Morrice's "No. 7," and in cases of sore throat and cold on the chest it supplements his well-known "No. 10."

The liniment should be always on hand against a case of need. 25c. a bottle, at your druggist's, or from Father Morrice Medicine Co., Ltd., Chatham, N.B.

### NEW FOUNDRY

The McLennan Foundry and Machine Works are rushing the work on their new foundry and will be in a position to accept orders very shortly.

### THE ONLY FLAG

Wm. Storey, Janitor of the post office was the only patriotic citizen in town the day Hon. Wm. Pugsley was here. His flag was flying on the new post office. It was the only flag in town.

### PROPERTY TRANSFER

Mr. Dow Sheals has purchased the handsome cottage on Chapel Hill from Mrs. Muirhead, and has taken possession of same. He is erecting a large barn on the premises.

### MARRIED

On July 4, at the residence of the bride's mother, Toronto, by Rev. W. B. Findlay, Helen Douglas eldest daughter of the late Alexander Leishman, of Chatham, N. B., to William A. Solely of Chelsea, Mass.

### TO CONDUCT HOTEL

Mr. T. J. Gorman, whose hotel, the Minto, was destroyed in the Campbellton fire, leaves this week for Port Elgin to take charge of the hotel formerly conducted by Mr. Copp. Mr. Gorman is a first-class hotel man and his many friends will wish him success in his latest venture.

### GIBSON LUMBER PROPERTY

Fredericton, N. B., July 29—The Alexander Gibson Railway and Manufacturing Company's extensive lumber property and mills will be sold under the hammer in Fredericton in the course of a few months. The matter, which has been brought up in the chancery division of the Supreme Court for settlement of the company's business will soon be taken up by referee, who will probably be Mr. Havelock Coy of this city.

## BUSINESS COLLEGE IN NEW QUARTERS SEPT. 1ST

Inches Building Being Remodelled to Afford Better Accommodation for Institution—Founded in 1894 and has had Prosperous Career.

### MODERN IMPROVEMENTS

Hardwood floors are to be laid throughout all that part of the building which is to be occupied by the Business College. Steel ceilings are also to be used. The walls of the college premises will be finished in burlap.

Particular attention has been devoted to the heating and ventilation of the new premises, both being particularly important in connection with schools or similar establishments. The ventilation of the new premises will be by two chimneys which are to be used no longer as chimneys. Summer and winter ventilators are to be installed. The Business College will have its own heating apparatus. A combined hot water and hot-air system is to be used and it is calculated to keep the temperature comfortable at all times. Electric lights are to be installed throughout the rooms.

### VENTILATION AND HEATING

Particular attention has been devoted to the heating and ventilation of the new premises, both being particularly important in connection with schools or similar establishments. The ventilation of the new premises will be by two chimneys which are to be used no longer as chimneys. Summer and winter ventilators are to be installed. The Business College will have its own heating apparatus. A combined hot water and hot-air system is to be used and it is calculated to keep the temperature comfortable at all times. Electric lights are to be installed throughout the rooms.

### RECORD OF INSTITUTION

In the past the Fredericton Business College has achieved a position in the forefront of the business-teaching institutions of Canada. It will no doubt continue to advance under the direction of its present energetic principal and with the further advantage of being located in magnificent quarters. The school on account of being situated in the educational centre of the Province of New Brunswick has an advantage possessed by none other.

### MANY RESIDENCES

Already citizens of Campbellton are beginning the erection of permanent residences and expect to have at least a portion of them completed before winter sets in. But there are hundreds of families which will require to be housed for the winter.

### MONEY ORDER

Mr. Elias Peterson, of Marysville, sent a money order to Dr. H. H. Crippen, the accused murderer, in London on July 4. This was sent in reply to an advertisement of a cure for deafness. Peterson has received nothing from Crippen, not even an acknowledgment of the receipt of the order, and was thinking of taking steps to recover the money. The official who issued the order does not know how the order could be cashed after Dr. Crippen left London, unless endorsed by him before his departure. Mr. Peterson may have sent other orders, but the officials do not know of any.—Gleaner.

### Hon Mr Pugsley At Campbellton.

Continued from page 2. said he would present the claim of the committee to his colleagues, "I have no doubt," he said, "that means will be found to put the town on a proper basis again." The Premier authorized the relief committee to draw upon him for \$500 as a personal contribution from the seven members of the New Brunswick cabinet. Both Premier Hazen and Governor Tweedie expressed surprise that more generous assistance had not been given by the public. It was evident that the people had no realization of conditions here. The Premier was accompanied by Hon. John Morrissey, Commissioner of Public Works. The Governor and Premier were given accommodation in a pullman car in the I. C. R. yard and were taken for an auto drive through the ruins. They were impressed by the number of wooden shacks erected since they had previously viewed the ruins, although it was apparent that such buildings could only be temporary. The mayor informed them that the relief committee was feeding more than 1,200 people every day and that there were altogether almost 3,000 homeless people scattered in tents or staying at night in Dalhousie and points across the river.

**Children Often Need** a laxative—but you cannot be too careful what you give them. Harsh purgatives injure the bowels and pave the way for life-long troubles. The new evacuant in

**NA-DRU-CO LAXATIVES** does the work most effectively without irritating the bowels or causing any discomfort. The children like them for they taste like candy. One of the most popular of the NA-DRU-CO preparations, 25c. a box. If your druggist has not yet stocked them, send 25c. and we will mail them. 20 National Drug and Chemical Company of Canada, Limited, Montreal.

## COUNCIL ASSISTS CAMPBELLTON

**Held Special Session at  
Dalhousie Last Week at  
Call of Warden  
\$2,000 VOTED**

A special meeting of the Restigouche County Council was held at Dalhousie last week at the call of the Warden.

The meeting was called for the purpose of taking necessary steps to assist the town of Campbellton to provide for the homeless people.

After discussing the matter the council voted \$2,000 towards the town's general fund, and also voted 1,500 for the Hotel Dieu Hospital. This latter amount will be paid in five yearly payments of \$300 each.

### EX-PRESIDENT'S DAUGHTER GETS INTEREST IN ESTATE.

Boston, July 29.—An inventory of the estate of George Cabot Lee, of Newton, who died March 21, has been filed in the Middlesex Probate Court at East Cambridge. The estate is valued at \$1,579,821 and personal and \$93,000 real.

Mrs. Alice Roosevelt Longworth, who is a granddaughter of Mr. Lee, receives one-twelfth of the property.

### BOOM PRICES

Boom prices are being asked for real estate here and many business and residential lots are changing hands.

### CONTRACTORS ARRIVING

Almost every day sees a new contracting firm opening up here and all are getting all the work they can do.

### CAMPBELLTON DEBENTURES

Monday was the day on which interest should have been paid on Campbellton town debentures. No arrangement had been made to meet this charge and the debenture holders did not receive their interest.

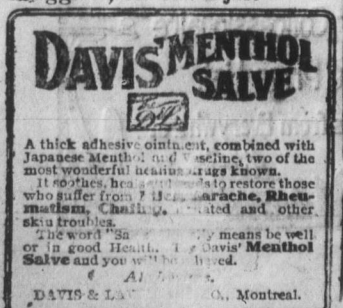

### LOST \$3,000 IN FIRE

A story has leaked out here how an old gentleman who had \$3,000 in gold hoarded up in his home, lost every cent of it in the fire. This same old gentleman lost heavily in a bank failure some years ago and he shrank from depositing money in the banks ever since.

### MANY ABSURD STORIES

Many absurd stories about some of the ladies and gentlemen in charge of the relief work are being told outside Campbellton. The Graphic has made many inquiries and finds that there is not the slightest foundation of truth in them. Of course the various committees in charge of the relief work have a difficult problem to work out as many of the people are very sensitive as to matters of this kind, but every care is being taken to treat all as impartially as possible.

Most cases of baldness are due solely to neglect. The hair often becomes dry and dandruff forms because the hair glands do not supply enough natural oil. Nothing overcomes this deficiency so effectively as that delicately perfumed, refreshing hair pomade, Bearine. Avoid baldness; apply Bearine to your hair occasionally. All druggists, 50 cts. a jar.

**DAVIS' MENTHOL SALVE**

A thick adhesive ointment, combined with Japanese Menthol and Eucalyptus, two of the most wonderful healing drugs known. It soothes, heals, and restores the skin who suffer from it. It is a sure cure for itchy skin, eczema, and other skin troubles. It means well or in good health. It is Davis' Menthol Salve and you will be satisfied.

DAVIS & L., Montreal.

### A CITY WIDE AWAKE

This is the day of the booster, says the London Free Press, the era of municipal advertising. What business men have realized for a generation has at last been taken up municipally and the city, town or village that has not its official publicity agent is apt to feel that it is getting behind in the race. Even the big cities of the United States, whose growth seems to be as inevitable and rapid as a snowball rolling down a hillside, do not leave the advertising effort to the smaller places that contribute so much to their growth. Chicago is an example of this. The second largest city in the United States is opening special new campaigns, not only to increase population but to increase business.

For the first of these objects a club has been formed with the aim of at once increasing the city's population to three million people. This is to be accomplished by annexing every suburb within a radius of one hundred miles of the city hall. The second aim, that of giving a big boost, is to be carried out effect by transforming the whole city into a big exposition, throwing it open for a week and inviting the whole world to come and see. August 15-20 is the date, and during this week Chicago and everything within it will be on exhibition. Visitors from the territory of which Chicago is the centre are to be impressed with its importance as a producing, consuming and distributing centre. Manufacturers, merchants, salesmen, employees, all will have a part in making their city better known, and back of it all is that great organization the Chicago Chamber of Commerce.

It is bound to work out for Chicago's benefit, and in it there is an example of a city wide-awake that recommends itself to all other cities that have aspirations to be bigger and busier.

### DIOCESE OF CHATHAM WILL ASSIST PASTOR

**His Lordship Bishop Barry in Course of Eloquent Letter Makes Appeal for Assistance to Rebuild Destroyed Edifice.**

Co-operation on the part of the various church members in the diocese, it is anticipated, will shortly raise the necessary fund to reconstruct the Roman Catholic church at Campbellton. Rev. E. P. Wallace is working indefatigably in the interests of his congregation.

His Lordship Bishop Barry, of Chatham, plans a collection in the various churches. His Lordship writes an eloquent appeal, which coming officially will find a generous response. It is as follows:

Chatham, N. B., July 22, 1910

Reverend Father:—

As you have undoubtedly learned, God in His all-wise Providence has seen fit to remove the Church and Presbytery of Campbellton by the late disastrous fire, the Pastor, Rev. E. P. Wallace finds himself in the very unenviable and unique position of being not only without Church or Residence but also without a congregation able to assist him in the rebuilding of the Church property, having themselves lost all they had. Hence it seems to me only just that the diocese at large should come to the immediate aid of the stricken congregation of Campbellton, and by generous contribution enable the Pastor to reconstruct the edifice of God and afford him the means of continuing God's holy work in the midst of his afflicted people.

I would therefore request each Pastor of the Diocese to announce upon the first Sunday after the reception of this letter, that on the following Sunday a collection will be taken up for the purpose of rebuilding the Church.

I beg also to recommend to your good prayers and to those of your faithful flock the suffering people of Campbellton in order that God may lessen their hardships and grant them the means of re-establishing themselves in their former state of prosperity.

Yours very truly in Xp.  
(Sgd.) THOS. F. BARRY  
Bishop of Chatham.

### CUSTOMS AGENT TRANSFERRED

Ottawa, July 29.—H. S. Scott, special agent of the Customs Department of Canada in New York for the last ten years, has been transferred to London, where he will act as special customs agent for the Dominion in the United Kingdom, and the continent of Europe. Mr. Scott will be succeeded in New York by H. J. Gould, who has been investigating officer for the Canadian customs at Chicago.

### BALMORAL

A long time has elapsed since the Balmoral notes have appeared in the Graphic, but now that the paper is being published regularly, we will try to occupy one column as before.

The Campbellton conflagration has been the general topic here since the memorable day of the 11th of July. In every heart there is a sincere sympathy for the citizens of the destroyed town, especially the Sisters of Charity who, after many an anxious day of labor, were at last very comfortable in their beautiful new hospital, where they could better assist the patients confided to their attentive care. In a few hours they were chased from their home by the ravaging flames and the same hard labor will have to be tried over again. We, whom God have spared must come to their help and show them our generosity. Two of our young ladies have gone around the parish collecting bedding, which is the most needed, and everyone has been doing in charity. In about a week a contribution for the rebuilding of the Roman Catholic Church will be taken in every church of the diocese of Chatham. This will add new hope in the hearts of Rev. Father Wallace and the Sisters of Charity. Balmoral owes much gratefulness to the citizens of Campbellton, for in glancing on our beautiful church, we may recall to our mind the generous hands stretched to us with a pleasant smile and a good wish. If we could only do more for them, but alas! Our means do not permit us to do so.

Your correspondent has visited the ruins of Campbellton and instead of meeting a desolated spot with here and there a group of people discussing their sad fate and gazing pitifully on their beautiful destroyed homes, was surprised to meet some few hundreds of busy and active forms helping in various ways of rebuilding temporary homes, stores, restaurants, drug stores, banks, etc. In fact every face seemed lit with new hope bearing the usual pleasant smile. In spite of the changed conditions of the once flourishing town, the busy scene of activity and merriness was far beyond your correspondent's expectation.

Messrs. Joe LaCasse and Joe Lemieux of Campbellton drove to Balmoral last Sunday.

Mr. Marcel Fournier and Miss Lucy-Anne Arsenault, who have been quickly married here on the 19th inst. are visiting the groom's parents at Green Point.

Mrs. Amos Boudreau and family of Campbellton are here since the fire.

### MANY NEW RESIDENCES

A large number of residences are already under way. Many of them of modern design, and all are rushed.

### PROPERTY TRANSFER

The congregation of St. Andrew's Church have purchased the property near the Masonic Hall owned by G. G. McKenzies and Mr. L. T. Jondry and will later erect a church thereon. The lot is 200 x 200 feet.

### BUILDING OPERA HOUSE

Manager Dimock has the plans for his new Opera House laid, and is rushing work. It is located on his property to the rear of T. Wran & Co.'s drug store. The building will be 40 x 100 and will be used for general purposes as well as an Opera House, when completed.

Invest 25 cents in a box of Davis' Menthol Salve ("The D. & L.") and be prepared for a hundred ailments, which may not be dangerous but are very annoying and painful, like neuralgia, earache, sprains, burns, bruises, insect stings, cuts, piles, etc. It is a household remedy always useful for some trouble, and should be kept in the family medicine closet.

**WILL MAKE HAIR GROW  
BEARINE**

Prepared from the grease of the Canadian Bear. Delicately perfumed.

The Standard Remedy for 10 Years.

All Dealers 50c per Jar.

Davis & Lawrence Co., Montreal.

## MAKES APPEAL FOR METHODISTS

**Rev. George Morris Addresses Congregation at St. John on Sunday.**

**NEED \$10,000 TO REBUILD**

(St. John Telegraph)

Rev. George Morris, of the Methodist congregation, Campbellton, preached in Centenary church yesterday morning, in Portland church last evening, and addressed a mass meeting in Carmarthen street church. Sunday school room in the afternoon, making strong appeals for help to enable his people to rebuild their church and parsonage. Collections were taken in Centenary at all the services yesterday in aid of this object, and it was announced that contributions would be received in Carmarthen street next Sunday.

Rev. T. Deinstadt, pastor of the Carmarthen street church, presided at the mass meeting. He read a circular issued by the special committee of the conference which had been considering the matter, making an appeal to all congregations in the New Brunswick and P. E. Island conference to raise not less than \$5,000 for the relief of the Campbellton congregation.

Rev. Mr. Morris described the conditions which had resulted from the conflagration. The Methodist congregation, he said, was not a large nor a wealthy one. While they appealed for help it should be understood that, as far as they were able, they were striving to hold themselves. Only two of them escaped being burned out and yet they had agreed to try to pay the minister's salary this year. It had been said that the most pressing necessity of the situation was to build homes for the people before they thought of building churches. The people of Campbellton were, however, as anxious to build their churches as they were to build their other homes. The Methodists had lost a church valued at \$7,000, a parsonage valued at \$2,000 and the furniture of the parsonage worth \$600. On this, insurance to the amount of \$2,300 was carried, and it had been estimated that \$10,000 was required to build their property again.

Last year the congregation had finished paying off the last of their debt and had at the same time increased their minister's salary from \$750 to \$900. They had also raised, during the same period, \$1,200 for denominational purposes.

In conclusion the speaker made strong appeals to the generosity of the Methodists in St. John.

## PERSONAL

Judge Matheson who was ill for a few days is able to be out again.

Mrs. Sproul who has been visiting friends in Moncton has returned to Campbellton.

Rev. Geo. Morris, who preached in St. John on Sunday, returned to Campbellton Tuesday evening.

Allan J. Ferguson representing the Sumner Co. Moncton, is in town and reports business in his line as very brisk.

Miss Lucie Alexander who was visiting at Sumner since the fire returned to town last week and is spending this week at Dalhousie.

Mrs. J. R. MacKenzie and little son arrived here from Chatham and have joined Mr. MacKenzie who has a shack built on McMillan terrace.

Mr. Redge Shives who was in St. John last week has returned to town. Many friends here will be glad to learn that his brother is progressing favorably toward recovery.

Mrs. W. McIs. Metzler and children who visited friends in Moncton last evening, returned to town Saturday evening, and are living in temporary quarters on the site of their former home.

Mr. J. Anslow of the Hants Journal, Windsor, N. S., spent Wednesday here. He met some of his acquaintances of former years during his visit. Mr. Anslow tented with the Editor of the Graphic while here.

Cash contributions received towards the relief fund were: Kingsbury Footwear Co., Montreal, \$100; William Barr, Exhibition street, Montreal, \$5; Baie Verte Division, \$20; Labor Council, Fredericton, \$40; Milton, N. S., \$35; Dr. J. V. Anglin, St. John, \$25; R. A. Smith, Kaganwood (Ont.), \$5; J. L. D. Lapointe, Kilmory (Ont.), \$5; James Goldie Co., Guelph, \$25; James Robertson, Ottawa, \$100; A. P. Gardner, Boston, \$100; E. O. Whitney, Ottawa, \$700; William Warwick, St. John, \$10.

It has been discovered that Toronto contributed \$2,000 instead of \$1,000, as previously mentioned.

Everyone in a sickened Campbellton tonight are either sleeping under canvas or in wooden shacks. The Senlac, which was providing the only hotel accommodation offered in the town, discarded her guest list this afternoon and will leave here on her regular run tomorrow morning at 5 o'clock.

James Reid, M. P. for Restigouche, has sent the following telegram from Ottawa:

"Have seen deputy minister of railways. Plans will be ready tomorrow for land required by railway."

## Safes and Typewriters.

I have opened up my office on Water Street and am prepared for business as before the fire.

Besides Pianos and Organs, I will be able to fill promptly all orders for Goldie & McCully Safes, Smith Premier Typewriters and Office Labor Saving Equipments.

**SAMUEL LAUGHLAN,**  
CAMPBELLTON, N. B.

**W. J. OSBORNE, Principal,**

**Fredericton, N. B.**

**Local Agent Wanted.**

We require to secure the services of a reliable, energetic agent to represent us locally. Our Northern Growth Stock is perfectly hardy and will succeed well everywhere. Nurseries located in the Riverview Valley, "The Garden of Quebec." We furnish the most complete and up-to-date outfit free. Our terms are liberal. Write for them, also for catalogue.—Luk Bros., Limited, International Nurseries, Montreal.

**NOTICE TO CONTRACTORS.**

**Tenders for Wiring Systems, Switch Board and Transformers.**

SEALED TENDERS addressed to the undersigned, and marked on the envelope "Tender for Wiring System, Switch Board and Transformers," will be received at the office of the Commissioners of the Transcontinental Railway, at Ottawa, Ontario, until twelve o'clock noon of the 26th day of July, 1910, for the wiring systems, switch board and transformers, required in connection with the Locomotive Shops of the National Transcontinental Railway, east of Winnipeg.

Plans and specifications may be seen in the office of Mr. Gordon Grant, Chief Engineer of the Commissioners at Ottawa, Ont., and in the office of Mr. S. R. Poulin, District Engineer, St. Boniface, Manitoba.

Persons tendering are notified that tenders will not be considered unless made on the form supplied by the Commissioners, which may be had on application to the Chief Engineer at Ottawa, or to the District Engineer at St. Boniface, Man.

Each tender must be signed and sealed by all the parties to the tender, and witnessed, and be accompanied by an accepted cheque on a chartered Bank of the Dominion of Canada, payable to the order of the Commissioners of the Transcontinental Railway, for a sum equal to ten per cent (10 p.c.) of the amount of the tender.

Any person whose tender is accepted shall, within ten days after the signing thereof, sign the contract, specifications, and other documents required to be signed, and in any case of refusal or failure on the part of the party whose tender is accepted to execute and complete the contract with the Commissioners, the said cheque shall be forfeited to the Commissioners as liquidated damages for such refusal or failure, and all contract rights acquired by the acceptance of the tender shall be forfeited.

The cheque deposited by parties whose tender is accepted will be deposited to the credit of the Receiver General of Canada, as security of the due and faithful performance of the contract according to its terms.

The cheques deposited by parties whose tenders are rejected will be returned within ten days after the signing of the contract.

The right is reserved to reject any or all tenders.

By order,

**P. E. RYAN**

Secretary.

The Commissioners of the Transcontinental Railway.

Dated at Ottawa, July 12, 1910.

Newspapers inserting this advertisement without authority from the Commissioners will not be paid for it.

## OUR 1910 - 11 CATALOGUE

Now in the Printer's hands, will show an increase in rates, caused by our additional equipment and the greatly increased cost of everything we have to buy.

Those entering before the Catalogue comes from the Printer can claim present rates.

**HOPEFUL FEELING  
AT CAMPBELLTON**

**Many Contracts for  
ings Will Soon  
Given Out.**

**WHY THERE WAS**

Moncton, N. B., Aug. 6.—body in Campbellton is the future, and while the way of actual building yet been commenced it is generally understood the two or three weeks will tracts let for a number of structures. Uncertain whether or not the town would make a fire zone mulguate building restrictions starting operations. Another contributing to the delay the uncertainty as to the future with reference to and the financial question that there is assurance of assistance along will enable the place to obligations the people been holding off will, it is certain, make immediate place construction of their dwellings places of business.

There is on all sides by future of the place. lumber mills that were industry of the town destroyed the forests re the people are rebuilt town, Campbellton will shipping point and will gain the advantage it has during the past few years tributing centre for the north and Cape country.

The banks are again new and permanent building shops, etc., will as well as other government workmen will be busy. It is probable that a whole the best building was shipped away, but in the faintly that followed the perhaps unavoidable. will prevent the complete fall of many buildings, but some three hundred shacks
