NEWCASTLE, N. B., WEDNESDAY, NOVEMBER 24 1915

NO. 48

CURLING CLUB HELD ITS ANNUAL MEETING

If Militia Department Accepts Offer of Rink for Billeting Purposes, Club May Build New One—Officers Elected

The annual meeting of the Newcastle Curling Club was held in the Town Hall on Friday evening. Two new members, Arthur McMurray and William Edgett were admitted to membership.

The Auditor's report showed a balance of \$108.30 on hand.

Officers for the season were elected as follows:

Pres.—Walter J. Jardine.
Vice-Pres.—Hon. John Morrissey.
Secretary—J. E. T. Lindon.
Treasurer—Mayor G. G. Stothart.
Chaplain—Rev. S. J. MacArthur.
Managing Committee—Charles J. Morrissey, Robert H. Armstrong, John Russell, Edward Dalton and W. A. Park.

The rink having been offered to the Militia Department for the quartering of soldiers, the question of building a new rink for curling only was discussed. It was thought advisable to build an up-to-date rink if a suitable site could be found, and have a reception room in connection. A Committee composed of Messrs.

W. J. Jardine, D. J. Buckley and W. A. Park were appointed to look up a favorable site and to see about what the approximate cost would be.

A special meeting was to have been held last evening, but which did not materialize. Only a few were present who talking the matter over figured that the cost of the new rink would be in the vicinity of about \$5000, and the best site would be the D. J. Buckley ground behind the Anglican church Sunday school.

While it is not thought probable that the rink will be built, there will, however, be a meeting called for some time next week when the question will be decided upon. The matter rests upon the decision of the Militia Department, as to whether or not the present rink will be used for billeting purposes.

The Mayflower Club of Halifax has sent an invitation to the Newcastle Club inviting all members from here who may be in Halifax in uniform to come to their Club and enjoy all the privileges of membership.

Council Takes up Matter of All-Day Electric Service

Electrical Engineer D. A. Jackson Submits Report on Power House Plant, and its Capability of Producing the Extra Service—His Report a Favorable One

COUNCIL DECIDES TO DISMISS S. A. INSPECTORS

Newcastle Town Council met in regular monthly session on the 18th instant, Mayor Stothart in the chair and all the Aldermen present.

A communication from the Secretary-Treasurer of the Town Improvement League was read notifying the Council of the adoption at last League meeting of the following motion:

Resolved that this Town Improvement League express its approval of the action taken by the Town Council at its last meeting in its determination to have a better enforcement of the Canada Temperance Act on the part of the present inspectors or have them dismissed.

The communication was received and filed.

Following bills were passed:

Finance
O. Nicholson and P. J. McEvoy, Revisors, \$20.

Public Works
D. & J. Ritchie \$101.80
Dickson & Troy .50

Park & Fire
Canadian Consol Rubber Co. \$ 92.00
Clem Ryan 8.00
D. & J. Ritchie 1.50

Light & Water \$101.50
Maritime Foundry \$ 7.15
Maritime Foundry 80.67
Inverness Ry. & Coal Co. 34.96
Crandall, Harrison & Co. 192.00
Clem Ryan .60
D. & J. Ritchie 153.80
\$463.14

The Mayor asked, Has the Fire Engine been tested?

Ald. Stables reported that the tubes in the lower part of the boiler of the engine and most of them in the upper part had been cleaned and repaired and the committee hoped to have test made next Saturday. Repairs were costing less than anticipated. To keep engine ready there must be a fire kept in engine room all winter, day and night. Whose duty was it to keep the fire going? The engine would be tested each month.

The Mayor said it had been customary to keep fires on all winter. The policemen had done it, but were they to be paid extra?

Town Clerk said that they were paid one year, and not the next.

On motion of Ald. Creighton and Ritchie, the policemen were instructed to keep on fires in the engine room during winter and keep the place clean.

The following was read by Ald. McGrath.

To the Town Council of the Town of Newcastle,

Gentlemen,—Your committee appointed to consider the advisability of operating the town plant for electric service during the day beg leave to report:

We considered the petition from a number of the ratepayers for this service, and while we were aware the installation of it is a step to the upbuilding of our town, we were not able to determine whether or not we had the facilities at hand to carry this out successfully. The Council at a meeting of the Whole were unanimous that a survey of our plant should be made by a competent engineer. We secured the services of Mr. D. A. Jackson of the Wireless Station, and he has made a careful examination and a copy of his report in detail we herewith attach. On consideration of this report and our belief that the citizens would use this service so as to place it on a paying basis in a very short time, we would recommend that the Council take such steps as are necessary to purchase an electric driven water pump and to instruct the Light and Water Committee to supply an electric service during the day as quickly as convenient.

(Signed) G. G. STOTHART, Mayor
F. C. MCGRATH, M. D.

Mr. Jackson's report is as follows:

REPORT ON OPERATION OF TOWN PLANT FOR ELECTRIC SERVICE DURING DAY-LIGHT HOURS.

Newcastle, Nov. 17th, 1915

To the Mayor and Council, Town of Newcastle, N. B.

Gentlemen—At the request of the Mayor I began an investigation on the 4th instant to determine the possibility and probable cost of operating the Town Plant during day-light hours.

At present there is installed at the plant:

One Leonard-Ball Automatic compound non-condensing engine belted to the shaft of the generator.

One S.K.A. 2 phase 72 K.V.A. Alternating Current Generator rated 15 amperes per phase at 2400 volts and

One 41 1/2 K.W. 125 volt Direct Current Exciter

One Goldie M-Culloch "Ideal" Simple non-condensing engine direct connected to

One C.G.E. 2 phase 150 K.V.A. Alternating Current Generator rated 32.6 amperes per phase at 2300 volts and running at 225 rpm.

One C.G.E. 6 1/2 K.W. 110-125 volts-52 amperes exciter, mounted on shaft extension of A.C. Generator.

One Smart Turner Steam Pump rated 600 gals. per minute against 400 feet of head.

The first consideration to receive attention for the institution of a day service would be the installation of an electrically driven water pump to replace the Smart Turner 600 gallons steam pump at present in service.

In order to determine how much water the pump is delivering at present readings were taken extending over a period of three days. The depth of water in the reservoir was taken just before and after each pumping period. I thus obtained the rate of water consumption and find that the pump is not delivering more than 300 imperial gallons per minute. It would therefore, not be necessary to install an electrically driven pump of greater capacity than 350 imperial gallons per minute, as this would simply supply the town with water for some time to come, unless there should be a very unexpected increase in the consumption due to increase of population or the establishment of new industries or an extension of the water mains.

The capacity of the reservoir is 119000 imperial gals. and the average rate of consumption is 100 imperial gallons per minute, so that an electrically driven pump having a capacity of 350 imperial gallons per minute would satisfy all demands until such time as the consumption reached an average of 450 imperial gallons per minute. It would then be necessary to run the pump.

Fuel cost for present steam pump	Interest and depreciation 6 per cent. on \$2000.00	\$ 120.00	\$ 2900.00
Fuel cost for small engine 40 per cent. of \$7200.00		\$2880.00	
Present fuel cost for ditto 17 per cent. of \$7200.00		\$1224.00	
Increase in fuel cost		\$1656.00	
Total cost of operating Electric Pump		\$1780.00	
Saving per annum		\$1220.00	

The above figures are on a yearly basis. Any power which would be sold would therefore represent a further saving although not a profit. By that I mean that there would be a return from electric power users for fuel burnt during the day which is not the case at present. I do not believe you can figure on a day service as a paying proposition inside of two or three years.

The next consideration is your day load. It is an absolute necessity to obtain a steady motor load to make a day service pay. With proper rates and canvassing I believe that this can be done.

The new Hospital would install an elevator with probably a 10 or 15 H.P. motor and the Miramichi Hotel might be induced to do so likewise. Both these institutions should also prove good prospects for the use of electric ranges in their kitchens.

The Gear Works have a gasoline engine which could perhaps be changed to a motor if proper rates are made. Mr. Kingston uses an 8 H.P. gasoline engine to operate the Lift down at Hickson's mill. This motor is run fairly constantly during at least five months of the year and should prove another good prospect for power.

The Advocate and Leader both use power for their motor power at the present time and it is likely that it is your practice to do at 25 of

MILITARY INSPECTORS VISIT NEWCASTLE

To Look Over Facilities for the Billeting of Soldiers of 132nd Battalion—May Have Five Hundred Men Here

While the work in connection with the recruiting for the 132nd Battalion has as yet been only of a preliminary nature, there has been a large number of volunteer recruits signed on. Before the actual work of recruiting is begun, the matter of billeting the soldiers for the winter will have to be definitely decided upon. The main portion of the battalion will of course be billeted in Newcastle, Chatham, Campbellton and Bathurst, and while each town is making efforts to quarter as many men as possible, it is not definitely known how many each of these towns may have.

Lieut.-Col. E. C. Dean, accompanied by Capt. J. R. Jago, R.C.E., both of Halifax, have been on the North Shore the past week, and visited Newcastle on Friday of last week to see what arrangements can be made for the billeting of about 500 men in Newcastle for the winter.

Accompanied by Mayor Stothart and Mr. E. A. McCurdy, Secretary of the Board of Trade, they inspected the armory, the skating rink, another building known as the Mechanics Institute, and the Adams school building, and were favorably impressed with this town's facilities.

The Rink Association held a meeting on Friday night and all the members were unanimous in offering the rink to the Militia department free of rent. A special meeting of the Town Council was also called, and an offer was made, that should Newcastle quarter 500 men that free sewerage would be installed to the armory, the skating rink and the institute building. This offer met with the approval of the visiting officers and all that can be done now in the matter is to await the decision of the Militia department.

Newcastle, while offering every inducement to the Department of Militia to have a large number of men quartered here, might be looked upon with special favor since it has for many years been directly associated with militia matters in being the home of the 12th Field Battery, which is now doing service at the front. This of itself, of course, will not suffice, but as conditions here and the inducements offered by the Town Council are equal to those of other towns, we feel the Militia Department will look upon Newcastle from a favorable point of view.

The following are the recruits who have enlisted during the past week:

Newcastle—Allan E. McInerney, Andrew McMurray, Wm. McGrath, Keary Galley, Perley Williamson, Henry Comfort, Wm. Kitchen, Ethan Dempsey, Stewart Stables, Harold Galley, Frank J. Lzvor, Wm. Grover Cleveland, Fred Hachey, Jas. Legere, John Macdonald, Simon Forbes, Michael McCafferty and Lester Carrier.

Chatham—Leo Worman, John Lawson, Ray Murdoch and John McLeod. Shippagan—Peter Malley. Lower Napun—Peter Thompson and Douglas Leckerby. Norvae—Daniel Savoy. Bathurst—Geo. Simons. New Brandon—Thomas's Sears Dalhousie—Leo Troy. Point St. Pierre—Deniel Kelly.

HONOR MARKS OF WAR

Four Canadian Heroes who will bear through life the Honor Marks of War. Private Thomas O'Toole is second from the left.

The Blackville Women's Institute

Make Splendid Collection of Preserves for Wounded Soldiers At Front

At the weekly meeting of the Women's Institute held on Tuesday evening of last week, in Blackville, a splendid collection of home-made preserves, jellies, etc., were packed ready to be shipped to headquarters for the wounded soldiers. The following is a list of the donors:—Mrs. Isabel Underwood, Mrs. Wm. Underwood, Mrs. Caleb Schofield, Mrs. Jas. Harris, Mrs. Geo. McIntyre, Sr., Mrs. Barry, Mrs. S. Y. Jardine, Mrs. Vye, Mrs. Albert Crawford, Mr. M. Schafner, Mrs. John McKenzie, Miss Mary Schofield, Mrs. Dr. Beaton, Mrs. Benj. Walls, Mrs. Dale, Mrs. Daniel Walls, Mrs. Marjorie Alcorn, Mrs. A. Alcorn, Mrs. Bert Connors, Mrs. Wm. McLaughlin, Mrs. R. A. McLagan, Mrs. Andrew McRae, Mrs. Craig, Mrs. Jas. Gerrish, Mrs. John Corney, Mrs. A. Arbo, Mrs. D. G. Schofield, Mrs. Chas. Crawford, Mrs. Keough, Mrs. Justus Underhill, Mrs. Chas. W. Underhill, Mrs. Bert Underhill, Mrs. Beverley Underhill, Mrs. Alfred Underhill, Mrs. Hudson Underhill, Mrs. Millet Underhill, Mrs. W. A. K. Underhill, Mrs. Ward Corney and Mrs. Wm. Lebas.

Mrs. Cuthbert Donald, of Upper Blackville helped very much with the collection by sending 1/4 doz. cans cocoa, 1/4 doz. pkgs. Cream of Wheat, 1/4 doz. pkgs. Tapioca, 1/4 doz. pkgs. corn starch, 2 1/2 lbs. coffee.

On Wednesday evening a very enjoyable social dance, under the auspices of the Women's Institute, was held in the public hall, the net proceeds amounting to \$35.34 was handed to the treasurer to be used for Red Cross work.

The members of the Institute wish to extend their thanks to the public for their generous response to the appeal for preserves; to the friends who so kindly helped with refreshments for the dance and to Mr. A. Alcorn for wood for the Institute room.

Firing Squad Ends Murderer

Joseph Hillstrom Put to Death According to the Utah Law at Salt Lake City

Salt Lake City, Utah, Nov. 19—Joseph Hillstrom, condemned murderer, whose case attracted attention throughout the country and prompted the intercession of President Wilson, the Swedish minister to the United States, and the American Federation of Labor, was put to death by a firing squad in the state prison here at 7:42 a. m. today. His death was instantaneous. Hillstrom was convicted of the murder of John G. Morrison, a grocer of Salt Lake City, and his son Arling, 17 years old, at Morrison's store, in the southern portion of the city, on the evening of Jan. 10, 1914.

Blackville Votes Against Union

Blackville, Nov. 22—The congregation of Blackville and Quarryville has completed voting on Church Union with the result of 152 votes against Union and none for. In 1911 when the last vote was taken this congregation voted in favor of Union but since then they, with other places, have come to understand that the ultimate outcome of this movement is the extinction of the Presbyterian church in Canada. Loyal Presbyterians will not use their ballots as bullets to destroy the church of their fathers.

Since the preserves have been sent word has been received that they have been shipped to the Supply Depot, Shorecliffe, England, where Miss Joan Arnold, who supervises the distributing of soldiers' comforts will have them forwarded to No. 2 Canadian Hospital, France, where Victor Walls, a Blackville boy, is on duty with the Ambulance Corps.

Popular Wedding at St. Mary's Church

Mr. W. L. Durick and Miss Annie Ellen Quinn Married Tuesday Morning

A wedding of very great interest to Newcastle's young people, was solemnized at St. Mary's church yesterday morning at ten o'clock, when Miss Annie Ellen Quinn, only daughter of Mrs. Thomas Quinn, was united in the holy bonds of matrimony to Mr. William Louis Durick, one of Newcastle's most popular young druggists, the ceremony being performed by Rev. P. W. Dixon, assisted by Revs. Fr. Cormier and Fr. Murdoch.

The bride, who was dressed in a travelling suit of navy blue, was given away by her uncle, the Hon. John Morrissey. Miss Mollie Morrissey, who was maid to the bride, was dressed in a tailored suit of blue with pink trimmings, and wore a pink hat. The groom was supported by his brother, T. J. Durick, of St. John.

As the wedding party approached the altar rail, the strains of the wedding march pealed forth, played most acceptably by Miss Margaret Sullivan, who also played during the service. Miss Mary Morrison also rendered the Ave Maria, and at the end of Mass the choir sang the Magnificat.

The ushers were Messrs. Leo Durick and Herbert Morrissey. The church and bride's home were beautifully decorated with palms and cut flowers by her friends. After the ceremony the happy couple, joined by their immediate relatives repaired to the bride's home where an elaborate wedding breakfast was served.

Mr. and Mrs. Durick left on the Ocean Limited for Montreal and American cities, followed by the best wishes of a host of friends who wish them an enjoyable wedded life.

The bride, who was one of Newcastle's most popular young ladies, and who for the past number of years has been the efficient organist of St. Mary's church, was the recipient of many presents, including cheques, cut glass, silver, etc. From the choir she received an oaken leather rocker, and from the boys of the Sunday school, a casserole. From the Children of Mary Society of which she was President, she received an address and a picture of the Immaculate Conception.

Out of town guests at the wedding and reception were Miss Mary Durick, T. J. and Leo Durick, of St. John, and Mr. Herbert Morrissey, of St. F. X. College, Antigonish, N. S. The Advocate joins in wishing Mr. and Mrs. Durick a happy wedded life.

Offers Services to Canadian Militia

Report That Col. Roosevelt Will Offer Services to Fight With Allies

Toronto, November 19—The American Battalion (87th) expects Colonel Theodore Roosevelt, former President of the United States, to visit Toronto December 11, with a view to aiding the cause of the Allies. Mr. A. R. Minard, President of the American Club, stated today that, as to the report that Colonel Roosevelt would offer his services to the Canadian Militia for active service in the cause of the Allies, he was unable to speak.

Red Cross Held Entertainment

In Millbank School House—Interesting Program Carried Out.

In Millbank school house, Thursday night, the Red Cross workers held a most successful entertainment. The children taking part performed their parts very satisfactorily, and all reflected great credit on the management. The outsiders who took part were A. E. Shaw, Newcastle; Arch Russell, Rosebank; Harry Shaw, Ferryville, and Mr. John Elder of Millbank. The school house was crowded, and a large sum realized.

The program was as follows:
Chorus—O Canada
Recitation—Irene Lyons
Solo—John Elder
Recitation—Rowena Keoughan
Song—Four little girls
Solo—Mr. Shaw
Recitation—Harry Turnbull
Solo—Lily Whitehouse
Duet—Messrs. Shaw
Intermission—Sale of home-made candy.
Dialogue—Seven girls
Solo—Mr. Elder
Recitation—Eva Miller
Song—Messrs. Shaw and Russell
Dialog—England
Solo—Mr. Shaw
Recitation—Bessie Keoughan
Solo—Mr. Elder
Closing Chorus—Khaki.

Foot Crushed

John Mather, sr., of Douglstawn, while loading sleepers here Saturday, had one of his feet badly crushed.

Drew Crowded House

Ten Nights in a Bar-room at the Happy Hour last night drew one of the largest houses it has yet enjoyed. The scenes were very realistic and should leave a favorable impression on the minds of many.

Will Preach Here

Rev. F. A. Wightman of Bathurst will preach in the Methodist Church, Newcastle, next Sabbath, 28th inst, morning and evening, and at Maple Glen at 3 o'clock.

Mrs. John C. Wood's is the guest of relatives in Chatham.

(Continued on page 2)

Local and Provincial

Fishermen Getting Ready. P. E. I. smelt fishermen are getting ready for what is expected to be a good season's catch.

Another Record. Mr. James Sargeant of this town has given four sons to the army and can claim a full share of the honor which Campbellton has as a recruiting centre—Graphic.

Held for Manslaughter. City M. Thorne, a young man who was arrested last week in St. John on a charge of deserting from the 26th Battalion, is now held in connection with the death of Stanley Akery.

School Building Completed. One of the finest school buildings in the Maritime Provinces has just been completed at Summerside, P. E. I. A splendid feature of the new building is aatorium or music room, which will contain a piano, and where entertainments and rehearsals may be held.

Favored Church Union. Bedouque Presbyterian congregation has completed the vote on church union. Seven hundred and twelve communicants, 31 adherents or 180 in all voted for union, while 144 communicants, 2 adherents or 16 in all voted against union—Summerside Journal.

Will Visit Chatham Friends. William V. Owens, son of Mr. and Mrs. J. Frank Owens, of West St. John, has just returned from the writing staff of the St. John Globe. He will spend a few days' vacation in Chatham before sailing to Sussex, where he will report at the first of next month.

Second in Command. The many friends of Maj. W. H. Belyea, of the 26th Battalion, will be pleased to know that he will probably be brought home to the 26th Battalion, which will winter in detachments in Newcastle, Chatham, Campbellton, and other North Shore towns.

More Wounded Coming Home. A further division of Canadian non-coms. and men wounded and medically unfit for further service in charge of Captain J. D. Evans of the Department of Recruiting and Organizing, have left for Canada. There they will be drafted into hospital and convalescent homes or discharged with pensions.

Is This Newcastle? Moncton Transcript.—With reference to the Scott Act stir on the North Shore, it is understood that Mr. George Atkins, for several years the official sergeant of the Moncton force, was approached by the authorities of one of the northern towns with an offer of appointment as Chief of Police at a salary of \$125 per month. The offer was made on account of the sergeant's experience in police work, especially the enforcement of the Canada Temperance Act. After giving the matter due consideration, it is understood that Mr. Atkins decided not to re-enter police work and will remain for the present in Moncton.

Shot a Deer. One day last week Wm. Ryan and son, James, of Rosebank, saw a deer in the Miramichi near the Chatham shore. They took a boat and pursued him, landing him in the shoulder. The deer took to the open river, but was chased back towards Rosebank, lassoed by the horns, towed to shore and shot.

Improvements. The I. C. R. authorities are making quite extensive improvements in their water system at Dalhousie Junction. The old dam is being replaced with a new concrete one, and an eight inch main is being laid. When this work is completed the water tank will be done away with, the locomotive being filled from a water crane.

To Rebuild Millerton Industry. Mr. John Bower, of Montreal, formerly sales manager of the New Brunswick Pulp and Paper Company, states that the mill destroyed by fire at Millerton will be rebuilt by an Anglo-American concern with Sir Robert Perks as the main stockholder. The mill when rebuilt will be much larger and no paper will be manufactured by the company—World.

Dolan-Stewart. In St. Samuel's Church, Douglstown, Monday evening, Nov. 15th, Rev. J. G. Cormier united in marriage Daniel Dolan of Nelson, foreman of J. D. Buckley's mill, and French Cove, and Mrs. George Stewart of Rosebank. Mr. Thos. Daughney, jr. was best man and Miss Butler, sister of the bride was bridesmaid and Mrs. Dolan were well remembered by their many friends.

Work For Lumbermen. Millmen, sawyers, teamsters, and all engaged in logging and lumbering are wanted by the King. He wants strong, able bodied, quick witted, handy men, men who have pluck and can fight. Shirkers and slackers can stay home; they are not wanted. When found at the front, they are shipped back.

Men of sufficient intelligence to know the danger the country is in, if Britain should be conquered by the German Hun, and stand ready to do their part to protect our own land and our own homes and families—these men are wanted, now. Men from all parts of England, Scotland and Ireland are at the front—millions of them fighting our battles.

The true man will fight his own battles, he will not ask other men to do it for him. The men at the front call for aid. More men are needed. The King calls for them. It is your duty (if you are not ineligible) to go. The best young men of the country have gone or are going. Mount Allison, Sackville, has sent 160 men. King's College, Windsor, 60 men. Acadia, Wolfville, 170 men. Dalhousie College, Halifax, over 150. St. Peter's Catholic Church, St. John has sent 125 men—one half of its young men. The Cathedral at Halifax has sent over 140 men.

These men know and feel that they are not only discharging the highest and noblest service they can to their country and their God.

Good Marksmanship Of German Sniper

Returned Soldier Tells of Close Watch Kept on Allies' Trenches. Quebec, Nov. 18.—Pte. Will. Vancouver, who was with the 3rd Toronto Battalion, tells a story which indicates the completeness of German methods in reducing war to an exact science.

There was a private in my company," he said, "whose name I don't at the moment recall, who reached my unit and put his bulgy head in on the parapet of the trench. The Germans could see his head as he put it up. It was only for a moment his hand was exposed, but they could see the tin all the time. They calculated he would want the tin again about 4.30 or 4.45 for dinner. They had plenty of time and got the exact bead on the tin. They have rifles fixed so that they can command a certain spot. They didn't have to wait hours looking for the rifle. They kept watch and sure enough, round a quarter to five, Mr. Man reaches for his tin. Bang! They got him right through the wrist. That's the way they do things.

"They got Sgt. Major Young the same way. There was a loophole with a plate covering it. The hole no bigger than that (illustrating by making an aperture with his thumb and forefinger). Young just moved the plate aside, and took a look and they got him at once in the eye. He only could say 'Oh.' That was his only word."

Reported Wounded. Serat Thos. D. Campbell, of Blackville, who enlisted with the 26th, is reported wounded.

Parcel Post Blotters. Parcel post blotters at the Advocate Job Rooms for the asking. If to be mailed, send three cents in stamps.

James Reid, M. P., Dead. James Reid, member of Parliament for Restigouche county since 1900, died Thursday morning at his home in Chatham, at the age of seventy-six years. In Parliament he was a Liberal and in religion a Presbyterian.

Goes to Campbellton. Rev. W. Camp, who for the past nine years has been pastor of Leinster street Baptist church, St. John, has accepted a call from Campbellton, and will take up his duties there December 31st.

Made \$7,000 Scoop. A man named H. P. Crompton, giving his native place as Oklahoma, made a scoop of near \$7,000 in Charlottetown recently in the produce business. He got the goods, disposed of them and quietly dropped out of sight.

Initials on Lapel. Moncton Times.—With the issuing of new uniforms to the conductors and brakemen, the Canadian government railways have the initials "C.G.R." on the lapels of their coats. With the conductors the initials are in gold braid, while the brakemen have theirs in silver braid.

Soon to Wed. Pte. James King, one of Fredericton's soldiers, returned from the front where he was three times wounded with the 13th Battalion, is to be married soon to Miss Catherine McGrath, formerly of Chatham. He was with the C. P. R. at McAdam before enlisting.

Hon. George J. Colter Dead. Hon. George J. Colter, one of the best known men in York county, and a Commissioner of the Department of Public Works for this Province, died at his home in St. Marys Wednesday morning. He had been in ill health for the past several months, but had only been confined to his bed for the past two weeks. Death was due to cancer of the stomach, from which he had been a long sufferer.

Shot a Deer. One day last week Wm. Ryan and son, James, of Rosebank, saw a deer in the Miramichi near the Chatham shore. They took a boat and pursued him, landing him in the shoulder. The deer took to the open river, but was chased back towards Rosebank, lassoed by the horns, towed to shore and shot.

Improvements. The I. C. R. authorities are making quite extensive improvements in their water system at Dalhousie Junction. The old dam is being replaced with a new concrete one, and an eight inch main is being laid. When this work is completed the water tank will be done away with, the locomotive being filled from a water crane.

To Rebuild Millerton Industry. Mr. John Bower, of Montreal, formerly sales manager of the New Brunswick Pulp and Paper Company, states that the mill destroyed by fire at Millerton will be rebuilt by an Anglo-American concern with Sir Robert Perks as the main stockholder. The mill when rebuilt will be much larger and no paper will be manufactured by the company—World.

Dolan-Stewart. In St. Samuel's Church, Douglstown, Monday evening, Nov. 15th, Rev. J. G. Cormier united in marriage Daniel Dolan of Nelson, foreman of J. D. Buckley's mill, and French Cove, and Mrs. George Stewart of Rosebank. Mr. Thos. Daughney, jr. was best man and Miss Butler, sister of the bride was bridesmaid and Mrs. Dolan were well remembered by their many friends.

Work For Lumbermen. Millmen, sawyers, teamsters, and all engaged in logging and lumbering are wanted by the King. He wants strong, able bodied, quick witted, handy men, men who have pluck and can fight. Shirkers and slackers can stay home; they are not wanted. When found at the front, they are shipped back.

Men of sufficient intelligence to know the danger the country is in, if Britain should be conquered by the German Hun, and stand ready to do their part to protect our own land and our own homes and families—these men are wanted, now. Men from all parts of England, Scotland and Ireland are at the front—millions of them fighting our battles.

The true man will fight his own battles, he will not ask other men to do it for him. The men at the front call for aid. More men are needed. The King calls for them. It is your duty (if you are not ineligible) to go. The best young men of the country have gone or are going. Mount Allison, Sackville, has sent 160 men. King's College, Windsor, 60 men. Acadia, Wolfville, 170 men. Dalhousie College, Halifax, over 150. St. Peter's Catholic Church, St. John has sent 125 men—one half of its young men. The Cathedral at Halifax has sent over 140 men.

These men know and feel that they are not only discharging the highest and noblest service they can to their country and their God.

Amazing Ruses Of Women Spies

Austrian Authorities Find it Necessary to Make Them Disrobe. The amazing ruses by female spies attempting to cross the Austro-Swiss frontier are revealed in a despatch from Geneva. The Austrian military authorities force all women travellers to disrobe, since it was discovered that military documents had been concealed beneath a porous plaster on the back of one spy. Another woman who bore her arm in a sling, was found to be carrying a message in a small tube inserted in a wound on her arm.

All women travellers are led by female attendants into a bathroom, where they are stripped and scrubbed with hot water. Frequently this reveals small pieces of very thin tissue paper, upon which are written military secrets. Often thin strips of tissue paper have been found stuck to women's bodies or hidden beneath cosmetics.

Hospital Ship Sunk In English Channel. Three Hundred Out of Three Hundred and Eighty-five Saved—Had Wounded Soldiers Aboard. Dover, Nov. 18.—The hospital ship Anglia, with about 300 wounded men aboard, in addition to the crew, nurses and attendants, bound from France for Dover, struck a mine in mid channel yesterday and sank in a very short time. Nearly 100 men, most of them seriously wounded, were therefore in their coats, lost their lives.

The collier Lusitania, which was nearby at the time of the accident, immediately went to the assistance of the Anglia and her boats had been just lowered when she also struck a mine and foundered. All her crew were saved.

A patrol vessel succeeded in rescuing three hundred of the Anglia's passengers and crew, including some nurses. A number of bodies were recovered.

The Anglia had 200 cot cases aboard. When the rescuing vessels reached her she was badly down by the head and her propellers were racing. Her stern was so high above the sea that one of the rescuing vessels was able to pass under her and forty men dropped aboard.

The crew of the Lusitania give vivid narratives of the disaster, according to which, after a terrific explosion, the bows of Anglia seemed to melt away until the sea lapped her rails. She surged forward however in a vain attempt to reach shore.

Soon many boats came to the rescue including those sent by the Lusitania. Those watching the scene saw the soldiers coming up from below, assembling on deck and calmly waiting the order to pass into the boats.

A rescuing vessel ran right under the sinking steamer's stern and immediately the crew set to work under great difficulties to transfer the wounded.

Every moment the stern of the doomed vessel rose higher and the hull veered sideways as though about to turn turtle, but still the crew worked on.

Some of the wounded, unable to keep their footing—The sloping deck, fell into the sea and were picked up by the rescuers. Others jumped overboard. All the while the nurses were aiding with splendid devotion the crew to get their patients to the boats.

The difficulties were augmented by the racing propeller, which gave a circular motion to the Anglia. The end came with dramatic suddenness. With wounded soldiers and doctors, nurses and sailors still clinging to the stern the vessel appeared for a moment to stand on her bows, then suddenly went under but left the red cross flag flying at her mast, six feet above the water, marking the fatal spot.

Committee to Provide For Returned Soldiers. The personnel of New Brunswick's Committee to deal with the problem of making provision for returned and wounded soldiers has been announced as follows: Hon. J. B. M. Baxter, St. John; Dr. T. Carleton Allen, Fredericton; Ernest Hutchinson, Douglstown; James E. Masters, Moncton; Dr. L. N. Bourque, Moncton; R. V. Bennett, several ladies and will be continued this (Wednesday) evening, when "What Constitutes Citizenship?" will also be discussed.

COULD NOT STAND ON FEET

Mrs. Baker So Weak—Could Not Do Her Work—Found Relief In Novel Way.

Adrian, Mich.—"I suffered terribly with female weakness and backache and got so weak that I could hardly do my work. When I washed my dishes I had to sit down and when I would sweep the floor I would get so weak that I would have to get a drink every few minutes, and before I did my dusting I would have to lie down. I got so poorly that my folks thought I was going into consumption. One day I found a piece of paper blowing around the yard and I picked it up and read it. It said 'Saved from the Grave,' and told what Lydia E. Pinkham's Vegetable Compound has done for women. I showed it to my husband and he said, 'Why don't you try it?' So I did, and after I had taken two bottles I felt better and I said to my husband, 'I don't need any more,' and he said 'You had better take it a little longer anyway.' So I took it for three months and got well and strong."—Mrs. ALONZO E. BAKER, 9 Tecumseh St., Adrian, Mich.

Not Well Enough to Work. In these words is hidden the tragedy of many a woman, housekeeper or wage earner who supports herself and is often helping to support a family, on meagre wages. Whether in home, office, factory, shop, store or kitchen, woman should remember that there is one tried and true remedy for the ills to which all women are prone, and that is Lydia E. Pinkham's Vegetable Compound. It promotes that vigor which makes work easy. The Lydia E. Pinkham Medicine Co., Lynn, Mass.

Hopewell Cape: Thomas M. Bell, St. John; T. M. Burns, Bathurst; Levite A. Gannon, Edmundston; James L. Sigurd, St. John and John H. Peat, Andover. The committee will meet at Fredericton at an early date to organize.

"Be a Man, Don Khaki" Message From Front

Member of the 26th Want Boys to Enlist and Hold Up Canada's Honor. George C. O'Brien, an I. C. R. brakeman, who is now at the front with the 26th Battalion, writes in strong language of young men who are neglecting their duty and remaining at home. A letter to Arthur Gillard, a fellow employe, reads in part as follows: "You boys ought to come and help us to hold up Canada's honor by putting on a khaki suit and going into the trenches with us. It is great fun. B-llets are nothing as compared with our duty, honor to our beloved King and Canada. You should get after single men; show them this letter and tell them they are not Canadians if they are not in khaki with their comrades. What if you do get killed? You are not a coward. And to see the way those—kill poor women and children!" Minard's Liniment Cures Colds, etc.

For Afternoon Tea as well as at meal-time, KING COLE is equally appreciated.

Its choice refreshing flavor seems just what is needed. Try the "Gold Label" grade. "You'll like the flavor"

WEDNESDAY NOVEMBER 24, 1915

CANADA AND THE WAR

Students of current events—not those who merely take a passing interest in the reports of the campaign, but those who think deeper into the situation—are beginning to realize that the outcome of this war will undoubtedly bring vast changes in the commercial, political and business life of Canada, changes that most inevitably be for the betterment of the country.

The war caught Canada when she was unprepared, apart from the inconvenience which the world-wide financial stringency had caused, the boom which had been in evidence in the country in recent years had just collapsed, and people had not had time to recover from its effects.

Canada laid herself out to cater to the demands of the warring nations; and not counting the war purchases of Russia, France and Italy, but dealing with the contracts made with Britain alone, war orders in this country to the end of September tallied nearly two hundred and fifty million dollars, and this exclusive of horses which amount to almost as much again.

France and Italy are buying in not exactly known, because their buyers go out independently and their shipments, owing to the scarcity of Canadian boats, go largely through American ports. Added to these war purchases is this year's enormous wheat crop, four-fifths of which, or upwards of 200,000,000 bushels, will go direct to Britain.

GERMANY'S DISILLUSIONMENT

On all sides evidence appears to be accumulating which shows beyond doubt that whatever disappointments may have been experienced by the Allies during the last sixteen months they are as nothing compared with the disillusionment that is in progress in Germany.

A most interesting and impartial account to the present state of public feeling in Berlin was recently given by the special correspondent of the New York Evening Post. Returning to Germany after a year's absence, he has discovered in the public mind a very chastened spirit, and the main question of the present time is "How long is this war going to last?"

The question, the correspondent declares, is on everybody's lips, from the lowest to the highest. A year ago the cry was, "Germany will win," now it is "How long will this thing go on?"

Council Takes up Matter All-Day Electric Service

D. A. Jackson, Electrical Engineer Submits Favorable Report on Plant and Equipment

(Continued from page 2) why not pay him for that work? If he wanted a Scott Act Inspector why not pay him for that work? A policeman should not receive half a salary for performing police duties and half for doing something else.

Ald. Creighton explained why he had been unable to vote to dismiss the policeman. There had been no charge against them. There should be one Inspector, but the night policeman should not be an Inspector. Get a good man and pay him well.

Ald. Doyle explained that if Ald. Hayward had brought a charge against the policeman, he, too, would have voted to dismiss them. He was not saying what he would do were the question of Scott Act being considered.

Ald. McGrath said he had been unable to vote to dismiss the two policemen merely because they might be poor Scott Act Inspectors. He had reason to think that the motion to dismiss those two policemen was made for other reasons than merely that they were considered poor Scott Act Inspectors.

Ald. Hayward replied that he decided anyone to declare or put in writing or in print any charge that there were any other reasons for dismissing those that he (Hayward) had stated.

It was moved by Ald. Hayward and seconded by Ald. Stables that the Scott Act Inspectors be dismissed, on thirty days notice, for failure to perform the duties of their office. This motion was carried on following vote:

Yea—Ald. Creighton, Doyle, Hayward, MacKay, Ritchie, Stables and Stuart—7.

Nay—Ald. McGrath—1.

On motion of Ald. Hayward and Ritchie the Town Clerk was instructed to notify the two officers of their dismissal.

Ald. Doyle spoke of the great need of a Building By-law, and moved that a committee of three be appointed to draw up by-laws regulating the putting up of buildings in town.

This was seconded by Ald. Stuart and carried.

Ald. Doyle moved that Ald. McGrath be one of that committee. Ald. McGrath declined to act. The control of such a committee would likely be limited. It appeared to him that a property owner could build as he likes unless he interferes with someone else's rights or makes a nuisance.

Ald. Creighton did not agree with Ald. McGrath. Almost every day in the province had building by-laws, and building inspectors, who were strict about height, position, material and plumbing of buildings, etc.

Ald. McGrath said that inspection of plumbing came under the Board of Health. This council had no authority over locating of buildings.

Ald. Doyle said that people came to the Public Works Committee to enquire about putting up buildings. If they built out onto the street, as many did, the Committee had no power to stop them. There was no plan of the town. By appointing this Special Committee the town might by-and-by get a plan of the town. Many who build try to get out onto the street a little bit.

Ald. Hayward said that it was high time that we had such by-laws and inspectors. The latest new street in Newcastle runs right against a new house instead of coming out where it could have been sometime continued straight ahead: the Wireless property.

On motion of Ald. MacKay, seconded by Ald. Ritchie, the matter was left in the hands of the by-laws committee.

Adjourned.

SPECIAL MEETING A special meeting of the Council was held on Friday evening, 19th instant, to consider conditions for the quartering of troops of the 122nd Battalion here. The whole Council were present.

The Mayor reported that two officers had been in Newcastle that day making enquiries re facilities for quartering troops here. They asked that they might be guaranteed the use of the rink and Mechanics Institute, with free water and sewerage in those places, and also in the Pleasant street armory. In this armory they proposed quartering 250 men, and if they could be guaranteed the rink about 250 more would be stationed here. Electric light would be taken at regular rates. It would be for the welfare of the town to have the soldiers here. An answer must be given tonight or tomorrow. He thought the Militia authorities should pay for the water.

Ald. Stables and Ald. Hayward also thought the water should be paid for.

Ald. M. McGrath said that if sewerage were put up George street from Severe as have been the losses among the Allies, they are proportionately small as compared with those of Germany, and the effect is beginning to tell.

Highway to the Rink, it would increase the value of John McCallum's lots from about \$200 to, say, \$600 each, and all the people of the town have to pay for the sewerage that benefits only a few, the sewerage connection rates being far too small.

He believed that the people who enjoyed sewerage should pay for it. Ald. Stuart said he agreed with Ald. McGrath on the sewerage question.

It was moved by Ald. Creighton and seconded by Ald. Stuart, that, provided the Militia Department will agree to quarter men in the rink armory and Mechanics Institute, the Town Council agrees to install sewerage from the rink building to High Street and to the other places named, notwithstanding any by-law in force.

This was carried by the following vote: Yea—Ald. Creighton, Doyle, Hayward, MacKay, Ritchie, Stables and Stuart—7.

Nay—Ald. McGrath—1.

The Mayor said (Campbellton was providing a hotel free for troops. Water rates were discussed, and after deciding to order water at same rates as to the Wireless, council adjourned to meet again Monday, Nov. 29th to consider the All-day Electric Service.

Worn Worried Women

Her Many Duties Affected Her Health and Often She Breaks Down Completely

It is little wonder that there are many times in a woman's life when she feels in despair. There is no nine-hour day for the busy housewife. There are a hundred things about the home to keep her busy from the time she arises until it is again bed time.

Often her nerves give way, her good looks suffer, her blood becomes thin, her digestion is disturbed and her system threatened with a complete breakdown. Every woman should do all possible to protect her health and good looks, and there is one way in which she can do this, and that is by taking Dr. Williams' Pink Pills.

These actually make new, rich blood strengthen every nerve and every organ, bring the glow of health to the cheeks and brightness to the eyes. These pills have done more to make the lives of thousands of women sunny than anything else in the world.

Mrs. Daniel Theal, Waterloo, Ont., says: "I was very thin and waxy and I would faint at the least excitement. I suffered from headaches and dizziness and often it seemed as though there were clouds before my eyes. Finally I was forced to go to bed with weakness. I doctored for six weeks without being helped without receiving any benefit. Finally I was induced to take Dr. Williams' Pink Pills, and when I had taken ten boxes I was completely cured, and never felt better in my life. I am convinced that what Dr. Williams' Pink Pills did for me they will do for others, and I warmly recommend them to all weak women."

You can get these Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from Dr. Williams' Medicine Co., Brockville, Ont.

Monies Diverted To Other Funds

At a public meeting held at Boies-town, Nov. 6th it was unanimously decided to divert the monies collected for a machine gun in the Parishes of Stanley No. 2, and Ludlow, to the following funds:

Northumberland County Patriotic Fund \$ 258.00 York County Patriotic Fund, 142.00 Red Cross Fund 150.00 Total amount collected \$650.00

This decision was arrived at on account of announcements made by Premier Borden and others that the Government had ordered all the machine guns available for some time to come.

Any subscriber who does not approve of this plan may receive his money by applying to H. F. McCloskey, treasurer, who will have the amount withdrawn from the fund's special account at the Bank of Montreal, Fredericton, not later than Monday, Dec. 6th.

Boiestown Machine Gun Com. Per H. F. McCLOSKEY.

40,000 Salvation Army Men Fighting

Col. Gaskin Outlines Work That Salvationists Are Doing in the War.

(Fredericton Gleaner.) Col. Gaskin, one of the foremost officers of the Salvation Army in Canada, delivered an interesting address at the Salvation Citadel yesterday afternoon, on What the Salvation Army is Doing in the Present War. Mayor Mitchell presided and the auditorium was filled to capacity.

Col. Gaskin in his address pointed out to an appreciative audience the great work that was being accomplished by the Salvation Army in the war and also stated that no less than 40,000 Salvationists were now in the armies of the Allies. "Doing their bit," of this number 4407 were from Canada, while every part of the British Empire had sent its quota of Salvationists to the front line. Hundreds of the bandmen in the Military Bands are Salvationists. Thirty-one motor ambulances have been donated to the military authorities by the Salvation Army, twenty-six of which are already in use, and five more will soon be ready.

Col. Gaskin recited several incidents that plainly showed the valor of the woman officers of the Salvation Army who are on the firing line. In concluding his address he stated that Sir John French's private secretary is a Salvationist, and the youngest Sergeant-Major in the Canadian Overseas Forces is a member of the Salvation Army.

PERSONALS

Mr. and Mrs. Wm. Crank have a new boy.

Mr. and Mrs. W. C. Day of Campbellton are in town.

Osborne N. Brown is home on a visit from Sydney, N. S.

Lt. Col. Mersereau, of the 132nd Battalion, was in town yesterday.

Miss Mabel Keith of Campbellton, was the guest last week of Mrs. H. S. Leard.

Mrs. Edge of Loggieville, spent Sunday and Monday with Mrs. Thos. Matheson.

Miss Emma Gulliver of Redbank, has returned from Hotel Dieu convalescent.

Mrs. MacMichael of West Branch is in town visiting her son, J. F. R. MacMichael.

The Misses Lena and Carrie Layton of Blackville, visited friends here last Tuesday.

Mrs. Alfred Underhill and daughter Janet, of Blackville, were visitors to town this week.

Mrs. Harry Grey of Douglastown was taken to Hotel Dieu Wednesday, is very low.

Mrs. John McDonald, Chatham, spent last Tuesday in town, the guest of Miss Minnie Ingram.

Miss Tweedie, returned missionary from Japan, was the guest last week of Mrs. E. A. MacLellan.

Mr. and Mrs. Geo. O'Leary of Napan spent Sunday with former's sister, Mrs. Thos. Matheson, who is very ill.

Miss Trix McAuley left this morning for Arlington, Mass., where she will enter a hospital to train for a nurse.

Mrs. Frank Masson is very ill with bronchial asthma. She has a son George at the front with the first contingent.

Frank Russell, jr., of Nelson, who was hurt in Lynch's mill over two months ago, returned from Chatham Hospital on Monday, well.

The many friends of Mrs. Janie Bell, who has been seriously ill with pneumonia, will be pleased to know she has passed the crisis, and is slowly improving.

John Matheson of Boston arrived here Monday night to visit his mother, Mrs. Thos. Matheson, who is very ill. Mrs. Robt. Hutchison of Moulies River, Kent. Co., the latter's niece, is also visiting her.

Tuner in Town

Professional Piano and Organ Tuner and Repairer, holding first class diplomas, is in town to remain for a short time. Special prices to regular customers. Orders may be left at Mrs. A. E. Laard's, McCullum St., Phone 35-81, 48-0.

STRATHADAM
Nov. 22—Not seeing any notes from this place for some time I thought I would write a few.
We are glad to hear that Mr. Allan Menzies is recovering from his recent illness.
Mr. Richard Scott has returned from the hunting camp.
We are very sorry to lose from our midst Mr. Harold Robinson, who left for Lawrence, Mass., last week. Quite a number of our young people attended the social given by the Newcastle S. O. T. and reported a very enjoyable time.
Mr. and Mrs. Fred Scott moved into their new home last week.
Miss Margaret Howe of Lawrence, Mass., visited relatives in Whitneyville.
Mr. Ben McTavish spent the weekend at his home here.
Mr. and Mrs. C. Parks spent Sunday at Mrs. Parks home.
Mr. and Mrs. Arnold Adams spent Sunday at Maple Glen.
Mr. Harold Whitney passed through here Thursday evening.
Miss Margaret Howe leaves this week for her home in Lawrence, Mass. She will be accompanied by Miss Sadie Mullin.
Corp. Percy McKay of the Wireless visited his home last week.
Miss Eliza Tweedy, of Japan, visited Mrs. Wm. Scott on Sunday last.

SUNNY CORNER
Nov. 22—Mr. Fred Leach came from the lumber woods Saturday in poor health.
Mrs. Robt. Tozer entertained a number of her friends at a knitting party Friday afternoon and evening.
Mrs. John Burns spent Saturday evening with Mrs. Belle Matchett.
Mr. and Mrs. Austin Butler and children, who have lately returned from the west, spent Sunday evening with the former's mother, Mrs. Belle Matchett.
Miss Rose Tozer spent Sunday in Redbank.
Misses Arnes McAllister and Mae Tozer, Lyttleton, spent Sunday at their homes here.
Russell, son of Rev. F. J. McCurdy has gone to Newcastle to work in the Royal Bank of Canada.
Miss Bernice Sherrard is spending a few weeks with Mrs. Mike Hogan.
Mrs. Clark, Chelmsford, is spending the winter with her sister-in-law Mrs. Robert Tozer.
Miss Inez Mullin, Boom Road, was the guest of her cousin, Mrs. Dave Mullin Sunday.
Mr. Hiram Murphy who went to the Harvest fields this fall, returned home last week and was welcomed home by his old friends. N. B. is good enough after all.
The rats are in a bad condition owing to the heavy rain fall Sunday night.
Mr. Wm. Murphy, who left a few months ago for the West, has returned to Newcastle again.

BOIESTOWN NEWS
(Too late for last issue)
Nov. 16—The snow on Monday, the first of the season was hailed with delight by the children of the town and many little fellows could be seen at an early hour in the day, trying to pull their sleds behind them.
Miss Lena Murphy of Portland, Me., returned home by Saturday night express. Her sister, Mrs. William MacMillan and daughter, Miss Jean, accompanied her from Fredericton.
The young people had their usual weekly dance on Saturday evening this week.
Mrs. Nelson and Miss Norrad made a flying trip to Doaktown last Thursday evening. They went down with Mr. Charles Betts and daughter, Miss Minnie, and returned that same evening on the Whooper.
A large crew of men are engaged putting in a new concrete bridge on the I. C. R. in Boiestown.
On account of the severe winter storm the Women's Institute had a small number but they met again at Mrs. William MacMillan's on Tuesday night and hope for a better night and a larger gathering.
Mr. and Mrs. John Whalen spent last Sunday with Mrs. Whalen's mother, Mrs. Eliza Norrad of Bloomfield.
Rev. Mr. Allaby who has been preaching in the Baptist church for some few months left for his home this morning.
Our former Station Master Mr. F. X. Stevens and his family moved away last Friday morning. The new agent Mr. Sauntry arrived a few days before.
Mr. William A. Campbell had a trip to Fredericton last week.
Miss Sadie Brown of Bloomfield and Mr. John Spencer of Parker's Ridge were married at the Methodist Parsonage last Tuesday evening. Rev. G. W. Tilley performed the ceremony.
The many friends of Mr. Samuel Houchey will regret to learn of his demise on Sunday evening. He leaves a widow, five children, a widowed mother, three brothers, 2 sisters, besides a large circle of other relatives to mourn his loss. His widow was formerly Miss Mary MacMillan.
We hear of some beavers being in our vicinity and hear that they have quite a house built about four miles above town.
Mr. Bentley Neagles of Ludlow is in town for a few days.
Mr. James M. Scott of Fredericton paid a business trip here last Monday night.

LOGGIEVILLE
Nov. 22—The community here is, at present, the centre of much activity. The Red Cross helpers are proving themselves energetic and competent workers. The society now has a membership of about 46. The total receipts for the past year amounted to about \$529.00. The citizens in general have responded liberally to all demands made upon them. Much work has been accomplished during 1915, in the line of soldier's comforts. Members and non-members of the Society have worked faithfully and donated liberally to everything pertaining to the work. Eleven boxes of supplies were shipped to headquarters during the year. At present steps are being taken whereby our brave boys at the front will be provided with boxes for the Christmas season. Several of the local societies are remembering their brother members also. The Orangemen recently donated \$20 to Red Cross work. The officers of the R. Cross Society for 1916 are: President—Mrs. F. P. Loggie, 1st Vice-President—Mrs. A. S. Harriman, 2nd Vice-President—Mrs. Robert Dunbar, 3rd Vice-President—Mrs. W. G. Loggie, 4th Vice-President—Mrs. John R. Johnstone.
Honorary Presidents—Mrs. Robertson, Mrs. Harriman, Mrs. Robert Russell.
Treasurer—Mrs. Robert Loggie, Secretary—Miss Gussie Kelly.
The Sunday morning service in Knox Church on the 21st inst., was a particularly interesting one, the occasion being the special "Italy" Day service of the Sunday School. The school membership was largely represented, as was also the membership of the general congregation. The scholars occupied the centre pews of the church. The order of service arranged by the Assembly Board was strictly adhered to. The responses were heartily given. The parts taken by the little ones were well rendered. The pastor gave an interesting address on the subject "Enlisting for Christ."
The Superintendent, J. W. S. Baskirk, gave a brief statement of the work of the school for the past year. His remarks were interesting and instructive. The praise service was led by the choir of the church. The offering amounted to about \$14.00.
The work of the young people of the church is making a rapid move forward. The Sunday evening service held by the Guild at the close of the church service each week is largely attended. The Guild has recently purchased a fine lantern, and illustrated lectures will be given frequently through the winter. This will be a great benefit to the work. A temperance band has recently been organized in connection with the Society. This band is particularly for the youth of the congregation. Twelve of the small lads have already taken the pledge.
The vote on Church Union was taken in Knox church on the 21st inst. The result was as follows.

BLACKVILLE NOTES
Nov. 22—The funeral of Mr. Calvin Brophy took place on Thursday morning at nine o'clock, interment being made at St. Raphael's Church burying ground. He is survived by one daughter, Mrs. Barry of Boston, and three sons, John of Bathurst, William of Minnesota and Fenton at home.
Miss Ethel McDonald is visiting friends in Doaktown this week.
Mrs. Allen Williston of Moncton is visiting her parents, Mr. and Mrs. Geo. Mountain.
Sergt. Harrison Ring, on duty at the Wireless Station, Newcastle, was in town on Monday.
Rev. L. Beaton spent Wednesday in Doaktown.
Mrs. Thos. Jardine of Renous, was visiting friends in town on Wednesday.
Mr. C. H. Burt of Fredericton, was in town on Thursday.
Miss Jennie Yve of Moncton is the guest of Miss Edna Yve.
Mr. and Mrs. Arthur Ballard and family, of Doaktown, are the guests of Mrs. Ballard's parents.
The death of Margaret Stewart, infant daughter of Mr. and Mrs. Charles Stewart, occurred on Tuesday at the age of eleven months. The funeral took place on Thursday afternoon at three o'clock, interment being made in St. Andrew's church burying ground. She is survived by her parents, one sister, Zella, and two brothers, John and Fred.
Mr. Roy Underhill spent Thursday with his parents, Mr. and Mrs. Beverly Underhill.
Mr. Henry McRae, son of Mr. and Mrs. Andrew McRae, who has been one of the staff of the Bank of Nova Scotia, Newcastle, has been transferred to Dalhousie University.
Mrs. Mitchell of Doaktown, is the guest of her daughter, Mrs. Albert Underhill.
Mr. Howard Harris of Halifax, arrived on Friday and is the guest of his parents, Mr. and Mrs. Jas. Harris.
The many friends of Miss Clara Walls will be glad to hear that she is slowly recovering.
Miss Martha Grant, teacher at Upper Blackville, was the guest of her sister, Mrs. Lillian on Saturday and Sunday, returning to her school on Monday.
Miss Stella Donovan of Renous, was the guest of her sister, Mrs. Henry Brophy on Monday.
Mr. Ally of Toronto was in town on Monday.
Mrs. Alfred Jardine was called to Renous on Friday night, on account of the serious illness of her daughter Marie, who is teaching there.
Mr. Hayward Jardine of Renous was in town on Thursday.
Miss Lillian Dunn and brother James, were in Chatham visiting their brother Morrissey, one day last week.
Mr. Gordon McDonald spent Tuesday in Newcastle.
Mr. Melvin Donovan was the Elders, 3 for union and 14 against it.
Communicants 67 for union and 9 against it.
Adherents 17 for union and 2 against it.

LETTER OF CONDOLENCE
Redbank, N. B.
Nov. 14th, 1915.
Dear Bros. Floyd, George and Courtney Matchett:
It is therefore resolved that we, the members of Redbank S. of T. No. 453, extend our sincere sympathy to you in your sad bereavement of the death of a dear and loving sister. She was also a valued member and officer of Redbank S. of T., and was loved and respected by her many acquaintances.
Signed in behalf of Redbank S. of T.
Yours in L. P. and F.
W. P. ROSE TOZER,
R. S. LULU MULLIN.

RED ROSE TEA "is good tea"

Good Pastry
Sometimes a person gets tired of their own cooking and welcomes a change. The change, however, in order to satisfy that longing, must be the equal, if not better, than the home cooking. Just now at this particular change of season the good house-wife wishes for the delicious taste of the Bakery House Pies, Rolls and Bread.
Watch for this Advt. Weekly

BRIGHTMAN'S BAKERY
In the place where all the Good Pastry comes from. Everything is fresh, clean and inviting. A visit to our store will convince you of the many delicacies we keep fresh on hand.

Target Tips and Hunting Hints

by Alfred P. Lane

Send questions to Mr. Lane care of this paper.

A New Questions and Answers Department of Interest to Shooters

Readers are reminded that this column is open to questions which should be sent to me in care of the Sports Editor, and to discussions by the readers on anything connected with hunting or target shooting.—A. P. L.

H. O. Buffalo, New York. Will you kindly give your opinion in regard to different front sights now on the market. To be used with rear aperture sight. Do you consider the V.M. or Vickers-Maxim front sight the equal or superior to the ivory or gold head sight for hunting and target shooting. Have any of the prominent riflemen tried out the V.M. front sight and has as good a group been made with it as with the ivory? As I expect to equip my 1895 rifle taking the '06 U. S. shell with new sight, I would like your opinion before doing so.

Ans. The idea of using an aperture front sight, that is, a sight containing a small hole to look through—at least on the front of the barrel—instead of the regular bead sight, is not by any means a new one. It is used almost exclusively by shooters for very fine target shooting when there are no restrictions as to the sights which may be used. All of the short range rifle records of the N. R. A. Indoor League have been made with aperture sights. The Vickers-Maxim sight is an application of this principle to game shooting, and while I have personally not yet had an opportunity to try the sight out, I see no reason why it should not give excellent results. Of course you understand that in target shooting the aperture is usually made a small ring of white around the bullseye. In game shooting, the Vickers-Maxim sight is made large enough so as to enclose a good portion of the game. I think you will find this sight will be satisfactory.

E. M. K., St. Paul, Minn. What is your opinion of the 32-20 as an all-around side-arm, i. e., for sporting and target shooting? How do you think it compares with the .38 Special? I want a side-arm to carry in the woods and for purely sporting reasons, prefer the 32-20 but do not want it if it will not do the work of a .38 Special.

Ans. I haven't much use for the 32-20 cartridge when compared with the .38 Special cartridge for revolver work. A revolver is essentially an arm to shoot a large calibre bullet over moderately short ranges, and the .38 Special is a better cartridge than the 32-20. The fact that almost all of the prominent target shots in this country use at least a .38 calibre is rather good evidence that the .38 calibre is the proper size—at least for target work.

W. J. B., Poyette, Wis. 1. Is the 30-40 powerful enough for grizzly? 2. Which is the better cartridge for a revolver, the .38 Special or the .44 Russian? 3. Personally, I would prefer the .38 Special. 4. Which would be the better belt gun for hunting, an automatic pistol or a revolver? 5. This is a good deal a matter of personal preference. The automatic pistols and revolvers are both reliable and accurate. 6. Is the Luger automatic pistol as reliable as the Colt? 7. The Luger is a reliable and excellent weapon, but it handles—at least in my way of thinking—the wrong kind of cartridges for hand work. 8. What is the penetration of the 250-3000 Savage? The range? 9. I cannot seem to get this information as yet. 10. W. W. W., Wauchula, Fla. Will you kindly tell me the maker

MANY NEW CANADIAN INDUSTRIES LAUNCHED

Industrial Leaders Trying Their Hand in Many New Fields as a Result of War—Not Confined to Munitions

The variety of the munitions of war which are being produced in the factories of Canada form a striking tribute to the enterprise and energy of our manufacturers. Scores of companies are engaged in making shells, in many cases after remodeling, enlarging or building plants. For this work much new machinery was needed of a type which had not been previously manufactured in this country, and which is now being successfully made in great quantities. A number of firms are making cartridge cases, others are making shell machining saws, shell finishing equipment, shell baking furnaces. At least eight firms are busy making cordite, T.N.T. and other explosives. Several firms are making bayonets, others are turning out bits, spurs, saddle arches and trees, saddlery and harness for cavalry. All kinds of military packing boxes and ammunition boxes are being produced. Great orders are being executed for cooking utensils. Many firms are making small arms ammunition and scores are busy on such articles as bags, cloth, knitted goods, shell-plinced coats and wagons. The chemical companies are very busy supplying articles needed for the medical corps and ammunition makers.

But it is not only in producing war munitions that Canadian manufacturers have made progress since the outbreak of the war. Foreign trade was seriously disturbed and many articles which were previously imported could not be had; and consequently, our manufacturers turned their attention to the possibility of substituting Canadian-made articles for those which had been bought abroad.

A third field in which Canadian manufacturers have made progress is in increasing the production of goods used mainly for regular industrial purposes which have been manufactured in Canada for some years.

The above shows that Canadian manufacturers are doing their best to regain the ground lost during the depression which followed the boom of 1910-11 by adapting their industrial equipment to meet changed conditions. Our national manufacturing plant was over-specialized on construction work. When railroad, town and other building operations came to a standstill manufacturers suffered; but it is gratifying to notice that the whole system is being readjusted to obtain new business in place of that which has been lost.

There is every reason for the belief that Canada's industrial development will not meet with any serious reverses when peace is declared, but having established itself on a solid foundation during the period of stress, through which we are passing, will be in a position to develop, conservatively perhaps, but none the less substantially during the years immediately following the war. It is presupposed that no serious alteration of Canada's trade policy, providing as it does reasonable encouragement for Canadian manufacturing enterprises, will be made. After the war United States will probably be the leading commercial, industrial and financial nation of the world, and to expose Canadian industries to the attacks of the highly specialized industries of our great neighbor under terms less advantageous to Canada than those we enjoy to-day is hardly to be expected.

LINCOLN AND LLOYD GEORGE

Years ago protectionist newspapers began to print what was said to have been a phrase of Lincoln's, "If an American buys \$50 worth of English steel, America has the steel and England the \$50, but if he buys of an American, America has the steel and the \$50, too." The quotation passed on genuine, and it harmonizes with some references to Protection in the edition of Lincoln's writings prepared by the Free Trade critics last year.

Which is the more accurate 45-70 W.H.V. or 45-70-405 Gov't black powder? The black powder is more accurate. This is one of the cartridges which, designed in the old black powder days, will not stand speeding up without loss of accuracy.

Please tell me if there is a factory making a single barrel shotgun, hammerless, with ejector, and if so, where? If you look through the advertising columns of any of the sporting magazines you will find a number of firms listing single barrel shotguns, hammerless and ejector, both domestic and imported. These guns are of course used principally for trap shooting.

T. C. P., Lacabe, Alta. 1. Does it pay to reload 20-30 cartridges when factory loaded ones cost \$1.25 per box of twenty? 2. What is the diameter in hundredths of an inch of the bore of a rifle which uses round lead balls that weigh thirty to the pound? 3. The diameter of the bore of a barrel which would just fit a round lead ball weighing 30 to the pound, that is, a 30 gauge bore, is .537 inches. A. D. T., Middletown, N. Y.

Alfred P. Lane

MOBILIZE CANADA'S ECONOMIC RESOURCES

Canadian War Correspondent Breaks New Ground—Organization and Specialization

Mr. Britton Cooke, one of the best known Canadian newspaper men at the front, has recently written a brilliant article which he calls "The Organization of Canada's Resources." Mr. Cooke believes that Canada's economic development will be seriously impaired in the years following the war unless immediate steps are taken to mobilize the productive forces of the country with a view to making Canada more self-contained. After dwelling on the penalty of inefficiency, Mr. Cooke puts Canada's position, as he sees it, in the following paragraph:

Economic Autonomy Necessary Canada's political autonomy has been hotly defended at all times. The economic autonomy of the country has been little considered. The defeat of Reciprocity in 1911 was regarded as a sort of economic Declaration of Independence against the United States. It came late, and how real that independence really was and is may be estimated by a careful perusal of the lists of Canadian exports of Canadian produce to the United States, and the imports into Canada of United States goods for Canadian consumption. How the trade organizations of our neighboring republic affect Canada may be observed in the operations of the United States Fruit Trust in the Canadian West where, although British Columbia fruit is just as good, if not better, and although the Oregon and Washington products has to pay duty to enter Canada, yet one finds that fruit excluding the Canadian fruit in the shops of Calgary and Edmonton. How the old-established trade connections of the United States suck Canadian raw materials into United States mills, there to be prepared for export by people of that country instead of by Canadians, thence to be carried by United States railways to United States ports instead of by Canadian roads to Canadian ports—may be studied in the operations of the Chicago packing houses who draw Canadian live stock in the Chicago "transforming market," kill the animals, dress and pack the meat, prepare the by-products, ship the main quantities through the forty-million consuming market of the Eastern United States, allowing the surplus to spill into the export channels at New York, Boston and Philadelphia, and meantime actually sell back to Canada the fertilizers, lard, soap, leather and even beef and beef extracts made from Canadian cattle! Older establishments will not meet with any serious reverses when peace is declared, but having established itself on a solid foundation during the period of stress, through which we are passing, will be in a position to develop, conservatively perhaps, but none the less substantially during the years immediately following the war. It is presupposed that no serious alteration of Canada's trade policy, providing as it does reasonable encouragement for Canadian manufacturing enterprises, will be made. After the war United States will probably be the leading commercial, industrial and financial nation of the world, and to expose Canadian industries to the attacks of the highly specialized industries of our great neighbor under terms less advantageous to Canada than those we enjoy to-day is hardly to be expected.

Work Up Raw Materials at Home People of the United States—for whom in this regard one can feel nothing but respect—are slowly forcing Canada to engage in the less profitable departments of production: wheat-growing, the supplying of ores, timber, pulp, fish—unfinished materials for United States workmen to finish and transform, directly or indirectly, into export commodities. Fifty cents worth of a Canadian raw material may become, in the hands of foreign workmen, ten dollars' worth of goods when finished and, possibly, sold back to Canadians. To Canada comes the fifty cents as Canada's fee for the material. To the foreigner goes the \$9.50 for finishing, for the office expenses of the makers and marketers, for advertising, for wages to salesmen! The efficiency of the United States business organizations—made robust by a high protective tariff and still well-protected—is making a permanent impression upon the slowly forming economic character of Canada. Already there are parts of Canada where it does not pay to grow cauliflower because of the cauliflower specialization centered in Maryland. When peace in Europe is restored and the shattered nations are to be rebuilt, it will be the efficient nation that fills its order-book with orders and its cash register with money. The less efficient nation, floundering alongside, will have the privilege of carrying the hod, shoveling the coal, teaming a few loads of wheat, sweeping up the floor and fattening itself on such crumbs of trade and profit as may fall from the rich man's table.

The remedy lies in the careful organization of Canada's resources and productive forces, coupled with defensive measures in the way of trade policies, such as our great neighbor to the south has adopted with remarkable success during the past hundred years. Canadians cannot afford to continue indefinitely as suppliers of raw material to the nations who have developed their industrial forces to a high degree of efficiency with the aid of a beneficent trade policy. There is a lesson for Canada in the development of the United States.

NORWEGIAN STEAMER SUNK IN NORTH SEA

London, Nov. 19—(11.49 p. m.)—The Norwegian steamer San Miguel, of 1,659 tons gross, struck a mine in the North Sea Thursday and sank. The members of the crew were rescued and landed at Grimby today.

Another Seizure

Another seizure of liquor was made at the Moncton freight shed on Thursday morning.

TOOK THE ADVICE OF HIS FRIEND

Stomach Trouble and Rheumatism Relieved By "Fruit-a-lives"

MR. L. LABRIE 594 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-a-lives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen. A friend advised me to try 'Fruit-a-lives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-lives' is the only medicine that helped me.

LOUIS LABRIE. "Fruit-a-lives" is the famous medicine made from fruit juices. 60c a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

SYNOPSIS OF CANADIAN-NORTHWEST LAND REGULATIONS

The sole head of a family, or any male over 18 years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for district. Entry by proxy may be made at any Dominion Lands Agency (but not Sub-Agency), on certain conditions.

Duties—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter section alongside his home stead. Price \$3.00 per acre.

Duties—Six months' residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions.

A settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months in each of three years, cultivate 50 acres and erect a house worth \$300.

The area of cultivation is subject to reduction in case of rough, scrubby or stony land. Live stock may be substituted for cultivation under certain conditions.

W. W. CORY, C. M. G., Deputy of the Minister of the Interior. N. B.—Unauthorized publication of this advertisement will not be paid for.—64388. 22-6mos.

Married in Douglstown

At the Manse, Douglstown, on Nov. 10th, Wm. H. Lloyd, of Chatham, was married to Miss Jennie Clarke, of Millbank, by Rev. Alex. Firth.

FOR HEADACHES, BILIOUSNESS, CONSTIPATION, INDIGESTION

Nearly all our minor ailments, and many of the serious ones, too, are traceable to some disorder of the stomach, liver, and bowels. If you wish to avoid the miseries of indigestion, acidity, heartburn, flatulence, headaches, constipation, and a host of other distressing ailments, you must see to it that your stomach, liver and bowels are equal to the work they have to do. It is a simple matter to take 30 drops of Mother Seigel's Syrup daily, after meals, yet thousands of former sufferers have banished indigestion, biliousness, constipation, and all their distressing consequences in just this simple way. Profit by their experience. As a digestive tonic and stomachic remedy, Mother Seigel's Syrup is unsurpassed.

MOTHER SEIGEL'S SYRUP.

THE UNION ADVOCATE

Phone 23 NEWCASTLE, N. B. Box 359

Yesterday is Dead; Forget It-- Tomorrow does not exist; Don't Worry-- Today is Here; Use It!

WHY WAIT?

Yes, you INTEND to advertise. You fully appreciate the value of advertising. You have seen immense businesses built up by good advertising. But YOU intend to wait a little longer before you place that intended ad. in The Advocate. Certainly, you INTEND to advertise, but not until tomorrow, next month or perhaps until the war is over.

Friend, do you realize the people of Northumberland County are a prosperous people who are NOT going to wait until tomorrow, next month, or until the war is over before they BUY? And they will buy from the man they have faith in—the man who advertises in their trusted home paper, The Union Advocate. This paper covers Northumberland County thoroughly. It goes into the home and STAYS there.

Recently we decided to make The Advocate the leader of all papers in the County of Northumberland in the matter of circulation and second to none of any rural paper in the Maritime Provinces. We spared no expense to achieve this end.

So far as circulation is concerned, we have won out. There is not a corner in Northumberland County in which The Advocate does not circulate. As a matter of news—we lead, others follow. We give the biggest dollar's worth of news of any other paper in the county. We give the news first, while it is fresh. We receive weekly, letters, kind, thoughtful letters, commending us upon our work. Hundreds of new names have been added to our lists within the past two months. We expect these new subscribers will bring many more new ones.

Just think, Mr. Advertiser, what this enormous increase in our circulation means to you! You are not in business for your health—you are spending money in advertising for the purpose of getting increased business. As a business proposition, it is up to you to use the paper with the largest bona-fide paid up subscription list, and that paper in Northumberland County is

THE UNION ADVOCATE

Make up your mind TODAY, and get settled in a good position for the Christmas trade.

PROMPTNESS

That it pays to be prompt has been proven time and again by The Advocate Job Department, and proof of this can be seen by the following extract from a letter received from a patron in Reston, N. B. The reader can judge as to whether he is a SATISFIED patron or not:

"Reston, N. B., 8th Oct. 1915
The Union Advocate Office,
Newcastle, N. B.

Dear Sirs:—You are certainly the promptest people I ever tried for auction posters. I received the last order the very next day after sending you the order.

I had a rush on for auctions lately, and I may have some more before the winter. If so, you will get the work.

I am yours truly,
(Name withheld.)

This is one of many just such letters as are being received from time to time at this office, and they bear evidence that wherever a mail order customer of The Advocate is found, you can be sure he is a satisfied one. We endeavor to always give our best attention to orders received by mail, large or small, and while we cannot always be as prompt as in the case above referred to, owing to the heavy run of work always on hand, we make a point of delivering the finished work at our very earliest convenience, by the quickest and cheapest (to the customer) route.

You will find the stock suited to your needs, and a satisfactory cost price. Let us have your next order as a trial—WE GUARANTEE SATISFACTION.

THE WEEK IN NEWCASTLE

Wedding To-Morrow
The marriage of Miss Annie Connell of Newcastle, and Private James Walsh of Chatham, a soldier at the Wireless, will be solemnized in St. Mary's Church to-morrow at 10 a. m.

Meeting in Chatham
A public meeting will be held in Chatham tonight for the purpose of stimulating recruiting. Col. Mersereau, Capt. Tilley and Sergt. Knight will be the speakers.

Had Nervous Attack
R. B. Adams of New York, who is visiting Newcastle friends, was suddenly seized on Saturday with a severe nervous attack. He was brought to the Hotel Dieu Hospital, Chatham, where he will remain for some days.—Commercial.

Here from Newcastle
The Halifax Herald of Wednesday last says:—E. A. McCurdy, of Newcastle, N. B., and Mrs. McCurdy, are in Halifax. Mr. McCurdy says that Fraser's Limited, are at work on a new lumber mill at Newcastle, which will saw from 12,000,000 to 15,000,000 feet of lumber a year. The Frasers in all their mills cut about 150,000,000 annually and this new mill will be a good thing for Newcastle.

Appointment to 123rd
Lieut. Burwell Douglas, assistant in the manual training department of the Moncton public schools, has received notice of his appointment with the 123rd battalion, which is being raised on the North Shore by Col. Mersereau. Lieut. Douglas will report at Newcastle within a few weeks. He is a qualified officer and ought to be a valuable acquisition to the North Shore battalion.—Times.

New Branch of Service
A Fredericton despatch says. Recruiting for a new branch of the service was commenced today with the arrival from Pembroke, Ont., of Lieut. F. L. Flett, of No. 1 Tunnelling Company. This is to be a self-contained unit of about 300 men and Lieut. Flett who is a Chatham N. B. boy, and a graduate of the U. N. B., has been sent to do the recruiting. Major Rogers, a Cobalt mining engineer, is the officer commanding. The company will be rushed overseas soon after being completed.

Douglastown Dance
One of the most enjoyable dances held this season was that given in the Associated Lodges Hall, Douglastown, on Friday evening last. There was a large number present from Newcastle and Chatham who speak most highly of the success of the affair. Dancing commenced about 8.30 o'clock and continued until about three o'clock. At midnight refreshments were served. The music was furnished by the Gekie Bros. orchestra, and brought forth many favorable comments.

In Pay Office in London
Private Harry Fisher, who enlisted here with the 12th Battalion, has since arriving in England, been promoted to Sergeant, and is now in the Record office in London, England.

Interesting Service
The "Song Service" in the Methodist Church last Sabbath evening was largely attended and was of a most interesting and profitable character.

Death at Halcomb
Edmond Stewart, an aged and respected resident of Halcomb, died at his home there on the 12th inst. from stomach trouble. Deceased is survived by a widow and several children.

Will Billet Fifty Men
At a representative meeting of the citizens of the town of Dalhousie, held last week, it was resolved that the town offer to recruit and billet fifty men for the 132nd battalion, and to otherwise assist in recruiting.

Hearts in Exile
One of the best, if not the best, pictures yet shown at the Happy Hour was Hearts in Exile, shown on Friday night of last week. It brought forth many favorable comments from the large number of patrons who saw it.

Lost Man Found
Amos Wilson, an old man, halting from Scotland, was lost last week in the woods near Beaver Brook. After five days and nights he was discovered on Sunday near the J. R. C. at Beaver Brook by some railway men and brought to Newcastle. He had suffered much from the exposure. He was kept by Wm. Irving Sunday night and sent to the Municipal home. Mr. Wilson is about 60 years old.

Social at Parsonage
The ladies of the W. M. S. of the Methodist church held a social at the parsonage on Friday evening last. Miss Tweedy, a returned Missionary from Japan, told in a pleasant manner of her work, and the customs of that land. A very hearty vote of thanks was moved by Mrs. O. Nicholson and supported by Mrs. Richardson to Miss Tweedy for her interesting and instructive address. The reading by Miss Jean Ashford, solo by Miss Price and duet by Misses Crocker and McLean were much appreciated. During the evening Mrs. Foltz presented Mrs. A. B. Leard with a Life-Membership of the W. M. S. Mrs. Harrison presented Mrs. A. E. McLean with a Gold Life-Membership pin in recognition of her kindness in welcoming the members of the Society to her home for several years. Collection eight dollars. At the close refreshments were served. The social was largely attended and thoroughly enjoyed by all.

See Page Five
The Happy Hour patrons will find the advt. announcing the program for the week on page five. Patrons who keep in touch with these announcements each week in the Advocate reap the benefit of seeing the best pictures shown on canvas.

Wreck on the Canada Eastern
Three box cars and a freight van, attached to the I. C. R. freight train from Newcastle, left the rails about one mile west of Penniac on Saturday night. The wreck was not a serious one, however, the cars remaining on the roadbed and only a portion of the rails being torn up. The I. C. R. express from this city was detained at Miryville until after 12 o'clock on Saturday night and the freight did not reach here until after one o'clock on Sunday morning. An auxiliary train was sent out from Gibson and cleared the track.—Gleaner.

Vote on Church Union
The vote in the Douglastown, Nelson, Presbyterian Circuit was favorable to Union, as follows:

Douglastown	69	22
Nelson	10	31
Totals	79	53

Church Union lost in the Redbank, Whiteville and Halcomb congregations by a vote of 47 to 1, as follows:

Session	0	5
Communicants	2	98
Adherents	3	129
	5	232

Blackville and Boiestown voted as follows:

Blackville	0	152
Boiestown	4	18

Newcastle vote will not be published till next Sunday evening.

All War is Not Murder

In St. James Church Sunday night Rev. Mr. MacArthur spoke on "Is War Murder?" He quoted the Bible and other authorities to show that while unprovoked assault, such as Austria's on Serbia and Germany's on Belgium, the killing of non-combatants, as the sinking of the Lusitania, and all aggressive warfare, is murder, the defence of one's country, the protection of one's life and property, and the succor of the wrongfully attacked is not murder at all but the most laudable action. Britain had not always rushed to the assistance of the weak, but she is now on the right side and in the line of duty. All who enlist under her banner need have no qualms of conscience.

RECRUITING MEETING

In Newcastle Opera House on Thursday Night—Prominent Speakers will be Heard

Posters are being put up to-day announcing a grand recruiting rally to be held in the Newcastle Opera House to-morrow night, Thursday, Nov. 25th for the purpose of stimulating recruiting for Lt. Col. Mersereau's battalion.

The meeting will open at 8 o'clock and the speakers will be Capt. L. P. Tilley, Chief Recruiting Officer for New Brunswick; Lt. Col. Geo. W. Mersereau, and Sergt. Norman Knight. Local speakers will probably also be heard.

If the opera house has never yet been packed to its utmost capacity, it should be to-morrow night. Don't have to be asked, How old are you? Come and give the battalion's Colonel a royal welcome.

Capt. Tilley is desirous of meeting the local recruiting committee, and all other citizens of Newcastle who are interested in the work, and a meeting for that purpose is called for Thursday afternoon in the Town Hall at four o'clock.

In order that the campaign may have the proper start it is necessary to have the committees appointed and a program drawn up so that the work of recruiting may be carried on in the most successful manner, it is therefore urgent that all citizens be at this meeting.

A VALUABLE MEDICINE FOR LITTLE ONES

Mrs. G. Morgan, Huntsville, Ont., writes:—"I wish every mother and especially young mothers knew the value of Baby's Own Tablets. They have certainly worked wonders with our baby. She was troubled with colic and constipation and cried all the time but the Tablets soon put her right and she is now a fine healthy child." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

RED CROSS NOTICE

All ladies who are interested in the work of the Red Cross Society of Whiteville, Strathadam, and South Esk, are requested to each donate one pair of socks or any other article suitable for the comfort of our soldiers, such as shirts, underwear, small towels, handkerchiefs, leather boot laces, candles, gum, candy, soap, note paper, envelopes, pencils, etc. All donations to be sent in before December 1st. They may be left with Mrs. Clifford Parker, President of Society, Whiteville, N. B.

MARY H. RAE, Secretary.

132nd BATTALION FAST FILLING UP

Most Successful Recruiting Meeting Held in Opera House Thursday Night—List of Recruits

The most successful recruiting meeting that has been held here since the outbreak of war was held in the Opera House last Thursday night, addressed by Capt. L. P. D. Tilley, Col. Mersereau and Sgt. Norman Knight.

POPULAR COMMANDER OF THE 132nd

LT.-COL. GEORGE W. MERSEREAU WHO WILL LEAD THE BOYS OF THE NORTH SHORE TO VICTORY AGAINST THE HUNS

Brunswick was going to do its duty. The County of Northumberland intended to do its duty by filling up the ranks of the 132nd.

Council Voted in Favor of All-Day Electric Service

Acting on The Report of Engineer Jackson, at a Special Meeting Monday Night Council Voted in Favor of Purchasing an Electric Pump, and Beginning All-day Service.

Newcastle Town Council met in special session Monday night to consider the electric service.

Col. Mersereau was then introduced by Mayor Stothart. Upon rising he was greeted with a hearty three cheers.

Globe Trotter Pays Newcastle a Visit

Charles J. Binzay of Vancouver on a Long Hike—Won \$5000 Wager

Arriving in a town the first thing he does is to get in touch with the Chief of Police, and when told who Newcastle's Chief was, he was very much pleased to learn that he was an old acquaintance.

ADJOURNED MEETING RECRUITING COMM.

Held in Town Hall Monday Night—Was Learned That Armory Has Water and Sewerage Connections

The adjourned meeting of the Newcastle Citizens' Recruiting Committee was held in the Council Chamber of the Town Hall on Monday evening, with Chairman W. A. Park in the chair.

At meeting last night 22 recruits offered, making 71 now enrolled here. Most important that government armory here should be fitted up for men.

The following telegram was also sent the same time. Colonel Dean, Sixth Division, Halifax.

After the reading of the telegrams, Mr. Fish gave out the information that the armory was already connected with water and sewerage.

MAJOR BENIOT, C. R. C. E. 6th Division. After the reading of the telegrams, Mr. Fish gave out the information that the armory was already connected with water and sewerage.

London, Nov. 29—Reuters' Amsterdam correspondent forwards the following: "The Telegraf is informed on good authority that serious rioting took place last Saturday in Berlin, in which several thousand women gathered before the Imperial castle and demanded the return of their husbands from the front and improvement in food conditions.
