FIVE CENTS PER COPY

A Large and Most Complete Selection of the Newest Suits for SPRING & SUMMER WEAR

A long season of suits is before us, and the woman who is properly suited looks forward with eager anticipation. For the woman who has not yet chosen hers we are showing an interesting variety of types to choose from.

Just at present the blouse Coat Suit with the true Parisian air, ornamented with metal buckles, hand embroidered very artistic and chic, lined with heavy crepe de chine in contrasting colors.

The youthful box coat suit trimmed with a multitude of steel beads and tassels for the little one with the buoyant spirit or a severe plain coat for her austere sister.

The becoming long tailleur, the sporty homespun tweeds, and perhaps most of all the beautiful and economical three piece suits are quite the thing".

Style, Distinction, Individuality, Workmanship, and Economy Are Apparent in Everyone

So smart they will satisfy the most fashionable, so refined they will suit the most particular. So reasonably priced they will please the most economical.

NEWCASTLE VICTORS OVER CHATHAM

In a fast, close and exciting game in the Y.M.C.C. hall, Chatham, on Wednesday evening the Newcastle quintette were victorious over the Y. M. C. C. basket throwers by a score of 22-20. Up to the last of the third period the result was undetermined. The game was clean throughout. Both teams were evenly matched as far as weight and speed were concerned but the Newcastle boys excelled in combination which undoubtedly won them the game.

For Newcastle all played good heady games especially Keating who by his speed was able to keep McWilliam, Thompson and himself supplied. He will certainly make a good player if he keeps up at the rate that he was going Wednesday night.

For the Y. M. C. C., M. Moar and S. Muzerall both starred, while Whitty, Nowlan and Driscoll all played good games.

The line up and individual score of each team were as follows:

| Newcastle | | Y. M. C. C. | |
|-------------------|-----------------|-------------|--|
| Forwards | | | |
| M. Moar 8 | J. Keating 2 | | |

William Koss handled the whistle to the satisfaction of all.

After the game a few lady supporters of the Y.M.C.C. team gave a supper in the Y.M.C.C. clubroom for both teams and also for the officials of the game. This function all enjoyed very much.

MIRAMICHI PRESBYTERY HOLD MEETING

A pro re nata meeting of the Presbytery of Miramichi was held on Tuesday in St. James' Manse, Newcastle. Rev. Principal MacKinnon of Halifax Presbyterian College was nominated for the Moderatorship of the General Assembly which meets in St. Paul's Church, Port Arthur, Ont., June 6. Applications for ordination to the Christian ministry were received from Messrs Frank Yates and J. D. McLeod of the graduating class of Halifax College, who were licensed to preach the Gospel by the Presbytery of Halifax. These applications were granted and Mr. Yates will be ordained at a special meeting of Presbytery in the Church at Matapedia, May 3rd. At this meeting the Moderator of Presbytery will preside and ordain. Rev. W.W. McNairn will preach, Rev. B.C. Salter will narrate the steps, Rev. J. F. McCurdy will address the minister and Rev. Geo. Gough the People. Mr. McLeod will be ordained in New Brandon at a date to be named in the latter part of May. The Moderator to preside and ordain, Rev. W. McN. Matthews to preach, Rev. A. D. Archibald to address the minister and Rev. F. Harrison the people. Arrangements for the ordination of A. S. Murray assigned to Kouchibouguac will be made at the Matapedia meeting.

LARGE ORDER FOR STREAM DRIVERS

At the present time there is a brisk demand for stream drivers. A large order for men for this class of work was filled last week by P. R. Moar, Supt. of the Employment office at Chatham.

Fifty four men were sent out Wednesday afternoon to Deersdale for the Fraser Lumber Co. The scale of wages paid is from \$2.25 to \$3.00 per day.

MR. J. L. STEWART DIED AT MELROSE

The death of Mr. J. L. Stewart, editor of The World, occurred at the New England Sanatorium, Melrose, Mass., on Tuesday afternoon at 4.35. His death had been expected for the past six weeks when he was first reported in an unconscious state.

About a year ago he had an operation performed on his left foot, which, while successful, left the member tender and caused him pain in walking. During the winter scatica set in the other foot and he could not move around except about his hotel.

He took a dislike to food perhaps for lack of exercise in the fresh air and for several weeks ate very little. He realized in that condition he would starve to death, eventually, so he decided to go abroad in the hope that his appetite would be restored. That apparently could not be effected. He lived for the past four weeks on liquid food. On April 5th he passed his four score birthday. One brother Mr. Isaac Stewart, Nortendale, York Co. survives. Mrs. F. S. Groves of Milltown, Me.; is a niece.

Mr. Stewart, had been prominent in newspaper work in all parts of the Maritime Provinces and for the last forty years he had been proprietor and editor of the Chatham World.

He was born in Advocate Harbor, N.S., April 5th, 1843. He began his journalistic career early and devoted his entire life to it. He was connected at various times with the St. Croix Courier, the St. John Telegraph, Tribune, News and Sun, The Halifax Herald, and the Chatham World and several other papers. He was also a contributor to various magazines.

Mr. Stewart was a member of numerous societies, being a past Grand Master I.O.O.F.; Grand Representative Sovereign Grand Lodge, President of a Natural History Society, Commodore of the Chatham Yacht Club, and for twenty-five years a member of the Board of School Trustees at Chatham.

Always actively interested in politics, from 1912 until 1917 he was a member of the provincial legislature as a supporter of the Fleming government.

During the war he was overseas as a visitor by invitation of the British government and is said to have been the only civilian to go over the lines in an airplane. During his stay in England he was presented to King George, Queen Mary and Princess Mary at Buckingham Palace.

For several years he was alderman and Chairman of the Finance Committee at Chatham. In religion he was a Methodist and in politics a Conservative.

Mr. John H. Sargeant has been appointed revisor for the Town of Newcastle.

Mr. John Russell visited Bathurst last week on a business trip.

HEAVY FIRE LOSSES LAST YEAR

It is estimated that the fire loss in Canada last year will reach the huge total of 44,000,000 when the final figures are compiled, the two features being the destruction of Halleybury and several northern sections, and also that of so many Roman Catholic institutions, in many of which incendiarism is suspected. The loss in 1921 was \$30,000,000 and in 1920 \$27,000,000. The above estimate is made by C. S. Wainwright, of the Western Assurance Co. Fire premiums are reported to total five per cent. less than when they reached \$50,839,391, as compared with \$54,764,281 in 1920. While Supt. Finlayson, of the Insurance Department, Ottawa, estimated that the loss ratio would be 70 per cent. of the premiums, there are those who put this figure at seventy five per cent.

From thirty-five to forty various churches have been destroyed every four or five years with usually heavy losses. The insurance generally carried does not run over

fifty per cent. of the value, so that even a partial loss would be a total one for the company. Defective or antiquated heating systems and electric wiring has frequently caused such fires, but of late rumors of incendiarism have spread, and Mr. Wainwright says: "They would seem in some instances to have been forwarded on fact, because in those cases threatening notes have been received." Insurance men are optimistic for this year. However, the great building programme of 1922 when over 211 million dollars worth of contracts were placed as compared with 177 in 1921, makes the outlook for new business promising—Financial Post.

Turks Show No Signs Of Making Concession on the Disputed Points

Lausanne, April 25—The resumed Near East conference got under way today with the Turks apparently in no more conciliatory frame of mind than at the previous conference, which collapsed over the economic and financial problems of the proposed peace treaty. The Angora delegates Allied spokesmen said tonight, gave no impression during the day's proceedings of an intention to make concessions on any of the disputed points.

Hassan Bey, the Turkish financial expert, told the financial committee of the conference at its first meeting that Turks wanted the whole world to understand that they were ready and determined to "pay their just share of the Ottoman debt, but wanted a definite understanding that the provinces detached from her territory as a result of the great war should also bear their just share of the total debt burden. He contended further that the succession states, including Syria, Palestine, Mesopotamia and the others should stand a proportionate cost of the withdrawal from circulation of the Turkish paper money.

For Value

The Allies flatly declined to accept the Turkish contention that the paper money constitutes a debt to be borne by the detached provinces, but agreed that division of the Ottoman debt should be obligatory and the matter will be submitted to experts who will work out the details.

Numerous other financial questions of an extremely technical nature were attacked, but the majority were referred to the experts.

London, April 24—Announcement was made in the House of Commons this evening by Ronald McNeill, under secretary of the foreign office, that Great Britain did not intend raising a discussion of the Chester concession at the Lausanne peace conference.

SECESSION TALK IN N.S. DENOUNCED

Ottawa, April 24—"This talk of the Maritime Provinces seceding from the Confederation is absolutely absurd," said Hon. C. W. Robinson, minister of land and mines in the New Brunswick government, in an interview here today. "Though Confederation did not ever benefit the Maritime Provinces very much, the people of New Brunswick, Nova Scotia and Prince Edward Island have no desire to cut away from the present form of government. Petty politicians in Nova Scotia brought up this secession talk purely to make political capital of it," he said.

"The greatest calamity which has ever struck the Maritime Provinces was the defeat of reciprocity as the lower provinces depend largely on trade with the United States," Mr. Robinson said. He added that the great distance between eastern and western Canada was the greatest obstacle that confronted trade between the provinces.

L. H. Martell, Liberal, Hants, declared in the House tonight that if the secessionist movement was not to grow in Nova Scotia "we must of necessity get our just demands."

"We must," he added, "have greater facilities for trade, lower tariffs and lower transportation rates.

The point arose on votes—which were adopted—of \$370,500 for mail subsidies on the Atlantic coast. An amount of \$20,000 for marine hospitals, including grants to institutions assisting sailors, supplementary to last year's estimates, was also passed.

WILL CARE FOR SOUL AS WELL AS BODY

New York, April 15—At the suggestion of Joseph B. Wilson, a Philadelphia Attorney, orders have been issued by John McE. Bowman, that a chapel for prayer and religious meditation shall be installed in each of the Bowman group of hotels, of which he is the head. Designers are already at work on those to be opened in the Baltimore, Commodore and Belmont within a short time.

Each chapel will contain a stained glass window, an altar, cathedral chairs and other appropriate furnishings. It is expected that services will be held in them on special occasions but their main purpose is to provide a place where the hotel's guests may

go, day or night to worship. Each will be consecrated upon being completed, and will be for the use of all denominations.

"Mr. Wilson, who is the leader of a movement for a chapel in every home, called my attention to the fact that whereas hotels had made provisions for every physical need of their guests, they had not considered their spiritual needs." Mr. Bowman, said in discussing the chapel plan. "I immediately agreed with him and only hope that the other hotels of the country will take up the idea..."

STREAM DRIVING PROSPECTS GOOD

Logging on the North Shore is almost completed and good prospects for stream driving are everywhere in evidence. While there is still considerable evidence of winter conditions, the streams have already commenced to open up, and driving preparations have already been undertaken.

HUGE LUMBER CUT

Chief Scaler A. T. Murchie has returned from an official tour in Restigouche County where he conferred with all scalers. He reports that logging is completed and scaling also and that prospects for driving are excellent there being a heavy snow in the woods.

The cut on Crown Lands in that County totals about ninety million feet and with the cut on granted lands makes a grand total in the vicinity of one hundred and twenty-five million feet. Warmer weather is the greatest desire in that section now.

Here and There

An addition to the Canadian Pacific Montreal-Toronto train service is a nightly train each way, making six trains every night between the two cities. The increase was found necessary on account of the heavy tourist traffic to Montreal from the West.

The opinion of Hon. T. D. Pattullo, Minister of Lands of British Columbia, is that "Canada can absorb at least 300,000 people annually, and this number can come on indefinitely. There is no limit to the requirements of the country. As many as we can get are wanted."

Nova Scotia is endeavoring to arrange an "old home" month during July or August of 1923, and it is expected that many from distant parts of Canada and the United States will visit the towns of their origin during the festival period set apart.

Incomparable Lake Louise has achieved new fame. The makers of the Gray-Dort car have put out a model in a new color which they term "Lake Louise Blue." It is of a lovely green-blue, and if it has caught anything of the glorious gleam of Canada's most beautiful mountain lake it should be a popular color for other than motor cars.

Big Bill, the last surviving buffalo at the Pinafore Park Zoo, St. Thomas, was recently shot. The animal had been suffering for some time from the same malady which carried off his mate a few months ago. Big Bill was said to have been the finest specimen of Buffalo east of the Government Park at Wainwright, Saskatchewan.

Albert Steedwell, Canadian Pacific Railway engineer at Fort William, has an airedale dog that is a wolf killer. Mr. Steedwell has a farm at Upsala, and while visiting the farm the dog routed out a brush wolf and chased it. During the subsequent battle one could hardly tell which was dog and which was wolf. Mr. Steedwell went to the assistance of his pet and together they finished the wolf.

T. W. McKenzie, Canadian Pacific Railway agent at Rosemary, Alberta, has received letters patent on a device for the purpose of locking automobiles. It is so constructed that when the switch is thrown off the car is automatically locked, thereby eliminating the possible chance of an owner leaving his car unprotected. The device cannot be operated nor the car started by an unauthorized person without causing an alarm.

The number of persons killed or injured while trespassing on railroad tracks were 50 per cent. less in 1922 than the average of the preceding fifteen years. The figures are 5,300 for nine months of 1922 compared with 10,736, the average for the previous year, according to an announcement made by the Safety Section of the American Railway Association. This reduction in casualties is claimed to be due to the improved policing by the roads and to success of the Safety First movement.

From September 1 to March 31 inclusive, the Canadian Pacific Railway has transported to Vancouver 7,884 cars of grain, representing 14,663,328 bushels. Last year during the same period the movement amounted to 2,802 cars or 3,967,632 bushels. From the beginning of the crop season 13,571,320 bushels had been exported from Vancouver, of which 11,128,620 went to the United Kingdom, 2,242,300 to the Orient and 200,400 to South America. Last year during the same period export amounted to 5,000,000 bushels.

RELIGIOUS BELIEFS IN THE DOMINION

OTTAWA, April 23—Of the 8,788,463 people residing in Canada on June 1, 1921, less than one-half of one per cent could be classified as having no religious belief. Of that total 97.6 per cent. are classified as belonging to some Christian denomination or sect and 1.9 per cent. as non-Christian. Included in the latter are 125,190 Jews, 40,727 Oriental religions and 7,226 pagans, leaving less than one-half per cent. otherwise reported.

Catholics in Canada number 3,383,663 or 38.50 per cent., as against 39.31 per cent., ten years earlier, and 41.51 per cent in 1901.

Presbyterians are given as 1,408,812 or 16.03 per cent. In 1901 the

percentage was 15.68 and in 1911 it was 15.48.

Methodists throughout Canada number 1,158,744 or 13.18 per cent. of the population against 14.98 per cent. in 1911 and 17.07 per cent in 1901.

Anglicans are shown as numbering 1,407,959 or 16.02 per cent. compared with 14.47 per cent. in 1911 and 12.69 in 1901.

Baptists number 421,730 or 4.80 per cent compared with 5.31 per cent in 1911 and 5.92 per cent in 1901.

On the date the census was taken, June 1, 1921—there were in Canada 19,656 Mormons; 12,658 Dokhobors; 69,822 adherents of the Greek Church; 11,288 Buddhists; 27,319 Confucians and 478 Mohammedans, Sikhs and Hindus are given as numbering only 1,041 throughout Canada, Agnostics 594 and Free Thinkers 1,126.

The main religious divisions in New Brunswick are: Anglicans, 47,020; Baptists, 66,254; Methodists, 34,672; Presbyterians, 41,211; Catholics, 170,319.

Comparative percentages showing increase or decrease show that the Anglicans made the largest gain, while the Methodists, Baptists and Congregationalists showed losses from the census of 1911.

The following ratio percentages of the denominations to total population in 1911 and 1921, respectively follow: Anglicans, 14.47 and 16.02; Baptists 5.31 and 4.80; Congregationalists, 4.7 and 3.5; Methodists, 14.98 and 13.18; Presbyterians, 15.48 and 16.03; Catholics, 39.31 and 38.30.

TROUT FISHING BEGINS MAY 1ST

The trout fishing season which formerly opened on April 1st will not open this spring until May 1st. The government amended the law last year which reads as follows:—

"No one shall fish for, catch or kill trout of any kind from the first day of October in each year to the thirtieth day of April following, both days inclusive.

"No one shall at anytime fish for, catch or kill trout otherwise than by angling. Jigging is strictly prohibited. Fishing for trout through the ice is prohibited.

"No one shall catch in one day a greater number of trout than weigh more than ten pounds in the aggregate and no greater number than thirty, and they shall weigh less than ten pounds."

 "Built-in-Canada"

Wherever motor cars are discussed somebody is sure to remark—"That Special-Six Studebaker is a regular automobile."

The Studebaker Special-Six has been on the market for four years. Each year has seen added to it such refinements and improvements as time has made possible. Today there are more than one hundred and twenty-five thousand in everyday service and we don't believe there's a dissatisfied owner.

The name was selected because comparative tests against all kinds of cars made this car stand out as something special and apart from the ordinary run of automobiles.

Count the "Special-Sixes" that have appeared since the arrival of the Studebaker Special-Six. That's the proof of the value of the original Special-Six.

PROTECT TOWN STREETS

If there is a by-law prohibiting the use of automobiles on the town streets at this season of the year, it should be enforced. If there is no such by-law, then one should be enacted at once and enforced.

Automobilists should refrain from such a practice until the roads are in condition, and if they did so, would have less cause for complaint about the town streets during the summer months.

THE LATE J. L. STEWART

News of the death of Melrose, Mass., of Mr. J. L. Stewart, editor and proprietor of the Chatham World and a former member of the Provincial Legislature will occasion deep regret throughout the province, more particularly along the North Shore.

A Quick Relief for Headache

A headache is frequently caused by badly digested food; the gases and acids resulting therefrom are absorbed by the blood which in turn irritates the nerves and causes painful symptoms called headache, neuralgia, rheumatism, etc.

N. S. Wants Just Demands

Ottawa, April 24—L. H. Marten, (Liberal, Hants.) declared in the House to-night that if secession movement was not to grow in Nova Scotia, "we must of necessity get our just demands."

"We must," he added, "have greater facilities for trade, lower tariffs and lower transportation rates."

The point arose on votes—which were adopted of \$370,500, for mail subsidies on the Atlantic coast.

An amount of \$20,000 for marine hospitals including grants to institutions assisting sailors, supplementary to last year's estimates was also passed.

Three Badly Burned In Stellarton Fire

Stellarton, April 26—Oliver Fraser, seven, is not expected to survive, and his father, Finlay Fraser, and brother Mitchell, aged 12, are badly burned, as a result of fire which destroyed a double house owned by the British Empire Steel Corporation here early this morning.

Two families comprising about a dozen persons, occupied the building. All of the Fraser family were compelled to jump from a second-storey to escape. It was feared for a while that the fire might spread to the entire row of buildings. The cause of the fire is unknown.

Says Canadians Due For Rude Awakening

Ottawa, April 25—Commenting on the conditions of the forests of Canada a bulletin issued by the natural resources branch of the Department of Interior says: "Canadians are due a rude awakening. They have always had the impression that their forested areas were inexhaustible—that the forests were growing more rapidly than they could possibly be used. This is not the case. It is carefully estimated by experienced foresters that for every tree used for industrial purposes from fifteen to twenty are destroyed by forest fires."

Nothing To Equal Baby's Own Tablets

Mrs. Georges Lefebvre, St. Zenon, Que., writes: "I do not think there is any other medicine to equal Baby's Own Tablets for little ones. I have used them for my baby and would use nothing else." What Mrs. Lefebvre says thousands of other mothers say. They have found by trial that the Tablets always do just what is claimed for them.

Germans Eat Horseflesh

Prevailing high prices for meat cattle have caused the inhabitants of large German cities to turn their attention to horse meat, as a substitute for beef, says a report to the Department of Commerce, from Consul Richardson, Berlin, and statistics show a continually increasing demand. Observations made by the consul at different hours of the day in all districts confirm this. The prices realized for horse meat are within the means of many middle class people for whom beef is too expensive to be bought regularly.

Johnson May Run Against Harding

Washington, April 24—The clash between President Harding, backed by Hughes and Hoover, and Senator Johnson of California, now in Europe, will return in June. His friends predict that if Republican opposition to the Harding world court plan continues, Senator Johnson will almost certainly take the stump and become a candidate against Harding.

Contractor Is Elated Over It

Montreal Citizen declares Tanlac Restored Self, Wife and Father—Gains 17 Lbs.

"Tanlac has been of such great use in my home I can't speak too highly of it," said Jas. Desjarlais, well-known contractor, living at 235 Boyer St., Montreal, P. Q., a few days ago.

"For eight months my health was so wretched I could hardly keep on the job. I could scarcely eat anything, lost about thirteen pounds in weight, and felt exhausted all the time."

"My wife was also in a weak run-down condition, extremely nervous and unable to sleep well. A friend got her to try Tanlac and the treatment has strengthened her until her nerves are perfectly calm."

"I began taking the treatment at the same time, and for my part, I eat more than I ever did and have gained seventeen pounds. I feel better and work better."

"My father has taken several bottles of Tanlac also and is just as highly pleased with it as I am."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Devonshire's Fourth Daughter Engaged

London, April 24—It is officially announced that Lady Rachel Cavendish, fourth daughter of the Duke of Devonshire, is betrothed to the Hon. James Gray Stuart, third son of the Earl of Moray.

Interest in the engagement of Lady Rachel arises from the fact that gossip so often has connected her name with that of the Prince of Wales. During the time of the Duke of Devonshire's Governorship in Canada which coincided with the tour of the Prince of Wales, Lady Rachel was the Prince's favorite dancing partner.

CONSIDERATION WAS PROMISED

Replying to the request of the Maritime Provinces delegates to extend the Western boundary of the Atlantic division of the C.N.R. from Riviere du Loup to Montreal, Sir Henry Thornton assured the delegation that the decision regarding the creating of the Atlantic region had been made only after a very careful study of the situation. He did not think the interests of the Maritime Provinces would be affected adversely. But the whole situation would be reviewed, he said, and if it were found that any injustice had resulted or was likely to arise, he would be prepared to furnish a remedy promptly.

Biggest Strike Yet Made In Alberta Gas Field

What looks like the biggest and best strike yet made in an Alberta field is reported from the Fabyan-Wainwright district where on Saturday the well of the British Petroleum Company blew in and developed a flow of 6,000,000 feet of gas. It is still flowing and the volume and density are increasing, the gas showing a high content of gasoline.

It is well six miles due north of Wainwright and about the same distance from the Imperial Oil Company's Fabian well. Drilling has been going on for several months and at a depth of 2,015 feet the drills struck the gas vein that geologists have been sure for some time past lies under the Wainwright country.

Torturing Sciatica

A Nerve Trouble Due to a Watery Condition of the Blood.

Pierce darting pains. Pains like red hot needles being driven through the flesh—in the thigh, perhaps down the leg to the ankle—that's sciatica. None but the victim can realize the torture of this trouble. But the sufferer need not grow discouraged; the trouble is due to the fact that the nerves are being starved by poor, watery blood, and when the blood is enriched the pains of sciatica will disappear. As a blood enricher and purifier no other medicine can equal Dr. Williams' Pink Pills. They bring to the blood just the elements necessary to restore it to normal richness and redness. That is why so many sufferers from sciatica, and other forms of nerve trouble, have found relief through taking these pills. Mr. D. M. Anderson, Beachburg, Ont., tells what Dr. Williams' Pink Pills have done for him as follows:—"Some years ago I was badly afflicted with sciatica. I could hardly walk and suffered great pain when I did so. I went to a doctor, but his medicine did not seem to do me any good. A man who was working with me told me he had once been like that and that Dr. Williams' Pink Pills had made him all right. I began to take them, continuing to work, and the trouble disappeared, and I did not lose a day, although sometimes I suffered terribly. Later I had another attack, and again the pills came to my relief. Now I take three boxes of Dr. Williams' Pink Pills every spring and fall, and have had no attack of the trouble since that time.

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

DOMINION EXPRESS CO. OFF C.N.R. ON 31ST. OF MAY

The final notice terminating the contract between the Department of Railways and Canals, and the Dominion Express Co., for the carriage of express business from and to stations on the Canadian Government Railways has been given as effective on May 31st, when all offices now operated by the Dominion Express Co. on these lines will be closed.

The contract which was originally cancelled on March 31st, was renewed for one month by the consent of the President of the National Express Co., who has now served notice of the cancellation of the Dominion Express services as stated.

This will mean the closing down of many offices in the Maritime Provinces and probably the laying off of many employees of the Dominion Express. This situation will leave the Canadian National Express Co., the sole carrier in the Maritimes without competition.

Elections In June

The Ontario political pot, which has been simmering for the past month, will now commence to boil in earnest, following the announcement of Premier Drury that he will appeal to the country in June and not in October as generally expected.

ROGERSVILLE CASE HEARD IN CHAMBERS

On Tuesday last an application under the Landlord and Tenants Act was heard by Judge McLatchy in Chambers. The plaintiffs the Rogersville Co-operative Co. were claiming possession of premises withheld from them by the defendant, Andrew P. Arseneau of Rogersville.

The evidence of Fidele Richard, Philip Arseneau and A. M. Arseneau was heard.

The application was dismissed upon the ground that the meetings of the company had not been properly held and that the defendant had never recognized the tenancy of the plaintiff.

A. A. Davidson, K.C., supported the application and George M. McDade and James Friel K.C., argued contra.

New Experience For Bebe

Another new experience for Bebe Daniels. She dies for the first time, in or out of pictures, in Penrhyn Stanlaws' production of "Pink Gods" in which she is featured with James Kirkwood. This is a story of the diamond mines of South Africa, with an exceptional cast including also Anna Q. Nilsson, Adolphe Menjou, Raymond Hatton and others. It will be the feature at the Opera House Wednesday and Thursday—and none should miss it.

India Has Record Crop Of Wheat

A cablegram received from the International Institute of Agriculture states that the newly-harvested wheat crop of India is 425,000,000 bushels compared with 366,000,000 last year and 344,600,000 the average of the five years 1916-20. This crop was harvested on 29,511,000 acres compared with 28,234,000 last year. It is a record crop for India.

OBITUARY

EMILY LAKE

The death of Emily, the eldest daughter of Mr. and Mrs. George M. Lake occurred at their home on Sunday morning from pneumonia. Deceased was a bright and loving child of seven years of age and was ill about one week before her death. Besides the parents, one sister is left to mourn. The family have the heartfelt sympathy of the community in their sad bereavement. Services were held at the home at 3 o'clock, Monday afternoon, Rev. L.H. MacLean officiating. The funeral was held at 3.30 o'clock, interment in St. James' Cemetery.

MRS. ELLEN I. ANDERSON

The death of Mrs. Ellen I. Anderson, aged 84 years, who has been an invalid for some years, occurred at the home of her son, J. Norman on Wednesday morning at 1.15 o'clock. Deceased was born of Scottish parents, Mr. and Mrs. John Norman at Millbank. She is survived by two sons, Keith and J. Norman of Newcastle, and two brothers, James Norman of Campbellton and William of Jamaica Plains, Mass.

ARCHIBALD RUSSELL

The death of Archibald Russell of Nordin, occurred at the Miramichi Hospital Thursday night under very sad circumstances. On Sunday April 22nd while endeavoring to catch a cow that had become loose, he was stricken and suffered a blood clot on the brain which rendered him unconscious, and he passed away without regaining consciousness. He was well and favorably known in musical circles, having been for some years organist in St. James' church, Newcastle, and later in St. Mark's, Douglstown. Mr. Russell, who was fifty-one years of age, was unmarried, and is survived by two sisters, Mabel, (Mrs. Wm. Leslie, Douglstown), and Ma, (Mrs. Jefferson, Somerville, Mass.) also five brothers, Allan, Bathurst; George, Hubert, Ellis and Stafford, Douglstown. The funeral was held on Sunday at 2.30 p.m. interment in St. Mark's Cemetery, Douglstown.

THOMAS B. P. COPP

The death of Thomas B. Copp took place at the home of his parents on Friday night, April 20th, after an illness of about two years, at the age of 23 years. Deceased was one of the four sons who served in the Great War, having enlisted in the 1st Drift, 12th Field Battery. It was

during his two years' overseas that he contracted tuberculosis which was the cause of his death.

Besides his parents deceased is survived by his wife, two small sons, William and Hubert, three half-brothers and two half-sisters, Hiram Copp, Chatham; Bert, Bangor, Me.; Finley E., Newcastle; Lizzie, Mrs. William Drysdale and Jessie, Mrs. Frank Murphy, Houlton, Maine.

The funeral which was a military one was held Monday afternoon at 2.30 under the direction of Capt. A. L. Barry. Interment was in the Miramichi cemetery. The firing party in charge of A. McMurray, was composed of Wilfred Ronan, Wilfred McCullam, Allan Robichaud, Gordon McKenzie, Charles McDonald, Perley Johnston, John Fallon and Ray Murdoch.

The pallbearers were: Jas. O'Brien, Louis Cormier, Keith McDonald, Clarence Gough, Hubert Black and William Shepherd.

MRS. GEORGE L. RUSSELL

The death of Mrs. George L. Russell, an aged and respected lady of Newcastle, occurred at the home of her son Ernest, on Thursday evening, April 26th. Deceased lady was 77 years of age, and while not being in good health during the past winter was always able to be about until the morning of the day of her death, when she suddenly became stricken with heart trouble and died in the evening. Her husband predeceased her in December last. Four sons and three daughters survive, Mark in the Western States, John of Bangor, Maine; George and Ernest of Newcastle, Mrs. Andrew Crocker, Mrs. Addington Vye and Mrs. Robinson Allison of Newcastle. The funeral was held on Saturday, April 28th at 3 o'clock, p.m., at Rev. L.H. MacLean, officiating at the services held at the home and grave. Interment in the Miramichi Cemetery.

IN MEMORIAM

In loving memory of Mrs. Allan Underhill, who died May 4th, 1922.

"She is dead, but not forgotten,
For we all do miss her so,
And we hope again to meet her
When from this earth we go.

Friends may think she is forgotten
When they chance to see us smile
Little do they know the heart aches
That the smiles hide all the while."

Mrs. F. Rinehart, Campbellville, Ont., writes:

"I had trouble with my kidneys and very frequent urination. This was followed by pains which at times were very severe. The doctor said I had inflammation of the bladder and that an operation might be necessary. To this I refused, and began using Dr. Chase's Kidney-Liver Pills. From the first few doses I felt the benefit. The pains left, urination was corrected, and I have had no recurrence of these ailments."

EXCRUCIATING PAINS, CRAMPS

Entirely Remedied by Lydia E. Pinkham's Vegetable Compound

Eberts, Ont.—"I started with cramps and bearing-down pains at the age of eleven years, and I would get so nervous I could hardly stay in bed, and I had such pains that I would scream, and my mother would call the doctor to give me something to take. At eighteen I married, and I have four healthy children, but I still have pains in my right side. I am a farmer's wife with more work than I am able to do. I have taken three bottles of Lydia E. Pinkham's Vegetable Compound and I feel that it is helping me every day. My sister-in-law, who has been taking your medicine for some time and uses your Sanative Wash, told me about it and I recommend it now, as I have received great relief from it."—Mrs. NELSON YOTT, R. R. 1, Eberts, Ont.

Lydia E. Pinkham's Vegetable Compound is a medicine for ailments common to women. It has been used for such troubles for nearly fifty years, and thousands of women have found relief as did Mrs. Yott, by taking this splendid medicine.

If you are suffering from irregularity, painful times, nervousness, headache, backache or melancholia, you should at once begin to take Lydia E. Pinkham's Vegetable Compound. It is excellent to strengthen the system and help to perform its functions with ease and regularity.

Management of House Plant

Windows opening to the south are usually preferable to those with western outlook. During the winter days the latter will receive but little sun, and that too horizontal. Windows looking to the east may be occupied by a few plants, and are, in fact, for palms, ferns and similar shade-loving sorts, desirable.

Where it is difficult to obtain a suitable compost an admixture of street-sweepings with fresh garden loam will answer; but if only a small amount of soil is needed it will be wiser to buy some prepared compost from a florist.

Pots used, unless new, should be soaked and scrubbed. Never use pots too large; a small plant growing in a great quantity of soil will not remove much water by transpiration.

For seedlings or rooted cuttings the pot is loosely filled with sifted soil, and the plant placed in a finger

hole made in the centre. The soil is then pressed into place and well watered.

Before re-potting, remove a quarter inch or so of surface soil, thus disposing of any weeds or slime. Next, place an inch or half an inch of compost in the bottom of a pot, put in a plant, and add enough soil to fill the space. Then furnish a slight covering of fresh surface. The soil-level should be from half an inch to an inch below the edge of the pot. The hole at the bottom must not be clogged; it is necessary to provide drainage. Pots up to four-inch need not have the hole shielded. Above this size, an inch or two of broken pot might be placed in the bottom and covered with sphagnum or rough sod, to keep the soil from washing down and filling the spaces.

Through lack of food a plant sometimes does not make good growth. So long as the roots have not become bound it need not be re-potted; indeed, this would offer a needless check. Scrape away the surface soil down to the roots and replace by a rich soil containing twenty-five per cent of ground bone. Provided the plants have proper drainage water should be applied until it runs through the bottom. Too frequent watering is often a cause of non-success; it will wet the surface soil so much as to keep the air out. The soil becomes sour and the water does not penetrate to the roots of the plant—the only place where it will do good.

Dwelling air is usually dry—a condition inviting to the red spider. Dryness may be increased by evaporating water in the room and by syringing foliage on bright days. Thickly-leaved plants may be sponged off with water containing whale oil soap. Also, give a little ventilation on pleasant days.

At night plants do best in a temperature 10 or 15 degrees lower than they need during the day. Most species used in the house require no more than 50 or 55 degrees F., at night, and they will not suffer if the thermometer falls to 40 degrees, though such a temperature maintained for a good while would check growth.

Frozen plants should be thawed out slowly. Remove from direct sun-rays and keep at a temperature of 35 to 40 degrees until thawed. If cold water is used the temperature must not rise above this. Water at 50 or 60 degrees will probably harm plants more than if they are allowed to thaw themselves out.

Fitness of plants for house purposes may be largely determined from structure and general appearance. Those with thick leaves and a small, glossy surface are but little affected by a dry temperature; while plants with small, thin leaves quickly dry up.

Deciduous plants that show bare stems in winter are the least decorative. All plants need rest, but those which rest during the summer should be chosen: begonias, abutilons, callas, cyclamen, geraniums, heliotrope and Chinese primroses; also the flowering bulbs; hyacinths, tulips, narcissi etc.

Henry Ford Possible Presidential Candidate

Henry Ford continues to be the mystery of the political situation in the United States. The latest development, the circulation of petitions in a number of states having residential primaries, to put his name on the ballot as a third party candidate, has increased the already plentiful speculation as to what figure Mr. Ford will, cut in the 1924 campaign.

Democratic voters may want Mr. Ford but it is certain most of the voters are opposed to him.

As for Republicans, they have no expectation that Mr. Ford will become a sealer for the Republican nomination against Mr. Harding. Some of them express doubt whether Mr. Ford wants to run for President

at all, but on the other hand interesting stories are told of the activities of some of his business representatives and agents in his behalf.

The movement to run Mr. Ford as a third party candidate, unless he sits down on it and refuses to have anything to do with it, is likely to become formidable. It is commanding the support of some extremely active Progressive leaders in the middle west.

What the politicians in the two old parties would like to know is the effect of Mr. Ford making a race as a Progressive. He would command a large vote which would be drawn from both parties. It is probable it would draw more heavily from the Republicans than from the Democrats and it is conceivable that it might indirectly help to elect a Democratic President. For this reason, the developments on the movement to put Mr. Ford's name on the ballot as a third party or independent candidate will be awaited with painful anxiety by leaders of the old parties.

Registration System Now In Force

Fredericton, N. B., April 30—Inauguration of the system of registration of all persons entering the forests in New Brunswick on and after May 1st until November 1st is expected to result in as many as 50,000 certificates being issued during the six months' period.

The Department of Lands and Forests have had 100,000 copies of the certificates prepared and more than half of that number have already been sent out to the 700 persons who are authorized to issue them to applicants. Fire wardens, county councillors, game license vendors and others who are being authorized to register persons entering the woods are being furnished with supplies of

the blanks and when the system is inaugurated tomorrow the necessary machinery will have been provided.

A similar system of registration has been in vogue since April 1st in the province of Quebec and reports which have been received by the provincial officials here indicate that already salutary results are being obtained. In New Brunswick every effort has been made to have the new regulations thoroughly enforced and all persons who are in the woods on and after tomorrow without being in possession of certificates of registration will be liable to penalties from \$10 to \$100. The only persons exempted from provisions of the new regulations are licensees and owners of timber lands entered upon and their employees, fire wardens, fire fighters, land surveyors, holders of licenses for hunting, fishing and mining and registered guides and those who accompany them.

The new system was given a trial last year in several districts in the province and proved such a satisfactory method for keeping tabs upon the location of parties in the woods that it was determined to put it into general use throughout New Brunswick this year. In the Juniper district alone last year 1,200 persons registered in one month, including persons going on blue-berrying expeditions and everybody else going into the bush and the fact that each had to register served so effectively as a warning of the necessity of care in the protection of the forests that in that district there was almost complete freedom from fires.

Throughout New Brunswick's forest lands at the present time are vast quantities of dead standing timber which has been transformed from a deterrent factor in the event of fire into the worst possible kind of a menace. Thousands of acres of Crown Lands and privately owned timber lands are now a virtual danger zone in which fires will soon become uncontrollable and jeopardize the entire forest resources of the province. Thus it is that more stringent methods than ever before are being taken this year to bring about the greatest measure of protection possible without completely shutting off the vacation opportunities which the wilds of the province afford.

Scores of communications have been received at the Department of Lands and Mines from county councillors and other public officials through New Brunswick seeking information as to the details of the new system of forest travel registration. One feature of most of these communications has been the evident disposition to co-operate in every possible way in a movement which has such a laudable object as its purpose.

NO MONEY FOR FREDERICTON

The original amount of \$1,500,000 for building under the Housing Act which was given New Brunswick, has all been allotted. Fredericton has applied for \$50,000 but the small amount remaining was allotted elsewhere before the application was made.

CUT IT OUT

If you went into a clothing store and asked for a suit and after you had found something which took your fancy, the clerk said "Mr. Smith that is a \$25.00 suit but we charge \$30.00 for it". But if we make any profit in the next 15 or 20 years we will return that \$5.00 to you.

Would you take that suit under those terms? No! you wouldn't. Yet without thinking you may buy a Life Insurance Policy under the same conditions.

When WE sell you a \$25.00 Policy that is all you pay for it. You keep the "Profit" right in your pocket. Cut out the uncertainty.

ROYAL WEDDING ON THURSDAY

London, April 26—Albert, Duke of York, was united in marriage with Lady Elizabeth Bowes-Lyon, in Westminster Abbey, at noon to-day, with a pomp and panoply reminiscent of the days of mid-Victorian era and amid the tumultuous demonstrations of the vast throngs that gathered under threatening skies to witness the wedding pageant.

As the cortege entered the Abbey a slight drizzle of rain fell, but afterward the sun broke through the clouds and as the royal pair made their exit they were greeted with brilliant sunshine equalling the old saying, "happy is the bride the sun shines on."

It was the second time in a little more than a year that the British King and Queen gave one of their children in wedlock to a person outside the realm of royalty.

While the marriage of the sovereign's second son did not stir the popular imagination to the same extent as Princess Mary's wedding, the romance which tuned a simple Scottish girl into a royal Prince's bride and elevated her from a position of relative obscurity to the fourth lady of the land, captured the hearts of the English people. The fact that Lady Elizabeth's marriage to the Duke of York makes her eligible to wear the crown of the empire in the event of anything untoward befalls the Prince of Wales imparted an additional note of interest and significance to the event.

The day had dawned with rain steadily falling from a dismal grey sky. It had been raining all night and although the temperature was moderate, the streets in the vicinity of the scene of the great function were in a miserable condition, while the decorations to which the finishing touches were being put long after midnight, were drenched and bedraggled.

The spectacle was completed with the arrival of the state carriages bringing the ermine robed King and Queen, who waited at the Abbey door for the bride and groom. To-day's ceremony within the hallowed walls of the historic Abbey which has witnessed the supreme joys and sorrows of the nation for ages past, was both a great religious and social event and was marked by a glittering exhibition of fashion and sumptuous jewels.

RIVERVIEW POULTRY YARDS,
Nelson Reserve P. O.,
North'd Co., N. B.

Eight hundred of Britain's greatest luminaries in state, court, diplomacy and society, as well as an impressive assemblage of foreign Princes, Dukes, Duchesses and others of rank and title, were attired in finery and jewelled embellishments that represented the proverbial King's hansom.

The Archbishop of Canterbury assisted by Britain's most distinguished prelates, solemnized the union. The Prince of Wales took a prominent part in the proceedings. He and his brother, Prince Henry, acted as best men, but it was the Prince of Wales who produced the ring at the critical moment.

The eight bridesmaids were chosen from among personal friends of the bride. They were dressed in ivory white crepe chiffon, trimmed with Nottingham lace, and presented a fairy-like picture as they attended the bride.

Lady Elizabeth was attired in an exquisite gown of white ivory moire chiffon embellished with bands of silver and pearl embroidery. A fifteen foot train of ivory colored net hung from her shoulders.

The Duke was dressed in the uniform of an officer of the Royal Air Force.

King George wore the uniform of a General, while Queen Mary's attire was a gown of blue and silver.

Seats were limited to those on intimate terms with the families of the bride and bridegroom or whose official or social status entitled them to the distinction of witnessing the ceremony.

Favor Union With Anglican Church

Toronto, April 24—A meeting of much interest took place here of duly appointed representatives of the Methodist, Presbyterian and Congregational churches, to consider the possibility of establishing closer relations, union being the ultimate goal with the Church of England in Canada. The chair was occupied by Rev. Dr. S. D. Chown, and Rev. Dr. Gunn, of the Congregational Church, acted as secretary. Some of the most prominent figures were those of the Very Rev. W. J. Clark of Montreal, Moderator of the General Assembly; Sir Joseph Flavelle, Rev. D. Ginge Duncan of St. Andrews and St. Paul's Montreal; Sir Robert Falconer and Principal Clarence McKinnon of Halifax.

The conference was of an amiable character, no categorical action being taken. While some Montreal representatives wanted definite action, the majority felt that such a step would possibly check the momentum of the immediate union about to be consummated and forestalled any overt suggestion of a broader scheme.

TAKES FIVE YEARS TO BUILD CHURCH

That the new St. Anne De Beaufre Church, the plans for which were published a few weeks ago, will not be completed before four or five years, was the information given out by the Redemptorist Fathers this morning. The excavation and preliminary work is all that will be done during the coming summer season, and this being delayed through the fact that three feet of snow still covers the ruins of the old temple.

Permission to erect the new church has been sought from the proper authority in Rome and expectations are that very shortly the necessary documents will arrive. Though the change in the original intentions to proceed very rapidly with the construction of the new church will not be welcome news, it was learned that the temporary church would be in perfect condition to allow the pilgrimages to go on as usual.

Local and General News

ANNUAL TRAINING
The annual militia camp will be held at Sussex from June 26th to July 4th. The artillery will organize at local depots and go to Petewawa for eight days.

CARD OF THANKS
Mr. and Mrs. George M. Lake and family wish to thank their many friends for kindness and sympathy shown during their recent sad bereavement.

CORRECTION
The announcement last week to the effect that Mr. Jack McKeen of Montreal was visiting his parents Mr. and Mrs. John McKeen was erroneous. We regret the information received was incorrect.

SPRING RESISTED
The forces of spring were resisted last week, owing to a heavy fall of snow. As a result the travelling and walking was disagreeable but it has now disappeared and conditions are much better. Some damage during the storm was done to the telephone lines, but have since been repaired.

HARD AND EASY
It is hard to believe that \$50,000,000 were spent for chewing gum last year, but it is easy to believe that \$75,000,000 went into cosmetics, and with the memory of some of the faces we have seen, it may be said that it was not entirely wasted.

CONFIRMATION SERVICE
Bishop Richardson of Fredericton, conducted Confirmation Service in St. Andrew's Church, Saturday afternoon at 3 o'clock. Seven adults were confirmed, 5 men and 2 women. The Bishop was met at the station by Mr. Church Warden Teed and Mr. David Ritchie. The Bishop left here for Campbellton on the Ocean Limited to spend Sunday.

TENTH ANNIVERSARY
Mr. and Mrs. Fred. Uncles were ten years married on April 23rd, and in the evening a few of their friends gave them a surprise party and "Tin Shower." A very pleasant time was spent in music and cards and about 11 o'clock a dainty lunch was served. Mr. and Mrs. Uncles were married on St. George's Day in St. Andrew's church by Rev. W.J. Bate, and the reverend gentleman was among the guests assembled on Monday evening.

The Trout fishing season in New Brunswick is now in full swing. Wherever there are rivers and lakes, there can these mornings be seen young men and old men casting a line in the hope of hooking the nimble and elusive trout. Let us hope that all these good sportsmen may have the best of luck, so that when they sit by the lake side having their cup or two or three cups of MORSE'S SELECTED ORANGE PEKOE tea, they will feel disposed to say to themselves: "Yes, this is a good country to live in. None better, for where else could you find as good fishing, and where could you find a tea like MORSE'S SELECTED ORANGE PEKOE?"

NEW INDUSTRY
The C.P.R. is desirous of the establishment of a hardwood industry in New Brunswick, according to an announcement made by J. M. Woodman, district superintendent, at the annual Board of Trade dinner at Fredericton on Thursday evening. Mr. Woodman said a conference took place recently at Montreal which was attended by Angus McLean, Archibald Fraser, Donald Fraser, W. B. Snowball and several prominent lumbermen from Quebec, Ontario and Maine. All of them approved of the idea and he believed that something would come of it. The dinner took place in the Queen Hotel and was attended by eighty guests. J. A. Mrs. Fred S. Groves of Milltown, a date provided.

BASKET BALL GAME
The C.G.I.T. Basket Ball team will play the Junior Girls of the Catholic League in the Temperance Hall, Friday May 4th at 8.15 o'clock. Admission 20 cents.

FILED APPLICATION
H. H. Stuart of Sunny Brae has filed an application for a position on the Fredericton teaching staff. Three teachers have resigned and seven applications have been received for the vacancies.

THE INCOME TAX
The date for individuals making their returns for the Dominion Income Tax returns expired yesterday. Heads of families who have dependent children were exempt \$300 each this year as compared with \$200 each last year.

LOST A HORSE
A horse belonging to Edward Dalton and driven from Chatham on Wednesday evening took flight and ran away. The animal broke clear of the wagon and started to cross the river near Sullivan's mill and was drowned.

THE FUNERAL OF THE LATE J. L. STEWART
The funeral of James L. Stewart took place at Chatham on Friday and the procession was one of the largest and most impressive seen here for years. Representatives of the North Shore Press Association attended in a body, as did many former chief magistrates and aldermen. A very large number of citizens also attended. About 100 members of the local I.O.O.F. and sister lodges of Loggieville, Douglastown and Newcastle, with a band, lead the procession. The services at the graveside were conducted by Rev. F. H. Littlejohns, Rev. J. H. A. Anderson and Rev. Mr. Harrison, the Oddfellows' service being conducted by the chaplain, Col. J.D.B.F. MacKenzie. Isaac Stewart of Carleton County, brother of the late Mr. Stewart, and tented by eighty guests. J. A. Mrs. Fred S. Groves of Milltown, a date provided.

Woodstock Will Buy Fast Trotter

Woodstock, April 24—A meeting of the Woodstock Driving Club was held last night and it was decided that the club would purchase a horse to place in the 2.14 class. College Swift, a former favorite and a good performer will probably be the choice, although it was not finally decided. Henry Dewitt was unanimously elected president of the club in place of James Gibson, resigned. The club's horse, Dan Hedgewood, who has been in Dr. McAllister's stable at Sussex during the winter, is expected here in a few days in charge of Frederick Cameron, who will drive him during the season. A few days' sun will put the track in condition for working out purposes.

Says Leprosy Can Be Cured

London, April 4—That leprosy can be effectually cured by the injection of certain oils, including cod liver and soya bean oil, was claimed by Sir Leonard Rogers in a paper read before a recent meeting of the Royal Society of Arts. Sir Leonard declared that experiments made in various parts of the world had led physicians to the belief that the disease could be cured within the space of a few years through the use of these oils. There would appear to be numerous cases of leprosy in London, particularly among army men who have returned from Eastern countries, which are unrecognized.

Prosperity About Due

Old Man Hard Times is in the hands of the undertaker. None mourns him except the crafty few who always make money during hard times by applying the screws to the unfortunates who get caught during such times.

All signs point to a steady return of general prosperity throughout Canada. Money rates are down, encouraging business activity. Failures are decreasing. New building construction started in April and a fast pace will be maintained during May. Farmers are getting a fair price for what potatoes they have on hand. So it goes in nearly every industry. Prosperity returns. So far it is mostly in the form of business gain, but money prosperity will follow.

THE WOODS PERMIT LAW
While there is every sympathy with the efforts being made to prevent forest fires it is doubtful if the new law requiring persons who desire to enter the woods to secure permits will be anything more than vexatious. Such a regulation is all right in the case of camping parties, but for the citizen who desires only a few hours' outing for the purpose of shooting or fishing it means a lot of trouble for nothing. Besides, the law will never be observed and the only result will be to add to the already long list of law breakers. A rigorous prosecution of those who set fires endangering the forests would have better results, probably, than a multiplication of laws that are neither observed nor enforced.

MANNA IS SORE

A business man says that he walked up town yesterday behind two married ladies and they were discussing prices. "Have you noticed how things are going up again? I should say so. Awful isn't it? Do you know there is tea for instance, I am paying 75 cents a pound for what I usually get at 50 cents a pound. Why it was not so high in war times. And gar—goodness!"

WILD CAT BOUNTY

The bounty on wildcats which was restored at the recent session of the legislature, will go into effect on May 1st, Tuesday next. This bounty was in effect up to 1919 when the animals were reported very scarce and it was removed. During the past year they have become very destructive to deer and are numerous except in the extreme north. The bounty will be \$3

CRUISER PATRIOT TO VISIT MIRAMICHI

The summer programme for H.M.C.S. Patriot has been arranged so that this vessel may be in Montreal on June 7th where the ship's company will take part in the naval and military tournament. While in Montreal the ship will also carry out training of naval volunteers. On the return voyage the Patriot will call at Sorel, Three Rivers,

Quebec, Murray Bay, Tadoussac and Rimouski.

At Quebec training will be given to the Royal Canadian Naval Volunteer Reserve officers and men of that city. The ship will also call at Gaspé, Campbellton and Miramichi.

Badkok, Sydney and Pictou are also included in the list of ports to be visited. The Patriot will be present at Pictou on the 16th of Sept. to take part in the celebration being held there after which she will return to her base at Halifax.
