HER MAJESTY'S SPEECH.

OPENING OF THE IMPERIAL PARLIAMENT YESTERDAY.

Some Important Legislation Outlined—Steps to be Taken to Develop the Mineral Resources of Ireland—More Money Needed for Defence.

LONDON, Feb. 21.—Parliament re-assembled to-day. The following is a speech of the Queen on opening the session:

During the brief period since the close of the last session nothing has happened to affect the relations between myself and other powers of the Empire.

The operations of the Government in regard to the disturbances in the neighborhood of the Straits.

Measures which I directed to be taken with a view to the prevention of insurrection in connection with the commission and several important changes were made and recommended.

The expenditure upon warlike preparations incurred by other European powers has been selected from the safety of the British Empire.

The annual convention of the Trinity Literary Institute.

THE FRUIT GROWERS' MEETING.

HORTICULTURE TO BE TAKEN UP AS A STUDY IN THE PUBLIC SCHOOLS.

Halifax, Feb. 21.—At to-day's meeting of the Fruit Growers' Association the first business was the taking of questions from the draw.

The first question was, "Will some one give the experience in fruiting British apples?"

No one had any personal experience, but the opinion was expressed that the Russian apple was a failure and not worth taking any stock in.

The Secretary read the following letter from Hon. G. W. Ross, Minister of Education:

I beg to acknowledge the receipt of a copy of certain resolutions adopted by the directors of the study of horticulture in our public schools.

THE ROAD TO BE PAVED.

AND THE CARE TO BE TAKEN TO PREVENT THE ROAD FROM BEING PAVED.

The Board of Public Works are active in trying to decide what kind of pavement should be laid on their fashionable residential streets.

Heretofore some of the property owners have come to a decision and others have also done the same thing, and both parties have asked the City Council to see in their judgment.

A meeting was held last night at the residence of Mr. J. C. Crowther to see if a mutual agreement could be arrived at.

These property owners were present: Messrs. J. C. Crowther, Wm. Bond, Geo. Hamilton, J. W. Phillips, J. C. Crowther, A. E. Miller, Frederick W. J. Smith, J. H. W. Bond, and Dr. G. W. Bond.

The merits of all sorts of pavements were discussed, but the majority for first place were asphalt and cobble.

Mr. Phillips was convinced that asphalt should not be put down. Cobble was a new street and only half built up.

Mr. Bond (indignantly)—Of course it will increase the value of the property and will cause a mile out of their way to travel on it.

DOMINION ARTILLERYMEN.

ANNUAL MEETING OF THE ASSOCIATION AT OTTAWA.

Some Lively Discussions—A Vote for Censure on the Executive Deputed on a "Tele-Telephone" at St. John's—Elected the Secretary.

Ottawa, Feb. 21.—The annual meeting of the Dominion Artillery Association was held in the Private Bill Committee room to-day, and besides lasting for three hours was very lively and animated.

Lord Stanley was present. His Excellency, who, by the way, told the meeting to forget that he was an old artillery instructor, took the greatest interest in the meeting and made three or four speeches.

Col. A. Macdonald, of the Guelph Field Battery, the president, was in the chair. Major Van Wageningen, Captain John Henrich of the Hamilton Field Battery, Major F. King of the Welland Field Battery, were the principal officers in attendance.

Col. Curran of Halifax represented the 7th Battalion, and Major G. W. Bond of the 1st Battalion. Major G. W. Bond of the 1st Battalion.

The meeting would undoubtedly have been much more lively but for the temporary indisposition of His Excellency's presence. The two principal lines of contention were the protest of the Hamilton Field Battery that the protest was made on a grossly incorrect basis.

The matter of using tele-phones at matches was warmly discussed and several resolutions offered. Lord Stanley said that he thought all purposes would be served by the discussion of the matter.

Major King raised the question of the Ontario Artillery Association paying \$12.00 for the use of tele-phones at matches.

Col. Curran of Halifax proposed that the Ontario Artillery Association should pay \$12.00 for the use of tele-phones at matches.
