Great Gathering of the Faithful in Toronto.

Archbishops, Bishops and Clergy From All Parts of the Dominion Present—The Celebration in St. Michael's Cathedral.

Sermon by Archbishop Walsh—Presentation of Congratulatory Addresses—The Devotional Function in the Cathedral.

The Catholics of Toronto Had a memorable Thanksgiving Day. Great were the songs of praise that floated round the walls of the noble cathedral.

The Archbishop's Sermon and the Presentation of Addresses.

At 10.30 pontifical mass was sung by Bishop Dowling of Hamilton, assisted by prominent clergy from all parts of the province.

The musical exercises were of an unusual order. There was a fall choir of 80 voices and orchestra under the direction of Father Rocher.

After referring to the growth of the early Christian Church and the manner in which the Gospel was spread by the apostles was received by the talented and philosophical Roman, the venerable speaker then turned to the present time.

Presentations of a Series of Addresses to the Archbishop.

Then came the most interesting part of the celebration—the presentation of addresses to His Grace Archbishop Walsh.

The members of C Company at the Fort spoke highly of the dead man's general character.

No. 22 Widmer-street, in front of which the policeman Campbell was shot, was the scene of the tragedy.

Volunteers to the number of 50 or 60, who had been celebrating during the night, visited the Hummer last night and proceeded to have a time, demolishing everything and everything in general.

A report reached Police Headquarters last evening that Constable Gibson in addition to the beating received a sword thrust in the arm.

**DISAPPOINTED VOLUNTEERS.**  
They Paraded, But the D.A.G. Ordered the Show to Be Broken Up Because of the Snow.

At 8 o'clock yesterday morning 530 of the Queen's Own were gathered in the Army, ready for the march, and when they were made aware of the fact that the parade had been cancelled by the D.A.G. there was a great deal of grumbling.

Orders for the parade were not countermanded until 8.30, thus the Dufferin Rifles who left barracks at 7.30 were not made aware of the change of program until they were four miles out.

AGAIN THEY'RE CHAMPIONS!

CHAMPIONS OF ALL CANADIAN RUGBY FOOTBALL

Osgoode Hall's Invincibles Crush Montreal's Cohorts Beneath Rosedale's Snow and Ice—A Veritable Waterloo For Quebec's Rugby Champions—Ontario's Kickers Won by 41 Points.

Table with 2 columns: Osgoode Hall and Montreal. Rows include various players and their statistics.

Free play followed in mid-field. Osgoode dribbled up and looked dangerous when Montreal took a free kick for off-side play.

Two minutes only were required for an entire tally. A combined run and poppy passing by the Sentinels, Kerr and Pepp sent the last-named sprinter over the line with Campbell on his back for a tackling goal.

Smellie soon attempted and dropped kick, which was returned by H. Senkler. Here the referee was obliged to separate E. Senkler and Baird, who were engaged in a rough and tumble fight on the grand stand side.

Wood returned Campbell's heavy kick to touch. Kerr punted. Mail missed the goal. The ball went wide. Morin kicked Pepp's return over the line and Patterson directed the snow for the oval for touch.

Patterson dribbled down the grand stand side at touch line to touch line. Five minutes actually followed without any points being scored.

Yates took a free kick for off-side play. The ball went wide. Morin kicked Pepp's return over the line and Patterson directed the snow for the oval for touch.

STUDENTS ON A SNOWY LAWN

WILLIE AND VARSITY EACH TALK 9 POINTS

Their Annual Inter-University Match—The Score at Half Time Was 9-0—The Local Lads Couldn't Get a Point in the Second Half, While the Visitors Added Eight.

Table with 2 columns: Willie and Varsity. Rows include various players and their statistics.

The plucky University students would not be driven back by the snowstorm that threatened to hold the lawn all Wednesday night and yesterday morning.

A big crowd who like Rugby in any weather were on hand. An old ball, chased by a hundred youngsters, packed the mid-field snow and with a nominal three inches under foot and a clear sky over head the rival fifteen walked on the field at 11.15 a.m.

The contest resulted in a draw, each fifteen scoring 9 points.

McGill was the stronger behind the scrum, while Varsity's wings and scrum were outplayed the red and white.

Barr, the Lindsay lad, played the star game of both sides. He followed up and close dribbled, single handed, especially in the second half.

Although Varsity seemed the best scoring team the visitors appeared to divide the play with their warring rivals.

McGill's back division was an unfortunate factor in the loss. Campbell was cheered as he returned. A moment later and Smellie's ear came to grief.

Another minor Mac Patterson again kick across to force Mac to touch. The last-named player in goal, 30-5.

CANADA'S DAY OF THANKSGIVING.

How it was kept in Toronto—Holy Ghost and Palm—The Western was Bright All Day.

Thanksgiving Day was duly honored yesterday. The thanks took various forms. Many attended the churches, more were at the theatres. Great was the disappointment at the postponement of the much-talked-of sham fight owing to the fall of snow overnight.

National blessings formed the theme of the sermons, and patriotic utterances were in the ascendant. The following, among other hymns, were sung:

O Lord of heaven and earth and sea,
Thou that art ever with us here,
How shall we show our love to Thee,
How shall we show our love to Thee.

The golden sunbeams, warmest yet,
Sweet flowers and fruits they love to dress;
How have we shown our love to Thee,
How have we shown our love to Thee.

For peaceful homes and beautiful days,
For all the blessings that we see,
We owe Thee thankfulness and praise,
We owe Thee thankfulness and praise.

For souls redeemed, for sins forgiven,
For means of grace and hopes for heaven,
What can we do to show our love,
What can we do to show our love.

God bless our native land!
Firm may the ever stand,
When the wild tempest raves,
Do thou our country save.

For her our prayer shall rise
To God above the sky,
On Thee we wait,
Thou that art ever with us here.

And not this land alone,
But every clime and zone,
From shore to shore,
And from the east to the west.

At yesterday morning's Thanksgiving service in Walmer-road Baptist Church Dr. A. J. Gordon of Boston presided, very large congregation. The service was most successful.

MANAGER'S GIVE THANKS.
Yesterday was a Good Day for Toronto Theatres.

Yesterday was a big one for the theatre. In the afternoon Rhea produced "Much Ado About Nothing" and "Princess Andria" at night. Both plays went smoothly and were loudly applauded in the great seats.

Rhea has in her company one young actor who shows great promise. Mr. Howard mayed Claudio in the play, and he gave a very effective portrayal of this difficult and unappreciated role.

"A Temperance Town" evidently possesses all the elements of a popular play. Rhea has rather broken away from his farce-comedy record, and "Temperance Town" contains evidence of his ability to handle more serious work.

Miss Elsie Lombard does especially pretty work in the scene with her dead brother's corpse. The performances were thronged yesterday.

The managers of Jacobs & Sparrow's Opera House and the Grand Theatre, who have been in the city for some time, are leaving tomorrow for their homes.

Concerts and Entertainment.
A successful and delightful concert was given last night under the auspices of the choir in Elm-street Methodist Church.

The concert given in Bond-street Church last night was well attended in spite of the numerous country and city engagements.

Trinity College School, Port Hope, conducted under the wardenship of the Rev. C. J. S. Bettune, is widely known as one of the principal schools of learning in the Dominion.

The St. Alphonsus Club met Wednesday night, President Cottam in the chair. The principal business of the evening was the induction of the new members.

The annual election of officers of the St. Alphonsus Club was held Wednesday night at the club house in William-street, leaving after all debts had been paid a balance of over \$150 in the treasury.

At a regular meeting of the Christian Workers Association of Clinton-street Methodist Church Wednesday evening the election of officers took place.
