ELSEWHERE, \$1.00 IN ADVANCE  
Single Copies 5 Cents.

## LOCAL HAPPENINGS

THE GUIDE-ADVOCATE welcomes all items of interest for this column. Call Phone 11, send by mail or drop item in GUIDE-ADVOCATE Letter Box.

FRIDAY, MAY 1ST.

THE NEW HATS at SWIFTS'.

BEING in debt makes many a liar.

BARGAINS in wall paper at McCLAREN'S.

WATFORD COUNCIL meeting on Monday evening.

THE succulent rhubarb pie will soon be on the menu card.

PEOPLE like to take chances. Every little while somebody gets married.

A PICTURE hat is sometimes necessary to set off the painting underneath.

SPECIAL sale of gingham, Anderson Scotch, 8 yds. for \$1.00.—SWIFTS'.

DON'T worry about little things nor expect big things to drop into your lap.

THE newspaper that always pleases all its readers has never been published.

A WOMAN'S idea of a happy demise—to be crushed to death in a shopping crowd.

ESAC HASTINGS is fitting up the new addition to his shop with modern machinery.

SCREEN doors, window screens, screen wire, poultry netting and garden tools at HOWDEN'S.

NEXT Sabbath morning at the usual hour of service the "Quarterly Communion Service" will be held in the Methodist church here.

THE assessor has completed his roll. It gives the total assessment for 1914, \$369,666, and the population 1,215, an increase of 123 since the census of 1911.

THERE is a great scarcity of houses in town at present. It would be a good investment for someone with spare capital to erect a few fair-sized houses to rent.

THE ladies' suits at \$10.00 and \$12.50 make you wonder.—SWIFTS'.

OFFICIAL notice has been received that the Military Camp for the rural regiments of this division will be held at Goderich commencing August 17th, and continuing for one week.

REV. F. OLIVER, Wallaceburg, has resigned his pastorate to go into the grocery business. There will be no adulterated sugar or light weight goods in the new business.

OLD "CAP." WRIGHT, a nomadic printer who made two or three visits to Watford every year, was found drowned in the St. Clair river on Monday. No more will he touch the boys for a quart.

SMART sport coats for Saturday, \$8.50 and \$10.00.—SWIFTS'.

ON Friday of this week at 8 p. m. the Secretary of the Lord's Day Alliance will deliver an address in the Congregational church in this town. All lovers of the sanctity of the Sabbath are urgently requested to be present.

REV. DR. SAUNDERS, of Chicago, son-in-law of the late Rev. W. H. Shaw, of Watford, preached a very vigorous sermon in the Methodist church in this town last Sabbath evening. The selections by the quartette were also greatly appreciated by the audience.

WATER Glass Egg Preserver will keep your eggs fresh for one year. We guarantee ours to do the work as we have tried it out.—McCLAREN'S.

TRESPASSING chickens and cyclists riding on the walks are two nuisances that Constable Chatterton has had his attention called to, and warning is given that both are to be dealt with as the by-laws of the town direct.

VESTRYMEN of All Saints' Anglican Church, Windsor, raised the salary of their pastor, Rev. Arthur Carlisle, from \$2,200 to \$2,400 and that of his assistant, Rev. Percy Harding, from \$750 to \$1000, at their annual meeting.

WE have the agency for Cashart Overalls and Smocks, the best yet.—SWIFTS'.

A LADY told the editor yesterday, while giving him some news items, that she always liked to hand the editor any news she could as it saved writing to her friends in the West so often. We wish more would do likewise.

THERE will be morning and evening service in Trinity Church on Sunday.

THE Rev. A. C. Bice, B. A., Commissioner of Huron College, London, will preach in the morning. There will be a celebration of the Holy Communion.

SOME handy man could pick up quite a few dollars by spraying fruit trees in town at so much per tree. There are quite a few excellent fruit trees within the corporation that are going to the bad for want of attention, as it would not pay the individual owner to do the spraying himself.

THE Petrolea Topic of last week says:—"In the Armory Progress Club, Watford possesses one of the finest bodies of boosters that it could possibly have and the club is doing much to improve conditions and advance the interests of the town which they represent."

WORD has been received of the death from pneumonia, of Mr. Chas. Hawken, of Cleveland, O. Mr. Hawken, who was the son of the late R. L. Hawken, formerly G. T. R. ticket agent here, was born in Watford. His sister (Emily) was a teacher in the public school here for several years.

THE warm showers were welcome.

LAWN mowers are already in evidence.

J. SCROGGIE has gone into the draying business.

OUR sale of Ladies' Suits continues; grand lot of new styles.—SWIFTS'.

THERE were 11 births and 5 deaths in Watford during 1913.

By an amendment to the Municipal Act, all by-laws affecting public utilities shall be voted on only on the date of the municipal elections.

ATTENTION is directed to the ad. of J. J. Williams elsewhere in this issue. He is offering some attractive property in Southern Alberta.

New Perfection Oil Stoves \$10.50 to \$15.50. Refrigerators \$9.00 to \$16.00. Hot Blast Oil Stoves 85c.—THE HOWDEN EST.

SOME wise writer has said that woman wants but little here below, but wants that little long. He was thinking of the latest dresses when he said it.

AT the vestry meeting of St. John's church, Moose Jaw, two former Watford men, Dr. Gibson and F. W. Tanner, were appointed lay delegates to the Diocesan Synod.

LET us have another Sunday concert soon. The practise and confidence gained by the young musical people of the town in affairs of this kind fully repay for the time and trouble taken.

A CITY lady was surprised at the stock of floor rugs shown by SWIFT, SONS & Co. and the prices so low.

The new regulations in regard to lawyers' fees for probating estates have gone into effect, and after this they can claim as high as \$500 for the job on good estates. Up to this time, the most they could claim was \$30.

GET your wall papering done now. We have the nicest patterns and the best value in wall paper ever shown in Watford, English and American designs and an almost unlimited supply to choose from.—P. DODDS & SON.

THE guard of honor for the Duke of Connaught on his visit to Lambton will be composed of one hundred officers and men of the 27th regt. It is expected that the new full dress uniform will be received in time for the Duke's visit. This uniform is a very showy one with ornamented red tunic and Wolsley helmet.

A FAMILY of newcomers residing on St. Clair street have been making it interesting for business men for the past few weeks. They are liberal buyers and the only objection advanced to their transactions is that they fail to make good financially. However, they cheerfully return the goods when requested to do so.

WE have a range of Men's Indigo Blue Suits at \$15.00, a great suit at the price.—SWIFTS'.

THE missionary play, "A strange five o'clock tea," given in the Presbyterian church on Thursday evening of last week was very successful, the young ladies taking part acquitting themselves most creditably. The church was filled and the collection of \$27 was proof that the audience enjoyed the entertainment. Proceeds go to mission work in the Canadian West.

A MAN known by the name of Buck Wynn was arrested by the Chief on Thursday afternoon for using profane and indecent language in the Central Telephone office. He was taken before A. G. Brown, J. P., and fined \$5 and costs. Not having the price the magistrate gave him fifteen minutes to get out of town, and the Chief saw that he made good.

Two specials in fine writing paper—Lord Baltimore Linen 35c per pound, and Cascade Linen at 25c. Ask to see a sample of these fine papers.—McCLAREN'S.

LINOLEUMS in printed and inlaid. See the new patterns, prices from 50c to 85c a yard.—SWIFTS'.

THE members of the 27th from Watford and district who form part of the guard of honor for Princess Pat. will leave here at 8:46 Thursday morning.

LT.-Col. Kelly was notified from headquarters to furnish a Royal Guard of Honor in accordance with the regulation, viz.: one captain, one adjutant, two subalterns, one sergeant major, four sergeants, four corporals and 96 men, with the band and the King's colors.

THE Pineapple crop is three weeks early and are now at the lowest price, 24's size, \$1.75 per dozen, \$3.50 a box.—THE N. B. HOWDEN EST.

Hon. W. T. White, minister of finance, has given notice that he will move the following resolution:—"Resolved, that it is expedient to provide that there may be paid out of the consolidated revenue fund of Canada a sum not exceeding \$1,200,000, to be paid to persons who were creditors for money on deposit in the Farmers' Bank of Canada, the respective amounts standing to their credit in the books of the bank when the bank suspended payment."

THE adjourned vestry meeting of Trinity church was held in the school room on Monday evening. The auditors presented the financial statement which showed a credit balance of \$150. The reports of the Sunday School, Child and A. Y. P. A. were presented and each showed a cash balance on hand. The rector was granted one month's vacation during the summer. The missionary offerings were largely in excess of previous years, as were also the contributions in every department of the church.

EIGHTY in the shade Wednesday.

THE new uniform for the 27th guard of honor arrived Wednesday.

JAMES McMANUS shipped some fine cattle to Toronto this week, and will ship heavy horses for export on Saturday.

DON'T buy a mower until you see the Brookville, no higher in price but higher in quality. Sold only by THE HOWDEN EST., \$3.75 to \$6.00.

MR. JOHN FARRELL sails for Canada on May 14th. He is bringing with him an especially fine lot of smart and alibodied emigrants.

WHEN buying shoes you may as well have the best when they cost no more than the inferior kind. We have all the new shapes and styles for ladies, gents or children. Something particularly nice for ladies this spring.—P. DODDS & SON.

BUY raincoats with a pedigree of years of rainproof resisting qualities; direct from England to SWIFTS'.

THE colored man Tom who has been working for Frank Restorick for some weeks, was run in by Chief Chatterton Saturday, for being drunk and disorderly.

As the town is at present without a lockup the prisoner was placed in the fire hall over night, but in the morning was nowhere to be found. He quietly walked out during the night and going to Frank Restorick's house where he had been boarding, helped himself to a suit of clothes belonging to the boss and decamped.

S. B. HOWDEN has made extensive changes in his store. Shelving has been placed on both sides of the shop and these are now filled with the very latest styles of shoes for men, boys, women and children. The work room has been placed at the rear and the front used exclusively as a show room. The stock is now complete and comprises besides shoes a full line of trunks, suitcases, bags, telescopes, etc. Repairing done as usual. The public is invited to call and inspect the stock. The prices are down to rock-bottom.

A CONCERT organized by the Watford Choral Society will take place on Wednesday evening, May 13th, at 8 p. m., in the armory. The program will consist of vocal and instrumental selections. There will also be introduced a class of well trained girls in dumb bell and physical training and other numbers too numerous to mention. Watch for programs later. Admission of concert, adults 25c, children 15c; proceeds for benefit of the local militia. No efforts will be spared to make this a bowling success and all are assured a good time. Turn out and patronize a good organization. ad

THE Imperial Hand-Bell Ringers and Concert Party will give an entertainment in the Lyceum on Friday evening, May 8th, under the auspices of the Watford Hockey Club. This Co. carries a splendid peal of 130 melodious bells, and gives music of every class with perfect correctness. The concert is highly spoken of by the press everywhere. The program is a varied one, including selections from standard composers, solos, duets, part songs, etc., with and without bell accompaniment. Popular prices 25c and 35c. Let the boys have a full house.

A NARROW escape from a fatal accident befell Stanley Rogers on Monday afternoon. While cleaning windows on the second story of the Rogers' Hotel he fell eighteen feet to the cement sidewalk. He was standing on the sill holding onto the sash with one hand when the sash dropped and he lost his hold. Finding that he was falling he jumped, landing on his feet, on the sidewalk. He was taken to his room and medical assistance secured. An examination by Dr. Brandon showed some of the bones in one foot cracked. At the present time it is not known how serious his injuries may prove, but he will be incapacitated for some time.

THIS year our rug sales have been large, large stock and low prices do it.—SWIFTS'.

THE annual meeting of the Watford S. Board was held in the Methodist church on Monday evening, the Rev. H. E. Curry presiding. The following officers and teachers were elected for the coming year:—Supt., Dr. Hicks; Asst. Supt., Wm. Harper; Sec'y, W. Marsh; Asst. Sec'y, A. Potter; Treas., D. A. Maxwell; Librarians, E. Fowler and B. Vail; Supt. of Home Department, Mrs. Rapson, Supt. of Cradle Roll, Mrs. T. Fortune; Teachers, Messrs. Jno. Humphries, Robt. Moody, Wm. Harper and W. B. Cross, Mesdames J. Keller, J. Baker, Wm. Thompson, J. Fowler, H. E. Curry, T. Fortune, C. Potter and S. Rapson. Misses M. Waugh, I. Moore, A. Williams, S. Kerr and A. Lovell.

YOUR suit for 24th May, Swifts' Clothes, Art Clothes, Sanford Clothes, big three.—SWIFTS'.

WORD was received by the Reeve on Monday, that H. R. H., the Duke of Connaught and party would stop at Watford on Wednesday evening, May 6th, if requested by the town authorities to do so. A meeting was therefore held in the Armory to ascertain the views of the citizens regarding the matter, when it was decided to ask the Duke and Princess to spend a short time here. This decision was wired to Mr. Jos. E. Armstrong, M. P., to convey to the Governor-General's Secretary. Up to the time of going to press no reply had been received. If arrangements are made for the royal party to visit Watford the public will be notified by bills. From present information

it is expected that the royal train will spend the night of May 6th at Watford instead of Wyoming, as previously arranged.

OVER four hundred people attended the sacred concert given by the Watford Choral Society in the Armory last Sunday afternoon. Dr. G. Hicks, president of the Society, presided, and after the hymn "All Hail the Power of Jesus' Name" was sung, the Rev. Connolly read the general thanksgiving. The musical program consisted of solos by Miss L. Cameron, Miss Glass, Rev. Connolly and Mr. Cross; a quartette by Messrs. Connolly, Hicks, Marsh and Potter, and two choruses—"Oh, Thou whose power," by Rossini, and the harvest anthem "Ye shall dwell in the land" by Stainer—sung by the Society. The solos in the anthems were well taken by Mrs. Davies, H. Lea, Frank Elliot and Austin Potter. Rev. Mr. Connolly gave an exceedingly interesting address on Japan and the difficulties encountered by missionaries in that country, which was attentively listened to. The musical part of the program, also, was much appreciated by the large audience. The choruses showed skillful and careful training of the singers by the conductor, Mr. Martin Davies, who has been ably and cheerfully assisted throughout by Miss Margaret Hume as pianist. The hymns "Stand Up for Jesus" and "Onward Christian Soldiers" were sung, the audience joining in, and the concert brought to a close by the benediction and National Anthem. The collection was small, not being sufficient to pay for the music purchased by the Society. It is to be hoped that another Sunday concert will be given by the Society shortly, and that the financial offering will be more liberal.

Mrs. Joshua Thomas, Inwood, visited Watford relatives this week.

Mrs. Travis, Wyoming, spent Sunday with her sister, Mrs. Tanner.

Mrs. Moulton and daughter, Port Rowan, are visiting at Mrs. S. J. Louks'.

Dr. Nixon, Holloway, Mich., was here on Saturday to see his mother and sisters.

Mrs. Tanner left for Toronto this week to join her son and daughter in that city.

Vern Brown and his friend, Mr. Crest, of Sarnia, spent Sunday at Mr. J. D. Brown's.

Mr. and Mrs. Alf. Dunlop left for the west on Tuesday and will spend the summer there.

Mrs. Thexton returned to town this week from a three months' visit with relatives in Detroit.

Miss Florence Johnston left on Saturday to assume the Junior third work in the public school at Dunnville, Ont.

Mrs. Tye returned from Rockford, Ill., on Saturday, accompanied by her daughter, Wilma, who has recovered from her recent illness.

Mr. and Mrs. S. Smith, and son, Franklin, of Watford, visited for a few days at the home of his brother, Levi Smith, English St.—Sra.thy Age.

THE frame residence of Mr. and Mrs. Bert King, 14th con., was burnt to the ground on Thursday forenoon last. Mr. and Mrs. King were in Watford at the time and did not know of their loss until they returned home, having left town just before a telephone message arrived informing them of the disaster. It is supposed that the fire caught from a defective chimney, and was not noticed by the neighbors until the upper part of the building was in flames. Willing hands made short work of removing some of the furniture from the front part of the building, but the contents of the kitchen and upstairs rooms were consumed. The building and contents were insured in the Lambton Farmers Mutual, the former for \$700, and the latter for \$300.

THE Surrogate Court records show that the will of the late J. H. Fairbank was probated on April 15, 1914; executors Chas. O. Fairbank, Mrs. Mary E. Rock. Inventory shows \$768,863.80 as total valuation, of which \$218,789.96 is value placed on real estate, the remainder being personalty.

A man near Amherstburg last year grew a lot of sweet clover and harvested it. The authorities decided he had no right to grow the stuff, and he was fined \$25. Sweet clover is not a noxious weed, and cattle, if turned into a field containing alfalfa and sweet clover will leave the former and eat the latter. Experts say that it puts more nitrogen into the earth than any kind of fertilizer known. It crowds out and kills other weeds wherever grown, and when plowed under is easily killed. The seed is worth at the seed houses \$25 per 100 pounds. It will not be long before its value is recognized here as it is in the south.

A few days ago Mr. J. F. Millen, Treasurer of Essex county, received an envelope enclosing \$100, with the statement that "this money belongs to Essex county." It is evidently a case of conscience money. The writing is in a woman's hand, but there is nothing to indicate from where the money was taken or when. Now if some of our delinquent subscribers will only do likewise we could place several hundred dollars to the right side of our account in the bank. Never fight against good influences. Give your consciences just a little chance, and see the result. It will make both of us happy.

## WARWICK.

Miss Mary Dolan spent a few days with Mr. and Mrs. David Kilmer.

Miss Lillian Rankin, Wainstead, spent Sunday with her friend, Miss Rhea Thompson, Kingscourt.

Miss Nellie Leggate, Toledo, was home this week attending the funeral of her brother, the late Stanley Leggate.

Steve Morris, 4th line, lost a valuable three-year-old Clydesdale mare the other day from distemper. Quite a loss, as good mares are worth considerable money just now.

The April meeting of the St. Marva Branch of the Warwick W. A. was held on April 23rd at the home of Mrs. J. Clark. Mrs. Shore read a report about the Education Fund. It was decided to form an adult ladies' bible class in the Sunday School. Members present 7, visitors 2.

William Stanley Leggate, the 16-year-old son of Mr. and Mrs. John Leggate, Main road, passed away on Friday last after a short illness. Deceased had not enjoyed the best of health, and had been a cripple for some years. He was a fine, kind-hearted boy who had many friends. The funeral was held on Saturday afternoon from the family residence, lot 18, Main road, the service being conducted by Rev. J. C. Forster, pastor of the Presbyterian church.

## BROOKE

Miss Thorne Collins spent Sunday with friends on the sixth line.

Miss J. Huckleberry of Lucan is spending her vacation at J. McIntyre's.

Mr. J. Fraser and daughter Irene spent the week end at their aunts' H. J. Collins.

Mr. Dan McIntyre of Inwood, spent the last week with his mother on the tenth line.

Miss Eliza Ann McPherson, of Elderton, has returned after a lengthy visit with her friends and relations at Inwood.

The Rev. A. C. Bice, B. A., Commissioner of Huron College, London, will preach in St. James' Church, Brooke, on Sunday afternoon at 2.30.

Mr. J. D. Carroll has sold his farm the east half of lot 16, con. 12, to Wm. McDonald and will hold a clearing sale of stock and implements on Tuesday, 12th.

The Rev. A. C. Bice, B. A., Commissioner of Huron College, London, will preach in Christ Church, Sutorville, on Sunday evening at 7.30. There will be no afternoon service.

We are again reminded of the uncertainty of life by the death on April 27th in Regina General Hospital, of Duncan A. Fisher, son of A. M. Fisher, 11th con. Deceased, who was in his 35th year, was a general favorite with all who knew him. His body will arrive in Watford on Friday morning at 8.40, and will be taken to the family residence in Brooke. Funeral arrangements will be announced later.

The frame residence of Mr. and Mrs. Bert King, 14th con., was burnt to the ground on Thursday forenoon last. Mr. and Mrs. King were in Watford at the time and did not know of their loss until they returned home, having left town just before a telephone message arrived informing them of the disaster. It is supposed that the fire caught from a defective chimney, and was not noticed by the neighbors until the upper part of the building was in flames. Willing hands made short work of removing some of the furniture from the front part of the building, but the contents of the kitchen and upstairs rooms were consumed. The building and contents were insured in the Lambton Farmers Mutual, the former for \$700, and the latter for \$300.

## PERSONAL.

Mrs. Joshua Thomas, Inwood, visited Watford relatives this week.

Mrs. Travis, Wyoming, spent Sunday with her sister, Mrs. Tanner.

Mrs. Moulton and daughter, Port Rowan, are visiting at Mrs. S. J. Louks'.

Dr. Nixon, Holloway, Mich., was here on Saturday to see his mother and sisters.

Mrs. Tanner left for Toronto this week to join her son and daughter in that city.

Vern Brown and his friend, Mr. Crest, of Sarnia, spent Sunday at Mr. J. D. Brown's.

Mr. and Mrs. Alf. Dunlop left for the west on Tuesday and will spend the summer there.

Mrs. Thexton returned to town this week from a three months' visit with relatives in Detroit.

Miss Florence Johnston left on Saturday to assume the Junior third work in the public school at Dunnville, Ont.

Mrs. Tye returned from Rockford, Ill., on Saturday, accompanied by her daughter, Wilma, who has recovered from her recent illness.

Mr. and Mrs. S. Smith, and son, Franklin, of Watford, visited for a few days at the home of his brother, Levi Smith, English St.—Sra.thy Age.

## COMING

One of the Greatest Concerts in History of This Town.

The famous Imperial English Hand Bell Ringers which have made eight tours of the United States and Western Canada are now touring Ontario and at great expense they have been engaged to give a concert in the Lyceum on Friday, May 8th, under the auspices of the Watford Hockey Club. There are ten people in the company and they appear in very attractive yachting costumes. They carry a peal of 130 bells, the finest ever cast in England. It is really wonderful what soft mellow tones these bells can produce. In addition the company renders choruses and Mr. A. L. Whitaker, recently soloist of Wakefield Cathedral, England, is the special bass soloist with the company. Miss Jean McDonald has been engaged as entertainer and is captivating every audience. The admission will be 25c and 35c. Plan opens at The Drug Stores on Friday, May 1. Get your seats early if you expect to get in at all as this is the big musical sensation of the season.

## Showers—Jackson

A pretty wedding took place at the home of Mrs. Mary A. Showers, Oakdale, recently, when her daughter, Annie, became the bride of L. Roy Jackson, of Enniskillen. The ceremony was performed by Rev. Mr. Kutley, assisted by Alex. Munro, of Euphemia, a cousin of the bride.

The bride wore a lovely frock of white satin and carried a bouquet of carnations and ferns. She was attended by her cousin, Miss Lola Graham, of Sutherland, who wore a white embroidered voile gown. The groom was assisted by his brother, Ralph. The groom's gift to the bridesmaid was a beautiful jewelry case, and to the groomsmen a beautiful gold scarf pin.

About fifty guests were present and enjoyed a dainty wedding dinner, at which Mr. and Mrs. Jackson, accompanied by the bridesmaid and groomsmen went to the Michigan Central station, Inwood. They left for eastern cities.

# WOMAN SUFFERED TEN YEARS

### From Female Ills—Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Belleville, N.S., Canada.—"I doctored for ten years for female troubles and did not get well. I read in the paper about Lydia E. Pinkham's Vegetable Compound and decided to try it. I write now to tell you that I am cured. You can publish my letter as a testimonial."

—Mrs. SUVRINE BABINE, Belleville, Nova Scotia, Canada.

Another Woman Recovers. Auburn, N. Y.—"I suffered from nervousness for ten years, and had such organic pains that sometimes I would lie in bed four days at a time, could not eat or sleep and did not want anyone to talk to me or bother me at all. Sometimes I would suffer for seven hours at a time. Different doctors did the best they could for me until four months ago I began giving Lydia E. Pinkham's Vegetable Compound a trial and now I am in good health."

—Mrs. WILLIAM H. GILL, No. 15 Pleasant Street, Auburn, New York.

The above are only two of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which show clearly what great things Lydia E. Pinkham's Vegetable Compound does for those who suffer from woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

HARRIS & CO. PROPRIETORS

## Guide-Advocate

HARRIS & CO. PROPRIETORS.

WATFORD, MAY 1, 1914.

### NOTE AND COMMENT.

England's drink bill rose five million pounds last year as a result of the increasing prosperity and high wages.

The Dominion Government has paid \$4,253 for drinking water from January 1, 1912, to March 1, 1914, according to a return tabled in the House of Commons to-day. Since the last typhoid epidemic in Ottawa, about two years ago, all civil servants in the various departments have been drinking spring or distilled water.

As a nation, it is ordinarily held, we must have some method of defence. This can be assisted cheaply, and effectively, by general school drill. Another side to the matter is that this drill is one of the finest forms of exercise that the children whether boys or girls, can be given; indeed one of the most prominent gymnastic instructors in Canada who trains probably as many boys and men, girls and young women, during the year as any other, relies nearly altogether on drill. To be sure his drill goes beyond the drill necessary for army manoeuvres. So might the drill of the Ontario teachers without

### Every Woman

is interested in having the most wonderful HAIR-RESTORING SPRAY.

The one that gives the hair its natural beauty and makes it shine like silk.

WINDSOR SUPPLY CO., Windsor, Ont. General Agents for Canada.

harm. Indeed the drill and gymnastics are so combined in the case mentioned that the pupils do not realize that they are being trained in military manoeuvres, but consider it all gymnastics. It happens that in his classes, the word gymnastics is more fetching than drill would be. The country school teacher will, however, usually find the word drill more inspiring to effort on the part of the pupils than would be the instruction given under the heading of gymnastics.

Legislation now being entered upon the statutes of the Province will do away hereafter with any complaint that the wheels of justice turn too slowly in the case of serious crimes in the counties. There have been instances during the year when the county police attempted to handle criminal affairs alone and at the last hour the provincial body was called in to co-operate. This sometimes meant a serious delay and difficulty in securing prosecutions, and by the law, only on the request of the County Crown Attorney, was any outside assistance warranted. Now, however, by a statute law amendment, power is granted the Attorney-General to send in provincial officers at any hour he deems fit. Provincial men may be on the scene as soon as the local officials. Stringent measures are also under way to guard children who at the present time make their way into moving picture theaters under the protection of an adult. The law which makes all juniors under 15 go in with elders has not been altogether satisfactory, as in some instances the youngsters go to the first man standing around the foyer and ask him to take them in on tickets which they purchase. Such associations are recognized as harmful and in the future each child under 15 who hopes to see the screen must be accompanied by an adult guardian, a member of the family or a relative. This will impose considerable responsibility on the doorkeepers, but the Government is determined to safe-guard the children and to stop a practice sometimes noticed of ushers acting as sponsors to eager youthful patrons.

**\$100 Reward, \$100**

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHERNEY & CO., Toledo, Ohio.

Sold by all Druggists, 75c.

Take Hall's Family Pills for constipation.

**Foods That Can Take the Place of Medicine**

There are many foodstuffs that are eaten and enjoyed, not because of any nutritive value they may possess but rather because of their medicinal properties. Our grandmothers and great-grandmothers may have had little knowledge of the chemistry of foods, but they knew more about their therapeutics than the women of today have ever imagined. That is why they gave onions for colds and rheumatism, cabbage for skin troubles, spinach as a laxative, tomatoes and carrots to stimulate the liver.

They were right. Onions are a valuable medicine. Their properties depend probably upon a powerful sulphur oil called allyl sulphide. They produce sleep, promote digestion, are a remedy for coughs and colds and are said to allay the pains of rheumatism.

Turnips and parsnips contain an oily principle that accounts for their traditional value as an aperient and diuretic, while their juices are an old country remedy for coughs and hoarseness. Potatoes also contain a drug called solanine, which has diuretic properties.

Cabbages are rich in sulphur, therefore they are good for persons with scurvy and scrofula. Spinach is eaten as a laxative and blood medicine. The former quality is due to its indigestible fibres, the latter to the large amount of iron contained in its juice.

The tomato has been called veget-

able mercury because of the presence in it of a principle which stimulates the liver and produces salivation when taken in concentrated form. Carrots have a similar action for a similar reason, due to a drug called carotin which they contain.

By a study of these and similar facts our cooks may become our druggists and our kitchens our dispensaries.

### Spring Skin Blemishes ARE REMOVED BY ZAM-BUK.

Why suffer the humiliation of unsightly skin blemishes, such as pimples, boils or eczema, when they are so easily cured by Zam-Buk? Even the most advanced cases of eczema yield to Zam-Buk's great healing powers. Mr. Jos. Johnson, of 684 Broome Street, New York, writes: "I suffered untold misery for twenty years from eczema. Medical treatment was of no avail. I spent hundreds of dollars on salves and treatments, and all I got was mere temporary relief. At last I tried Zam-Buk, and I am pleased to say that perseverance with this remedy and Zam-Buk Soap has effected a complete and permanent cure."

Mr. Jock Snow, the Scotch comedian, of 47 Abbott Avenue, Toronto, writes: "I have used Zam-Buk for boils, and found it very soothing and a quick healer."

You want to end your suffering? To remove those unpleasant face or body sores? Then buy Zam-Buk. Sold by all druggists or store-keepers at 50c per box. Zam-Buk Soap 25c. per tablet.

Zam-Buk is also best for cuts, sores, bruises, piles, and as an embrocation for stiffened muscles rheumatism, sciatica.

### Eat the Crusts

Shall we eat the crumb of the bread or the crust? Ever since we were very young we have been told that if we ate the crusts our hair would surely be curly, but now there seems to be a scientific reason why we should eat them in preference to the inside of the bread. Crusts are really the most valuable part of the loaf. According to Prof. Du Bois of Paris the crust contains less moisture than the crumb and so is richer in solid constituents. The crust has also a more pronounced bread flavor, being more tasty, and so stimulates better the flow of digestive juices. Then, too, the crust is better digested in the month because of the difficulties in masticating it. If new bread were as thoroughly masticated as stale or dry bread is bound to be there would be no reason why it would be any less digestible.

Spare the children from suffering from worms by using Miller's Worm Powders, the most effective vermifuge that can be got with which to combat these insidious foes of the young and helpless. There is nothing that excels this preparation as a worm destroyer, and when its qualities become known in a household no other will be used. The medicine acts by itself, requiring no purgative to assist it, and so thoroughly that nothing more is desired.

## Are You Suffering From Auto-Intoxication?

The dictionary says that Auto-Intoxication is poisoning or the state of being poisoned, from toxic substances produced within the body. This is a condition due to the stomach, bowels, kidneys, liver, or pores of the body failing to throw off the poisons. More than 50% of adults are suffering from this trouble. This is probably why you are suffering from nervousness, headaches, loss of appetite, lack of ambition, and many other symptoms produced by Auto-Intoxication. Your whole system needs stirring up.

## DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

(In Tablet or Liquid Form)

Will remedy the trouble. It first aids the system to expel accumulated poisons. It acts as a tonic and finally enables the body to eliminate its own poisons without any outside aid. Obey Nature's warnings. Your dealer in medicines will supply you, or you may send 50c for a sample package of tablets by mail. Address Dr. R. V. Pierce, Buffalo, N. Y.

### Slang

Slang is a verbal vice. It is vile even unto villainy. It taints. It is often used by young people who regard it as an evidence of smartness, which, in fact it is in direct evidence to the reverse. It pollutes. A young girl's character is questioned by a stranger when he hears her use slang. It encourages familiarity. It leads by direct route to wrong doing, shame and remorse. A youth who uses slang is not trusted by men who give employment. The ability and repute of the young man are at once in question. No employer wants slang boy or girl about his store or office. They are not the kind of people to have about the safe and till. In the great cities, where the characters of people are known by their deportment and use of language as a book is known by its cover and contents, the slangy youth or maiden is at once set down as from some frogpond district. It is not regarded as smart. It is about as much evidence of smartness as wearing one's pants and adopting a swagger. Such a person is a butt of ridicule. So is a slangy person.

### Children Cry FOR FLETCHER'S CASTORIA

One of the oldest if not the oldest horse in Ontario died last week in Petrolia at the age of forty-two years. The horse belonged to Miss Edith Gillespie, and is one of the best known ponies in the town. Miss Gillespie has owned the animal for the last twenty years.

Wise mothers who know the virtues of Mother Graves' Worm Exterminator always have it at hand, because it proves its value.

### Things We Think

A man would tell his wife more if he was certain it would stop there, but it makes a man hopping mad to have a neighbor refer to some business difficulty that one wife has learned from the other.

Women don't make historians. Their memory of dates reaching back more than 25 years is too treacherous.

If Opportunity doesn't stop at your house hide in the corner of the door and knock it on the head when it goes by.

The bachelor who enjoys being free often wishes that he didn't enjoy it quite so much.

The months with 'r's in them are also the months when the mortality of grandmothers is lowest.

### WHY WE GUARANTEE THIS STOMACH REMEDY

If there are one hundred people in this town who suffer from indigestion, dyspepsia, or any other form of stomach complaint, we believe we can suggest a remedy that will relieve at least ninety-eight of them, and perhaps every one of the hundred. We'll do more than suggest the remedy—we'll promise to give back the money to each and every one of the hundred that are not relieved. That's how much faith we have in Rexall Dyspepsia Tablets.

Containing Pepsin and Bismuth, two of the greatest digestive aids known to medical science, as well as other necessary ingredients, Rexall Dyspepsia Tablets soothe the inflamed stomach lining, aid the secretion of gastric juice, check distress and heartburn, promote regular bowel action and make it possible for you to eat what you like and as much as you like without fear of consequences.

Don't suffer any longer from dyspepsia or indigestion. Use Rexall Dyspepsia Tablets, and you will be just as enthusiastic about them as we are, and just as ready to urge them on your friends. Sold only at the Rexall Stores, and in this town only by Dr. J. W. McLaren, 25c, 50c and \$1.00.

J. W. McLAREN, Watford.

### Adenoids in Children

Many young children are troubled with a growth in the throat called "Adenoids" which affects their hearing, taste, etc., and causes them to catch colds, suffer from earache and a general lowering of the vitality. Often their lack of knowledge they are classed stupid and bad and are unjustly punished for their misfortune.

The advent of the school nurse so appointed in Sarnia, and the doctor now changing all that. A simple harmless operation occupying only a few minutes removes this unnecessary growth while the beneficial results are so immediate and gratifying as to make parents and teachers enthusiastic advocates of it. A few years of medical attention in the schools, with hygienic teaching and practice, should see scourge of childhood completely wiped out, or at least robbed of its possibility for harm. When this is done, in the opinion of Mr. Neil McDougall, P. S., at least two-thirds of all cases of adenoid growth and three-fourths of its wardness in children will disappear.

## Protect and Beautify your home

LOWE BROTHERS

# HIGH STANDARD PAINT

TRADE MARK REGISTERED

The paint of "Proven Performance" will insure for you THE BEST LOOKING HOUSE IN YOUR NEIGHBORHOOD

It is a great pleasure to know that your house is the best looking in the neighborhood.

Besides this pleasure it is a satisfaction to know that your house is well protected from the destructive elements of weather—rain, sunshine, heat, cold, etc.

Talk over the neighborhood improvement idea with your neighbors. Plan to make yours the neatest and prettiest neighborhood in this city. Paint and flowers will make the change.

**PAINT INFORMATION** and color combinations for exteriors, interior walls, floors, woodwork and other surfaces needing Paints, Varnishes, Enamels and Stains—at our store, **FOR THE ASKING.**

**T. DODDS & SON - WATFORD**

HIGH STANDARD PAINT (of today) is the result of 40 years of experience in paint making. This experience plus improved machinery—plus highest grade materials—plus expert labor—insures a paint quality that **"Gives Best Results."**

It is called "The Paint of proven performance," and is more economical than ordinary paints—when covering, spreading, beauty of finish and number of years of wear are considered.

## KEPHALDOL CURES COLDS AND LA GRIPPE IN HALF A DAY

Thank the famous Herr Doctor Stoil of Vienna, Austria, for allowing I personal prescription for relieving pain to be sold in Canada. The Doctor used "Kephaldol" in thousands of cases both in private practice and in his hospital clinics. He has proved to the delight of the medical profession, that attacks of La Grippe and Colds could be ward off and broken up in 12 hours by using "Kephaldol" at the first one or sudden chill. Two or three "Kephaldol" tablets at bedtime and two the following morning, will usually insure a complete cure, although in very severe cases, it may be necessary to continue treatment for a short time, taking "Kephaldol" tablet every three hours. "Kephaldol" has the pleasant property of relieving all the distressing symptoms of a "bad cold"—clearing the head, stopping the throbbing headaches—relieving the pain in the back and limbs—enabling one to eat and sleep in comfort. Keep "Kephaldol" in the house, ready to take at the first sign of a cold. If a druggist should not have the stock of these tablets, write Kephaldol Ltd. 31 Latour Street, Montreal.

### DAIRY VALUE

Dominion Department of Agriculture Dairy Division, Ottawa

In the commercial world it is reasonable to assume that what you pay and what you get determine value; a low price, in itself, does not spell value; price and quality, together, determine value.

As applied to the dairy herd, how does this work out? A farmer does not necessarily buy a cow because the price is low, he wants quality; in this case quality may be interpreted to mean dairy capacity, or ability to produce plenty of good milk.

If he does not purchase, possibly the heifer coming into milk has been raised at rather to high a cost so that her dairy quality is impaired. She may not be of the right stock, that is, from a dam of deep milking qualities and a sire of known ability, and all may have suffered from lack of the right food.

The other part of the value side of every dairy cow, that is, what you get from her, is right in the dairyman's own hands. He can easily determine each cow's value, or dairy quality, by keeping individual records of production. Then if he wished to part with a good cow, her selling price is enhanced by reason of that certificate of value, her record, with which to fix the price. Right buying is true economy; the factory patron with the highest conception of value will buy or raise, right, and will know, by his own simple records that each cow in the herd separately, not averaged in a lump, fits his ideal of value. Fix a good standard, make each cow pay. Milk and feed record forms are supplied free by the Dairy Commissioner, Ottawa.

### Dr. Morse's Indian Root Pills

exactly meet the need which so often arises in every family for a medicine to open up and regulate the bowels. Not only are they effective in all cases of Constipation, but they help greatly in breaking up a Cold or La Grippe by cleaning out the system and purifying the blood. In the same way they relieve or cure Biliousness, Indigestion, Sick Headaches, Rheumatism and other common ailments. In the fullest sense of the words Dr. Morse's Indian Root Pills are **A Household Remedy**

# PAIN IN MY BACK IS ALL GONE

Since I Got a Box of Gin Pills

CRUICK ST., CORNWALLIS, N.S. January 23rd,

"About a year ago, I was suffering so much with a dreadful Lame Back and Hips, that I could not stand up straight. I was informed by a friend about GIN PILLS. I got a box. It helped me immediately. I have taken about twelve boxes and the pains in my back and hips are all gone. I cannot speak too highly of the wonderful effects of your GIN PILLS."

B. C. DAVID Liniments and plasters won't cure Lame Back—because they never reach the part that is causing the pain. The whole trouble is with the Kidneys and you must cure the Kidneys in order to stop the pain. GIN PILLS cure weak, sick, strained Kidneys as nothing else will. GIN PILLS drive away the pain every time—or your money promptly refunded. 50c. a box, 6 for \$2.50. Sample free if you write National Drug & Chemical Co. of Canada, Limited, Toronto. MANGA-TONE BLOOD AND NERVE TABLETS help pale, nervous women to get well. 50c. a box. 199

### The Experimental Farms Report

The information contained in the Annual Reports of the Experimental Farms of the Dominion Department of Agriculture is so varied and complete as to render these yearly volumes almost worthy the name of "Encyclopedia of Agriculture." The Experimental Farms System embraces the Central Farm and twenty Branch Farms and Stations, each managed by a staff of specialists. At these wide-spread, well-equipped institutions practically every phase of agriculture, from the study and suppression of plant diseases to the breeding and raising of all manner of orchard, garden and field crops and

classes of farm animals, are taken up. In addition, seven outlying substations carry on and report upon work of an agricultural nature.

The report for this year ending March 31st, 1913 makes a volume of nearly 700 pages crammed with the most of what was accomplished and found out during the year. The information is so classified and treated as to be readily available to the reader in whatever subject he may chance to be interested. A large edition has been printed so as to supply for some time at least every applicant who will drop a card for a copy to the Publications Branch, Department of Agriculture, Ottawa.

### A Smile or Two

A foreigner meeting an American friend, said to him, "How are you?" The latter replied, "Out of sight." The man considered this very clever, and decided to use the expression on the next occasion. Shortly after he was met by a friend who asked, "How are you?" With visible pride he answered, "You don't see me."

Husband (shaving) —Bother the razor!  
Wife—What's the matter now? You're dreadful ill-tempered!  
Husband—the razor is so abominably dull!

Wife—Dull? Why, I ripped up an old skirt with it yesterday and it cut beautifully.—Punch.

"No adults admitted," interposed the stage-door keeper as the frenzied mother tried to break in on the children's fancy dress ball."

"But I must go in. My little girl's in there and she's forgotten part of her costume. She has gone on as a butterfly without her wings. I want to put the wings on her."

"Can't help it, mum; my order is to let no adult pass. You'll have to let your little girl go as a caterpillar."

Tommy was having a quiet talk with his mother. He wanted to know why Mr. Jinks married Mrs. Jinks. His mother wasn't able to tell very clearly. Tommy thought a while, and then asked:

"Mother, why did you marry dad?"

"Tommy, I married your father because he saved me from drowning," replied his mother.

"Is that why dad's always telling me not to learn how to swim?" said Johnny.

### A REAL NERVE AND BODY-BUILDING MEDICINE

We believe Rexall Olive Oil Emulsion is the best remedy made for toning the nerves, enriching the blood, building up wasted tissues, renewing health, strength and energy—the best medicine you can use if you are run-down, tired out, nervous and debilitated, no matter what the cause. It doesn't depend for its good effect upon alcohol or habit-forming drugs, because it contains none. It may not make you feel better in a few hours, but it will make you feel better, we are sure, just as soon as the tonic and food properties it contains have a chance to get into the blood and, through the blood into the rest of the system. Pure Olive Oil and the Hypophosphites have long been endorsed by successful physicians, but here, for the first time, they are combined into one preparation which, as a nerve-food and a builder of strength and health, we believe, has no equal.

If you don't feel well, begin taking Rexall Olive Oil Emulsion today, and build your health and strengthen your systems against more serious illness. To convalescents, old people, puny children and all others who are weak, run-down or ailing, we offer Rexall Olive Oil Emulsion with our personal promise that, if it doesn't make you well and strong again, it will cost you nothing. If we didn't have the utmost faith in it, we wouldn't offer it with this guarantee, nor even recommend it to your friends, and thank us for having recommended it to you. Sold only at the more than 7,000 Rexall Stores, and it is this town only by us. 51c.

J. W. McLAREN, Watford.

The Wallaceburg Electric Light Company has accepted the town's offer of \$30,000 for the plant.

At the regular monthly meeting of Glencoe council on Monday evening a by-law to consolidate the floating debt of the village by issuing debentures to the amount of \$8,000 and a by-law to establish a Carnegie Library were provisionally adopted. These will be submitted to the vote of the ratepayers on Monday, May 11th.

When Holloway's Corn Cure is applied to a corn or wart it kills the roots, and the callosity comes out without injury to the flesh.

Sandwich town and council has decided to lay cement pavements on London street and Askin avenue at an estimated cost of \$50,000, and petitions for the paving of other streets are under consideration. No trouble will be experienced in raising the money for local improvement works, as Dr. Dupuis, a wealthy resident of the town, has promised to furnish all the cash needed for such undertakings.

AN OIL WITHOUT ALCOHOL.—Some oils and many medicines have alcohol as a prominent ingredient. A judicious mingling of six essential oils compose the famous Dr. Thomas' Electric Oil, and there is no alcohol in it, so that its effects are lasting. There is no medicinal oil compounded that can equal this oil in its preventive and healing power.

### BRONCHITIS CONQUERED

Royersford, Pa., Man Tells How

At this season of year with such sudden changes, it is so easy to take cold, and almost before one is aware there is inflammation in the bronchial tubes—a hard cough and unless checked in time chronic pulmonary troubles may result.

Townsend Young of Royersford, Pa., says: "A severe bronchial trouble contracted caused me much difficulty about breathing. My chest felt clogged up and there was considerable soreness. I tried different remedies without help; but I am glad to say that Vinol cured my bronchial trouble which had lasted for three months. My breathing is all right and the soreness entirely gone from my chest."

Vinol contains the curative, healing principles of fresh cod's livers (without oil) and tonic iron. We guarantee it to be delicious in taste and to satisfy you with its medicinal effects.

FORD

**Guide-Advocate**  
HARRIS & CO. PROPRIETORS.

WATFORD, MAY 1, 1914.

**NOTE AND COMMENT.**

Three towns in Colorado are today under fire of machine guns in the hands of striking miners. In this local war twenty men were killed in one day, and the conflict seems to steadily increase in seriousness. There is a work for statesmen in adjusting such causes of strife as exist in Colorado.

English manufacturers having shown such lukewarm attitude towards the proposal for a British exhibition train to tour Canada, the Canadian Press learns that subscriptions are now being sought to send a British commissioner to Canada to study opportunities for trade with the Dominion, especially in view of the opening of the Panama Canal. It is hoped a hundred firms at least will be willing to subscribe £25 each towards this object.

Under legislation introduced by Hon. James S. Duff, Minister of Agriculture, the improvement of live stock in the Province is to be secured by prohibiting anything but pure-bred stallions to be used for service after 1918. The stallion enrollment act is to be amended, requiring compulsory inspection by Government officers. The various classes of grade stallions are to be eliminated gradually, so that only pure-bred stock will be available after the year above named. Another bill to protect pure-bred stock, imposes a fine on the owner of any bull that runs "at large," which means that the animal must be attended when it is travelling on the highways or away from its home.

**Mexico's Need**

However President Wilson's policy may eventuate in the immediate future there is good reason to believe that it will in the end make for the good of the Mexican people. Originally Mexico was a country of small landholders, having prescriptive rights through generations of occu-

pancy but without written titles. During the regime of Porfirio Diaz a series of acts were promulgated which transferred the ownership of the land from the actual tillers of the soil to the men of wealth, who reduced them to a point indistinguishable from slavery. Madero's success came through his promise to restore land to its original owners and occupiers. His failure to fulfil his promise led to his downfall.

Much, possibly all, of the popularity of General Villa is due to his action in confiscating the estates of the great land owners and redistributing them among the people. This, in itself, although it may have led to internal trouble, may prove in the end to be of permanent advantage. All recent observers, who have studied the situation from the inside, agree that in the restoration of peasant proprietorship lies the real hope of Mexico. They united in praising the virtues of the ordinary, common day Mexican and in recognizing that his one and only desire is to be left at peace to cultivate his holding and reap the reward of his labor. What to all appearance Mexico needs is the strong man who will secure this and prepare the way for real self-government.

**CHOP STUFF.**

John Tracy, a Petrolia driller, died in Sumatra.

A cadet corps is being formed in connection with Glencoe high school.

An entry fee of \$1 is charged for each horse at the Glencoe spring show.

Elihu B. Smith, J. P., Alisa Craig, died after a few hours illness, on Friday.

The new English church at Theford will be dedicated by the Bishop on May 24th.

Wyoming street lamps have been cleaned and the glim can now be discerned ten yards away.

Work of laying the new gas mains between Petrolia and Oil Springs by the Union Gas Company was commenced the first of last week, and the gas will be turned into the mains within six weeks.

The death occurred at the family residence, Lot 7, Con. 3, on Friday, April 10th, of Samuel Lamb, aged 69 years, 4 months and 22 days, who for the past forty-four years had resided in Brooke township.

The American Hotel, Glencoe, one of the oldest in Western Ontario, has been sold by Samuel Hart to McAlpine and McEachern, grain dealers, and it will be converted into a store and private dwelling.

**BEFORE** you decide on that wall papering come into this store and see the latest designs that we have just taken into stock. Much of the value of wall paper depends on effect and artistic combination.

Let our experience with hundreds of other customers help you. Come in to-day.

Have you seen our spring stock of shoes? Some odd lines to be cleared out regardless of cost.

SWIFT, SONS & CO.

**Here's an Ad for 'Dad' and Mother**

SWIFT, SONS & CO.

THE increasing demand for Boys' Suits is proof of their superiority. Here are hundreds of the stunning new "Norfolks," in a dozen different styles—Russian Suits, Sailor Suits, Patch Pocket Suits, just like daddy wears. Materials are so varied and the models so handsome that the only real way to understand what we have prepared is to bring the boys and view the showing. They start as low as \$2.40 and graduate easily up to \$10.00, but particularly strong values from \$3.50 to \$8.00.

We want you to see our stock of children's white and fancy dresses. We have bought a stock of samples at a big discount and the wee garments are selling at prices that will surprise the closest cash buyers, starting at 49 cents.

New coats every week. Get the habit of calling to see our new goods weekly.

By actual count we have twenty-eight (28) Ladies' Suits, sizes 34 to 40 and 16 to 18 years' old style for young ladies. Owing to this stock being so heavy we will give special prices. Come and see for yourself if interested.

**GRAND DISPLAY OF CARPETS AND RUGS**

- Wilton Rugs.....\$24.00 to \$30.00

PRIVATE and other money to loan on mortgages at lowest rates. A few good dwelling house properties in Watford for sale. Before buying elsewhere apply to W. E. FITZGERALD, Barrister, Watford.

**Wool Growers**

Proposed Assistance To Associations By the Live Stock Branch of the Dominion Department of Agriculture in the Marketing of Their Wool Clips

The Live Stock Branch of the Dominion Department of Agriculture is prepared to offer practical assistance this year to Associations of wool growers in the preparation and display of their wool clips for market. Associations, in order to receive this aid, must be organized in accordance with the regulations of the Branch and membership is limited to actual owners of sheep. West of Fort William an Association must contain at least 3,000 sheep, or sufficient to comprise one carload of wool; east of there, a relative number. The services of expert wool classifiers, who will take charge of and perform the grading, classification and preparation of wool, will be provided. This proposal represents much more than a mere continuation of the work undertaken last year, when two wool classifiers, in the employ of the Live Stock Branch, visited the Western Provinces and gave practical instruction and advice to sheep-raisers upon wool growing. Rather it means the introduction of a definite scheme whereby wool producers may be actually assisted in preparing and presenting their wools upon the market in the most acceptable fashion and thus

be in a position to cater more directly to the requirements of the market. Moreover, it should prove effective in developing and improving the general status of sheep-raising and in creating an impetus to the production and preparation of an improved grade of wool and indirectly a better class of mutton.

The Branch will also provide the means for the establishment of a central bureau for the distribution of current information respecting domestic and foreign markets of wool, so that the Associations may be constantly in command of complete knowledge concerning the source of the demand and the ruling price of all grades. Reliable information of this nature will serve as an excellent asset to an Association in directing its policy and placing it in closer relationship with the demands of the trade.

Sheep-raisers desirous of taking advantage of this offer and of forming an Association should write, for detailed information and application forms, to the Live Stock Commissioner, Ottawa.

Benheim will use oil instead of water on its streets this year.

Spraying from one side of a tree only is of little or no use to control scale. The trees must be drenched with it from every angle, and where the scale is at all bad a retouching spray should be given. By all means use some extra lime as a marker.

Dr. and Mrs. Fairbank and family will leave Petrolia on Thursday, April 30th for California, where they will spend the next few months. The doctor will make a short visit home in June to attend the midsummer session of the county council.

Miss Chrysler, a niece of the late J. H. Fairbank, died suddenly at Guelph, Saturday. She was taking a course at the McDonald Institute and seemed to be in her usual health on Friday evening. She was found dead lying on her bed fully dressed.

MARKETS WATFORD

Table with 2 columns: Commodity and Price. Includes Wheat, Oats, Barley, Beans, Timothy, Clover Seed, Alisike.

Table with 2 columns: Commodity and Price. Includes Butter, Lard, Eggs, Pork, Flour, Bran, Shorts.

Table with 2 columns: Commodity and Price. Includes Wood, Tailor, Hides, Wool, Hay.

Table with 2 columns: Commodity and Price. Includes Potatoes, Turkeys, Chickens, Fowl, Ducks, Geese.

Table with 2 columns: Commodity and Price. Includes Wheat, Oats, Butter, Eggs, Pork.

Toronto, April 28.—The market continues strong and higher for all grades of cattle owing to the exceptionally light runs coming in this week. Choice butcher cattle are 20c to 25c higher than last week and in a few cases go more than that. An extra choice lot of six heavy steers, weighing 1,440 pounds, sold at \$8.50 and another small lot at \$8.40. Good choice butcher cows are strong at \$7 to \$7.25 and in one or two cases higher.

The sudden jump in prices this week is entirely owing to the temporary supplies.

Table with 2 columns: Commodity and Price. Includes Hogs, Butcher cattle, Cows, Bulls, Good bulls, Rough bulls, Feeding steers, Shortkeep, Stockers, Canners and cutters, Milkers, Sheep, Bucks, Hogs, Hogs, off cars, Lambs, Spring lambs, Calves.

East Buffalo, April 28.—Cattle—Receipts, 2,000; priced unchanged. Veals—Receipts, 50; active and steady.

\$5 to \$9. Hogs—Receipts, 2,500; slow and 5c to 10c lower; pigs, strong; heavy \$8 to \$9; mixed, \$9 to \$9.05; yorkers and pigs, \$9.05 to \$9.10; roughs, \$9 to \$8.15; stags, \$7 to \$7.50; dairies, \$8.75 to \$9. Sheep—Receipts, 1,400; active; sheep, steady; lambs, 25c higher; lambs \$5.50 to \$7.75.

Warwick Pathmasters

The following is a list of pathmasters and other officers for the township of Warwick for 1914:—

**How Do Glowworms Glow.**

Some of the mystery concerning the source and character of the supply of light which the glowworm and the firefly furnish at will is being cleared up. That mystery has been diligently inquired into ever since electric lighting was achieved and the problem of light without heat became even more than ever pressing.

The phosphorescent theory by way of accounting for the light given out by these insects had not been entirely satisfactory, owing to the brilliancy of the flashes produced by these tiny animals. Prof. Pethen gives an account of the effect of lightning on the glowworm. He had a number of them in glasses.

For an hour, from 8:15 p.m., when the lightning flashes were very frequent, he kept the larvae under observation. The unusual amount of electricity in the air certainly appeared to affect these larvae, for tiny bright greenish lights kept appearing and disappearing, from first one glass and then another, throughout the time that they were watched. Occasionally there would be lights showing in all four glasses at the same time, when from six to twelve distinct points of light could be seen; at other times there would be only three or four lights visible.

This appears to indicate that glowworms and fireflies are equipped with natural storage batteries, but the question remains, what becomes of the heat?

**Added a Postscript.**

A man was on trial before a western judge for horse stealing, and when it came time for the lawyers on both sides to tell the judge what instructions they wanted him to give to the jury in addition to the points covered in his own charge the attorney for the defence said, "I respectfully ask your honor to instruct the jury that it is a fundamental principle of law in this country that it is better for ninety-nine guilty men to escape than for one innocent man to be found guilty."

"Yes, that is true," said the judge, "and so instruct the jury, but I will add that it is the opinion of the court that the ninety-nine guilty men have already escaped."

**More Than His Match.**

Patrick Casey is blessed (or otherwise) with six fine strapping sons, every one of them "a broth of a boy." The other day friend Flaherty paid Patsy a surprise visit.

"Them's six fine boys yo' have, Casey," he observed.

"Yes, indade," answered Patsy.

"Do yer ever have any trouble with them?"

"Trouble? Divil a bit. I've never had to raise me hand to anyone of them—except in self-defence."

**LOCAL WOMAN NOW A BIG ADVERTISER**

When one of our woman customers recently bought five bottles of Harmony Hair Beautifier to give to her friends for Christmas, she started all by herself a mighty big advertising campaign, because not only does each one of the women to whom she gave a bottle of the Beautifier now consider it indispensable for the proper care of the hair, but each of them has been the means of getting several of her friends to use it. As a consequence, it things keep on in this way for a few months longer, we will be selling more of it than of all other hair preparations combined. Sprinkle a little Harmony Hair Beautifier on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure hair shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold only at the more than 7,000 Rexall Stores, and in this town only by us.

**J. W. McLAREN, Watford.**

**Killed By Circular Saw**

Brigden, April 22.—A fatal accident occurred in Haynes sawmill here this afternoon. While working near the large circular saw, which was cutting stove bolts, Frank Robins was instantly killed by being struck on the head with one of the pieces of timber which was caught by the saw after being cut. Mr. Robins moved here a few months ago from the Canadian Soo, and is survived by his wife and two small children.

Attacked by Asthma.—The first fearful sensation of suffocation, which hour by hour became more desperate and hopeless. To such a case the relief afforded by Dr. J. D. Kellogg's Asthma Remedy seems nothing less than miraculous. Its help is quickly apparent and soon the dreadful attack is mastered. The asthmatic who has found out the dependability of this sterling remedy will never be without it. It is sold everywhere.

**Howden-Dunn**

Hamilton, April 22.—Christ Church Cathedral was the setting this afternoon of a bright event, when the marriage was solemnized of Miss Lydia Dunn, daughter of Mr. and Mrs. G. S. Dunn, to Mr. Norman Howden, son of Mr. and Mrs. D. H. Howden, London, Ont. The chancel of the cathedral was banded with palms and vases and bouquets of Easter lilies and masses of white bloom lent beauty and fragrance to the interior.

The service was chanted by a full choir and Miss Ambrose rendered the nuptial music. Preceded by the ushers, Messrs. Owen Dunn and Jack Stewart, the bridesmaids, Miss Gladys Bruce and Miss Beatrice Brown, and the matron of honor Mrs. Jack Stuart, the sweet young bride entered with her father, who gave her away. Meeting at the chancel the bridegroom, his best man, Rev. Samuel Rigby Heakes, of London, and the Very Rev. Dean Abbott, who read the service.

Very girlish and charming looked the bride in her gown of white charmeuse satin, with an overhead opening in front over petticoat of rich lace, the hem of the gown stitched with seed pearls, bodice veiled in old point lace and court train. A veil of old lace, a family heirloom, and an old-fashioned bouquet of white roses and lilies of the valley completed a dainty bridal toilette.

Following the church ceremony, a reception was held at the bride's parents, 182 George street, the bridal couple leaving later by the T. H. & B. for New York, to sail on Saturday by steamer Lapland for Antwerp.

The groom's gift to his bride was a handsome necklace of diamonds and sapphires set in platinum. To the matron of honor and bridesmaids sterling silver vanity bags, and to best man and ushers, gold penknives.

A pill that proves its value.—Those of weak stomach will find strength in Parlee's Vegetable Pills, because they serve to maintain the healthful action of the stomach and the liver, irregularities in which are most distressing. Dyspeptics are well acquainted with them and value them at their proper worth. They have afforded relief when other preparations have failed, and have effected cures in ailments of long standing where other medicines were found unavailing.

A doctor in Tasmania claims to have successfully treated 40 cases of cancer with X-rays filtered through silver, copper or tin.

The towers of the Panama cathedral are roofed with lead sheets, which deflect the sunlight so that they can be seen far out at sea.

Paper dust exploded with fatal results when workmen carried lighted lanterns into a room filled with it in a paper tube factory in France.

A number of ordinarily law-abiding citizens will soon become solons for a few months.

When speaking of sound political timidity most candidates seem to think the noisy kind is referred to.

**ROYAL YEAST**  
MAKES PERFECT BREAD

**Death of William Risk**

On Tuesday morning, April 14th, after an illness of several months, there passed peacefully to rest one of Brooke's well known and respected residents in the person of William Henry Risk.

Deceased was in his seventy-sixth year, having been born in Raleigh Township, County of Kent, in January 1839. He came, when a child, with his parents to lot 12, con. 1, Brooke, where he grew to manhood.

For a number of years he followed the profession of school master in Ontario and in Missouri. Then some 27 years ago he settled on lot 15, con. 6, Brooke, where he has since resided. In 1867 he married Mary Simpson, of Duart, who with three sons and two daughters remain to mourn the loss. The sons and daughters being Fred and Mrs. Wm. Mellis, of Brooke, Frank, of Edmonton, Alta., Annie and Guy at home.

The funeral was held from his late residence on Thursday, April 16th, the services being conducted by Rev. C. F. Logan, pastor of Methodist church, Alvinston, of which deceased was a member.

People in this old world seem bound to be unhappy. The man who fails to win a girl is not satisfied—no more than the man who gets her.

A lens built in France for a new 940,000 candlepower lighthouse in Hawaii is expected to project the light 40 miles.

The labor of tracing is eliminated by a new electrical machine by which blueprints can be made directly from drawings.

"Put your name on your advice the Bracebridge farmers. It would be a great source of interest to through the country."

**The economical decoration of your home is largely a matter of knowing the right finishes to use.**

For the exterior of your home there is no better paint than Sherwin-Williams Paint (Prepared) SWP. It is made of the purest of materials, combined in correct scientific proportions with the aid of special machinery. The result is a far spreading, long wearing paint in liquid form, all ready to apply.

For floors, the easiest finish to apply is S-W Inside Floor Paint, and this gives particularly good results even on old worn or discolored floors. On a good hardwood floor the best finish is S-W Mar-not, a hard-drying waterproof floor varnish.

For the walls of your home, while water paints, such as S-W Decostat, give pleasing effects, they have not the durability which means true economy, Sherwin-Williams Flat-tone is unquestionably the best paint for walls. It is an oil paint that dries with a soft, flat, velvety finish. It is very durable and can be washed with soap and water. S-W Flat-tone comes in twenty-four beautiful colors, the selection of expert decorators.

For the varnishing of interior work such as wainscoting, doors, furniture, etc., we recommend S-W Excello Varnish, or S-W Kopal, an old fashioned, general purpose varnish, which can be used inside and outside and is just the thing for varnished woodwork in kitchens, bathrooms, or for front doors, porch ceilings, etc. For floors use S-W Mar-not, a special waterproof floor varnish, will not turn white when water is spilled on it, nor does it show scratches and heel marks readily.

We can take care of your every paint and varnish need. Drop in and discuss your paint and varnish problems with us.

## TREASURES OF THE DEEP.

Some of the Difficulties Which Confront Divers.

Hundreds of millions sterling in gold, silver, copper and precious stones are lying on the bottom of the sea, ready to the hand of the first person who will devise means of recovering them. Inventors in every part of the world (says Mr. F. Parker, writing in The Popular Mechanic's Magazine) are building submarine boats, diving armor, dredging apparatus and other devices, solely for the purpose of finding and bringing to the surface these sunken treasures. The two main problems to be solved are those of protection against water pressure and of providing light in which to work. The latter problem is more easily solved than the former. Modern developments in electric lighting make it practically certain that powerful searchlights can be devised which will give sufficient illumination for salvage operations at depths as great as 400 feet. The other and more serious problem is that of pressure. The ordinary diver's equipment depends upon a constant supply of air pumped in from above, and a rubber suit with a metal helmet, all airtight, or nearly so, to keep the water from rushing in the minute the pressure the air pumped through the hose becomes less than the water pressure from outside. At 200 feet the water pressure is a little over 8 1/2 pounds to the square inch; at 250 feet it is over 10 1/2 pounds; at 300 feet it is 13 1/2 pounds—and many of the sunken treasure ships lie at even greater depths. Very few divers have descended as deep as 100 feet. One adventurous young man went down 196 feet in Puget Sound, but on a second attempt his helmet was crushed by the 85 pound water pressure, and he was hauled up dead. Two English naval officers are said to have descended 210 feet, but could remain at that depth only a few seconds. The problem of getting down to the deep-lying treasure ships, therefore, is essentially one of constructing a mechanism sufficiently rigid to withstand the terrific water pressure. It must carry its own supply of oxygen, and it must be so constructed that the diver inside it can accomplish something after he reaches the wreck, even if he can do nothing more than attach a grappling hook to a copper ingot.

### Won't Give Up Native Dress.

The church authorities of Munich have taken a stand against the picturesque costume of the Bavarian peasants. "Men who wear short trousers which show a part of the bare leg," said the Archbishop of Munich, "will not receive the comforts of the church." A tourist, writing from that city, says: "These people seemed to think more of their native dress than of the comfort. To show this they paraded, accompanied by women in their equally picturesque dress; were reviewed by the prince regent, and 200 couples danced the schuhplattler with a vim which would have been impossible had the men and women worn conventional dress. A schuhplattler with long pants would be as comfortable as a foot-ball player on roller skates."

### Had a Hard Cheek.

Mr. Cooke was a traveling man and was slightly injured in a railroad accident. One of the officials of the road went to his home to break the news gently to Mrs. Cooke. "Madam," he began, "be calm. Your husband has met with a slight—that is to say, one of the drive wheels of a passenger locomotive struck him on the cheek, and"— "Well, sir," interrupted the woman, "you needn't come around here trying to collect any damages of me. You won't get a cent. If your company can't keep its property out of danger it'll have to take the consequences. You should have your engine insured!"

## A BETTER REMEDY THAN NASTY SALTS

Few people like to take physic, especially salts, because they are so disagreeable to take and because of the griping and pains they cause. Rexall Orderlies enable you to take less physic, and all without griping, purging or excessive looseness. Salts and harsh physics usually give only temporary relief and often leave the bowels worse off than before. Rexall Orderlies move the bowels promptly, and soothe, tone and strengthen the intestinal muscles, leaving them healthy and regular in action. They taste like candy, and the movement they cause is as easy and natural as though your bowels were in perfect health and you never had to take any physic at all. We have so much faith in Rexall Orderlies that we urge you to try them with the understanding that, if they do not satisfy you in every way, all you have to do to get your money back is to tell us. We honestly believe them to be the best bowel remedy made. In vest pocket tin boxes; 10c, 25c, 50c.  
You can buy Rexall Orderlies only at The Rexall Stores, and in this town only of J. W. McLAREN, Watford.

Forestry experts have demonstrated that teak timber can be raised on plantations that is as strong as that from natural forests.

## THE HOWDEN EST

## This Farmer Shows How Good Roads Benefit

MR. J. J. HOUSTON, who lives on a road that has lately been improved, in Lauderdale County Mississippi, makes the common-sense statement which follows:

"I have never made an investment for which I have gotten as much financial returns and satisfaction out of as I have out of this road. The advancement in property alone has been sufficient to four or five times pay the whole cost of construction, and I don't think the county could make any investment that would bring in as much returns as to build a network of them all over it. It is such a good thing that I want every man in the county to have one just like it, and I am willing to pay my part of the taxes to help him get it."

### Build Concrete Roads

Then your road taxes will be *invested* and not merely *spent*. They will return many times the amount they cost, and those returns will show in the increased valuation of your property, the lessened cost of marketing your produce, the longer life of your horses and vehicles, the greater conveniences and general prosperity of your community.

Concrete roads outlast all other kinds of roads and require practically no repairs for many years. They are safe, clean, permanent and passable every day in the year.

Write for, free, Good Roads literature and learn how good roads will better your conditions. Address:

Concrete Roads Department  
Canada Cement Company Limited  
808 Herald Building, Montreal

About nine years ago the Perforated Pad Co., Woonsocket, R. I., covered their factory with J-M Asbestos Roofing. Recently they had an interior fire which burned almost through the roof boards, but the Asbestos Roofing was entirely unharmed—didn't leak—was as water-tight after the fire as before, and what was more to the Perforated Pad Co., this fireproof roofing prevented further spread of the fire—prevented several times greater damage.

## J-M ASBESTOS ROOFING

is just as fireproof as slate, with none of the shortcomings of slate. It is all-mineral. We use Asbestos as its base. Asbestos, you know, is a rock. This all-mineral Asbestos Roofing does not rot or decay—doesn't go to pieces like other ready roofings. And it doesn't rust like tin. It is unaffected by acids, chemical fumes, gases or salt air. And it is the only prepared roofing that never needs painting.

Write for Booklet telling all about J-M Asbestos Roofing.

goes for other things, but do not be stingy with your eyes. A little help in time saves worry. Spend more money

ON YOUR EYES

if they require help, and you will be repaid a hundred-fold with comfort. Our optical work is good. Let us be your optician.

CARL CLASS

JEWELER ISSUER OF MARRIAGE LICENSES

COMPETITION IN FEEDING HOGS FOR PROFIT

Open to Young Men in Lambton County under Twenty-five years of age.

The winner to receive a two weeks Short Course in Live Stock and Seed Judging at the Ontario Agricultural College, in January 1915 including all transportation and living expenses.

With the hope that it may result in some valuable information regarding the feeding of swine and demonstrate the profit side of this industry, the Lambton Branch of the Department of Agriculture announces a "Feeding Hogs for Profit" Competition. Following are the rules under which this competition shall be conducted.

- 1. This competition shall be confined to farmers' sons under twenty-five years of age or those who have taken a course in Agriculture with the District Representative.
2. There must be five entries before the competition can be conducted. Entries close June 1, 1914.
3. Hogs are to be weaned at six weeks and fed until seven months old, when they will be carefully inspected and weighed by the District Representative. All reports must be in by December 10, 1914.
4. Each contestant must feed three hogs. A fourth may be fed and used as a spare in case of accident or disease.
5. The hogs must be fed and cared for by the contestant and an accurate record kept of the kind and amount of food consumed.
6. After entry is made the District Representative will inspect the hogs and mark with ear tags or in some equally suitable way. He will also give the contestant directions re keeping accurate account of the food consumed and the cost of same.
7. A uniform price will be allowed for the various kinds of feed used by the contestants—refuse from house not to be fed.
8. A suitable form will be supplied, to each contestant for making statement of costs, etc. The contestant will be required to sign a statement as to the truthfulness of his figures.
9. The prize will be free transportation and living expenses to the Two Weeks Short Course in Live Stock and Seed Judging at the Ontario Agricultural

College, January 1915. The winner will be selected in the following basis:—(a) 50 points for the highest net profit. (b) 50 points for type and finish, this judging to be done with the bacon hog score card. This prize will go to the man who best combines economic feeding and ideal bacon type.

11. Where there are more than twelve entries, two men will be sent to Guelph. Those wishing to enter this competition are requested to notify the District Representative as early as possible. G. G. BRAMHILL, District Representative, Department of Agriculture, Petrolia, Ontario.

Noxious Weeds Inspector—John Pollock.

From Old Subscribers.

Mr. W. H. Stewart writes from Rouleau, Sask., on April 20.—The weather is bright and promising for seeding. The farmers commenced the 13th, and the ground being in splendid shape the prospects are that they will be through by the last of the month. The Warwick people around here are all well, and from appearances are prospering in this great West. Am sorry to hear through the Guide of the death of several old acquaintances of mine, notably Alex. Laird, and last week of John Reynolds, particular friends of mine while in Warwick.

BANISH PIMPLES AND ERUPTIONS

In the Spring Most People Need a Tonic Medicine.

One of the surest signs that the blood is out of order is the pimples, unsightly eruptions and eczema that come frequently with the change from winter to spring. These prove that the long indoor life of winter has had its effect upon the blood, and that a tonic medicine is needed to put it right. Indeed there are few people who do not need a tonic at this season. Bad blood does not merely show itself in disfiguring eruptions. To this same condition is due attacks of rheumatism and lumbago; the sharp stabbing pains of sciatica and neuralgia; poor appetite and a desire to avoid exertion. You cannot cure these troubles by the use of purgative medicines—you need a tonic, and tonic only, and among all medicines there is none can equal Dr. Williams' Pink Pills for their tonic, life-giving, nerve-restoring powers. Every dose of this medicine makes new, rich blood which drives out impurities, stimulates every organ and brings a feeling of new health and energy to weak, tired, ailing men, women and children. If you are out of sorts give this medicine a trial and see how quickly it will restore the appetite, revive drooping spirits, and fill your veins with new, health-giving blood.

You can get these Pills from any medicine dealer or by mail at 20 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Will Not Take C. T. A. Vote

Petrolia, April 23.—Mayor Stirett, who is president of the Lambton branch of the Dominion Temperance Alliance, stated to-night that Lambton would not vote this year on the Canada Temperance Act. This was decided at the executive meeting of the Lambton Alliance this afternoon in Sarnia. It was decided to organize local temperance unions throughout Lambton, and each municipality will as a result be well organized for the temperance movement. Rev. John Bailey, of Toronto, secretary of the Dominion Alliance, was present and addressed the meeting.

Miss Minnie Smith, Strathroy, died at the home of her mother on Sunday. The family formerly resided in Arkona.

The fish hatchery at Point Edward has completed the hatching of about sixty million whitefish, which are now being deposited in various parts of Lake Huron between Point Edward and Kettle Point. As soon as all the young whitefish have been disposed of, the hatchery will begin upon the hatching of pickerel.
