The copy filmed here has been reproduced thanks to the generosity of:

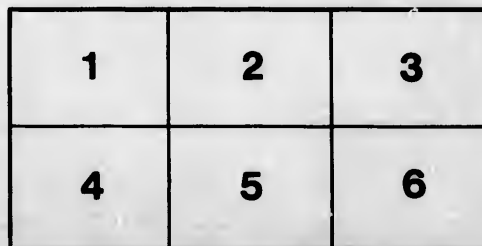

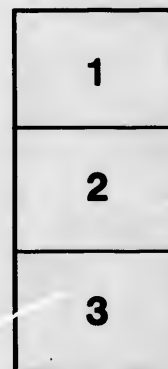

Metropolitan Toronto Library  
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library  
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**What is  
Associated Youth of Canada?**

**LEAMINGTON, ONTARIO, CANADA**

**W. L. CLARK**  
**Founder and Organizer**

Mr. Clark has travelled over one million miles. Speaks to hundreds of thousands of people.

He is interested in Youth, a wonderful study. One that Mr. Clark has spoken on in nearly every large City on the North American Continent.

He wants to know our Youth better than they have yet been known. To know them well enough so that when he speaks to them he will be able to help them more than they have yet been helped.

He firmly believes that success is within their grasp, and claims that what they can't do, can't be done.

## ASSOCIATED YOUTH OF CANADA

Associated youth of Canada is a development of the work of W. L. Clark for the past thirty odd years or so. A rounding up of past days and forming from these years a permanent Association to carry on the work to greater successes and lasting issues. It is our aim to form a vast membership of friends, who will stand together for all that is helpful to Youth. The plan is very simple, and its simplicity should be its success. There are no fees, no dues, no charges. The membership is within the reach of all, and at the same time forms a tie so that all of us will be able to keep in touch one with the other, and thus help to cheer and greet the oncoming years.

Last year he received five thousand and forty-six letters from our sons and daughters, and sent out to them five thousand, seven hundred and fifty-three letters. Had thirteen hundred and thirty-seven visitors, Four thousand, nine hundred and forty short personal interviews. Held three hundred and nine meetings, speaking to about one hundred thousand people. Took his meals in three hundred and sixty-three different places, and slept, or tried to sleep, in one hundred and fifty-five different towns and cities. It is a tremendous task, but it is more than worth while.

## ASSOCIATED YOUTH OF CANADA

We are arranging for three classes of members or friends:

Associate.

Active.

Sustaining.

This plan is to be worked by a card system, size 3 x 5. The plan is new and will interest all, and we will be glad to hear from you concerning same. The various cards are known by Nos. 1, 2, 3, etc. Form 1 will explain itself, and will be sent without obligation. Form 2 will be forwarded upon receipt of Form 1.

Form 3 is certificate of membership, and will always be forwarded on receipt of Form 1 properly filled in.

Form 4 is a list of our Activities—Short, Quick, Simple, Active and Effective.

Form 5 explains in full the plan of our "Friends of a Kindly Tongue." This is attractive in the highest degree.

We want you to join us. The Youth of to-day need us, we need them. Age makes no difference. Distance lends enchantment. Alike fathers and mothers, sons and daughters, all are delighted.

Can't talk further now, but hope to meet you all, by an early mail.

Yours in the Interest of Youth,  
**ASSOCIATED YOUTH OF CANADA**

## WHAT THEY SAY OF W. L. CLARK

AUTHOR, LECTURER, TEACHER, TRAVELLER

Chicago, Ill., U. S. A.

There is probably not a man on the continent who has a larger circle of boy friends than Mr. Clark, the author of "Our Sons."

WINFIELD SCOTT HALL,  
Northwestern University.

As a lay worker he stands near the top of the world's workers of to-day.  
B. S. STEADWELL.

The visit of Mr. W. L. Clark to our city will long be remembered. His addresses made a profound impression. He has arrant talent for compressing wisdom into strong epigrams, whilst his fund of illustrations from instances in his own experience, blending humour and pathos, makes his addresses most captivating. We wish for this man of Christ like spirit and mission the fullest opportunity to meet the men and boys of Canada.

C. T. SCOTT, B. A., D. D.,  
Pastor Metropolitan Church Victoria, B. C.

Mr. Clark has stimulated a new interest in the boys. We see greater possibilities in them. We are starting a campaign to raise several thousand dollars for a gymnasium and club room, and can thank Mr. Clark for touching the match that started the interest in this important church work. We heartily commend him and his message.

CHARLES C. CHAMPLIN,  
Pastor Park Congregational Church, San Francisco, Cal.

Undoubtedly you have undertaken one of the most important missions for the exercise of human ability—the saving of the boys. I trust that you will continue to meet with the notable success that has been yours since you began the work.

GEO. WESLEY BRIGGS, Editor,  
The Galvanston News, Galvanston, Texas

Mr. W. L. Clark is engaged in the most important work that is before the people of the world today—saving the boys—and he is doing it better than anyone of whom I know. He gets in close touch with the boys and holds them with a stronger grip than any man I have ever seen or heard of. Strength to his hands.

### England and the Continent of Europe:

The future of nations does not depend on their past history, wealth or destroying armies, but on children.

My friend, Mr. W. L. Clark, understands this as few men do, and is working to save our boys from the ravages of all foes. As you love the lads for whom Christ died, welcome and help him. Get the youth to hear his message and you will have cause to rejoice over the sheaves brought home to God.

CATHERINE BOOTH-CLIBBORN, (La Marechale)  
Eldest daughter of the Late General Booth.
