june 1 20 Nelson street, St. John, N. B. th Tall HALL'S VEGETABLE SICILIAN HAIR RENEWER.

ITS EFFECT IS MIRACULOUS

It is a perfect and wonderful atticle. Cures baldness. Makes hair grow. A better dressing than any "oil" or "pomatum." Softens brash, dry and wiry hair into Beautiful Silken Tresses. Above all, the great wonder is the rapidity with which it restores GRAY HAIR TO ITS ORIGINAL COLOR.

The whitest and worst looking hair resumes its youthful beauty by its use. It does not dye the hair, but strikes at the root and fills it with new life and coloring matter.

The first application will do good: you will see the NATUKAL COLOR, returning every day, and

BEFORE YOU KNOW IT. BEFORE YOU KNOW IT. will be gone, riving place to lustrous, shining and beautiful locks.
Ask for Hall's Sicilian Hair Renewer; no other article is at all like it in effect.

A very lean pig, on a windy day, Stood alone by a garden gate; He couldn't get in, for the gate was locked, And sadly he moaned o'er his fate. Then he wiped his eyes with a curl of his tail.

And gracefully stood on his ear.

And a trembling tear coursed down his spine.

Till his face turned the color of cuir. His snoot grew flat, and gray were his looks,
When a knot-hole round he espied;
And he sat on the silken folds of his paw,
And peered through that loop-hole wide. He saw the sun in a golden beam, (Hint its rays on a bucket of mash, And hisporcine feelings welled upin his breast, And he went through that hole with a dash Then his optic fell on some CATTLE SPICE, As he glanced o'er the garden green; And he smacked his lips and distended his

With a relish uncommonly keen. He loaded his skin till it couldn't hold more And his sides began to expand His face got cheeky; stout grew his limbs, And he left for his native land. He reached the hole at the side of the gate And jumped for that circular c. ack When his febrile pulse felt a normal shock And he fell on the broad of his back. And the Coroner sat on the fat remains Of that porker in his pride;
And this was the verdet the Jury gave;
Died from a swelled inside."

So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for diseases that have turked in the system for years, soon yield to this powerful anti-dote and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases,

cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Seald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
