400 WAR GARDENS BEING WORKED IN EAST LONDON WARD

300 Are Those of Factory
Employees of East End.

Over 400 "war gardens" will be cultivated here by the end of the summer. In connection with the War Gardening Association, Ald. F. R. The remaining plots are being cultivated by the employees of the Military Manufacturing Company, McCormick Manufacturing Company, Beatty Bros., and other east end manufacturing plants.

Many of the plots are already planted, and this afternoon every gardener is working on the plots. Women are taking quite an interest in the movement, Ald. Watkinson says, and many plots will be cultivated by them this summer.

VOLUNTEERS' MECCA AT LOCAL ARMORIES TO NO LONGER EXIST

Staff Moves to Carling Block
On Monday.

DEPOT NEEDED ROOM

Change Forced by Demands of
New Organization for Hand-
ling Returned Men.

The London mobilization centre will be moved from the Armories to the Carling block on Richmond street, north of Carling street, on Monday.

Arrangements have been under way for the move for some time, and it will be made with as little inconvenience to the staff of the mobilization centre as possible.

The move has become necessary, owing to the demands of London made by the new district depot for returned soldiers in the Armories. This new unit, handling as it does all the returned men in Western Ontario who have not been discharged, is one of immense proportions, and requires much office space for its various company, section, headquarters, paymaster's, quarter-master's and other offices.

Since the beginning of the war, nearly four years ago, volunteers have made the Armories their headquarters, and it will seem somewhat strange for men wishing to sign up to seek the Richmond street offices. Through the gateway of the local mobilization centre all the men, whether British or Canadian, from both the United States and Canada, gain entrance to khaki-land, receive their medical examinations, and have their documents made out, and it is important that suitable quarters be secured for it. The Richmond street property is being fixed up with this purpose in view.

WILL STAND TRIAL AT INGERSOLL FOR BURGLARY CHARGE

Man Arrested Here Has Doubtful Count in Oxford Town.

Jack Roberts, the jail-breaking gunman, who was arrested in London, will be sentenced in Toronto on Wednesday for shooting with intent to kill at Acting Detective John Stewart of the Toronto police. Walter Burdette, London, who was arrested in Toronto with Roberts when the latter made his daring getaway is serving a five-year sentence in Kingston penitentiary for the Ingersoll crimes. At the time of his trial Burdette laid the blame on Roberts.

LONDON ODDFELLOWS TO CONFER DEGREE BEFORE GRAND LODGE

Important Announcement Made at 99th Anniversary "At Home."

Friday evening Gen. G. W. Hermonston and Major W. J. Foster, A. G. of Toronto, visited the 99th anniversary "at home," held in the Canton rooms in the Alamo Hotel.

It was announced by the general during the evening that Canton No. 20 would proceed to Hamilton to confer the degree of chivalry during the sessions of the Grand Lodge in that city.

The "at home" was a most successful affair, with guests from Hamilton, Toronto, Ingersoll and St. Thomas. Regret was expressed that, through illness, the grand master of Ontario was unable to be present.

The evening was marked by the final eulogy party of the season, the first prizes being won by Miss Tinsley, while Mr. Jordan captured the most prize. The low prizes were won by Mrs. G. Channer and T. H. Roberts, respectively.

Dancing, which followed the card playing, brought 200 couples on the floor, the music being provided by the Forest City Club Orchestra.

At least, those who had their eyes really opened to see discovered the wonderful secret and, judging by the applause and the tribute of "Ohs" and "Ahs" and laughter, were given just at the right time, London's boys and girls are something more still, an orderly, well-disciplined, and most appreciative lot of little people.

1,500 HAPPY KIDDIES SEE WONDERFUL BLUE BIRD FILM AS GUESTS OF ADVERTISER

Came in Ones, Twos and Regular Drove to Witness Play of Happiness at Special Performance—Hundreds Unable to Get In Theatre Because of Crowds.

Fifteen hundred children of London possessed as their very own the Bluebird, which as everybody knows is nothing more nor less than happiness, for a whole glorious hour and a half in the Theatre this morning, a treat afforded them by The Advertiser.

In addition, there were all the thrills of anticipation, and best of all, the precious prescription to carry away for finding and keeping the Bluebird always. STRIKE GOES ON, NO APPARENT TRUCE MOVES

Linemen of Utilities Commission Still Off Work Because of Wage Dispute.

SAY \$1.00 HOLDS IT UP

Figures Quoted to Show Demands Only Exceed Manager's Offer by That Sum.

No steps whatever have been taken to bring about a settlement of the dispute between the utilities commission and its striking linemen since the men refused on Thursday to return to work under the agreement.

The men are still out. There have been no desertions from their ranks, they say. They have modified their demands somewhat, having informed the utilities that they were willing to accept an increase of 25 cents an hour. To this offer, the commission has not replied in any way or another, say the men.

The men contend that their offer of a settlement for 25¢ would exceed only by one dollar the increases which they were offered a week and the other four of the men. Two of the four who were offered an increase by Mr. Buchanan, E. J. Buchanan offered to increase his salary from \$2.00 a week to \$2.25. The first man was offered \$2.00, the second \$2.25, and the last \$2.25 a week, or a total increase of \$12.50 a week for four men.

The men who are on strike have agreed to accept an increase of 25¢ a week for a nine-hour day, which totals \$2.50 a week. In other words, the men point out that one dollar a week more than what Mr. Buchanan was offering to give four men to satisfy the whole strike.

To be fair, they point out that there was a \$25 advance in this case, a thing for which the commission receives value. The majority of the men say they are anxious for the settlement. However, under the straight salary offer made by Mr. Buchanan to the four men, the commission has not replied in any way or another, say the men.

However, the strike continues. It comes just at a time when the hydro commission is in a desperate financial position, and has found enough to light the 1,400 homes which had been in darkness while the strike was on. The commission has found 500 of them have light, and the others will go without light until the strike is over. The commission has found that no real effort is being made to bring about a settlement.

Chief Justice of the Common Pleas R. M. Meredith presided at the sitting of the high court at the court house today.

Was made under the vendors and purchasers act to declare that Ambrose Hodgins, son of the late James H. Hodgins, at one time warden of Mid-Deleux County, had no claim in the estate.

argument advanced by F. P. Betts, K. C., was that the son Ambrose's portion had been received when he executed a deed which purported to convey a piece of land to the son. The property in question had not been valued to anyone in the family, and the son had been given the land by Ambrose Hodgins had deleted his signature from the document after it had been signed by him.

The fact that Hodgins was in British Columbia caused the chief justice to order that the case be adjourned until he may be notified of the application of the estate.

Re the Ann Jane Bessens estate, a motion was made for power to administer the estate of the late Ann Jane Bessens, who died in the hospital at the residence of the heirs interested, two of whom are absent and the third is a minor.

The judge directed that further inquiries be made before judgment was given.

Garfield Forbes, Toronto, driver of the car, was convicted of having driven the motor vehicle at that he drove the car while in an intoxicated condition. A fine of \$25 and costs was imposed on the car, which was forfeited to the state by the magistrate, who stated that he would put a stop to the practice of men driving motor cars while intoxicated if he had to jail them all.

William G. Lizer and Charles Robinson, who were charged with driving the car, were acquitted, but were, according to evidence given, the principal scrapers in the crowd.

At the trial of the car, the principal scrapers in the crowd, the car was found guilty and fined \$25 and costs.

FOOD BOARDS ASKS EVERY HOUSEHOLDER TO HELP CONSERVE

It Is Illegal to Manufacture Puff Pastry and Doughnuts.

OTTAWA, May 3.—Hy. B. Thomson, chairman of the Canada food board, in a statement issued today, urged that as a patriotic duty the regulations of the food board relative to public eating places, and those now governing the manufacture of biscuits, cakes, ice cream, etc., should be observed voluntarily in every household throughout Canada.

Mr. Thomson said that some misunderstanding had occurred as to the confectionery products, which it is now illegal to manufacture for sale. This list is as follows:

- (a) French or puff pastry.
- (b) Doughnuts or donuts.
- (c) Scotch shortbread or cake.
- (d) Fancy almond macaroons, or like products containing more than 50% of cane sugar.
- (e) Marshmallows, which contains more than one-third cane sugar.
- (f) Cakes or biscuits having on the exterior products made wholly or in part of cane sugar or filled with products of cane sugar or with shortening except jams, jellies and pure or compound fruit.

Reports received from all parts of Canada indicate the food board will have the fullest co-operation of the laity in carrying out the regulations.

SAFE HOME TREATMENT FOR THE CURE OF RHEUMATISM

CHANGEABLE SPRING WEATHER STARTS THE PAINS, BUT THE TROUBLE IS ROOTED IN THE BLOOD

Thousands Throughout Canada Who Are Suffering Can Be Cured Through the Use of Dr. Williams' Pink Pills.

The twinges and tortures of rheumatism are not due to cold, damp weather as so many people suppose. Bad weather may start the pains going, but the real cause is rooted in the blood. Liniments and rubbing may help deaden the pain, but it always returns and usually in a worse form, simply because this treatment cannot cure. To cure rheumatism to stay cured you must root the poison out of the blood. This is the only sure way—the only sensible way to get rid of the trouble. And the one medicine for doing this which has been pre-eminently successful is Dr. Williams' Pink Pills. These pills actually make new, rich blood that goes right to the root of the trouble, releasing the stiffened joints, clearing away the torturing pains and giving the sufferer renewed health and ease. If you are suffering from rheumatism, or any trouble due to poor, weak blood, you should, in your own interest, at once give this always reliable medicine a fair trial.

ACTUALLY CRIPPLED.

FREE FROM PAIN.

COMPLETELY CURED.

Mrs. F. M. Simpson, R. R. No. 1, Elmhurst, Ont., says: "For a long time I was confined to bed and actually crippled with rheumatism. The trouble first located in my ankle, then spread to my knees and then to my arms. The limbs were much swollen, and if I moved caused me much pain. I seemed to get weak in other respects and fell off in weight from 150 to 110 pounds. One day while reading I came across the case of a rheumatic sufferer cured by using Dr. Williams' Pink Pills. I decided to try them and sent for three boxes. By the time these were gone I had begun to improve, and with help was able to get up. Continuing the use of the pills I was first able to go about with the use of a crutch, which later I discarded for a cane, and then through the use of the pills I was able to throw aside the cane as well, and about as briskly as I had ever done. I feel that Dr. Williams' Pink Pills have been a blessing to me."

Mr. Henry Smith, a well-known and respected resident of St. Jerome, Que., says: "For upwards of a year I was a victim of rheumatism in a most painful form. The trouble was located in my legs and for a long time I was so bad that I could not walk. The suffering which I endured during that time can only be imagined by those who have been similarly afflicted. Doctors' treatment did not help me, and then I began trying ointments and gave the pills a trial. I am very grateful now that I did so, for after taking eight boxes of the pills the trouble completely disappeared. I was free from pain, the swelling in the joints had disappeared, and could walk as well as ever I did in my life. I have since taken the pills occasionally as a precautionary measure, and I cannot speak too highly in their favor and commend them to all rheumatic sufferers."

Mr. A. E. Hinton, Western avenue, Toronto, says: "Up to about a year ago my wife had suffered for nearly three years from rheumatism, suffering greatly. She had been under the care of several doctors, besides spending dollars on advertised cures, but did not get any relief. One day, talking to a fellow clerk, she said her sister had been cured of this trouble by Dr. Williams' Pink Pills. Although not feeling very hopeful, I took two boxes of the pills, and the evening after I felt much better. By the time they were used they had done her so much good that she required no pressing to continue the treatment, and after taking six or seven boxes she was completely cured. As I have said this was about a year ago, and she has had no return of the trouble since. I feel very grateful for the immense good Dr. Williams' Pink Pills have done my wife, and I hope other sufferers will benefit by her experience."

There has been no increase in the price of Dr. Williams' Pink Pills. They are still sold at 50 cents a box or six boxes for \$2.50. If your home dealer cannot supply you they will be sent postpaid on receipt of price by The Dr. Williams' Medicine Company, Brockville, Ont.

MacLean Gets Authority to Renew or Extend Loans of the C. N. R.

Ottawa, May 3.—The House begins morning sittings on Tuesday. It will also sit on Saturdays, beginning Saturday, May 11, till the end of the session. In presenting a motion to this effect this afternoon, Sir Robert Borden said that certain reasons made it highly desirable that ministers should be relieved from the duties in Parliament at no very distant date. There were two alternatives—one was to work a little harder and get through in ten days or so; the other to adjourn the House and meet again in the summer.

Sir Wilfrid Laurier intimated that it was the desire of the Opposition to facilitate the business of the House as far as possible. But there were a number of items on the order paper which might demand considerable time. There was the budget, the bill to control imports and exports. There would be the civil service bill and the consolidation of the railway act.

No Long Discussions. Sir Robert did not think that any measure to be brought down would create long discussion. The civil service bill was mentioned on the order paper, but Sir Robert said that provisions bringing the outside service under the same rules as the inside service. The bill to consolidate the railway act was practically the same as that which passed the House last session, but failed to pass the Senate.

The motion was carried.

Replying to a question by Ernest Lapointe, the minister of militia stated that men subject to the call for military service who have married since July 6, 1917, when the military service act was passed, are still regarded as single men.

GOVERNMENT WILL GET \$247,814 IN TEA TAX ON PORT ARTHUR STOCK

PORT ARTHUR, May 3.—Tea to the amount of 2,253,496 pounds is in storage at Port Arthur and subject to the new tax of 10 cents per pound with 1 cent allowed off for wrapping. The inland revenue officer here will therefore collect \$247,814 for the Government.

At Port William an additional 1,190,000 pounds is in storage. The tea is held here by the railways for distribution to eastern railways.

TEACHERS OF TORONTO TO HELP REGISTRATION

TORONTO, May 3.—One thousand teachers of the schools of Toronto, public and separate, gathered today in the newly built Technical School, and heard appeals for their aid in carrying out the work of registration of the population of Toronto and York County on the national registration day next month. Although all help will be given without pay, by their enthusiastic hearing no doubt was left in any person's mind that the teachers would volunteer willingly for this work. The example of Toronto in this respect is likely to be followed by school teachers all over the Dominion.

SCHOOL WAS BURNED.

WINDSOR, May 3.—Fire which had its origin from an overheated stove destroyed the separate school at Pike Creek, near Windsor, last night. The loss is placed at \$4,000.

B. O. Troops Have Hot Clash With "Frisky" Bunch of Boches.

OTTAWA, May 3.—Major-General S. C. Moore, minister of militia, today received from Sir Edward Kemp, minister of overseas forces, cable regarding operations of the Canadian corps in France. The cable states: "During April 27 and 28 there were raids on the enemy, resulting in the capture of one officer, 55 other ranks, five machine guns, one gas mask, one (probably grenade-thrower), and in addition heavy casualties were inflicted on the enemy."

"British Columbia troops raided the enemy north of Lens at 1:15 p.m., April 27. The enemy was frisky, stubborn and refused to surrender. Eleven Germans were killed. No prisoners were captured, but shoulder straps furnished important identification."

"A raiding party from a Manitoba battalion entered the enemy trenches north of Lens, inflicting heavy casualties. It is estimated that twenty Germans were killed. Two Canadians were taken and one machine gun captured. Our casualties were slight."

"Manitoba and Quebec troops carried out a successful operation at 2 a.m., April 28. They penetrated the enemy's defenses to a depth of 40 yards, inflicting heavy casualties, and captured one officer, two other ranks, four machine guns, one gas mask, one (probably grenade-thrower). Our casualties were slight."

WESTERN MILLIONAIRE AND BUSINESS POWER MUST DON THE KHAKI

Judge Says Interests of Big Winnipeg Financier Not Vital

WINNIPEG, May 3.—Joseph Richardson, millionaire, president and director of half dozen grain-handling concerns, was informed today by Judge Hargrave that his interests were not vital enough to the nation to warrant his exemption from military service. Owing to the important character of businesses in which he is engaged, Richardson was granted an extension of time until August 1, on khaki as a private soldier.

Richardson is president of the Pioneer Grain Company, with headquarters in the Winnipeg Grain Exchange, and which operates 72 elevators in Saskatchewan and Alberta; president of the Eastern Terminal Elevator Company, which owns and operates a huge grain storage at Fort William; vice-president of the Anchor Elevator Company of Winnipeg; and director of half a dozen other grain concerns.

PERSIA TEARS UP TREATY MADE WITH BRITAIN AND RUSS

All Pacts Made in Recent Years Now Null and Void.

THE HAGUE, May 3.—Persia has informed Holland that it regards as null and void all treaties imposed on Persia in recent years, and especially the Russo-British treaty of 1907, regarding the division of influence in the country. The other treaties may be revised later, the communication from the Persian Government states, but that of 1907, with its appendices, is definitely annulled.

"Thanks, Mr. Mayor! Use Them Again When You Feel the Need"

The mayor of a thriving Western Ontario town not far from London was a sick man. War-time trials, extra duties, overwork and heavy responsibilities had combined to bring him to the edge of a nervous collapse, and he was in a bad shape from sleeplessness, indigestion and kidney and liver complications.

In this state, he was induced to try Tonal-Iron Capsules, to increase the quantity of his blood, enrich and purify it, give him back his lost energy, strengthen and tone his nervous system, and banish the distressing kidney and liver symptoms. He took one box. The results were marvelous—no other word is strong enough, he says. He bought another box, but never finished it, for he was a well man before the second box was empty.

Hearing of the case, we investigated, and were informed that His Worship had indeed been restored to full health in record time. If you are a sufferer, do as the Mayor did, and try.

PRODUCTION PLANS BEING RUINED BY OTTAWA'S ACTION

Wheat Lands in the West Are Not Being Sown.

WINNIPEG, May 3.—The coming of farms for army recruits is resulting in the ruination of greater production plans in many parts of Manitoba. Members of the Manitoba Legislature met this afternoon and sent a delegation to Ottawa to protest.

"Farm tractors are lying idle in the fields, wheat lands remain unsown and production generally is being so hampered," declared one country member. "They have taken nearly all our young settlers. Small farms, which were being banked upon for tremendously increased acreage broken this year, are deserted. In some communities whole townships have been practically denuded of men."

The army of crop "boosters" sent out by the Provincial Government is meeting with ill success owing to the growing unrest among farming communities.

INDIVIDUAL PERMITS FOR ALL EXPORTING OF FLOUR SHIPMENTS

OTTAWA, May 3.—In future individual permits from the Canada Food Board will be required for all shipments of flour for export. Formerly a certificate of quantity, for shipment of less than 120 bushels of flour, or 25 barrels of flour, or 125 pounds of butter, could be exported on endorsement by the collector of customs on the shipper's export entry.

In addition to the requirement of individual permits for flour, regulations with regard to small shipments of food grains and butter have been cancelled, but provision is made that shipments containing a number of different articles each of small value, or shipments which do not contain an amount exceeding \$50 in value (but not including sugar, flour, farm or garden seeds, bran, shorts or middlings from grain) may be licensed for export by endorsement by the collector of customs at the point of exit on the shipper's export entry, when destined to any British country or to the United States.

All shipments of great value must be accompanied by an individual license by the Canada Food Board.

THIS REPORT FROM SARNIA

Gives Further Proof That the Exhausted Nervous System Can Be Fully Restored by the Great Food Cure.

Sarnia, Ont., May 3.—For five long months Mrs. Abraham of this city was under the care of her doctor suffering from nervous collapse. Even strong opiates failed to enable her to sleep and she became extremely exhausted.

Paralysis was feared, but Mrs. Abraham remembered meeting Dr. Chase in Ann Arbor, Mich., some years ago, and got thinking about Dr. Chase's Nerve Food. You need only to read her letter to learn how this treatment built up her strength and made her well.

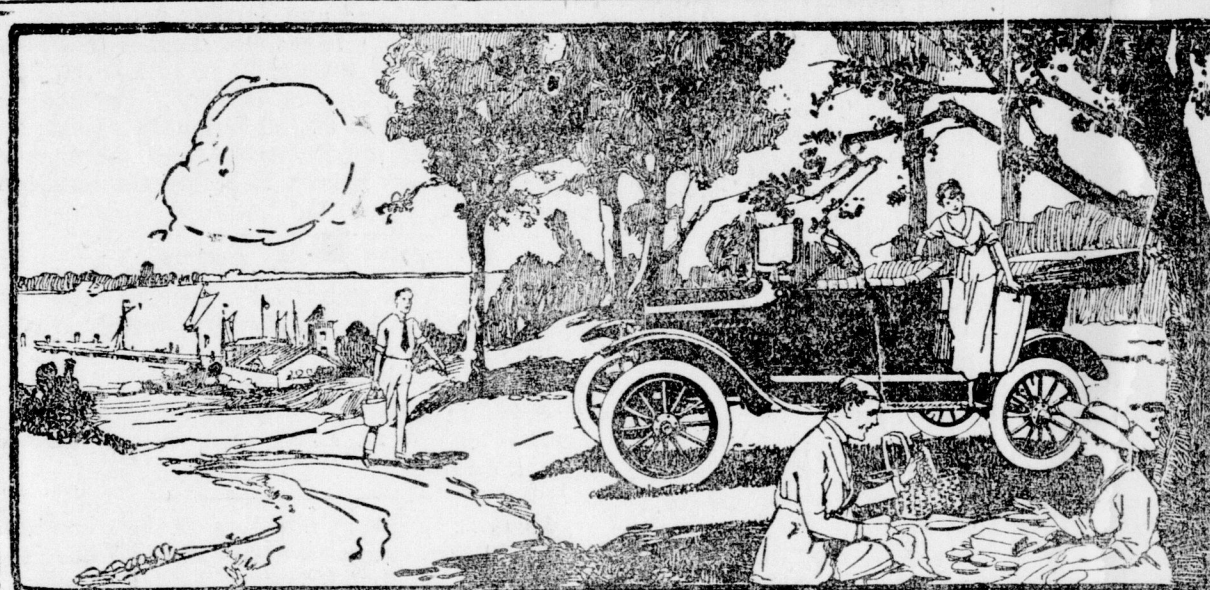

Mrs. C. W. Abraham, 288 Christina street, Sarnia, Ont., writes: "I had a serious nervous collapse, and doctored for five months without any benefit. I tried various treatments, including the treatment of a chiropractor, but the relief gained was only temporary. The nerves on my right side were affected so that at times I could not keep my glasses on long enough to read a letter. When I was a little girl at Ann Arbor, I remember having seen Dr. Chase, and he was of my father's practice. I had great confidence in him and his medicines. Consequently I commenced using Dr. Chase's Nerve Food when all else failed, and they have benefited me greatly. I can now rest well at night; whereas formerly I could not sleep under the influence of strong opiates. I can recommend the use of Dr. Chase's Nerve Food to anyone suffering from nervous trouble of any kind."

Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.75, at all dealers, or Edmondson Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

ONTARIO GOVERNMENT HAS TRACTORS AVAILABLE

TORONTO, May 3.—So great has been the demand for tractors from all parts of the country that the Dominion Government has orders for every one of the thousands of tractors it ordered. No further applications are being accepted.

The Ontario department of agriculture still has between 75 and 80 tractors available and farmers are urged to get their orders in early, as the Ford company is unable to fill any further private orders because of the demands of the American states.

LUTZ-FORBES.

BOTHWELL, May 3.—A very pretty wedding was solemnized at the home of Rev. J. T. Kirkwood, Thamesville, recently, when Miss Ella F. Forbes, daughter of J. N. Forbes of Scotland, was married to Albert G. Lutz, son of Mr. and Mrs. G. Lutz of Bothwell. The ceremony was performed by Rev. Kirkwood in the presence of immediate relatives and friends of the groom. The bride, who entered the parlor on the arm of Mr. Kirkwood, was prettily attired in a dainty gown of white French voile. Her hand-embroidered wedding veil, which was a gift from a friend in Scotland, was held by orange blossoms. She wore the groom's gift, a gold pin, which Miss Eva Sinclair of Thamesville attended the bride, and wore a dress of fine pink voile. John Forbes of Bothwell attended the groom. Little Gordon Kirkwood and Margaret Watson made cute flower girl and boy.

After the ceremony, a dainty wedding dinner was served. The house was decorated in white and pink car-nations. The groom's gift to the bride was a travelling suit of blue gabardine with a hat of sand shade. Mr. and Mrs. Lutz will reside near Bothwell.

HYATT SUNDAY SCHOOL HAD A GOOD YEAR

The annual meeting of the Hyatt Avenue Methodist Sunday school was held on Thursday evening. Reports from the organized classes and the various officers indicated a successful year's work and a healthy condition of the school. Chabrier; Miss Lillian Cory; mission superintendent, Miss Viola Williams; home department superintendent, Mrs. A. C. Cornish; bible paper steward, Mrs. C. R. Mr. A. Barnsted, organizing secretary of the National Committee on Food Resources of Nova Scotia, has sent the following, which was composed by Mr. George E. Graham, manager of the D. A. R., a subsidiary committee of the C. P. R., and was sung with good effect at a public meeting held recently at Kentville, N. S.:

Johnny, get your hoe, get your hoe, get your hoe.
Make your garden grow, make it grow, make it grow.
Plant your seeds from sea to sea, let them work for liberty.
Hurry, hurry, hurry, don't delay, start today.
Forward to the land with a right will, we'll help defeat the Hun.
Now we've got him on the run.

Over there, over there, over there.
Send the food, send the food, over there.
For our brave boys need it, our brave boys need it.
The calls are coming everywhere.
So observe and preserve.
Save the food, save the food, and conserve.
So we'll help win the cause of freedom.
And we'll plant, save and send, till it's over, over there.

PREDICT CHURCH WILL BE SELF-SUSTAINING INSIDE OF ONE YEAR

Chelsea Green Congregation In Flourishing Condition.

NEW PASTOR INDUCTED

Rev. John Elder Assumes Charges At Service Last Night.

That Chelsea Green Presbyterian parish will be a self-supporting charge in the course of another year was the opinion expressed at the induction of Rev. John Elder into the pastorate of the church Friday evening.

Rev. Mr. Elder was chosen to fill the vacancy caused by the resignation of Mr. Charles several months ago, and the last meeting of the London Presbyterian his resignation from Bethel was accepted.

A large congregation was present to witness the induction. Rev. D. C. MacGregor, who presided, congratulated the members of Chelsea Green Church on the progress made during the last four years. He also predicted that greater progress would be made this year than ever before.

Rev. W. J. Crawford, addressing the minister, spoke of the ideals for which a preacher should strive. He must be a man of vision and the Bible must be the book that he studies more than any other. He should seek to preach the Bible to the people, and to win men on behalf of Christ.

Rev. James MacKay is delivering the address to the congregation, thought that he could add nothing to what had already been said. He intimated, however, that the people in the pew should always be ready with men on behalf of Christ.

"If he preaches a good sermon, tell him so, and if you wish to bring him back to earth tell him he preached a beautiful sermon. One of the mistakes ministers of today make is trying to preach beautiful sermons instead of preaching Christ. If some of his sermons hurt you, do not be angry and stay away from church, but go and have a talk with him. It will do you good."

Rev. J. R. McIntosh preached a sermon on the mysteries of life, taking for his text, "Now We See Through a Glass Darkly." One of the mysteries which he mentioned, was the fact that there is no great character without suffering.

All present expressed the belief that Chelsea Green Presbyterian Church would have a successful year.

Rev. John Elder was born and educated in Scotland. He has been in charge at Bethel for a number of years.

FATHER EDWARD DOE IS STILL SUFFERING FROM YPRES GASSING

Chaplain Is Home on Furlough After Three Years.

After over three years as chaplain in France, Hon. Major (Father) Edward Doe arrived back in London last night. He has returned to Canada on three months' furlough, granted to members of the original first line of the Canadian Expeditionary Force.

Father Doe is a former London boy, and he was given an informal reception by a large crowd of friends and relatives, when he stepped from the train at the P. O. station last night.

At noon he was the guest of honor at a luncheon at the Technicum House, presided over by the Rev. J. R. McIntosh, Catholics, both clergymen and laymen.

After leaving Windsor, where he was stationed at the time, in September, 1914, Father Doe joined the first contingent at Valenciennes, and was the only Catholic chaplain from this diocese to cross the ocean with the "firsts."

He served through the Canadian Expeditionary Force, and was with the 4th Brigade of Infantry on Salisbury Plains, but reached France two weeks ahead of the Canadian troops, arriving on February 2, 1915.

After a month with No. 2 Canadian Division, he was transferred to the 1st Canadian Division, and was with the 2nd Canadian Field Ambulance at Fleurbaix. Since then he has been through practically all the engagements in which the Canadians have had a part, his latest post being with the Canadian Casualty Clearing Station.

He is still suffering from the effects of gas inhaled at the second battle of Ypres.

On March 6, 1917, he was granted his majority in recognition of his services during the first two years in France.

During this year, he visited Rome and was received with other army chaplains in audience with Pope Benedict XV.

"All the world loves a lover," especially when he appeals to his ladylove in the person of the poet. But the song, "Can't You Hear Me Calling, Caroline?" which is now in the Player-Roll Department of the Imperial Theatre, 245 Dundas street, London, is not only beautiful for the words alone, but because it was written by Caro Roma, one of the best of all song composers. This word roll is just what you have been waiting for.

The business of the meeting was conducted in the forenoon. Messrs. Col. H. B. Abbott, Henry Ross, Charles Farquharson and W. H. Abbott was appointed delegates from Mocha Temple to the Imperial Council gathering to be held at Atlantic City June 2 to 5.

The first part of the ceremonial session was carried out from 3 to 5 o'clock in the afternoon, when the serious portions of the degree were exemplified. In the evening and until 9 o'clock this morning the real events were staged.

The largest contingent came from Toronto, nearly two hundred gallantly-carried shriners arriving via G. T. R. at 5 o'clock in the afternoon. Headed by the Mocha Temple band and Arab Patrol, the visitors were escorted up Richmond to Dundas street, and then to the Masonic Temple. During the march fancy drills and manoeuvres were executed by the well-drilled patrols.

From Detroit came Potentate James A. Ballard and a number of officers. Saginaw sent over Potentate John O. Newbury and a big representation from Elk Khurafel Temple. Over twenty-five members of Ishmael Temple, Buffalo, arrived, in charge of Potentate Charles H. Andrus.

Owing to war conditions the customary vaudeville program usually put on at Mocha Temple last night.

The visitors from Toronto, Buffalo and eastern points left on the 5 o'clock train this morning.

The Most Artistic Roof

is the one that completely harmonizes with the design and finishing of the house. For this reason there is a steadily increasing demand for Brantford Asphalt Slates for the modern style of homes.

Brantford Asphalt Slates have a surface of crushed slate embedded into our asphalt coating, the base of the roofing being felt saturated with asphalt. They are cut the size of shingles, and their beautiful soft colors of reddish brown and dark green give a roof a most artistic appearance. The colors are the natural shades of the slate as it comes out of the quarries. Brantford Asphalt Slates are, therefore, unfadeable—never require painting.

Brantford Asphalt Slates make an artistic, durable and economical roof. Booklet describing them mailed on request.

Quite a number of names were mentioned, but it was generally conceded that the nomination would be tendered to Mayor George Spotton of Wingham.

EASY TO DARKEN YOUR GREY HAIR

Try This! Brush Sage Tea and Sulphur Compound Through Your Hair. Taking One Strand at a Time.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Weyth's Sage and Sulphur Compound." You just dip a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all grey hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Grey, faded, hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Weyth's Sage and Sulphur Compound and look years younger. The ready-to-use preparation is a delightful toilet requisite and not a medicine. It is not intended for the cure, mitigation or prevention of disease.

Francis X. Bushman and Beverley Bayne
at the Patricia on Monday, Tuesday and Wednesday Next.

Francis X. Bushman and Beverley Bayne, who appear in "The Brass Check" at the Patricia Theatre on Monday, Tuesday and Wednesday, have appeared together as co-stars in more pictures than any other players on the screen. In "The Brass Check," which

is a Metro picturization of George Allan England's story of the same name published in All-Story Weekly the stars have one of the best acting opportunities of their brilliant screen career. Bushman holds another unusual record as he tried his hand at exactly thirty-seven vocations before he established himself in his life's work. His first stage appearance in New York was "The Red Mill" as leading juvenile. He had similar roles in "At Yale" and "The Queen of the Moulin Rouge." In 1911, a former stage director induced him to join the Essanay motion picture company. He reluctantly accepted this engagement, and it was not long before he became a world-wide favorite of the screen. Beverly Bayne appeared with him in many of these features and has been co-starred with him since.

Miss Bayne has the distinction of being starred in the very first picture in which she appeared. It was called "The Loan Shark," and was produced by Essanay in Chicago. Her marvelous beauty and natural grace attracted the attention and interest of one of the directors. He asked Miss Bayne if she would consider acting in pictures, and after much persuasion she accepted a position. She remained with Essanay, playing frequently with Francis X. Bushman and going with him as co-star when he signed with Metro.

Some of the Bushman and Bayne Metro successes are: "Under Suspicion," "Red, White and Blue Blood," "The Voice of Conscience," "The Adopted Son," "Their Compact," and the wonderful picturization of Shakespeare's "Romeo and Juliet."

Charlie Chaplin, the million-dollar screen comedian, appearing at the Patricia Theatre Monday, Tuesday and Wednesday in "The Woman," one of his greatest comedies.

MAJESTIC

Frank Keenan in "Ruler of the Road," at the Majestic Today.

Those who see Frank Keenan in "Ruler of the Road" at the Majestic Theatre today will enjoy the scenes in which he appears with the little child, after learning of a recent experience of Mr. Keenan as a passenger on a westbound transcontinental train.

In the same sleeping car there was a tired mother with a fretful baby. The mother did everything in her power to put the baby to sleep. She knew that everyone else in the car was being disturbed by the cries of her infant. But the efforts of the mother were in vain.

Mr. Keenan waited until it was evident the mother was helpless. Then he donned his big black overcoat, in lieu of a dressing gown, and strode to the scene of the disturbance.

"Pardon me," he said to the tearful mother, "I have had some experience with children. Perhaps I may be able to quiet the little one." The mother looked into his kindly face. Then she relinquished the howling youngster for the little one. The cries grew fainter. The little one fell asleep. A whispered note of thanks to the man who had so soundly sleeping youngster over to his mother.

Marguerite Clark, in "Rich Man, Poor Man," at the Majestic Thursday and Friday Next.

The thousands of admirers of delightful Marguerite Clark who have seen her "Bab" pictures will be interested in the forthcoming presentation at the Majestic Theatre next Thursday and Friday of her latest photoplay, "Rich Man, Poor Man," a picturization of Maximilian Foster's successful novel, by George Broadhurst, for Paramount release.

The story of this admirable picture deals with the fortunes of Betty Wynne, a charming girl, who, after many years spent in a boarding-house, enters the home of John K. Beaton, a cold-hearted, selfish financier, presumably as his estranged daughter. Although a rich man, Beaton is a poor man in everything else, for he loves no one, and every one despises him for his eccentricities and erratic temperament.

Betty brings love and sunshine into his life, and he refuses to permit her to leave him even after he discovers that she has been foisted upon himself through the forgery of a man whose sole desire was to make Betty happy. Betty is the central figure in numerous thrilling scenes, and finally finds happiness in the love of a young man who really is the grandson of Beaton.

Miss Clark is splendidly supported by a large array of fine screen players. Chief among them are Frederick Warde, the famous tragedian, Richard Barthelmess, George Backus, Ottola Nesmith, Mary Davis and Augusta Anderson.

Charles Ray in a Western Photodrama, "Playing the Game," at the Majestic Next Saturday.

Booted and spurred, with chaps and a wide sombrero, Charles Ray, the famous Thomas H. Ince star, is the central figure of the story of "Playing the Game," his newest Paramount picture, which has just been released. This is a strong story of the southwest. After a brief period along the Great White Valley in New York, Mr. Ray, as Larry Prentiss, a dissipated son of a millionaire, who had left him a vast fortune, has been leading a wild life, and one night at a dinner given to some friends, he knocks down and apparently kills Hickey Trent. In the belief that he is a murderer, Larry goes to Arizona to begin life anew.

While there, Larry has many adventures, including hold-ups and other thrilling events, and he finally lands as a cowboy upon his own ranch, his identity being unknown to his employees. Here he meets and courts Moya Shannon, the daughter of the manager, and after a series of highly dramatic occurrences, avows his love for the girl who naturally reciprocates. "Playing the Game" is said to be one of the best pictures in which Mr. Ray has been seen in many months. It will be shown at the Majestic Theatre next Saturday. Mr. Ray is capably supported by fine players, chief among whom are Doris Lee and Robert McKim.

Wallace Reid and Geraldine Farrar in "Joan the Woman" at the Majestic Theatre May 15, 16, 17.

History and traditions say that in the early months of Joan of Arc's meteoric career, which led her from the peasant's home to commander-in-chief of the armies of France, she met a young Englishman named Eric Trent, who was smitten with her personality, and who worshipped at the feet of this young feminine leader. This will be the role in which Mr. Reid will be seen, and will be the third time he has played in leading support of Miss Farrar.

"Vally" Reid, as he is known to the thousands of fans, is to the screen side of the picture what Mary Pickford, Blanche Sweet and a number of other young women who started their brilliant careers when the motion picture was young, are to the feminine side. Mr. Reid is the son of Hal Reid, famous playwright, and first actor in motion pictures about six years ago following a brief experience, first as a cowboy in Wyoming and later as a newspaper reporter in New York. He has appeared at various times in productions of the Universal, Vitaphone and Lasky companies.

At the Majestic Theatre on May 15 and 17.

SCENES OF BEAUTY IN "THE BLUE BIRD" TO BE SHOWN HERE

Maeterlinck's Masterpiece at the Majestic Monday, Tuesday and Wednesday.

Maeterlinck's "The Blue Bird," to be seen at the Majestic Theatre Monday, Tuesday and Wednesday, is the symbol of happiness. Maeterlinck's stirring play—which Maurice Tourneur has made into the most beautiful of all photoplay spectacles—is the drama of the struggle for happiness. Never before has a people, war-torn, sought so for happiness. It is happiness that we fight for in France, nothing else.

The following is a review written by one of New York's noted critics, in which he bestows lavish praise on this production.

"Of the multitude of wonderful scenes, the following appear to make a deep impression: The scenes in the Azure Palace, where the countless unborn children are awaiting their chance on earth; the Palace of Luxuries, where a banquet and ball is in progress; the views in the Palace of Night, where the boy is shown the terrors of nightmare, such as the ghosts, etc., and the presentation of the Jews and Happiness. Still another wonderful scene is that showing the ship of Babyhood starting on its journey to the waiting mothers who are awaiting their children, and who are shown the terrors of nightmare, such as the ghosts, etc., and the presentation of the Jews and Happiness. KEEP YOUR HOLIDAY HEALTH

Make it your business to always look and feel as well as you do at the end of your vacation. Sunshine, fresh air and exercise are nature's great restorers and the health gained during a holiday should carry you well along to the next vacation.

It is most important that the blood be kept cleared of impurities. This is the business of the Kidneys. One hour's inactivity on the part of the Kidneys and the blood begins to get clogged with poisons which are carried to all parts of the body—giving rise to one or more of the following symptoms—

Rheumatism follows the crystallizing of uric acid in the muscle tissues and joints. Uric acid poisons should be eliminated by the Kidneys.

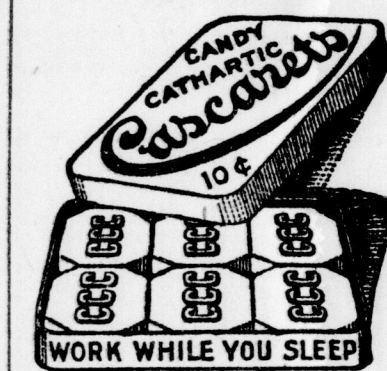

Swollen joints and ankles indicate the immediate need for GIN PILLS. Pains in the sides and back and through the groin, constant headaches, restless nights, derangements of the urinary system, stones and gravel, puffiness under the eyes and frequent chills—all these should be taken as warnings and a treatment with GIN PILLS taken at once.

CEETEE UNDERCLOTHING Guaranteed Not To Shrink.

If women could only see the thousands of letters Dr. Tyrell has received from grateful women in all parts of the world, thanking him for this wonderful invention for Internal Bathing, they would soon discard the medicine bottle and look to the cause of their trouble. 95 per cent of all human ills are due to accumulated waste in the Colon or Large Intestine. Warm Water properly used with the "J. B. L. Case" will relieve the cause of your troubles and perfect health will follow.

A Widespread clergyman writes: "My wife is naturally sensitive about having her name appear in public print and is anxious to keep her name out of the papers. B. L. Cascade" has done this for her. It has really given her peace of mind. I am glad she had been leaning for Constipation, which became worse each year. I have known B. L. Cascade first about 15 years ago, who has not been sick a day, and has become a person who is confirmed, you are at liberty to give my name."

"B. L. Cascade" is an invention perfected by Dr. Chas. A. Fryer of New York, and has restored to health and lessened disease than all other medicines.

The "B. L. Cascade" is shown and explained at the New York State Fair, and at the Ask for Booklet explaining all about Internal Batching and what it has done for others.

**'Y' BOYS ENLISTING
IN "WORK AND GIVE"
CAMPAIGN LOCALLY**

Military System Arranged for Drive to
Raise \$2,000.

"The Earn and Give" Campaign has been launched by the boys' department of the Y. M. C. A. At a meeting held Thursday evening, officers were elected to take charge.

The object of this campaign, which will last until October 1, is to have boys work and give their earnings to help the cause of the Y. M. C. A. in France. The objective is to raise \$60,000 for Canada, and the local "Y." will raise \$2,000. There are over 200 older boys members of the Y. M. C. A., and this will make an average of \$10 per boy.

The money given in this campaign by the boys is to be earned, taken from their savings or out of their allowance but is not to be asked for by the boys. At the organization meeting held last evening, Capt. (Rev.) A. Graham outlined the plan to the boys. Thirty-two boys have already enlisted, and it is expected that one hundred boys will register today and tomorrow.
