DEPARTMENT OF FINANCE,

OTTAWA, 26th November, 1897.

Hon. W. S. FIELDING,
Minister of Finance, Ottawa.

SIR,—I have the honour to submit the accounts of the Dominion of Canada for the fiscal year ended 30th June, 1897.

The receipts on account of Consolidated Fund were \$37,829,778.40 and the expenditure \$38,349,759.84 showing a deficit of \$519,981.44.

The expenditure chargeable to capital was as follows :—

Railways and Canals—

	<hr/>	129,237 76

<i>Dominion Lands</i>	91,411 86
<i>Militia</i>	745,964 75
	<hr/>

Making a total of.....\$3,505,821 09

And there was paid to the *Canadian Pacific Railway*.....\$ 14,054 50

Subsidies amounting to \$416,955 30 were paid to the following railways :—

Atlantic and North-western.....	\$ 186,600 00	
Canadian Pacific.....	52,000 00	
Cap de la Madeleine.....	7,424 00	
Gulf Shore.....	28,635 05	
Irondale, Bancroft and Ottawa.....	48,000 00	
Lake Témiscamingue.....	6,476 25	
Lotbinière and Megantic.....	22,400 00	
Montreal and Ottawa.....	32,000 00	
Ontario, Belmont and Northern.....	30,720 00	
United Counties.....	2,700 00	
	<hr/>	\$ 416,955 30

The amount at the credit of depositors in Savings Banks at the close of the year was \$48,934,975.72, an increase of \$2,135,657.14 over the previous year. Of this \$1,622,091.80 was added interest, and \$513,565.34 cash receipts over withdrawals.

The Dominion notes circulation increased by \$1,945,881.14, and amounted at the close of the year to \$22,318,096.26.

The amount of Dominion notes of small denomination in circulation in each year during the months of September and October, when the crops are being marketed, is regarded as an index to some extent of the business activity of the country. It may therefore be of interest to publish the actual figures for the past six years.

	1892.	1893.	1894.	1895.	1896.	1897.
	\$	\$	\$	\$	\$	\$
September.....	6,845,354	7,190,426	6,897,527	7,060,977	7,326,434	7,702,507
October.....	7,266,569	7,266,937	7,031,368	7,295,368	7,583,712	7,940,520

While indicating a steady demand for increased circulation over the whole period the statement shows a marked expansion in the present year. The reduction in the amount outstanding in November, when the contraction begins to make itself felt, has this year been found to be so very slight as to lead to the belief that, as the result of increased energy and activity in business experienced generally throughout the Dominion, a larger volume of currency will be required in the immediate future than has been the average for some years past.

The amount invested in the Sinking Funds was \$2,101,813.80 making a total of \$38,516,189.33. By reference to page 4 of the expenditure statements (Part II.) the investments for each loan and the rate of interest they bear will be seen. Only Dominion securities were purchased. The amount of debt redeemed was \$692,594.38, the details of which are given at page 9, part II.

The net debt was increased by \$3,041,163.69 and amounted to \$261,538,596.46 at the close of the year. The increase is accounted for thus:—

Expended on capital account and the Canadian Pacific Railway as shown above.....	\$3,519,875 59
Excess of Expenditure over Receipts Consolidated Fund.....	519,981 44
Railway subsidies.....	416,955 30
Rebellion in the North-west Territories.....	3,284 64
Consolidated fund transfers, including payments for liabilities incurred prior to 30th June, 1896, Post Office Department.....	682,880 52
	<hr/>
	\$5,142,977 49
Less—Sinking fund investments.....	2,101,813 80
	<hr/>
	\$3,041,163 69

The average rate of interest on the gross debt was 3·20 per cent, against 3·23 per cent whilst the net rate was 2·76 against 2·80 in the previous year.

Public Accounts.

As intimated in my last year's report the question of the joint liability of the provinces of Ontario and Quebec for the increased annuities payable under the Robinson Treaties has been submitted to the arbitrators and the matter was argued before them for several days, beginning on the 18th instant. Their decision has not yet been rendered. An award, which is printed herewith, was given by them and settled several points. The judgment of the Supreme Court of Canada on the appeal taken against the awards of the arbitrators respecting the Common School Fund has not yet been given.

Though not falling within the scope of the past year's transactions the result of the £2,000,000 loan floated in London in October last is a matter of so much interest that it will be well to refer to it in the present report. A statement of the several tenders is herewith appended.

The loan, as is well known, was a $2\frac{1}{2}$ per cent sterling loan, the first at that rate floated by any colony, and the average price realized was £91. 10s. 5d. Taking into account the fact that the lowering of a borrowing rate has the disadvantage attendant upon a new departure, and that for some months previous money had been getting into more active demand, the success of the loan is very gratifying. That the Dominion has now succeeded in floating a $2\frac{1}{2}$ per cent loan is of further consequence, when it is borne in mind that in addition to unused borrowing powers amounting to \$9,351,705.85, liabilities mature almost yearly between the years 1903 and 1910. These liabilities aggregate over £30,000,000 sterling, and the reduction from the rate of interest now payable to the rate at which this last loan was placed, would be productive of a large future saving to the Canadian treasury.

I would respectfully suggest that the early maturing of this large amount of indebtedness be borne in mind in considering any project for the development of the resources of the Dominion, inasmuch as every action affecting the financial position of the country cannot fail to influence materially the measure of success to be attained in dealing with these liabilities in a market where colonial finances are year by year receiving closer attention and keener criticism.

I would further suggest that vigorous efforts be made to render the Dominion of Canada securities available for investments by trustees and executors. There does not seem to be any reason, so far as I can see, why Dominion of Canada Inscribed Stock should stand on a lower footing in this regard than Government of India Inscribed Stock. But being so, the market value of the two stocks is about 3 per cent in favour of India. If this disability were removed not only would the difference in the market value of the two stocks disappear, but in all probability Canadian stocks would rise to a level with the stocks of the large municipal corporations in the mother country, the market rates of which show that the $2\frac{1}{2}$ per cent stocks are about par.

To my report contained in the preface to the Accounts of 1895, I appended a table showing the number and salaries of officials employed in the public service who were subject to the provisions of the Superannuation Act on the 1st July in the years 1892, 1893 and 1894. This statement is now republished and to it is added similar information for the two succeeding years. It will be remembered that the amendment of 1893 to this Act, established a special fund to which allowances to those entering the service subse-

quent to that date were to be chargeable. The number of officials under the previous arrangement must accordingly decrease. The table shows that on the 1st July, 1892, there were 4,236 of these officers. On 1st July, 1896, this number was reduced to 3,680. On the last mentioned date there were 432 contributors to what is called Fund No. 2 under the Act of 1893. Taking both together it will be seen that the total number of officials under the Superannuation Act has gradually declined from 4,236 in 1892 to 4,112 in 1896, showing that so far as numbers are concerned the contingent liability under the Act is decreasing.

In conclusion I have great pleasure in publicly recording my recognition of the loyal assistance given me at all times by the members of the staff of the department in administering its affairs.

I have the honour to be, sir,

Your obedient servant,

J. M. COURTNEY,

Deputy Minister of Finance.

NINTH AWARD.

To all to whom these Presents shall come :

The Honourable John Alexander Boyd, of the city of Toronto and province of Ontario, Chancellor of the said province ; the Honourable Sir Louis Napoléon Casault, of the city of Quebec, in the province of Quebec, Chief Justice of the Superior Court of the said province of Quebec, and the Honourable George Wheelock Burbidge, of the city of Ottawa, in the said province of Ontario, Judge of the Exchequer Court of Canada,
SEND GREETING.

Whereas it was, in and by the Act of the Parliament of Canada, 54-55 Victoria, chapter 6, and in and by an Act of the Legislative Assembly of Ontario, 54 Victoria, chapter 2, and in and by an Act of the Legislature of Quebec, 54 Victoria, chapter 4, among other things provided that for the final and conclusive determination of certain questions and accounts which had arisen or which might arise in the settlements of accounts between the Dominion of Canada and the provinces of Ontario and Quebec both jointly and severally, and between the two provinces, concerning which no agreement had theretofore been arrived at, the Governor General in Council might unite with the Governments of the provinces of Ontario and Quebec in the appointment of three arbitrators, being judges, to whom should be referred such questions as the Governor General and Lieutenant-Governors of the provinces should agree to submit.

And whereas we, the undersigned, John Alexander Boyd, Sir Louis Napoléon Casault, and George Wheelock Burbidge have been duly appointed under the said Acts, and have taken upon ourselves the burdens thereof.

And whereas it was provided in and by the said Acts, that such Arbitrators or any two of them should have power to make one or more awards, and to do so from time to time.

And whereas the matters hereinafter mentioned have been submitted to us the said Arbitrators, and we have heard the parties thereto, and what has been alleged by Counsel on their behalf.

Now, therefore we, the said Arbitrators exercising our authority to make a separate award at this time respecting the said matters, do award, order and adjudge in and upon the premises as follows, that is to say :—

1. With respect to the claim made on behalf of the Dominion of Canada against the provinces of Ontario and Quebec for certain moneys paid to Robert H. McGreevy, Messrs. Ward and O'Leary and Charles Garth, as set out in the statement of case filed, and the plea to the jurisdiction filed on behalf of the province of Ontario, and argued under reservation of the rights of the province of Quebec, we do order that an answer or statement in defence be made and delivered on behalf of the province of Ontario to the said statement of claim, and that the parties proceed to a hearing thereof, reserving however to the province of Ontario the right in such answer or statement in defence and at such hearing to raise the question of alleged want of jurisdiction as a question of law, and thereby to renew the objection that the claim does not fall within the scope of the reference. The same matter of defence is reserved and open to the province of Quebec, in the statement in defence to be filed by that province.

2. With respect to the claim made on behalf of the Dominion of Canada to charge in the province of Ontario account certain moneys paid by the Dominion on account of the salary, from July 1st to 4th of November, 1867, of the Honourable James Cockburn as Solicitor General for Canada West, and for certain expenses incurred by him, amounting in the whole to \$1,073.57, we do award, order and adjudge that the said claim be dismissed, and that the said amount so charged be struck out of the province of Ontario account.

3. With respect to the claim made on behalf of the Dominion of Canada against the Province of Ontario to be allowed in the accounts between the Dominion and the province of Ontario the sum of three thousand dollars recovered upon a recognizance given for the appearance of one John Stewart, an officer of Inland Revenue, to answer

a charge of unlawfully and feloniously aiding, assisting and abetting certain persons in abstracting a quantity of spirits from a bonded warehouse, and which said recognizance was duly estreated and the money collected thereon paid into the Treasury of the province of Ontario, we do refrain from making any award, as in our opinion it is not possible so to do, without assuming to decide and deciding a disputed constitutional question.

Mr. Justice Burbidge having had the matter mentioned in this paragraph brought before him when filling the office of the Deputy of the Minister of Justice, takes no part in the disposition of the same.

IN WITNESS WHEREOF we, the said John Alexander Boyd, Sir Louis Napoléon Casault, and George Wheelock Burbidge, have hereunto set our hands and seals the fifteenth day of May, A.D. 1897.
