

Given Up To Die

No. 100 George St., Sorel, Quebec.
 "I suffered from womb disease for seven years, with dreadful pains over the front of the body, over the back and down the legs. I had indigestion and chronic constipation and the constipation was so bad that I went sometimes for ten to fifteen days without any action of the bowels. I was ill in bed for one whole year. At one time I was so low that everyone thought I was going to die, and the last Rites of the Church were administered to me. I was treated by six different doctors without any benefit.

MADAME JOSEPH LIRETTE

Then I got a sample of "Fruit-atives," but I had no faith in them at all, and I would not have taken them only my husband begged so hard for me to try them. As soon as I began to take "Fruit-atives" I grew better, the bloating was relieved, the sleeplessness was cured, my stomach acted, and the bowels were moved, but above all the fearful womb pains were made easier. I have taken eighteen boxes in all and I am now perfectly well again."
 (Signed) MADAME JOSEPH LIRETTE, 50c. box—6 for \$2.50—on trial box 25c.—at dealers or from Fruit-atives Limited, Ottawa.

LOCAL LEGISLATURE

FREDERICTON, Feb. 17—The speech from the throne, delivered at the opening of the Legislative Assembly this afternoon was as follows: Mr. Speaker and Gentlemen,

of the Legislative Assembly. It affords me much pleasure to meet you again at the opening of another session and to once more express our thanks to the Creator and Giver of all good things, for a bountiful harvest and the general prosperity with which the people of New Brunswick have been blessed.

It is gratifying to find that during the last year the crop yields averaged larger than in 1908, and were above the average of the figures of the last ten years, though unusual weather conditions occasioned local losses. High prices have prevailed for most farm products, and increased faith in the agricultural capabilities of the province is being manifested.

Since the opening of the Legislature last year eighteen new Agricultural Societies have been incorporated, and they are actively taking up the work of live stock improvement, and the purchase of good seeds.

In response to the demand for larger and better draught horses, my government arranged with reliable horse importers to bring Clydesdale mares and stallions to the province upon a commercial basis. These horses have been sold at reasonable prices and well distributed at small expense to the province.

I am pleased to note the honours won by the fruit growers of this province, at the exhibition in Great Britain, and at the Maritime Fair at Amherst and to congratulate our horticulturists on the success which has crowned their efforts. The fruit from this province carried off prizes in competition with the Empire.

To assist our fruit growers in further developing the production and export of apples and other fruit, an expert in fruit culture has been added to the staff of the Agricultural Department.

On account of the large crops of potatoes in Ontario, Quebec, and the United States it was felt by my government that it was desirable that some new outlet should be found for the New Brunswick potato crop, and assistance was therefore given to the produce shippers of the province in introducing and extending our potato trade in the Cuban market. The result has been most gratifying. Up to the present time upwards of seventy five thousand barrels have been shipped to Havana. Our product has more than an enviable reputation there, and there is every prospect that the trade will be a permanent one.

During recess, renewed and additional efforts have been made to induce the immigration of agriculturalists, farm laborers and domestic servants, and I am pleased to be able to say that these efforts have been crowned with a reasonable degree of success, and it is expected that in the future greater results will follow.

It is a pleasure to inform you that the territorial revenue during the last fiscal year was the largest in the history of the province, and that the estimates of lumber cut during the present year, so far received by the Department of Colonization, are

cate that the receipts will show a substantial increase over those of the previous one.

During recess, my government has continued to press for a settlement of outstanding claims in connection with fishery matters, against the government of Canada, and will continue to do so, and is hopeful that a settlement of all questions in dispute may be arrived at during the present year.

At the opening of the last session, I informed you that arrangements had been made by my government, under which certain books used in the common schools were being supplied at a reduced price of forty per cent, and you will be glad to learn that the list has been extended so that practically all the books in the school curriculum are being sold at a similar reduction thereby affecting a very considerable saving to the people of the province.

At the last session of the Legislature an Act was passed in aid of the development of the Gloucester county iron deposits. Aid was encouraged by the carrying out of the provisions of that Act, the Northern New Brunswick and Sea Board Railway Company entered upon the construction of a line of railway from the iron mines near the Grand Falls of the Nepisiguit River, to the Intercolonial Railway, and in spite of the very wet weather last summer and autumn, has made such substantial progress with the work that it is expected the road will be completed not later than July next, and that, thereafter, the provincial revenues will be increased to a considerable amount by the royalties on the output of the mines.

The encouragement given by my government to this enterprise has caused great activity in prospecting for minerals in Gloucester and the other Northern counties, and so far favorable reports have been received of indications of other valuable deposits, and the receipts from mining licenses have largely increased.

In pursuance of an Act passed at the last session, a Commission was appointed to inquire into and report upon the best methods to be adopted to prevent and cure tuberculosis in this province. The report of this Commission has not been received by the government, but it is expected that it will be presented during the session.

The Highway Act of 1908, as amended by the Legislature at its last session, has been in force during the past year, and I am happy to inform you that, though the season was an unusually wet one and not favorable for the making or preservation of good roads, its operation leads to the conclusion that it will be effective in providing better roads than have existed in the past, and prove a wise and progressive piece of legislation.

For many years past there has existed a strong desire among the residents of the counties of the Valley of the River St. John for the construction of a railway which will, it is believed, add in a very great measure to their prosperity and be of gen-

eral benefit to the province. All legislation heretofore passed for aiding such a work has proved ineffective in accomplishing the purpose desired. A bill will be introduced at the present session which it is hoped, will result in the accomplishment of this long desired and desirable public work at no far distant day.

You will be invited to consider bills to provide pensions for teachers in the common schools; to amend the Health Act, and an Act for the establishment of a Board of Public Utility Commissioners.

Other measures will also be submitted for your consideration. I have directed the accounts of the income and expenditure for the past year, as well as a statement of the receipts and payments of the current year, up to the opening of the present session, to be laid before you. Estimates of the probable income and expenditure for the current year will also be submitted to you, and I think you will find that they have been prepared with due regard to economy and the requirements of the public service.

I feel assured that you will give careful consideration to the various subjects which will come before you. FREDERICTON, Feb. 17—Third session of the 10th Legislature Assembly was opened today with the usual ceremonies. A. P. Bentley, the new member for St. John, was introduced by Hon. C. W. Robinson and Mr. Lowell of St. John.

The address in reply to the speech from the throne was moved by Mr. Woods of Queens and Mr. Allan of Northumberland was seconder. They criticized the Government for honest administration and assistance given to agriculture. Hon. C. W. Robinson followed and claimed the government took credit for many things for which it was in no way responsible. Premier Hazen claimed criticism of the opposition leader was the weakest he had ever heard. The Bill to provide for teachers' pensions would provide for teachers of 35 years experience on reaching the age of 60 for males and 55 for females, pension not exceeding \$400.

TWO BURNED TO DEATH IN WRECK AFTER COLLISION

SCRANTON, Pa. Feb. 17—A sleet and snow storm was partly responsible for a freight wreck early today on the Lehigh Valley Railroad, in which two trainmen were killed. A freight train was stalled on the Lehigh Valley 'cut-off' between Averra and Jenkins Junction, near here, and was run into by three locomotives which were taking a freight train over the mountain. Bowman Shea, conductor, of Mauch Chunk, Pa. and Edward Bennett, brakeman of Fairview, Pa. were both caught in a caboose, which was crushed between a steel gondola and a locomotive. The wreckage took fire and the two men were burned to death.

WANTS HER LETTER PUBLISHED

For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women I felt sure it would help me, and I must say it did help me wonderfully. My general health is all right now, I grew stronger and within three months I was a perfectly well woman."

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOLDAN, 215 Second St., North, Minneapolis, Minn.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs. Women who suffer from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

CHRISTMAS PRESENTS THAT ARE

AYER'S HAIR VIGOR

Stops Falling Hair

Ayer's Hair Vigor is composed of sulphur, glycerin, quinin, sodium chlorid, capsicum, sage, alcohol, water, and perfume. Not a single injurious ingredient in this list. Ask your doctor if this is not so. Follow his advice. A hair food, a hair tonic, a hair dressing. Promptly checks falling hair. Completely destroys all dandruff.

AYER'S HAIR VIGOR

Does not Color the Hair

J. C. AYER COMPANY, Lowell, Mass.

Is Your Flour, Madam, Milled by Water-Power

When we called last August at the Keewatin mills, we reminded the Local Manager of that moth-eaten story—About the mill owner who boasted that though his mill was the dirtiest in five counties his flour was clean. The Manager laughed heartily, but shook his head most decidedly.

"My only regret," he said, "is that we're in such an out of the way place here. If we could only get more visitors, it would be the best advertisement FIVE ROSES could have."

"You don't hear so much about water-power mills these days", he continued as we watched the men putting in new stop logs, "maybe because they are so few. It certainly gives us a big advantage."

"In fuel economy?" we asked off-hand.

"In cleanliness above all" he quickly added. You see how light, and airy, and free from dirt this plant is. The absence of a smoky chimney and steam power plant helps a lot."

The first impression one has of the FIVE ROSES premises is of immense size and spotless brightness and cleanliness.

The ventilation system is really wonderful. The sunlight penetrates everywhere both on account of the large number of double-sized windows and the peculiar construction of the plant. Sunlight, you know, is the fatal foe of germs and bacilli.

When our guide regretfully declined a good Havana cigar which we had saved all the way from Winnipeg, we almost fainted. It was only then we saw the placards on the walls—"Positively no smoking in the building."

Then the millers all unfurled in white, the spotless machinery with the metal parts polished like piano keys, the floors glistening like a ball-room.

We do honestly believe the FIVE ROSES mills are the most sanitary and hygienic in all America—and we have seen a few.

When you have been through the mills, Madam, you cannot but say to yourself—"FIVE ROSES flour must be pure, and nutritious, and wholesome."

And you are right.

LAKE OF THE WOODS MILLING CO., LTD., MONTREAL

Local and Provincial

CONTRACT AWARDED

Hon. John Morrissy, chief commissioner of public works, has awarded the contract for the superstructure of the new Shediac bridge, Westmorland county, to Julien S. Cormier, of Shediac. The contract price is between \$6,000 and \$7,000.

REDBANK NOTES

Miss Abbie Matchett is recovering from a cold. Mr. John Woods spent Sunday at his home in Chatham. Mr. Wm. Matchett is spending a few days with his daughter at Mr. Fred White's.

REPRESENTING TOWN

Mayor S. W. Miller and Ald. L. B. McMurdo, representing the town of Newcastle, and Warden Everett J. Parker of Derby, the County, attended the union of N. B. municipalities at Campbellton, which opened on the 16th instant.

ATTENDED LEGISLATURE

Major Lawlor, Lieut. Whalen and a detachment of the Newcastle field battery, numbering 14 in all left on Wednesday for Fredericton to take part in the military duties attending the opening of the provincial legislature. They returned on Thursday.

WITH THE FIGHTERS

Tom Foley, the Halifax boxer, defeated Joe McInnis of Cape Breton at Halifax on Tuesday night. The bout was scheduled for twenty rounds, but McInnis retired in the nineteenth, being badly punished. Foley was not marked. About six hundred spectators were present.

DIED ON WEDNESDAY

The death of Annie, wife of John Manderscn of Newcastle and daughter of late James Donohue, of Douglstown, occurred on Wednesday afternoon, after a two months illness of paralysis. Deceased was 65 years of age. To mourn her loss she leaves her husband and the following children:—John, Jr., of New York; William Cain, of South Brewer Mrs. Maine and Edward, Ernest, Joseph and Ephraim of Newcastle. Mrs. John Ratigan and Miss Mary Donohue of Nelson, N. B., and Mrs. Leaver of Boston are sisters of the deceased. The funeral at St. Mary's church Friday morning was largely attended.

PROFESSIONAL

Dr. McCully, Oculist and Aurist will be at the Adams House, Chatham, Tuesday March 1st. Feb. 22, 2i.

NOTICE

I forbid any person trespassing or cutting anything on the James Donahoe lot of land in the parish of Blackville, N. B. Mrs. Christina Donahoe. Feb. 8th—3i

MEASLES EPIDEMIC

Measles is epidemic in Douglstown, over half the school children being ill with, or kept home because of, the disease. There is one case of diphtheria, now convalescent, and one case of scarlet fever.

WEDDING ANNIVERSARY

A large number of friends assembled at the residence of Mr. P. J. Veniot, Collector of Customs at Bathurst, a few days ago, to extend their congratulations to Mr. and Mrs. Veniot on the 25th anniversary of their wedding. They were the recipients of many presents from friends in Bathurst, Moncton, Halifax, St. John, St. Basil, Toronto, Ottawa, Montreal and Quebec. Mr. and Mrs. Veniot were married at Shediac, Feb. 8th, 1885, and went to Bathurst from Moncton in 1887, where they have since resided. Mr. Veniot represented Gloucester in the legislature from 1894 to 1900, when he resigned to take the position of Collector of Customs, a position which he fills with satisfaction to the public in general. He was also a newspaper editor for some years.

THE PRICE OF TEA

Some of the prominent local tea blenders were interviewed by the Globe today regarding a possible rise of five cents in the price of tea per pound. Several meetings have been held, at which the matter was talked over, but nothing definite has been done. The cost of tea per pound is four cents higher than at any time previous to 1907. The price of tea has remained the same, therefore the blenders are losing their profits. Some of the blenders have taken the method of raising the price on the retailer without increasing the cost to the consumer. This saves the blender but hurts the retailer. The causes of the increased cost of tea are twofold, first the curtailed production of tea of late years, and, second, the increased consumption. It is probable that something will be done shortly in the way of an increase.—St. John Globe.

This contractor got results.

He knew how to feed his men. Some years ago a contractor building a railroad in a warm climate was troubled a great deal by sickness among the laborers. He turned his attention at once to their food and found that they were getting full rations of meat and were drinking water from a stream nearby. He found that if he cut down the amount of meat and drank a certain quantity of Quaker Oats fed to the men. He also boiled Quaker Oats and mixed the thin oatmeal water with their drinking water. Almost instantly all signs of stomach disorders passed and his men showed a decided improvement in strength and spirits. This contractor had experience that taught him the great value of good oatmeal.

LUMBERING OPERATIONS

Victoria County News.—Reports from the lumbering operations are that in most places the hauling is excellent, the heavy rains leaving just enough snow and ice to form a bottom and the light storms since have made ideal going over the most of the roads and the few bad places can be repaired. The teams and men are again going in by the dozen daily for the past week and many new ones also, so that by this time most of the camps have their full complement and work is on the hustle to have the cuts ready for spring driving.

TROUT BROOK NOTES

Mr. John Ryan is busily engaged landing off his logs. Miss Martha Waye of this place spent two weeks visiting friends in Newcastle and Nelson. Miss Janie Lumsden is spending some time at her home here. Miss Mary B. Waye and her brother George spent last Wednesday the guest of their sister Mrs. Ernest Hosford. Mr. William McRay, who has spending the winter with his brother-in-law, Mr. James Waye, here, left for Vancouver, B. C., on Tuesday last. Miss Jessie A. Waye has gone to spend a few weeks with friends in Protectionville. Mr. Charlie Buckley and John Hollanah were the guest of James Waye last Sunday evening. Service was held at James Waye's here on the 20th at 11 o'clock. The service was conducted by the English Minister the Rev. W. Nicoll of Newcastle. Miss Rhoda Norton has gone to spend a few days at her home in Sevoile. Mrs. Ernest Russell of Newcastle, is the guest of her sister Mrs. Ritchie Allison of this place. Miss Alice Cain was the guest of the Misses Waye on Wednesday last.

MILLERTON

Millerton, Feb. 14th.—James D. Lyon visited Harcourt on Monday. Miss Helena Flett, teacher in Doaktown, is at home. She has been granted a two months' leave of absence on account of ill health. Fred P. Esson is still quite ill. Mrs. Thomas McLean is ill with bronchitis. Mrs. John Fayle is convalescent from her recent nervous attack. James Carter went to Harcourt on Saturday. Miss Jessie M. Lyon spent a couple of days in Newcastle last week, the guest of her sister Mrs. Will O'Donnell. Miss Addie Weeks is visiting in Newcastle, the guest of her aunt Mrs. John Russell. Mrs. Alex. Archibald and daughter spent Wednesday in Newcastle. Messrs. Randolph Crocker and John W. Miller spent Thursday in Newcastle. A Carnival is advertised for next Thursday evening in the open-air rink at Pulp & Paper mill. A good time is anticipated. The carnival held in the Millerton rink Thursday evening was largely attended. There were many handsome costumes. Special mention might be made of those worn by Misses May Flett as Highland Lassie; Gladys Parker and Leslie Wilson, Gold Dust Twins; Annie Gardiner, Red Cross Nurse. Service was conducted in the Presbyterian church on Sunday evening by the Rev. Mr. Grant of Trinidad. He will lecture in the church on Wednesday evening at 7.30. Subject "The Open Doors." Rev. J. G. A. Colquhoun is confined to the house with throat trouble.

POUNDING THE INTERCOLONIAL

A most extraordinary and incomprehensible event during the past fortnight was the motion by Dr. Black, in the House of Commons regarding the I. C. R. We have never been able to understand why these attacks or the efficiency of the intercolonial should be made from time to time.

ADAM DICKSON.

Mr. Carvell, speaking on the question in the House of Commons, spoke of the freight rates from St. John to a certain point west as compared with the rates from St. John an equal distance east. And it is not only a question of cheaper rates, but of passenger service as well.

ADAM DICKSON.

As for the present management of the I. C. R. under the Commission, we have taken pains since the beginning of the year to make enquiry among the people who come in close contact with the railway at nearly every point from Halifax and St. John to Montreal, and the universal opinion seems to be that there has been an improvement. Why then should any of our own local members seek to 'knock' the I. C. R? There is no answer that we can think of.

ADAM DICKSON.

Proposition is now made that married men be required by law to wear wedding rings. Nonsense. You can always tell 'em on sight.

ADAM DICKSON.

Money appears to be more of a familiar sight in Ireland than it used to be, and the farmers have started a number of mutual building societies. In 1897 there was only one of any of these societies has ever had an agricultural cooperative bank.

ADAM DICKSON.

There is nothing that we have to have the impression that a person is suffering from a disease unless he has a doctor's certificate. A person is not a doctor. A person is not a doctor.

GROUP QUICKLY CURED

Don't Let the Child Choke to Death While Waiting for the Doctor. Hyomei, the miraculous, antiseptic treatment, will cure croup in its earliest or second stages. Easily absorbed, when the breathing is difficult, it soothes more promptly than any other remedy the terribly inflamed membrane of the windpipe. It acts almost immediately and relieves the distress and the suffocation is relieved and the child breathes freely.

ADAM DICKSON.

A moving picture machine has been introduced into at least one school in the United States. The moving picture machine might be made a very powerful aid to education. The wonder is that its educational value is not more freely recognized.

ONE TABLET AFTER EATING and what a world of distress would be saved. Dr. Stain's Pineapple Tablets cure sour stomach, distress after eating, weight in the stomach, wind on the stomach, loss of appetite, dizziness, nausea, and a dozen other troubles traceable to bad digestion. One Tablet gives instant relief. A positive and pleasant cure that nature has provided, 35 cents.—128.

ADAM DICKSON.

Mr. Richard Bowling of Ramsgate, Eng. falconer for Mr. Paul J. Rainey, arrived at New York on Tuesday on board the Minneapolis of the Atlantic Transport Line, with a falcon and a goshawk, which Mr. Rainey purposed using for hunting at his home in New Albany. Mr. Bowling said so far as the known falcons or goshawks had ever been used in the United States and he was introducing a new sport. Falcons are used to catch grouse, partridges and the like, while the goshawks are to hunt the hare, rabbit and other ground animals.

ADAM DICKSON.

There is nothing that we have to have the impression that a person is suffering from a disease unless he has a doctor's certificate. A person is not a doctor. A person is not a doctor.

WORTHY OF CONSIDERATION

In connection with the forestry meetings which are to be held in this province during the present month, it may not be entirely known to the St. John Globe, to call attention to a phase of the conservation movement that is occupying the attention of other peoples who are endeavoring to preserve and conserve the natural resources of their countries. Apart from the material advantages to be derived from a careful handling of the riches in nature's storehouse, the wisest view is one that should not be cheaply set aside. While perhaps at a first glance from a practical point of view a natural beauty may not appear to be worth much commercially, yet if the results in distant years were taken from these places they rely solely upon their scenic attractions for their success as a tourist, it would be hardly a surprise to these people to find that the importance of the conservation movement is the first investment that some man makes which fortune allows him to indulge in luxuries in all probability along some line of aesthetic enjoyment. Probably he buys a country home where he has trees and streams and hills, where his eye can rest with delight upon the natural beauty of the world as created. The leaders of the conservation movement should teach not only conservation and preservation, but they should inculcate the idea of beauty as a principle, so that the life of the people and of the country shall be elevated and that it will speedily follow that true patriotism will not be a difficult lesson to learn in a country that is both externally and internally beautiful.

SITTINGS OF COURTS FOR COMING YEAR

- The following is the assignment of the sittings and circuit courts from Hilary 1910 to Hilary 1911. Mr. Justice Landry: Kent, Tuesday, 8th March 1910. Charlotte, Tuesday, October 11, 1910. Westmorland, Tuesday, 10th January 1910.

NEAR DEATH'S DOOR

Mi-o-na cures dyspepsia. If any of the readers of THE UNION ADVOCATE are suffering from stomach trouble of any kind T. J. Durick will sell you a box of Mi-o-na for 50 cents with an absolute guarantee of relief or money back. Neil Murray of Huron Road, Goderich, Ont., says: "I suffered with indigestion for over four years and had been given over as incurable by many doctors. I had become a nervous wreck through loss of sleep, and whatever I ate did not remain on my stomach for over two hours. I would suffer with vomiting spells that would almost kill me, perspiration as large as beads would break out all over my body and I was so weakened a condition that I would be unable to stand; not a night's rest in over six months and I was so weakened and run down that my family thought I would die. My heart was greatly weakened and would flutter and a sharp pain would come through me and cut off my breath. I was reduced in weight from 150 to less than 100 pounds. Doctors would give different causes for my trouble, yet none of them gave me the slightest relief. I commenced treatment with Mi-o-na and when one-half of the first box was used I could eat my meals without suffering the dreadful vomiting spells. I used about ten boxes in all, and I am entirely cured. My stomach is as strong as ever and there is not the slightest trouble with indigestion. I have gained about 40 pounds in weight, am strong and healthy and like a new man. I will always speak highly of Mi-o-na, as it cured and I believe kept me from sure death when all else had failed."

THOUSANDS WATCHED HUMAN SPECK IN AIR

Dardevil Bill Hill played to many spectators recently in the financial district—probably the greatest 'gambler' of his life—and he sent many a clerk back to the office with a stiff neck. His performance was at a point some 480 feet from the sidewalk, while he clung to the flagstaff which rises from Liberty Tower, the newest skyscraper on the corner of Liberty and Nassau streets. Liberty Tower is 430 feet in height and the flagstaff recently put into position, is fifty feet high. This pole, 300 feet through at the base, is only five inches through at the top, and from the street below it looks like a toothpick thrust into the air. The pole had to be painted. There are many painters, but very few of them are in the market for this particular sort of decorative art. 'Dardevil Bill' twenty three years of age, and 210 pounds in weight, accepted the task without question. Besides the painting it was necessary to place a gilded ball ten inches in diameter at the top of the staff. Hill climbed to the top of the pole— from the street a speck inching along a toothpick—made himself fast, hoisted up the gilded ball, slipped it in place, and pulling a bucket of paint after him, began to decorate his way down a foot at a time. Probably 100,000 persons saw the performance. There seems one good thing about the job—he will never be forced into fierce competition.

Rural Phones Solve These Every-Day Problems. Problem I. Bad Roads: The old way was to curse nature and idly waste time and money. The new way is to telephone for what you want, and smile because you get the information in a thousand parts of the hour. Problem II. Weather Forecasts: The old way was to work on belated information, and to excuse the losses with "It's what the farmer has to put up with." The new way is to telephone every morning for the weather forecast and to know the farmer's mind and head.

Local and Provincial

MR. BOURASSA

Mr. Henri Bourassa, M. L. A., Montreal, is to speak at Memramcook at the 15th of August celebration. Possibly, the Canadian Club could secure an address from him while he is visiting New Brunswick.

A NEW INSPECTOR

Mr. R. A. Kloch has been appointed chief of the inspector for the Atlantic division of the C. P. R. Mr. Kloch is the first to hold the office. His duties will be to inspect with three other men the condition of the ties on the railway.

DEATH AT BALTIMORE

Word has reached the Wesleyan of the death in Baltimore, where he had gone for treatment, of Rev. Samsen B. Gregg, formerly of Kings county, N. B., but for a number of years has lived in the state of New York, and at the time of his death was pastor of the Methodist.

WANT LICENSES ABOLISHED

Rev. R. Robichaud, parish priest at Larose, Gloucester county, has presented Premier Hazen with a petition signed by 680 out of the 880 ratepayers of the parish, asking that proclamation be made to the effect that no licenses for the sale of liquor shall in future be issued in the parish of Shippagan. The application will be considered by the government at its next meeting.

BORN

At Newcastle, Feb. 19th, to Mr. and Mrs. Jas Fallon, a daughter. At Newcastle, Feb. 20th, to Mr. and Mrs. James Stables, a daughter. At Nardin, Feb. 11 to Mr. and Mrs. Peter DeWolfe, a son. At New Glasgow, N. S., Feb. 13, to Mr. and Mrs. George H. Hansen, a son. At Douglasfield, Feb. 10th, to Mr. and Mrs. Allan Trevors, a daughter. At Newcastle, Feb. 15th, to Mr. and Mrs. Robert Fogan, a son.

MARRIED

At the Manse, Chatham by the Rev. J. Wood, H. Wooster, Millbank, to Flora G. Henderson, Douglastown.

FOR NEW YORK

Mr. John Follansbee, who has been manager of the Power House for the past five years, has severed his connection with the Town and leaves on Thursday next for New York, where he has secured a good position with the Western Electric Company at that place. During the time Mr. Follansbee has been in charge of the lighting system he has given every satisfaction to the Council and citizens. Last night a number of friends entertained him at Russell's Restaurant, and a very pleasant evening was spent.

LAROSE—RUSSELL

A pretty church wedding was solemnized Wednesday evening at 6.30 when Oliver E. Larose, of Tyvan, Saskatchewan, and Miss Muriel Ethel Russell, second daughter of Mr. and Mrs. J. B. Russell, were united in marriage. Rev. Wm. Nicoll, Rector of St. Andrew's Episcopal church performed the ceremony in the presence of the guests which included only the relatives of the contracting parties.

The bride, who was unattended, wore a very becoming princess gown of peacock blue with black velvet picture hat, trimmed with plumes.

After the ceremony the bridal party drove to the home of the bride where a bounteous and delicious supper was served. Mr. and Mrs. Larose left the same evening by No. 33 for their future home in the west. They will spend two weeks in Toronto at the groom's former home. Some very pretty gifts were received by the bride; the groom's present being a handsome fur-lined coat. The bride is a highly respected young lady of Newcastle and has many friends, who wish her abundant success and happiness in her new home in the west.

HOCKEY THURSDAY

Newcastle will cross sticks with Campbellton, in the rink here Thursday night.

DEATH OF INFANT

The infant daughter of Mr. and Mrs. Wm. McLean, Mitchell street, died on Saturday. The remains were interred in Whitneyville on Sunday.

HARCOURT

Miss Helen Buckenfield, who is attending High School in Moncton spent Sunday at her home here, and was accompanied by her little friend, Miss Ollie Storer.

A baby boy arrived on Saturday to gladden the home of Dr. and Mrs. R. G. Girvan.

Alfred Ward of Metepedia spent Sunday at his home here.

Miss Dunn of Chipman is visiting her cousin Miss Jessie Dunn. Oswald McAulay of Main River came to the village today to attend the Superior school.

On Saturday afternoon Mrs. P. C. Cormier entertained a number of little friends of her son Arvestide, on the occasion of his eighth birthday.

BARRYVILLE

Barryville, Feb. 11—The inhabitants of this settlement were aroused early on Sabbath morning, Feb. 6th, by a disreputable band of drunkards headed by a certain desperado—and his chips, who seemed to be under their command with bottles, axes and perhaps revolvers, and drank freely their bad liquor which was obtained at a certain house. They travelled this settlement all Sabbath day, and even went into the poor people's houses, and did whatever they pleased. Most of these poor people were very frightened, and rather than face this lawless mob, had to bar their doors and suffer for the want of fuel, and water all that day. What a shame for such work to be going on in our civilized country, when men, so degrade themselves as to forget what is due to humanity. What a way to spend God's Holy Sabbath, with drunkenness and blasphemy. Can this possibly be our civilized Canada, or are we worse than savages or heathens. All good loyal citizens and officials should awaken to these few facts, and forbid the sale of intoxicating liquors on God's Holy Sabbath Day.

HARCOURT

Harcourt, Feb. 14th—Mr. Fred Clark, who has been spending the past two months at his home here left on Monday evening for Wainwright, Sask.

Mrs. George Irving and son Archie were guests during the week, of Mrs. E. B. Buckenfield and returned to Moncton on Monday.

Rev. R. H. Stavert returned on Saturday from Halifax where he had gone to complete some of his studies at Pine Hill.

Mrs. Leonard Barrett and little daughter Erdine who have been guests the past six weeks of the former's parents returned on Saturday to their home in River Hebert, N. S.

Mrs. Andrew McIntosh went to Campbellton on Saturday having been called there on account of the serious illness of her daughter, Mrs. Harry Miller.

The Dime Social held on Thursday evening at the home of Mr. Melbourne Dickie, in aid of St. Matthew's Episcopal church gave a pleasant evening to a large number of guests and was a financial success.

On Monday evening Miss Trudy Wathen gave one of most enjoyable entertainments of the winter. The principal feature of the evening was an art gallery contest. The rooms were prettily decorated with pink and white carnations, and flowers.

Mr. and Mrs. William McLean returned to their home in Whitneyville on Sunday.

BIRTHDAY SOCIAL

The ladies of the Newcastle Auxiliary of the W. M. S. of the Methodist church held a very enjoyable birthday party at the home of Mrs. H. S. Leard on Thursday evening the 17th inst. A committee had previously distributed little silk bags, with an invitation in verse, to the members of the congregation, each one being at liberty to put as many pennies in the bag as he or she was years old. The invitation met with a hearty response. After an interesting program it became Miss Bessie Crocker's duty to perform a pleasant act in presenting Miss Edith Clarke, president of the Excelsior mission circle, with an address and beautiful bouquet of twenty one pink carnations. By a happy coincidence the birthday party was held on the date when Miss Clarke attained her majority. Miss Clarke was heartily congratulated. Dauphin luncheon was then served and all voted the evening a happy one. There were some 75 persons present.

The program was as follows:—Piano Solo—"My Old Kentucky Home"—Mr. W. C. Day. Solo—"Goodbye Sweet Day"—Miss Edith McLean.

Reading—Mr. Fred Henderson. Japanese love song—By Misses Bessie Crocker, Edith Clarke, Bessie Hosford and Mabel McGreggor.

Piano Duet—Mrs. W. J. Deane, Miss Crocker.

Reading—Mrs. Laura Hill. Piano Solo—Mr. W. C. Day.

Reading—"When Aibani Sang"—Fred Henderson.

Presentation of bunch of carnations and following address to Miss Clarke:—To Miss Edith Clarke

Dear Edith— We have discovered that this momentous day, which the ladies of the auxiliary are celebrating by means of a birthday party, is also the anniversary of your own appearance in this vale of tears and laughter; and we wish to take advantage of the occasion to tell you a little of how much we love you. It is a fitting coincidence that the two anniversaries fall on the same day and since you have long been a valued member of the Mission Circle, which may be considered a preparatory school leading towards a larger field of activity with Ladies Auxiliary makes us sure that whatever of change or increased responsibility the fleeting years may bring you, the new circumstances will be met with the same courage and competence which have marked your work thus far.

Without any gushing language we ask you to accept these twenty-one carnations, one for each year of your life, as a tangible though inadequate evidence of our regard; and that you will believe that they carry with them our very best wishes that you may enjoy many more years of health and usefulness.

(Sgd) Officers of the Women's Auxiliary and the Mission Circle.

KILLED AT MONCTON

Struck by the end of a passenger car, being pushed along by shunting engine number 86, and dragged over one hundred feet, James William Doyle, known as "Willam", aged seventeen, son of L. C. R. Conductor John Doyle and employed in the office of A. B. McDonald, General Car Foreman, L. C. R., was killed at the C. P. R. shops this afternoon at twenty minutes to three o'clock. As the unfortunate had just emerging from the night car repair shop he was struck by the end of the passenger car, and apparently did not notice its approach until he was thrown underneath the passenger's head, landing on the rails and pushing along for a distance of about a hundred feet or more by the wheel of the car. When picked up it was found that young Doyle had been crushed into eternity. Transcribed, Feb. 17.

SUGAR DEARER

The Acadia Sugar Refining Co., Halifax, on Wednesday advanced their prices of all grades of refined sugar ten cents per one hundred pounds.

27 MOOSE IN ONE HERD

Game Warden George Stack, who is in the city today, states that he saw 27 moose together in one herd the other day between Lake George and Harvey—Gleamer.

A GOOD HORSE

Mr. L. Comfort left here on Tuesday last at 8 a.m. with a passenger, for Tracadie Church, a distance of over 50 miles, returning the next morning at 5 o'clock. Mr. Comfort drove his horse Billie, allowing 4 hours for feeding.

THE ROYAL CHEF

The Royal Chef, as presented at the Opera House Friday evening, has carried the town, as it did the audience by storm. It is a fun maker from start to finish, and is clean, bright, pretty, musical and palatable. While no special effort is made to point a moral, yet there was sufficient plot to keep interest on the qui vive and there is never a dull moment. The Royal Chef is unquestionably the best musical comedy ever presented on a local stage and deserves the large patronage it is receiving.

DEATH OF CHILD

The funeral of C. Gilmour Cassidy, son of Mr. and Mrs. Geo. Arthur Ashford, Bernard Macdonald and Charles McCullum. Deceased, who died on Friday, was scarcely two years of age, and had for several months been a great sufferer. Much sympathy is felt for the bereaved parents.

MARRIED AT MONTREAL

A pretty wedding took place Tuesday evening last at the residence of Mr. and Mrs. McKee, 14 Souvenir Ave. Westmount, Montreal, when their eldest daughter, Miss Esther Todd McKee, was married to Mr. Charles E. Gibson of Montreal, son of Mr. and Mrs. E. T. Gibson of Walkerton, Ont. The ceremony was performed in the drawing-room under an arch of palms, ferns and daffodils, the Rev. Dr. Johnston of the American Presbyterian church officiating.

Mr. Gibson is a brother of Mrs. M. G. Anderson and was for several years a resident of Newcastle where he made many friends. Mr. Gibson now holds an important position with the office specialty Mfg. Co., Montreal.

For Pale Delicate People

ANNOUNCEMENT

Men Wanted—Two live speakers in the Methodist church at 7.30 Wednesday evening Feb. 23rd, will present the wonderful "Laymen's Missionary Movement" and incidentally the great Immigration Problem of Canada and the great Awakening Problem of China. Dr. W. A. Swain of All Peoples Mission, Winnipeg, author of "The Stranger Within Our Gates," and Rev. Mr. Morgan of China, are the respective lecturers. No admission fee asked—only a collection. We want all the wives, sisters & co. with their usual interest and sympathy. Don't forget the place and date. Rev. W. J. Deane, Pastor.

TWO PARTIES

Two very pleasant parties were given on Friday and Saturday evenings by Mrs. Gilmour G. Stothart, in honor of the visit of her sister, Mrs. A. B. Copp of Sackville. That on Friday was a shirt party. The first prize was won by Mrs. Fleming and second by Mrs. E. A. McCurdy. The guests were: Mesdames A. B. Copp, George Stothart, Fleming, McCurdy, Wm. A. Hickson, W. R. Payne, Donald Morrison, C. C. Hamilton, C. C. Hubbard, Charles Call, Henry Ingram, B. P. Steeves, James M. Falconer, and John Russell, and Meses Mayne and Jessie Fleming and Edna Payne. Saturday night the game was Bridge Whist. The prize was won by Miss Carrie Moss of Amherst, guest of Mrs. E. P. Williston. Among those present were Mesdames George DesBrisay, A. E. Shaw, Howard Williston and A. B. Copp and Misses Moss, May Williston, Minnie Ingram, Florence Ferguson, Jennie Gremley, May McKee, Minnie Stothart, May DesBrisay, Jessie and Mayme Fleming, Edna Payne, Willa Bell, Nedie Lingley, Margaret Robinson and Miss Moore.

Vaporized Cresolene stops the germs of Whopping Cough. Ever deaden. Croup cannot exist where Cresolene is used.

OUR OTTAWA LETTER

The naval debate was resumed in the Commons last week and resolved itself into an animated discussion that will probably last for several weeks.

The law makers are keyed to a high pitch over this important national question and nearly all will deem it their solemn duty to place on record, not only their own views but also the views of the people whom they have the honor to represent.

Mr. Frederick Borden in a magnificent speech of nearly four hours to crowded galleries discussed the naval bill exhaustively.

Sir Frederick Borden in a magnificent speech of nearly four hours to crowded galleries discussed the naval bill exhaustively.

The minister remarked that until recently had the leader of the opposition always been in favor of the Canadian built navy.

Frederick, as one who knows, that no such demand or suggestion was ever made by the admiralty to the delegates at that conference.

Mr. Foster interrupted and asked if there were not certain questions assented to at the conference that are not before Parliament.

Mr. Foster in replying to the Minister of Militia, wandered so far away from the issue in the beginning of his speech that he had to be informed of the question amid an uproar of cheers from the government supporters.

It should not have been a case for this government to present the Imperial authorities with instructions but they should have gone there to accept instructions.

MR. OAK HAS ACCEPTED

FREDERICTON, Feb. 16.—Hon. C. E. Oak of Bangor, who is here today, confirms the report, recently given currency that he was to enter the employ of the New Brunswick Railway.

A long famous girls bachelor club of Brooklyn has been completely put out of business by the demon Matrimony.

WHEN HALLEY'S COMET WILL BE VISIBLE

An Interesting Article About the Great Phenomenon

In the Scientific American of Jan. 8, 1910, John C. Dean, gives the relative position of Halley's comet, the earth and the sun, as follows:

On the night of May 18 the earth and comet will rush past each other and the earth will probably sweep through the tail of the comet.
